(c) Make grants to community-based organizations for the provision of preparatory and vocational education services to single parents, displaced homemakers, and single pregnant women if the State determines that the community-based organizations have demonstrated effectiveness in providing comparable or related services to single parents, displaced homemakers, and single pregnant women, taking into account the demonstrated performance of such organizations in terms of cost, the quality of training, and the characteristics of the participants;

(d) Make preparatory services and vocational education and training more

(b) Subject to the requirements of paragraph (c) of this section, the following entities are eligible for an award under the Postsecondary and Adult Vocational Education Programs:

(1) An institution of higher education as defined in § 403.117(b), including a nonprofit institution that satisfies the conditions set forth in § 403.111(d)(14).

(2) A local educational agency serving adults.

(3) An area vocational education school serving adults that offers or will offer a program that meets the requirements of § 403.111 and seeks to receive assistance under the Secondary School Vocational Education Program or the Postsecondary and Adult Vocational Education Programs.

(c) Only an entity that provides or will provide vocational education in a

program that meets the requirements of § 403.111 is eligible to receive an award under the Secondary School Vocational Education Program or the Postsecondary and Adult Vocational Education Program.

(Authority: 20 U.S.C. 2341(a) and (d); 2341a (a) and (d)(1); and 2342(c))

§ 403.111 How must funds be used under the Secondary School Vocational Education Program and the Postsecondary and Adult Vocational Education Programs?

(a)(1) Each eligible recipient that receives an award under § 403.112, § 403.113, or § 403.116 shall use funds under that award to improve vocational education programs.

(2) Projects assisted with funds awarded under § 403.112, § 403.113, or § 403.116 must—

(i) Provide for the full participation of individuals who are members of special populations by providing the supplementary and other services required by § 403.190(b) necessary for them to succeed in vocational education; and

CROSS-REFERENCE: See appendix A to part 403 and §§ 403.190(c) and 403.193(e).

(ii) Operate at a limited number of sites or with respect to a limited number of program areas.

(3) If an eligible recipient that receives an award under § 403.112, § 403.113, or § 403.116 meets the requirements in this section and §§ 403.190(b) and 403.193, it may use those Federal funds to serve students who are not members of special populations.

(b) Each eligible recipient that receives an award under § 403.112, § 403.113, or § 403.116 shall give priority for assistance under those sections to sites or program areas that serve the highest concentrations of individuals who are members of special populations.

Examples: Methods by which an eligible recipient may give priority to sites or program areas that serve the highest concentrations of individuals who are members of special populations include, but are not limited to, the following:

Example 1: Method to give priority to a limited number of sites. Based on data from the preceding fiscal year—

(a) First, a local educational agency ranks each site based on the percentage of the

§ 403.111

34 CFR Ch. IV (7–1–07 Edition)

site's total enrollment of students who are members of special populations.

(b) Second, the local educational agency establishes a funding cut-off point for sites above the district-wide percentage of special populations enrollment. The local educational agency funds sites above the cut-off point but does not fund sites below that point.

Example 2: Method to give priority to a limited number of program areas. Based on data from the preceding fiscal year—

(a) First, a postsecondary institution ranks each program area based on the percentage of the program area's total enrollment of students who are members of special populations.

(b) Second, the postsecondary institution establishes a funding cut-off point for program areas that rank above the institution-wide average percentage of special populations enrollment. The postsecondary institution funds projects in a program area that is above the cut-off point but does not fund projects in program areas below that point.

Example 3: Method to give priority to a limited number of sites. Based on data from the preceding fiscal year—

(a) First, an LEA or postsecondary institution identifies a site with a high concentration of special populations;

(b) Second, the LEA or postsecondary institution identifies a program area at the site (such as health occupations) in which the participation rate for members of special populations has been lower than the overall rate of participation for members of special populations at the site; and

(c) Third, the LEA or postsecondary institution funds a project at the site designed to improve the participation rate of members of special populations in that program area.

NOTE TO EXAMPLES IN § 403.111: Absolute counts of special population members may be used to determine the sites or program areas with the highest concentrations of special population members instead of, or in combination with, percentages of special population members.

(c) Funds made available from an award under § 403.112, § 403.113, or § 403.116 must be used to provide vocational education in programs that—

(1) Are of sufficient size, scope, and quality as to be effective;

(2) Integrate academic and vocational education in those programs through coherent sequences of courses so that students achieve both academic and occupational competencies; and

(3) Provide for the equitable participation of members of special populations in vocational education consistent with the assurances and re-

quirements in §§ 403.190(b) and 403.193, so that these populations have an opportunity to enter vocational education that is equal to that afforded to the general student population.

CROSS-REFERENCE: See appendix A to part 403.

(d) In carrying out the provisions of paragraph (c) of this section, an eligible recipient under §§ 403.112, 403.113, or § 403.116 may use funds for activities that include, but are not limited to—

(1) Upgrading of curriculum;

(2) Purchase of equipment, including instructional aids;

(3) Inservice training of both vocational instructors and academic instructors working with vocational education students for integrating academic and vocational education;

(4) Guidance and counseling;

(5) Remedial courses;

(6) Adaptation of equipment;

(7) Tech-prep education programs;

(8) Supplementary services designed to meet the needs of special populations;

(9) Payment in whole or in part with funds under § 403.112, § 403.113, or § 403.116 for a special populations coordinator, who must be a qualified counselor or teacher, to ensure that individuals who are members of special populations are receiving adequate services and job skill training;

(10) Apprenticeship programs;

(11) Programs that are strongly tied to economic development efforts in the State;

(12) Programs that train adults and students for all aspects of an occupation in which job openings are projected or available;

(13) Comprehensive mentor programs in institutions of higher education offering comprehensive programs in teacher preparation, which seek to use fully the skills and work experience of individuals currently or formerly employed in business and industry who are interested in becoming classroom instructors and to meet the need of vocational educators who wish to upgrade their teaching competencies; or

(14) Provision of education and training through arrangements with private

vocational training institutions, private postsecondary educational institutions, employers, labor organizations, and joint labor-management apprenticeship programs if those institutions, employers, labor organizations, or programs can make a significant contribution to obtaining the objectives of the State plan and can provide substantially equivalent training at a lesser cost, or can provide equipment or services not available in public institutions.

§403.112 How does a State allocate funds under the Secondary School Vocational Education Program to local educational agencies?

(a) *Reservation of funds.* From the portion of its allotment under §403.180(b)(1) for the basic programs, each fiscal year a State may reserve funds for the Secondary School Vocational Education Program.

(b) *General rule.* Except as provided in paragraphs (c) and (d) of this section and §401.119, a State shall distribute funds reserved for the Secondary School Vocational Education Program to local educational agencies (LEAs) according to the following formula:

(1) From 70 percent of the amount reserved, an LEA must be allocated an amount that bears the same relationship to the 70 percent as the amount the LEA was allocated under section 1005 of chapter 1 (20 U.S.C. 2711) in the fiscal or program year preceding the fiscal or program year in which the allocation is made bears to the total amount received under section 1005 of chapter 1 by all LEAs in the State in that preceding year.

(2) From 20 percent of the amount reserved, an LEA must be allocated an amount that bears the same relationship to the 20 percent as the number of students with disabilities who have individualized education programs under section 614(a)(5) of the IDEA served by the LEA in the fiscal or program year preceding the fiscal or program year in which the allocation is made bears to the total number of those students served by all LEAs in the State in that preceding year.

(3) From 10 percent of the amount reserved, an LEA must be allocated an

amount that bears the same relationship to the 10 percent as the number of students enrolled in schools and adults enrolled in vocational education training programs under the jurisdiction of the LEA in the fiscal or program year preceding the fiscal or program year in which the allocation is made bears to the number of students enrolled in schools in kindergarten through 12th grade and adults enrolled in vocational education training programs under the jurisdiction of all LEAs in the State in that preceding year.

Example: Assume that a State has reserved \$5,000,000 of its basic programs funds under Title II of the Act for secondary school programs.

(a)(1) All LEAs in the State were allocated a total of \$80,000,000 under section 1005 of Chapter 1 in the preceding fiscal year. Of that amount, school district "A" was allocated \$400,000.

(2) The allocation for school district "A" is calculated by multiplying \$3,500,000 (70 percent of \$5,000,000) by .005 of the State total (\$400,000÷\$80,000,000). The allocation for school district "A" would be \$17,500 under paragraph (b)(1) of this section.

(b)(1) All LEAs in a State served a total of 100,000 students with disabilities who have individualized education programs under section 614(a)(5) of the IDEA in the preceding fiscal year. Of that total, school district "A" served 400 of those students in the preceding fiscal year.

(2) The allocation for school district "A" is calculated by multiplying \$1,000,000 (20 percent of \$5,000,000) by .004 of the State total (400÷100,000). The allocation for school district "A" would be \$4,000 under paragraph (b)(2) of this section.

(c)(1) All LEAs in a State enrolled a total of 1,000,000 students (including adults enrolled in vocational education training programs in those LEAs) in the preceding fiscal year. Of that number school district "A" enrolled 3,500 of those students in the preceding fiscal year.

(2) The allocation for school district "A" is calculated by multiplying 500,000 (10 percent of \$5,000,000) by .0035 of the State total (3,500÷1,000,000). The allocation for school district "A" would be \$1,750 under paragraph (b)(3) of this section.

(c) *Exception to the general rule.* In applying the provisions in paragraph (b) of this section, a State may not distribute funds to an LEA that operates only elementary schools, but shall instead distribute funds that would have been allocated for those ineligible LEAs as follows:

§ 403.113

34 CFR Ch. IV (7–1–07 Edition)

(1) If an LEA that operates only elementary schools sends its graduating students to a single local or regional educational agency that provides secondary school services to secondary school students in the same attendance area, a State shall distribute to that local or regional educational agency any amounts under paragraph (b) of this section that would otherwise have been allocated to LEAs operating only elementary schools.

(2) If an LEA that operates only elementary schools sends its graduating students to two or more local or regional educational agencies that provide secondary school services to secondary students in the same attendance area, the State shall distribute to those local or regional educational agencies an amount based on the proportionate number of students each agency received in the previous year from the LEA that operates only elementary schools.

(d)(1) *Minimum grant amount.* Except as provided in paragraph (d)(3) of this section, an LEA is not eligible for a grant under the Secondary School Vocational Education Program unless the amount allocated to the LEA under paragraph (b) of this section is not less than \$15,000.

(2)(i) An LEA may enter into a consortium with one or more LEAs for the purpose of providing services under the Secondary School Vocational Education Program in order to meet the minimum grant requirement in paragraph (d)(1) of this section.

(ii) A consortium arrangement under paragraph (d)(2)(i) of this section must serve primarily as a structure for operating joint projects that provide services to all participating local educational agencies.

(iii) A project operated by a consortium must meet the size, scope, and quality requirement of § 403.111(c)(1).

Example: Under the distribution formula for the Secondary School Vocational Education Program, three LEAs earn \$5,000 each (which is less than the \$15,000 minimum grant amount for each LEA). The LEAs form a consortium in order to receive an award. One of the LEAs is designated as the fiscal agent for the consortium and receives the \$15,000 award for the consortium. The consortium may operate and fund with the \$15,000 a project or projects for the benefit of all par-

ticipating LEAs. The fiscal agent of the consortium may not subgrant back to the participating LEAs the amounts they contributed to the consortium.

(3) A State may waive paragraph (d)(1) of this section in any case in which the LEA—

(i) Is located in a rural, sparsely populated area;

(ii) Demonstrates that it is unable to enter into a consortium for purposes of providing services under the Secondary School Vocational Education Program; and

(iii) Demonstrates that the projects to be assisted meet the size, scope, and quality requirements in § 403.111(c)(1).

(4) Any amounts that are not distributed by reason of paragraph (d)(1) of this section must be redistributed in accordance with the provisions in paragraph (b) of this section.

CROSS-REFERENCE: See 34 CFR 403.113(d).

(Authority: 20 U.S.C. 2341 (a), (b), and (c))

§ 403.113 How does a State allocate funds under the Secondary School Vocational Education Program to area vocational education schools and intermediate educational agencies?

(a) A State shall distribute funds reserved under § 403.112(a) directly to the appropriate area vocational education school or intermediate educational agency in any case in which—

(1) The area vocational education school or intermediate educational agency and an LEA—

(i) Have formed or will form a consortium for the purpose of receiving funds reserved under § 403.112(a); or

(ii) Have entered into or will enter into a cooperative arrangement for the purpose of receiving funds reserved under § 403.112(a); and

(2)(i) The area vocational education school or intermediate educational agency serves a proportion of students with disabilities and students who are economically disadvantaged that is approximately equal to or greater than the proportion of those students attending the secondary schools under the jurisdiction of all of the LEAs sending students to the area vocational education school or the intermediate educational agency; or

(ii) The area vocational education school or intermediate educational agency demonstrates that it is unable to meet the criterion in paragraph (a)(2)(i) of this section due to the lack of interest by students with disabilities and students who are economically disadvantaged in attending vocational education programs in that area vocational education school or intermediate educational agency.

(b) If an area vocational education school or intermediate educational agency meets the requirements of paragraph (a) of this section, then the amount that would otherwise be allocated to the LEA may be distributed to the area vocational education school, the intermediate educational agency, and the LEA—

(1) Based on each school's or entity's relative share of students with disabilities and students who are economically disadvantaged who are attending vocational education programs that meet the requirements of § 403.111 (based, if practicable, on the average enrollment for the prior 3 years); or

(2) On the basis of an agreement between the LEA and the area vocational education school or intermediate educational agency.

(c) Notwithstanding paragraphs (a) and (b) of this section, and §§ 403.114 and 403.115, prior to distributing funds to any LEA that would receive an allocation that is not sufficient to conduct a program that meets the requirements of § 403.111(c), a State shall encourage the LEA to—

(1) Form a consortium or enter a cooperative agreement with an area vocational education school or intermediate educational agency offering programs that meet the requirements of § 403.111(c), and that are accessible to economically disadvantaged students and students with disabilities that would be served by the LEA; and

(2) Transfer its allocation to an area vocational education school or intermediate educational agency.

(d) If an LEA's allocation under § 403.112 meets the minimum grant requirement in § 403.112(d), and the allocation is distributed in part to an area vocational education school or an intermediate educational agency pursuant to paragraphs (a) and (b) of this

section, the LEA may retain the amount not distributed to the area vocational education school or an intermediate educational agency even though that amount is less than the minimum grant required by § 403.112(d).

(Authority: 20 U.S.C. 2341(d) (1), (2), and (5))

§ 403.114 How does a State determine the number of economically disadvantaged students attending vocational education programs under the Secondary School Vocational Education Program?

(a) For the purposes of § 403.113, a State may determine the number of economically disadvantaged students attending vocational education programs on any of the following bases:

(1) Eligibility for one of the following:

(i) Free or reduced-price meals under the National School Lunch Act (42 U.S.C. 1751 *et seq.*).

(ii) The program for aid to Families with Dependent Children under part A of title IV of the Social Security Act (42 U.S.C. 601).

(iii) Benefits under the Food Stamp Act of 1977 (7 U.S.C. 2011).

(iv) To be counted for purposes of section 1005 of chapter 1.

(v) Participation in programs assisted under title II of the JTPA.

(2) Receipt of a Pell grant or assistance under a comparable State program of need-based financial assistance.

(3) Status of an individual who is determined by the Secretary to be low-income according to the latest available data from the Department of Commerce or the Department of Health and Human Services Poverty Guidelines.

(4) Other indices of economic status, including estimates of those indices, if the State demonstrates to the satisfaction of the Secretary that those indices are more representative of the number of economically disadvantaged students attending vocational education programs. The Secretary determines, on a case-by-case basis, whether other indices of economic status are more representative of the number of economically disadvantaged students attending vocational education programs, taking into consideration, for example, the statistical reliability of

§ 403.115

any data submitted by a grantee as well as the general acceptance of the indices by other agencies in the State or local area.

(b) If a State elects to use more than one factor described in paragraph (a) of this section for purposes of determining the number of economically disadvantaged students enrolled in vocational education programs, the State shall ensure that the data used are not duplicative.

(Authority: 20 U.S.C. 2341(d)(3) and 2471(15))

§ 403.115 What appeal procedures must be established under the Secondary School Vocational Education Program?

The State board shall establish an appeals procedure for resolution of any dispute arising between an LEA and an area vocational education school or an intermediate educational agency with respect to the allocation procedures described in §§ 403.112 and 403.113, including the decision of an LEA to leave a consortium.

§ 403.116 How does a State allocate funds under the Postsecondary and Adult Vocational Education Programs?

(a) *Reservation of funds.* From the portion of its allotment under § 403.180(b)(1) for the basic programs, each fiscal year a State may reserve funds for the Postsecondary and Adult Vocational Education Programs.

(b) *General rule.* (1) A State shall distribute funds reserved for Postsecondary and Adult Vocational Education Programs to eligible institutions or consortia of eligible institutions within the State.

(2) Except as provided in paragraph (c) of this section and §§ 403.118 and 403.119, each eligible institution or consortium of eligible institutions must receive an amount that bears the same relationship to the amount of funds reserved for the Postsecondary and Adult Vocational Education Programs as the

34 CFR Ch. IV (7-1-07 Edition)

number of Pell Grant recipients and recipients of assistance from the Bureau of Indian Affairs enrolled in programs meeting the requirements of § 403.111, including meeting the definition of vocational education in 34 CFR 400.4, offered by the eligible institution or consortium of eligible institutions in the fiscal or program year preceding the fiscal or program year in which the allocation is made bears to the number of those recipients enrolled in these programs within the State in that preceding year.

(c) *Minimum grant amount.* (1) A State may not provide a grant under paragraph (b) of this section to any institution or consortium of eligible institutions for an amount that is less than \$50,000.

(2) Any amounts that are not allocated by reason of paragraph (c)(1) of this section must be redistributed to eligible institutions or consortia of eligible institutions in accordance with the provisions of paragraph (b) of this section.

(d) In order for a consortium of eligible institutions to receive assistance under this section, the consortium must operate joint projects that—

(1) Provide services to all postsecondary institutions participating in the consortium; and

(2) Are of sufficient size, scope, and quality as to be effective.

[57 FR 36735, Aug. 14, 1992, as amended at 59 FR 38513, July 28, 1994]

§ 403.117 What definitions apply to the Postsecondary and Adult Vocational Education Programs?

For the purposes of §§ 403.116, 403.118, and 403.120 the following definitions apply:

(a) *Eligible institution* means an institution of higher education, an LEA serving adults, or an area vocational education school serving adults that offers or will offer a program that meets the requirements of § 403.111 and seeks to receive assistance under § 403.116.

(b)(1) *Institution of higher education* means an educational institution in any State that—

(i) Admits as regular students only persons having a certificate of graduation from a school providing secondary education, or the recognized equivalent of that certificate, or who are beyond the age of compulsory school attendance;

(ii) Is legally authorized within the State to provide a program of education beyond secondary education;

(iii) Provides an educational program for which it awards a bachelor's degree or provides not less than a two-year program which is acceptable for full credit toward such a degree, or in the case of a hospital or health care facility, that provides training of not less than one year for graduates of accredited health professions programs, leading to a degree or certificate upon completion of that training;

(iv) Is a public or other nonprofit institution; and

(v) Is accredited by a nationally recognized accrediting agency or association approved by the Secretary for this purpose or, if not so accredited—

(A) Is an institution with respect to which the Secretary has determined that there is satisfactory assurance, considering the resources available to the institution, the period of time, if any, during which it has operated, the effort it is making to meet accreditation standards, and the purpose for which this determination is being made, that the institution will meet the accreditation standards of such an agency or association within a reasonable time; or

(B) Is an institution whose credits are accepted, on transfer, by not less than three institutions that are so accredited, for credit on the same basis as if transferred from an institution so accredited.

(2) This term also includes any school that provides not less than a one-year program of training to prepare students for gainful employment in a recognized occupation and that meets the provisions of paragraphs (b)(1) (i), (ii), (iv), and (v) of this definition. If the Secretary determines that a particular category of these schools does not meet the requirements of paragraph (b)(1)(v) because there is no nationally recognized accrediting agency or association qualified to accredit schools in that

category, the Secretary, pending the establishment of such an accrediting agency or association, appoints an advisory committee, composed of persons specially qualified to evaluate training provided by schools in that category, that must—

(i) Prescribe the standards of content, scope, and quality that must be met in order to qualify schools in that category to participate in the program pursuant to this part; and

(ii) Determine whether particular schools not meeting the requirements of paragraph (b)(1)(v) of this definition meet those standards.

(Authority: 20 U.S.C. 1085)

(c) *Pell Grant recipient* means a recipient of financial aid under subpart 1 of part A of title IV of the Higher Education Act of 1965 (20 U.S.C. 1070a-1 *et seq.*).

(Authority: 20 U.S.C. 2341a(d))

§ 403.118 Under what circumstances may the Secretary waive the distribution requirements for the Postsecondary and Adult Vocational Education Programs?

The Secretary may waive § 403.116(b)(2) for any fiscal or program year for which a State submits to the Secretary an application for such a waiver that—

(a) Demonstrates that the formula in § 403.116(b)(2) does not result in a distribution of funds to the institutions or consortia of eligible institutions within the State that have the highest numbers of economically disadvantaged individuals and that an alternative formula would result in such a distribution.

(b) Includes a proposal for an alternative formula that may include criteria relating to the number of individuals attending institutions or consortia of eligible institutions within the State who—

(Authority: 20 U.S.C. 2392(c))

Subpart G—What Financial Conditions Must Be Met by a State?

§ 403.180 How must a State reserve funds for the basic programs?

(a)(1) Except as provided in paragraph (a)(2) of this section, each State shall reserve from its allotment under the basic programs authorized by title II of the Act, for—

(i) The Program for Single Parents, Displaced Homemakers, and Single Pregnant Women under § 403.81, and the Sex Equity Program under § 403.91, respectively, an amount that is not less than the amount the State reserved for each of those programs under section 202 of the Carl D. Perkins Vocational Education Act (CDPVEA) from its Fiscal Year (FY) 1991 grant from the FY 1990 appropriation; and

(ii) The Program for Criminal Offenders under § 403.101 an amount that is not less than—

(A) The amount the State reserved for projects, services, or activities under section 202(6) of the CDPVEA from its FY 1991 grant from the FY 1990 appropriation; and

(B) The amount of Federal funds under the CDPVEA, other than the one percent reserved under section 202(6) of the Act, that the State and its eligible recipients obligated for projects, services, and activities for criminal offenders in correctional institutions from its FY 1991 grant from the FY 1990 appropriation.

(2) In any year in which a State receives an amount for purposes of carrying out programs under title II of the Act that is less than the amount the State received for those purposes in its FY 1991 grant award from the FY 1990

appropriation under the CDPVEA, the State shall ratably reduce the amounts reserved under paragraph (a)(1) of this section in the same proportion that the amount for carrying out programs under title II of the Act is less than the amount the State received for those purposes from the FY 1990 appropriation.

(b) Except as provided in paragraph (a) of this section, from its allotment for the basic programs authorized by title II of the Act, a State shall reserve—

(1) At least 75 percent for the Secondary School Vocational Education Program and the Postsecondary and Adult Vocational Education Programs described in § 403.111;

(2) Ten and one-half percent for the Program for Single Parents, Displaced Homemakers, and Single Pregnant Women described in § 403.81 and the Sex Equity Program described in § 403.91, as follows:

(i) Not less than seven percent for the Program for Single Parents, Displaced Homemakers, and Single Pregnant Women.

(ii) Not less than three percent for the Sex Equity Program;

(3) Not more than eight and one-half percent for State Programs and State Leadership Activities described in §§ 403.70 and 403.71;

(4) Not more than five percent or \$250,000, whichever is greater, for administration of the State plan, of which—

(i) Not less than \$60,000 must be available for carrying out the provisions in § 403.13, regarding the personnel requirements for eliminating sex discrimination and sex stereotyping; and

(ii) The remaining amounts may be used for the costs of—

(A) Developing the State plan;

(B) Reviewing local applications;

(C) Monitoring and evaluating program effectiveness;

(D) Providing technical assistance;

(E) Ensuring compliance with all applicable Federal laws, including required services and activities for individuals who are members of special populations; and

(F) Supporting the activities of the technical committees it establishes under § 403.12(b)(1); and

(5) One percent for Programs for Criminal Offenders described in § 403.101.

(c) The procedure for meeting the “hold-harmless” requirements in § 403.180(a) and the \$250,000 minimum for State administration provision in § 403.180(b)(4) is as follows:

(1) If the five percent reserved for administration is less than the \$250,000 minimum allowed by paragraph (b)(4) of this section, or if any of the amounts reserved for the Program for Single Parents, Displaced Homemakers, and Single Pregnant Women in § 403.81, the Sex Equity Program in § 403.91, or the Program for Criminal Offenders in § 403.101, respectively, is less than the amount reserved for that program in FY 1990 (funds from the FY 1990 appropriation awarded in the States FY 1991 grant), a State shall subtract any amount necessary to satisfy the \$250,000 minimum for State administration or any of the “hold-harmless” amounts from the total basic programs award received by the State.

(2) The State shall reserve \$250,000 for administration and shall reserve for any program not meeting the “hold-harmless” requirement an amount necessary to meet that requirement.

(3) The State shall reserve from the remainder of the basic program award an amount for each of the remaining programs that is proportionate to the amount that program would have received in the absence of a shortfall in the amounts reserved for administration or to meet the “hold-harmless” requirements in paragraph (a)(1) of this section.

Example 1: (a) A State receives a basic programs award of \$4,000,000. Five percent of the basic programs award equals \$200,000, which is \$50,000 less than the \$250,000 minimum that may be reserved for State administration. To determine the amount of funds that will be reserved for each program under title II, parts A, B, and C of the Act, the State first subtracts \$250,000 for State administration from the \$4,000,000 basic programs award (\$4,000,000 – \$250,000 = \$3,750,000).

(b) Second, the State determines the amount that would have been reserved for each of the programs under title II, parts A,

§ 403.180

34 CFR Ch. IV (7–1–07 Edition)

B, and C of the Act in the absence of a shortfall in the set-aside amount for administration, as follows:

3.0% × \$4,000,000 =	\$120,000	for Sex Equity Programs.
7.5% × \$4,000,000 =	300,000	for Programs for Single Parents, Displaced Homemakers, and Single Pregnant Women.
8.5% × \$4,000,000 =	340,000	for State Programs and State Leadership Activities.
1.0% × \$4,000,000 =	40,000	for Programs for Criminal Offenders.
75% × \$4,000,000 =	3,000,000	for part C of title II.
	<hr/>	
	3,800,000	

(c) Third, the State converts each of these amounts into a percentage by dividing each amount by the sum of the amounts the programs would have received in the absence of a shortfall (\$3,800,000) and multiplies the remaining basic programs award (\$3,750,000) by these percentages to determine the amount to reserve for each program under parts A, B, and C of title II of the Act, as follows:

(\$120,000/\$3,800,000) × \$3,750,000 =	\$118,421	for Sex Equity Programs.
(\$300,000/\$3,800,000) × \$3,750,000 =	296,053	for Programs for Single Parents, Displaced Homemakers, and Single Pregnant Women.
(\$340,000/\$3,800,000) × \$3,750,000 =	335,526	for State Programs and State Leadership Activities.
(\$40,000/\$3,800,000) × \$3,750,000 =	39,474	for Programs for Criminal Offenders.
(\$3,000,000/\$3,800,000) × \$3,750,000 =	2,960,526	for part C of title II.
	<hr/>	
	3,750,000	

This example assumes that amounts reserved meet the “hold-harmless” requirement of section 102(c)(1) of the Act.

Example 2: A State’s seven percent reserve from its FY 1992 grant for the Program for Single Parents, Displaced Homemakers, and Single Pregnant Women is \$1,400,000 and the amount reserved for that program from its FY 1991 grant was \$1,581,000. Therefore, the amount of FY 1992 funds reserved for that program is \$181,000 less than the amount reserved in FY 1991. The State received a basic programs award of \$20,000,000 in FY 1992. The other programs under title II, part B meet the “hold-harmless” requirement in § 403.180(a)(1), and the amount reserved for State administration exceeds \$250,000. The State determines the amount of funds to be reserved for each program under title II, parts A, B, and C of the Act as follows:

(a) First, the State subtracts \$1,581,000 from the \$20,000,000 total basic programs award (\$20,000,000 – \$1,581,000 = \$18,419,000).

(b) Second, the State determines the amount that would have been reserved for each of the programs under parts A, B, and C of title II of the Act in the absence of a shortfall in the set-aside amount for the Program for Single Parents, Displaced Homemakers, and Single Pregnant Women, as follows:

5.0% × \$20,000,000 =	\$1,000,000	for administration.
3.5% × \$20,000,000 =	700,000	for Sex Equity Programs.
8.5% × \$20,000,000 =	1,700,000	for State Programs and State Leadership Activities.
1.0% × \$20,000,000 =	200,000	for Programs for Criminal Offenders.
75.0% × \$20,000,000 =	15,000,000	for part C of title II.
	<hr/>	
	18,600,000	

(c) Third, the State converts each of these amounts into a percentage by dividing each amount by the sum of the amounts the programs would have earned in the absence of a shortfall (\$18,600,000) and multiplies the remaining basic programs award (\$18,419,000) by these percentages to determine the amount to reserve for each program under parts A, B, and C of title II of the Act, as follows:

(\$1,000,000/\$18,600,000) × \$18,419,000 =	\$990,269	for administration.
(\$700,000/\$18,600,000) × \$18,419,000 =	693,188	for Sex Equity Programs.
(\$1,700,000/\$18,600,000) × \$18,419,000 =	1,683,457	for State Programs and State Leadership Activities.
(\$200,000/\$18,600,000) × \$18,419,000 =	198,054	for Programs for Criminal Offenders.
(\$15,000,000/\$18,600,000) × \$18,419,000 =	14,854,032	for part C of title II.
	<hr/>	
	18,419,000	

This example assumes that amounts reserved for the Sex Equity Program and Programs for Criminal Offenders meet the “hold-harmless” requirement of section 102(c)(1) and (2) of the Act.

Example 3: A State’s one percent reserved from its FY 1992 grant for Programs for Criminal Offenders is \$200,000 and the amount reserved for that program under section 202(6) of the CDPVEA plus other amounts obligated for projects, services, and activities for criminal offenders in correctional institutions from its FY 1991 grant from the FY 1990 appropriations totals \$250,000. Therefore, the amount of FY 1992 funds reserved for that program is \$50,000 less than the amount reserved and obligated for that program in FY 1991. The State received a basic programs award of \$20,000,000 in FY

1992. The other programs under title II, part B meet the “hold-harmless” requirement of §403.180(a)(1) and the amount reserved for State administration exceeds \$250,000. The State determines the amount of funds to be reserved for each program under title II, parts A, B, and C of the Act as follows:

(a) First, the State subtracts \$250,000 from the \$20,000,000 total basic programs award (\$20,000,000 – \$250,000 = \$19,750,000).

(b) Second, the State determines the amount that would have been reserved for each of the programs under parts A, B, and C of title II of the Act in the absence of a shortfall in the set-aside amount for the Programs for Criminal Offenders, as follows:

5.0% × 20,000,000 =	\$1,000,000	for administration.
3.5% × 20,000,000 =	700,000	for Sex Equity Programs.
7.0% × 20,000,000 =	1,400,000	for Programs for Single Parents, Displaced Homemakers, and Single Pregnant Women.
8.5% × 20,000,000 =	1,700,000	for State Programs and State Leadership Activities.
75.0% × 20,000,000 =	15,000,000	for part C of title II.
<hr/>		
19,800,000		

(c) Third, the State converts each of these amounts into a percentage by dividing each amount by the sum of the amounts the programs would have earned in the absence of a shortfall (\$19,800,000) and multiplies the remaining basic programs award (\$19,750,000) by these percentages to determine the amount to reserve for each program under parts A, B, and C of title II of the Act, as follows:

(\$1,000,000/ \$19,800,000) × \$19,750,000 =	\$997,475	for administration.
(\$700,000/\$19,800,000) × \$19,750,000 =	\$698,232	for Sex Equity Programs.
(\$1,400,000/ \$19,800,000) × \$19,750,000 =	\$1,396,465	for Programs for Single Parents, Displaced Homemakers, and Single Pregnant Women.
(\$1,700,000/ \$19,800,000) × \$19,750,000 =	\$1,695,707	for State Programs and State Leadership Activities.
(\$15,000,000/ \$19,800,000) × \$19,750,000 =	\$14,962,121	for part C of title II.
<hr/>		
19,750,000		

This example assumes that amounts reserved for the Sex Equity Program and for the Program for Single Parents, Displaced Homemakers, and Single Pregnant Women meet the “hold-harmless” requirement of sections 102(c) (1) and (2) of the Act.

(d) The procedure for meeting the ratable reduction provision in paragraph (a)(2) of this section is as follows:

(1) If a State’s basic programs award under title II of the Act for FY 1992 or in future years is less than that State’s basic grant amount in FY 1991, a State shall determine the percentage that the basic programs award is of the FY 1991 basic programs award.

(2) The State shall multiply the amounts reserved in FY 1991 for each of the three programs covered by the “hold-harmless” provisions in paragraph (a)(1) of this section by this percentage.

(3) The State shall compare the amounts that would be reserved for these programs in FY 1992 to determine if these amounts are less than the ratably reduced hold-harmless amounts, and if so, shall proceed with the calculation required by paragraph (c) of this section except using the ratably reduced “hold-harmless” amounts.

(Authority: 20 U.S.C. 2312)

§403.181 What are the cost-sharing requirements applicable to the basic programs?

(a) A State shall match, from non-Federal sources and on a dollar-for-dollar basis, the funds reserved for administration of the State plan under §403.180(b)(4).

(b) The matching requirement under paragraph (a) of this section may be applied overall, rather than line-by-line, to State administrative expenditures.

(c) A State shall provide from non-Federal sources for State administration under the Act an amount that is not less than the amount provided by the State from non-Federal sources for State administrative costs for the preceding fiscal or program year.

Example for paragraph (b): From the five percent reserved for the administration of the State plan, a State must reserve \$60,000 to carry out the provisions in §403.13. The \$60,000 must be matched, but the matching funds need not be used for the activities described in §403.13.

(Authority: 20 U.S.C. 2312(b) and 2468d; H.R. Rep. No. 660, 101st Cong., 2nd Sess. 103–104 (1990))

§ 403.182

§ 403.182 What is the maintenance of fiscal effort requirement?

The Secretary may not make a payment under the Act to a State for any fiscal year unless the Secretary determines that the fiscal effort per student, or the aggregate expenditures of that State, from State sources, for vocational education for the fiscal year (or program year) preceding the fiscal year (or program year) for which the determination is made, at least equaled its effort or expenditures for vocational education for the second preceding fiscal year (or program year).

(Authority: 20 U.S.C. 2463(a))

§ 403.183 Under what circumstances may the Secretary waive the maintenance of effort requirement?

(a) The Secretary may waive the maintenance of effort requirement in § 403.182 for a State for one year only if—

(1) The Secretary determines that a waiver would be equitable due to exceptional or uncontrollable circumstances affecting the State's ability to maintain fiscal effort; and

(2) The State has decreased its expenditures for vocational education from non-Federal sources by no more than five percent.

(b) For purposes of this section, "exceptional or uncontrollable circumstances" include, but are not limited to, the following:

(1) A natural disaster.

(2) An unforeseen and precipitous decline in financial resources.

(c) The Secretary does not consider tax initiatives or referenda to be exceptional or uncontrollable circumstances.

(Authority: 20 U.S.C. 2463(b))

§ 403.184 How does a State request a waiver of the maintenance of effort requirement?

A State seeking a waiver of the maintenance of effort requirement in § 403.182 shall—

(a) Submit to the Secretary a request for a waiver; and

(b) Include in the request—

(1) The reason for the request;

(2) Information that demonstrates that a waiver is justified; and

34 CFR Ch. IV (7–1–07 Edition)

(3) Any additional information the Secretary may require.

(Approved by the Office of Management and Budget under Control No. 1830–0030)

(Authority: 20 U.S.C. 2463(b))

§ 403.185 How does the Secretary compute maintenance of effort in the event of a waiver?

If a State has been granted a waiver of the maintenance of effort requirement that allows it to receive a grant for a fiscal year, the Secretary determines whether the State has met that requirement for the grant to be awarded for the year after the year of the waiver by comparing the amount spent for vocational education from non-Federal sources in the first preceding fiscal year (or program year) with the amount spent in the third preceding fiscal year (or program year).

Example: Because exceptional or uncontrollable circumstances prevented a State from maintaining its level of fiscal effort in a program year 1989 (July 1, 1988–June 30, 1989) at the level of its fiscal effort in program year 1988 (July 1, 1987–June 30, 1988), the Secretary granted the State a waiver of the maintenance of effort requirement that permits the State to receive its fiscal year 1990 grant (a grant that is awarded on or after July 1, 1990 from funds appropriated in the fiscal year 1990 appropriation). To be eligible to receive its fiscal year 1991 grant (the grant to be awarded for the year after the year of the waiver), the State's expenditures from the first preceding program year (July 1, 1989–June 30, 1990) must equal or exceed its expenditures from the third preceding program year (July 1, 1987 to June 30, 1988).

§ 403.186 What are the administrative cost requirements applicable to a State?

(a) *Basic Programs.* A State may use only funds reserved under § 403.180(b)(4) to administer the programs under title II of the Act, including Programs for Criminal Offenders.

(b) *Special Programs.* (1) A State may use the funds reserved under § 403.180(b)(4) to administer any of the special programs listed in § 403.130.

(2) In addition to the funds reserved under § 403.180(b)(4), a State may use only an amount of funds from its allotment for the State Assistance for Vocational Education Support Programs

by Community-Based Organizations that is necessary and reasonable for the proper and efficient State administration of that program.

(3) In addition to the funds reserved under § 403.180(b)(4), a State may use the amounts reserved for the Consumer and Homemaking Education Program, the Comprehensive Career Guidance and Counseling Program, and the Business-Labor-Education Partnership for Training Program under §§ 403.151(c), 403.161(c), and 403.173(b), respectively, for the proper and efficient administration of each program.

(Authority: 20 U.S.C. 2302(d) (A)–(D) and 2312(a))

§ 403.187 How may a State provide technical assistance?

(a) Except as provided in paragraph (b) of this section, a State may use only an amount of the funds reserved for each of the basic programs listed in § 403.60 and the special programs listed in § 403.130 to pay the costs of providing technical assistance that is necessary and reasonable to promote or enhance the quality and effectiveness of that program.

(b) A State may not use funds reserved under § 403.180(b)(1) for the Secondary School Vocational Education Program and the Postsecondary and Adult Vocational Education Program to pay the costs of providing technical assistance.

(c) In providing technical assistance under paragraph (a) of this section, a State may not use amounts to an extent that would interfere with achieving the purposes of the program for which the funds were awarded.

(Authority: 20 U.S.C. 2302(d) (A)–(D), 2312(a), and 2323(b)(5))

§ 403.188 What is a State's responsibility for the cost of services and activities for members of special populations?

A State is not required to use non-Federal funds to pay the cost of services and activities that it provides to members of special populations pursuant to § 403.32(a) (18)–(26) or to pay the cost of services and activities that eligible recipients provide to members of special populations pursuant to §§ 403.111 (a)(2)(i) and (c)(3), 403.190(b), or

403.193, unless this requirement is imposed by other applicable laws.

§ 403.194 What are the comparability requirements?

(a) A local educational agency may receive an award of Federal funds under the State plan only if—

(1) The local educational agency uses State and local funds to provide services in secondary schools or sites served with Federal funds awarded under the State plan that, taken as a whole, are at least comparable to those services being provided in secondary schools or sites that are not being served with Federal funds awarded under the State plan; or

(2) In the event that the local educational agency serves all its secondary schools or sites with Federal funds awarded under the State plan, the local educational agency uses State and local funds to provide services that, taken as a whole, are substantially comparable in each secondary school or site.

CROSS-REFERENCE: See appendix B to part 403.

(b) The comparability requirements in paragraph (a) of this section do not apply to—

(1) A local educational agency with only one secondary school or site; or

(2) A consortium composed of more than one local educational agency, except that, within a consortium, each local educational agency itself must meet the comparability requirements unless it is exempt under paragraph (b)(1) of this section.

(c)(1) A local educational agency shall develop written procedures for complying with the comparability requirements in paragraph (a) of this section, including a process for demonstrating annually that State and local funds are used to provide services in served schools and sites that are at least comparable to the services provided with State and local funds in schools or sites in the local educational agency that are not served with funds awarded under the State plan.

(2) In reaching the determination as to whether comparability requirements in paragraph (a) of this section were met, the local educational agency's written procedures—

(i) Do not have to take into account unpredictable changes in student enrollment or personnel assignments that occur after the beginning of a school year; and

(ii) May not take into account any State and local funds spent in carrying out the following types of programs:

(A) Special local programs designed to meet the educational needs of educationally deprived children, including compensatory education for educationally deprived children, that were excluded in the preceding fiscal year from comparability determinations under section 1018(d)(1)(B) of chapter 1 (20 U.S.C. 2728(d)(1)(B)).

(B) Bilingual education for children of limited English proficiency.

(C) Special education for children with disabilities.

(D) State phase-in programs that were excluded in the preceding fiscal year from comparability determina-

tions under section 1018(d)(2)(B) of chapter 1 (20 U.S.C. 2728(d)(2)(B)).

APPENDIX A TO PART 403—EXAMPLES FOR 34 CFR 403.111(a) AND 403.111(c)(3)

Illustration of providing full participation under 34 CFR 403.111(a). An educationally disadvantaged student is enrolled in a course that is part of a vocational education program and is having trouble understanding a math concept (e.g., negative numbers) necessary to succeed in the course. To ensure the student's full participation in the course, a local educational agency may use funds awarded under § 403.112 as needed to provide tutoring in negative numbers to enable the student to understand the concept well enough to complete the vocational education course.

Illustrations of providing equitable participation under 34 CFR 403.111(c)(3).

Example 1: An area vocational education school conducts an informal meeting to provide the information required in § 403.193(a) regarding the area vocational education school's vocational education programs, to parents of students who are members of special populations in a local educational agency whose allocation was distributed to the area vocational education school under

34 CFR Ch. IV (7–1–07 Edition)

§ 403.113. The area vocational education school conducts the meeting at a time and in a location convenient for these parents and students. At the meeting, the area vocational education school provides a staff person to assist students or their parents to complete any forms necessary to enroll in the area vocational education school's vocational education program.

Example 2: A hearing-impaired student in a local educational agency could participate in the vocational education program only if an interpreter is provided for that student. The local educational agency cannot refuse to admit the student because of the need for an interpreter.

APPENDIX B TO PART 403—EXAMPLES FOR 34 CFR 403.194—COMPARABILITY REQUIREMENTS

Methods by which a local educational agency can demonstrate its compliance with the comparability requirements in 34 CFR 403.194(a) include the following:

Example 1: The local educational agency files with the State board a written assurance that it has established and implemented—

(a) A district-wide salary schedule;

(b) A policy to ensure equivalence among secondary schools or sites in teachers, administrators, and auxiliary personnel; and

(c) A policy to ensure equivalency among secondary schools or sites in the provision of curriculum materials and instructional supplies.

Example 2: The local educational agency establishes and implements other procedures for ensuring comparability, such as the following:

(a) Comparing the average number of students per instructional staff in each secondary school or site served with Federal funds awarded under the State plan with the average number of students per instructional staff in secondary schools or sites not served with Federal funds awarded under the State plan. A served school is considered comparable if its average does not exceed 110 percent of the average of schools or sites in the local educational agency not served with Federal funds awarded under the State plan; or

(b) Comparing the average instructional staff salary expenditures per student in each secondary school or site served with Federal funds awarded under the State plan with the average instructional staff salary expenditure per student in schools or sites in the local educational agency not served with Federal funds awarded under the State plan. A served school is considered comparable if its average is at least 90 percent of the average of schools or sites not served with Federal funds awarded under the State plan.

(b) The following definitions also apply to this part:

Act means the Tribally Controlled Vocational Institutions Support Act of 1990.

Indian means a person who is a member of an Indian tribe.

Indian student count means a number equal to the total number of Indian students enrolled in each tribally controlled vocational institution, determined as follows:

(1) The registrations of Indian students as in effect on October 1 of each year.

(2) Credits or clock hours toward a certificate earned in classes offered during a summer term must be counted toward the computation of the Indian student count in the succeeding fall term.

(3) Credits or clock hours toward a certificate earned in classes during a summer term must be counted toward the computation of the Indian student count if the institution at which the student is in attendance has established criteria for the admission of the student on the basis of the student's ability to benefit from the education or training offered. The institution is presumed to have established those criteria if the admission procedures for those studies include counseling or testing that measures the student's aptitude to successfully complete the course in which the student has enrolled. Credit earned by the student for purposes of obtaining a high school degree or its equivalent may not be counted toward the computation of the Indian student count.

(c) Subject to paragraph (d) of this section, the maximum possible score for each criterion in §410.21 is indicated in parentheses after the heading for each criterion.

(d) For each competition as announced through a notice published in the FEDERAL REGISTER, the Secretary may assign the reserved points among the criteria in §410.21.

(Authority: 20 U.S.C. 2397-2397h)

§410.21 What selection criteria does the Secretary use for institutional support grants?

The Secretary uses the following criteria to evaluate an application for an institutional support grant:

(1) Realistic and defined in terms of measurable results; and

(2) Directly related to the problems to be solved.

(b) *Comprehensive development plan.* (25 points) The Secretary reviews each application to determine the extent to

§410.22

34 CFR Ch. IV (7–1–07 Edition)

which the plan is effectively designed to meet the applicant's current and future institutional goals and objectives, including instructional and student support needs, and equipment and capital requirements.

(c) *Implementation strategy.* (20 points) The Secretary reviews each application to determine the extent to which an applicant's implementation strategy—

(1) For each major activity funded under this program, is comprehensive and likely to be effective, taking into account the applicant's past performance and the data for the past three academic years reflecting the number and required qualifications of the teaching and administrative staff, the number of students enrolled, attendance rates, dropout rates, graduation rates, rate of job placement or college enrollment after graduation, and the most significant scholastic problems affecting the student population;

(2) Includes a realistic timetable for each such activity; and

(3) Includes a staff management plan likely to ensure effective administration of the project activities.

(d) *Budget and cost effectiveness.* (20 points) The Secretary reviews each application to determine the extent to which—

(2) Costs are necessary and reasonable in relation to similar activities the institution carried out in previous years; and

(3) The budget narrative justifies the expenditures.

(e) *Evaluation plan.* (10 points) The Secretary reviews each application to determine the quality of the evaluation plan the institution plans to use to determine its progress towards, and success in, achieving its goals and objectives, including the extent to which—

(1) The plan identifies, at a minimum, types of data to be collected, expected outcomes, and how those outcomes will be measured;

(2) The methods of evaluation are appropriate and, to the extent possible, are objective and produce data that are quantifiable; and

(3) The methods of evaluation provide periodic data that can be used for ongoing program improvement.

(Approved by the Office of Management and Budget under Control No. 1830-0013)

(Authority: 20 U.S.C. 2397–2397h)

§410.22 What additional factors does the Secretary consider?

(a) After evaluating applications according to the criteria in §410.21 and consulting, to the extent practicable, with boards of trustees and the tribal governments chartering the institutions being considered, the Secretary determines whether the most highly rated applications are equitably distributed among Indian tribes.

(b) The Secretary may select other applications for funding if doing so would improve the distribution of projects among Indian tribes.

(c) In addition to the criteria in §410.21, the Secretary considers whether funding a particular applicant duplicates an effort already being made.

(Authority: 20 U.S.C. 2397–2397h)

§410.23 How does the Secretary select grantees for institutional support grants?

(a) The Secretary selects at least two eligible applicants for funding.

(b) If only one or two applicants are eligible, the Secretary selects each eligible applicant. The amount of each grant is determined by the quality of the application, based on the selection criteria in §410.22, and the respective needs of the applicants.

(c) If there are more than two eligible applicants, the Secretary ranks each application using the selection criteria in §410.22. The Secretary funds two or more applicants. The number of grants made and the amount of each grant is determined by taking into account the quality of the applications and the respective needs of the applicants.

(d) For fiscal years subsequent to the first year of funding, the Secretary follows the procedure in paragraphs (a) through (c) of this section, except that if appropriations for that fiscal year are not sufficient to pay in full the total amount that approved applicants are eligible to receive, the Secretary

allocates the available grant amounts as required by section 388(a) of the Act.

(Authority: 20 U.S.C. 2397c(b))

§ 410.24 How does the Secretary award additional grants?

If funds remain after providing grants to all eligible institutions, the Secretary makes awards as follows:

(a) The Secretary allocates funds to institutions receiving their first grant under this part in an amount equal to the training equipment costs necessary to implement training programs.

(b) If funds remain after the Secretary makes awards under paragraph (a) of this section, the Secretary reviews training equipment needs at each institution receiving assistance under this part at the end of the five-year period beginning on the first day of the first year for which the institution received a grant under this part, and provides allocations for other training equipment needs if it is demonstrated by the institution that its training equipment has become obsolete for its purposes, or that the development of other training programs is appropriate.

(Authority: 20 U.S.C. 2397d(d))

Subpart D—What Conditions Must Be Met After an Award?

§ 410.30 What expenses are allowable under an institutional support grant?

(Authority: 20 U.S.C. 2397d(a), (d))

§ 410.31 What other provisions apply to this program?

(a) Except as specifically provided in the Act, eligibility for assistance under this part may not preclude any tribally controlled postsecondary vocational institution from receiving Federal financial assistance under any program authorized under the Higher Education Act of 1965 (20 U.S.C. 1001 *et seq.*) or any other applicable program for the benefit of institutions of higher education or vocational education.

(b) No tribally controlled postsecondary vocational institution for which an Indian tribe has designated a portion of the funds appropriated for the tribe from funds appropriated under the Act of November 2, 1921 (25 U.S.C. 13) may be denied a contract for that portion under the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450 *et seq.*) (except as provided in that Act), or denied appropriate contract support to administer that portion of the appropriated funds.

Subpart E—What Conditions Must be Met by a State?

§ 461.40 What are the State and local administrative costs requirements?

(a)(1) Beginning with the fiscal year 1991 grant (a grant that is awarded on or after July 1, 1991 from funds appropriated in the fiscal year 1991 appropriation), an SEA may use no more than 5 percent of its grant or \$50,000—whichever is greater—for necessary and reasonable State administrative costs.

(2) For grants awarded from funds appropriated for fiscal years prior to fiscal year 1991 (grants awarded before July 1, 1991), an SEA may determine what percent of its grant is necessary and reasonable for State administrative costs.

(b)(1) At least 95 percent of an eligible recipient's award from the SEA must be expended for adult education instructional activities.

(2) The remainder may be used for local administrative costs—noninstructional expenses, including planning, administration, evaluation, personnel development, and coordination—that are necessary and reasonable.

(3) If the administrative cost limits under paragraph (b)(2) of this section are insufficient for adequate planning, administration, evaluation, personnel development, and coordination of programs supported under the Act, the SEA shall negotiate with local grant recipients in order to determine an adequate level of funds to be used for noninstructional purposes.

(Authority: 20 U.S.C. 1203b and 1205(c))

§ 461.41 What are the cost-sharing requirements?

(a) The Federal share of expenditures made under a State plan for any of the 50 States, the District of Columbia, and the Commonwealth of Puerto Rico may not exceed—

(1) 90 percent of the costs of programs carried out with the fiscal year 1988 grant (a grant that is awarded on or after July 1, 1988 from funds appropriated in the fiscal year 1988 appropriation);

(2) 90 percent of the costs of programs carried out with the fiscal year 1989 (a grant that is awarded on or after July

1, 1989 from funds appropriated in the fiscal year 1989 appropriation);

(3) 85 percent of the costs of programs carried out with the fiscal year 1990 grant (a grant that is awarded on or after July 1, 1990 from funds appropriated in the fiscal year 1990 appropriation);

(4) 80 percent of the costs of programs carried out with the fiscal year 1991 grant (a grant that is awarded on or after July 1, 1991 from funds appropriated in the fiscal year 1991 appropriation); and

(5) 75 percent of the costs of programs carried out with the fiscal year 1992 grant (a grant that is awarded on or after July 1, 1992 from funds appropriated in the fiscal year 1992 appropriation) and from each grant thereafter.

(b) The Federal share for American Samoa, Guam, the Northern Mariana Islands, the Federated States of Micronesia, the Republic of the Marshall Islands, Palau, and the Virgin Islands is 100 percent.

(c) The Secretary determines the non-Federal share of expenditures under the State plan by considering—

(1) Expenditures from State, local, and other non-Federal sources for programs, services, and activities of adult education, as defined in the Act, made by public or private entities that receive from the State Federal funds made available under the Act or State funds for adult education; and

(2) Expenditures made directly by the State for programs, services, and activities of adult education as defined in the Act.

(Authority: 20 U.S.C. 1209(a); 48 U.S.C. 1681)

§ 461.42 What is the maintenance of effort requirement?

(a) *Basic standard.* (1)(i) Except as provided in § 461.43, a State is eligible for a grant from appropriations for any fiscal year only if the Secretary determines that the State has expended for adult education from non-Federal sources during the second preceding fiscal year (or program year) an amount not less than the amount expended during the third preceding fiscal year (or program year).

§ 461.43

(ii) The Secretary determines maintenance of effort on a per student expenditure basis or on a total expenditure basis.

(2) For purposes of determining maintenance of effort, the “second preceding fiscal year (or program year)” is the fiscal year (or program year) two years prior to the year of the grant for which the Secretary is determining the State’s eligibility. The “third preceding fiscal year (or program year)” is the fiscal year (or program year) three years prior to the year of the grant for which the Secretary is determining the State’s eligibility.

Example: Computation based on fiscal year. If a State chooses to use the fiscal year as the basis for its maintenance of effort computations, the Secretary determines whether a State is eligible for the fiscal year 1992 grant (a grant that is awarded on or after July 1, 1992 from funds appropriated in the fiscal year 1992 appropriation) by comparing expenditures from the second preceding fiscal year—fiscal year 1990 (October 1, 1989–September 30, 1990)—with expenditures from the third preceding fiscal year—fiscal year 1989 (October 1, 1988–September 30, 1989). If there has been no decrease in expenditures from fiscal year 1989 to fiscal year 1990, the State has maintained effort and is eligible for its fiscal year 1992 grant.

Computation based on program year. If a State chooses to use a program year running from July 1 to June 30 as the basis for its maintenance of effort computation, the Secretary determines whether a State is eligible for funds for the fiscal year 1992 grant by comparing expenditures from the second preceding program year—program year 1990 (July 1, 1989–June 30, 1990)—with expenditures from the third preceding program year—program year 1989 (July 1, 1988–June 30, 1989). If there has been no decrease in expenditures from program year 1989 to program year 1990, the State has maintained effort and is eligible for its fiscal year 1992 grant.

(b) *Expenditures to be considered.* In determining a State’s compliance with the maintenance of effort requirement, the Secretary considers the expenditures described in § 461.41(c).

(Authority: 20 U.S.C. 1209(b))

§ 461.43 Under what circumstances may the Secretary waive the maintenance of effort requirement?

(a) The Secretary may waive, for one year only, the maintenance of effort requirement in § 461.42 if the Secretary

34 CFR Ch. IV (7–1–07 Edition)

determines that a waiver would be equitable due to exceptional or uncontrollable circumstances. These circumstances include, but are not limited to, the following:

(1) A natural disaster.

(2) An unforeseen and precipitous decline in financial resources.

(b) The Secretary does not consider a tax initiative or referendum to be an exceptional or uncontrollable circumstance.

(Authority: 20 U.S.C. 1209(b)(2))

§ 461.44 How does a State request a waiver of the maintenance of effort requirement?

An SEA seeking a waiver of the maintenance of effort requirement in § 461.42 shall—

(a) Submit to the Secretary a request for a waiver; and

(b) Include in the request—

(1) The reason for the request; and

(2) Any additional information the Secretary may require.

(Approved by the Office of Management and Budget under control number 1830–0501)

(Authority: 20 U.S.C. 1209(b)(2))

§ 461.45 How does the Secretary compute maintenance of effort in the event of a waiver?

If a State has been granted a waiver of the maintenance of effort requirement that allows it to receive a grant from appropriations for a fiscal year, the Secretary determines whether the State has met that requirement for the grant to be awarded for the year after the year of the waiver by comparing the amount spent for adult education from non-Federal sources in the second preceding fiscal year (or program year) with the amount spent in the fourth preceding fiscal year (or program year.)

Example: Because exceptional or uncontrollable circumstances prevented a State from maintaining effort in fiscal year 1990 (October 1, 1989–September 30, 1990) or in program year 1990 (July 1, 1989–June 30, 1990) at the level of fiscal year 1989 (October 1, 1988–September 30, 1989) or program year 1989 (July 1, 1988–June 30, 1989), respectively, the Secretary grants the State a waiver of the maintenance of effort requirement that permits the State to receive its fiscal year 1992 grant (a grant that is awarded on or after July 1,

1992 from funds appropriated in the fiscal year 1992 appropriation). In order to determine whether a State has met the maintenance of effort requirement and therefore is eligible to receive its fiscal year 1993 grant (the grant to be awarded for the year after the year of the waiver), the Secretary compares the State's expenditures from the second preceding fiscal year (or program year—fiscal year 1991 (October 1, 1990–September 30, 1991) or program year 1991 (July 1, 1990–June 30, 1991)—with expenditures from the fourth preceding fiscal year—fiscal year 1989 (October 1, 1988–September 30, 1989) or program year 1989 (July 1, 1988–June 30, 1989). If the expenditures from fiscal year (or program year) 1991 are not less than the expenditures from fiscal year (or program year) 1989, the State has maintained effort and is eligible for its fiscal year 1993 grant.

(Authority: 20 U.S.C. 1209(b)(2))

§ 461.46 What requirements for program reviews and evaluations must be met by a State?

(a) An SEA shall provide for program reviews and evaluations of all State-administered adult education programs, services, and activities it assists under the Act. The SEA shall use its program reviews and evaluations to assist LEAs and other recipients of funds in planning and operating the best possible programs of adult education and to improve the State's programs of adult education.

(b) In reviewing programs, an SEA shall, during the four-year period of the State plan, gather and analyze data—including standardized test data—on the effectiveness of State-administered adult education programs, services, and activities to determine the extent to which—

(2) Grant recipients have improved their capacity to achieve the purposes of the Act.

(c)(1) An SEA shall, each year during the four-year period of the State plan, evaluate in qualitative and quantitative terms the effectiveness of programs, services, and activities conducted by at least 20 percent of the local recipients of funds so that at the end of that period 80 percent of all

local recipients have been evaluated once.

(2) An evaluation must consider the following factors:

(ii) Planning and content of the programs, services, and activities.

(iii) Curriculum, instructional materials, and equipment.

(iv) Adequacy and qualifications of all personnel.

(vii) Extent to which local recipients of funds have improved their capacity to achieve the purposes of the Act.

(viii) Success of the recipient in meeting the State's indicators of program quality after those indicators are developed as required by section 331(a)(2) of the Act and § 461.3(b)(7).

(ix) Other factors that affect program operations, as determined by the SEA.

(d)(1) Within 90 days of the close of each program year, the SEA shall submit to the Secretary and make public within the State the following:

(i) With respect to local recipients—

(A) The number and percentage of local educational agencies, community-based organizations, volunteer groups, and other organizations that are grant recipients;

(B) The amount of funds provided to local educational agencies, community-based organizations, volunteer groups, and other organizations that are grant recipients; and

(C) The results of the evaluations carried out as required by paragraph (c)(1) of this section in the year preceding the year for which the data are submitted.

(ii) The information required under § 461.10(b)(10).

(iii) A report on the SEA's activities under paragraph (b) of this section.

(ii) The comments and recommendations of the State advisory council, if a council has been established under § 461.50.

(e) If an SEA has established a State advisory council, the SEA shall—

(1) Obtain approval of the plan for program reviews and evaluation from the State advisory council; and

(2) Inform the State advisory council of the results of program reviews and evaluations so that the State advisory council may perform its duties under section 332(f)(7) of the Act.

NOTE TO § 461.46: In addition to the Adult Education State-administered Basic Grant Program in this part 461, State-administered adult education programs include the State-administered Workplace Literacy Program (See 34 CFR part 462) and the State-administered English Literacy Program (See 34 CFR part 463).

(2) Cooperative relationships with other service agencies will provide an integrated package of support services to address the most pressing needs of

the target group at, or through, the project site. Support services must be designed to bring members of the target group to a state of readiness for instructional services or to enhance the effectiveness of instructional services. Examples of appropriate support services to be provided and funded through cooperative relationships include, but are not limited to—

employment; and who meets the definition of “homeless or homeless individual” in section 103 of the Act;

(2) How the numbers in paragraph (b)(1) of this section were determined;

(iv) How the applicant, as part of its nondiscriminatory employment practices, will ensure that its personnel are selected for employment without regard to race, color, national origin, gender, age, or handicapping condition.

(2) To determine personnel qualifications under paragraphs (d)(1) (i) and (ii) of this section, the Secretary considers—

(i) Experience and training in fields related to the objectives of the project;

§ 600.1 Scope.

This part establishes the rules and procedures that the Secretary uses to determine whether an educational institution qualifies in whole or in part as an eligible institution of higher education under the Higher Education Act of 1965, as amended (HEA). An eligible institution of higher education may apply to participate in programs authorized by the HEA (HEA programs).

(Authority: 20 U.S.C. 1088, 1094, 1099b, 1099c, and 1141)

§ 600.2 Definitions.

The following definitions apply to terms used in this part:

Accredited: The status of public recognition that a nationally recognized accrediting agency grants to an institution or educational program that meets the agency's established requirements.

Award year: The period of time from July 1 of one year through June 30 of the following year.

Branch Campus: A location of an institution that is geographically apart and independent of the main campus of the institution. The Secretary considers a location of an institution to be independent of the main campus if the location—

- (1) Is permanent in nature;
- (2) Offers courses in educational programs leading to a degree, certificate, or other recognized educational credential;
- (3) Has its own faculty and administrative or supervisory organization; and
- (4) Has its own budgetary and hiring authority.

Clock hour: A period of time consisting of—

§ 600.2

34 CFR Ch. VI (7–1–07 Edition)

(1) A 50- to 60-minute class, lecture, or recitation in a 60-minute period;

(2) A 50- to 60-minute faculty-supervised laboratory, shop training, or internship in a 60-minute period; or

(3) Sixty minutes of preparation in a correspondence course.

Correspondence course: (1) A “home study” course provided by an institution under which the institution provides instructional materials, including examinations on the materials, to students who are not physically attending classes at the institution. When students complete a portion of the instructional materials, the students take the examinations that relate to that portion of the materials, and return the examinations to the institution for grading.

(2) A home study course that provides instruction in whole or in part through the use of video cassettes or video discs in an award year is a correspondence course unless the institution also delivers the instruction on the cassette or disc to students physically attending classes at the institution during the same award year.

(3) If a course is part correspondence and part residential training, the Secretary considers the course to be a correspondence course.

Direct assessment program: A program as described in 34 CFR 668.10.

Educational program: (1) A legally authorized postsecondary program of organized instruction or study that:

(i) Leads to an academic, professional, or vocational degree, or certificate, or other recognized educational credential; and

(ii) May, in lieu of credit hours or clock hours as a measure of student learning, utilize direct assessment of student learning, or recognize the direct assessment of student learning by others, if such assessment is consistent with the accreditation of the institution or program utilizing the results of the assessment and with the provisions of § 668.10.

(2) The Secretary does not consider that an institution provides an educational program if the institution does not provide instruction itself (including a course of independent study) but merely gives credit for one or more of the following: Instruction provided

by other institutions or schools; examinations or direct assessments provided by agencies or organizations; or other accomplishments such as “life experience.”

Eligible institution: An institution that—

(1) Qualifies as—

The Federal Stafford Loan, Federal PLUS, Federal SLS, and Federal Consolidation Loan programs are defined in 34 CFR part 668.

Incarcerated student: A student who is serving a criminal sentence in a Federal, State, or local penitentiary, prison, jail, reformatory, work farm, or other similar correctional institution. A student is not considered incarcerated if that student is in a half-way house or home detention or is sentenced to serve only weekends.

Legally authorized: The legal status granted to an institution through a charter, license, or other written document issued by the appropriate agency or official of the State in which the institution is physically located.

Nationally recognized accrediting agency: An agency or association that the Secretary recognizes as a reliable authority to determine the quality of education or training offered by an institution or a program offered by an institution. The Secretary recognizes these agencies and associations under the provisions of 34 CFR part 602 and publishes a list of the recognized agencies in the FEDERAL REGISTER.

One-academic-year training program: An educational program that is at least one academic year as defined under 34 CFR 668.2.

Preaccredited: A status that a nationally recognized accrediting agency, recognized by the Secretary to grant that status, has accorded an unaccredited public or private nonprofit institution that is progressing toward accreditation within a reasonable period of time.

The term does not include a course that is delivered using video cassettes or disc recordings unless that course is delivered to students physically attending classes at the institution providing the course during the same award year. If the course does not qualify as a telecommunications course, it is considered to be a correspondence course.

Title IV, HEA program: Any of the student financial assistance programs listed in 34 CFR 668.1(c).

§ 600.5 Proprietary institution of higher education.

(a) A proprietary institution of higher education is an educational institution that—

(1) Is not a public or private nonprofit educational institution;

(2) Is in a State;

(3) Admits as regular students only persons who—

(i) Have a high school diploma;

(ii) Have the recognized equivalent of a high school diploma; or

(4) Is legally authorized to provide an educational program beyond secondary education in the State in which the institution is physically located;

(5) Provides an eligible program of training, as defined in 34 CFR 668.8, to prepare students for gainful employment in a recognized occupation;

(6) Is accredited;

(7) Has been in existence for at least two years; and

(8) Has no more than 90 percent of its revenues derived from title IV, HEA program funds, as determined under paragraph (d) of this section.

(b)(1) The Secretary considers an institution to have been in existence for two years only if—

(i) The institution has been legally authorized to provide, and has provided, a continuous educational program to prepare students for gainful employment in a recognized occupation during the 24 months preceding the date of its eligibility application; and

(ii) The educational program that the institution provides on the date of its eligibility application is substantially the same in length and subject matter as the program that the institution provided during the 24 months preceding the date of its eligibility application.

(2)(i) The Secretary considers an institution to have provided a continuous

educational program during the 24 months preceding the date of its eligibility application even if the institution did not provide that program during normal vacation periods, or periods when the institution temporarily closed due to a natural disaster that directly affected the institution or the institution's students.

(ii) The Secretary considers an institution to have satisfied the provisions of paragraph (b)(1)(ii) of this section if the institution substantially changed the subject matter of the educational program it provided during that 24-month period because of new technology or the requirements of other Federal agencies.

(3) In determining whether an applicant institution satisfies the requirement contained in paragraph (b)(1) of this section, the Secretary—

(i) Counts any period during which the applicant institution has been certified as a branch campus; and

(ii) Except as provided in paragraph (b)(3)(i) of this section, does not count any period during which the applicant institution was a part of another eligible proprietary institution of higher education, postsecondary vocational institution, or vocational school.

(c) An institution is physically located in a State if it has a campus or other instructional site in that State.

(d)(1) An institution satisfies the requirement contained in paragraph (a)(8) of this section by examining its revenues under the following formula for its latest complete fiscal year:

Title IV, HEA program funds the institution used to satisfy its students' tuition, fees, and other institutional charges to students
The sum of revenues including title IV, HEA program funds generated by the institution from: tuition, fees, and other institutional charges for students enrolled in eligible programs as defined in 34 CFR 668.8; and activities conducted by the institution, to the extent not included in tuition, fees, and other institutional charges, that are necessary for the education or training of its students who are enrolled in those eligible programs.

(2) An institution must use the cash basis of accounting when calculating the amount of title IV, HEA program funds in the numerator and the total amount of revenue generated by the institution in the denominator of the

fraction contained in paragraph (d)(1) of this section.

(3) Under the cash basis of accounting—

(i) In calculating the amount of revenue generated by the institution from institutional loans, the institution must include only the amount of loan repayments received by the institution during the fiscal year; and

(ii) In calculating the amount of revenue generated by the institution from institutional scholarships, the institution must include only the amount of funds it disbursed during the fiscal year from an established restricted account and only to the extent that the funds in that account represent designated funds from an outside source or income earned on those funds.

(e) With regard to the formula contained in paragraph (d)(1) of this section—

(1) The institution may not include as title IV, HEA program funds in the numerator nor as revenue generated by the institution in the denominator—

(i) The amount of funds it received under the Federal Work-Study (FWS) Program, unless the institution used those funds to pay a student's institutional charges in which case the FWS program funds used to pay those charges would be included in the numerator and denominator.

(ii) The amount of funds it received under the Leveraging Educational Assistance Partnership (LEAP) Program. (The LEAP Program was formerly called the State Student Incentive Grant or SSIG Program.);

(iii) The amount of institutional funds it used to match title IV, HEA program funds;

(iv) The amount of title IV, HEA program funds that must be refunded or returned under § 668.22; or

(v) The amount charged for books, supplies, and equipment unless the institution includes that amount as tuition, fees, or other institutional charges.

(2) In determining the amount of title IV, HEA program funds received by the institution under the cash basis of accounting, except as provided in paragraph (e)(3) of this section, the institution must presume that any title IV, HEA program funds disbursed or

§ 600.6

delivered to or on behalf of a student will be used to pay the student's tuition, fees, or other institutional charges, regardless of whether the institution credits those funds to the student's account or pays those funds directly to the student, and therefore must include those funds in the numerator and denominator.

(3) In paragraph (e)(2) of this section, the institution may not presume that title IV, HEA program funds were used to pay tuition, fees, and other institutional charges to the extent that those charges were satisfied by—

(i) Grant funds provided by non-Federal public agencies, or private sources independent of the institution;

(ii) Funds provided under a contractual arrangement described in § 600.7(d), or

(iii) Funds provided by State prepaid tuition plans.

(4) With regard to the denominator, revenue generated by the institution from activities it conducts, that are necessary for its students' education or training, includes only revenue from those activities that—

(i) Are conducted on campus or at a facility under the control of the institution;

(ii) Are performed under the supervision of a member of the institution's faculty; and

(iii) Are required to be performed by all students in a specific educational program at the institution.

(f) An institution must notify the Secretary within 90 days following the end of the fiscal year used in paragraph (d)(1) of this section if it fails to satisfy the requirement contained in paragraph (a)(8) of this section.

(g) If an institution loses its eligibility because it failed to satisfy the requirement contained in paragraph (a)(8) of this section, to regain its eligibility it must demonstrate compliance with all eligibility requirements for at least the fiscal year following the fiscal year used in paragraph (d)(1) of this section.

(h) The Secretary does not recognize the accreditation of an institution unless the institution agrees to submit any dispute involving the final denial, withdrawal, or termination of accredi-

§ 600.6 Postsecondary vocational institution.

(a) A postsecondary vocational institution is a public or private nonprofit educational institution that—

(1) Is in a State;

(2) Admits as regular students only persons who—

(i) Have a high school diploma;

(ii) Have the recognized equivalent of a high school diploma; or

(iii) Are beyond the age of compulsory school attendance in the State in which the institution is physically located;

(3) Is legally authorized to provide an educational program beyond secondary education in the State in which the institution is physically located;

(4) Provides an eligible program of training, as defined in 34 CFR 668.8, to prepare students for gainful employment in a recognized occupation;

(5) Is—

(i) Accredited or preaccredited; or

(ii) Approved by a State agency listed in the FEDERAL REGISTER in accordance with 34 CFR part 603, if the institution is a public postsecondary vocational educational institution that seeks to participate only in Federal assistance programs; and

(6) Has been in existence for at least two years.

(b)(1) The Secretary considers an institution to have been in existence for two years only if—

(i) The institution has been legally authorized to provide, and has provided, a continuous education or training program to prepare students for gainful employment in a recognized occupation during the 24 months preceding the date of its eligibility application; and

(ii) The education or training program it provides on the date of its eligibility application is substantially the

same in length and subject matter as the program it provided during the 24 months preceding the date of its eligibility application.

(2)(i) The Secretary considers an institution to have provided a continuous education or training program during the 24 months preceding the date of its eligibility application even if the institution did not provide that program during normal vacation periods, or periods when the institution temporarily closed due to a natural disaster that affected the institution or the institution's students.

(ii) The Secretary considers an institution to have satisfied the provisions of paragraph (b)(1)(ii) of this section if the institution substantially changed the subject matter of the educational program it provided during that 24-month period because of new technology or the requirements of other Federal agencies.

(3) In determining whether an applicant institution satisfies the requirement contained in paragraph (b)(1) of this section, the Secretary—

(i) Counts any period during which the applicant institution qualified as an eligible institution of higher education;

(ii) Counts any period during which the applicant institution was part of another eligible institution of higher education, provided that the applicant institution continues to be part of an eligible institution of higher education;

(iii) Counts any period during which the applicant institution has been certified as a branch campus; and

(iv) Except as provided in paragraph (b)(3)(iii) of this section, does not count any period during which the applicant institution was a part of another eligible proprietary institution of higher education or postsecondary vocational institution.

(c) An institution is physically located in a State or other instructional site if it has a campus or instructional site in that State.

(d) The Secretary does not recognize the accreditation or preaccreditation of an institution unless the institution agrees to submit any dispute involving the final denial, withdrawal, or termination of accreditation to initial arbi-

tration before initiating any other legal action.

§ 600.7 Conditions of institutional ineligibility.

(a) *General rule.* For purposes of title IV of the HEA, an educational institution that otherwise satisfies the requirements contained in §§ 600.4, 600.5, or 600.6 nevertheless does not qualify as an eligible institution under this part if—

(1) For its latest complete award year—

(i) More than 50 percent of the institution's courses were correspondence courses as calculated under paragraph (b) of this section;

(ii) Fifty percent or more of the institution's regular enrolled students were enrolled in correspondence courses;

(iii) More than twenty-five percent of the institution's regular enrolled students were incarcerated;

(iv) More than fifty percent of its regular enrolled students had neither a high school diploma nor the recognized equivalent of a high school diploma, and the institution does not provide a four-year or two-year educational program for which it awards a bachelor's degree or an associate degree, respectively;

(2) The institution, or an affiliate of the institution that has the power, by contract or ownership interest, to direct or cause the direction of the management of policies of the institution—

(A) Files for relief in bankruptcy, or

(B) Has entered against it an order for relief in bankruptcy; or

(3) The institution, its owner, or its chief executive officer—

(i) Has pled guilty to, has pled *nolo contendere* to, or is found guilty of, a crime involving the acquisition, use, or expenditure of title IV, HEA program funds; or

(ii) Has been judicially determined to have committed fraud involving title IV, HEA program funds.

(b) *Special provisions regarding correspondence courses and students—*(1) *Calculating the number of correspondence courses.* For purposes of paragraphs (a)(1) (i) and (ii) of this section—

(i) A correspondence course may be a complete educational program offered by correspondence, or one course provided by correspondence in an on-campus (residential) educational program;

(ii) A course must be considered as being offered once during an award year regardless of the number of times it is offered during that year; and

(iii) A course that is offered both on campus and by correspondence must be considered two courses for the purpose of determining the total number of courses the institution provided during an award year.

(2) *Exceptions.* (i) The provisions contained in paragraphs (a)(1)(i) and (ii) of this section do not apply to an institution that qualifies as a “technical institute or vocational school used exclusively or principally for the provision of vocational education to individuals who have completed or left high school and who are available for study in preparation for entering the labor market” under section 3(3)(C) of the Carl D. Perkins Vocational and Applied Technology Education Act of 1995.

(ii) The Secretary waives the limitation contained in paragraph (a)(1)(ii) of this section for an institution that offers a 2-year associate-degree or a 4-year bachelor’s-degree program if the students enrolled in the institution’s correspondence courses receive no more than 5 percent of the title IV, HEA program funds received by students at that institution.

(c) *Special provisions regarding incarcerated students*—(1) *Exception.* The Secretary may waive the prohibition contained in paragraph (a)(1)(iii) of this section, upon the application of an institution, if the institution is a nonprofit institution that provides four-year or two-year educational programs for which it awards a bachelor’s degree, an associate degree, or a postsecondary diploma.

(2) *Waiver for entire institution.* If the nonprofit institution that applies for a waiver consists solely of four-year or two-year educational programs for which it awards a bachelor’s degree, an associate degree, or a postsecondary diploma, the Secretary waives the prohibition contained in paragraph (a)(1)(iii) of this section for the entire institution.

(3) *Other waivers.* If the nonprofit institution that applies for a waiver does not consist solely of four-year or two-year educational programs for which it awards a bachelor’s degree, an associate degree, or a postsecondary diploma, the Secretary waives the prohibition contained in paragraph (a)(1)(iii) of this section—

(i) For the four-year and two-year programs for which it awards a bachelor’s degree, an associate degree or a postsecondary diploma; and

(ii) For the other programs the institution provides, if the incarcerated regular students enrolled in those other programs have a completion rate of 50 percent or greater.

(d) *Special provision for a nonprofit institution if more than 50 percent of its enrollment consists of students who do not have a high school diploma or its equivalent.* (1) Subject to the provisions contained in paragraphs (d)(2) and (d)(3) of this section, the Secretary waives the limitation contained in paragraph (a)(1)(iv) of this section for a nonprofit institution if that institution demonstrates to the Secretary’s satisfaction that it exceeds that limitation because it serves, through contracts with Federal, State, or local government agencies, significant numbers of students who do not have a high school diploma or its recognized equivalent.

(2) *Number of critical students.* The Secretary grants a waiver under paragraph (d)(1) of this section only if no more than 40 percent of the institution’s enrollment of regular students consists of students who—

(i) Do not have a high school diploma or its equivalent; and

(ii) Are not served through contracts described in paragraph (d)(3) of this section.

(3) *Contracts with Federal, State, or local government agencies.* For purposes of granting a waiver under paragraph (d)(1) of this section, the contracts referred to must be with Federal, State, or local government agencies for the purpose of providing job training to low-income individuals who are in need of that training. An example of such a contract is a job training contract under the Job Training Partnership Act (JPTA).

(e) *Special provisions.* (1) For purposes of paragraph (a)(1) of this section, when counting regular students, the institution shall—

(i) Count each regular student without regard to the full-time or part-time nature of the student's attendance (i.e., "head count" rather than "full-time equivalent");

(ii) Count a regular student once regardless of the number of times the student enrolls during an award year; and

(iii) Determine the number of regular students who enrolled in the institution during the relevant award year by—

(A) Calculating the number of regular students who enrolled during that award year; and

(B) Excluding from the number of students in paragraph (e)(1)(iii)(A) of this section, the number of regular students who enrolled but subsequently withdrew or were expelled from the institution and were entitled to receive a 100 percent refund of their tuition and fees less any administrative fee that the institution is permitted to keep under its fair and equitable refund policy.

(2) For the purpose of calculating a completion rate under paragraph (c)(3)(ii) of this section, the institution shall—

(i) Determine the number of regular incarcerated students who enrolled in the other programs during the last completed award year;

(ii) Exclude from the number of regular incarcerated students determined in paragraph (e)(2)(i) of this section, the number of those students who enrolled but subsequently withdrew or were expelled from the institution and were entitled to receive a 100 percent refund of their tuition and fees, less any administrative fee the institution is permitted to keep under the institution's fair and equitable refund policy;

(iii) Exclude from the total obtained in paragraph (e)(2)(ii) of this section, the number of those regular incarcerated students who remained enrolled in the programs at the end of the applicable award year;

(iv) From the total obtained in paragraph (e)(2)(iii) of this section, determine the number of regular incarcer-

ated students who received a degree, certificate, or other recognized educational credential awarded for successfully completing the program during the applicable award year; and

(v) Divide the total obtained in paragraph (e)(2)(iv) of this section by the total obtained in paragraph (e)(2)(iii) of this section and multiply by 100.

(f)(1) If the Secretary grants a waiver to an institution under this section, the waiver extends indefinitely provided that the institution satisfies the waiver requirements in each award year.

(2) If an institution fails to satisfy the waiver requirements for an award year, the institution becomes ineligible on June 30 of that award year.

(g)(1) For purposes of paragraph (a)(1) of this section, and any applicable waiver or exception under this section, the institution shall substantiate the required calculations by having the certified public accountant who prepares its audited financial statement under 34 CFR 668.15 or its title IV, HEA program compliance audit under 34 CFR 668.23 report on the accuracy of those determinations.

(2) The certified public accountant's report must be based on performing an "attestation engagement" in accordance with the American Institute of Certified Public Accountants (AICPA's) Statement on Standards for Attestation Engagements. The certified public accountant shall include that attestation report with or as part of the audit report referenced in paragraph (g)(1) of this section.

(3) The certified public accountant's attestation report must indicate whether the institution's determinations regarding paragraph (a)(1) of this section and any relevant waiver or exception under paragraphs (b), (c), and (d) of this section are accurate; i.e., fairly presented in all material respects.

(h) *Notice to the Secretary.* An institution shall notify the Secretary—

(1) By July 31 following the end of an award year if it falls within one of the prohibitions contained in paragraph (a)(1) of this section, or fails to continue to satisfy a waiver or exception granted under this section; or

§ 600.8

34 CFR Ch. VI (7–1–07 Edition)

(2) Within 10 days if it falls within one of the prohibitions contained in paragraphs (a)(2) or (a)(3) of this section.

(i) *Regaining eligibility.* (1) If an institution loses its eligibility because of one of the prohibitions contained in paragraph (a)(1) of this section, to regain its eligibility, it must demonstrate—

(i) Compliance with all eligibility requirements;

(ii) That it did not fall within any of the prohibitions contained in paragraph (a)(1) of this section for at least one award year; and

(iii) That it changed its administrative policies and practices to ensure that it will not fall within any of the prohibitions contained in paragraph (a)(1) of this section.

(2) If an institution loses its eligibility because of one of the prohibitions contained in paragraphs (a)(2) and (a)(3) of this section, this loss is permanent. The institution's eligibility cannot be reinstated.

§ 600.8 Treatment of a branch campus.

A branch campus of an eligible proprietary institution of higher education or a postsecondary vocational institution must be in existence for at least two years as a branch campus after the branch is certified as a branch campus before seeking to be designated as a main campus or a free-standing institution.

§ 600.9 [Reserved]

§ 600.10 Date, extent, duration, and consequence of eligibility.

(a) *Date of eligibility.* (1) If the Secretary determines that an applicant institution satisfies all the statutory and regulatory eligibility requirements, the Secretary considers the institution

to be an eligible institution as of the date—

(i) The Secretary signs the institution's program participation agreement described in 34 CFR part 668, subpart B, for purposes of participating in any title IV, HEA program; and

(ii) The Secretary receives all the information necessary to make that determination for purposes other than participating in any title IV, HEA program.

(2) [Reserved]

(b) *Extent of eligibility.* (1) If the Secretary determines that the entire applicant institution, including all its locations and all its educational programs, satisfies the applicable requirements of this part, the Secretary extends eligibility to all educational programs and locations identified on the institution's application for eligibility.

(2) If the Secretary determines that only certain educational programs or certain locations of an applicant institution satisfy the applicable requirements of this part, the Secretary extends eligibility only to those educational programs and locations that meet those requirements and identifies the eligible educational programs and locations in the eligibility notice sent to the institution under § 600.21.

(3) Eligibility does not extend to any location that an institution establishes after it receives its eligibility designation if the institution provides at least 50 percent of an educational program at that location, unless—

(i) The Secretary approves that location under § 600.20(e)(4); or

(ii) The location is licensed and accredited, the institution does not have to apply to the Secretary for approval of that location under § 600.20(c), and the institution has reported to the Secretary that location under § 600.21.

(c) *Subsequent additions of educational programs.* (1) Except as provided in paragraph (c)(2) of this section, if an eligible institution adds an educational program after it has been designated as an eligible institution by the Secretary, the institution must apply to the Secretary to have that additional program designated as an eligible program of that institution.

(2) An eligible institution that adds an educational program after it has

been designated as an eligible institution by the Secretary does not have to apply to the Secretary to have that additional program designated as an eligible program of that institution except as provided in 34 CFR 668.10 if the additional program—

(i) Leads to an associate, baccalaureate, professional, or graduate degree; or

(ii)(A) Prepares students for gainful employment in the same or related recognized occupation as an educational program that has previously been designated as an eligible program at that institution by the Secretary; and

(B) Is at least 8 semester hours, 12 quarter hours, or 600 clock hours.

(3) If an institution incorrectly determines under paragraph (c)(2) of this section that an educational program satisfies the applicable statutory and regulatory eligibility provisions without applying to the Secretary for approval, the institution is liable to repay to the Secretary all HEA program funds received by the institution for that educational program, and all the title IV, HEA program funds received by or on behalf of students who were enrolled in that educational program.

(d) *Duration of eligibility.* (1) If an institution participates in the title IV, HEA programs, the Secretary's designation of the institution as an eligible institution under the title IV, HEA programs expires when the institution's program participation agreement, as described in 34 CFR part 668, subpart B, expires.

(2) If an institution participates in an HEA program other than a title IV, HEA program, the Secretary's designation of the institution as an eligible institution, for purposes of that non-title IV, HEA program, does not expire as long as the institution continues to satisfy the statutory and regulatory requirements governing its eligibility.

(e) *Consequence of eligibility.* (1) If, as a part of its institutional eligibility application, an institution indicates that it wishes to participate in a title IV, HEA program and the Secretary determines that the institution satisfies the applicable statutory and regulatory requirements governing institutional eligibility, the Secretary will

determine whether the institution satisfies the standards of administrative capability and financial responsibility contained in 34 CFR part 668, subpart B.

(2) If, as part of its institutional eligibility application, an institution indicates that it does not wish to participate in any title IV, HEA program and the Secretary determines that the institution satisfies the applicable statutory and regulatory requirements governing institutional eligibility, the institution is eligible to apply to participate in any HEA program listed by the Secretary in the eligibility notice it receives under § 600.21. However, the institution is not eligible to participate in those programs, or receive funds under those programs, merely by virtue of its designation as an eligible institution under this part.

§ 600.11 Special rules regarding institutional accreditation or preaccreditation.

(a) *Change of accrediting agencies.* For purposes of §§ 600.4(a)(5)(i), 600.5(a)(6), and 600.6(a)(5)(i), the Secretary does not recognize the accreditation or preaccreditation of an otherwise eligible institution if that institution is in the process of changing its accrediting agency, unless the institution provides to the Secretary—

(1) All materials related to its prior accreditation or preaccreditation; and

(2) Materials demonstrating reasonable cause for changing its accrediting agency.

(b) *Multiple accreditation.* The Secretary does not recognize the accreditation or preaccreditation of an otherwise eligible institution if that institution is accredited or preaccredited as an institution by more than one accrediting agency, unless the institution—

(1) Provides to each such accrediting agency and the Secretary the reasons for that multiple accreditation or preaccreditation;

§ 600.20

34 CFR Ch. VI (7–1–07 Edition)

(2) Demonstrates to the Secretary reasonable cause for that multiple accreditation or preaccreditation; and

(3) Designates to the Secretary which agency's accreditation or preaccreditation the institution uses to establish its eligibility under this part.

(c) *Loss of accreditation or preaccreditation.* (1) An institution may not be considered eligible for 24 months after it has had its accreditation or preaccreditation withdrawn, revoked, or otherwise terminated for cause, unless the accrediting agency that took that action rescinds that action.

(2) An institution may not be considered eligible for 24 months after it has withdrawn voluntarily from its accreditation or preaccreditation status under a show-cause or suspension order issued by an accrediting agency, unless that agency rescinds its order.

(d) *Religious exception.* (1) If an otherwise eligible institution loses its accreditation or preaccreditation, the Secretary considers the institution to be accredited or preaccredited for purposes of complying with the provisions of §§ 600.4, 600.5, and 600.6 if the Secretary determines that its loss of accreditation or preaccreditation—

(i) Is related to the religious mission or affiliation of the institution; and

(ii) Is not related to its failure to satisfy the accrediting agency's standards.

(2) If the Secretary considers an unaccredited institution to be accredited or preaccredited under the provisions of paragraph (d)(1) of this section, the Secretary will consider that unaccredited institution to be accredited or preaccredited for a period sufficient to allow the institution to obtain alternative accreditation or preaccreditation, except that period may not exceed 18 months.

Subpart B—Procedures for Establishing Eligibility

SOURCE: 59 FR 22336, Apr. 29, 1994, unless otherwise noted.

§ 600.20 Application procedures for establishing, reestablishing, maintaining, or expanding institutional eligibility and certification.

(a) *Initial eligibility application.* An institution that wishes to establish its eligibility to participate in any HEA program must submit an application to the Secretary for a determination that it qualifies as an eligible institution under this part. If the institution also wishes to be certified to participate in the title IV, HEA programs, it must indicate that intent on the application, and submit all the documentation indicated on the application to enable the Secretary to determine that it satisfies the relevant certification requirements contained in 34 CFR part 668, subparts B and L.

(b) *Reapplication.* (1) A currently designated eligible institution that is not participating in the title IV, HEA programs must apply to the Secretary for a determination that the institution continues to meet the requirements in this part if the Secretary requests the institution to reapply. If the institution wishes to be certified to participate in the title IV, HEA programs, it must submit an application to the Secretary and must submit all the supporting documentation indicated on the application to enable the Secretary to determine that it satisfies the relevant certification requirements contained in subparts B and L of 34 CFR part 668.

(2) A currently designated eligible institution that participates in the title IV, HEA programs must apply to the Secretary for a determination that the institution continues to meet the requirements in this part and in 34 CFR part 668 if the institution wishes to—

(i) Continue to participate in the title IV, HEA programs beyond the scheduled expiration of the institution's current eligibility and certification designation;

(ii) Reestablish eligibility and certification as a private nonprofit, private for-profit, or public institution following a change in ownership that results in a change in control as described in § 600.31; or

(iii) Reestablish eligibility and certification after the institution changes

its status as a proprietary, nonprofit, or public institution.

(c) *Application to expand eligibility.* A currently designated eligible institution that wishes to expand the scope of its eligibility and certification and disburse title IV, HEA Program funds to students enrolled in that expanded scope must apply to the Secretary and wait for approval to—

(1) Add a location at which the institution offers or will offer 50 percent or more of an educational program if one of the following conditions applies, otherwise it must report to the Secretary under § 600.21:

(i) The institution participates in the title IV, HEA programs under a provisional certification, as provided in 34 CFR 668.13.

(ii) The institution receives title IV, HEA program funds under the reimbursement or cash monitoring payment method, as provided in 34 CFR part 668, subpart K.

(iii) The institution acquires the assets of another institution that provided educational programs at that location during the preceding year and participated in the title IV, HEA programs during that year.

(iv) The institution would be subject to a loss of eligibility under 34 CFR 668.188 if it adds that location.

(v) The Secretary previously notified the institution that it must apply for approval of an additional location.

(2) Increase its level of program offering (*e.g.*, adding graduate degree programs when it previously offered only baccalaureate degree programs);

(3) Add an educational program if the institution is required to apply to the Secretary for approval under § 600.10(c);

(4) Add a branch campus at a location that is not currently included in the institution's eligibility and certification designation; or

(5) Convert an eligible location to a branch campus.

(d) *Application format.* To satisfy the requirements of paragraphs (a), (b), and (c) of this section, an institution must apply in a format prescribed by the Secretary for that purpose and provide all the information and documentation requested by the Secretary to make a determination of its eligibility and certification.

(e) *Secretary's response to applications.*

(1) If the Secretary receives an application under paragraph (a) or (b)(1) of this section, the Secretary notifies the institution—

(i) Whether the applicant institution qualifies in whole or in part as an eligible institution under the appropriate provisions in §§ 600.4 through 600.7; and

(ii) Of the locations and educational programs that qualify as the eligible institution if only a portion of the applicant qualifies as an eligible institution;

(2) If the Secretary receives an application under paragraphs (a) or (b) of this section and that institution applies to participate in the title IV, HEA programs, the Secretary notifies the institution—

(i) Whether the institution is certified to participate in those programs;

(ii) Of the title IV, HEA programs in which it is eligible to participate;

(iii) Of the title IV, HEA programs in which it is eligible to apply for funds;

(iv) Of the effective date of its eligibility to participate in those programs; and

(v) Of the conditions under which it may participate in those programs;

(3) If the Secretary receives an application under paragraph (b)(2) of this section, the Secretary notifies the institution whether it continues to be certified, or whether it reestablished its eligibility and certification to participate in the title IV, HEA programs and the scope of such approval.

(4) If the Secretary receives an application under paragraph (c)(1) of this section for an additional location, the Secretary notifies the institution whether the location is eligible or ineligible to participate in the title IV, HEA programs, and the date of eligibility if the location is determined eligible;

(5) If the Secretary receives an application under paragraph (c)(2) of this section for an increase in the level of program offering, or for an additional educational program under paragraph (c)(3) of this section, the Secretary notifies the institution whether the program qualifies as an eligible program, and if the program qualifies, the date of eligibility; and

(6) If the Secretary receives an application under paragraphs (c)(4) or (c)(5) of this section to have a branch campus certified to participate in the title IV, HEA programs as a branch campus, the Secretary notifies the institution whether that branch campus is certified to participate and the date that the branch campus is eligible to begin participation.

(f) *Disbursement rules related to applications.* (1)(i) Except as provided under paragraph (f)(1)(ii) of this section and 34 CFR 668.26, if an institution submits an application under paragraph (b)(2)(i) of this section because its participation period is scheduled to expire, after that expiration date the institution may not disburse title IV, HEA program funds to students attending that institution until the institution receives the Secretary's notification that the institution is again eligible to participate in those programs.

(ii) An institution described in paragraph (f)(1)(i) of this section may disburse title IV, HEA program funds to its students if the institution submits to the Secretary a materially complete renewal application in accordance with the provisions of 34 CFR 668.13(b)(2), and has not received a final decision from the Department on that application.

(2)(i) Except as provided under paragraph (f)(2)(ii) of this section and 34 CFR 668.26, if a private nonprofit, private for-profit, or public institution submits an application under paragraph (b)(2)(ii) or (b)(2)(iii) of this section because it has undergone or will undergo a change in ownership that results in a change of control or a change in status, the institution may not disburse title IV, HEA program funds to students attending that institution after the change of ownership or status until the institution receives the Secretary's notification that the institution is eligible to participate in those programs.

(ii) An institution described in paragraph (f)(2)(i) of this section may disburse title IV, HEA program funds to its students if the Secretary issues a provisional extension of certification under paragraph (g) of this section.

(3) If an institution must apply to the Secretary under paragraphs (c)(1)

through (c)(4) of this section, the institution may not disburse title IV, HEA program funds to students attending the subject location, program, or branch until the institution receives the Secretary's notification that the location, program, or branch is eligible to participate in the title IV, HEA programs.

(4) If an institution applies to the Secretary under paragraph (c)(5) of this section to convert an eligible location to a branch campus, the institution may continue to disburse title IV, HEA program funds to students attending that eligible location.

(5) If an institution does not apply to the Secretary to obtain the Secretary's approval of a new location, program, increased level of program offering, or branch, and the location, program, or branch does not qualify as an eligible location, program, or branch of that institution under this part and 34 CFR part 668, the institution is liable for all title IV, HEA program funds it disburses to students enrolled at that location or branch or in that program.

(g) *Application for provisional extension of certification.* (1) If a private nonprofit institution, a private for-profit institution, or a public institution participating in the title IV, HEA programs undergoes a change in ownership that results in a change of control as described in 34 CFR 600.31, the Secretary may continue the institution's participation in those programs on a provisional basis, if the institution under the new ownership submits a "materially complete application" that is received by the Secretary no later than 10 business days after the day the change occurs.

(2) For purposes of this section, a private nonprofit institution, a private for-profit institution, or a public institution submits a materially complete application if it submits a fully completed application form designated by the Secretary supported by—

(i) A copy of the institution's State license or equivalent document that—as of the day before the change in ownership—authorized or will authorize the institution to provide a program of postsecondary education in the State in which it is physically located;

(ii) A copy of the document from the institution's accrediting association that—as of the day before the change in ownership—granted or will grant the institution accreditation status, including approval of any non-degree programs it offers;

(iii) Audited financial statements of the institution's two most recently completed fiscal years that are prepared and audited in accordance with the requirements of 34 CFR 668.23; and

(iv) Audited financial statements of the institution's new owner's two most recently completed fiscal years that are prepared and audited in accordance with the requirements of 34 CFR 668.23, or equivalent information for that owner that is acceptable to the Secretary.

(h) *Terms of the extension.* (1) If the Secretary approves the institution's materially complete application, the Secretary provides the institution with a provisional Program Participation Agreement (PPA). The provisional PPA extends the terms and conditions of the program participation agreement that were in effect for the institution before its change of ownership.

(2) The provisional PPA expires on the earlier of—

(i) The date on which the Secretary signs a new program participation agreement;

(ii) The date on which the Secretary notifies the institution that its application is denied; or

(iii) The last day of the month following the month in which the change of ownership occurred, unless the provisions of paragraph (h)(3) of this section apply.

(3) If the provisional PPA will expire under the provisions of paragraph (h)(2)(iii) of this section, the Secretary extends the provisional PPA on a month-to-month basis after the expiration date described in paragraph (h)(2)(iii) of this section if, prior to that expiration date, the institution provides the Secretary with—

(i) A “same day” balance sheet showing the financial position of the institution, as of the date of the ownership change, that is prepared in accordance with Generally Accepted Accounting Principles (GAAP) published by the Financial Accounting Standards Board

and audited in accordance with Generally Accepted Government Auditing Standards (GAGAS) published by the U.S. General Accounting Office;

§ 600.21 Updating application information.

(a) *Reporting requirements.* Except as provided in paragraph (b) of this section, an eligible institution must report to the Secretary in a manner prescribed by the Secretary no later than 10 days after the change occurs, of any change in the following:

(1) Its name, the name of a branch, or the name of a previously reported location.

(2) Its address, the address of a branch, or the address of a previously reported location.

(3) Its establishment of an accredited and licensed additional location at which it offers or will offer 50 percent or more of an educational program if the institution wants to disburse title IV, HEA program funds to students enrolled at that location, under the provisions in paragraph (d) of this section.

(5) A decrease in the level of program offering (*e.g.* the institution drops its graduate programs).

(6) A person's ability to affect substantially the actions of the institution if that person did not previously

§ 600.30

have this ability. The Secretary considers a person to have this ability if the person—

(i) Holds alone or together with another member or members of his or her family, at least a 25 percent “ownership interest” in the institution as defined in § 600.31(b);

(ii) Represents or holds, either alone or together with other persons, under a voting trust, power of attorney, proxy, or similar agreement at least a 25 percent “ownership interest” in the institution, as defined in § 600.31(b); or

(c) *Secretary’s response to reporting.* The Secretary notifies an institution if any reported changes affects the institution’s eligibility, and the effective date of that change.

(d) *Disbursement rules related to additional locations.* When an institution must report to the Secretary about an additional location under paragraph (a)(3) of this section, the institution may not disburse title IV, HEA funds to students at that location before it reports to the Secretary about that location. Unless it is an institution that must apply to the Secretary under § 600.20(c)(1), once it reports to the Secretary about that location, the institution may disburse those funds to those students if that location is licensed and accredited.

(e) *Consequence of failure to report.* An institution’s failure to inform the Secretary of a change described in para-

graph (a) of this section within the time period stated in that paragraph may result in adverse action against the institution.

(f) *Definition.* A family member includes a person’s—

(1) Parent or stepparent, sibling or step-sibling, spouse, child or stepchild, or grandchild or step-grandchild;

(2) Spouse’s parent or stepparent, sibling or step-sibling, child or stepchild, or grandchild or step-grandchild;

Subpart C—Maintaining Eligibility

SOURCE: 59 FR 22336, Apr. 29, 1994, unless otherwise noted.

§ 600.30 [Reserved]

§ 600.31 Change in ownership resulting in a change in control for private nonprofit, private for-profit and public institutions.

(a)(1) Except as provided in paragraph (a)(2) of this section, a private nonprofit, private for-profit, or public institution that undergoes a change in ownership that results in a change in control ceases to qualify as an eligible institution upon the change in ownership and control. A change in ownership that results in a change in control includes any change by which a person who has or thereby acquires an ownership interest in the entity that owns the institution or the parent corporation of that entity, acquires or loses the ability to control the institution.

(2) If a private nonprofit, private for-profit, or public institution has undergone a change in ownership that results in a change in control, the Secretary may, under the provisions of § 600.20(g) and (h), continue the institution’s participation in the title IV, HEA programs on a provisional basis, provided that the institution submits, under the provisions of § 600.20(g), a materially complete application—

Off. of Postsecondary Educ., Education

§ 600.31

(i) No later than 10 business days after the change occurs; or

(ii) For an institution owned by a publicly-traded corporation, no later than 10 business days after the institution knew, or should have known of the change based upon SEC filings, that the change occurred.

(3) In order to reestablish eligibility and to resume participation in the title IV, HEA programs, the institution must demonstrate to the Secretary that after the change in ownership and control—

(i) The institution satisfies all the applicable requirements contained in §§ 600.4, 600.5, and 600.6, except that if the institution is a proprietary institution of higher education or postsecondary vocational institution, it need not have been in existence for two years before seeking eligibility; and

(ii) The institution qualifies to be certified to participate under 34 CFR part 668, subpart B.

(b) *Definitions.* The following definitions apply to terms used in this section:

Closely-held corporation. Closely-held corporation (including the term close corporation) means—

(1) A corporation that qualifies under the law of the State of its incorporation as a closely-held corporation; or

(2) If the State of incorporation has no definition of closely-held corporation, a corporation the stock of which—

(i) Is held by no more than 30 persons; and

(ii) Has not been and is not planned to be publicly offered.

Control. Control (including the terms controlling, controlled by and under common control with) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise.

Ownership or ownership interest. (1) Ownership or ownership interest means a legal or beneficial interest in an institution or its corporate parent, or a right to share in the profits derived from the operation of an institution or its corporate parent.

(2) Ownership or ownership interest does not include an ownership interest held by—

(i) A mutual fund that is regularly and publicly traded;

(ii) A U.S. institutional investor, as defined in 17 CFR 240.15a-6(b)(7);

(iii) A profit-sharing plan of the institution or its corporate parent, provided that all full-time permanent employees of the institution or corporate parent are included in the plan; or

(iv) An Employee Stock Ownership Plan (ESOP).

Parent. The parent or parent corporation of a specified corporation is the corporation or partnership that controls the specified corporation directly or indirectly through one or more intermediaries.

Person. Person includes a legal person (corporation or partnership) or an individual.

Wholly-owned subsidiary. A wholly-owned subsidiary is one substantially all of whose outstanding voting securities are owned by its parent together with the parent's other wholly-owned subsidiaries.

(c) *Standards for identifying changes of ownership and control—*(1) *Closely-held corporation.* A change in ownership and control occurs when—

(i) A person acquires more than 50 percent of the total outstanding voting stock of the corporation;

(ii) A person who holds an ownership interest in the corporation acquires control of more than 50 percent of the outstanding voting stock of the corporation; or

(iii) A person who holds or controls 50 percent or more of the total outstanding stock of the corporation ceases to hold or control that proportion of the stock of the corporation.

(2) *Publicly traded corporations required to be registered with the Securities and Exchange Commission (SEC).* A change in ownership and control occurs when—

(i) A person acquires such ownership and control of the corporation so that the corporation is required to file a Form 8K with the SEC notifying that agency of the change in control; or

(ii) (A) A person who is a controlling shareholder of the corporation ceases

to be a controlling shareholder. A controlling shareholder is a shareholder who holds or controls through agreement both 25 percent or more of the total outstanding voting stock of the corporation and more shares of voting stock than any other shareholder. A controlling shareholder for this purpose does not include a shareholder whose sole stock ownership is held as a U.S. institutional investor, as defined in 17 CFR 240.15a–6(b)(7), held in mutual funds, held through a profit-sharing plan, or held in an Employee Stock Ownership Plan (ESOP).

(B) When a change of ownership occurs as a result of paragraph (c)(2)(ii)(A) of this section, the institution may submit its most recent quarterly financial statement as filed with the SEC, along with copies of all other SEC filings made after the close of the fiscal year for which a compliance audit has been submitted to the Department of Education, instead of the “same day” balance sheet.

(C) If a publicly-traded institution is provisionally certified due to a change in ownership under paragraph (c)(2)(ii) of this section, and that institution experiences another change of ownership under paragraph (c)(2)(ii) of this section, an approval of the subsequent change in ownership does not extend the original expiration date for the provisional certification provided that any current controlling shareholder was listed on the change of ownership application for which the original provisional approval was granted.

(3) *Other corporations.* A change in ownership and control of a corporation that is neither closely-held nor required to be registered with the SEC occurs when—

- (i) A person who has or acquires an ownership interest acquires both control of at least 25 percent of the total outstanding voting stock of the corporation and control of the corporation;
- (ii) A person who holds both ownership or control of at least 25 percent of the total outstanding voting stock of the corporation and control of the corporation, ceases to own or control that proportion of the stock of the corporation, or to control the corporation; or

(iii) For a membership corporation, a person who is or becomes a member acquires or loses control of 25 percent of the voting interests of the corporation and control of the corporation.

(4) *Partnership or sole proprietorship.* A change in ownership and control occurs when a person who has or acquires an ownership interest acquires or loses control as described in this section.

(5) *Parent corporation.* An institution that is a wholly-owned subsidiary changes ownership and control when the parent corporation changes ownership and control as described in this section.

(6) *Nonprofit institution.* A nonprofit institution changes ownership and control when a change takes place that is described in paragraph (d) of this section.

(7) *Public institution.* The Secretary does not consider that a public institution undergoes a change in ownership that results in a change of control if there is a change in governance and the institution after the change remains a public institution, provided—

(i) The new governing authority is in the same State as included in the institution’s program participation agreement; and

(ii) The new governing authority has acknowledged the public institution’s continued responsibilities under its program participation agreement.

(d) *Covered transactions.* For the purposes of this section, a change in ownership of an institution that results in a change of control may include, but is not limited to—

- (1) The sale of the institution;
- (2) The transfer of the controlling interest of stock of the institution or its parent corporation;
- (3) The merger of two or more eligible institutions;
- (4) The division of one institution into two or more institutions;
- (5) The transfer of the liabilities of an institution to its parent corporation;
- (6) A transfer of assets that comprise a substantial portion of the educational business of the institution, except where the transfer consists exclusively in the granting of a security interest in those assets; or

Off. of Postsecondary Educ., Education

§ 600.40

(7) A change in status as a for-profit, nonprofit, or public institution.

(e) *Excluded transactions.* A change in ownership and control reported under § 600.21 and otherwise subject to this section does not include a transfer of ownership and control of all or part of an owner's equity or partnership interest in an institution, the institution's parent corporation, or other legal entity that has signed the institution's Program Participation Agreement—

(1) From an owner to a "family member" of that owner as defined in § 600.21(f); or

(2) Upon the retirement or death of the owner, to a person with an ownership interest in the institution who has been involved in management of the institution for at least two years preceding the transfer and who has established and retained the ownership interest for at least two years prior to the transfer.

(b) To qualify as an eligible location, an additional location is not required to satisfy the two-year requirement of §§ 600.5(a)(7) or 600.6(a)(6), unless—

(1) The location was a facility of another institution that has closed or ceased to provide educational programs for a reason other than a normal vacation period or a natural disaster that directly affects the institution or the institution's students;

(2) The applicant institution acquired, either directly from the institution that closed or ceased to provide educational programs, or through an intermediary, the assets at the location; and

(3) The institution from which the applicant institution acquired the assets of the location—

(i) Owes a liability for a violation of an HEA program requirement; and

(ii) Is not making payments in accordance with an agreement to repay that liability.

(c) Notwithstanding paragraph (b) of this section, an additional location is not required to satisfy the two-year requirement of § 600.5(a)(7) or § 600.6(a)(6) if the applicant institution agrees—

(1) To be liable for all improperly expended or unspent title IV, HEA program funds received by the institution that has closed or ceased to provide educational programs;

(2) To be liable for all unpaid refunds owed to students who received title IV, HEA program funds; and

(3) To abide by the policy of the institution that has closed or ceased to provide educational programs regarding refunds of institutional charges to students in effect before the date of the acquisition of the assets of the additional location for the students who were enrolled before that date.

Subpart D—Loss of Eligibility

SOURCE: 59 FR 22336, Apr. 29, 1994, unless otherwise noted.

§ 600.40 Loss of eligibility.

(a)(1) Except as provided in paragraphs (a) (2) and (3) of this section, an institution, or a location or educational program of an institution, loses its eligibility on the date that—

(i) The institution, location, or educational program fails to meet any of the eligibility requirements of this part;

(ii) The institution or location permanently closes;

(iii) The institution or location ceases to provide educational programs for a reason other than a normal vacation period or a natural disaster that

§ 600.41

34 CFR Ch. VI (7–1–07 Edition)

directly affects the institution, particular location, or the students of the institution or location; or

(iv) For purposes of the title IV, HEA programs—

(A) The institution's period of participation as specified under 34 CFR 668.13 expires; or

(B) The institution's provisional certification is revoked under 34 CFR 668.13.

(2) If an institution loses its eligibility because it violated the requirements of § 600.5(a)(8), as evidenced by the determination under provisions contained in § 600.5(d), it loses its eligibility on the last day of the fiscal year used in § 600.5(d), except that if an institution's latest fiscal year was described in § 600.7(h)(1), it loses its eligibility as of June 30, 1994.

(3) If an institution loses its eligibility under the provisions of § 600.7(a)(1), it loses its eligibility on the last day of the award year being evaluated under that provision.

(b) If the Secretary undertakes to terminate the eligibility of an institution because it violated the provisions of § 600.5(a)(8) or § 600.7(a), and the institution requests a hearing, the presiding official must terminate the institution's eligibility if it violated those provisions, notwithstanding its status at the time of the hearing.

(c)(1) If the Secretary designates an institution or any of its educational programs or locations as eligible on the basis of inaccurate information or documentation, the Secretary's designation is void from the date the Secretary made the designation, and the institution or program or location, as applicable, never qualified as eligible.

(2) If an institution closes its main campus or stops providing any educational programs on its main campus, it loses its eligibility as an institution, and that loss of eligibility includes all its locations and all its programs. Its loss of eligibility is effective on the date it closes that campus or stops providing any educational program at that campus.

(d) Except as otherwise provided in this part, if an institution ceases to satisfy any of the requirements for eligibility under this part—

(1) It must notify the Secretary within 30 days of the date that it ceases to satisfy that requirement; and

§ 600.41 Termination and emergency action proceedings.

(a) If the Secretary believes that a previously designated eligible institution as a whole, or at one or more of its locations, does not satisfy the statutory or regulatory requirements that define that institution as an eligible institution, the Secretary may—

(1) Terminate the institution's eligibility designation in whole or as to a particular location—

(i) Under the procedural provisions applicable to terminations contained in 34 CFR 668.81, 668.83, 668.86, 668.87, 668.88, 668.89, 668.90 (a)(1), (a)(4), and (c) through (f), and 668.91; or

(ii) Under a show-cause hearing, if the institution's loss of eligibility results from—

(A) Its previously qualifying as an eligible vocational school;

(B) Its previously qualifying as an eligible institution, notwithstanding its unaccredited status, under the transfer-of-credit alternative to accreditation (as that alternative existed in 20 U.S.C. 1085, 1088, and 1141(a)(5)(B) and § 600.8 until July 23, 1992);

(C) Its loss of accreditation or preaccreditation;

(F) Its permanently closing; or

(G) Its ceasing to provide educational programs for a reason other than a normal vacation period or a natural disaster that directly affects the institution, a particular location, or the students of the institution or location;

(2) Limit, under the provisions of 34 CFR 668.86, the authority of the institution to disburse, deliver, or cause the disbursement or delivery of funds

under one or more title IV, HEA programs as otherwise provided under 34 CFR 668.26 for the benefit of students enrolled at the ineligible institution or location prior to the loss of eligibility of that institution or location; and

(3) Initiate an emergency action under the provisions contained in 34 CFR 668.83 with regard to the institution's participation in one or more title IV, HEA programs.

(b) If the Secretary believes that an educational program offered by an institution that was previously designated by the Secretary as an eligible institution under the HEA does not satisfy relevant statutory or regulatory requirements that define that educational program as part of an eligible institution, the Secretary may in accordance with the procedural provisions described in paragraph (a) of this section—

(1) Undertake to terminate that educational program's eligibility under one or more of the title IV, HEA programs under the procedural provisions applicable to terminations described in paragraph (a) of this section;

(2) Limit the institution's authority to deliver, disburse, or cause the delivery or disbursement of funds provided under that title IV, HEA program to students enrolled in that educational program, as otherwise provided in 34 CFR 668.26; and

(3) Initiate an emergency action under the provisions contained in 34 CFR 668.83 with regard to the institution's participation in one or more title IV, HEA programs with respect to students enrolled in that educational program.

(c)(1) An action to terminate and limit the eligibility of an institution as a whole or as to any of its locations or educational programs is initiated in accordance with 34 CFR 668.86(b) and becomes final 20 days after the Secretary notifies the institution of the proposed action, unless the designated department official receives by that date a request for a hearing or written material that demonstrates that the termination and limitation should not take place.

(2) Once a termination under this section becomes final, the termination is effective with respect to any commit-

ment, delivery, or disbursement of funds provided under an applicable title IV, HEA program by the institution—

(i) Made to students enrolled in the ineligible institution, location, or educational program; and

(ii) Made on or after the date of the act or omission that caused the loss of eligibility as to the institution, location, or educational program.

(3) Once a limitation under this section becomes final, the limitation is effective with regard to any commitment, delivery, or disbursement of funds under the applicable title IV, HEA program by the institution—

(i) Made after the date on which the limitation became final; and

(ii) Made to students enrolled in the ineligible institution, location, or educational program.

(d) After a termination under this section of the eligibility of an institution as a whole or as to a location or educational program becomes final, the institution may not certify applications for, make awards of or commitments for, deliver, or disburse funds under the applicable title IV, HEA program, except—

(1) In accordance with the requirements of 34 CFR 668.26(c) with respect to students enrolled in the ineligible institution, location, or educational program; and

(2) After satisfaction of any additional requirements, imposed pursuant to a limitation under paragraph (a)(2) of this section, which may include the following:

(i) Completion of the actions required by 34 CFR 668.26(a) and (b).

(ii) Demonstration that the institution has made satisfactory arrangements for the completion of actions required by 34 CFR 668.26(a) and (b).

§ 600.51

(e) If the Secretary undertakes to terminate the eligibility of an institution, location, or program under paragraphs (a) and (b) of this section:

(1) If the basis for the loss of eligibility is the loss of accreditation or preaccreditation, the sole issue is whether the institution, location, or program has the requisite accreditation or preaccreditation. The presiding official has no authority to consider challenges to the action of the accrediting agency.

(2) If the basis for the loss of eligibility is the loss of legal authorization, the sole issue is whether the institution, location, or program has the requisite legal authorization. The presiding official has no authority to consider challenges to the action of a State agency in removing the legal authorization.

(B) For a foreign graduate medical school outside of Canada, at least 60 percent of the school's students and graduates who took any step of the examinations administered by the Educational Commission for Foreign Medical Graduates (ECFMG) (including the ECFMG English test) in the year preceding the year for which any of the school's students seeks an FFEL program loan received passing scores on the exams; or

(ii) The school's clinical training program was approved by a State as of January 1, 1992, and is currently approved by that State.

§ 600.57 Duration of eligibility determination.

(a) The eligibility of a foreign institution under this subpart expires six years after the date of the Secretary's determination that the institution is eligible to apply for participation, except that the Secretary may specify a shorter period of eligibility. Subpart B—The Criteria for Recognition

BASIC ELIGIBILITY REQUIREMENTS

(b) If the agency accredits institutions of higher education or higher education programs, or both, its accreditation is a required element in enabling at least one of those entities to establish eligibility to participate in non-HEA Federal programs.

§ 602.11 Geographic scope of accrediting activities.

The agency must demonstrate that its accrediting activities cover—

(a) An agency seeking initial recognition must demonstrate that it has—

(1) Granted accreditation or preaccreditation—

(i) To one or more institutions if it is requesting recognition as an institutional accrediting agency and to one or more programs if it is requesting recognition as a programmatic accrediting agency;

(ii) That covers the range of the specific degrees, certificates, institutions, and programs for which it seeks recognition; and

(Authority: 20 U.S.C. 1099b)

ORGANIZATIONAL AND ADMINISTRATIVE REQUIREMENTS

§ 602.14 Purpose and organization.

(a) The Secretary recognizes only the following four categories of agencies:

The Secretary recognizes . . .	that . . .
(1) An accrediting agency	(i) Has a voluntary membership of institutions of higher education; (ii) Has as a principal purpose the accrediting of institutions of higher education and that accreditation is a required element in enabling those institutions to participate in HEA programs; and (iii) Satisfies the “separate and independent” requirements in paragraph (b) of this section.
(2) An accrediting agency	(i) Has a voluntary membership; and (ii) Has as its principal purpose the accrediting of higher education programs, or higher education programs and institutions of higher education, and that accreditation is a required element in enabling those entities to participate in non-HEA Federal programs.
(3) An accrediting agency	for purposes of determining eligibility for Title IV, HEA programs— (i) Either has a voluntary membership of individuals participating in a profession or has as its principal purpose the accrediting of programs within institutions that are accredited by a nationally recognized accrediting agency; and (ii) Either satisfies the “separate and independent” requirements in paragraph (b) of this section or obtains a waiver of those requirements under paragraphs (d) and (e) of this section.
(4) A State agency	(i) Has as a principal purpose the accrediting of institutions of higher education, higher education programs, or both; and (ii) The Secretary listed as a nationally recognized accrediting agency on or before October 1, 1991 and has recognized continuously since that date.

Off. of Postsecondary Educ., Education

§ 602.15

(b) For purposes of this section, the term *separate and independent* means that—

(1) The members of the agency's decision-making body—who decide the accreditation or preaccreditation status of institutions or programs, establish the agency's accreditation policies, or both—are not elected or selected by the board or chief executive officer of any related, associated, or affiliated trade association or membership organization;

(2) At least one member of the agency's decision-making body is a representative of the public, and at least one-seventh of that body consists of representatives of the public;

(3) The agency has established and implemented guide lines for each member of the decision-making body to avoid conflicts of interest in making decisions;

(4) The agency's dues are paid separately from any dues paid to any related, associated, or affiliated trade association or membership organization; and

(5) The agency develops and determines its own budget, with no review by or consultation with any other entity or organization.

(c) The Secretary considers that any joint use of personnel, services, equipment, or facilities by an agency and a related, associated, or affiliated trade association or membership organization does not violate the "separate and independent" requirements in paragraph (b) of this section if—

(1) The agency pays the fair market value for its proportionate share of the joint use; and

(2) The joint use does not compromise the independence and confidentiality of the accreditation process.

(d) For purposes of paragraph (a)(3) of this section, the Secretary may waive the "separate and independent" requirements in paragraph (b) of this section if the agency demonstrates that—

(1) The Secretary listed the agency as a nationally recognized agency on or before October 1, 1991 and has recognized it continuously since that date;

(2) The related, associated, or affiliated trade association or membership organization plays no role in making

or ratifying either the accrediting or policy decisions of the agency;

(3) The agency has sufficient budgetary and administrative autonomy to carry out its accrediting functions independently; and

(4) The agency provides to the related, associated, or affiliated trade association or membership organization only information it makes available to the public.

(e) An agency seeking a waiver of the "separate and independent" requirements under paragraph (d) of this section must apply for the waiver each time the agency seeks recognition or continued recognition.

(Authority: 20 U.S.C. 1099b)

§ 602.15 Administrative and fiscal responsibilities.

The agency must have the administrative and fiscal capability to carry out its accreditation activities in light of its requested scope of recognition. The agency meets this requirement if the agency demonstrates that—

(a) The agency has—

(1) Adequate administrative staff and financial resources to carry out its accrediting responsibilities;

(2) Competent and knowledgeable individuals, qualified by education and experience in their own right and trained by the agency on its standards, policies, and procedures, to conduct its on-site evaluations, establish its policies, and make its accrediting and preaccrediting decisions;

(3) Academic and administrative personnel on its evaluation, policy, and decision-making bodies, if the agency accredits institutions;

(4) Educators and practitioners on its evaluation, policy, and decision-making bodies, if the agency accredits programs or single-purpose institutions that prepare students for a specific profession;

(5) Representatives of the public on all decision-making bodies; and

(6) Clear and effective controls against conflicts of interest, or the appearance of conflicts of interest, by the agency's—

(i) Board members;

(ii) Commissioners;

(iii) Evaluation team members;

(iv) Consultants;

§ 602.16

34 CFR Ch. VI (7–1–07 Edition)

(v) Administrative staff; and
(vi) Other agency representatives;
and

(b) The agency maintains complete and accurate records of—

(1) Its last two full accreditation or preaccreditation reviews of each institution or program, including on-site evaluation team reports, the institution's or program's responses to on-site reports, periodic review reports, any reports of special reviews conducted by the agency between regular reviews, and a copy of the institution's or program's most recent self-study; and

(2) All decisions regarding the accreditation and preaccreditation of any institution or program, including all correspondence that is significantly related to those decisions.

(Approved by the Office of Management and Budget under control number 1845-0003)

(Authority: 20 U.S.C. 1099b)

REQUIRED STANDARDS AND THEIR APPLICATION

§ 602.16 Accreditation and preaccreditation standards.

(a) The agency must demonstrate that it has standards for accreditation, and preaccreditation, if offered, that are sufficiently rigorous to ensure that the agency is a reliable authority regarding the quality of the education or training provided by the institutions or programs it accredits. The agency meets this requirement if—

(1) The agency's accreditation standards effectively address the quality of the institution or program in the following areas:

(i) Success with respect to student achievement in relation to the institution's mission, including, as appropriate, consideration of course completion, State licensing examination, and job placement rates.

(ii) Curricula.

(iii) Faculty.

(iv) Facilities, equipment, and supplies.

(v) Fiscal and administrative capacity as appropriate to the specified scale of operations.

(vi) Student support services.

(vii) Recruiting and admissions practices, academic calendars, catalogs, publications, grading, and advertising.

(viii) Measures of program length and the objectives of the degrees or credentials offered.

(ix) Record of student complaints received by, or available to, the agency.

(x) Record of compliance with the institution's program responsibilities under Title IV of the Act, based on the most recent student loan default rate data provided by the Secretary, the results of financial or compliance audits, program reviews, and any other information that the Secretary may provide to the agency; and

(2) The agency's preaccreditation standards, if offered, are appropriately related to the agency's accreditation standards and do not permit the institution or program to hold preaccreditation status for more than five years.

(b) If the agency only accredits programs and does not serve as an institutional accrediting agency for any of those programs, its accreditation standards must address the areas in paragraph (a)(1) of this section in terms of the type and level of the program rather than in terms of the institution.

(c) If none of the institutions an agency accredits participates in any Title IV, HEA program, or if the agency only accredits programs within institutions that are accredited by a nationally recognized institutional accrediting agency, the agency is not required to have the accreditation standards described in paragraphs (a)(1)(viii) and (a)(1)(x) of this section.

(d) An agency that has established and applies the standards in paragraph (a) of this section may establish any additional accreditation standards it deems appropriate.

(Approved by the Office of Management and Budget under control number 1845-0003)

(Authority: 20 U.S.C. 1099b)

§ 602.17 Application of standards in reaching an accrediting decision.

The agency must have effective mechanisms for evaluating an institution's or program's compliance with the agency's standards before reaching a decision to accredit or preaccredit the institution or program. The agency meets this requirement if the agency demonstrates that it—

Off. of Postsecondary Educ., Education

§ 602.20

(a) Evaluates whether an institution or program—

(1) Maintains clearly specified educational objectives that are consistent with its mission and appropriate in light of the degrees or certificates awarded;

(2) Is successful in achieving its stated objectives; and

(3) Maintains degree and certificate requirements that at least conform to commonly accepted standards;

(b) Requires the institution or program to prepare, following guidance provided by the agency, an in-depth self-study that includes the assessment of educational quality and the institution's or program's continuing efforts to improve educational quality;

(c) Conducts at least one on-site review of the institution or program during which it obtains sufficient information to determine if the institution or program complies with the agency's standards;

(d) Allows the institution or program the opportunity to respond in writing to the report of the on-site review;

(e) Conducts its own analysis of the self-study and supporting documentation furnished by the institution or program, the report of the on-site review, the institution's or program's response to the report, and any other appropriate information from other sources to determine whether the institution or program complies with the agency's standards; and

(f) Provides the institution or program with a detailed written report that assesses—

(1) The institution's or program's compliance with the agency's standards, including areas needing improvement; and

(2) The institution's or program's performance with respect to student achievement.

(Authority: 20 U.S.C. 1099b)

§ 602.18 Ensuring consistency in decision-making.

The agency must consistently apply and enforce its standards to ensure that the education or training offered by an institution or program, including any offered through distance education, is of sufficient quality to achieve its stated objective for the du-

ration of any accreditation or preaccreditation period granted by the agency. The agency meets this requirement if the agency—

(a) Has effective controls against the inconsistent application of the agency's standards;

(b) Bases decisions regarding accreditation and preaccreditation on the agency's published standards; and

(c) Has a reasonable basis for determining that the information the agency relies on for making accrediting decisions is accurate.

(Authority: 20 U.S.C. 1099b)

§ 602.19 Monitoring and reevaluation of accredited institutions and programs.

(a) The agency must reevaluate, at regularly established intervals, the institutions or programs it has accredited or preaccredited.

(b) The agency must monitor institutions or programs throughout their accreditation or preaccreditation period to ensure that they remain in compliance with the agency's standards. This includes conducting special evaluations or site visits, as necessary.

(Authority: 20 U.S.C. 1099b)

§ 602.20 Enforcement of standards.

(a) If the agency's review of an institution or program under any standard indicates that the institution or program is not in compliance with that standard, the agency must—

(1) Immediately initiate adverse action against the institution or program; or

(2) Require the institution or program to take appropriate action to bring itself into compliance with the agency's standards within a time period that must not exceed—

(i) Twelve months, if the program, or the longest program offered by the institution, is less than one year in length;

(ii) Eighteen months, if the program, or the longest program offered by the institution, is at least one year, but less than two years, in length; or

(iii) Two years, if the program, or the longest program offered by the institution, is at least two years in length.

§ 602.21

(b) If the institution or program does not bring itself into compliance within the specified period, the agency must take immediate adverse action unless the agency, for good cause, extends the period for achieving compliance.

(Authority: 20 U.S.C. 1099b)

§ 602.21 Review of standards.

(a) The agency must maintain a systematic program of review that demonstrates that its standards are adequate to evaluate the quality of the education or training provided by the institutions and programs it accredits and relevant to the educational or training needs of students.

(b) The agency determines the specific procedures it follows in evaluating its standards, but the agency must ensure that its program of review—

- (1) Is comprehensive;
- (2) Occurs at regular, yet reasonable, intervals or on an ongoing basis;
- (3) Examines each of the agency's standards and the standards as a whole; and
- (4) Involves all of the agency's relevant constituencies in the review and affords them a meaningful opportunity to provide input into the review.

(c) If the agency determines, at any point during its systematic program of review, that it needs to make changes to its standards, the agency must initiate action within 12 months to make the changes and must complete that action within a reasonable period of time. Before finalizing any changes to its standards, the agency must—

- (1) Provide notice to all of the agency's relevant constituencies, and other parties who have made their interest known to the agency, of the changes the agency proposes to make;
- (2) Give the constituencies and other interested parties adequate opportunity to comment on the proposed changes; and
- (3) Take into account any comments on the proposed changes submitted timely by the relevant constituencies and by other interested parties.

REQUIRED OPERATING POLICIES AND PROCEDURES

§ 602.22 Substantive change.

(a) If the agency accredits institutions, it must maintain adequate substantive change policies that ensure that any substantive change to the educational mission, program, or programs of an institution after the agency has accredited or preaccredited the institution does not adversely affect the capacity of the institution to continue to meet the agency's standards. The agency meets this requirement if—

(1) The agency requires the institution to obtain the agency's approval of the substantive change before the agency includes the change in the scope of accreditation or preaccreditation it previously granted to the institution; and

(2) The agency's definition of substantive change includes at least the following types of change:

- (i) Any change in the established mission or objectives of the institution.
- (ii) Any change in the legal status, form of control, or ownership of the institution.

- (vi) A substantial increase in the number of clock or credit hours awarded for successful completion of a program.
- (vii) The establishment of an additional location geographically apart from the main campus at which the institution offers at least 50 percent of an educational program.

(b) The agency may determine the procedures it uses to grant prior approval of the substantive change. Except as provided in paragraph (c) of this section, these may, but need not, require a visit by the agency.

(c) If the agency's accreditation of an institution enables the institution to seek eligibility to participate in Title IV, HEA programs, the agency's procedures for the approval of an additional location described in paragraph (a)(2)(vii) of this section must determine if the institution has the fiscal and administrative capacity to operate the additional location. In addition, the agency's procedures must include—

(1) A visit, within six months, to each additional location the institution establishes, if the institution—

(i) Has a total of three or fewer additional locations;

(ii) Has not demonstrated, to the agency's satisfaction, that it has a proven record of effective educational oversight of additional locations; or

(iii) Has been placed on warning, probation, or show cause by the agency or is subject to some limitation by the agency on its accreditation or preaccreditation status;

(2) An effective mechanism for conducting, at reasonable intervals, visits to additional locations of institutions that operate more than three additional locations; and

(3) An effective mechanism, which may, at the agency's discretion, include visits to additional locations, for ensuring that accredited and preaccredited institutions that experience rapid growth in the number of additional locations maintain educational quality.

(d) The purpose of the visits described in paragraph (c) of this section is to verify that the additional location has the personnel, facilities, and resources it claimed to have in its application to the agency for approval of the additional location.

34 CFR Ch. VI (7–1–07 Edition)

(e) The accrediting agency must provide for the public correction of incorrect or misleading information an accredited or preaccredited institution or program releases about—

(Authority: 20 U.S.C. 1099b)

§ 602.24 Additional procedures certain institutional accreditors must have.

If the agency is an institutional accrediting agency and its accreditation or preaccreditation enables those institutions to obtain eligibility to participate in Title IV, HEA programs, the agency must demonstrate that it has established and uses all of the following procedures:

(a) *Branch campus.* (1) The agency must require the institution to notify the agency if it plans to establish a branch campus and to submit a business plan for the branch campus that describes—

(i) The educational program to be offered at the branch campus;

(ii) The projected revenues and expenditures and cash flow at the branch campus; and

(iii) The operation, management, and physical resources at the branch campus.

(2) The agency may extend accreditation to the branch campus only after it evaluates the business plan and takes whatever other actions it deems necessary to determine that the branch campus has sufficient educational, financial, operational, management, and physical resources to meet the agency's standards.

(3) The agency must undertake a site visit to the branch campus as soon as practicable, but no later than six

months after the establishment of that campus.

(b) *Change in ownership.* The agency must undertake a site visit to an institution that has undergone a change of ownership that resulted in a change of control as soon as practicable, but no later than six months after the change of ownership.

(c) *Teach-out agreements.* (1) The agency must require an institution it accredits or preaccredits that enters into a teach-out agreement with another institution to submit that teach-out agreement to the agency for approval.

(2) The agency may approve the teach-out agreement only if the agreement is between institutions that are accredited or preaccredited by a nationally recognized accrediting agency, is consistent with applicable standards and regulations, and provides for the equitable treatment of students by ensuring that—

(i) The teach-out institution has the necessary experience, resources, and support services to provide an educational program that is of acceptable quality and reasonably similar in content, structure, and scheduling to that provided by the closed institution; and

(ii) The teach-out institution demonstrates that it can provide students access to the program and services without requiring them to move or travel substantial distances.

(3) If an institution the agency accredits or preaccredits closes, the agency must work with the Department and the appropriate State agency, to the extent feasible, to ensure that students are given reasonable opportunities to complete their education without additional charge.

§ 602.25 Due process.

The agency must demonstrate that the procedures it uses throughout the accrediting process satisfy due process. The agency meets this requirement if the agency does the following:

the agency's requests for information and documents.

(b) The agency notifies the institution or program in writing of any adverse accrediting action or an action to place the institution or program on probation or show cause. The notice describes the basis for the action.

(c) The agency permits the institution or program the opportunity to appeal an adverse action and the right to be represented by counsel during that appeal. If the agency allows institutions or programs the right to appeal other types of actions, the agency has the discretion to limit the appeal to a written appeal.

(d) The agency notifies the institution or program in writing of the result of its appeal and the basis for that result.

(Authority: 20 U.S.C. 1099b)

§ 602.26 Notification of accrediting decisions.

The agency must demonstrate that it has established and follows written procedures requiring it to provide written notice of its accrediting decisions to the Secretary, the appropriate State licensing or authorizing agency, the appropriate accrediting agencies, and the public. The agency meets this requirement if the agency, following its written procedures—

(a) Provides written notice of the following types of decisions to the Secretary, the appropriate State licensing or authorizing agency, the appropriate accrediting agencies, and the public no later than 30 days after it makes the decision:

(1) A decision to award initial accreditation or preaccreditation to an institution or program.

(2) A decision to renew an institution's or program's accreditation or preaccreditation;

(b) Provides written notice of the following types of decisions to the Secretary, the appropriate State licensing or authorizing agency, and the appropriate accrediting agencies at the same time it notifies the institution or program of the decision, but no later than 30 days after it reaches the decision:

(1) A final decision to place an institution or program on probation or an equivalent status.

(2) A final decision to deny, withdraw, suspend, revoke, or terminate the accreditation or preaccreditation of an institution or program;

(c) Provides written notice to the public of the decisions listed in paragraphs (b)(1) and (b)(2) of this section within 24 hours of its notice to the institution or program;

(d) For any decision listed in paragraph (b)(2) of this section, makes available to the Secretary, the appropriate State licensing or authorizing agency, and the public upon request, no later than 60 days after the decision, a brief statement summarizing the reasons for the agency's decision and the comments, if any, that the affected institution or program may wish to make with regard to that decision; and

(e) Notifies the Secretary, the appropriate State licensing or authorizing agency, the appropriate accrediting agencies, and, upon request, the public if an accredited or preaccredited institution or program—

(1) Decides to withdraw voluntarily from accreditation or preaccreditation, within 30 days of receiving notification from the institution or program that it is withdrawing voluntarily from accreditation or preaccreditation; or

(2) Lets its accreditation or preaccreditation lapse, within 30 days of the date on which accreditation or preaccreditation lapses.

(a) A copy of any annual report it prepares;

(b) A copy, updated annually, of its directory of accredited and preaccredited institutions and programs;

(c) A summary of the agency's major accrediting activities during the previous year (an annual data summary), if requested by the Secretary to carry out the Secretary's responsibilities related to this part;

§ 602.28

34 CFR Ch. VI (7–1–07 Edition)

(d) Any proposed change in the agency's policies, procedures, or accreditation or preaccreditation standards that might alter its—

(1) Scope of recognition; or

(2) Compliance with the criteria for recognition;

(e) The name of any institution or program it accredits that the agency has reason to believe is failing to meet its Title IV, HEA program responsibilities or is engaged in fraud or abuse, along with the agency's reasons for concern about the institution or program; and

(f) If the Secretary requests, information that may bear upon an accredited or preaccredited institution's compliance with its Title IV, HEA program responsibilities, including the eligibility of the institution or program to participate in Title IV, HEA programs. § 602.28 Regard for decisions of States and other accrediting agencies.

(a) If the agency is an institutional accrediting agency, it may not accredit or preaccredit institutions that lack legal authorization under applicable State law to provide a program of education beyond the secondary level.

(b) Except as provided in paragraph

(c) of this section, the agency may not grant initial or renewed accreditation or preaccreditation to an institution, or a program offered by an institution, if the agency knows, or has reasonable cause to know, that the institution is the subject of—

(c) The agency may grant accreditation or preaccreditation to an institution or program described in paragraph (b) of this section only if it provides to the Secretary, within 30 days of its action, a thorough and reasonable explanation, consistent with its standards, why the action of the other body does not preclude the agency's grant of accreditation or preaccreditation.

(d) If the agency learns that an institution it accredits or preaccredits, or an institution that offers a program it accredits or preaccredits, is the subject of an adverse action by another recognized accrediting agency or has been placed on probation or an equivalent status by another recognized agency, the agency must promptly review its accreditation or preaccreditation of the institution or program to determine if it should also take adverse action or place the institution or program on probation or show cause.

(e) The agency must, upon request, share with other appropriate recognized accrediting agencies and recognized State approval agencies information about the accreditation or preaccreditation status of an institution or program and any adverse actions it has taken against an accredited or preaccredited institution or program.

Subpart C—The Recognition Process

APPLICATION AND REVIEW BY DEPARTMENT STAFF

§ 602.30 How does an agency apply for recognition?

(a) An accrediting agency seeking initial or continued recognition must submit a written application to the Secretary. The application must consist of—

(1) A statement of the agency's requested scope of recognition;

(2) Evidence that the agency complies with the criteria for recognition listed in subpart B of this part; and

(3) Supporting documentation.

(b) By submitting an application for recognition, the agency authorizes Department staff to observe its site visits and decision meetings and to gain access to agency records, personnel, and facilities on an announced or unannounced basis.

(c) The Secretary does not make available to the public any confidential agency materials a Department employee reviews during the evaluation of either the agency's application for recognition or the agency's compliance with the criteria for recognition.

(Approved by the Office of Management and Budget under control number 1845-0003)

(Authority: 20 U.S.C. 1099b)

§ 602.31 How does Department staff review an agency's application?

(a) Upon receipt of an agency's application for either initial or continued recognition, Department staff—

(1) Establishes a schedule for the review of the agency by Department staff, the National Advisory Committee on Institutional Quality and Integrity, and the Secretary;

(2) Publishes a notice of the agency's application in the FEDERAL REGISTER, inviting the public to comment on the agency's compliance with the criteria for recognition and establishing a deadline for receipt of public comment; and

(3) Provides State licensing or authorizing agencies, all currently recognized accrediting agencies, and other appropriate organizations with copies of the FEDERAL REGISTER notice.

(b) Department staff analyzes the agency's application to determine whether the agency satisfies the criteria for recognition, taking into account all available relevant information concerning the compliance of the agency with those criteria and any deficiencies in the agency's performance with respect to the criteria. The analysis includes—

(1) Site visits, on an announced or unannounced basis, to the agency and, at the Secretary's discretion, to some of the institutions or programs it accredits or preaccredits;

(2) Review of the public comments and other third-party information the Department staff receives by the established deadline, as well as any other information Department staff assembles for purposes of evaluating the agency under this part; and

(3) Review of complaints or legal actions involving the agency.

(c) Department staff's evaluation may also include a review of information directly related to institutions or programs accredited or preaccredited by the agency relative to their compliance with the agency's standards, the effectiveness of the standards, and the agency's application of those standards.

(d) If, at any point in its evaluation of an agency seeking initial recognition, Department staff determines that the agency fails to demonstrate substantial compliance with the basic eligibility requirements in §§ 602.10 through 602.13, the staff—

(1) Returns the agency's application and provides the agency with an explanation of the deficiencies that caused staff to take that action; and

(2) Recommends that the agency withdraw its application and reapply when the agency can demonstrate compliance.

(e) Except with respect to an application that is withdrawn under paragraph (d) of this section, when Department staff completes its evaluation of the agency, the staff—

(1) Prepares a written analysis of the agency, which includes a recognition recommendation;

(2) Sends the analysis and all supporting documentation, including all third-party comments the Department received by the established deadline, to the agency no later than 45 days before the Advisory Committee meeting; and

(3) Invites the agency to provide a written response to the staff analysis and third-party comments, specifying a deadline for the response that is at least two weeks before the Advisory Committee meeting.

(f) If Department staff fails to provide the agency with the materials described in paragraph (e)(2) of this section at least 45 days before the Advisory Committee meeting, the agency

§ 602.32

may request that the Advisory Committee defer acting on the application at that meeting. If Department staff's failure to send the materials at least 45 days before the Advisory Committee meeting is due to the failure of the agency to submit reports or other information the Secretary requested by the deadline the Secretary established, the agency forfeits its right to request a deferral.

(g) Department staff reviews any response to the staff analysis that the agency submits. If necessary, Department staff prepares an addendum to the staff analysis and provides the agency with a copy.

(h) Before the Advisory Committee meeting, Department staff provides the Advisory Committee with the following information:

(1) The agency's application for recognition and supporting documentation.

(2) The Department staff analysis of the agency.

(3) Any written third-party comments the Department received about the agency on or before the established deadline.

(4) Any agency response to either the Department staff analysis or third-party comments.

(5) Any addendum to the Department staff analysis.

(6) Any other information Department staff relied on in developing its analysis.

(i) At least 30 days before the Advisory Committee meeting, the Department publishes a notice of the meeting in the FEDERAL REGISTER inviting interested parties, including those who submitted third-party comments concerning the agency's compliance with the criteria for recognition, to make oral presentations before the Advisory Committee.

34 CFR Ch. VI (7-1-07 Edition)

REVIEW BY THE NATIONAL ADVISORY COMMITTEE ON INSTITUTIONAL QUALITY AND INTEGRITY

§ 602.32 What is the role of the Advisory Committee and the senior Department official in the review of an agency's application?

(a) The Advisory Committee considers an agency's application for recognition at a public meeting and invites Department staff, the agency, and other interested parties to make oral presentations at the meeting. A transcript is made of each Advisory Committee meeting.

(b) When it concludes its review, the Advisory Committee recommends that the Secretary either approve or deny recognition or that the Secretary defer a decision on the agency's application for recognition.

(1)(i) The Advisory Committee recommends approval of recognition if the agency complies with the criteria for recognition listed in subpart B of this part and if the agency is effective in its performance with respect to those criteria.

(ii) If the Advisory Committee recommends approval, the Advisory Committee also recommends a recognition period and a scope of recognition.

(iii) If the recommended scope or period of recognition is less than that requested by the agency, the Advisory Committee explains its reasons for recommending the lesser scope or recognition period.

(2)(i) If the agency fails to comply with the criteria for recognition in subpart B of this part, or if the agency is not effective in its performance with respect to those criteria, the Advisory Committee recommends denial of recognition, unless the Advisory Committee concludes that a deferral under paragraph (b)(3) of this section is warranted.

(ii) If the Advisory Committee recommends denial, the Advisory Committee specifies the reasons for its recommendation, including all criteria the agency fails to meet and all areas in which the agency fails to perform effectively.

(3)(i) The Advisory Committee may recommend deferral of a decision on recognition if it concludes that the

agency's deficiencies do not warrant immediate loss of recognition and if it concludes that the agency will demonstrate or achieve compliance with the criteria for recognition and effective performance with respect to those criteria before the expiration of the deferral period.

(ii) In its deferral recommendation, the Advisory Committee states the bases for its conclusions, specifies any criteria for recognition the agency fails to meet, and identifies any areas in which the agency fails to perform effectively with respect to the criteria.

(iii) The Advisory Committee also recommends a deferral period, which may not exceed 12 months, either as a single deferral period or in combination with any expiring deferral period in which similar deficiencies in compliance or performance were cited by the Secretary.

(c) At the conclusion of its meeting, the Advisory Committee forwards its recommendations to the Secretary through the senior Department official.

(d) For any Advisory Committee recommendation not appealed under § 602.33, the senior Department official includes with the Advisory Committee materials forwarded to the Secretary a memorandum containing the senior Department official's recommendations regarding the actions proposed by the Advisory Committee.

(Authority: 20 U.S.C. 1099b and 1145)

§ 602.33 How may an agency appeal a recommendation of the Advisory Committee?

(a) Either the agency or the senior Department official may appeal the Advisory Committee's recommendation. If a party wishes to appeal, that party must—

(1) Notify the Secretary and the other party in writing of its intent to appeal the recommendation no later than 10 days after the Advisory Committee meeting;

(2) Submit its appeal in writing to the Secretary no later than 30 days after the Advisory Committee meeting; and

(3) Provide the other party with a copy of the appeal at the same time it submits the appeal to the Secretary.

(b) The non-appealing party may file a written response to the appeal. If that party wishes to do so, it must—

(1) Submit its response to the Secretary no later than 30 days after receiving its copy of the appeal; and

(2) Provide the appealing party with a copy of its response at the same time it submits its response to the Secretary.

(c) Neither the agency nor the senior Department official may include any new evidence in its submission; i.e., evidence it did not previously submit to the Advisory Committee.

(Authority: 20 U.S.C. 1099b and 1145)

(b) The Secretary either approves or denies recognition or defers a decision on the agency's application for recognition.

(1)(i) The Secretary approves recognition if the agency complies with the criteria for recognition listed in subpart B of this part and if the agency is effective in its performance with respect to those criteria.

(ii) If the Secretary approves recognition, the Secretary's recognition decision defines the scope of recognition and the recognition period.

(iii) If the scope or period of recognition is less than that requested by the agency, the Secretary explains the reasons for approving a lesser scope or recognition period.

(2)(i) If the agency fails to comply with the criteria for recognition in subpart B of this part, or if the agency is not effective in its performance with respect to those criteria, the Secretary denies recognition, unless the Secretary concludes that a deferral under paragraph (b)(3) of this section is warranted.

(ii) If the Secretary denies recognition, the Secretary specifies the reasons for this decision, including all criteria the agency fails to meet and all areas in which the agency fails to perform effectively.

(3)(i) The Secretary may defer a decision on recognition if the Secretary concludes that the agency's deficiencies do not warrant immediate loss of recognition and if the Secretary concludes that the agency will demonstrate or achieve compliance with the criteria for recognition and effective performance with respect to those criteria before the expiration of the deferral period.

(ii) In the deferral decision, the Secretary states the bases for the Secretary's conclusions, specifies any criteria for recognition the agency fails to meet, and identifies any areas in which the agency fails to perform effectively with respect to the criteria.

(iii) The Secretary also establishes a deferral period, which begins on the date of the Secretary's decision.

(iv) The deferral period may not exceed 12 months, either as a single deferral period or in combination with any expiring deferral period in which simi-

lar deficiencies in compliance or performance were cited by the Secretary, except that the Secretary may grant an extension of an expiring deferral period at the request of the agency for good cause shown.

(c) The recognition period may not exceed five years.

(d) If the Secretary does not reach a final decision to approve or deny an agency's application for continued recognition before the expiration of its recognition period, the Secretary automatically extends the recognition period until the final decision is reached.

(Authority: 20 U.S.C. 1099b)

§ 602.36 May an agency appeal the Secretary's final recognition decision?

An agency may appeal the Secretary's decision under this part in the Federal courts as a final decision in accordance with applicable Federal law.

(Authority: 20 U.S.C. 1099b)

**Subpart D—Limitation, Suspension, or Termination of Recognition
Limitation, Suspension, and Termination Procedures**

§ 602.40 How may the Secretary limit, suspend, or terminate an agency's recognition?

(a) If the Secretary determines, after notice and an opportunity for a hearing, that a recognized agency does not comply with the criteria for recognition in subpart B of this part or that the agency is not effective in its performance with respect to those criteria, the Secretary—

(1) Limits, suspends, or terminates the agency's recognition; or

(2) Requires the agency to take appropriate action to bring itself into compliance with the criteria and achieve effectiveness within a time-frame that may not exceed 12 months.

(b) If, at the conclusion of the time-frame specified in paragraph (a)(2) of this section, the Secretary determines, after notice and an opportunity for a hearing, that the agency has failed to bring itself into compliance or has failed to achieve effectiveness, the Secretary limits, suspends, or terminates

recognition, unless the Secretary extends the timeframe, on request by the agency for good cause shown.

(Authority: 20 U.S.C. 1099b).

§ 602.41 What are the notice procedures?

(a) Department staff initiates an action to limit, suspend, or terminate an agency's recognition by notifying the agency in writing of the Secretary's intent to limit, suspend, or terminate recognition. The notice—

(1) Describes the specific action the Secretary seeks to take against the agency and the reasons for that action, including the criteria with which the agency has failed to comply;

(2) Specifies the effective date of the action; and

(3) Informs the agency of its right to respond to the notice and request a hearing.

(b) Department staff may send the notice described in paragraph (a) of this section at any time the staff concludes that the agency fails to comply with the criteria for recognition in subpart B of this part or is not effective in its performance with respect to those criteria.

(Authority: 20 U.S.C. 1099b)

§ 602.42 What are the response and hearing procedures?

(a) If the agency wishes either to respond to the notice or request a hearing, or both, it must do so in writing no later than 30 days after it receives the notice of the Secretary's intent to limit, suspend, or terminate recognition.

(1) The agency's submission must identify the issues and facts in dispute and the agency's position on them.

(2) If neither a response nor a request for a hearing is filed by the deadline, the notice of intent becomes a final decision by the Secretary.

(b)(1) After receiving the agency's response and hearing request, if any, the Secretary chooses a subcommittee composed of five members of the Advisory Committee to adjudicate the matter and notifies the agency of the subcommittee's membership.

(2) The agency may challenge membership of the subcommittee on

grounds of conflict of interest on the part of one or more members and, if the agency's challenge is successful, the Secretary will replace the member or members challenged.

(c) After the subcommittee has been selected, Department staff sends the members of the subcommittee copies of the notice to limit, suspend, or terminate recognition, along with the agency's response, if any.

(d)(1) If a hearing is requested, it is held in Washington, DC, at a date and time set by Department staff.

(2) A transcript is made of the hearing.

(e) On agreement by Department staff and the agency, the subcommittee review may be based solely on the written materials submitted.

(Authority: 20 U.S.C. 1099b)

§ 602.43 How is a decision on limitation, suspension, or termination of recognition reached?

The opinion includes—

(1) Findings of fact, based on consideration of all the evidence, presentations, and submissions before the subcommittee;

(2) A recommendation as to whether a limitation, suspension, or termination of the agency's recognition is warranted; and

(3) The reasons supporting the subcommittee's recommendation.

(b) Unless the subcommittee's recommendation is appealed under § 602.44, the Secretary issues a final decision on whether to limit, suspend, or terminate

§ 602.44

the agency's recognition. The Secretary bases the decision on consideration of the full record before the subcommittee and the subcommittee's opinion.

(Authority: 20 U.S.C. 1099b)

APPEAL RIGHTS AND PROCEDURES

§ 602.44 How may an agency appeal the subcommittee's recommendation?

(a) Either the agency or the senior Department official may appeal the subcommittee's recommendation. If a party wishes to appeal, that party must—

§ 603.23 Initial recognition, and re-evaluation.

For initial recognition and for renewal of recognition, the State agency will furnish information establishing its compliance with the criteria set forth in § 603.24. This information may be supplemented by personal interviews or by review of the agency's facilities, records, personnel qualifications, and administrative management.

Each agency listed will be reevaluated by the Secretary at his discretion, but at least once every four years. No adverse decision will become final without affording an opportunity for a hearing.

§ 603.24 Criteria for State agencies.

The following are the criteria which the Secretary will utilize in designating a State agency as a reliable authority to assess the quality of public postsecondary vocational education in its respective State.

(a) *Functional aspects.* The functional aspects of the State agency must be shown by:

(1) *Its scope of operations.* The agency:

(i) Is statewide in the scope of its operations and is legally authorized to approve public postsecondary vocational institutions or programs;

(ii) Clearly sets forth the scope of its objectives and activities, both as to kinds and levels of public postsecondary vocational institutions or programs covered, and the kinds of operations performed;

(iii) Delineates the process by which it differentiates among and approves programs of varying levels.

(2) *Its organization.* The State agency:

(i) Employs qualified personnel and uses sound procedures to carry out its operations in a timely and effective manner;

(ii) Receives adequate and timely financial support, as shown by its appropriations, to carry out its operations;

(iii) Selects competent and knowledgeable persons, qualified by experience and training, and selects such persons in accordance with nondiscriminatory practices, (A) to participate on visiting teams, (B) to engage in consultative services for the evaluation and approval process, and (C) to serve on decision-making bodies.

(3) *Its procedures.* The State agency:

(i) Maintains clear definitions of approval status and has developed written procedures for granting, reaffirming, revoking, denying, and reinstating approval status;

(ii) Requires, as an integral part of the approval and reapproval process, institutional or program self-analysis and onsite reviews by visiting teams,

and provides written and consultative guidance to institutions or programs and visiting teams.

(A) Self-analysis shall be a qualitative assessment of the strengths and limitations of the instructional program, including the achievement of institutional or program objectives, and should involve a representative portion of the institution's administrative staff, teaching faculty, students, governing body, and other appropriate constituencies.

(B) The visiting team, which includes qualified examiners other than agency staff, reviews instructional content, methods and resources, administrative management, student services, and facilities. It prepares written reports and recommendations for use by the State agency.

(iii) Reevaluates at reasonable and regularly scheduled intervals institutions or programs which it has approved.

(b) *Responsibility and reliability.* The responsibility and reliability of the State agency will be demonstrated by:

(1) Its responsiveness to the public interest. The State agency:

(i) Has an advisory body which provides for representation from public employment services and employers, employees, postsecondary vocational educators, students, and the general public, including minority groups. Among its functions, this structure provides counsel to the State agency relating to the development of standards, operating procedures and policy, and interprets the educational needs and manpower projections of the State's public postsecondary vocational education system;

(ii) Demonstrates that the advisory body makes a real and meaningful contribution to the approval process;

(iii) Provides advance public notice of proposed or revised standards or regulations through its regular channels of communications, supplemented, if necessary, with direct communication to inform interested members of the affected community. In addition, it provides such persons the opportunity to comment on the standards or regulations prior to their adoption;

(iv) Secures sufficient qualitative information regarding the applicant in-

stitution or program to enable the institution or program to demonstrate that it has an ongoing program of evaluation of outputs consistent with its educational goals;

(v) Encourages experimental and innovative programs to the extent that these are conceived and implemented in a manner which ensures the quality and integrity of the institution or program;

(vi) Demonstrates that it approves only those institutions or programs which meet its published standards; that its standards, policies, and procedures are fairly applied; and that its evaluations are conducted and decisions are rendered under conditions that assure an impartial and objective judgment;

(vii) Regularly reviews its standards, policies and procedures in order that the evaluative process shall support constructive analysis, emphasize factors of critical importance, and reflect the educational and training needs of the student;

(viii) Performs no function that would be inconsistent with the formation of an independent judgment of the quality of an educational institution or program;

(ix) Has written procedures for the review of complaints pertaining to institutional or program quality as these relate to the agency's standards, and demonstrates that such procedures are adequate to provide timely treatment of such complaints in a manner fair and equitable to the complainant and to the institution or program;

(x) Annually makes available to the public (A) its policies for approval, (B) reports of its operations, and (C) list of institutions or programs which it has approved;

(xi) Requires each approved school or program to report on changes instituted to determine continued compliance with standards or regulations;

(xii) Confers regularly with counterpart agencies that have similar responsibilities in other and neighboring States about methods and techniques that may be used to meet those responsibilities.

(2) Its assurances that due process is accorded to institutions or programs seeking approval. The State agency:

(i) Provides for adequate discussion during the on-site visit between the visiting team and the faculty, administrative staff, students, and other appropriate persons;

(ii) Furnishes as a result of the evaluation visit, a written report to the institution or program commenting on areas of strength, areas needing improvement, and, when appropriate, suggesting means of improvement and including specific areas, if any, where the institution or program may not be in compliance with the agency's standards;

(iii) Provides the chief executive officer of the institution or program with opportunity to comment upon the written report and to file supplemental materials pertinent to the facts and conclusions in the written report of the visiting team before the agency takes action on the report;

(iv) Provides the chief executive officer of the institution with a specific statement of reasons for any adverse action, and notice of the right to appeal such action before an appeal body designated for that purpose;

(v) Publishes rules of procedure regarding appeals;

(vi) Continues the approval status of the institution or program pending disposition of an appeal;

(vii) Furnishes the chief executive officer of the institution or program with a written decision of the appeal body, including a statement of its reasons therefor.

(c) *Capacity to foster ethical practices.* The State agency must demonstrate its capability and willingness to foster ethical practices by showing that it:

(i) Promotes a well-defined set of ethical standards governing institutional or programmatic practices, including recruitment, advertising, transcripts, fair and equitable student tuition refunds, and student placement services;

(ii) Maintains appropriate review in relation to the ethical practices of each approved institution or program.

Subpart A—General

§ 606.1 What is the Developing Hispanic-Serving Institutions Program?

The purpose of the Developing Hispanic-Serving Institutions Program is to provide grants to eligible institutions of higher education to—

(a) Expand educational opportunities for, and improve the academic attainment of, Hispanic students; and

(b) Expand and enhance the academic offerings, program quality, and institutional stability of colleges and universities that are educating the majority of Hispanic college students and helping large numbers of Hispanic students and other low-income individuals complete postsecondary degrees.

(Authority: 20 U.S.C. 1101)

§ 606.2

§ 606.2 What institutions are eligible to receive a grant under the Developing Hispanic-Serving Institutions Program?

(a) An institution of higher education is eligible to receive a grant under this part if—

(1) At the time of application, it has an enrollment of undergraduate full-time equivalent students that is at least 25 percent Hispanic students;

(2) It provides assurances that not less than 50 percent of its Hispanic students are low-income individuals;

(3) It has an enrollment of needy students as described in § 606.3(a), unless the Secretary waives this requirement under § 606.3(b);

(4) It has low average educational and general expenditures per full-time equivalent undergraduate student as described in § 606.4(a), unless the Secretary waives this requirement under § 606.4(c);

(5) It is legally authorized by the State in which it is located to be a junior college or to provide an educational program for which it awards a bachelor's degree; and

(6) It is accredited or preaccredited by a nationally recognized accrediting agency or association that the Secretary has determined to be a reliable authority as to the quality of education or training offered.

(b) A branch campus of a Hispanic-Serving institution is eligible to receive a grant under this part if—

(1) The institution as a whole meets the requirements of paragraphs (a)(3) through (a)(6) of this section; and

(2) The branch campus satisfies the requirements of paragraphs (a)(1) through (a)(4) of this section.

(c)(1) An institution that receives a grant under the Strengthening Institutions Program (34 CFR part 607) or the Strengthening Historically Black Colleges and Universities Program (34 CFR part 608) for a particular fiscal year is not eligible to receive a grant under this part for that same fiscal year, and may not relinquish its grant under those programs to secure a grant under this part.

(2) A Hispanic-Serving institution under this part may not concurrently receive grant funds under the Strengthening Institutions Program,

34 CFR Ch. VI (7–1–07 Edition)

Strengthening Historically Black Colleges and Universities Program, or Strengthening Historically Black Graduate Institutions Program.

[64 FR 70147, Dec. 15, 1999, as amended at 66 FR 1263, Jan. 8, 2001]

§ 606.3 What is an enrollment of needy students?

(a) Except as provided in paragraph (b) of this section, for the purpose of § 606.2(a)(3), an applicant institution has an enrollment of needy students if in the base year—

(1) At least 50 percent of its degree students received student financial assistance under one or more of the following programs: Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, Federal Work-Study, and Federal Perkins Loan; or

(2) The percentage of its undergraduate degree students who were enrolled on at least a half-time basis and received Federal Pell Grants exceeded the median percentage of undergraduate degree students who were enrolled on at least a half-time basis and received Federal Pell Grants at comparable institutions that offer similar instruction.

(b) The Secretary may waive the requirement contained in paragraph (a) of this section if the institution demonstrates that—

(1) The State provides more than 30 percent of the institution's budget and the institution charges not more than \$99.00 for tuition and fees for an academic year;

(2) At least 30 percent of the students served by the institution in the base year were students from low-income families;

(3) The institution substantially increases the higher education opportunities for low-income students who are also educationally disadvantaged, underrepresented in postsecondary education, or minority students;

(4) The institution substantially increases the higher education opportunities for individuals who reside in an area that is not included in a "metropolitan statistical area" as defined by the Office of Management and Budget and who are unserved by other postsecondary institutions; or

(5) The institution will, if granted the waiver, substantially increase the higher education opportunities for Hispanic Americans.

(c) For the purpose of paragraph (b) of this section, the Secretary considers “low-income” to be an amount which does not exceed 150 percent of the amount equal to the poverty level as established by the United States Bureau of the Census.

(d) Each year, the Secretary notifies prospective applicants of the low-income figures through a notice published in the FEDERAL REGISTER.

(Authority: 20 U.S.C. 1101a and 1103a)

§ 606.4 What are low educational and general expenditures?

(a)(1) Except as provided in paragraph (b) of this section, for the purpose of § 606.2(a)(2), an applicant institution’s average educational and general expenditures per full-time equivalent undergraduate student in the base year must be less than the average educational and general expenditures per full-time equivalent undergraduate student in that year of comparable institutions that offer similar instruction.

(2) For the purpose of paragraph (a)(1) of this section, the Secretary determines the average educational and general expenditure per full-time equivalent undergraduate student for institutions with graduate students that do not differentiate between graduate and undergraduate educational and general expenditures by discounting the graduate enrollment using a factor of 2.5 times the number of graduate students.

(b) Each year, the Secretary notifies prospective applicants through a notice in the FEDERAL REGISTER of the average educational and general expenditures per full-time equivalent undergraduate student at comparable institutions that offer similar instruction.

(c) The Secretary may waive the requirement contained in paragraph (a) of this section, if the Secretary determines, based upon persuasive evidence provided by the institution, that—

(1) The institution’s failure to satisfy the criteria in paragraph (a) of this section was due to factors which, if used in determining compliance with those

criteria, distorted that determination; and

(2) The institution’s designation as an eligible institution under this part is otherwise consistent with the purposes of this part.

(d) For the purpose of paragraph (c)(1) of this section, the Secretary considers that the following factors may distort an institution’s educational and general expenditures per full-time equivalent undergraduate student—

(1) Low student enrollment;

(2) Location of the institution in an unusually high cost-of-living area;

(3) High energy costs;

(4) An increase in State funding that was part of a desegregation plan for higher education; or

(5) Operation of high cost professional schools such as medical or dental schools.

(Authority: 20 U.S.C. 1101a and 1103a)

§ 606.5 How does an institution apply to be designated an eligible institution?

(a) An institution applies to the Secretary to be designated an eligible institution under this part by first submitting an application to the Secretary in the form, manner, and time established by the Secretary. The application must contain—

(1) The information necessary for the Secretary to determine whether the institution satisfies the requirements of §§ 606.2, 606.3(a), and 606.4(a);

(2) Any waiver request under §§ 606.3(b) and 606.4(c); and

(3) Information or explanations justifying any requested waiver.

(b) An institution that wishes to receive a grant under this part must submit, as part of its application for that grant, an assurance that when it submits its application—

(1) Its enrollment of undergraduate full-time equivalent students is at least 25 percent Hispanic students; and

(2) Not less than 50 percent of its Hispanic students are low-income individuals.

(Authority: 20 U.S.C. 1101a and 1103)

§ 606.6 What regulations apply?

(2) At least 30 percent of the students served by the institution in the base year were students from low-income families;

(3) The institution substantially increases the higher education opportunities for low-income students who are also educationally disadvantaged, underrepresented in postsecondary education, or minority students;

(5) The institution is located on or within 50 miles of an Indian reservation, or a substantial population of Indians and the institution will, if granted the waiver, substantially increase higher education opportunities for American Indians;

§ 607.6

(d) Each year, the Secretary notifies prospective applicants through a notice in the FEDERAL REGISTER of the low-income figures.

[52 FR 30529, Aug. 14, 1987, as amended at 60 FR 15447, Mar. 23, 1995; 64 FR 70153, Dec. 15, 1999]

(a)(1) Except as provided in paragraph (b) of this section, for the purpose of § 6072(a)(2), an applicant institution's average educational and general expenditures per full-time equivalent undergraduate student in the base year must be less than the average educational and general expenditures per full-time equivalent undergraduate student of comparable institutions that offer similar institution in that year.

(2) For the purpose of paragraph (a)(1) of this section, the Secretary determines the average educational and general expenditure per FTE undergraduate student for institutions with graduate students that do not differentiate between graduate and undergraduate E&G expenditures by discounting the graduate enrollment using a factor of 2.5 times the number of graduate students.

(b) Each year, the Secretary notifies prospective applicants through a notice in the FEDERAL REGISTER of the average educational and general expenditures per full-time equivalent undergraduate student at comparable institutions that offer similar instruction.

(c) The Secretary may waive the requirement contained in paragraph (a) of this section, if the Secretary determines, based upon persuasive evidence provided by the institution, that—

(1) The institution's failure to satisfy the criteria in paragraph (a) of this section was due to factors which, if used in determining compliance with those criteria, distorted that determination; and

(2) The institution's designation as an eligible institution under this part is otherwise consistent with the purposes of this part.

(d) For the purpose of paragraph (c)(1) of this section, the Secretary considers that the following factors

may distort an institution's educational and general expenditures per full-time equivalent undergraduate student—

- (1) Low student enrollment;
- (2) Location of the institution in an unusually high cost-of-living area;
- (3) High energy costs;
- (4) An increase in State funding that was part of a desegregation plan for higher education; or
- (5) Operation of high cost professional schools such as medical or dental schools.

(1) Each participating institution's comprehensive development plan;

(2) The information required under § 607.11; and

(3) An explanation from each eligible participating institution of why participation in a cooperative arrangement grant rather than performance under an individual grant will better enable it to meet the goals and objectives of its comprehensive development plan at a lower cost.

(d) The Secretary considers funding an application for a development grant that—

§ 607.21 What are the selection criteria for planning grants?

The Secretary evaluates an application for a planning grant on the basis of the criteria in this section.

(a) *Design of the planning process.* The Secretary reviews each application to determine the quality of the planning process that the applicant will use to develop a comprehensive development plan and an application for a development grant based on the extent to which—

(1) The planning process is clearly and comprehensively described and based on sound planning practice;

(2) The president or chief executive officer, administrators and other institutional personnel, students, and governing board members systematically and consistently will be involved in the planning process;

(3) The applicant will use its own resources to help implement the project; and

(4) The planning process is likely to achieve its intended results.

(b) *Key personnel.* The Secretary reviews each application to determine the quality of key personnel to be involved in the project based on the extent to which—

(1) The past experience and training of key personnel such as the project coordinator and persons who have key roles in the planning process are suitable to the tasks to be performed; and

(2) The time commitments of key personnel are adequate.

(c) *Project Management.* The Secretary reviews each application to determine the quality of the plan to manage the project effectively based on the extent to which—

(1) The procedures for managing the project are likely to ensure effective and efficient project implementation; and

(2) The project coordinator has sufficient authority, including access to the president or chief executive officer, to conduct the project effectively.

(d) *Budget.* The Secretary reviews each application to determine the extent to which the proposed project costs are necessary and reasonable.

(2) If the amount appropriated for a fiscal year for the HBCU Program is insufficient to provide \$500,000 to each eligible institution with an approved application, each grant is ratably reduced. If additional funds become available for the HBCU Program during a fiscal year, each grant is increased on the same basis as it was decreased until the grant amount reaches \$500,000.

(d) The amount of any grant that the Secretary determines will not be required by a grantee for the period for which the grant was made is available for reallocation by the Secretary during that period to other eligible institutions under the formula contained in paragraph (a) of this section.

(a) *General: The service obligation.* An individual, whom a grantee finds eligible to receive a scholarship funded under this part to attend a teacher preparation program, may receive the scholarship only after executing a binding agreement with the institution of higher education (IHE) offering the scholarship that, after completing the program, the individual will either—

(1) Teach in a high-need school of a high-need LEA for a period of time equivalent to the period for which the individual receives the scholarship; or

(2) Repay, as set forth in § 611.43, the Teacher Quality Enhancement Grant Program funds provided as a scholarship.

(b) *Calculation of period needed to teach to meet the service obligation.* (1) The period of the scholarship recipient's service obligation is the period of the individual's receipt of scholarship assistance as provided in paragraph (a) of this section.

(2) The Secretary calculates the period that a scholarship recipient must teach in a high-need school of a high-need LEA in order to fulfill his or her service obligation by—

(i) Comparing the period in which the recipient received a scholarship as provided in paragraph (a) of this section with the information provided by the high-need LEA under §§ 611.46 and 611.47 on the period the recipient has taught in one of its high-need schools; and

(ii) Adjusting the period in which the recipient has taught in a high-need school to reflect the individual's employment, if any, as a teacher on a part-time basis relative to classroom teachers the LEA employs on a full-time basis under the LEA's standard yearly contract (excluding any summer or intersession period).

(c) The Secretary adjusts the period of a scholarship recipient's service obligation as provided in paragraph (b) of this section to reflect information the high-need LEA provides under §§ 611.46 and 611.47 that the scholarship recipient also has taught in a high-need

§611.43

(i) Completes the teacher training program without beginning to teach in a high-need school of a high-need LEA; or

(ii) Is no longer enrolled in the teacher training program.

(3) The Secretary determines whether a scholarship recipient has fulfilled the service obligation on the basis of information that the Department receives as provided in §§611.46 and 611.47.

(ii) Interest that accrues on this portion of the scholarship beginning six months after the recipient's graduation from the teacher preparation program; and

(iii) Costs of collection, if any.

(2) Unless the service obligation is deferred or the repayment requirement is discharged, the obligation to repay the amount provided in paragraph (b)(1) of this section begins six months after the date the recipient is no longer

employed as a teacher in a high-need school of a high-need LEA.

(c) *Availability of payment schedule.* (1) Upon request to the Secretary, the scholarship recipient may repay the scholarship and accrued interest according to a payment schedule that the Secretary establishes.

(2) A payment schedule must permit the full amount of the scholarship and accrued interest to be repaid within ten years. The minimum monthly payment is \$50 unless a larger monthly payment is needed to enable the full amount that is due to be paid within this timeframe.

(d) *Interest.* In accordance with 31 U.S.C. 3717 and 34 CFR part 30, the Secretary charges interest on the unpaid balance that the scholarship recipient owes. However, except as provided in §611.44(d), the Secretary does not charge interest for the period of time that precedes the date on which the scholarship recipient is required to begin repayment.

(e) *Failure to meet requirements.* A scholarship recipient's failure to satisfy the requirements of §§611.42–611.48 in a timely manner results in the recipient being—

(1) In non-compliance with the terms of the scholarship;

(2) Liable for repayment of the scholarship and accrued interest; and

(3) Subject to collection action.

(f) *Action by reason of default.* The Secretary may take any action authorized by law to collect the amount of scholarship, accrued interest and collection costs, if any, on which a scholarship recipient obligated to repay under this section has defaulted. This action includes, but is not limited to, filing a lawsuit against the recipient, reporting the default to national credit bureaus, and requesting the Internal Revenue Service to offset the recipient's Federal income tax refund.

[49 FR 28521, July 21, 1984, as amended at 52 FR 11258, Apr. 8, 1987]

§ 628.31 What selection criteria does the Secretary use in evaluating an application for an endowment challenge grant?

In evaluating an application for an endowment challenge grant, the Secretary uses the following three criteria:

- (a) The Secretary measures the applicant's past efforts to build or maintain its existing endowment and quasi-endowment funds by the dollar and relative increase in market value to the applicant's existing endowment and quasi-endowment funds over the applicant's four fiscal years preceding the year of application using the formulas

set forth in paragraphs (a)(1) through (a)(5) of this section.

(1) In measuring an applicant's dollar increase in its endowment and quasi-endowment funds, the Secretary—

(i) Subtracts from an amount equal to the market value of the applicant's endowment and quasi-endowment funds at the end of the four-year period described in paragraph (a) of this section an amount equal to the market value of the applicant's endowment and quasi-endowment funds at the beginning of that four-year period; and

(ii) Divides the result obtained in paragraph (a)(1)(i) of this section by the applicant's full-time equivalent enrollment at the end of the four-year period.

(2) The Secretary awards points on a sliding scale giving 10 points to applicants with the highest dollar increase as calculated in paragraph (a)(1) of this section and no points to applicants with the lowest dollar increase.

(3) In measuring an applicant's relative increase in market value of its endowment and quasi-endowment funds, the Secretary—

(i) Divides an amount equal to the market value of the applicant's endowment and quasi-endowment funds at the beginning of the four-year period described in paragraph (a) of this section by the applicant's full-time equivalent enrollment at the end of the four-year period.

(ii) Adds \$50 to the amount obtained in paragraph (a)(3)(i) of this section.

(iii) Divides the result obtained in paragraph (a)(1)(ii) of this section by the amount obtained in paragraph (a)(3)(ii) of this section.

(4)(i) If the amount of endowment per full-time equivalent student under paragraph (a)(3)(i) of this section is \$50 or more, the Secretary awards points on a sliding scale giving 15 points to applicants with a relative increase of 100 percent or more and no points to

applicants that have had a relative decrease of more than 20 percent.

(ii) If the amount of endowment per full-time equivalent student under paragraph (a)(3)(i) of this section is less than \$50, the Secretary awards points on a sliding scale giving 15 points to applicants with a relative increase of 100 percent or more and no points to applicants that have had no relative increase.

(5) In measuring the applicant's past effort, the Secretary—

(i) Excludes real estate from being considered as part of the applicant's existing endowment or quasi-endowment fund; and

(ii) Includes an endowment or quasi-endowment fund operated by a foundation if the foundation is tax-exempt and was established for the purpose of raising money for the institution.

(b) The Secretary considers the degree of proposed nongovernmental matching funds. (Total: 15 points maximum for the highest proposed percentage)

(1) The Secretary measures the degree to which an applicant proposes to match the grant with funds from sources other than a State or local government—giving up to 15 points to applicants proposing to obtain the largest percentage of matching funds from those nongovernmental sources.

(2) If an applicant is applying for an endowment challenge grant for the first time, the Secretary multiplies the maximum number of points (i.e., 15 points) on this criterion times the following fraction:

Amount of matching funds proposed from nongovernmental sources

Total proposed amount of matching funds

(3) If an applicant has previously received an endowment challenge grant, the Secretary uses the following formula in awarding points under this criterion:

Subpart D—How Does the Secretary Make a Grant?

§ 645.30 How does the Secretary decide which grants to make?

(a) The Secretary evaluates an application for a grant as follows:

(1)(i) The Secretary evaluates the application on the basis of the selection criteria in § 645.31.

(2)(i) If an applicant for a new grant proposes to continue to serve substantially the same target population or schools that the applicant is serving under an expiring project, the Secretary evaluates the applicant's prior experience in delivering services under the expiring Upward Bound project on the basis of the criteria in § 645.32.

(ii) The maximum score for all the criteria in § 645.32 is 15 points. The maximum score for each criterion is indicated in parentheses with the criterion.

(b) The Secretary makes grants in rank order on the basis of the application's total scores under paragraphs (a)(1) and (a)(2) of this section.

(c) If the total scores of two or more applications are the same and there are insufficient funds for these applications after the approval of higher-ranked applications, the Secretary uses whatever remaining funds are available to serve geographic areas that have been underserved by the Upward Bound Program.

(d) The Secretary may decline to make a grant to an applicant that carried out a project that involved the fraudulent use of funds under section 402A(c)(2)(B) of the HEA.

(Authority: 20 U.S.C. 1070a–11, 1070a–13)

§ 645.31 What selection criteria does the Secretary use?

The Secretary uses the following criteria to evaluate an application for a grant:

(a) *Need for the project* (24 points). In determining need for an Upward Bound project, the Secretary reviews each type of project (Regular, Math and Science, or Veterans) using different need criteria. The criteria for each type of project contain the same maximum score of 24 points and read as follows:

(1) The Secretary evaluates the need for a Regular Upward Bound project in the proposed target area on the basis of information contained in the application which clearly demonstrates that—

(i) The income level of families in the target area is low;

(ii) The education attainment level of adults in the target area is low;

(iii) Target high school dropout rates are high;

(iv) College-going rates in target high schools are low;

(v) Student/counselor ratios in the target high schools are high; and

(vi) Unaddressed academic, social and economic conditions in the target area pose serious problems for low-income, potentially first-generation college students.

(2) The Secretary evaluates the need for an Upward Bound Math and Science Center in the proposed target area on the basis of—

(i) The extent to which student performance on standardized achievement and assessment tests in mathematics and science in the target area is lower than State or national norms.

(ii) The extent to which potential participants attend schools in the target area that lack the resources and coursework that would help prepare persons for entry into postsecondary programs in mathematics, science, or engineering;

(iii) The extent to which such indicators as attendance data, dropout rates, college-going rates and student/counselor ratios in the target area indicate the importance of having additional educational opportunities available to low-income, first-generation students; and

(iv) The extent to which there are eligible students in the target area who have demonstrated interest and capacity to pursue academic programs and careers in mathematics and science, and who could benefit from an Upward Bound Math and Science program.

(3) The Secretary evaluates the need for a Veterans Upward Bound project in the proposed target area on the basis of clear evidence that shows—

(i) The proposed target area lacks the services for eligible veterans that the applicant proposes to provide;

(ii) A large number of veterans who reside in the target area are low income and potential first generation college students;

(iii) A large number of veterans who reside in the target area who have not completed high school or, have completed high school but have not enrolled in a program of postsecondary education; and

(iv) Other indicators of need for a Veterans Upward Bound project, including the presence of unaddressed academic or socio-economic problems of veterans in the area.

(b) *Objectives* (9 points). The Secretary evaluates the quality of the applicant's proposed project objectives on the basis of the extent to which they—

(1) Include both process and outcome objectives relating to the purpose of

the applicable Upward Bound programs for which they are applying;

(2) Address the needs of the target area or target population; and

(3) Are measurable, ambitious, and attainable over the life of the project.

(c) *Plan of operation* (30 points). The Secretary determines the quality of the applicant's plan of operation by assessing the quality of—

(1) The plan to inform the faculty and staff at the applicant institution or agency and the interested individuals and organizations throughout the target area of the goals and objectives of the project;

(2) The plan for identifying, recruiting, and selecting participants to be served by the project;

(3) The plan for assessing individual participant needs and for monitoring the academic progress of participants while they are in Upward Bound;

(4) The plan for locating the project within the applicant's organizational structure;

(5) The curriculum, services and activities that are planned for participants in both the academic year and summer components;

(6) The planned timelines for accomplishing critical elements of the project;

(7) The plan to ensure effective and efficient administration of the project, including, but not limited to, financial management, student records management, and personnel management;

(8) The applicant's plan to use its resources and personnel to achieve project objectives and to coordinate the Upward Bound project with other projects for disadvantaged students;

(9) The plan to work cooperatively with parents and key administrative, teaching, and counseling personnel at the target schools to achieve project objectives; and

(10) A follow-up plan for tracking graduates of Upward Bound as they enter and continue in postsecondary education.

(d) *Applicant and community support* (16 points). The Secretary evaluates the applicant and community support for the proposed project on the basis of the extent to which—

(1) The applicant is committed to supplementing the project with re-

sources that enhance the project such as: space, furniture and equipment, supplies, and the time and effort of personnel other than those employed in the project.

(2) The applicant has secured written commitments of support from schools, community organizations, and businesses, including the commitment of resources that will enhance the project as described in paragraph (d)(1) of this section.

(e) *Quality of personnel* (8 points). To determine the quality of personnel the applicant plans to use, the Secretary looks for information that shows—

(1) The qualifications required of the project director, including formal training or work experience in fields related to the objectives of the project and experience in designing, managing, or implementing similar projects;

(2) The qualifications required of each of the other personnel to be used in the project, including formal training or work experience in fields related to the objectives of the project;

(3) The quality of the applicant's plan for employing personnel who have succeeded in overcoming barriers similar to those confronting the project's target population.

(f) *Budget and cost effectiveness* (5 points). The Secretary reviews each application to determine the extent to which—

(1) The budget for the project is adequate to support planned project services and activities; and

(2) Costs are reasonable in relation to the objectives and scope of the project.

(g) *Evaluation plan* (8 points). The Secretary evaluates the quality of the evaluation plan for the project on the basis of the extent to which the applicant's methods of evaluation—

(1) Are appropriate to the project and include both quantitative and qualitative evaluation measures; and

(2) Examine in specific and measurable ways the success of the project in making progress toward achieving its process and outcomes objectives.

§ 645.32

§ 645.32 How does the Secretary evaluate prior experience?

(a) In the case of an application described in § 645.30(a)(2), the Secretary reviews information relating to an applicant's performance under its expiring Upward Bound grant. This information includes information derived from annual performance reports, audit reports, site visit reports, project evaluation reports, and any other verifiable information submitted by the applicant.

(b) The Secretary evaluates the applicant's prior experience in delivering services on the basis of the following criteria:

(1) (3 points) Whether the applicant serves the number of participants agreed to under the approved application;

(2) (3 points) The extent to which project participants have demonstrated improvement in academic skills and competencies as measured by standardized achievement tests and grade point averages;

(3) (3 points) The extent to which project participants continue to participate in the Upward Bound Program until they complete their secondary education program;

(4) The extent to which participants who complete the project, or were scheduled to complete the project, undertake programs of postsecondary education; and

(5) (3 points) The extent to which participants who complete the project, or were scheduled to complete the project, succeed in education beyond high school, including the extent to which they graduate from postsecondary education programs.

(2) 34 CFR 75.253, for the second and subsequent years of a project period.

(b) If the circumstances described in section 402A(b)(3) of the HEA exist, the

Secretary uses the available funds to set the amount of the grant at the lesser of—

(1) \$190,000; or

(2) The amount requested by the applicant.

(Authority: 20 U.S.C. 1070a-11)

(2)(i) If an application for a new grant proposes to continue to serve substantially the same population or campus that the applicant is serving under an expiring grant, the Secretary evaluates the applicant's prior experience in delivering services under the expiring grant on the basis of the criteria in § 646.22.

(ii) The maximum score for all the criteria in § 646.22 is 15 points. The maximum score for each criterion is indicated in parentheses with the criterion.

(b) The Secretary makes new grants in rank order on the basis of the applications' total scores under paragraphs (a)(1) and (a)(2) of this section.

(c) If the total scores of two or more applications are the same and there is insufficient money available to fully fund them both after funding the higher-ranked applications, the Secretary chooses among the tied applications so as to serve geographic areas that have been underserved by the Student Support Services Program.

(d) The Secretary does not make grants to applicants that carried out a Federal TRIO program project that involved the fraudulent use of funds.

(Authority: 20 U.S.C. 1070a-11 and 1070a-14)

§ 646.21 What selection criteria does the Secretary use to evaluate an application?

The Secretary uses the following criteria to evaluate an application for a new grant:

(a) *Need for the project* (24 points). The Secretary evaluates the need for a Student Support Services project proposed at the applicant institution on the basis of the extent to which the application contains clear evidence of—

(1) (8 points) A high number or percentage, or both, of students enrolled or accepted for enrollment at the applicant institution who meet the eligibility requirements of § 646.3;

(4) (2 points) Assured the full cooperation and support of the Admissions, Student Aid, Registrar and data collection and analysis components of the institution.

(e) *Quality of personnel* (9 points). To determine the quality of personnel the

applicant plans to use, the Secretary looks for information that shows—

(1) (3 points) The qualifications required of the project director, including formal education and training in fields related to the objectives of the project, and experience in designing, managing, or implementing Student Support Services or similar projects;

(2) (3 points) The qualifications required of other personnel to be used in the project, including formal education, training, and work experience in fields related to the objectives of the project; and

(3) (3 points) The quality of the applicant's plan for employing personnel who have succeeded in overcoming barriers similar to those confronting the project's target population.

(f) *Budget* (5 points). The Secretary evaluates the extent to which the project budget is reasonable, cost-effective, and adequate to support the project.

(g) *Evaluation plan* (8 points). The Secretary evaluates the quality of the evaluation plan for the project on the basis of the extent to which—

(1) The applicant's methods for evaluation—

(i) (2 points) Are appropriate to the project and include both quantitative and qualitative evaluation measures; and

§ 646.22 How does the Secretary evaluate prior experience?

(a) In the case of an application described in § 646.20(a)(2)(i), the Secretary reviews information relating to an applicant's performance under its expiring Student Support Services project. This information may come from performance reports, site visit reports, project evaluation reports, and any

other verifiable information submitted by the applicant.

(b) The Secretary evaluates the applicant's prior experience in achieving the goals of the Student Support Services Program on the basis of the following criteria:

(1) (4 points) The extent to which project participants persisted toward completion of the academic programs in which they were enrolled.

(2) (4 points) The extent to which project participants met academic performance levels required to stay in good academic standing at the grantee institution.

(3) (4 points) (i) For four-year institutions, the extent to which project participants graduated; and

(ii) For two-year institutions, the extent to which project participants either graduated or transferred to four-year institutions.

(2) The amount requested by the applicant.

(Authority: 20 U.S.C. 1070a-11)

Subpart D—What Conditions Must Be Met by a Grantee?

(e) Transportation of participants and staff to and from approved educational and cultural activities sponsored by the project.

(f) Purchase of computer hardware, computer software, or other equipment to be used for student development, student records and project administration if the applicant demonstrates to the Secretary's satisfaction that the equipment is required to meet the objectives of the project more economically or efficiently.

(g) Professional development travel for staff if directly related to the project's overall purpose and activities, except that these costs may not exceed four percent of total project salaries. The Secretary may adjust this percentage if the applicant demonstrates to the Secretary's satisfaction that a higher percentage is necessary and reasonable.

(h) Project evaluation that is directly related to assessing the project's impact on student achievement and improving the delivery of services.

(Authority: 20 U.S.C. 1070a-14)

§ 646.31 What are unallowable costs?

§ 646.32 What other requirements must a grantee meet?

(a) *Eligibility of participants.* (1) A grantee shall determine the eligibility of each participant in the project when the individual is selected to participate. The grantee does not have to revalidate a participant's eligibility after the participant's initial selection.

(2) A grantee shall determine the low-income status of an individual on the basis of the documentation described in section 402A(e) of the Higher Education Act.

(3) A grantee may not serve any individual who is receiving the same services from another Federal TRIO program.

(b) *Recordkeeping.* A grantee shall maintain participant records that show—

(1) The basis for the grantee's determination that each participant is eligible to participate in the project under § 646.3;

(2) The grantee's basis for determining the academic need for each participant;

(3) The services that are provided to each participant; and

(4) The performance and progress of each participant by cohort for the duration of the participant's attendance at the grantee institution.

(2) The grantee shall give the project director sufficient authority to administer the project effectively.

(3) The Secretary waives the requirement in paragraph (c)(1) of this section if the applicant demonstrates that the requirement will hinder coordination—

(i) Among the Federal TRIO programs; or

(ii) Between the programs funded under sections 404A through 410 of the Higher Education Act and similar programs funded through other sources.

(d) *Project coordination.* (1) The Secretary encourages grantees to coordinate project services with other programs for disadvantaged students operated by the grantee institution provided the Student Support Services grant funds are not used to support activities reasonably available to the general student population.

(2) To the extent practical, the grantee may share staff with programs serving similar populations provided the grantee maintains appropriate records of staff time and effort and does not commingle grant funds.

(3) Costs for special classes and events that would benefit Student Support Services students and participants in other programs for disadvantaged students must be proportionately divided among the benefiting projects.

(a) The Secretary evaluates an application for a new grant as follows:

(1)(i) The Secretary evaluates an application on the basis of the selection criteria in § 647.21.

§ 647.21 What selection criteria does the Secretary use?

The Secretary uses the following criteria to evaluate an application for a new grant:

(a) *Need* (16 Points). The Secretary reviews each application to determine

the extent to which the applicant can clearly and definitively demonstrate the need for a McNair project to serve the target population. In particular, the Secretary looks for information that clearly defines the target population; describes the academic, financial and other problems that prevent potentially eligible project participants in the target population from completing baccalaureate programs and continuing to postbaccalaureate programs; and demonstrates that the project's target population is underrepresented in graduate education, doctorate degrees conferred and careers where a doctorate is a prerequisite.

(b) *Objectives* (9 points). The Secretary evaluates the quality of the applicant's proposed project objectives on the basis of the extent to which they—

(1) Include both process and outcome objectives relating to the purpose of the McNair program stated in § 647.1;

(2) Address the needs of the target population; and

(3) Are measurable, ambitious, and attainable over the life of the project.

(c) *Plan of Operation* (44 points). The Secretary reviews each application to determine the quality of the applicant's plans of operation, including—

(1) (4 points) The plan for identifying, recruiting and selecting participants to be served by the project, including students enrolled in the Student Support Services program;

(2) (4 points) The plan for assessing individual participant needs and for monitoring the academic growth of participants during the period in which the student is a McNair participant;

(3) (5 points) The plan for providing high quality research and scholarly activities in which participants will be involved;

(4) (5 points) The plan for involving faculty members in the design of research activities in which students will be involved;

(5) (5 points) The plan for providing internships, seminars, and other educational activities designed to prepare undergraduate students for doctoral study;

(6) (5 points) The plan for providing individual or group services designed to enhance a student's successful entry into postbaccalaureate education;

(8) (8 points) The plan to ensure proper and efficient administration of the project, including, but not limited to matters such as financial management, student records management, personnel management, the organizational structure, and the plan for coordinating the McNair project with other programs for disadvantaged students; and

(9) (5 points) The follow-up plan that will be used to track the academic and career accomplishments of participants after they are no longer participating in the McNair project.

(d) *Quality of key personnel* (9 points). The Secretary evaluates the quality of key personnel the applicant plans to use on the project on the basis of the following:

(1)(i) The job qualifications of the project director.

(ii) The job qualifications of each of the project's other key personnel.

(iii) The quality of the project's plan for employing highly qualified persons, including the procedures to be used to employ members of groups underrepresented in higher education, including Blacks, Hispanics, American Indians, Alaska Natives, Asian Americans and Pacific Islanders (including Native Hawaiians).

(2) In evaluating the qualifications of a person, the Secretary considers his or her experience and training in fields related to the objectives of the project.

(e) *Adequacy of the resources and budget* (15 points). The Secretary evaluates the extent to which—

(1) The applicant's proposed allocation of resources in the budget is clearly related to the objectives of the project;

(3) The applicant's proposed commitment of institutional resources to the McNair participants, as for example, the commitment of time from institutional research faculty and the waiver of tuition and fees for McNair participants engaged in summer research projects.

(f) *Evaluation plan* (7 points). The Secretary evaluates the quality of the evaluation plan for the project on the basis of the extent to which the applicant's methods of evaluation—

(1) Are appropriate to the project's objectives;

(2) Provide for the applicant to determine, in specific and measurable ways, the success of the project in—

(i) Making progress toward achieving its objectives (a formative evaluation); and

(ii) Achieving its objectives at the end of the project period (a summative evaluation); and

(3) Provide for a description of other project outcomes, including the use of quantifiable measures, if appropriate.

(Authority: 20 U.S.C. 1070a–15)

§ 647.22 How does the Secretary evaluate prior experience?

(a) The Secretary reviews information relating to an applicant's performance as a grantee under its expiring McNair project. In addition to the application under review, this information may be derived from performance reports, audit reports, site visit reports, and project evaluation reports received by the Secretary during the project period about to be completed.

(b) The Secretary evaluates the applicant's performance as a grantee on the basis of the following criteria:

(1) (3 points) Whether the applicant consistently served the number and types of participants the project was funded to serve.

(2) (4 points) Whether the applicant was successful in providing the participants with research and scholarly activities and whether those activities had an impact on project participants.

(3) (8 points) The extent to which the applicant met or exceeded its funded objectives with regard to project participants as demonstrated by the number of participants who—

(i) Attained a baccalaureate degree;

(ii) Enrolled in a postbaccalaureate program; and

(iii) Attained a doctoral level degree.

(Authority: 20 U.S.C. 1070a–11 and 1070a–15)

(1) 34 CFR 75.232 and 75.233 for new grants; and

(2) 34 CFR 75.253 for the second and subsequent years of a project period.

(b) If the circumstances described in section 402A(b)(3) of the HEA exist, the Secretary uses the available funds to set the amount of the grant beginning in fiscal year 1995 at the lesser of—

(1) \$190,000; or

(2) The amount requested by the applicant.

(Authority: 20 U.S.C. 1070a–11)

(b)(1) Except as provided in paragraph (a) of this section, if an SEA finds that a scholar fails to meet the requirements of § 654.51 within an award year, it shall suspend the scholar's eligibility to receive scholarship funds until the scholar is able to demonstrate to the satisfaction of the SEA that he or she meets these requirements.

(c) A scholar who receives an award for a period for which the SEA subsequently determines the scholar was ineligible under the requirements in § 654.40 or 654.51 shall repay to the SEA the total amount of the scholarship funds received for the period during which he or she was ineligible.

§ 668.4 Payment period.

(a) *Payment periods for an eligible program that measures progress in credit hours and has academic terms.* For a student enrolled in an eligible program that measures progress in credit hours and has academic terms, the payment period is the academic term.

(b) *Payment periods for an eligible program that measures progress in credit hours and does not have academic terms.*

(1) For a student enrolled in an eligible program that is one academic year or less in length—

(i) The first payment period is the period of time in which the student completes half the number of credit hours in the program and half the number of weeks in the program; and

(ii) The second payment period is the period of time in which the student completes the program.

(2) For a student enrolled in an eligible program that is more than one academic year in length—

(i) For the first academic year and any subsequent full academic year—

(A) The first payment period is the period of time in which the student completes half the number of credit hours in the academic year and half the number of weeks in the academic year; and

(B) The second payment period is the period of time in which the student completes the academic year.

(ii) For any remaining portion of an eligible program that is more than one-half an academic year but less than a full academic year in length—

(A) The first payment period is the period of time in which the student completes half the number of credit hours in the remaining portion of the

§ 668.4

34 CFR Ch. VI (7–1–07 Edition)

program and half the number of weeks remaining in the program; and

(B) The second payment period is the period of time in which the student completes the remainder of the program.

(iii) For any remaining portion of an eligible program that is not more than half an academic year, the payment period is the remainder of the program.

(3) For purposes of paragraphs (b)(1) and (b)(2) of this section, if an institution is unable to determine when a student has completed half of the credit hours in a program, academic year, or remainder of a program; the student is considered to begin the second payment period of the program, academic year, or remainder of a program at the later of—

(i) The date, as determined by the institution, on which the student has completed half of the academic coursework in the program, academic year, or remainder of the program; or

(ii) The calendar midpoint between the first and last scheduled days of class of the program, academic year, or remainder of the program.

(c) *Payment periods for an eligible program that measures progress in clock hours.* (1) For a student enrolled in an eligible program that is one academic year or less in length—

(i) The first payment period is the period of time in which the student completes half the number of clock hours in the program; and

(ii) The second payment period is the period of time in which the student completes the program.

(2) For a student enrolled in an eligible program that is more than one academic year in length—

(i) For the first academic year and any subsequent full academic year—

(A) The first payment period is the period of time in which the student completes half the number of clock hours in the academic year; and

(B) The second payment period is the period of time in which the student completes the academic year.

(ii) For any remaining portion of an eligible program that is more than one-half an academic year but less than a full academic year in length—

(A) The first payment period is the period of time in which the student

completes half the number of clock hours in the remaining portion of the program; and

(B) The second payment period is the period of time in which the student completes the remainder of the program.

(iii) For any remaining portion of an eligible program that is not more than one half of an academic year, the payment period is the remainder of the program.

(d) *Number of payment periods.* Notwithstanding paragraphs (b) and (c) of this section, an institution may choose to have more than two payment periods. If an institution so chooses, the regulations in paragraphs (b) and (c) of this section are modified to reflect the increased number of payment periods. For example, if an institution chooses to have three payment periods in an academic year in a program that measures progress in credit hours but does not have academic terms, each payment period must correspond to one-third of the academic year measured in both credit hours and weeks of instruction.

(e) *Re-entry within 180 days.* If a student withdraws from a program described in paragraph (b) or (c) of this section during a payment period and then reenters the same program within 180 days, the student remains in that same payment period when he or she returns and, subject to conditions established by the Secretary or by the FFEL lender or guaranty agency, is eligible to receive any title IV, HEA program funds for which he or she was eligible prior to withdrawal, including funds that were returned by the institution or student under the provisions of § 668.22.

(f) *Re-entry after 180 days or transfer.* (1) Subject to the conditions of paragraph (f)(2) of this section, an institution calculates new payment periods for the remainder of a student's program based on paragraphs (b) through (d) of this section, for a student who withdraws from a program described in paragraph (b) or (c) of this section, and—

(i) Reenters that program after 180 days,

(ii) Transfers into another program at the same institution within any time period, or

(iii) Transfers into a program at another institution within any time period.

(2) For a student described in paragraph (f)(1) of this section—

(i) For the purpose of calculating payment periods only, the length of the program is the number of credit hours and the number of weeks, or the number of clock hours, that the student has remaining in the program he or she enters or reenters; and

(ii) If the remaining hours, and weeks if applicable, constitute one-half of an academic year or less, the remaining hours constitute one payment period.

§ 668.5 Written arrangements to provide educational programs.

(a) *Written arrangements between eligible institutions.* If an eligible institution enters into a written arrangement with another eligible institution, or with a consortium of eligible institutions, under which the other eligible institution or consortium provides all or part of the educational program of students enrolled in the former institution, the Secretary considers that educational program to be an eligible program if it otherwise satisfies the requirements of § 668.8.

(b) *Written arrangements for study-abroad.* Under a study abroad program, if an eligible institution enters into a written arrangement with a foreign institution, or an organization acting on behalf of a foreign institution, under which the foreign institution provides part of the educational program of students enrolled in the eligible institution, the Secretary considers that educational program to be an eligible program if it otherwise satisfies the requirements of paragraphs (c)(1) through (c)(3) of this section.

(c) *Written arrangements between an eligible institution and an ineligible institution or organization.* If an eligible institution enters into a written arrangement with an institution or organization that is not an eligible institution under which the ineligible institution

or organization provides part of the educational program of students enrolled in the eligible institution, the Secretary considers that educational program to be an eligible program if—

(1) The ineligible institution or organization has not had its eligibility to participate in the title IV, HEA programs terminated by the Secretary, or has not voluntarily withdrawn from participation in those programs under a termination, show-cause, suspension, or similar type proceeding initiated by the institution's State licensing agency, accrediting agency, guarantor, or by the Secretary;

(2) The educational program otherwise satisfies the requirements of § 668.8; and

(3)(i) The ineligible institution or organization provides not more than 25 percent of the educational program; or

(ii)(A) The ineligible institution or organization provides more than 25 percent but not more than 50 percent of the educational program;

(B) The eligible institution and the ineligible institution or organization are not owned or controlled by the same individual, partnership, or corporation; and

(C) The eligible institution's accrediting agency, or if the institution is a public postsecondary vocational educational institution, the State agency listed in the FEDERAL REGISTER in accordance with 34 CFR part 603, has specifically determined that the institution's arrangement meets the agency's standards for the contracting out of educational services.

(d) *Administration of title IV, HEA programs.* (1) If an institution enters into a written arrangement as described in paragraph (a), (b), or (c) of this section, except as provided in paragraph (d)(2) of this section, the institution at which the student is enrolled as a regular student must determine the student's eligibility for title IV, HEA program funds, and must calculate and disburse those funds to that student.

(2) In the case of a written arrangement between eligible institutions, the institutions may agree in writing to have any eligible institution in the written arrangement make those calculations and disbursements, and the

Secretary does not consider that institution to be a third-party servicer for that arrangement.

(3) The institution that calculates and disburses a student's title IV, HEA program assistance under paragraph (d)(1) or (d)(2) of this section must—

(i) Take into account all the hours in which the student enrolls at each institution that apply to the student's degree or certificate when determining the student's enrollment status and cost of attendance; and (ii) Maintain all records regarding the student's eligibility for and receipt of title IV, HEA program funds.

§§ 668.6–668.7 [Reserved]

§ 668.8 Eligible program.

(a) *General.* An eligible program is an educational program that—

(1) Is provided by a participating institution; and

(2) Satisfies the other relevant requirements contained in this section.

(b) *Definitions.* For purposes of this section—

(1) The Secretary considers the “equivalent of an associate degree” to be—

(i) An associate degree; or

(ii) The successful completion of at least a two-year program that is acceptable for full credit toward a bachelor's degree and qualifies a student for admission into the third year of a bachelor's degree program;

(2) A week is a consecutive seven-day period; and

(3)(i) The Secretary considers that an institution provides one week of instructional time in an academic program during any week the institution provides at least one day of regularly scheduled instruction or examinations, or, after the last scheduled day of classes for a term or a payment period, at least one day of study for final examinations.

(ii) Instructional time does not include any vacation periods, homework, or periods of orientation or counseling.

(c) *Institution of higher education.* An eligible program provided by an institution of higher education must—

(1) Lead to an associate, bachelor's, professional, or graduate degree;

(2) Be at least a two-academic-year program that is acceptable for full credit toward a bachelor's degree; or

(3) Be at least a one-academic-year training program that leads to a certificate, degree, or other recognized educational credential and that prepares a student for gainful employment in a recognized occupation.

(d) *Proprietary institution of higher education and postsecondary vocational institution.* An eligible program provided by a proprietary institution of higher education or postsecondary vocational institution—

(1)(i) Must require a minimum of 15 weeks of instruction, beginning on the first day of classes and ending on the last day of classes or examinations;

(ii) Must be at least 600 clock hours, 16 semester or trimester hours, or 24 quarter hours;

(iii) Must provide undergraduate training that prepares a student for gainful employment in a recognized occupation; and

(iv) May admit as regular students persons who have not completed the equivalent of an associate degree;

(2) Must—

(i) Require a minimum of 10 weeks of instruction, beginning on the first day of classes and ending on the last day of classes or examinations;

(ii) Be at least 300 clock hours, 8 semester or trimester hours, or 12 quarter hours;

(iii) Provide training that prepares a student for gainful employment in a recognized occupation; and

(iv)(A) Be a graduate or professional program; or

(B) Admit as regular students only persons who have completed the equivalent of an associate degree; or

(i) Require a minimum of 10 weeks of instruction, beginning on the first day of classes and ending on the last day of classes or examinations;

(ii) Be at least 300 clock hours but less than 600 clock hours;

(iii) Provide undergraduate training that prepares a student for gainful employment in a recognized occupation;

(iv) Admit as regular students some persons who have not completed the equivalent of an associate degree; and

(v) Satisfy the requirements of paragraph (e) of this section.

(e) *Qualitative factors.* (1) An educational program that satisfies the requirements of paragraphs (d)(3)(i) through (iv) of this section qualifies as an eligible program only if—

(i) The program has a substantiated completion rate of at least 70 percent, as calculated under paragraph (f) of this section;

(ii) The program has a substantiated placement rate of at least 70 percent, as calculated under paragraph (g) of this section;

(iii) The number of clock hours provided in the program does not exceed by more than 50 percent the minimum number of clock hours required for training in the recognized occupation for which the program prepares students, as established by the State in which the program is offered, if the State has established such a requirement, or as established by any Federal agency; and

(iv) The program has been in existence for at least one year. The Secretary considers an educational program to have been in existence for at least one year only if an institution has been legally authorized to provide, and has continuously provided, the program during the 12 months (except for normal vacation periods and, at the discretion of the Secretary, periods when the institution closes due to a natural disaster that directly affects the institution or the institution's students) preceding the date on which the institution applied for eligibility for that program.

(2) An institution shall substantiate the calculation of its completion and placement rates by having the certified public accountant who prepares its audit report required under § 668.23 report on the institution's calculation based on performing an attestation engagement in accordance with the Statements on Standards for Attestation Engagements of the American Institute of Certified Public Accountants (AICPA).

(f) *Calculation of completion rate.* An institution shall calculate its comple-

tion rate for an educational program for any award year as follows:

(1) Determine the number of regular students who were enrolled in the program during the award year.

(2) Subtract from the number of students determined under paragraph (f)(1) of this section, the number of regular students who, during that award year, withdrew from, dropped out of, or were expelled from the program and were entitled to and actually received, in a timely manner a refund of 100 percent of their tuition and fees.

(3) Subtract from the total obtained under paragraph (f)(2) of this section the number of students who were enrolled in the program at the end of that award year.

(4) Determine the number of regular students who, during that award year, received within 150 percent of the published length of the educational program the degree, certificate, or other recognized educational credential awarded for successfully completing the program.

(5) Divide the number determined under paragraph (f)(4) of this section by the total obtained under paragraph (f)(3) of this section.

(g) *Calculation of placement rate.* (1) An institution shall calculate its placement rate for an educational program for any award year as follows:

(i) Determine the number of students who, during the award year, received the degree, certificate, or other recognized educational credential awarded for successfully completing the program.

(ii) Of the total obtained under paragraph (g)(1)(i) of this section, determine the number of students who, within 180 days of the day they received their degree, certificate, or other recognized educational credential, obtained gainful employment in the recognized occupation for which they were trained or in a related comparable recognized occupation and, on the date of this calculation, are employed, or have been employed, for at least 13 weeks following receipt of the credential from the institution.

(iii) Divide the number of students determined under paragraph (g)(1)(ii) of this section by the total obtained

under paragraph (g)(1)(i) of this section.

(2) An institution shall document that each student described in paragraph (g)(1)(ii) of this section obtained gainful employment in the recognized occupation for which he or she was trained or in a related comparable recognized occupation. Examples of satisfactory documentation of a student's gainful employment include, but are not limited to—

(i) A written statement from the student's employer;

(ii) Signed copies of State or Federal income tax forms; and

(iii) Written evidence of payments of Social Security taxes.

(h) *Eligibility for Federal Pell Grant, ACG, National SMART Grant, and FSEOG Programs.* In addition to satisfying other relevant provisions of the section—

(1) An educational program qualifies as an eligible program for purposes of the Federal Pell Grant Program only if the educational program is an undergraduate program or a postbaccalaureate teacher certificate or licensing program as described in 34 CFR 690.6(c); and

(2) An educational program qualifies as an eligible program for purposes of the ACG, National SMART Grant, and FSEOG programs only if the educational program is an undergraduate program.

(i) *Flight training.* In addition to satisfying other relevant provisions of this section, for a program of flight training to be an eligible program, it must have a current valid certification from the Federal Aviation Administration.

(j) *English as a second language (ESL).*

(1) In addition to satisfying the relevant provisions of this section, an educational program that consists solely of instruction in ESL qualifies as an eligible program if—

(i) The institution admits to the program only students who the institution determines need the ESL instruction to use already existing knowledge, training, or skills; and

(ii) The program leads to a degree, certificate, or other recognized educational credential.

(2) An institution shall document its determination that ESL instruction is necessary to enable each student enrolled in its ESL program to use already existing knowledge, training, or skills with regard to the students that it admits to its ESL program under paragraph (j)(1)(i) of this section.

(3) An ESL program that qualifies as an eligible program under this paragraph is eligible for purposes of the Federal Pell Grant Program only.

(k) *Undergraduate educational program in credit hours.* If an institution offers an undergraduate educational program in credit hours, the institution must use the formula contained in paragraph (l) of this section to determine whether that program satisfies the requirements contained in paragraph (c)(3) or (d) of this section, and the number of credit hours in that educational program for purposes of the Title IV, HEA programs, unless—

(1) The program is at least two academic years in length and provides an associate degree, a bachelor's degree, a professional degree, or an equivalent degree as determined by the Secretary; or

(2) Each course within the program is acceptable for full credit toward that institution's associate degree, bachelor's degree, professional degree, or equivalent degree as determined by the Secretary, provided that the institution's degree requires at least two academic years of study.

(l) *Formula.* For purposes of determining whether a program described in paragraph (k) of this section satisfies the requirements contained in paragraph (c)(3) or (d) of this section, and the number of credit hours in that educational program with regard to the Title IV, HEA programs—

(1) A semester hour must include at least 30 clock hours of instruction;

(2) A trimester hour must include at least 30 clock hours of instruction; and

(3) A quarter hour must include at least 20 hours of instruction.

(m) An otherwise eligible program that is offered in whole or in part through telecommunications is eligible for title IV, HEA program purposes if the program is offered by an institution, other than a foreign institution,

that has been evaluated and is accredited for its effective delivery of distance education programs by an accrediting agency or association that—

(1) Is recognized by the Secretary under subpart 2 of part H of the HEA; and

(2) Has accreditation of distance education within the scope of its recognition.

(n) For title IV, HEA program purposes, the term *eligible program* includes a direct assessment program approved by the Secretary under 34 CFR 668.10.

§ 668.9 Relationship between clock hours and semester, trimester, or quarter hours in calculating Title IV, HEA program assistance.

(a) In determining the amount of Title IV, HEA program assistance that a student who is enrolled in a program described in § 668.8(k) is eligible to receive, the institution shall apply the formula contained in § 668.8(1) to determine the number of semester, trimester, or quarter hours in that program, if the institution measures academic progress in that program in semester, trimester, or quarter hours.

(b) Notwithstanding paragraph (a) of this section, a public or private non-profit hospital-based school of nursing that awards a diploma at the completion of the school's program of education is not required to apply the formula contained in § 668.8(1) to determine the number of semester, trimester, or quarter hours in that program for purposes of calculating Title IV, HEA program assistance.

§ 668.10 Direct assessment programs.

(a)(1) A *direct assessment program* is an instructional program that, in lieu of credit hours or clock hours as a measure of student learning, utilizes direct assessment of student learning, or recognizes the direct assessment of student learning by others. The assessment must be consistent with the accreditation of the institution or program utilizing the results of the assessment.

(2) Direct assessment of student learning means a measure by the institution of what a student knows and can do in terms of the body of knowledge making up the educational program. These measures provide evidence that a student has command of a specific subject, content area, or skill or that the student demonstrates a specific quality such as creativity, analysis or synthesis associated with the subject matter of the program. Examples of direct measures include projects, papers, examinations, presentations, performances, and portfolios.

(3) All regulatory requirements in this chapter that refer to credit or clock hours as a measurement apply to direct assessment programs. Because a direct assessment program does not utilize credit or clock hours as a measure of student learning, an institution must establish a methodology to reasonably equate the direct assessment program (or the direct assessment portion of any program, as applicable) to credit or clock hours for the purpose of complying with applicable regulatory requirements. The institution must provide a factual basis satisfactory to the Secretary for its claim that the program or portion of the program is equivalent to a specific number of credit or clock hours.

(i) An academic year in a direct assessment program is a period of instructional time that consists of a minimum of 30 weeks of instructional time during which, for an undergraduate educational program, a full-time student is expected to complete the equivalent of at least 24 semester or trimester credit hours, 36 quarter credit hours or 900 clock hours.

(ii) A payment period in a direct assessment program for which equivalence in credit hours has been established must be determined under the requirements in § 668.4(a) or (b), as applicable, using the academic year determined in accordance with paragraph (a)(3)(i) of this section (or the portion of that academic year comprising or remaining in the program). A payment period in a direct assessment program for which equivalence in clock hours has been established must be determined under the requirements in § 668.4(c), using the academic year determined in accordance with paragraph (a)(3)(i) of this section (or the portion of that academic year comprising or remaining in the program).

(iii) A week of instructional time in a direct assessment program is any seven-day period in which at least one day of educational activity occurs. Educational activity in a direct assessment program includes regularly scheduled learning sessions, faculty-guided independent study, consultations with a faculty mentor, development of an academic action plan addressed to competencies identified by the institution, or, in combination with any of the foregoing, assessments. It does not include credit for “life experience”.

(iv) A full-time student in a direct assessment program is an enrolled student who is carrying a full-time academic workload as determined by the institution under a standard applicable to all students enrolled in the program. However, for an undergraduate student, the institution’s minimum standard must equal or exceed the minimum full-time requirements specified in the definition of *full-time student* in § 668.2 based on the credit or clock hour equivalency established by the institution for the direct assessment program.

(v) A half-time student in a direct assessment program is an enrolled student who is carrying half of the academic workload of a full-time student in that program.

(vi) A three-quarter-time student in a direct assessment program is an enrolled student who is carrying three-quarters of the academic workload of a full-time student in that program.

(b) An institution that offers a direct assessment program must apply to the Secretary to have that program determined to be an eligible program for title IV, HEA program purposes. The institution’s application must provide information satisfactory to the Secretary that includes—

(1) A description of the educational program, including the educational credential offered (degree level or certificate) and the field of study;

(2) A description of how the assessment of student learning is done;

(3) A description of how the direct assessment program is structured, including information about how and when the institution determines on an individual basis what each student enrolled in the program needs to learn;

(4) A description of how the institution assists students in gaining the knowledge needed to pass the assessments;

(5) The number of semester or quarter credit hours, or clock hours, that are equivalent to the amount of student learning being directly assessed for the certificate or degree, as required by paragraph (b)(3) of this section;

(6) The methodology the institution uses to determine the number of credit or clock hours to which the program is equivalent;

(7) The methodology the institution uses to determine the number of credit or clock hours to which the portion of a program an individual student will need to complete is equivalent;

(8) Documentation from the institution’s accrediting agency indicating that the agency has evaluated the institution’s offering of direct assessment program(s) and has included the program(s) in the institution’s grant of accreditation;

(9) Documentation from the accrediting agency or relevant state licensing body indicating agreement with the institution’s claim of the direct assessment program’s equivalence in terms of credit or clock hours; and

(10) Any other information the Secretary may require to determine whether to approve the institution’s application.

(c) To be an eligible program, a direct assessment program must meet

the requirements in § 668.8 including, if applicable, minimum program length and qualitative factors.

(d) Notwithstanding paragraphs (a) through (c) of this section, no program offered by a foreign institution that involves direct assessment will be considered to be an eligible program under § 668.8.

(e) A direct assessment program may use learning resources (e.g., courses or portions of courses) that are provided by entities other than the institution providing the direct assessment program without regard to the limitations on contracting for part of an educational program in § 668.5(c)(3).

(f) Title IV, HEA program funds may be used only for learning that results from instruction provided, or overseen, by the institution, not for the portion of the program that the student has demonstrated mastery of prior to enrollment in the program or tests of learning that are not associated with educational activities overseen by the institution.

(g) Title IV, HEA program eligibility with respect to direct assessment programs is limited to direct assessment programs approved by the Secretary. Title IV, HEA program funds may not be used for—

(1) the course of study described in § 668.32(a)(1)(ii) and (iii) if offered by direct assessment, or

(2) remedial coursework described in § 668.20 offered by direct assessment. However, remedial instruction that is offered in credit or clock hours in conjunction with a direct assessment program is eligible for title IV, HEA program funds.

(h) The Secretary's approval of a direct assessment program expires on the date that the institution changes one or more aspects of the program described in the institution's application submitted under paragraph (b) of this section. To maintain program eligibility, the institution must obtain prior approval from the Secretary through reapplication under paragraph (b) of this section that sets forth the revisions proposed.

Subpart B—Standards for Participation in Title IV, HEA Programs

SOURCE: 52 FR 45727, Dec. 1, 1987, unless otherwise noted.

§ 668.11 Scope.

(a) This subpart establishes standards that an institution must meet in order to participate in any Title IV, HEA program.

(b) Noncompliance with these standards by an institution already participating in any Title IV, HEA program or with applicable standards in this subpart by a third-party servicer that contracts with the institution may subject the institution or servicer, or both, to proceedings under subpart G of this part. These proceedings may lead to any of the following actions:

(1) An emergency action.

(2) The imposition of a fine.

(3) The limitation, suspension, or termination of the participation of the institution in a Title IV, HEA program.

(4) The limitation, suspension, or termination of the eligibility of the servicer to contract with any institution to administer any aspect of the institution's participation in a Title IV, HEA program.

§ 668.12 [Reserved]

§ 668.13 Certification procedures.

(a) *Requirements for certification.* (1) The Secretary certifies an institution to participate in the title IV, HEA programs if the institution qualifies as an eligible institution under 34 CFR part 600, meets the standards of this subpart and 34 CFR part 668, subpart L, and satisfies the requirements of paragraph (a)(2) of this section.

(2) Except as provided in paragraph (a)(3) of this section, if an institution wishes to participate for the first time in the title IV, HEA programs or has undergone a change in ownership that results in a change in control as described in 34 CFR 600.31, the institution must require the following individuals to complete title IV, HEA program training provided or approved by the

§ 668.13

34 CFR Ch. VI (7–1–07 Edition)

Secretary no later than 12 months after the institution executes its program participation agreement under § 668.14:

(i) The individual the institution designates under § 668.16(b)(1) as its title IV, HEA program administrator.

(ii) The institution's chief administrator or a high level institutional official the chief administrator designates.

(3)(i) An institution may request the Secretary to waive the training requirement for any individual described in paragraph (a)(2) of this section.

(ii) When the Secretary receives a waiver request under paragraph (a)(3)(i) of this section, the Secretary may grant or deny the waiver, require another institutional official to take the training, or require alternative training.

(b) *Period of participation.* (1) If the Secretary certifies that an institution meets the standards of this subpart, the Secretary also specifies the period for which the institution may participate in a Title IV, HEA program. An institution's period of participation expires six years after the date that the Secretary certifies that the institution meets the standards of this subpart, except that the Secretary may specify a shorter period.

(2) Provided that an institution has submitted an application for a renewal of certification that is materially complete at least 90 days prior to the expiration of its current period of participation, the institution's existing certification will be extended on a month to month basis following the expiration of the institution's period of participation until the end of the month in which the Secretary issues a decision on the application for recertification.

(c) *Provisional certification.* (1) The Secretary may provisionally certify an institution if—

(i) The institution seeks initial participation in a Title IV, HEA program;

(ii) The institution is an eligible institution that has undergone a change in ownership that results in a change in control according to the provisions of 34 CFR part 600;

(iii) The institution is a participating institution—

(A) That is applying for a certification that the institution meets the standards of this subpart;

(B) That the Secretary determines has jeopardized its ability to perform its financial responsibilities by not meeting the factors of financial responsibility under § 668.15 or the standards of administrative capability under § 668.16; and

(C) Whose participation has been limited or suspended under subpart G of this part, or voluntarily enters into provisional certification;

(iv) The institution seeks a renewal of participation in a Title IV, HEA program after the expiration of a prior period of participation in that program; or

(v) The institution is a participating institution that was accredited or preaccredited by a nationally recognized accrediting agency on the day before the Secretary withdrew the Secretary's recognition of that agency according to the provisions contained in 34 CFR part 603.

(2) If the Secretary provisionally certifies an institution, the Secretary also specifies the period for which the institution may participate in a Title IV, HEA program. Except as provided in paragraphs (c) (3) and (4) of this section, a provisionally certified institution's period of participation expires—

(i) Not later than the end of the first complete award year following the date on which the Secretary provisionally certified the institution under paragraph (c)(1)(i) of this section;

(ii) Not later than the end of the third complete award year following the date on which the Secretary provisionally certified the institution under paragraphs (c)(1)(ii), (iii), (iv) or (e)(2) of this section; and

(iii) If the Secretary provisionally certified the institution under paragraph (c)(1)(v) of this section, not later than 18 months after the date that the Secretary withdrew recognition from the institutions nationally recognized accrediting agency.

(3) Notwithstanding the maximum periods of participation provided for in paragraph (c)(2) of this section, if the Secretary provisionally certifies an institution, the Secretary may specify a

shorter period of participation for that institution.

(4) For the purposes of this section, "provisional certification" means that the Secretary certifies that an institution has demonstrated to the Secretary's satisfaction that the institution—

(i) Is capable of meeting the standards of this subpart within a specified period; and

(ii) Is able to meet the institution's responsibilities under its program participation agreement, including compliance with any additional conditions specified in the institution's program participation agreement that the Secretary requires the institution to meet in order for the institution to participate under provisional certification.

(d) *Revocation of provisional certification.* (1) If, before the expiration of a provisionally certified institution's period of participation in a Title IV, HEA program, the Secretary determines that the institution is unable to meet its responsibilities under its program participation agreement, the Secretary may revoke the institution's provisional certification for participation in that program.

(2)(i) If the Secretary revokes the provisional certification of an institution under paragraph (d)(1) of this section, the Secretary sends the institution a notice by certified mail, return receipt requested. The Secretary also may transmit the notice by other, more expeditious means, if practical.

(ii) The revocation takes effect on the date that the Secretary mails the notice to the institution.

(iii) The notice states the basis for the revocation, the consequences of the revocation to the institution, and that the institution may request the Secretary to reconsider the revocation. The consequences of a revocation are described in § 668.26.

(3)(i) An institution may request reconsideration of a revocation under this section by submitting to the Secretary, within 20 days of the institution's receipt of the Secretary's notice, written evidence that the revocation is unwarranted. The institution must file the request with the Secretary by hand-delivery, mail, or facsimile transmission.

(ii) The filing date of the request is the date on which the request is—

(A) Hand-delivered;

(B) Mailed; or

(C) Sent by facsimile transmission.

(iii) Documents filed by facsimile transmission must be transmitted to the Secretary in accordance with instructions provided by the Secretary in the notice of revocation. An institution filing by facsimile transmission is responsible for confirming that a complete and legible copy of the document was received by the Secretary.

(iv) The Secretary discourages the use of facsimile transmission for documents longer than five pages.

(4)(i) The designated department official making the decision concerning an institution's request for reconsideration of a revocation is different from, and not subject to supervision by, the official who initiated the revocation of the institution's provisional certification. The deciding official promptly considers an institution's request for reconsideration of a revocation and notifies the institution, by certified mail, return receipt requested, of the final decision. The Secretary also may transmit the notice by other, more expeditious means, if practical.

(ii) If the Secretary determines that the revocation is warranted, the Secretary's notice informs the institution that the institution may apply for reinstatement of participation only after the later of the expiration of—

(A) Eighteen months after the effective date of the revocation; or

(B) A debarment or suspension of the institution under Executive Order (E.O.) 12549 (3 CFR, 1986 comp., p. 189) or the Federal Acquisition Regulations, 48 CFR part 9, subpart 9.4.

(iii) If the Secretary determines that the revocation of the institution's provisional certification is unwarranted, the Secretary's notice informs the institution that the institution's provisional certification is reinstated, effective on the date that the Secretary's original revocation notice was mailed, for a specified period of time.

(5)(i) The mailing date of a notice of revocation or a request for reconsideration of a revocation is the date evidenced on the original receipt of mailing from the U.S. Postal Service.

(ii) The date on which a request for reconsideration of a revocation is submitted is—

(A) If the request was sent by a delivery service other than the U.S. Postal Service, the date evidenced on the original receipt by that service; and

(B) If the request was sent by facsimile transmission, the date that the document is recorded as received by facsimile equipment that receives the transmission.

(21) It will not impose any penalty, including, but not limited to, the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or the requirement that the student borrow additional funds for which interest or other charges are assessed, on any student because of the student's inability to meet his or her financial obligations to the institution as a result of the delayed disbursement of the proceeds of a Title IV, HEA program loan due to compliance with statutory and regulatory requirements of or applicable to the Title IV, HEA programs, or delays attributable to the institution;

(22)(i) It will not provide any commission, bonus, or other incentive payment based directly or indirectly upon success in securing enrollments or financial aid to any person or entity engaged in any student recruiting or admission activities or in making decisions regarding the awarding of title IV, HEA program funds, except that this limitation does not apply to the recruitment of foreign students residing in foreign countries who are not eligible to receive title IV, HEA program funds.

(ii) Activities and arrangements that an institution may carry out without violating the provisions of paragraph (b)(22)(i) of this section include, but are not limited to:

(A) The payment of fixed compensation, such as a fixed annual salary or a fixed hourly wage, as long as that compensation is not adjusted up or down more than twice during any twelve month period, and any adjustment is not based solely on the number of students recruited, admitted, enrolled, or awarded financial aid. For this purpose, an increase in fixed compensation resulting from a cost of living increase that is paid to all or substantially all full-time employees is not considered an adjustment.

(B) Compensation to recruiters based upon their recruitment of students who enroll only in programs that are not eligible for title IV, HEA program funds.

(J) Compensation paid for Internet-based recruitment and admission activities that provide information about the institution to prospective students, refer prospective students to the institution, or permit prospective students to apply for admission on-line.

(K) Payments to third parties, including tuition sharing arrangements, that deliver various services to the institution, provided that none of the services involve recruiting or admission activities, or the awarding of title IV, HEA program funds.

(L) Payments to third parties, including tuition sharing arrangements, that deliver various services to the institution, even if one of the services involves recruiting or admission activities or the awarding of title IV, HEA program funds, provided that the individuals performing the recruitment or admission activities, or the awarding of title IV, HEA program funds, are not compensated in a manner that would be impermissible under paragraph (b)(22) of this section.

(26) If the stated objectives of an educational program of the institution are to prepare a student for gainful employment in a recognized occupation, the institution will—

(i) Demonstrate a reasonable relationship between the length of the program and entry level requirements for the recognized occupation for which the program prepares the student. The Secretary considers the relationship to be reasonable if the number of clock hours provided in the program does not exceed by more than 50 percent the

minimum number of clock hours required for training in the recognized occupation for which the program prepares the student, as established by the State in which the program is offered, if the State has established such a requirement, or as established by any Federal agency; and

(ii) Establish the need for the training for the student to obtain employment in the recognized occupation for which the program prepares the student.

(c) In order to participate in any Title IV, HEA program (other than the LEAP and NEISP programs), the institution must certify that it—

(1) Has in operation a drug abuse prevention program that the institution has determined to be accessible to any officer, employee, or student at the institution; and

(2) The institution must request the forms from the State 120 days prior to the deadline for registering to vote within the State. If an institution has not received a sufficient quantity of forms to fulfill this section from the State within 60 days prior to the deadline for registering to vote in the State, the institution is not liable for not meeting the requirements of this section during that election year.

(3) This paragraph applies to elections as defined in section 301(1) of the Federal Election Campaign Act of 1971 (2 U.S.C. 431(1)), and includes the election for Governor or other chief executive within such State.

(e)(1) A program participation agreement becomes effective on the date

that the Secretary signs the agreement.

(2) A new program participation agreement supersedes any prior program participation agreement between the Secretary and the institution.

(f)(1) Except as provided in paragraphs (h) and (i) of this section, the Secretary terminates a program participation agreement through the proceedings in subpart G of this part.

(2) An institution may terminate a program participation agreement.

(3) If the Secretary or the institution terminates a program participation agreement under paragraph (g) of this section, the Secretary establishes the termination date.

(g) An institution's program participation agreement automatically expires on the date that—

(1) The institution changes ownership that results in a change in control as determined by the Secretary under 34 CFR part 600; or

The calculation of the acid test ratio shall exclude all unsecured or uncollateralized related party receivables;

(B) Has not had operating losses in either or both of its two latest fiscal years that in sum result in a decrease

in tangible net worth in excess of 10 percent of the institution's tangible net worth at the beginning of the first year of the two-year period. The Secretary may calculate an operating loss for an institution by excluding from net income: extraordinary gains or losses; income or losses from discontinued operations; prior period adjustment; and, the cumulative effect of changes in accounting principle. For purposes of this section, the calculation of tangible net worth shall exclude all assets defined as intangible in accordance with generally accepted accounting principles; and

the unrestricted net assets for an institution, the Secretary may include funds that are temporarily restricted in use by the institution's governing body that can be transferred to the current unrestricted fund or added to net unrestricted assets at the discretion of the governing body; or

(2) Has not had, an excess of current fund expenditures over current fund revenues over both of its 2 latest fiscal years that results in a decrease exceeding 10 percent in either the unrestricted current fund balance or the unrestricted net assets at the beginning of the first year of the 2-year period. The Secretary may exclude from net changes in fund balances for the operating loss calculation: Extraordinary gains or losses; income or losses from discontinued operations; prior period adjustment; and the cumulative effect of changes in accounting principle. In calculating the institution's unrestricted current fund balance or the unrestricted net assets, the Secretary may include funds that are temporarily restricted in use by the institution's governing body that can be transferred to the current unrestricted fund or added to net unrestricted assets at the discretion of the governing body; or

(1) A person who exercises substantial control over the institution or any member or members of the person's family alone or together—

(i)(A) Exercises or exercised substantial control over another institution or a third-party servicer that owes a liability for a violation of a Title IV, HEA program requirement; or

(2) Contributes to that tuition recovery fund.

(B) Has its liabilities backed by the full faith and credit of the State, or by an equivalent governmental entity; or

(C) As determined under paragraph (g) of this section, demonstrates, to the satisfaction of the Secretary, that for each of the institution's two most recently completed fiscal years, it has made timely refunds to students in accordance with § 668.22(j), and that it has met or exceeded all of the financial responsibility standards in this section that were in effect for the corresponding periods during the two-year period.

(ii) In evaluating an application to approve a State tuition recovery fund to exempt its participating schools from the Federal cash reserve requirements, the Secretary will consider the extent to which the State tuition recovery fund:

(A) Provides refunds to both in-state and out-of-state students;

(B) Allocates all refunds in accordance with the order delineated in § 668.22(i); and

(C) Provides a reliable mechanism for the State to replenish the fund should any claims arise that deplete the funds assets.

(2) The Secretary considers an institution to be financially responsible,

even if the institution is not otherwise financially responsible under paragraphs (b)(1) through (4) and (b)(6) through (9) of this section, if the institution—

(i) Submits to the Secretary an irrevocable letter of credit that is acceptable and payable to the Secretary equal to not less than one-half of the Title IV, HEA program funds received by the institution during the last complete award year for which figures are available; or

(ii) Establishes to the satisfaction of the Secretary, with the support of a financial statement submitted in accordance with paragraph (e) of this section, that the institution has sufficient resources to ensure against its precipitous closure, including the ability to meet all of its financial obligations (including refunds of institutional charges and repayments to the Secretary for liabilities and debts incurred in programs administered by the Secretary). The Secretary considers the institution to have sufficient resources to ensure against precipitous closure only if—

(A) The institution formerly demonstrated financial responsibility under the standards of financial responsibility in its preceding audited financial statement (or, if no prior audited financial statement was requested by the Secretary, demonstrates in conjunction with its current audit that it would have satisfied this requirement), and that its most recent audited financial statement indicates that—

(1) All taxes owed by the institution are current;

(2) The institution's net income, or a change in total net assets, before extraordinary items and discontinued operations, has not decreased by more than 10 percent from the prior fiscal year, unless the institution demonstrates that the decreased net income shown on the current financial statement is a result of downsizing pursuant to a management-approved business plan;

(3) Loans and other advances to related parties have not increased from the prior fiscal year unless such increases were secured and collateralized, and do not exceed 10

percent of the prior fiscal year's working capital of the institution;

(4) The equity of a for-profit institution, or the total net assets of a non-profit institution, have not decreased by more than 10 percent of the prior year's total equity;

(5) Compensation for owners or other related parties (including bonuses, fringe benefits, employee stock option allowances, 401k contributions, deferred compensation allowances) has not increased from the prior year at a rate higher than for all other employees;

(6) The institution has not materially leveraged its assets or income by becoming a guarantor on any new loan or obligation on behalf of any related party;

(7) All obligations owed to the institution by related parties are current, and that the institution has demanded and is receiving payment of all funds owed from related parties that are payable upon demand. For purposes of this section, a person does not become a related party by attending an institution as a student;

(B) There have been no material findings in the institution's latest compliance audit of its administration of the Title IV HEA programs; and

(C) There are no pending administrative or legal actions being taken against the institution by the Secretary, any other Federal agency, the institution's nationally recognized accrediting agency, or any State entity.

(3) An institution is not required to meet the acid test ratio in paragraph (b)(7)(i)(A) or (b)(8)(i)(B) of this section if the institution is an institution that provides a 2-year or 4-year educational program for which the institution awards an associate or baccalaureate degree that demonstrates to the satisfaction of the Secretary that—

(i) There is no reasonable doubt as to its continued solvency and ability to deliver quality educational services;

(ii) It is current in its payment of all current liabilities, including student refunds, repayments to the Secretary, payroll, and payment of trade creditors and withholding taxes; and

(iii) It has substantial equity in institution-occupied facilities, the acquisition of which was the direct cause of

its failure to meet the acid test ratio requirement.

(4) The Secretary may determine an institution to be financially responsible even if the institution is not otherwise financially responsible under paragraph (c)(1) of this section if—

(i) The institution notifies the Secretary, in accordance with 34 CFR 600.30, that the person referenced in paragraph (c)(1) of this section exercises substantial control over the institution; and

(ii)(A) The person repaid to the Secretary a portion of the applicable liability, and the portion repaid equals or exceeds the greater of—

(1) The total percentage of the ownership interest held in the institution or third-party servicer that owes the liability by that person or any member or members of that person's family, either alone or in combination with one another;

(2) The total percentage of the ownership interest held in the institution or servicer that owes the liability that the person or any member or members of the person's family, either alone or in combination with one another, represents or represented under a voting trust, power of attorney, proxy, or similar agreement; or

(3) Twenty-five percent, if the person or any member of the person's family is or was a member of the board of directors, chief executive officer, or other executive officer of the institution or servicer that owes the liability, or of an entity holding at least a 25 percent ownership interest in the institution that owes the liability;

(B) The applicable liability described in paragraph (c)(1) of this section is currently being repaid in accordance with a written agreement with the Secretary; or

(C) The institution demonstrates why—

(1) The person who exercises substantial control over the institution should nevertheless be considered to lack that control; or

(2) The person who exercises substantial control over the institution and each member of that person's family

nevertheless does not or did not exercise substantial control over the institution or servicer that owes the liability.

(e) [Reserved]

(i)(A) For either of those fiscal years, did not find in the sample of student records audited or reviewed that the institution made late refunds to 5 percent or more of the students in that sample. For purposes of determining the percentage of late refunds under this paragraph, the auditor or reviewer must include in the sample only those title IV, HEA program recipients who received or should have received a refund under § 668.22; or

(B) The Secretary considers the institution to have satisfied the conditions in paragraph (g)(1)(i)(A) of this section if the auditor or reviewer finds in the sample of student records audited or reviewed that the institution made only one late refund to a student in that sample; and

§ 668.16 Standards of administrative capability.

To begin and to continue to participate in any Title IV, HEA program, an institution shall demonstrate to the Secretary that the institution is capable of adequately administering that program under each of the standards established in this section. The Secretary considers an institution to have that administrative capability if the institution—

(a) Administers the Title IV, HEA programs in accordance with all statutory provisions of or applicable to Title IV of the HEA, all applicable regulatory provisions prescribed under that statutory authority, and all applicable special arrangements, agreements, and limitations entered into under the authority of statutes applicable to Title IV of the HEA;

(b)(1) Designates a capable individual to be responsible for administering all the Title IV, HEA programs in which it participates and for coordinating those programs with the institution's other Federal and non-Federal programs of student financial assistance. The Secretary considers an individual to be "capable" under this paragraph if the individual is certified by the State in which the institution is located, if the State requires certification of financial aid administrators. The Secretary may consider other factors in determining whether an individual is capable, including, but not limited to, the individual's successful completion of Title IV, HEA program training provided or approved by the Secretary, and previous experience and documented success in administering the Title IV, HEA programs properly;

(2) Uses an adequate number of qualified persons to administer the Title IV, HEA programs in which the institution participates. The Secretary considers the following factors to determine whether an institution uses an adequate number of qualified persons—

(i) The number and types of programs in which the institution participates;

(ii) The number of applications evaluated;

(iii) The number of students who receive any student financial assistance at the institution and the amount of funds administered;

(iv) The financial aid delivery system used by the institution;

(v) The degree of office automation used by the institution in the administration of the Title IV, HEA programs;

(vi) The number and distribution of financial aid staff; and

(vii) The use of third-party servicers to aid in the administration of the Title IV, HEA programs;

(3) Communicates to the individual designated to be responsible for administering Title IV, HEA programs, all the information received by any institutional office that bears on a student's eligibility for Title IV, HEA program assistance; and

(4) Has written procedures for or written information indicating the responsibilities of the various offices with respect to the approval, disbursement, and delivery of Title IV, HEA program assistance and the preparation and submission of reports to the Secretary;

(c)(1) Administers Title IV, HEA programs with adequate checks and balances in its system of internal controls; and

(2) Divides the functions of authorizing payments and disbursing or delivering funds so that no office has responsibility for both functions with respect to any particular student aided under the programs. For example, the functions of authorizing payments and disbursing or delivering funds must be divided so that for any particular student aided under the programs, the two functions are carried out by at least two organizationally independent individuals who are not members of the same family, as defined in § 668.15, or who do not together exercise substantial control, as defined in § 668.15, over the institution;

(d) Establishes and maintains records required under this part and the individual Title IV, HEA program regulations;

(e) For purposes of determining student eligibility for assistance under a Title IV, HEA program, establishes, publishes, and applies reasonable standards for measuring whether an otherwise eligible student is maintaining satisfactory progress in his or her educational program. The Secretary considers an institution's standards to be reasonable if the standards—

(1) Are the same as or stricter than the institution's standards for a student enrolled in the same educational program who is not receiving assistance under a Title IV, HEA program;

(2) Include the following elements:

(i) A qualitative component which consists of grades (provided that the standards meet or exceed the require-

ments of § 668.34), work projects completed, or comparable factors that are measurable against a norm.

(ii) A quantitative component that consists of a maximum timeframe in which a student must complete his or her educational program. The timeframe must—

(A) For an undergraduate program, be no longer than 150 percent of the published length of the educational program measured in academic years, terms, credit hours attempted, clock hours completed, etc. as appropriate;

(B) Be divided into increments, not to exceed the lesser of one academic year or one-half the published length of the educational program;

(C) Include a schedule established by the institution designating the minimum percentage or amount of work that a student must successfully complete at the end of each increment to complete his or her educational program within the maximum timeframe; and

(D) Include specific policies defining the effect of course incompletes, withdrawals, repetitions, and noncredit remedial courses on satisfactory progress;

(3) Provide for consistent application of standards to all students within categories of students, e.g., full-time, part-time, undergraduate, and graduate students, and educational programs established by the institution;

(4) Provide for a determination at the end of each increment by the institution as to whether the student has met the qualitative and quantitative components of the standards (as provided for in paragraphs (e)(2)(i) and (ii) of this section);

(5) Provide specific procedures under which a student may appeal a determination that the student is not making satisfactory progress; and

(6) Provide specific procedures for a student to re-establish that he or she is maintaining satisfactory progress.

(f) Develops and applies an adequate system to identify and resolve discrepancies in the information that the institution receives from different sources with respect to a student's application for financial aid under Title IV, HEA programs. In determining whether the institution's system is

adequate, the Secretary considers whether the institution obtains and reviews—

(1) All student aid applications, need analysis documents, Statements of Educational Purpose, Statements of Registration Status, and eligibility notification documents presented by or on behalf of each applicant;

(2) Any documents, including any copies of State and Federal income tax returns, that are normally collected by the institution to verify information received from the student or other sources; and

(3) Any other information normally available to the institution regarding a student's citizenship, previous educational experience, documentation of the student's social security number, or other factors relating to the student's eligibility for funds under the Title IV, HEA programs;

(g) Refers to the Office of Inspector General of the Department of Education for investigation—

(1) After conducting the review of an application provided for under paragraph (f) of this section, any credible information indicating that an applicant for Title IV, HEA program assistance may have engaged in fraud or other criminal misconduct in connection with his or her application. The type of information that an institution must refer is that which is relevant to the eligibility of the applicant for Title IV, HEA program assistance, or the amount of the assistance. Examples of this type of information are—

(i) False claims of independent student status;

(ii) False claims of citizenship;

(iii) Use of false identities;

(iv) Forgery of signatures or certifications; and

(v) False statements of income; and

(2) Any credible information indicating that any employee, third-party servicer, or other agent of the institution that acts in a capacity that involves the administration of the Title IV, HEA programs, or the receipt of funds under those programs, may have engaged in fraud, misrepresentation, conversion or breach of fiduciary responsibility, or other illegal conduct involving the Title IV, HEA programs. The type of information that an institution

must refer is that which is relevant to the eligibility and funding of the institution and its students through the Title IV, HEA programs;

(h) Provides adequate financial aid counseling to eligible students who apply for Title IV, HEA program assistance. In determining whether an institution provides adequate counseling, the Secretary considers whether its counseling includes information regarding—

(1) The source and amount of each type of aid offered;

(2) The method by which aid is determined and disbursed, delivered, or applied to a student's account; and

(3) The rights and responsibilities of the student with respect to enrollment at the institution and receipt of financial aid. This information includes the institution's refund policy, the requirements for the treatment of title IV, HEA program funds when a student withdraws under § 668.22, its standards of satisfactory progress, and other conditions that may alter the student's aid package;

(i) Has provided all program and fiscal reports and financial statements required for compliance with the provisions of this part and the individual program regulations in a timely manner;

(j) Shows no evidence of significant problems that affect, as determined by the Secretary, the institution's ability to administer a Title IV, HEA program and that are identified in—

(1) Reviews of the institution conducted by the Secretary, the Department of Education's Office of Inspector General, nationally recognized accrediting agencies, guaranty agencies as defined in 34 CFR part 682, the State agency or official by whose authority the institution is legally authorized to provide postsecondary education, or any other law enforcement agency; or

(2) Any findings made in any criminal, civil, or administrative proceeding;

(k) Is not, and does not have any principal or affiliate of the institution (as those terms are defined in 34 CFR part 85) that is—

(1) Debarred or suspended under Executive Order (E.O.) 12549 (3 CFR, 1986

Off. of Postsecondary Educ., Education

§ 668.19

Comp., p. 189) or the Federal Acquisition Regulations (FAR), 48 CFR part 9, subpart 9.4; or

(2) Engaging in any activity that is a cause under 34 CFR 85.305 or 85.405 for debarment or suspension under E.O. 12549 (3 CFR, 1986 Comp., p. 189) or the FAR, 48 CFR part 9, subpart 9.4;

(1) For an institution that seeks initial participation in a Title IV, HEA program, does not have more than 33 percent of its undergraduate regular students withdraw from the institution during the institution's latest completed award year. The institution must count all regular students who are enrolled during the latest completed award year, except those students who, during that period—

(1) Withdrew from, dropped out of, or were expelled from the institution;

(2) Were entitled to and actually received in a timely manner, a refund of 100 percent of their tuition and fees;

(m)(1) Has a cohort default rate—

(i) Calculated under subpart M of this part, that is less than 25 percent for each of the three most recent fiscal years for which the Secretary has determined the institution's rate; and

(ii) As defined in 34 CFR 674.5, on loans made under the Federal Perkins Loan Program to students for attendance at that institution that does not exceed 15 percent;

(2)(i) However, if the Secretary determines that an institution's administrative capability is impaired solely because the institution fails to comply with paragraph (m)(1) of this section, the Secretary allows the institution to continue to participate in the Title IV, HEA programs but may provisionally certify the institution in accordance with § 668.13(c); and

(ii) The institution may appeal the loss of full participation in a Title IV, HEA program under paragraph (m)(1) of this section by submitting an erroneous data appeal in writing to the Secretary in accordance with and on the grounds specified in subpart M of this part;

(n) Does not otherwise appear to lack the ability to administer the Title IV, HEA programs competently; and

(o) Participates in the electronic processes that the Secretary—

(1) Provides at no substantial charge to the institution; and

(2) Identifies through a notice published in the FEDERAL REGISTER.

(1) Whether the student is in default on any title IV, HEA program loan;

(2) Whether the student owes an overpayment on any title IV, HEA program grant or Federal Perkins Loan;

(3) For the award year for which a Federal Pell Grant, an ACG, or a National SMART Grant is requested, the student's Scheduled Federal Pell Grant, ACG, or National SMART Grant Award and the amount of Federal Pell Grant, ACG, or National SMART Grant funds disbursed to the student;

§ 668.20 Limitations on remedial coursework that is eligible for Title IV, HEA program assistance.

(a) A noncredit or reduced credit remedial course is a course of study designed to increase the ability of a student to pursue a course of study leading to a certificate or degree.

(1) A noncredit remedial course is one for which no credit is given toward a certificate or degree; and

(2) A reduced credit remedial course is one for which reduced credit is given toward a certificate or degree.

(b) Except as provided in paragraphs (c) and (d) of this section, in determining a student's enrollment status and cost of attendance, an institution shall include any noncredit or reduced credit remedial course in which the student is enrolled. The institution shall attribute the number of credit or clock hours to a noncredit or reduced credit remedial course by—

(1) Calculating the number of classroom and homework hours required for that course;

(2) Comparing those hours with the hours required for nonremedial courses in a similar subject; and

(3) Giving the remedial course the same number of credit or clock hours it gives the nonremedial course with the most comparable classroom and homework requirements.

(c) In determining a student's enrollment status under the Title IV, HEA programs or a student's cost of attendance under the campus-based, FFEL, and Direct Loan programs, an institution may not take into account any

noncredit or reduced credit remedial course if—

(1) That course is part of a program of instruction leading to a high school diploma or the recognized equivalent of a high school diploma, even if the course is necessary to enable the student to complete a degree or certificate program;

(2) The educational level of instruction provided in the noncredit or reduced credit remedial course is below the level needed to pursue successfully the degree or certificate program offered by that institution after one year in that remedial course; or

(3) Except for a course in English as a second language, the educational level of instruction provided in that course is below the secondary level. For purposes of this section, the Secretary considers a course to be below the secondary level if any of the following entities determine that course to be below the secondary level:

(i) The State agency that legally authorized the institution to provide postsecondary education.

(ii) In the case of an accredited or preaccredited institution, the nationally recognized accrediting agency or association that accredits or preaccredits the institution.

(iii) In the case of a public postsecondary vocational institution that is approved by a State agency recognized for the approval of public postsecondary vocational education, the State agency recognized for the approval of public postsecondary vocational education that approves the institution.

(iv) The institution.

(d) Except as set forth in paragraph (f) of this section, an institution may not take into account more than one academic year's worth of noncredit or reduced credit remedial coursework in determining—

(1) A student's enrollment status under the title IV, HEA programs; and

(2) A student's cost of attendance under the campus-based, FFEL, and Direct Loan programs.

(e) One academic year's worth of noncredit or reduced credit remedial coursework is equivalent to—

(1) Thirty semester or 45 quarter hours; or

(2) Nine hundred clock hours.

(f) Courses in English as a second language do not count against the one-year academic limitation contained in paragraph (d) of this section.

(2) The institution shall return that overpayment to the respective title IV, HEA programs in the amount that the student received from each program.

(b) For purposes of this section, the Secretary considers that a student drops out before his or her first day of class of a payment period if the institution is unable to document the student's attendance at any class during the payment period.

§ 668.22 Treatment of title IV funds when a student withdraws.

(a) *General.* (1) When a recipient of title IV grant or loan assistance withdraws from an institution during a payment period or period of enrollment in which the recipient began attendance, the institution must determine the amount of title IV grant or loan assistance that the student earned as of the student's withdrawal date in accordance with paragraph (e) of this section.

(2) For purposes of this section, "title IV grant or loan assistance" includes only assistance from the Federal Perkins Loan, Direct Loan, FFEL, Federal Pell Grant, Academic Competitiveness

Grant, National SMART Grant, and FSEOG programs, not including the non-Federal share of FSEOG awards if an institution meets its FSEOG matching share by the individual recipient method or the aggregate method.

(3) If the total amount of title IV grant or loan assistance, or both, that the student earned as calculated under paragraph (e)(1) of this section is less than the amount of title IV grant or loan assistance that was disbursed to the student or on behalf of the student in the case of a PLUS loan, as of the date of the institution's determination that the student withdrew—

(i) The difference between these amounts must be returned to the title IV programs in accordance with paragraphs (g) and (h) of this section in the order specified in paragraph (i) of this section; and

(ii) No additional disbursements may be made to the student for the payment period or period of enrollment.

(4) If the total amount of title IV grant or loan assistance, or both, that the student earned as calculated under paragraph (e)(1) of this section is greater than the total amount of title IV grant or loan assistance, or both, that was disbursed to the student or on behalf of the student in the case of a PLUS loan, as of the date of the institution's determination that the student withdrew, the difference between these amounts must be treated as a post-withdrawal disbursement in accordance with paragraph (a)(5) of this section and § 668.164(g).

(5)(i) A post-withdrawal disbursement must be made from available grant funds before available loan funds.

(ii)(A) If outstanding charges exist on the student's account, the institution may credit the student's account up to the amount of outstanding charges with all or a portion of any—

(1) Grant funds that make up the post-withdrawal disbursement in accordance with § 668.164(d)(1) and (d)(2); and

(2) Loan funds that make up the post-withdrawal disbursement in accordance with § 668.164(d)(1), (d)(2) and (d)(3) only after obtaining confirmation from the student or parent, in the case of a parent PLUS loan, that they still wish to

have the loan funds disbursed in accordance with paragraph (a)(5)(iii) of this section.

(B)(1) The institution must offer to disburse directly to a student, or parent in the case of a parent PLUS loan, any amount of a post-withdrawal disbursement that is not credited to the student's account, or for which the institution is not required to obtain confirmation to credit to the student's account, to the student, or the parent in the case of a parent PLUS loan, in accordance with paragraph (a)(5)(iii) of this section.

(2) The institution must make a direct disbursement of any grant or loan funds that make up the post-withdrawal disbursement only after obtaining the student's, or parent's in the case of a parent PLUS loan, confirmation that they still wish to have the grant or loan funds disbursed in accordance with paragraph (a)(5)(iii).

(iii)(A) The institution must provide within 30 days of the date of the institution's determination that the student withdrew, as defined in paragraph (1)(3) of this section, a written notification to the student, or parent in the case of parent PLUS loan, that—

(1) Requests confirmation of any post-withdrawal disbursement of loan funds that the institution wishes to credit to the student's account in accordance with paragraph (a)(5)(ii)(A)(2), identifying the type and amount of those loan funds and explaining that a student, or parent in the case of a parent PLUS loan, may accept or decline some or all of those funds;

(2) Requests confirmation of any post-withdrawal disbursement of grant or loan funds that the student, or parent in the case of a parent PLUS loan, can receive as a direct disbursement, identifying the type and amount of these title IV funds and explaining that the student, or parent in the case of a parent PLUS loan, may accept or decline some or all of those funds;

(3.) Explains that a student, or parent in the case of a parent PLUS loan, who does not confirm that a post-withdrawal disbursement of loan funds may be credited to the student's account may not receive any of those loan funds as a direct disbursement unless the institution concurs;

(4) Explains the obligation of the student, or parent in the case of a parent PLUS loan, to repay any loan funds he or she chooses to have disbursed; and

(5) Advises the student, or parent in the case of a parent PLUS loan, that no post-withdrawal disbursement will be made, unless the institution chooses to make a post-withdrawal disbursement based on a late response in accordance with paragraph (a)(5)(iii)(C) of this section, if the student or parent in the case of a parent PLUS loan, does not respond within 14 days of the date that the institution sent the notification, or a later deadline set by the institution.

(B) The deadline for a student, or parent in the case of a parent PLUS loan, to accept a post-withdrawal disbursement under paragraph (a)(5)(iii)(A)(4) must be the same for both a confirmation of a direct disbursement of the post-withdrawal disbursement and a confirmation of a post-withdrawal disbursement of loan funds to be credited to the student's account;

(C) If the student, or parent in the case of a parent PLUS loan, submits a timely response that confirms that they wish to receive all or a portion of a direct disbursement of the post-withdrawal disbursement, or confirms that a post-withdrawal disbursement of loan funds may be credited to the student's account, the institution must disburse the funds in the manner specified by the student, or parent in the case of a parent PLUS loan, within 120 days of the date of the institution's determination that the student withdrew, as defined in paragraph (1)(3) of this section.

(D) If a student, or parent in the case of a parent PLUS loan, submits a late response to the institution's notice requesting confirmation, the institution may make the post-withdrawal disbursement as instructed by the student, or parent in the case of a parent PLUS loan (provided the institution disburses all the funds accepted by the student, or parent in the case of a parent PLUS loan), or decline to do so.

(E) If a student, or parent in the case of a parent PLUS loan, submits a late response to the institution and the institution does not choose to make the

post-withdrawal disbursement, the institution must inform the student, or parent in the case of a parent PLUS loan, in writing of the outcome of the post-withdrawal disbursement request.

(F) If the student, or parent in the case of a parent PLUS loan, does not respond to the institution's notice, no portion of the post-withdrawal disbursement of loan funds that the institution wishes to credit to the student's account, nor any portion that would be disbursed directly to the student, or parent in the case of a parent PLUS loan, may be disbursed.

(iv) An institution must document in the student's file the result of any notification made in accordance with paragraph (a)(5)(iii) of this section of the student's right to cancel all or a portion of loan funds or of the student's right to accept or decline loan funds, and the final determination made concerning the disbursement.

(b) *Withdrawal date for a student who withdraws from an institution that is required to take attendance.* (1) For purposes of this section, for a student who ceases attendance at an institution that is required to take attendance, including a student who does not return from an approved leave of absence, as defined in paragraph (d) of this section, or a student who takes a leave of absence that does not meet the requirements of paragraph (d) of this section, the student's withdrawal date is the last date of academic attendance as determined by the institution from its attendance records.

(2) An institution must document a student's withdrawal date determined in accordance with paragraph (b)(1) of this section and maintain the documentation as of the date of the institution's determination that the student withdrew, as defined in paragraph (1)(3) of this section.

(3)(i) An institution is required to take attendance if an outside entity (such as the institution's accrediting agency or a State agency) has a requirement, as determined by the entity, that the institution take attendance.

(ii) If an outside entity requires an institution to take attendance for only some students, the institution must use its attendance records to determine

a withdrawal date in accordance with paragraph (b)(1) of this section for those students.

(c) *Withdrawal date for a student who withdraws from an institution that is not required to take attendance.* (1) For purposes of this section, for a student who ceases attendance at an institution that is not required to take attendance, the student's withdrawal date is—

(i) The date, as determined by the institution, that the student began the withdrawal process prescribed by the institution;

(ii) The date, as determined by the institution, that the student otherwise provided official notification to the institution, in writing or orally, of his or her intent to withdraw;

(iii) If the student ceases attendance without providing official notification to the institution of his or her withdrawal in accordance with paragraph (c)(1)(i) or (c)(1)(ii) of this section, the mid-point of the payment period (or period of enrollment, if applicable);

(iv) If the institution determines that a student did not begin the institution's withdrawal process or otherwise provide official notification (including notice from an individual acting on the student's behalf) to the institution of his or her intent to withdraw because of illness, accident, grievous personal loss, or other such circumstances beyond the student's control, the date that the institution determines is related to that circumstance;

(v) If a student does not return from an approved leave of absence as defined in paragraph (d) of this section, the date that the institution determines the student began the leave of absence; or

(vi) If a student takes a leave of absence that does not meet the requirements of paragraph (d) of this section, the date that the student began the leave of absence.

(2)(i)(A) An institution may allow a student to rescind his or her official notification to withdraw under paragraph (c)(1)(i) or (ii) of this section by filing a written statement that he or she is continuing to participate in academically-related activities and intends to complete the payment period or period of enrollment.

(B) If the student subsequently ceases to attend the institution prior to the end of the payment period or period of enrollment, the student's rescission is negated and the withdrawal date is the student's original date under paragraph (c)(1)(i) or (ii) of this section, unless a later date is determined under paragraph (c)(3) of this section.

(ii) If a student both begins the withdrawal process prescribed by the institution and otherwise provides official notification of his or her intent to withdraw in accordance with paragraphs (c)(1)(i) and (c)(1)(ii) of this section respectively, the student's withdrawal date is the earlier date unless a later date is determined under paragraph (c)(3) of this section.

(3)(i) Notwithstanding paragraphs (c)(1) and (2) of this section, an institution that is not required to take attendance may use as the student's withdrawal date a student's last date of attendance at an academically-related activity provided that the institution documents that the activity is academically related and documents the student's attendance at the activity.

(ii) An "academically-related activity" includes, but is not limited to, an exam, a tutorial, computer-assisted instruction, academic counseling, academic advisement, turning in a class assignment or attending a study group that is assigned by the institution.

(4) An institution must document a student's withdrawal date determined in accordance with paragraphs (c)(1), (2), and (3) of this section and maintain the documentation as of the date of the institution's determination that the student withdrew, as defined in paragraph (1)(3) of this section.

(5)(i) "Official notification to the institution" is a notice of intent to withdraw that a student provides to an office designated by the institution.

(ii) An institution must designate one or more offices at the institution that a student may readily contact to provide official notification of withdrawal.

(d) *Approved leave of absence.* (1) For purposes of this section (and, for a title IV, HEA program loan borrower, for purposes of terminating the student's

in-school status), an institution does not have to treat a leave of absence as a withdrawal if it is an approved leave of absence. A leave of absence is an approved leave of absence if—

(i) The institution has a formal policy regarding leaves of absence;

(ii) The student followed the institution's policy in requesting the leave of absence;

(iii) The institution determines that there is a reasonable expectation that the student will return to the school;

(iv) The institution approved the student's request in accordance with the institution's policy;

(v) The leave of absence does not involve additional charges by the institution;

(vi) The number of days in the approved leave of absence, when added to the number of days in all other approved leaves of absence, does not exceed 180 days in any 12-month period;

(vii) Except for a clock hour or nonterm credit hour program, upon the student's return from the leave of absence, the student is permitted to complete the coursework he or she began prior to the leave of absence; and

(viii) If the student is a title IV, HEA program loan recipient, the institution explains to the student, prior to granting the leave of absence, the effects that the student's failure to return from a leave of absence may have on the student's loan repayment terms, including the exhaustion of some or all of the student's grace period.

(2) If a student does not resume attendance at the institution at or before the end of a leave of absence that meets the requirements of this section, the institution must treat the student as a withdrawal in accordance with the requirements of this section.

(3) For purposes of this paragraph—

(i) The number of days in a leave of absence is counted beginning with the first day of the student's initial leave of absence in a 12-month period.

(ii) A "12-month period" begins on the first day of the student's initial leave of absence.

(iii) An institution's leave of absence policy is a "formal policy" if the policy—

(A) Is in writing and publicized to students; and

(B) Requires students to provide a written, signed, and dated request, that includes the reason for the request, for a leave of absence prior to the leave of absence. However, if unforeseen circumstances prevent a student from providing a prior written request, the institution may grant the student's request for a leave of absence, if the institution documents its decision and collects the written request at a later date.

(e) *Calculation of the amount of title IV assistance earned by the student—(1) General.* The amount of title IV grant or loan assistance that is earned by the student is calculated by—

(i) Determining the percentage of title IV grant or loan assistance that has been earned by the student, as described in paragraph (e)(2) of this section; and

(ii) Applying this percentage to the total amount of title IV grant or loan assistance that was disbursed (and that could have been disbursed, as defined in paragraph (1)(1) of this section) to the student, or on the student's behalf, for the payment period or period of enrollment as of the student's withdrawal date.

(2) *Percentage earned.* The percentage of title IV grant or loan assistance that has been earned by the student is—

(i) Equal to the percentage of the payment period or period of enrollment that the student completed (as determined in accordance with paragraph (f) of this section) as of the student's withdrawal date, if this date occurs on or before—

(A) Completion of 60 percent of the payment period or period of enrollment for a program that is measured in credit hours; or

(B) Sixty percent of the clock hours scheduled to be completed for the payment period or period of enrollment for a program that is measured in clock hours; or

(ii) 100 percent, if the student's withdrawal date occurs after—

(A) Completion of 60 percent of the payment period or period of enrollment for a program that is measured in credit hours; or

(B) Sixty percent of the clock hours scheduled to be completed for the pay-

ment period or period of enrollment for a program measured in clock hours.

(3) *Percentage unearned.* The percentage of title IV grant or loan assistance that has not been earned by the student is calculated by determining the complement of the percentage of title IV grant or loan assistance earned by the student as described in paragraph (e)(2) of this section.

(4) *Total amount of unearned title IV assistance to be returned.* The unearned amount of title IV assistance to be returned is calculated by subtracting the amount of title IV assistance earned by the student as calculated under paragraph (e)(1) of this section from the amount of title IV aid that was disbursed to the student as of the date of the institution's determination that the student withdrew.

(5) *Use of payment period or period of enrollment.* (i) The treatment of title IV grant or loan funds if a student withdraws must be determined on a payment period basis for a student who attended a standard term-based (semester, trimester, or quarter) educational program.

(ii)(A) The treatment of title IV grant or loan funds if a student withdraws may be determined on either a payment period basis or a period of enrollment basis for a student who attended a non-term based educational program or a nonstandard term-based educational program.

(B) An institution must consistently use either a payment period or period of enrollment for all purposes of this section for each of the following categories of students who withdraw from the same non-term based or nonstandard term-based educational program:

(1) Students who have attended an educational program at the institution from the beginning of the payment period or period of enrollment.

(2) Students who re-enter the institution during a payment period or period of enrollment.

(3) Students who transfer into the institution during a payment period or period of enrollment.

(f) *Percentage of payment period or period of enrollment completed.* (1) For purposes of paragraph (e)(2)(i) of this section, the percentage of the payment period or period of enrollment completed is determined—

(i) In the case of a program that is measured in credit hours, by dividing the total number of calendar days in the payment period or period of enrollment into the number of calendar days completed in that period as of the student's withdrawal date; and

(ii)(A) In the case of a program that is measured in clock hours, by dividing the total number of clock hours in the payment period or period of enrollment into the number of clock hours scheduled to be completed as of the student's withdrawal date.

(B) The scheduled clock hours used must be those established by the institution prior to the student's beginning class date for the payment period or period of enrollment and must be consistent with the published materials describing the institution's programs, unless the schedule was modified prior to the student's withdrawal.

(C) The schedule must have been established in accordance with requirements of the accrediting agency and the State licensing agency, if such standards exist.

(2)(i) The total number of calendar days in a payment period or period of enrollment includes all days within the period, except that scheduled breaks of at least five consecutive days are excluded from the total number of calendar days in a payment period or period of enrollment and the number of calendar days completed in that period.

(ii) The total number of calendar days in a payment period or period of enrollment does not include days in which the student was on an approved leave of absence.

(g) *Return of unearned aid, responsibility of the institution.* (1) The institution must return, in the order specified in paragraph (i) of this section, the lesser of—

(i) The total amount of unearned title IV assistance to be returned as calculated under paragraph (e)(4) of this section; or

(ii) An amount equal to the total institutional charges incurred by the stu-

dent for the payment period or period of enrollment multiplied by the percentage of title IV grant or loan assistance that has not been earned by the student, as described in paragraph (e)(3) of this section.

(2) For purposes of this section, "institutional charges" are tuition, fees, room and board (if the student contracts with the institution for the room and board) and other educationally-related expenses assessed by the institution.

(3) If, for a non-term program an institution chooses to calculate the treatment of title IV assistance on a payment period basis, but the institution charges for a period that is longer than the payment period, "total institutional charges incurred by the student for the payment period" is the greater of—

(i) The prorated amount of institutional charges for the longer period; or

(ii) The amount of title IV assistance retained for institutional charges as of the student's withdrawal date.

(h) *Return of unearned aid, responsibility of the student.* (1) After the institution has allocated the unearned funds for which it is responsible in accordance with paragraph (g) of this section, the student must return assistance for which the student is responsible in the order specified in paragraph (i) of this section.

(2) The amount of assistance that the student is responsible for returning is calculated by subtracting the amount of unearned aid that the institution is required to return under paragraph (g) of this section from the total amount of unearned title IV assistance to be returned under paragraph (e)(4) of this section.

(3) The student (or parent in the case of funds due to a parent PLUS Loan) must return or repay, as appropriate, the amount determined under paragraph (h)(1) of this section to—

(i) Any title IV loan program in accordance with the terms of the loan; and

(ii) Any title IV grant program as an overpayment of the grant; however, a student is not required to return the following—

(A) The portion of a grant overpayment amount that is equal to or less

than 50 percent of the total grant assistance that was disbursed (and that could have been disbursed, as defined in paragraph (1)(1) of this section) to the student for the payment period or period of enrollment.

(B) With respect to any grant program, a grant overpayment amount, as determined after application of paragraph (h)(3)(ii)(A) of this section, of 50 dollars or less that is not a remaining balance.

(4)(i) A student who owes an overpayment under this section remains eligible for title IV, HEA program funds through and beyond the earlier of 45 days from the date the institution sends a notification to the student of the overpayment, or 45 days from the date the institution was required to notify the student of the overpayment if, during those 45 days the student—

(A) Repays the overpayment in full to the institution;

(B) Enters into a repayment agreement with the institution in accordance with repayment arrangements satisfactory to the institution; or

(C) Signs a repayment agreement with the Secretary, which will include terms that permit a student to repay the overpayment while maintaining his or her eligibility for title IV, HEA program funds.

(ii) Within 30 days of the date of the institution's determination that the student withdrew, an institution must send a notice to any student who owes a title IV, HEA grant overpayment as a result of the student's withdrawal from the institution in order to recover the overpayment in accordance with paragraph (h)(4)(i) of this section.

(iii) If an institution chooses to enter into a repayment agreement in accordance with paragraph (h)(4)(i)(B) of this section with a student who owes an overpayment of title IV, HEA grant funds, it must—

(A) Provide the student with terms that permit the student to repay the overpayment while maintaining his or her eligibility for title IV, HEA program funds; and

(B) Require repayment of the full amount of the overpayment within two years of the date of the institution's determination that the student withdrew.

(iv) An institution must refer to the Secretary, in accordance with procedures required by the Secretary, an overpayment of title IV, HEA grant funds owed by a student as a result of the student's withdrawal from the institution if—

(A) The student does not repay the overpayment in full to the institution, or enter a repayment agreement with the institution or the Secretary in accordance with paragraph (h)(4)(i) of this section within the earlier of 45 days from the date the institution sends a notification to the student of the overpayment, or 45 days from the date the institution was required to notify the student of the overpayment;

(B) At any time the student fails to meet the terms of the repayment agreement with the institution entered into in accordance with paragraph (h)(4)(i)(B) of this section; or

(C) The student chooses to enter into a repayment agreement with the Secretary.

(v) A student who owes an overpayment is ineligible for title IV, HEA program funds—

(A) If the student does not meet the requirements in paragraph (h)(4)(i) of this section, on the day following the 45-day period in that paragraph; or

(B) As of the date the student fails to meet the terms of the repayment agreement with the institution or the Secretary entered into in accordance with paragraph (h)(4)(i) of this section.

(vi) A student who is ineligible under paragraph (h)(4)(v) of this section regains eligibility if the student and the Secretary enter into a repayment agreement.

(5) The Secretary may waive grant overpayment amounts that students are required to return under this section if the withdrawals on which the returns are based are withdrawals by students—

(i) Who were residing in, employed in, or attending an institution of higher education that is located in an area in which the President has declared that a major disaster exists, in accordance with section 401 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5170);

(ii) Whose attendance was interrupted because of the impact of the disaster on the student or institution; and

(iii) Whose withdrawal occurred within the award year during which the designation occurred or during the next succeeding award year.

(i) *Order of return of title IV funds*—(1) *Loans*. Unearned funds returned by the institution or the student, as appropriate, in accordance with paragraph (g) or (h) of this section respectively, must be credited to outstanding balances on title IV loans made to the student or on behalf of the student for the payment period or period of enrollment for which a return of funds is required. Those funds must be credited to outstanding balances for the payment period or period of enrollment for which a return of funds is required in the following order:

- (i) Unsubsidized Federal Stafford loans.
- (ii) Subsidized Federal Stafford loans.
- (iii) Unsubsidized Federal Direct Stafford loans.
- (iv) Subsidized Federal Direct Stafford loans.
- (v) Federal Perkins loans.
- (vi) Federal PLUS loans received on behalf of the student.
- (vii) Federal Direct PLUS received on behalf of the student.

(2) *Remaining funds*. If unearned funds remain to be returned after repayment of all outstanding loan amounts, the remaining excess must be credited to any amount awarded for the payment period or period of enrollment for which a return of funds is required in the following order:

- (i) Federal Pell Grants.
- (ii) Academic Competitiveness Grants.
- (iii) National SMART Grants.
- (iv) FSEOG Program aid.

(j) *Timeframe for the return of title IV funds*. (1) An institution must return the amount of title IV funds for which it is responsible under paragraph (g) of this section as soon as possible but no later than 45 days after the date of the institution's determination that the student withdrew as defined in paragraph (l)(3) of this section. The timeframe for returning funds is further described in § 668.173(b).

(2) An institution must determine the withdrawal date for a student who withdraws without providing notification to the institution no later than 30 days after the end of the earlier of the—

(i) Payment period or period of enrollment, as appropriate, in accordance with paragraph (e)(5) of this section;

(ii) Academic year in which the student withdrew; or

(iii) Educational program from which the student withdrew.

(k) *Consumer information*. An institution must provide students with information about the requirements of this section in accordance with § 668.43.

(l) *Definitions*. For purposes of this section—

(1) Title IV grant or loan funds that “could have been disbursed” are determined in accordance with the late disbursement provisions in § 668.164(g).

(2) A “period of enrollment” is the academic period established by the institution for which institutional charges are generally assessed (i.e. length of the student's program or academic year).

(3) The “date of the institution's determination that the student withdrew” is—

(i) For a student who provides notification to the institution of his or her withdrawal, the student's withdrawal date as determined under paragraph (c) of this section or the date of notification of withdrawal, whichever is later;

(ii) For a student who did not provide notification of his or her withdrawal to the institution, the date that the institution becomes aware that the student ceased attendance;

(iii) For a student who does not return from an approved leave of absence, the earlier of the date of the end of the leave of absence or the date the student notifies the institution that he or she will not be returning to the institution; or

§ 668.23 Compliance audits and audited financial statements.

(a) *General*—(1) *Independent auditor*. For purposes of this section, the term “independent auditor” refers to an independent certified public accountant or a government auditor. To conduct an audit under this section, a government auditor must meet the Government Auditing Standards qualification and independence standards, including standards related to organizational independence.

(2) *Institutions*. An institution that participates in any title IV, HEA program must at least annually have an independent auditor conduct a compliance audit of its administration of that program and an audit of the institution’s general purpose financial statements.

(3) *Third-party servicers*. Except as provided under this part or 34 CFR part 682, with regard to complying with the provisions under this section a third-party servicer must follow the procedures contained in the audit guides developed by and available from the Department of Education’s Office of Inspector General. A third-party servicer is defined under § 668.2 and 34 CFR 682.200.

(4) *Submission deadline*. Except as provided by the Single Audit Act, Chapter 75 of title 31, United States Code, an institution must submit annually to the Secretary its compliance audit and its audited financial statements no later than six months after the last day of the institution’s fiscal year.

(5) *Audit submission requirements*. In general, the Secretary considers the compliance audit and audited financial statement submission requirements of this section to be satisfied by an audit

conducted in accordance with the Office of Management and Budget Circular A-133, “Audits of Institutions of Higher Education and Other Nonprofit Organizations”; Office of Management and Budget Circular A-128, “Audits of State and Local Governments”, or the audit guides developed by and available from the Department of Education’s Inspector General, whichever is applicable to the entity, and provided that the Federal student aid functions performed by that entity are covered in the submission. (Both OMB circulars are available by calling OMB’s Publication Office at (202) 395-7332, or they can be obtained in electronic form on the OMB Home Page (<http://www.whitehouse.gov>).

(b) *Compliance audits for institutions*. (1) An institution’s compliance audit must cover, on a fiscal year basis, all title IV, HEA program transactions, and must cover all of those transactions that have occurred since the period covered by the institution’s last compliance audit.

(2) The compliance audit required under this section must be conducted in accordance with—

(i) The general standards and the standards for compliance audits contained in the U.S. General Accounting Office’s (GAO’s) Government Auditing Standards. (This publication is available from the Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20402); and

(ii) Procedures for audits contained in audit guides developed by, and available from, the Department of Education’s Office of Inspector General.

(3) The Secretary may require an institution to provide a copy of its compliance audit report to guaranty agencies or eligible lenders under the FFEL programs, State agencies, the Secretary of Veterans Affairs, or nationally recognized accrediting agencies.

(c) *Compliance audits for third-party servicers*. (1) A third-party servicer that administers title IV, HEA programs for institutions does not have to have a compliance audit performed if—

(i) The servicer contracts with only one institution; and

(ii) The audit of that institution’s administration of the title IV, HEA programs involves every aspect of the

servicer's administration of that program for that institution.

(2) A third-party servicer that contracts with more than one participating institution may submit a compliance audit report that covers the servicer's administration of the title IV, HEA programs for all institutions with which the servicer contracts.

(3) A third-party servicer must submit annually to the Secretary its compliance audit no later than six months after the last day of the servicer's fiscal year.

(4) The Secretary may require a third-party servicer to provide a copy of its compliance audit report to guaranty agencies or eligible lenders under the FFEL programs, State agencies, the Secretary of Veterans Affairs, or nationally recognized accrediting agencies.

(d) *Audited financial statements*—(1) *General*. To enable the Secretary to make a determination of financial responsibility, an institution must, to the extent requested by the Secretary, submit to the Secretary a set of financial statements for its latest complete fiscal year, as well as any other documentation the Secretary deems necessary to make that determination. Financial statements submitted to the Secretary must be prepared on an accrual basis in accordance with generally accepted accounting principles, and audited by an independent auditor in accordance with generally accepted government auditing standards, and other guidance contained in the Office of Management and Budget Circular A–133, “Audits of Institutions of Higher Education and Other Nonprofit Organizations”; Office of Management and Budget Circular A–128, “Audits of State and Local Governments”; or in audit guides developed by, and available from, the Department of Education's Office of Inspector General, whichever is applicable. As part of these financial statements, the institution must include a detailed description of related entities based on the definition of a related entity as set forth in the Statement of Financial Accounting Standards (SFAS) 57. The disclosure requirements under this provision extend beyond those of SFAS 57 to include all related parties and a level

of detail that would enable to Secretary to readily identify the related party. Such information may include, but is not limited to, the name, location and a description of the related entity including the nature and amount of any transactions between the related party and the institution, financial or otherwise, regardless of when they occurred.

(2) *Submission of additional financial statements*. To the extent requested by the Secretary in determining whether an institution is financially responsible, the Secretary may also require the submission of audited consolidated financial statements, audited full consolidating financial statements, audited combined financial statements or the audited financial statements of one or more related parties that have the ability, either individually or collectively, to significantly influence or control the institution, as determined by the Secretary.

(3) *Audited financial statements for foreign institutions*. A foreign institution must submit—

(i) Audited financial statements prepared in accordance with the generally accepted accounting principles of the institution's home country, if the institution received less than \$500,000 U.S. in title IV, HEA program funds during its most recently completed fiscal year; or

(ii) Audited financial statements translated to meet the requirements of paragraph (d) of this section, if the institution received \$500,000 U.S. or more in title IV, HEA program funds during its most recently completed fiscal year.

(4) *Disclosure of title IV HEA program revenue*. A proprietary institution must disclose in a footnote to its financial statement audit the percentage of its revenues derived from the title IV, HEA program funds that the institution received during the fiscal year covered by that audit. The revenue percentage must be calculated in accordance with § 600.5(d).

(5) *Audited financial statements for third-party servicers*. A third-party servicer that enters into a contract with a lender or guaranty agency to administer any aspect of the lender's

or guaranty agency's programs, as provided under 34 CFR part 682, must submit annually an audited financial statement. This financial statement must be prepared on an accrual basis in accordance with generally accepted accounting principles, and audited by an independent auditor in accordance with generally accepted government auditing standards and other guidance contained in audit guides issued by the Department of Education's Office of Inspector General.

(e) *Access to records.* (1) An institution or a third-party servicer that has a compliance or financial statement audit conducted under this section must—

(i) Give the Secretary and the Inspector General access to records or other documents necessary to review that audit, including the right to obtain copies of those records or documents; and

(ii) Require an individual or firm conducting the audit to give the Secretary and the Inspector General access to records, audit work papers, or other documents necessary to review that audit, including the right to obtain copies of those records, work papers, or documents.

(2) An institution must give the Secretary and the Inspector General access to records or other documents necessary to review a third-party servicer's compliance or financial statement audit, including the right to obtain copies of those records or documents.

(f) *Determination of liabilities.* (1) Based on the audit finding and the institution's or third-party servicer's response, the Secretary determines the amount of liability, if any, owed by the institution or servicer and instructs the institution or servicer as to the manner of repayment.

(2) If the Secretary determines that a third-party servicer owes a liability for its administration of an institution's title IV, HEA programs, the servicer must notify each institution under whose contract the servicer owes a liability of that determination. The servicer must also notify every institution that contracts with the servicer for the same service that the Secretary determined that a liability was owed.

(g) *Repayments.* (1) An institution or third-party servicer that must repay funds under the procedures in this section shall repay those funds at the direction of the Secretary within 45 days of the date of the Secretary's notification, unless—

(i) The institution or servicer files an appeal under the procedures established in subpart H of this part; or

(ii) The Secretary permits a longer repayment period.

(2) Notwithstanding paragraphs (f) and (g)(1) of this section—

(i) If an institution or third-party servicer has posted surety or has provided a third-party guarantee and the Secretary questions expenditures or compliance with applicable requirements and identifies liabilities, then the Secretary may determine that deferring recourse to the surety or guarantee is not appropriate because—

(A) The need to provide relief to students or borrowers affected by the act or omission giving rise to the liability outweighs the importance of deferring collection action until completion of available appeal proceedings; or

(B) The terms of the surety or guarantee do not provide complete assurance that recourse to that protection will be fully available through the completion of available appeal proceedings; or

(ii) The Secretary may use administrative offset pursuant to 34 CFR part 30 to collect the funds owed under the procedures of this section.

(3) If, under the proceedings in subpart H, liabilities asserted in the Secretary's notification, under paragraph (e)(1) of this section, to the institution or third-party servicer are upheld, the institution or third-party servicer must repay those funds at the direction of the Secretary within 30 days of the final decision under subpart H of this part unless—

(i) The Secretary permits a longer repayment period; or

(ii) The Secretary determines that earlier collection action is appropriate pursuant to paragraph (g)(2) of this section.

(4) An institution is held responsible for any liability owed by the institution's third-party servicer for a violation incurred in servicing any aspect of

§ 668.24

34 CFR Ch. VI (7–1–07 Edition)

that institution's participation in the title IV, HEA programs and remains responsible for that amount until that amount is repaid in full.

(7) Has not been the subject of a limitation, suspension, fine, or termination proceeding, or emergency action initiated by the Department or a guarantee agency in the three years preceding the institution's waiver request;

(8) Has submitted its compliance audits and audited financial statements for the previous two fiscal years in accordance with and subject to § 668.23, and no individual audit disclosed liabilities in excess of \$10,000; and

(9) Submits a letter of credit in the amount determined in paragraph (d) of this section, which must remain in effect until the Secretary has resolved the audit covering the award years subject to the waiver.

(d) *Letter of credit amount.* For purposes of this section, the letter of credit amount equals 10 percent of the amount of title IV, HEA program funds the institution disbursed to or on behalf of its students during the award year preceding the institution's waiver request.

(e) *Rescission of the waiver.* (1) The Secretary rescinds the waiver if the institution—

(i) Disburses \$200,000 or more of title IV, HEA program funds for an award year;

(ii) Undergoes a change in ownership that results in a change of control; or

(iii) Becomes the subject of an emergency action or a limitation, suspension, fine, or termination action initiated by the Department or a guarantee agency.

(2) If the Secretary rescinds a waiver, the rescission is effective on the last day of the fiscal year in which the rescission takes place.

(f) *Renewal.* An institution may request a renewal of its waiver when it submits its audits under paragraph (b) of this section. The Secretary grants the waiver if the audits and other information available to the Secretary show that the institution continues to satisfy the criteria for receiving that waiver.

APPENDIX A TO SUBPART B OF PART 668—STANDARDS FOR AUDIT OF GOVERNMENTAL ORGANIZATIONS, PROGRAMS, ACTIVITIES, AND FUNCTIONS (GAO)

Part III Chapter 3—Independence

(a) The Third general standard for governmental auditing is: In matters relating to the audit work, the audit organization and the individual auditors shall maintain an independent attitude.

(b) This standard places upon the auditor and the audit organization the responsibility for maintaining sufficient independence so that their opinions, conclusions, judgments, and recommendations will be impartial. If

the auditor is not sufficiently independent to produce unbiased opinions, conclusions, and judgments, he should state in a prominent place in the audit report his relationship with the organization or officials being audited.¹

(c) The auditor should consider not only whether his or her own attitude and beliefs permit him or her to be independent but also whether there is anything about his or her situation which would lead others to question his or her independence. Both situations deserve consideration since it is important not only that the auditor be, in fact, independent and impartial but also that other persons will consider him or her so.

(d) There are three general classes of impairments that the auditor needs to consider; these are personal, external, and organizational impairments. If one or more of these are of such significance as to affect the auditor's ability to perform his or her work and report its results impartially, he or she should decline to perform the audit or indicate in the report that he or she was not fully independent.

Personal Impairments

There are some circumstances in which an auditor cannot be impartial because of his or her views or his or her personal situation. These circumstances might include:

1. Relationships of an official, professional, and/or personal nature that might cause the auditor to limit the extent or character of the inquiry, to limit disclosure, or to weaken his or her findings in any way.

2. Preconceived ideas about the objectives or quality of a particular operation or personal likes or dislikes of individuals, groups, or objectives of a particular program.

3. Previous involvement in a decision-making or management capacity in the operations of the governmental entity or program being audited.

4. Biases and prejudices, including those induced by political or social convictions, which result from employment in or loyalty to a particular group, entity, or level of government.

5. Actual or potential restrictive influence when the auditor performs preaudit work and subsequently performs a post audit.

6. Financial interest, direct or indirect, in an organization or facility which is benefiting from the audited programs.

¹If the auditor is not fully independent because he or she is an employee of the audited entity, it will be adequate disclosure to so indicate. If the auditor is a practicing certified public accountant, his or her conduct should be governed by the AICPA "Statements on Auditing Procedure."

External Impairments

External factors can restrict the audit or impinge on the auditor's ability to form independent and objective opinions and conclusions. For example, under the following conditions either the audit itself could be adversely affected or the auditor would not have complete freedom to make an independent judgment.²

1. Interference or other influence that improperly or imprudently eliminates, restricts, or modifies the scope or character of the audit.
2. Interference with the selection or application of audit procedures of the selection of activities to be examined.
3. Denial of access to such sources of information as books, records, and supporting documents or denial or opportunity to obtain explanations by officials and employees of the governmental organization, program, or activity under audit.
4. Interference in the assignment of personnel to the audit task.
5. Retaliatory restrictions placed on funds or other resources dedicated to the audit operation.
6. Activity to overrule or significantly influence the auditors judgment as to the appropriate content of the audit report.
7. Influences that place the auditor's continued employment in jeopardy for reasons other than competency or the need for audit services.
8. Unreasonable restriction on the time allowed to competently complete an audit assignment.

Organizational Impairments

(a) The auditor's independence can be affected by his or her place within the organizational structure of governments. Auditors employed by Federal, State, or local government units may be subject to policy direction from superiors who are involved either directly or indirectly in the government management process. To achieve maximum independence such auditors and the audit organization itself not only should report to the highest practicable echelon within their government but should be organizationally located outside the line-management function of the entity under audit.

(b) These auditors should also be sufficiently removed from political pressures to ensure that they can conduct their auditing objectively and can report their conclusions completely without fear of censure. Whenever feasible they should be under a system which will place decisions on compensation,

training, job tenure, and advancement on a merit basis.

(c) When independent public accountants or other independent professionals are engaged to perform work that includes inquiries into compliance with applicable laws and regulations, efficiency and economy of operations, or achievement of program results, they should be engaged by someone other than the officials responsible for the direction of the effort being audited. This practice removes the pressure that may result if the auditor must criticize the performance of those by whom he or she was engaged. To remove this obstacle to independence, governments should arrange to have auditors engaged by officials not directly involved in operations to be audited.

APPENDIX B TO SUBPART B OF PART 668—APPENDIX I, STANDARDS FOR AUDIT OF GOVERNMENTAL ORGANIZATIONS, PROGRAMS, ACTIVITIES, AND FUNCTIONS (GAO)

Qualifications of Independent Auditors Engaged by Governmental Organizations

(a) When outside auditors are engaged for assignments requiring the expression of an opinion on financial reports of governmental organizations, only fully qualified public accountants should be employed. The type of qualifications, as stated by the Comptroller General, deemed necessary for financial audits of governmental organizations and programs is quoted below:

"Such audits shall be conducted * * * by independent certified public accountants or by independent licensed public accountants, licensed on or before December 31, 1970, who are certified or licensed by a regulatory authority of a State or other political subdivision of the United States: Except that independent public accountants licensed to practice by such regulatory authority after December 31, 1970, and persons who although not so certified or licensed, meet, in the opinion of the Secretary, standards of education and experience representative of the highest prescribed by the licensing authorities of the several States which provide for the continuing licensing of public accountants and which are prescribed by the Secretary in appropriate regulations may perform such audits until December 31, 1975; Provided, That if the Secretary deems it necessary in the public interest, he may prescribe by regulations higher standard than

²Some of these situations may constitute justifiable limitations on the scope of the work. In such cases the limitation should be identified in the auditor's report.

those required for the practice of public accountancy by the regulatory authorities of the States.”¹

(b) The standards for examination and evaluation require consideration of applicable laws and regulations in the auditor's examination. The standards for reporting require a statement in the auditor's report regarding any significant instances of noncompliance disclosed by his or her examination and evaluation work. What is to be included in this statement requires judgment. Significant instances of noncompliance, even those not resulting in legal liability to the audited entity, should be included. Minor procedural noncompliance need not be disclosed.

(c) Although the reporting standard is generally on an exception basis—that only noncompliance need be reported—it should be recognized that governmental entities often want positive statements regarding whether or not the auditor's tests disclosed instances of noncompliance. This is particularly true in grant programs where authorizing agencies frequently want assurance in the auditor's report that this matter has been considered. For such audits, auditors should obtain an understanding with the authorizing agency as to the extent to which such positive comments on compliance are desired. When coordinated audits are involved, the audit program should specify the extent of comments that the auditor is to make regarding compliance.

(d) When noncompliance is reported, the auditor should place the findings in proper perspective. The extent of instances of noncompliance should be related to the number of cases examined to provide the reader with a basis for judging the prevalence of noncompliance.

(2) A student is not liable for an ACG overpayment received in an award year if—

(i) The institution can eliminate that overpayment by adjusting subsequent title IV, HEA program (other than Federal Pell Grant, ACG, or National SMART Grant) payments in that same award year; or

(ii) The institution cannot eliminate the overpayment under paragraph (g)(2)(i) of this section but can eliminate that overpayment by adjusting subsequent ACG payments in that same award year.

(3) A student is not liable for a National SMART Grant overpayment received in an award year if—

(i) The institution can eliminate that overpayment by adjusting subsequent title IV, HEA program (other than Federal Pell Grant, ACG, or National SMART Grant) payments in that same award year; or

§ 668.36 Social security number.

(a)(1) Except for residents of the Federated States of Micronesia, the Republic of the Marshall Islands, and the Republic of Palau, the Secretary attempts to confirm the social security number a student provides on the Free Application for Federal Student Aid (FAFSA) under a data match with the Social Security Administration. If the Social Security Administration confirms that number, the Secretary notifies the institution and the student of that confirmation.

(2) If the student's verified social security number is the same number as the one he or she provided on the FAFSA, and the institution has no reason to believe that the verified social security number is inaccurate, the institution may consider the number to be accurate.

(3) If the Social Security Administration does not verify the student's social security number on the FAFSA, or the institution has reason to believe that the verified social security number is inaccurate, the student can provide evidence to the institution, such as the student's social security card, indicating the accuracy of the stu-

dent's social security number. An institution must give a student at least 30 days, or until the end of the award year, whichever is later, to produce that evidence.

(4) An institution may not deny, reduce, delay, or terminate a student's eligibility for assistance under the title IV, HEA programs because verification of that student's social security number is pending.

(b)(1) An institution may not disburse any title IV, HEA program funds to a student until the institution is satisfied that the student's reported social security number is accurate.

(2) The institution shall ensure that the Secretary is notified of the student's accurate social security number if the student demonstrates the accuracy of a social security number that is not the number the student included on the FAFSA.

(c) If the Secretary determines that the social security number provided to an institution by a student is incorrect, and that student has not provided evidence under paragraph (a)(3) of this section indicating the accuracy of the social security number, and a loan has been guaranteed for the student under the FFEL program, the institution shall notify and instruct the lender and guaranty agency making and guaranteeing the loan, respectively, to cease further disbursements of the loan, until the Secretary or the institution determines that the social security number provided by the student is correct, but the guaranty may not be voided or otherwise nullified before the date that the lender and the guaranty agency receive the notice.

(d) Nothing in this section permits the Secretary to take any compliance, disallowance, penalty or other regulatory action against—

(1) Any institution of higher education with respect to any error in a social security number, unless the error was the result of fraud on the part of the institution; or

(2) Any student with respect to any error in a social security number, unless the error was the result of fraud on the part of the student.

§ 668.37 Selective Service registration.

(a)(1) To be eligible to receive title IV, HEA program funds, a male student who is subject to registration with the Selective Service must register with the Selective Service.

(2) A male student does not have to register with the Selective Service if the student—

(i) Is below the age of 18, or was born before January 1, 1960;

(ii) Is enrolled in an officer procurement program the curriculum of which has been approved by the Secretary of Defense at the following institutions:

(A) The Citadel, Charleston, South Carolina;

(B) North Georgia College, Dahlonega, Georgia;

(C) Norwich University, Northfield, Vermont; or

(D) Virginia Military Institute, Lexington, Virginia; or

(iii) Is a commissioned officer of the Public Health Service or a member of the Reserve of the Public Health Service who is on active duty as provided in section 6(a)(2) of the Military Selective Service Act.

(b)(1) When the Secretary processes a male student's FAFSA, the Secretary determines whether the student is registered with the Selective Service under a data match with the Selective Service.

(2) Under the data match, Selective Service reports to the Secretary whether its records indicate that the student is registered, and the Secretary reports the results of the data match to the student and the institution the student is attending.

(c)(1) If the Selective Service does not confirm through the data match, that the student is registered, the student can establish that he—

(i) Is registered;

(ii) Is not, or was not required to be, registered;

(iii) Has registered since the submission of the FAFSA; or

(iv) Meets the conditions of paragraph (d) of this section.

(2) An institution must give a student at least 30 days, or until the end of the award year, whichever is later, to provide evidence to establish the condition described in paragraph (c)(1) of this section.

(d) An institution may determine that a student, who was required to, but did not register with the Selective Service, is not ineligible to receive title IV, HEA assistance for that reason, if the student can demonstrate by submitting clear and unambiguous evidence to the institution that—

(1) He was unable to present himself for registration for reasons beyond his control such as hospitalization, incarceration, or institutionalization; or

(2) He is over 26 and when he was between 18 and 26 and required to register—

(i) He did not knowingly and willfully fail to register with the Selective Service; or

(ii) He served as a member of one of the U.S. Armed Forces on active duty and received a DD Form 214, "Certificate of Release or Discharge from Active Duty," showing military service with other than the reserve forces and National Guard.

(e) For purposes of paragraph (d)(2)(i) of this section, an institution may consider that a student did not knowingly and willfully fail to register with the Selective Service only if—

(1) The student submits to the institution an advisory opinion from the Selective Service System that does not dispute the student's claim that he did not knowingly and willfully fail to register; and

(2) The institution does not have uncontroverted evidence that the student knowingly and willfully failed to register.

(f)(1) A student who is required to register with the Selective Service and has been denied title IV, HEA program assistance because he has not proven to the institution that he has registered with Selective Service may seek a hearing from the Secretary by filing a request in writing with the Secretary. The student must submit with that request—

(i) A statement that he is in compliance with registration requirements;

(ii) A concise statement of the reasons why he has not been able to prove that he is in compliance with those requirements; and

(iii) Copies of all material that he has already supplied to the institution to verify his compliance.

(2) The Secretary provides an opportunity for a hearing to a student who—

(i) Asserts that he is in compliance with registration requirements; and

(ii) Files a written request for a hearing in accordance with paragraph (f)(1) of this section within the award year for which he was denied title IV, HEA program assistance or within 30 days following the end of the payment period, whichever is later.

(3) An official designated by the Secretary shall conduct any hearing held under paragraph (f)(2) of this section. The sole purpose of this hearing is the determination of compliance with registration requirements. At this hearing, the student retains the burden of proving compliance, by credible evidence, with the requirements of the Military Selective Service Act. The designated official shall not consider challenges based on constitutional or other grounds to the requirements that a student state and verify, if required, compliance with registration requirements, or to those registration requirements themselves.

SOURCE: 51 FR 43323, Dec. 1, 1986, unless otherwise noted.

§ 668.41 Reporting and disclosure of information.

(a) *Definitions*. The following definitions apply to this subpart:

Athletically related student aid means any scholarship, grant, or other form of financial assistance, offered by an institution, the terms of which require the recipient to participate in a program of intercollegiate athletics at the institution. Other student aid, of which a student-athlete simply happens to be the recipient, is not athletically related student aid.

Certificate or degree-seeking student means a student enrolled in a course of credit who is recognized by the institution as seeking a degree or certificate.

First-time undergraduate student means an entering undergraduate who has never attended any institution of higher education. It includes a student enrolled in the fall term who attended a postsecondary institution for the first time in the prior summer term, and a student who entered with advanced standing (college credit earned before graduation from high school).

Normal time is the amount of time necessary for a student to complete all requirements for a degree or certificate according to the institution's catalog. This is typically four years for a bachelor's degree in a standard term-based institution, two years for an associate degree in a standard term-based institution, and the various scheduled times for certificate programs.

Notice means a notification of the availability of information an institution is required by this subpart to disclose, provided to an individual on a one-to-one basis through an appropriate mailing or publication, including direct mailing through the U.S. Postal Service, campus mail, or electronic mail. Posting on an Internet website or an Intranet website does not constitute a notice.

Official fall reporting date means that date (in the fall) on which an institution must report fall enrollment data

to either the State, its board of trustees or governing board, or some other external governing body.

Prospective employee means an individual who has contacted an eligible institution for the purpose of requesting information concerning employment with that institution.

Prospective student means an individual who has contacted an eligible institution requesting information concerning admission to that institution.

Undergraduate students, for purposes of §§668.45 and 668.48 only, means students enrolled in a bachelor's degree program, an associate degree program, or a vocational or technical program below the baccalaureate.

(b) *Disclosure through Internet or Intranet websites.* Subject to paragraphs (c)(2), (e)(2) through (4), or (g)(1)(ii) of this section, as appropriate, an institution may satisfy any requirement to disclose information under paragraph (d), (e), or (g) of this section for—

(1) Enrolled students or current employees by posting the information on an Internet website or an Intranet website that is reasonably accessible to the individuals to whom the information must be disclosed; and

(c) *Notice to enrolled students.* (1) An institution annually must distribute to all enrolled students a notice of the availability of the information required to be disclosed pursuant to paragraphs (d), (e), and (g) of this section, and pursuant to 34 CFR 99.7 (§99.7 sets forth the notification requirements of the Family Educational Rights and Privacy Act of 1974). The notice must list and briefly describe the information and tell the student how to obtain the information.

(2) An institution that discloses information to enrolled students as required under paragraph (d), (e), or (g) of this section by posting the information on an Internet website or an Intranet website must include in the notice described in paragraph (c)(1) of this section—

(i) The exact electronic address at which the information is posted; and

(ii) A statement that the institution will provide a paper copy of the information on request.

(d) *General disclosures for enrolled or prospective students.* An institution must make available to any enrolled student or prospective student, on request, through appropriate publications, mailings or electronic media, information concerning—

(1) Financial assistance available to students enrolled in the institution (pursuant to §668.42);

(2) The institution (pursuant to §668.43); and

(3) The institution's completion or graduation rate and, if applicable, its transfer-out rate (pursuant to §668.45). In the case of a request from a prospective student, the information must be made available prior to the student's enrolling or entering into any financial obligation with the institution.

(e) *Annual security report*—(1) *Enrolled students and current employees—annual security report.* By October 1 of each year, an institution must distribute, to all enrolled students and current employees, its annual security report described in §668.46(b), through appropriate publications and mailings, including—

(i) Direct mailing to each individual through the U.S. Postal Service, campus mail, or electronic mail;

(ii) A publication or publications provided directly to each individual; or

(iii) Posting on an Internet website or an Intranet website, subject to paragraphs (e)(2) and (3) of this section.

(2) *Enrolled students—annual security report.* If an institution chooses to distribute its annual security report to enrolled students by posting the disclosure on an Internet website or an Intranet website, the institution must comply with the requirements of paragraph (c)(2) of this section.

(3) *Current employees—annual security report.* If an institution chooses to distribute its annual security report to current employees by posting the disclosure on an Internet website or an Intranet website, the institution must, by October 1 of each year, distribute to all current employees a notice that includes a statement of the report's availability, the exact electronic address at which the report is posted, a

brief description of the report's contents, and a statement that the institution will provide a paper copy of the report upon request.

(4) *Prospective students and prospective employees—annual security report.* The institution must provide a notice to prospective students and prospective employees that includes a statement of the report's availability, a description of its contents, and an opportunity to request a copy. (5) *Submission to the Secretary—annual security report.* Each year, by the date and in a form specified by the Secretary, an institution must submit the statistics required by § 668.46(c) to the Secretary.

(f) *Prospective student-athletes and their parents, high school coach and guidance counselor—report on completion or graduation rates for student-athletes.* (1)(i) Except under the circumstances described in paragraph (f)(1)(ii) of this section, when an institution offers a prospective student-athlete athletically related student aid, it must provide to the prospective student-athlete, and his or her parents, high school coach, and guidance counselor, the report produced pursuant to § 668.48(a).

(ii) An institution's responsibility under paragraph (f)(1)(i) of this section with reference to a prospective student athlete's high school coach and guidance counselor is satisfied if—

(A) The institution is a member of a national collegiate athletic association;

(B) The association compiles data on behalf of its member institutions, which data the Secretary determines are substantially comparable to those required by § 668.48(a); and

(C) The association distributes the compilation to all secondary schools in the United States.

(2) By July 1 of each year, an institution must submit to the Secretary the report produced pursuant to § 668.48.

(g) *Enrolled students, prospective students, and the public—report on athletic program participation rates and financial support data.* (1)(i) An institution of higher education subject to § 668.47 must, not later than October 15 of each year, make available on request to enrolled students, prospective students, and the public, the report produced pursuant to § 668.47(c). The institution must make the report easily accessible to students, prospective students, and the public and must provide the report promptly to anyone who requests it.

(ii) The institution must provide notice to all enrolled students, pursuant to paragraph (c)(1) of this section, and prospective students of their right to request the report described in paragraph (g)(1) of this section. If the institution chooses to make the report available by posting the disclosure on an Internet website or an Intranet website, it must provide in the notice the exact electronic address at which the report is posted, a brief description of the report, and a statement that the institution will provide a paper copy of the report on request. For prospective students, the institution may not use an Intranet website for this purpose.

time undergraduate students, as provided in paragraph (c) of this section.

(3)(i) An institution that offers a predominant number of its programs based on semesters, trimesters, or quarters must base its completion or graduation rate and, if applicable, transfer-out rate calculations, on the cohort of first-time, certificate- or degree-seeking, full-time undergraduate students who enter the institution during the fall term of each year.

(ii) An institution not covered by the provisions of paragraph (a)(3)(i) of this section must base its completion or graduation rate and, if applicable, transfer-out rate calculations, on the group of certificate- or degree-seeking, full-time undergraduate students who enter the institution between September 1 of one year and August 31 of the following year.

(b) In calculating the completion or graduation rate under paragraph (a)(1) of this section, an institution must count as completed or graduated—

(1) Students who have completed or graduated by the end of the 12-month period ending August 31 during which 150% of the normal time for completion or graduation from their program has lapsed; and

(2) Students who have completed a program described in § 668.8(b)(1)(ii), or an equivalent program, by the end of the 12-month period ending August 31 during which 150% of normal time for completion from that program has lapsed.

(c) In calculating the transfer-out rate under paragraph (a)(2) of this section, an institution must count as transfers-out students who by the end of the 12-month period ending August 31 during which 150% of the normal time for completion or graduation from the program in which they were enrolled has lapsed, have not completed or graduated but have subsequently enrolled in any program of an eligible institution for which its program provided substantial preparation.

(2) An institution that receives a waiver of the requirements of this section must still comply with the requirements of § 668.41(d)(3) and (f).

(3) An institution, or athletic association or conference applying on behalf of an institution, that seeks a waiver under paragraph (e)(1) of this section must submit a written application to the Secretary that explains why it believes the data the athletic association or conference publishes are accurate and substantially comparable to the information required by this section.

(f) In addition to calculating the completion or graduation rate required by paragraph (a)(1) of this section, an institution may, but is not required to—

(1) Calculate a completion or graduation rate for students who transfer into the institution;

(2) Calculate a completion or graduation rate and transfer-out rate for students described in paragraphs (d)(1) through (4) of this section; and

§ 668.55 Updating information.

(a)(1) Unless the provisions of paragraph (a)(2) or (a)(3) of this section apply, an applicant is required to update—

(ii) His or her dependency status in accordance with the provisions of paragraph (d) of this section.

(2) An institution need not require an applicant to verify the information contained in his or her application for assistance in an award year if—

(i) The applicant previously submitted an application for assistance for that award year;

(ii) The applicant updated and verified the information contained in that application; and

(iii) No change in the information to be updated has taken place since the last update.

(3) If, as a result of a change in the applicant's marital status, the number of family members in the applicant's household, the number of those household members attending postsecondary education institutions, or the applicant's dependency status changes, the applicant shall not update those factors or that status.

(b) If the number of family members in the applicant's household or the number of those household members attending postsecondary educational institutions changes for a reason other than a change in the applicant's marital status, an applicant who is selected for verification shall update the information contained in his or her application regarding those factors so

that the information is correct as of the day the applicant verifies the information.

(c) If an applicant has received Federal Pell Grant, ACG, National SMART Grant, campus-based, Federal Stafford Loan, or Federal Direct Stafford/Ford Loan program assistance for an award year, and the applicant subsequently submits another application for assistance under any of those programs for that award year, and the applicant is required to update household size and number attending postsecondary educational institutions on the subsequent application, the institution—

(2) Is not required to adjust the Federal Pell Grant, ACG, National SMART Grant, or campus-based assistance previously awarded to the applicant for that award year, or any previously certified Federal Stafford Loan application or previously originated Direct Subsidized Loan for that award year, to reflect the newly updated information unless the applicant would otherwise receive an overaward.

(d)(1) Except as provided in paragraphs (a)(3) and (d)(2) of this section, if an applicant's dependency status changes after the applicant applies to have his or her EFC calculated for an award year, the applicant must file a new application for that award year reflecting the applicant's new dependency status regardless of whether the applicant is selected for verification.

(2) If the institution has previously certified a Federal Stafford Loan application for an applicant, the applicant shall not update his or her dependency status on the Federal Stafford Loan application. If the institution has previously originated a Direct Subsidized Loan for a borrower, the school shall

(a) *Adjusted Gross Income (AGI), income earned from work, and U.S. income tax paid.* (1) Except as provided in paragraphs (a)(2), (a)(3), and (a)(4) of this section, an institution shall require an applicant selected for verification to verify AGI and U.S. income tax paid by submitting to it, if relevant—

(i) A copy of the income tax return of the applicant, his or her spouse, and his or her parents. The copy of the return must be signed by the filer of the return or by one of the filers of a joint return;

(ii) For a dependent student, a copy of each Internal Revenue Service (IRS) Form W-2 received by the parent whose income is being taken into account if—

(A) The parents filed a joint return; and

(2) If an individual who filed a U.S. tax return and who is required by paragraph (a)(1) of this section to provide a copy of his or her tax return does not have a copy of that return, the institution may require that individual to submit, in lieu of a copy of the tax return, a copy of an IRS form which lists tax account information.

(3) An institution shall accept, in lieu of an income tax return or an IRS listing of tax account information of an individual whose income was used in calculating the EFC of an applicant, the documentation set forth in paragraph (a)(4) of this section if the individual for the base year—

(i) Has not filed and is not required to file an income tax return;

(ii) Is required to file a U.S. tax return and has been granted a filing extension by the IRS; or

(iii) Has requested a copy of the tax return or a Listing of Tax Account Information, and the IRS or a government of a U.S. territory or commonwealth or a foreign central government cannot locate the return or provide a Listing of Tax Account Information.

(4) An institution shall accept—

(i) For an individual described in paragraph (a)(3)(i) of this section, a statement signed by that individual certifying that he or she has not filed nor is required to file an income tax return for the base year and certifying for that year that individual's—

(6) If an individual who is required to submit an IRS Form W-2 under this paragraph is unable to obtain one in a timely manner, the institution may permit that individual to set forth, in a statement signed by the individual, the amount of income earned from work, the source of that income, and the reason that the IRS Form W-2 is not available in a timely manner.

(7) For the purpose of this section, an institution may accept in lieu of a copy of an income tax return signed by the filer of the return or one of the filers of a joint return, a copy of the filer's return that has been signed by the preparer of the return or stamped with the name and address of the preparer of the return.

(c) *Number of family household members enrolled in postsecondary institutions.* (1) Except as provided in § 668.56(b), (c), (d), and (e), an institution shall require an applicant selected for verification to verify annually information included on the application regarding the number of household members in the applicant's family enrolled on at least a half-time basis in

postsecondary institutions. The institution shall require the applicant to verify the information by submitting a statement signed by the applicant and one of the applicant's parents, if the applicant is a dependent student, or by the applicant if the applicant is an independent student, listing—

(ii) A statement from each institution named by the applicant in response to the requirement of paragraph (c)(1)(iii) of this section that the household member in question is or will be attending the institution on at least a half-time basis, unless the institution the student is attending determines that such a statement is not available because the household member in question has not yet registered at the institution he or she plans to attend or the institution has information itself that the student will be attending the same school as the applicant.

(d) *Untaxed income and benefits.* An institution shall require an applicant selected for verification to verify—

(1) Untaxed income and benefits described in § 668.56(a)(5)(iii), (iv), (v), (vi), and (vii) by submitting to it—

(2) Social Security benefits if the institution has reason to believe that those benefits were received and were not reported, or that the applicant has incorrectly reported Social Security benefits received by the applicant, the applicant's parents, or any other children of the applicant's parents who are members of the applicant's household, in the case of a dependent student, or by the applicant, the applicant's spouse, or the applicant's children in the case of an independent student. The applicant shall verify Social Security benefits by submitting a document from the Social Security Administration showing the amount of benefits received in the appropriate calendar year for the appropriate individuals listed above or, at the institution's option, a statement signed by both the applicant and the applicant's parent, in the case of a dependent student, or by the applicant, in the case of an independent student, certifying that the amount listed on the applicant's aid application is correct; and

§ 668.58 Interim disbursements.

(a)(1) If an institution has reason to believe that the information included on the application is inaccurate, until the applicant verifies or corrects the information included on his or her application, the institution may not—

(i) Disburse any Federal Pell Grant, ACG, National SMART Grant, or campus-based program funds to the applicant;

(ii) Employ the applicant in its Federal Work-Study Program;

(iii) Certify the applicant's Federal Stafford Loan application or process Federal Stafford Loan proceeds for any previously certified Federal Stafford Loan application; or

(2) If an institution does not have reason to believe that the information included on an application is inaccurate prior to verification, the institution—

(i) May withhold payment of Federal Pell Grant, ACG, National SMART Grant, or campus-based funds; or

(ii)(A) May make one disbursement of any combination of Federal Pell Grant, ACG, National SMART Grant, Federal Perkins Loan, or FSEOG funds for the applicant's first payment period; and

(B) May employ or allow an employer to employ an eligible student under the Federal Work-Study Program for the first 60 consecutive days after the student's enrollment in that award year; and

(iii)(A) May withhold certification of the applicant's Federal Stafford Loan application or origination of the applicant's Direct Subsidized Loan; or

(b) If an institution chooses to make disbursement under paragraph (a)(2)(ii) (A) or (B) of this section, it is liable for any overpayment discovered as a result of the verification process to the extent that the overpayment is not recovered from the student.

(c) An institution may not withhold any Federal Stafford Loan or Direct Loan proceeds from a student under paragraph (a)(2) of this section for

more than 45 days. If the applicant does not complete the verification process within the 45 day period, the institution shall return the proceeds to the lender.

(d)(1) If the institution receives Federal Stafford Loan or Direct Loan proceeds in an amount which exceeds the student's need for the loan based upon the verified information and the excess funds can be eliminated by reducing subsequent disbursements for the applicable loan period, the institution shall process the proceeds and advise the lender to reduce the subsequent disbursements.

§ 668.59 Consequences of a change in application information.

(a) For the Federal Pell Grant, ACG, and National SMART Grant programs—

(1) Except as provided in paragraph (a)(2) of this section, if the information on an application changes as a result of the verification process, the institution shall require the applicant to resubmit his or her application information to the Secretary for corrections if—

(i) The institution recalculates the applicant's EFC, determines that the applicant's EFC changes, and determines that the change in the EFC changes the applicant's Federal Pell Grant, ACG, or National SMART Grant award; or

(ii) The institution does not recalculate the applicant's EFC.

(2) An institution need not require an applicant to resubmit his or her application information to the Secretary, recalculate an applicant's EFC, or adjust an applicant's Federal Pell Grant, ACG, or National SMART Grant award

if, as a result of the verification process, the institution finds—

(i) No errors in nondollar items used to calculate the applicant's EFC;

(ii) No dollar amount in excess of \$400 as calculated by the net difference between the corrected sum of Adjusted Gross Income (AGI) plus untaxed income minus U.S. taxes paid and the uncorrected sum of Adjusted Gross Income (AGI) plus untaxed income minus U.S. taxes paid. If no Federal Income Tax Return was filed, income earned from work may be used in lieu of Adjusted Gross Income (AGI).

(b) For the Federal Pell Grant, ACG, and National SMART Grant programs—

(1) If an institution does not recalculate an applicant's EFC under the provisions of paragraph (a)(2) of this section, the institution shall calculate and disburse the applicant's Federal Pell Grant, ACG, or National SMART Grant award on the basis of the applicant's original EFC.

(2)(i) Except as provided under paragraph (b)(2)(ii) of this section, if an institution recalculates an applicant's EFC because of a change in application information resulting from the verification process, the institution shall—

(A) Require the applicant to resubmit his or her application to the Secretary;

(B) Recalculate the applicant's Federal Pell Grant, ACG, or National SMART Grant award on the basis of the EFC on the corrected SAR or ISIR; and

(C) Disburse any additional funds under that award only if the applicant provides the institution with the corrected SAR or ISIR and only to the extent that additional funds are payable based on the recalculation.

(ii) If an institution recalculates an applicant's EFC because of a change in application information resulting from the verification process and determines that the change in the EFC increases the applicant's award, the institution—

(A) May disburse the applicant's Federal Pell, ACG, or National SMART Grant award on the basis of the original EFC without requiring the applicant to resubmit his or her application information to the Secretary; and

(B) Except as provided in § 668.60(b), shall disburse any additional funds under the increased award reflecting the new EFC if the institution receives the corrected SAR or ISIR.

(c) For the campus-based, and Federal Stafford Loan or Federal Direct Stafford/Ford Direct Loan programs—

(1) Except as provided in paragraph (c)(2) of this section, if the information on an application changes as a result of the verification process, the institution shall—

(i) Recalculate the applicant's EFC; and

(ii) Adjust the applicant's financial aid package for the campus-based, and Federal Stafford Loan or Federal Direct Stafford/Ford Direct Loan programs to reflect the new EFC if the new EFC results in an overaward of campus-based funds or decreases the applicant's recommended loan amount.

(2) An institution need not recalculate an applicant's EFC or adjust his or her aid package if, as a result of the verification process, the institution finds—

(i) No errors in nondollar items used to calculate the applicant's EFC;

(ii) No dollar amount in excess of \$400 as calculated by the net difference between the corrected sum of Adjusted Gross Income (AGI) plus untaxed income minus U.S. taxes paid and the uncorrected sum of Adjusted Gross Income (AGI) plus untaxed income minus U.S. taxes paid. If no Federal Income Tax Return was filed, income earned from work may be used in lieu of Adjusted Gross Income (AGI).

(d)(1) If the institution selects an applicant for verification for an award year who previously received a Direct Subsidized Loan for that award year, and as a result of verification the loan amount is reduced, the institution shall comply with the procedures specified in § 668.61(b)(2).

(2) If the institution selects an applicant for verification for an award year who previously received a loan under the Federal Stafford Loan Program for that award year, and as a result of verification the loan amount is reduced, the institution shall comply with the procedures for notifying the borrower and lender specified in § 668.61(b) and § 682.604(h).

(e) If the applicant has received funds based on information which may be incorrect and the institution has made a reasonable effort to resolve the alleged discrepancy, but cannot do so, the institution shall forward the applicant's name, social security number, and other relevant information to the Secretary.

§ 668.60 Deadlines for submitting documentation and the consequences of failing to provide documentation.

(a) An institution shall require an applicant selected for verification to submit to it, within the period of time it or the Secretary specifies, the documents set forth in § 668.57 that are requested by the institution or the Secretary.

(b) For purposes of the campus-based, Federal Stafford Loan, Federal Direct Stafford/Ford Loan programs—

(1) If an applicant fails to provide the requested documentation within a reasonable time period established by the institution or by the Secretary—

(i) The institution may not—

(A) Disburse any additional Federal Perkins Loan, FSEOG or funds to the applicant;

(B) Continue to employ or allow an employer to employ the applicant under FWS;

(C) Certify the applicant's Federal Stafford Loan application or originate the applicant's Direct Subsidized Loan; or

(D) Process Federal Stafford Loan or Direct Subsidized Loan Direct Loan proceeds for the applicant;

(ii) The institution shall return to the lender, or to the Secretary, in the case of a Direct Subsidized Loan, any Federal Stafford Loan or Direct Subsidized Loan proceeds that otherwise would be payable to the applicant; and

(iii) The applicant shall repay to the institution any Federal Perkins Loan, FSEOG, or payments received for that award year;

(2) If the applicant provides the requested documentation after the time period established by the institution, the institution may, at its option, award aid to the applicant notwithstanding paragraph (b)(1)(i) of this section; and

(3) An institution may not withhold any Federal Stafford Loan proceeds from an applicant under paragraph (b)(1)(i)(D) of this section for more than 45 days. If the applicant does not complete verification within the 45-day period, the institution shall return the Federal Stafford Loan proceeds to the lender.

(c) For purposes of the Federal Pell Grant, ACG, and National SMART Grant programs—

(1) An applicant may submit a verified SAR to the institution or the institution may receive a verified ISIR after the applicable deadline specified in 34 CFR 690.61 and 691.61 but within an established additional time period set by the Secretary through publication of a notice in the FEDERAL REGISTER. If the institution receives a verified SAR or ISIR during the established additional time period, and the EFC on the two SARs or ISIRs are different, payment must be based on the higher of the two EFCs.

(2) If the applicant does not provide to the institution the requested documentation and, if necessary, a verified SAR or the institution does not receive a verified ISIR, within the additional time period referenced in paragraph (c)(1) of this section, the applicant—

(i) Forfeits the Federal Pell Grant, ACG, or National SMART Grant for the award year; and

(ii) Shall return any Federal Pell Grant, ACG, or National SMART Grant payments previously received for that award year to the Secretary.

(d) The Secretary may determine not to process any subsequent application for Federal Pell Grant, ACG, or National SMART Grant program assistance, and an institution, if directed by the Secretary, may not process any subsequent application for campus-based, Federal Direct Stafford/Ford Loan, or Federal Stafford Loan program assistance of an applicant who has been requested to provide documentation until the applicant provides

the documentation or the Secretary decides that there is no longer a need for the documentation.

(e) If an applicant selected for verification for an award year dies before the deadline for completing the verification process without completing that process, and the deadline is in the subsequent award year, the institution may not—

(1) Make any further disbursements on behalf of that applicant;

(2) Certify that applicant's Federal Stafford Loan application, originate that applicant's Direct Subsidized Loan, or process that applicant's Federal Stafford Loan or Direct Subsidized Loan proceeds; or

(3) Consider any funds it disbursed to that applicant under § 668.58(a)(2) as an overpayment.

§ 668.61 Recovery of funds.

(a) If an institution discovers, as a result of the verification process, that an applicant received under § 668.58(a)(2)(ii)(A) more financial aid than the applicant was eligible to receive, the institution shall eliminate the overpayment by—

(1) Adjusting subsequent financial aid payments in the award year in which the overpayment occurred; or

(2) Reimbursing the appropriate program account by—

(i) Requiring the applicant to return the overpayment to the institution if the institution cannot correct the overpayment under paragraph (a)(1) of this section; or

(ii) Making restitution from its own funds, by the earlier of the following dates, if the applicant does not return the overpayment:

(A) Sixty days after the applicant's last day of attendance.

(B) The last day of the award year in which the institution disbursed Federal Pell Grant, ACG, National SMART Grant, Federal Perkins Loan, or FSEOG funds to the applicant.

(b)(1) If the institution determines as a result of the verification process that an applicant received Stafford Loan or

proceeds for an award year in excess of the student's financial need for the loan, the institution shall withhold and promptly return to the lender or escrow agent any disbursement not yet delivered to the student that exceeds the amount of assistance for which the student is eligible, taking into account other financial aid received by the student. However, instead of returning the entire undelivered disbursement, the school may choose to return promptly to the lender only the portion of the disbursement for which the student is ineligible. In either case, the institution shall provide the lender with a written statement describing the reason for the returned loan funds.

(2) If the institution determines as a result of the verification process that a student received Direct Subsidized Loan proceeds for an award year in excess of the student's need for the loan, the institution shall reduce or cancel one or more subsequent disbursements to eliminate the amount in excess of the student's need.

§ 668.82 Standard of conduct.

(a) A participating institution or a third-party servicer that contracts with that institution acts in the nature of a fiduciary in the administration of the Title IV, HEA programs. To participate in any Title IV, HEA program, the institution or servicer must at all times act with the competency and integrity necessary to qualify as a fiduciary.

(b) In the capacity of a fiduciary—

(1) A participating institution is subject to the highest standard of care and diligence in administering the programs and in accounting to the Secretary for the funds received under those programs; and

(2) A third-party servicer is subject to the highest standard of care and diligence in administering any aspect of the programs on behalf of the institutions with which the servicer contracts and in accounting to the Secretary and those institutions for any funds administered by the servicer under those programs.

(c) The failure of a participating institution or any of the institution's third-party servicers to administer a Title IV, HEA program, or to account for the funds that the institution or servicer receives under that program, in accordance with the highest standard of care and diligence required of a fiduciary, constitutes grounds for—

(1) An emergency action against the institution, a fine on the institution, or the limitation, suspension, or termination of the institution's participation in that program; or

(2) An emergency action against the servicer, a fine on the servicer, or the limitation, suspension, or termination of the servicer's eligibility to contract with any institution to administer any aspect of the institution's participation in that program.

(d)(1) A participating institution or a third-party servicer with which the institution contracts violates its fiduciary duty if—

(i)(A) The servicer has been convicted of, or has pled *nolo contendere* or guilty to, a crime involving the acquisition, use, or expenditure of Federal, State, or local government funds, or has been administratively or judicially determined to have committed fraud or any

other material violation of law involving those funds;

(B) A person who exercises substantial control over the servicer, as determined according to § 668.15, has been convicted of, or has pled *nolo contendere* or guilty to, a crime involving the acquisition, use, or expenditure of Federal, State, or local government funds, or has been administratively or judicially determined to have committed fraud or any other material violation of law involving those funds;

(C) The servicer employs a person in a capacity that involves the administration of Title IV, HEA programs or the receipt of Title IV, HEA program funds who has been convicted of, or has pled *nolo contendere* or guilty to, a crime involving the acquisition, use, or expenditure of Federal, State, or local government funds, or who has been administratively or judicially determined to have committed fraud or any other material violation of law involving those funds; or

(D) The servicer uses or contracts in a capacity that involves any aspect of the administration of the Title IV, HEA programs with any other person, agency, or organization that has been or whose officers or employees have been—

(1) Convicted of, or pled *nolo contendere* or guilty to, a crime involving the acquisition, use, or expenditure of Federal, State, or local government funds; or

(2) Administratively or judicially determined to have committed fraud or any other material violation of law involving Federal, State, or local government funds; and

(ii) Upon learning of a conviction, plea, or administrative or judicial determination described in paragraph (d)(1)(i) of this section, the institution or servicer, as applicable, does not promptly remove the person, agency, or organization from any involvement in the administration of the institution's participation in Title IV, HEA programs, or, as applicable, the removal or elimination of any substantial control, as determined according to § 668.15, over the servicer.

(2) A violation for a reason contained in paragraph (d)(1) of this section is grounds for terminating—

(i) The servicer's eligibility to contract with any institution to administer any aspect of the institution's participation in a Title IV, HEA program; and

(ii) The participation in any Title IV, HEA program of any institution under whose contract the servicer committed the violation, if that institution had been aware of the violation and had failed to take the appropriate action described in paragraph (d)(1)(ii) of this section.

(e)(1) A participating institution or third-party servicer, as applicable, violates its fiduciary duty if—

(i)(A) The institution or servicer, as applicable, is debarred or suspended under Executive Order (E.O.) 12549 (3 CFR, 1986 Comp., p. 189) or the Federal Acquisition Regulations (FAR), 48 CFR part 9, subpart 9.4; or

(B) Cause exists under 34 CFR 85.700 or 85.800 for debarring or suspending the institution, servicer, or any principal or affiliate of the institution or servicer under E.O. 12549 (3 CFR, 1986 Comp., p. 189) or the FAR, 48 CFR part 9, subpart 9.4; and

(ii) Upon learning of the debarment, suspension, or cause for debarment or suspension, the institution or servicer, as applicable, does not promptly—

(A) Discontinue the affiliation; or

(B) Remove the principal from responsibility for any aspect of the administration of an institution's or servicer's participation in the Title IV, HEA programs.

(2) A violation for a reason contained in paragraph (e)(1) of this section is grounds for terminating—

(i) The institution's participation in any Title IV, HEA program; and

(ii) The servicer's eligibility to contract with any institution to administer any aspect of the institution's participation in any Title IV, HEA program. The violation is also grounds for terminating, under this subpart, the participation in any Title IV, HEA program of any institution under whose contract the servicer committed the violation, if that institution knew or should have known of the violation.

(f)(1) The debarment of a participating institution or third-party servicer, as applicable, under E.O. 12549 (3 CFR, 1986 Comp., p. 189) or the FAR,

48 CFR part 9, subpart 9.4, or another Federal agency from participation in Federal programs, under procedures described in 34 CFR 85.612(d) terminates, for the duration of the debarment—

(i) The institution's participation in any Title IV, HEA program; and

(ii) The servicer's eligibility to contract with any institution to administer any aspect of the institution's participation in any Title IV, HEA program.

(2)(i) The suspension of a participating institution or third-party servicer, as applicable, under E.O. 12549 (3 CFR, 1986 Comp., p. 189) or the FAR, 48 CFR part 9, subpart 9.4, or another Federal agency from participation in Federal programs, under procedures described in 34 CFR 85.612(d), suspends—

(A) The institution's participation in any Title IV, HEA program; and

(B) The servicer's eligibility to contract with any institution to administer any aspect of the institution's participation in any Title IV, HEA program.

(ii) A suspension described in paragraph (f)(2) of this section lasts for a period of 60 days, beginning on the effective date specified in the notice by the Secretary under 34 CFR 85.201(b), unless—

(A) The institution or servicer, as applicable, and the Secretary, agree to an extension of the suspension; or

(B) The Secretary begins a limitation or termination proceeding against the institution or servicer, as applicable, under this subpart before the 60th day of the suspension.

(3) A debarment or suspension not described in (f)(1) or (f)(2) of this section of a participating institution or third-party servicer by another Federal agency constitutes prima facie evidence in a proceeding under this subpart that cause for suspension or debarment and termination, as applicable, exists.

§ 668.83 Emergency action.

(a) Under an emergency action, the Secretary may—

(1) Withhold Title IV, HEA program funds from a participating institution or its students, or from a third-party servicer, as applicable;

(2)(i) Withdraw the authority of the institution or servicer, as applicable, to commit, disburse, deliver, or cause the commitment, disbursement, or delivery of Title IV, HEA program funds; or

(ii) Withdraw the authority of the institution or servicer, as applicable, to commit, disburse, deliver, or cause the commitment, disbursement, or delivery of Title IV, HEA program funds except in accordance with a particular procedure; and

(3)(i) Withdraw the authority of the servicer to administer any aspect of any institution's participation in any Title IV, HEA program; or

(ii) Withdraw the authority of the servicer to administer any aspect of any institution's participation in any Title IV, HEA program except in accordance with a particular procedure.

(b)(1) An initiating official begins an emergency action against an institution or third-party servicer by sending the institution or servicer a notice by registered mail, return receipt requested. In an emergency action against a third-party servicer, the official also sends the notice to each institution that contracts with the servicer. The official also may transmit the notice by other, more expeditious means if practical.

(2) The emergency action takes effect on the date the initiating official mails the notice to the institution or servicer, as applicable.

(3) The notice states the grounds on which the emergency action is based, the consequences of the emergency action, and that the institution or servicer, as applicable, may request an opportunity to show cause why the emergency action is unwarranted.

(c)(1) An initiating official takes emergency action against an institution or third-party servicer only if that official—

(i) Receives information, determined by the official to be reliable, that the institution or servicer, as applicable, is

violating any statutory provision of or applicable to Title IV of the HEA, any regulatory provision prescribed under that statutory authority, or any applicable special arrangement, agreement, or limitation entered into under the authority of statutes applicable to Title IV of the HEA;

(ii) Determines that immediate action is necessary to prevent misuse of Title IV, HEA program funds; and

(iii) Determines that the likelihood of loss from that misuse outweighs the importance of awaiting completion of any proceeding that may be initiated to limit, suspend, or terminate, as applicable—

(A) The participation of the institution in one or more Title IV, HEA programs; or

(B) The eligibility of the servicer to contract with any institution to administer any aspect of the institution's participation in a Title IV, HEA program.

(2) Examples of violations of a Title IV, HEA program requirement that cause misuse and the likely loss of Title IV, HEA program funds include—

(i) Causing the commitment, disbursement, or delivery by any party of Title IV, HEA program funds in an amount that exceeds—

(A) The amount for which students are eligible; or

(B) The amount of principal, interest, or special allowance payments that would have been payable to the holder of a Federal Stafford or Federal PLUS loan if a refund allocable to that loan had been made in the amount and at the time required;

(ii) Using, offering to make available, or causing the use or availability of Title IV, HEA program funds for educational services if—

(A) The institution, servicer, or agents of the institution or servicer have made a substantial misrepresentation as described in §§ 668.72, 668.73, or 668.74 related to those services;

(B) The institution lacks the administrative or financial ability to provide those services in full; or

(C) The institution, or servicer, as applicable, lacks the administrative or financial ability to make all required payments under § 668.22; and

(iii) Engaging in fraud involving the administration of a Title IV, HEA program. Examples of fraud include—

(A) Falsification of any document received from a student or pertaining to a student's eligibility for assistance under a Title IV, HEA program;

(B) Falsification, including false certifications, of any document submitted by the institution or servicer to the Secretary;

(C) Falsification, including false certifications, of any document used for or pertaining to—

(1) The legal authority of an institution to provide postsecondary education in the State in which the institution is located; or

(2) The accreditation or preaccreditation of an institution or any of the institution's educational programs or locations;

(D) Falsification, including false certifications, of any document submitted to a guaranty agency under the Federal Stafford Loan or Federal PLUS programs or an independent auditor;

(E) Falsification of any document submitted to a third-party servicer by an institution or to an institution by a third-party servicer pertaining to the institution's participation in a Title IV, HEA program; and

(F) Falsification, including false certifications, of any document pertaining to the performance of any loan collection activity, including activity that is not required by the HEA or applicable program regulations.

(3) If the Secretary begins an emergency action against a third-party servicer, the Secretary may also begin an emergency action against any institution under whose contract a third-party servicer commits the violation.

(d)(1) Except as provided in paragraph (d)(2) of this section, after an emergency action becomes effective, an institution or third-party servicer, as applicable, may not—

(i) Make or increase awards or make other commitments of aid to a student under the applicable Title IV, HEA program;

(ii) Disburse either program funds, institutional funds, or other funds as assistance to a student under that Title IV, HEA program;

(iii) In the case of an emergency action pertaining to participation in the Federal Stafford Loan or Federal PLUS programs—

(A) Certify an application for a loan under that program;

(B) Deliver loan proceeds to a student under that program; or

(C) Retain the proceeds of a loan made under that program that are received after the emergency action takes effect; or

(iv) In the case of an emergency action against a third-party servicer, administer any aspect of any institution's participation in any Title IV, HEA program.

(2) If the initiating official withdraws, by an emergency action, the authority of the institution or servicer to commit, disburse, deliver, or cause the commitment, disbursement, or delivery of Title IV, HEA program funds, or the authority of the servicer to administer any aspect of any institution's participation in any Title IV, HEA program, except in accordance with a particular procedure specified in the notice of emergency action, the institution or servicer, as applicable, may not take any action described in paragraph (d)(1) of this section except in accordance with the procedure specified in the notice.

(e)(1) Upon request by the institution or servicer, as applicable, the Secretary provides the institution or servicer, as soon as practicable, with an opportunity to show cause that the emergency action is unwarranted or should be modified.

(2) An opportunity to show cause consists of an opportunity to present evidence and argument to a show-cause official. The initiating official does not act as the show-cause official for any emergency action that the initiating official has begun. The show-cause official is authorized to grant relief from the emergency action. The institution or servicer may make its presentation in writing or, upon its request, at an informal meeting with the show-cause official.

(3) The show-cause official may limit the time and manner in which argument and evidence may be presented in order to avoid unnecessary delay or the

presentation of immaterial, irrelevant, or repetitious matter.

(4) The institution or servicer, as applicable, has the burden of persuading the show-cause official that the emergency action imposed by the notice is unwarranted or should be modified because—

(i) The grounds stated in the notice did not, or no longer, exist;

(ii) The grounds stated in the notice will not cause loss or misuse of Title IV, HEA program funds; or

(iii) The institution or servicer, as applicable, will use procedures that will reliably eliminate the risk of loss from the misuse described in the notice.

(5) The show-cause official continues, modifies, or revokes the emergency action promptly after consideration of any argument and evidence presented by the institution or servicer, as applicable, and the initiating official.

(6) The show-cause official notifies the institution or servicer, as applicable, of that official's determination promptly after the completion of the show-cause meeting or, if no meeting is requested, after the official receives all the material submitted by the institution in opposition to the emergency action. In the case of a notice to a third-party servicer, the official also notifies each institution that contracts with the servicer of that determination. The show-cause official may explain that determination by adopting or modifying the statement of reasons provided in the notice of emergency action.

(f)(1) An emergency action does not extend more than 30 days after initiated unless the Secretary initiates a limitation, suspension, or termination proceeding under this part or under 34 CFR part 600 against the institution or servicer, as applicable, within that 30-day period, in which case the emergency action continues until a final decision is issued in that proceeding, as provided in § 668.90(c), as applicable.

(2) Until a final decision is issued by the Secretary in a proceeding described in paragraph (f)(1) of this section, any action affecting the emergency action

is at the sole discretion of the initiating official, or, if a show-cause proceeding is conducted, the show-cause official.

(3) If an emergency action extends beyond 180 days by virtue of paragraph (f)(1) of this section, the institution or servicer, as applicable, may then submit written material to the show-cause official to demonstrate that because of facts occurring after the later of the notice by the initiating official or the show-cause meeting, continuation of the emergency action is unwarranted and the emergency action should be modified or ended. The show-cause official considers any written material submitted and issues a determination that continues, modifies, or revokes the emergency action.

(g) The expiration of an emergency action, or its modification or revocation by the show-cause official, does not bar subsequent emergency action on a ground other than one specifically identified in the notice imposing the prior emergency action. Separate grounds may include violation of an agreement or limitation imposed or resulting from the prior emergency action.

(b) *Procedures.* (1) A designated department official begins a fine proceeding by sending the institution or servicer, as applicable, a notice by certified mail, return receipt requested. In the case of a fine proceeding against a third-party servicer, the official also sends the notice to each institution that is affected by the alleged violations identified as the basis for the fine action, and, to the extent possible, to each institution that contracts with the servicer for the same service affected by the violation. This notice—

(i) Informs the institution or servicer of the Secretary's intent to fine the institution or servicer, as applicable, and the amount of the fine and identifies the alleged violations that constitute the basis for the action;

(ii) Specifies the proposed effective date of the fine, which is at least 20 days from mailing of the notice of intent;

(iii) Informs the institution or servicer that the fine will not be effective on the date specified in the notice if the designated department official receives from the institution or servicer, as applicable, by that date a written request for a hearing or written material indicating why the fine should not be imposed; and

(iv) In the case of a fine proceeding against a third-party servicer, informs each institution that is affected by the alleged violations of the consequences of the action to the institution.

(3) If the institution or servicer requests a hearing by the time specified in paragraph (b)(1)(iii) of this section, the designated department official sets the date and the place. The date is at least 15 days after the designated department official receives the request.

(4) A hearing official conducts a hearing in accordance with § 668.88.

(iii) Informs the institution or servicer that the suspension will not be effective on the date specified in the notice, except as provided in § 668.90(b)(2), if the designated department official receives from the institution or servicer, as applicable, by that date a request for a hearing or written material indicating why the suspension should not take place; and

(iv) In the case of a suspension proceeding against a third-party servicer, informs each institution that contracts with the servicer of the consequences of the action to the institution.

(i) The proposed suspension is dismissed; or

(ii) The suspension is effective as of a specified date.

(3) If the institution or servicer requests a hearing by the time specified in paragraph (b)(1)(iii) of this section, the designated department official sets the date and place. (3) The consequences of the limitation or termination of the institution's participation or the servicer's eligibility are described in §§ 668.93 and 668.94, respectively.

(b) *Procedures.* (1) A designated department official begins a limitation or termination proceeding by sending an institution or third-party servicer a notice by certified mail, return receipt requested. In the case of a limitation or termination proceeding against a third-party servicer, the official also sends the notice to each institution that contracts with the servicer. The designated department official may also transmit the notice by other, more expeditious means if practical. This notice—

(i) Informs the institution or servicer of the intent of the Secretary to limit or terminate the institution's participation or servicer's eligibility, as applicable, cites the consequences of that action, and identifies the alleged violations that constitute the basis for the action, and, in the case of a limitation proceeding, states the limits to be imposed;

(1) Scheduling of conferences;

(2) Setting time limits for hearings and submission of written documents; and

(3) Terminating the hearing and issuing a decision against a party if that party does not meet those time limits.

(d) The hearing official is bound by all applicable statutes and regulations. The hearing official may not—

§ 668.90 Initial and final decisions.

(a)(1)(i) A hearing official issues a written initial decision in a hearing by certified mail, return receipt requested to—

(A) The designated department official who began a proceeding against an institution or third-party servicer;

(B) The institution or servicer, as applicable; and

(C) In the case of a proceeding against a third-party servicer, each institution that contracts with the servicer.

(ii) The hearing official may also transmit the notice by other, more expeditious means if practical.

(iii) The hearing official issues the decision within the latest of the following dates:

(A) The 30th day after the last submission is filed with the hearing official.

(B) The 60th day after the last submission is filed with the hearing official if the Secretary, upon request of

the hearing official, determines that the unusual complexity of the case requires additional time for preparation of the decision.

(C) The 50th day after the last day of the hearing, if the hearing official does not request the parties to make any posthearing submission.

(2) The hearing official's initial decision states whether the imposition of the fine, limitation, suspension, or termination sought by the designated department official is warranted, in whole or in part. If the designated department official brought a termination action against the institution or servicer, the hearing official may, if appropriate, issue an initial decision to fine the institution or servicer, as applicable, or, rather than terminating the institution's participation or servicer's eligibility, as applicable, impose one or more limitations on the institution's participation or servicer's eligibility.

(3) Notwithstanding the provisions of paragraph (a)(2) of this section—

(i) If, in a termination action against an institution, the hearing official finds that the institution has violated the provisions of § 668.14(b)(18), the hearing official also finds that termination of the institution's participation is warranted;

(ii) If, in a termination action against a third-party servicer, the hearing official finds that the servicer has violated the provisions of § 668.82(d)(1), the hearing official also finds that termination of the institution's participation or servicer's eligibility, as applicable, is warranted;

(iii) If an action brought against an institution or third-party servicer involves its failure to provide surety in the amount specified by the Secretary under § 668.15, the hearing official finds that the amount of the surety established by the Secretary was appropriate, unless the institution can demonstrate that the amount was unreasonable;

(iv) In a termination action taken against an institution or third-party servicer based on the grounds that the institution or servicer failed to comply with the requirements of § 668.23(c)(3), if the hearing official finds that the institution or servicer failed to meet

those requirements, the hearing official finds that the termination is warranted;

(v) In a termination action against an institution based on the grounds that the institution is not financially responsible under § 668.15(c)(1), the hearing official finds that the termination is warranted unless the institution demonstrates that all applicable conditions described in § 668.15(d)(4) have been met; and

(vi) In a termination action against an institution or third-party servicer on the grounds that the institution or servicer, as applicable, engaged in fraud involving the administration of any Title IV, HEA program, the hearing official finds that the termination action is warranted if the hearing official finds that the institution or servicer, as applicable, engaged in that fraud. Examples of fraud include—

(A) Falsification of any document received from a student or pertaining to a student's eligibility for assistance under a Title IV, HEA program;

(B) Falsification, including false certifications, of any document submitted by the institution or servicer to the Department of Education;

(C) Falsification, including false certifications, of any document used for or pertaining to—

(1) The legal authority of an institution to provide postsecondary education in the State in which the institution is located; or

(2) The accreditation or preaccreditation of an institution or any of the institution's educational programs or locations;

(D) Falsification, including false certifications, of any document submitted to a guaranty agency under the Federal Stafford Loan, Federal PLUS, and Federal SLS programs, an independent auditor, an eligible institution, or a third-party servicer;

(E) Falsification of any document submitted to a third-party servicer by an institution or to an institution by a third-party servicer pertaining to the institution's participation in a Title IV, HEA program; and

(F) Falsification, including false certifications, of any document pertaining to the performance of any loan collection activity, including activity that is

not required by the HEA or applicable program regulations.

(4) The hearing official bases findings of fact only on evidence considered at the hearing and on matters given judicial notice. If a hearing is conducted solely through written submissions, the parties must agree to findings of fact.

(b)(1) In a suspension proceeding, the Secretary reviews the hearing official's initial decision and issues a final decision within 20 days after the initial decision. The Secretary adopts the initial decision unless it is clearly unsupported by the evidence presented at the hearing.

(2) The Secretary notifies the institution or servicer and, in the case of a suspension proceeding against a third-party servicer, each institution that contracts with the servicer of the final decision. If the Secretary suspends the institution's participation or servicer's eligibility, the suspension takes effect on the later of—

(i) The day that the institution or servicer receives the notice; or

(ii) The date specified in the designated department official's original notice of intent to suspend the institution's participation or servicer's eligibility.

(3) A suspension may not exceed 60 days unless a designated department official begins a limitation or termination proceeding under this subpart before the expiration of that period. In that case, the period may be extended until a final decision is issued in that proceeding according to paragraph (c) of this section.

(c)(1) In a fine, limitation, or termination proceeding, the hearing official's initial decision automatically becomes the Secretary's final decision 30 days after the initial decision is issued and received by both parties unless, within that 30-day period, the institution or servicer, as applicable, or the designated department official appeals the initial decision to the Secretary.

(2)(i) A party may appeal the hearing official's initial decision by submitting to the Secretary, within 30 days after the party receives the initial decision, a brief or other written statement that explains why the party believes that

the Secretary should reverse or modify the decision of the hearing official.

(ii) At the time the party files its appeal submission, the party shall provide a copy of that submission to the opposing party.

(iii) The opposing party shall submit its brief or other responsive statement to the Secretary, with a copy to the appellant, within 30 days after the opposing party receives the appellant's brief or written statement.

(iv) The appealing party may submit proposed findings of fact or conclusions of law. However, the proposed findings of fact must be supported by—

(A) The evidence introduced into the record at the hearing;

(B) Stipulations of the parties if the hearing consisted of written submissions; or

(C) Matters that may be judicially noticed.

(v) Neither party may introduce new evidence on appeal.

(vi) The initial decision of the hearing official imposing a fine or limiting or terminating the institution's participation or servicer's eligibility does not take effect pending the appeal.

(vii) The Secretary renders a final decision. The Secretary may delegate to a designated department official the functions described in paragraph (c)(2) (vii) through (ix) of this section.

(viii) In rendering a final decision, the Secretary considers only evidence introduced into the record at the hearing and facts agreed to by the parties if the hearing consisted only of written submissions and matters that may be judicially noticed.

(ix) If the hearing official finds that a termination is warranted pursuant to paragraph (a)(3) of this section, the Secretary may affirm, modify, or reverse the initial decision, or may remand the case to the hearing official for further proceedings consistent with the Secretary's decision. If the Secretary affirms the initial decision without issuing a statement of reasons, the Secretary adopts the opinion of the hearing official as the decision of the Secretary. If the Secretary modifies, remands, or reverses the initial decision, in whole or in part, the Sec-

retary's decision states the reasons for the action taken.

§ 668.91 Filing of requests for hearings and appeals; confirmation of mailing and receipt dates.

(a) *Filing of request for hearing, show-cause opportunity, or appeal.* (1) A request by an institution or third-party servicer for a hearing or show-cause opportunity, other material submitted by an institution or third-party servicer in response to a notice of proposed action under this subpart, or an appeal to the Secretary under this subpart must be filed with the designated department official by hand-delivery, mail, or facsimile transmission.

(2) Documents filed by facsimile transmission must be transmitted to the designated department official identified, either in the notice initiating the action, or, for an appeal, in instructions provided by the hearing official, as the individual responsible to receive them. A party filing a document by facsimile transmission must confirm that a complete and legible copy of the document was received by the Department of Education, and may be required by the designated department official to provide a hard copy of the document.

(3) The Secretary discourages the use of facsimile transmission for documents longer than five pages.

(4) If agreed upon by the parties, service of a document required to be served on another party may be made upon the other party by facsimile transmission.

(b) *Confirmation of mailing and receipt dates.* (1) The mailing date of a notice from a designated department official initiating an action under this subpart is the date evidenced on the original receipt of mailing from the U.S. Postal Service.

(2) The date on which a request for a show-cause opportunity, a request for a hearing, other material submitted in response to a notice of action under

this subpart, a decision by a hearing official, or a notice of appeal is received is, as applicable—

(i) The date of receipt evidenced on the original receipt for a document sent by certified mail.

(ii) The date following the date recorded by the delivery service as the date material was sent for a document sent by next-day delivery service.

(iii) The date a document sent by regular mail is recorded, according to the regular business practice of the office receiving the document, as received.

(iv) The date a document sent by facsimile transmission is recorded as received by the facsimile equipment that receives the transmission.

(c) *Refusals.* If an institution or third-party servicer refuses to accept a notice mailed under this subpart, the Secretary considers the notice as being received on the date that the institution or servicer refuses to accept the notice.

§ 668.92 Fines.

(a) In determining the amount of a fine, the designated department official, hearing official, and Secretary take into account—

(1) (i) The gravity of an institution's or third-party servicer's violation or failure to carry out the relevant statutory provision, regulatory provision, special arrangement, agreement, or limitation entered into under the authority of statutes applicable to Title IV of the HEA; or

(ii) The gravity of the institution's or servicer's misrepresentation;

(2) The size of the institution;

(3) The size of the servicer's business, including the number of institutions and students served by the servicer;

(4) In the case of a violation by a third-party servicer, the extent to which the servicer can document that the institution contributed to that violation; and

(5) For purposes of assessing a fine on a third-party servicer, the extent to which—

violations caused by a repeated mechanical systemic unintentional error as a single violation, unless the servicer has been cited for a similar violation previously and had failed to make the appropriate corrections to the system; and

(ii) The financial loss of Title IV, HEA program funds was attributable to a repeated mechanical systemic unintentional error.

(b) In determining the gravity of the institution's or servicer's violation, failure, or misrepresentation under paragraph (a) of this section, the designated department official, hearing official, and Secretary take into account the amount of any liability owed by the institution and any third-party servicer that contracts with the institution, and the number of students affected as a result of that violation, failure, or misrepresentation on—

(1) Improperly expended or unspent Title IV, HEA program funds received by the institution or servicer, as applicable; or

(2) Required refunds, including the treatment of title IV, HEA program funds when a student withdraws under § 668.22.

(c) Upon the request of the institution or third-party servicer, the Secretary may compromise the fine.

(d)(1) Notwithstanding any other provision of statute or regulation, any individual described in paragraph (d)(2) of this section, in addition to other penalties provided by law, is liable to the Secretary for amounts that should have been refunded or returned under § 668.22 of the title IV program funds not returned, to the same extent with respect to those funds that such an individual would be liable as a responsible person for a penalty under section 6672(a) of Internal Revenue Code of 1986 with respect to the nonpayment of taxes.

(2) The individual subject to the penalty described in paragraph (d)(1) is any individual who—

(i) The Secretary determines, in accordance with § 668.174(c), exercises substantial control over an institution participating in, or seeking to participate in, a program under this title;

(iii) Willfully fails to return those funds or willfully attempts in any manner to evade that payment.

A limitation may include, as appropriate to the Title IV, HEA program in question—

(a) A limit on the number or percentage of students enrolled in an institution who may receive Title IV, HEA program funds;

(b) A limit, for a stated period of time, on the percentage of an institution's total receipts from tuition and fees derived from Title IV, HEA program funds;

(b) After its participation in a Title IV, HEA program has been terminated, an institution may disburse or deliver funds under that Title IV, HEA program to students enrolled at the institution only in accordance with § 668.26 and with any additional requirements imposed under this part.

(c) If a third-party servicer's eligibility is terminated, the servicer must return to each institution that contracts with the servicer any funds received by the servicer under the applicable Title IV, HEA program on behalf of the institution or the institution's students or otherwise dispose of those funds under instructions from the Secretary. (b) The corrective action may include payment of any funds to the Secretary, or to designated recipients, that the institution or servicer, as applicable, improperly received, withheld, disbursed, or caused to be disbursed. Corrective action may, for example, relate to—

(1) With respect to the Federal Stafford Loan, Federal PLUS, and Federal SLS programs—

§ 668.98 Interlocutory appeals to the Secretary from rulings of a hearing official.

(a) A ruling by a hearing official may not be appealed to the Secretary until the issuance of an initial decision, except that the Secretary may, at any time prior to the issuance of the initial decision, grant a review of a ruling upon either a certification by a hearing official of the ruling to the Secretary for review or the filing of a petition for review of a ruling by one or both of the parties, if—

(i) A brief statement of the facts necessary to an understanding of the issue on which review is sought.

(ii) A statement of the issue.

The Secretary may order a stay of proceedings at any time after the filing of a request for interlocutory review.

(v)(A) If the test is in Spanish, accompanied by a distribution of test scores that clearly indicates the mean score and standard deviation for Spanish-speaking students with high school diplomas who have taken the test within 5 years before the date on which the test is submitted to the Secretary for approval; and

(B) If the test is in a language other than Spanish, accompanied by a recommendation for a provisional passing score based upon performance of a sample of test takers representative of the intended population and large enough to produce stable norms.

(3) In the case of a test that is modified for use for persons with disabilities, the test publisher must—

(i) Follow guidelines provided in the “Testing People Who Have Handicapping Conditions” section of the *Standards for Educational and Psychological Testing*;

(ii) Provide documentation of the appropriateness and feasibility of the modifications relevant to test performance; and

(iii) Recommend passing score(s) based on the previous performance of test-takers.

(4) In the case of a computer-based test, the test publisher must—

(i) Provide documentation to the Secretary that the test complies with the basic principles of test construction and standards of reliability and validity as promulgated in the *Standards for Educational and Psychological Testing*, as well as specific guidelines set forth in the American Psychological Association’s *Guidelines for Computer-based Tests and Interpretations* (1986);

(ii) Provide test administrators with instructions for familiarizing test takers with computer hardware prior to test-taking; and

(iii) Provide two or more parallel, equated forms of the test, or, if parallel forms are generated from an item pool, provide documentation of the methods of item selection for alternate forms; and

(b) If a test is designed solely to measure the English language competence of non-native speakers of English—

(1) The test must meet the criteria set forth in § 668.146(b)(6), and § 668.146(c)(1), (c)(2), and (c)(4); and

(2) The test publisher must recommend a passing score based on the mean score of test takers beyond the age of compulsory school attendance who entered U.S. high school equivalency programs, formal training programs, or bilingual vocational programs.

§ 668.149 Special provisions for the approval of assessment procedures for special populations for whom no tests are reasonably available.

If no test is reasonably available for persons with disabilities or students whose native language is not English and who are not fluent in English, so that no test can be approved under §§ 668.146 or 668.148 for these students, the following procedures apply:

(a) *Persons with disabilities.* (1) The Secretary considers a modified test or testing procedure, or instrument that has been scientifically developed specifically for the purpose of evaluating the ability to benefit from postsecondary training or education of disabled students to be an approved test for purposes of this subpart provided that the testing procedure or instrument measures both basic verbal and quantitative skills at the secondary school level.

(2) The Secretary considers the passing scores for these testing procedures or instruments to be those rec-

ommended by the test developer, provided that the test administrator—

(i) Uses those procedures or instruments;

(ii) Maintains appropriate documentation, including a description of the procedures or instruments, their content domains, technical properties, and scoring procedures; and

(iii) Observes recommended passing scores.

(b) *Students whose native language is not English.* The Secretary considers a test in a student's native language for a student whose native language is not English to be an approved test under this subpart if—

(1) The Secretary has not approved any test in that native language;

(2) The test was not previously rejected for approval by the Secretary;

(3) The test measures both basic verbal and quantitative skills at the secondary school level; and

(4) The passing scores and the methods for determining the passing scores are fully documented.

§ 668.150 Agreement between the Secretary and a test publisher.

(a) If the Secretary approves a test under this subpart, the test publisher must enter into an agreement with the Secretary that contains the provisions set forth in paragraph (b) of this section before an institution may use the test to determine a student's eligibility for Title IV, HEA program funds.

(b) The agreement between a test publisher and the Secretary provides that the test publisher shall—

(1) Allow only test administrators that it certifies to give its test;

(2) Certify test administrators who have—

(i) The necessary training, knowledge, and skill to test students in accordance with the test publisher's testing requirements; and

(ii) The ability and facilities to keep its test secure against disclosure or release;

(3) Decertify a test administrator for a period that coincides with the period for which the publisher's test is approved if the test publisher finds that the test administrator—

(i) Has repeatedly failed to give its test in accordance with the publisher's instructions;

(ii) Has not kept the test secure;

(iii) Has compromised the integrity of the testing process; or

(iv) Has given the test in violation of the provisions contained in § 668.151;

(4) Score a test answer sheet that it receives from a test administrator;

(5) If a computer-based test, provide the test administrator with software that will:

(i) Immediately generate a score report for each test taker;

(ii) Allow the test administrator to send to the test publisher a secure write-protected diskette copy of the test taker's performance on each test item and the test taker's test scores; and

(iii) Prohibit any changes in test taker responses or test scores.

(6) Promptly send to the student and the institution the student indicated he or she is attending or scheduled to attend a notice stating the student's score for the test and whether or not the student passed the test;

(7) Keep for a period of three years each test answer sheet or electronic record forwarded for scoring and all other documents forwarded by the test administrator with regard to the test;

(8) Three years after the date the Secretary approves the test and for each subsequent three-year period, analyze the test scores of students to determine whether the test scores produce any irregular pattern that raises an inference that the tests were not being properly administered, and provide the Secretary with a copy of this analysis; and

(9) Upon request, give the Secretary, a guaranty agency, or an accrediting agency access to test records or other documents related to an audit, investigation, or program review of the institution, test publisher, or test administrator.

(c)(1) The Secretary may terminate an agreement with a test publisher if the test publisher fails to carry out the

terms of the agreement described in paragraph (b) of this section.

(2) Before terminating the agreement, the Secretary gives the test publisher the opportunity to show that it has not failed to carry out the terms of its agreement.

(3) If the Secretary terminates an agreement with a test publisher under this section, the Secretary notifies institutions through publication in the FEDERAL REGISTER when they may no longer use the publisher's test(s) for purposes of determining a student's eligibility for Title IV, HEA program funds.

§ 668.151 Administration of tests.

(a)(1) To establish a student's eligibility for Title IV, HEA program funds under this subpart, if a student has not passed an approved state test, under § 668.143, an institution must select a certified test administrator to give an approved test.

(2) An institution may use the results of an approved test it received from an approved test publisher or assessment center to determine a student's eligibility to receive Title IV, HEA programs funds if the test was independently administered and properly administered.

(b) The Secretary considers that a test is independently administered if the test is—

(1) Given at an assessment center by a test administrator who is an employee of the center; or

(2) Given by a test administrator who—

(i) Has no current or prior financial or ownership interest in the institution, its affiliates, or its parent corporation, other than the interest obtained through its agreement to administer the test, and has no controlling interest in any other educational institution;

(iv) Is not a current or former student of the institution.

(c) The Secretary considers that a test is not independently administered if an institution—

(1) Compromises test security or testing procedures;

(2) Pays a test administrator a bonus, commission, or any other incentive based upon the test scores or pass rates of its students who take the test;

(3) Otherwise interferes with the test administrator's independence or test administration.

(d) The Secretary considers that a test is properly administered if the test administrator—

(1) Is certified by the test publisher to give the publisher's test;

(2) Administers the test in accordance with instructions provided by the test publisher, and in a manner that ensures the integrity and security of the test;

(3) Makes the test available only to a test-taker, and then only during a regularly scheduled test;

(4) Secures the test against disclosure or release;

(5) Submits the completed test to the test publisher within two business days after test administration in accordance with the test publisher's instructions; and

(6) Upon request, gives the Secretary, guaranty agency, licensing agency, accrediting agency, and law enforcement agencies access to test records or other documents related to an audit, investigation, or program review of the institution, or test publisher.

(e) Except as provided in § 668.152, a certified test administrator may not score a test.

(f) A student who fails to pass a test approved under this subpart may not retake the same form of the test for

the period prescribed by the test's publisher.

(g) An institution shall maintain a record for each student who took a test under this subpart of—

(1) The test taken by the student;

§ 668.153 Administration of tests for students whose native language is not English or for persons with disabilities.

Except as provided in § 668.143—

(a) *Students whose native language is not English.* For a student whose native language is not English and who is not fluent in English, the institution shall use the following tests, as applicable:

(1) If the student is enrolled in a program conducted entirely in his or her native language, the student must take

a test approved under §§ 668.146 and 668.148(a)(2), or 668.149(b).

(2) If the student is enrolled in a program that is taught in English with an ESL component, and the student is enrolled in that program and the ESL component, the student must take either an ESL test approved under § 668.148(b), or a test in the student's native language approved under §§ 668.146, 668.148 or 668.149.

(3) If the student is enrolled in a program that is taught in English without an ESL component, or the student does not enroll in the ESL component if the institution offers such a component, the student must take a test in English approved under § 668.146.

(4) If the student enrolls in an ESL program, the student must take an ESL test approved under § 668.148(b); and

(b) *Persons with disabilities.* (1) An institution shall use a test described in § 668.148(a)(3) or 668.149(a) for a student with a documented impairment who has neither a high school diploma nor its equivalent and who is applying for Title IV, HEA program funds.

(2) The test must reflect the student's skills and general learned abilities rather than reflect the student's impairment.

(3) The institution shall document that a student is disabled and unable to be evaluated by the use of a conventional test from the list of tests approved by the Secretary.

(4) Documentation of a student's impairment may be satisfied by—

(i) A written determination, including a diagnosis and recommended testing accommodations, by a licensed psychologist or medical physician; or

(ii) A record of such a determination by an elementary or secondary school or a vocational rehabilitation agency, including a diagnosis and recommended testing accommodations.

An institution shall be liable for the Title IV, HEA program funds disbursed

to a student whose eligibility is determined under this subpart only if the institution—

(a) Used a test administrator who was not independent of the institution at the time the test was given;

(b) Compromises the testing process in any way; or

(c) Is unable to document that the student received a passing score on an approved test.

§ 668.155 Transitional rule for the 1996-97 award year.

(a) Notwithstanding any other provision of this part, an institution may continue to base an eligibility determination under section 484(d) of the HEA for a student on a test that was an approved test as of June 30, 1996, and the passing score on that test, until 60 days after the Secretary publishes in the FEDERAL REGISTER the name of an approved test and the passing score on that test that is appropriate for that student.

(b) If an institution properly based a student's eligibility determination for purposes of section 484(d) of the HEA on a test and passing score that was in effect on June 30, 1996, the institution does not have to redetermine the student's eligibility based upon a test and passing score that was approved under §§ 668.143 through 668.149.

§ 668.156 Approved State process.

(a)(1) A State that wishes the Secretary to consider its State process as an alternative to achieving a passing score on an approved, independently administered test for the purpose of determining a student's eligibility for Title IV, HEA program funds must apply to the Secretary for approval of that process.

(2) To be an approved State process, the State process does not have to include all the institutions located in that State, but must indicate which institutions are included.

(b) The Secretary approves a State's process if—

(1) The State administering the process can demonstrate that the students it admits under that process without a

high school diploma or its equivalent, who enroll in participating institutions have a success rate as determined under paragraph (h) of this section that is within 95 percent of the success rate of students with high school diplomas; and

(2) The State's process satisfies the requirements contained in paragraphs (c) and (d) of this section.

(c) A State process must require institutions participating in the process to provide each student they admit without a high school diploma or its recognized equivalent with the following services—

(1) Orientation regarding the institution's academic standards and requirements, and student rights;

(2) Assessment of each student's existing capabilities through means other than a single standardized test;

(3) Tutoring in basic verbal and quantitative skills, if appropriate;

(4) Assistance in developing educational goals;

(5) Counseling, including counseling regarding the appropriate class level for that student given the student's individual's capabilities; and

(6) Follow-up by teachers and counselors regarding the student's classroom performance and satisfactory progress toward program completion.

(d) A State process must—

(1) Monitor on an annual basis each participating institution's compliance with the requirements and standards contained in the State's process;

(2) Require corrective action if an institution is found to be in noncompliance with the State process requirements; and

(3) Terminate an institution from the State process if the institution refuses or fails to comply with the State process requirements.

(e)(1) The Secretary responds to a State's request for approval of its State's process within six months after the Secretary's receipt of that request. If the Secretary does not respond by the end of six months, the State's process becomes effective.

(2) An approved State process becomes effective for purposes of determining student eligibility for Title IV, HEA program funds under this subpart six months after the date on which the

State submits the process to the Secretary for approval, if the Secretary approves, or does not disapprove, the process during that six month period.

(f) The Secretary approves a State process for a period not to exceed five years.

(g)(1) The Secretary withdraws approval of a State process if the Secretary determines that the State process violated any terms of this section or that the information that the State submitted as a basis for approval of the State process was inaccurate.

(2) The Secretary provides a State with the opportunity to contest a finding that the State process violated any terms of this section or that the information that the State submitted as a basis for approval of the State process was inaccurate.

(h) The State shall calculate the success rates as referenced in paragraph (b) of this section by—

(1) Determining the number of students with high school diplomas who, during the applicable award year described in paragraph (i) of this section, enrolled in participating institutions and—

(i) Successfully completed education or training programs;

(ii) Remained enrolled in education or training programs at the end of that award year; or

(iii) Successfully transferred to and remained enrolled in another institution at the end of that award year;

(2) Determining the number of students with high school diplomas who enrolled in education or training programs in participating institutions during that award year;

(3) Determining the number of students calculated in paragraph (h)(2) of this section who remained enrolled after subtracting the number of students who subsequently withdrew or were expelled from participating institutions and received a 100 percent refund of their tuition under the institutions' refund policies;

(4) Dividing the number of students determined in paragraph (h)(1) of this section by the number of students determined in paragraph (h)(3) of this section;

(5) Making the calculations described in paragraphs (h)(1) through (h)(4) of

this section for students without a high school diploma or its recognized equivalent who enrolled in participating institutions.

(i) For purposes of paragraph (h) of this section, the applicable award year is the latest complete award year for which information is available that immediately precedes the date on which the State requests the Secretary to approve its State process, except that the award year selected must be one of the latest two completed award years preceding that application date.

Subpart K—Cash Management

SOURCE: 61 FR 60603, Nov. 29, 1996, unless otherwise noted.

§ 668.161 Scope and purpose.

(a) *General.* (1) This subpart establishes the rules and procedures under which a participating institution requests, maintains, disburses, and otherwise manages title IV, HEA program funds. This subpart is intended to—

(i) Promote sound cash management of title IV, HEA program funds by an institution;

(ii) Minimize the financing costs to the Federal Government of making title IV, HEA program funds available to a student or an institution; and

(iii) Minimize the costs that accrue to a student under a title IV, HEA loan program.

(2) The rules and procedures that apply to an institution under this subpart also apply to a third-party servicer.

(3) As used in this subpart—

(i) The title IV, HEA programs include only the Federal Pell Grant, ACG, National SMART Grant, FSEOG, Federal Perkins Loan, FWS, Direct Loan, and FFEL programs;

(ii) The term “parent” means a parent borrower under the PLUS programs;

(iii) With regard to the FFEL Programs, the term “disburse” means the same as deliver loan proceeds under 34

CFR part 682 of the FFEL Program regulations; and

(iv) A day is a calendar day unless otherwise specified.

(4) *FWS Program.* An institution must follow the disbursement procedures in 34 CFR 675.16 for paying a student his or her wages under the FWS Program instead of the disbursement procedures in §§ 668.164(b) through (g) and 668.165.

(b) *Federal interest in title IV, HEA program funds.* Except for funds received by an institution for administrative expenses and for funds used for the Job Location and Development Program under the FWS Programs, funds received by an institution under the title IV, HEA programs are held in trust for the intended student beneficiaries and the Secretary. FFEL program funds are also held in trust for the lenders and guaranty agencies, in addition to the student beneficiaries and the Secretary, under 34 CFR 682.207. The institution, as a trustee of Federal funds, may not use or hypothecate (*i.e.*, use as collateral) title IV, HEA program funds for any other purpose.

§ 668.162 Requesting funds.

(a) *General.* (1) The Secretary has sole discretion to determine the method under which the Secretary provides title IV, HEA program funds to an institution. In accordance with procedures established by the Secretary, the Secretary may provide funds to an institution under the advance, reimbursement, just-in-time, or cash monitoring payment methods.

(2) Each time an institution requests funds from the Secretary, the institution must identify the amount of funds requested by program and fiscal year designation that the Secretary assigned to the authorization for those funds.

(b) *Advance payment method.* Under the advance payment method—

(1) An institution submits a request for funds to the Secretary. The institution’s request for funds may not exceed the amount of funds the institution needs immediately for disbursements

the institution has made or will make to eligible students and parents;

(2) If the Secretary accepts that request, the Secretary initiates an electronic funds transfer (EFT) of that amount to a bank account designated by the institution; and

(3) The institution must disburse the funds requested as soon as administratively feasible but no later than three business days following the date the institution received those funds.

(c) *Just-in-time payment method.* Under the just-in-time payment method—

(1) For each student or parent that an institution determines is eligible for title IV, HEA program funds, the institution transmits electronically to the Secretary, within a timeframe established by the Secretary, records that contain program award information for that student or parent. As part of those records, the institution reports the date and amount of the disbursements that it will make or has made to that student or that student's parent;

(2) For each record the Secretary accepts for a student or parent, the Secretary provides by EFT the corresponding disbursement amount to the institution on or before the date reported by the institution for that disbursement;

(3) When the institution receives the funds for each record accepted by the Secretary, the institution may disburse those funds based on its determination at the time the institution transmitted that record to the Secretary that the student is eligible for that disbursement; and

(4) The institution must report any adjustment to a previously accepted record within the time established by the Secretary in a notice published in the FEDERAL REGISTER.

(d) *Reimbursement payment method.* Under the reimbursement payment method—

(1) An institution must first make disbursements to students and parents for the amount of funds those students and parents are eligible to receive under the Federal Pell Grant, ACG, National SMART Grant, Direct Loan, and campus-based programs before the institution may seek reimbursement from the Secretary for those disbursements. The Secretary considers an in-

stitution to have made a disbursement if the institution has either credited a student's account or paid a student or parent directly with its own funds;

(2) An institution seeks reimbursement by submitting to the Secretary a request for funds that does not exceed the amount of the actual disbursements the institution has made to students and parents included in that request;

(3) As part of the institution's reimbursement request, the Secretary requires the institution to—

(i) Identify the students for whom reimbursement is sought; and

(ii) Submit to the Secretary or entity approved by the Secretary documentation that shows that each student and parent included in the request was eligible to receive and has received the title IV, HEA program funds for which reimbursement is sought; and

(4) The Secretary approves the amount of the institution's reimbursement request for a student or parent and pays the institution that amount, if the Secretary determines with regard to that student or parent that the institution—

(i) Accurately determined the student's eligibility for title IV, HEA program funds;

(ii) Accurately determined the amount of title IV, HEA program funds paid to the student or parent; and

(iii) Submitted the documentation required under paragraph (d)(3) of this section.

(e) *Cash monitoring payment method.* Under the cash monitoring payment method, the Secretary provides title IV, HEA program funds to an institution under the provisions described in paragraph (e)(1) or (e)(2) of this section. Under either paragraph (e)(1) or (e)(2) of this section, an institution must first make disbursements to students and parents for the amount of title IV, HEA program funds that those students and parents are eligible to receive, before the institution—

(1) Submits a request for funds under the provisions of the advance payment method described in paragraph (b) of this section, except that the institution's request may not exceed the amount of

the actual disbursements the institution made to the students and parents included in that request; or

(2) Seeks reimbursement for those disbursements under the provisions of the reimbursement payment method described in paragraph (d) of this section, except that the Secretary may modify the documentation requirements and review procedures used to approve the reimbursement request.

§ 668.163 Maintaining and accounting for funds.

(a)(1) *Bank or investment account.* An institution must maintain title IV, HEA program funds in a bank or investment account that is Federally insured or secured by collateral of value reasonably equivalent to the amount of those funds.

(2) For each bank or investment account that includes title IV, HEA program funds, an institution must clearly identify that title IV, HEA program funds are maintained in that account by—

(i) Including in the name of each account the phrase “Federal Funds”; or

(ii)(A) Notifying the bank or investment company of the accounts that contain title IV, HEA program funds and retaining a record of that notice; and

(B) Except for a public institution, filing with the appropriate State or municipal government entity a UCC-1 statement disclosing that the account contains Federal funds and maintaining a copy of that statement.

(b) *Separate bank account.* The Secretary may require an institution to maintain title IV, HEA program funds in a separate bank or investment account that contains no other funds if the Secretary determines that the institution failed to comply with—

(1) The requirements in this subpart;

(2) The recordkeeping and reporting requirements in subpart B of this part; or

(3) Applicable program regulations.

(c) *Interest-bearing or investment account.* (1) An institution must maintain the Fund described in § 674.8(a) of the

Federal Perkins Loan Program regulations in an interest-bearing bank account or investment account consisting predominately of low-risk, income-producing securities, such as obligations issued or guaranteed by the United States. Interest or income earned on Fund proceeds are retained by the institution as part of the Fund.

(2) Except as provided in paragraph (c)(3) of this section, an institution must maintain Direct Loan, Federal Pell Grant, ACG, National SMART Grant, FSEOG, and FWS program funds in an interest-bearing bank account or an investment account as described in paragraph (c)(1) of this section.

(3) An institution does not have to maintain Direct Loan, Federal Pell Grant, ACG, National SMART Grant, FSEOG, and FWS program funds in an interest-bearing bank account or an investment account for an award year if—

(i) The institution drew down less than a total of \$3 million of those funds in the prior award year and anticipates that it will not draw down more than that amount in the current award year;

(ii) The institution demonstrates by its cash management practices that it will not earn over \$250 on those funds during the award year; or

(iii) The institution requests those funds from the Secretary under the just-in-time payment method.

(4) If an institution maintains Direct Loan, Federal Pell Grant, ACG, National SMART Grant, FSEOG, and FWS program funds in an interest-bearing or investment account, the institution may keep the initial \$250 it earns on those funds during an award year. By June 30 of that award year, the institution must remit to the Secretary any earnings over \$250.

(d) *Accounting and internal control systems and financial records.* (1) An institution must maintain accounting and internal control systems that—

(i) Identify the cash balance of the funds of each title IV, HEA program that are included in the institution's bank or investment account as readily as if those program funds were maintained in a separate account; and

(ii) Identify the earnings on title IV, HEA program funds maintained in the

institution's bank or investment account.

(2) An institution must maintain its financial records in accordance with the provisions under § 668.24.

(e) *Standard of conduct.* An institution must exercise the level of care and diligence required of a fiduciary with regard to maintaining and investing title IV, HEA program funds.

(a) *Disbursement.* (1) Except as provided in paragraph (a)(2) of this section, an institution makes a disbursement of title IV, HEA program funds on the date that the institution credits a student's account at the institution or pays a student or parent directly with—

- (i) Funds received from the Secretary;
- (ii) Funds received from a lender under the FFEL Programs; or
- (iii) Institutional funds used in advance of receiving title IV, HEA program funds.

(2) If, earlier than 10 days before the first day of classes of a payment period, or for a student subject to the requirements of § 682.604(c)(5) or § 685.303(b)(4) earlier than 30 days after the first day of the payment period, an institution credits a student's institutional account with institutional funds in advance of receiving title IV, HEA program funds, the Secretary considers that the institution makes that disbursement on the 10th day before the first day of classes, or the 30th day after the beginning of the payment period for a student subject to the requirements of § 682.604(c)(5) or § 685.303(b)(4).

(b) *Disbursements by payment period.* (1) Except as provided in paragraph (b)(2) of this section, an institution must disburse title IV, HEA program funds on a payment period basis. Except as provided in paragraph (g) of this section, an institution may disburse title IV, HEA program funds to a student or parent for a payment period only if the student is enrolled for class-

es for that payment period and is eligible to receive those funds.

(2) The provisions of paragraph (b)(1) of this section do not apply to the disbursement of FWS Program funds.

(3) For a student enrolled in an eligible program at an institution that measures academic progress in clock hours, in determining whether the student completes the clock hours in a payment period, an institution may include clock hours for which the student has an excused absence if—

- (i) The institution has a written policy that permits excused absences; and
- (ii) The number of excused absences under the written policy for purposes of this paragraph does not exceed the lesser of—

(A) The policy on excused absences of the institution's accrediting agency or, if the institution has more than one accrediting agency, the agency designated under 34 CFR part 600.11(b);

(B) The policy on excused absences of any State agency that licenses the institution or otherwise legally authorizes the institution to operate in the State; or

(C) Ten percent of the clock hours in the payment period.

(4) For purposes of paragraph (b)(3) of this section, an "excused absence" is an absence that a student does not have to make up.

(c) *Direct payments.* An institution pays a student or parent directly by—

(1) Releasing to the student or parent a check provided by a lender to the institution under an FFEL Program;

(2) Issuing a check or other instrument payable to and requiring the endorsement or certification of the student or parent. An institution issues a check by—

- (i) Releasing or mailing the check to a student or parent; or
- (ii) Notifying the student or parent that the check is available for immediate pickup;

(3) Initiating an electronic funds transfer (EFT) to a bank account designated by the student or parent; or

(4) Dispensing cash for which an institution obtains a signed receipt from the student or parent.

(d) *Crediting a student's account at the institution.* (1) Without obtaining the student's or parent's authorization

under § 668.165, an institution may use title IV, HEA program funds to credit a student's account at the institution to satisfy current charges for—

- (i) Tuition and fees;
- (ii) Board, if the student contracts with the institution for board; and
- (iii) Room, if the student contracts with the institution for room.

(2) After obtaining the appropriate authorization from a student or parent under § 668.165, the institution may use title IV, HEA program funds to credit a student's account at the institution to satisfy—

(i) Current charges that are in addition to the charges described in paragraph (d)(1) of this section that were incurred by the student at the institution for educationally related activities; and

(ii) Minor prior award year charges if these charges are less than \$100 or if the payment of these charges does not, and will not, prevent the student from paying his or her current educational costs.

(3) If an institution disburses Direct Loan Program funds by crediting a student's account at the institution, the institution must first credit the student's account with those funds to pay for outstanding current and authorized charges.

(4) For purposes of this paragraph, current charges refers to charges assessed the student by the institution for—

- (i) The current award year; or
- (ii) The loan period for which an institution certified or originated a loan under the FFEL or Direct Loan programs.

(e) *Credit balances.* Whenever an institution disburses title IV, HEA program funds by crediting a student's account and the total amount of all title IV, HEA program funds credited exceeds the amount of tuition and fees, room and board, and other authorized charges the institution assessed the student, the institution must pay the resulting credit balance directly to the student or parent as soon as possible but—

(1) No later than 14 days after the balance occurred if the credit balance occurred after the first day of class of a payment period; or

(2) No later than 14 days after the first day of class of a payment period if the credit balance occurred on or before the first day of class of that payment period.

(f) *Early disbursements.* Except as provided under paragraph (f)(3) of this section—

(1) If a student is enrolled in a credit-hour educational program that is offered in semester, trimester, or quarter academic terms, the earliest an institution may disburse title IV, HEA program funds to a student or parent for any payment period is 10 days before the first day of classes for a payment period.

(2) If a student is enrolled in a credit-hour educational program that is not offered in semester, trimester, or quarter academic terms, or in a clock hour educational program the earliest an institution may disburse title IV, HEA program funds to a student or parent for any payment period is the later of—

(i) Ten days before the first day of classes of the payment period; or

(ii) The date the student completed the previous payment period for which he or she received title IV, HEA program funds, except that this provision does not apply to the payment of Direct Loan or FFEL program funds under the conditions described in 34 CFR 685.301 (b)(3)(ii), (b)(5), and (b)(6) and 34 CFR 682.604 (c)(6)(ii), (c)(7), and (c)(8), respectively.

(3) The earliest an institution may disburse the initial installment of a loan under the Direct Loan or FFEL programs to a first-year, first-time borrower as described in 34 CFR 682.604(c) and 34 CFR 685.303(b)(4) is 30 days after the first day of the student's program of study.

(g) *Late disbursements—*(1) *Ineligible student.* For purposes of this paragraph, an otherwise eligible student becomes ineligible to receive title IV, HEA program funds on the date that—

(i) For a loan under the FFEL and Direct Loan programs, the student is no longer enrolled at the institution as at least a half-time student for the period of enrollment for which the loan was intended; or

(ii) For an award under the Federal Pell Grant, ACG, National SMART Grant, FSEOG, and Federal Perkins

Loan programs, the student is no longer enrolled at the institution for the award year.

(2) *Conditions for a late disbursement.* Except as limited under paragraph (g)(4) of this section, a student who becomes ineligible (or the student's parent in the case of a PLUS loan) qualifies for a late disbursement if, before the date the student became ineligible—

(i) Except in the case of a parent PLUS loan, the Secretary processed a SAR or ISIR with an official expected family contribution; and

(ii) (A) For a loan under the FFEL or Direct Loan programs, the institution certified or originated the loan; or

(B) For an award under the Federal Perkins Loan or FSEOG programs, the institution made that award to the student.

(3) *Making a late disbursement.* Provided that the conditions described in paragraph (g)(2) of this section are satisfied—

(i) If the student withdrew from the institution during a payment period or period of enrollment, the institution must make any post-withdrawal disbursement required under § 668.22(a)(4) in accordance with the provisions of § 668.22(a)(5);

(ii) If the student successfully completed the payment period or period of enrollment, the institution must provide the student (or parent) the opportunity to receive the amount of title IV, HEA program funds that the student (or parent) was eligible to receive while the student was enrolled at the institution. For a late disbursement in this circumstance, the institution may credit the student's account to pay for current and allowable charges as described in paragraph (d) of this section, but must pay or offer any remaining amount to the student or parent; or

(iii) If the student did not withdraw but ceased to be enrolled as at least a half-time student, the institution may make the late disbursement of a loan under the FFEL or Direct Loan programs to pay for educational costs that the institution determines the student incurred for the period in which the student was eligible.

(4) *Limitations.* (i) Generally, an institution may not make a late disbursement

later than 120 days after the date of the institution's determination that the student withdrew, as provided under § 668.22, or, for a student who did not withdraw, 120 days after the date the student otherwise became ineligible. On an exception basis, and with the approval of the Secretary, an institution may make a late disbursement after the applicable 120-day period, if the reason the late disbursement was not made within the 120-day period was not the fault of the student.

(ii) An institution may not make a second or subsequent late disbursement of a loan under the FFEL or Direct Loan programs unless the student successfully completed the period of enrollment for which the loan was intended.

(iii) An institution may not make a late disbursement of a loan under the FFEL or Direct Loan programs if the student was a first-year, first-time borrower unless the student completed the first 30 days of his or her program of study. This limitation does not apply if the institution is exempt from the 30-day delayed disbursement requirements under § 682.604(c)(5)(i), (ii), or (iii) or § 685.303(b)(4)(i)(A), (B), or (C) of this chapter.

(iv) An institution may not make a late disbursement of a Federal Pell Grant, an ACG, or a National SMART Grant unless it received a valid SAR or a valid ISIR for the student by the deadline date established by the Secretary in a notice published in the FEDERAL REGISTER.

§ 668.165 Notices and authorizations.

(a) *Notices.* (1) Before an institution disburses title IV, HEA program funds for any award year, the institution must notify a student of the amount of funds that the student or his or her parent can expect to receive under each title IV, HEA program, and how and when those funds will be disbursed. If those funds include Direct Loan or FFEL Program funds, the notice must

indicate which funds are from subsidized loans and which are from unsubsidized loans.

(2) Except in the case of a post-withdrawal disbursement made in accordance with 34 CFR 668.22(a)(5), if an institution credits a student's account at the institution with Direct Loan, FFEL, or Federal Perkins Loan Program funds, the institution must notify the student, or parent of—

(i) The date and amount of the disbursement;

(ii) The student's right, or parent's right to cancel all or a portion of that loan or loan disbursement and have the loan proceeds returned to the holder of that loan. However, the institution does not have to provide this information with regard to FFEL Program funds unless the institution received the loan funds from a lender through an EFT payment or master check; and

(iii) The procedures and the time by which the student or parent must notify the institution that he or she wishes to cancel the loan or loan disbursement.

(3) The institution must send the notice described in paragraph (a)(2) of this section in writing no earlier than 30 days before, and no later than 30 days after, crediting the student's account at the institution.

(4)(i) A student or parent must inform the institution if he or she wishes to cancel all or a portion of a loan or loan disbursement.

(ii) The institution must return the loan proceeds, cancel the loan, or do both, in accordance with applicable program regulations if the institution receives a loan cancellation request either—

(A) Within 14 days after the date the institution sends the notice described in paragraph (a)(2) of this section; or

(B) If the institution sends the notice described in paragraph (a)(2) of this section more than 14 days prior to the first day of the payment period, by the first day of the payment period.

(iii) If a student or parent requests a loan cancellation after the period set forth in paragraph (a)(4)(ii) of this section, the institution may return the loan proceeds, cancel the loan, or do both, in accordance with applicable program regulations.

(5) An institution must inform a student or parent in writing or electronically regarding the outcome of any cancellation request.

(b) *Student or parent authorizations.* (1) If an institution obtains written authorization from a student or parent, as applicable, the institution may—

(i) Disburse title IV, HEA program funds to a bank account designated by the student or parent;

(ii) Use the student's or parent's title IV, HEA program funds to pay for charges described in § 668.164(d)(2) that are included in that authorization; and

(iii) Except if prohibited by the Secretary under the reimbursement method, hold on behalf of the student or parent any title IV, HEA program funds that would otherwise be paid directly to the student or parent under § 668.164(e).

(2) In obtaining the student's or parent's authorization to perform an activity described in paragraph (b)(1) of this section, an institution—

(i) May not require or coerce the student or parent to provide that authorization;

(ii) Must allow the student or parent to cancel or modify that authorization at any time; and

(iii) Must clearly explain how it will carry out that activity.

(3) A student or parent may authorize an institution to carry out the activities described in paragraph (b)(1) of this section for the period during which the student is enrolled at the institution.

(4)(i) If a student or parent modifies an authorization, the modification takes effect on the date the institution receives the modification notice.

(ii) If a student or parent cancels an authorization to use title IV, HEA program funds to pay for authorized charges under § 668.164(d)(2), the institution may use title IV, HEA program funds to pay only those authorized charges incurred by the student before the institution received the notice.

(iii) If a student or parent cancels an authorization to hold title IV, HEA program funds under paragraph (b)(1)(iii) of this section, the institution must pay those funds directly to

the student or parent as soon as possible but no later than 14 days after the institution receives that notice.

(5) If an institution holds excess student funds under paragraph (b)(1)(iii) of this section, the institution must—

(i) Identify the amount of funds the institution holds for each student or parent in a subsidiary ledger account designed for that purpose;

(ii) Maintain, at all times, cash in its bank account in an amount at least equal to the amount of funds the institution holds for the student; and

(iii) Notwithstanding any authorization obtained by the institution under this paragraph, pay any remaining balance on loan funds by the end of the loan period and any remaining other title IV, HEA program funds by the end of the last payment period in the award year for which they were awarded.

§ 668.166 Excess cash.

(a) *General.* (1) The Secretary considers excess cash to be any amount of title IV, HEA program funds, other than Federal Perkins Loan Program funds, that an institution does not disburse to students or parents by the end of the third business day following the date the institution received those funds from the Secretary. Except as provided in paragraph (b) of this section, an institution must return promptly to the Secretary any amount of excess cash in its account or accounts.

(2) The provisions in this section do not apply to the title IV, HEA program funds that an institution receives from the Secretary under the just-in-time payment method.

(b) *Excess cash tolerances.* (1) If an institution draws down title IV, HEA program funds in excess of its immediate cash needs, the institution may maintain the excess cash balance in the account the institution established under § 668.164 only if—

(i) In the award year preceding that drawdown, the amount of that excess cash balance is less than—

(A) For a period of peak enrollment at the institution during which that drawdown occurs, three percent of its total prior-year drawdowns; or

(B) For any other period, one percent of its total prior-year drawdowns; and

(ii) Within the next seven days, the institution eliminates its excess cash balance by disbursing title IV, HEA program funds to students or parents for at least the amount of that balance.

(2) For the purposes of this section, a period of peak enrollment at an institution occurs when at least 25 percent of the institution's students start classes during a given 30-day period. For any award year, an institution calculates the percentage of students who started classes during a given 30-day period by—

(i) For the prior award year in which the 30-day period began, determining the number of students who started classes during that period;

(ii) Determining the total number of students who started classes during the entire award year used in paragraph (b)(2)(i) of this section;

(iii) Dividing the number of students in paragraph (b)(2)(i) of this section by the number of students in paragraph (b)(2)(ii) of this section; and

(iv) Multiplying the result obtained in paragraph (b)(2)(iii) of this section by 100.

(3) For the purpose of determining the total amount of title IV, HEA program funds under paragraph (b)(1)(i) of this section, an institution that participates in the Direct Loan Program may include, for the latest year for which the Secretary has complete data, the total amount of loans guaranteed under the FFEL Program for students attending the institution during that year.

(c) *Consequences for maintaining excess cash balances.* (1) If the Secretary finds that an institution maintains in its account excess cash balances greater than those allowed under paragraph (b) of this section, the Secretary—

(i) As provided in paragraph (c)(2) of this section, requires the institution to reimburse the Secretary for the costs the Secretary deems to have incurred

in making those excess funds available to the institution; and

(ii) May initiate a proceeding to fine, limit, suspend, or terminate the institution's participation in one or more title IV, HEA programs under subpart G of this part.

(2) For the purposes of this section, upon a finding that an institution has maintained excess cash, the Secretary—

(i) Considers the institution to have issued a check on the date that the check cleared the institution's bank account, unless the institution demonstrates to the satisfaction of the Secretary that it issued the check shortly after the institution wrote the check; and

(ii) Calculates, or requires the institution to calculate, a liability for maintaining excess cash balances in accordance with procedures established by the Secretary. Under those procedures, the Secretary assesses a liability that is equal to the difference between the earnings that the excess cash balances would have yielded if invested under the applicable current value of funds rate and the actual interest earned on those balances. The current value of funds rate is an annual percentage rate, published in a Treasury Financial Manual (TFM) bulletin, that reflects the current value of funds to the Department of Treasury based on certain investment rates. The current value of funds rate is computed each year by averaging investment rates for the 12-month period ending every September. The TFM bulletin is published annually by the Department of Treasury. Each annual bulletin identifies the current value of funds rate and the effective date of that rate.

§ 668.167 FFEL Program funds.

(a) *Requesting FFEL Program funds.* In certifying a loan application for a borrower under § 682.603—

(1) An institution may not request a lender to provide it with loan funds by EFT or master check earlier than—

(i) Twenty-seven days after the first day of classes of the first payment pe-

riod for a first-year, first-time Federal Stafford Loan Program borrower as defined in § 682.604(c)(5); or

(ii) Thirteen days before the first day of classes for any subsequent payment period for a first-year, first-time Federal Stafford Loan Program borrower or for any payment period for all other Federal Stafford Loan Program borrowers; and

(2) An institution may not request a lender to provide it with loan funds by check requiring the endorsement of the borrower earlier than—

(i) The first day of classes of the first payment period for a first-year, first-time Federal Stafford Loan Program borrower as defined in § 682.604(c)(5); or

(ii) Thirty days before the first day of classes for any subsequent payment period for a first-year, first-time Federal Stafford Loan Program borrower or for any payment period for all other Federal Stafford borrowers; and

(3)(i) An institution may not request a lender to provide it with loan funds by EFT or master check for any Federal PLUS Program loan earlier than 13 days before the first day of classes for any payment period.

(ii) An institution may not request a lender to provide with loan funds by check requiring the endorsement of the borrower for any Federal PLUS Program loan earlier than 30 days before the first day of classes for any payment period.

(b) *Returning funds to a lender.* (1) Except as provided in paragraph (c) of this section, an institution must return FFEL Program funds to a lender if the institution does not disburse those funds to a student or parent for a payment period within—

(i) Ten business days following the date the institution receives the funds if the lender provides those funds to the institution by EFT or master check on or after July 1, 1997 but before July 1, 1999;

(ii) Three business days following the date the institution receives the funds if the lender provides those funds to the institution by EFT and master check on or after July 1, 1999; or

(iii) Thirty days after the institution receives the funds if a lender provides those funds by a check payable to the

borrower or copayable to the borrower and the institution.

(2) If the institution does not disburse the loan funds as specified in paragraph (b)(1) or (c) of this section, the institution must return those funds to the lender promptly but no later than 10 business days after the date the institution is required to disburse the funds.

(3) If an institution must return loan funds to the lender under paragraph (b)(2) of this section and the institution determines that the student is eligible to receive the loan funds, the school may disburse the funds to the student or parent rather than return them to the lender provided the funds are disbursed prior to the end of the applicable timeframe under paragraph (b)(2) of this section.

(c) *Delay in returning funds to a lender.* An institution may delay returning FFEL program funds to a lender for—

(1) Ten business days after the date set forth in paragraph (b)(1) of this section if—

(i)(A) The institution does not disburse FFEL Program funds to a borrower because the student did not complete the required number of clock or credit hours in a preceding payment period; and

(B) The institution expects the student to complete required hours within this 10-day period; or

(ii)(A) The student has not met all the FFEL Programs eligibility requirements; and

(B) The institution expects the student to meet those requirements within this 10-day period; or

(2) Thirty days after the date set forth in paragraph (b) of this section for funds a lender provides by EFT or master check if the Secretary places the institution on the reimbursement payment method under paragraph (d) or (e) of this section.

(d) *An institution placed under the reimbursement payment method.* (1) If the Secretary places an institution under the reimbursement payment method for the Federal Pell Grant, Direct Loan or campus-based programs, the institution—

(i) May not disburse FFEL Program funds to a borrower until the Secretary approves a request from the institution

to make that disbursement for that borrower; and

(ii) If prohibited by the Secretary, may not certify a borrower's loan application until the Secretary approves a request from the institution to make that certification for that borrower.

(2) In order for the Secretary to approve a disbursement or certification request from the institution, the institution must submit documentation to the Secretary or entity approved by the Secretary that shows that each borrower included in that request whose loan has not been disbursed or certified is eligible to receive that disbursement or certification.

(3) Pending the Secretary's approval of a disbursement or certification request, the Secretary may—

(i) Prohibit the institution from endorsing a master check or obtaining a borrower's endorsement of any loan check the institution receives from a lender;

(ii) Require the institution to maintain loan funds that it receives from a lender via EFT in a separate bank account that meets the requirements under § 668.163; and

(iii) Prohibit the institution from certifying a borrower's loan application.

(e) *An institution participating solely in the FFEL Programs.* If the FFEL Programs are the only title IV, HEA programs in which an institution participates and the Secretary determines that there is a need to monitor strictly the institution's participation in those programs, the Secretary may subject the institution to the conditions and limitations contained in paragraph (d) of this section.

(f) *An institution placed under the cash monitoring payment method.* The Secretary may require an institution that is placed under the cash monitoring described under paragraph § 668.162(e), to comply with the disbursement and certification provisions under paragraph (d) of this section, except that the Secretary may modify the documentation requirements and review procedures

Subpart L—Financial Responsibility

SOURCE: 62 FR 62877, Nov. 25, 1997, unless otherwise noted.

§ 668.171 General.

(a) *Purpose.* To begin and to continue to participate in any title IV, HEA program, an institution must demonstrate to the Secretary that it is financially responsible under the standards established in this subpart. As provided under section 498(c)(1) of the HEA, the Secretary determines whether an institution is financially responsible based on the institution's ability to—

(1) Provide the services described in its official publications and statements;

(2) Administer properly the title IV, HEA programs in which it participates; and

(3) Meet all of its financial obligations.

(b) *General standards of financial responsibility.* Except as provided under paragraphs (c) and (d) of this section, the Secretary considers an institution to be financially responsible if the Secretary determines that—

(1) The institution's Equity, Primary Reserve, and Net Income ratios yield a composite score of at least 1.5, as provided under § 668.172 and appendices A and B to this subpart;

(2) The institution has sufficient cash reserves to make required returns of unearned title IV HEA program funds, as provided under § 668.173;

(3) The institution is current in its debt payments. An institution is not current in its debt payments if—

(i) It is in violation of any existing loan agreement at its fiscal year end, as disclosed in a note to its audited financial statements or audit opinion; or

(ii) It fails to make a payment in accordance with existing debt obligations

for more than 120 days, and at least one creditor has filed suit to recover funds under those obligations; and

(4) The institution is meeting all of its financial obligations, including but not limited to—

(i) Refunds that it is required to make under its refund policy, including the return of title IV, HEA program funds for which it is responsible under § 668.22; and

(ii) Repayments to the Secretary for debts and liabilities arising from the institution's participation in the title IV, HEA programs.

(c) *Public institutions.* The Secretary considers a public institution to be financially responsible if the institution—

(1)(i) Notifies the Secretary that it is designated as a public institution by the State, local or municipal government entity, tribal authority, or other government entity that has the legal authority to make that designation; and

(ii) Provides a letter from an official of that State or other government entity confirming that the institution is a public institution; and

(2) Is not in violation of any past performance requirement under § 668.174.

(d) *Audit opinions and past performance provisions.* Even if an institution satisfies all of the general standards of financial responsibility under paragraph (b) of this section, the Secretary does not consider the institution to be financially responsible if—

(1) In the institution's audited financial statements, the opinion expressed by the auditor was an adverse, qualified, or disclaimed opinion, or the auditor expressed doubt about the continued existence of the institution as a going concern, unless the Secretary determines that a qualified or disclaimed opinion does not have a significant bearing on the institution's financial condition; or

(2) As provided under the past performance provisions in § 668.174 (a) and (b)(1), the institution violated a title IV, HEA program requirement, or the persons or entities affiliated with the institution owe a liability for a violation of a title IV, HEA program requirement.

§ 668.172

34 CFR Ch. VI (7–1–07 Edition)

(e) *Administrative actions.* If the Secretary determines that an institution is not financially responsible under the standards and provisions of this section or under an alternative standard in § 668.175, or the institution does not submit its financial and compliance audits by the date permitted and in the manner required under § 668.23, the Secretary may—

(1) Initiate an action under subpart G of this part to fine the institution, or limit, suspend, or terminate the institution's participation in the title IV, HEA programs; or

(2) For an institution that is provisionally certified, take an action against the institution under the procedures established in § 668.13(d).

§ 668.172 Financial ratios.

(a) *Appendices A and B, ratio methodology.* As provided under appendices A and B to this subpart, the Secretary determines an institution's composite score by—

(1) Calculating the result of its Primary Reserve, Equity, and Net Income ratios, as described under paragraph (b) of this section;

(2) Calculating the strength factor score for each of those ratios by using the corresponding algorithm;

(3) Calculating the weighted score for each ratio by multiplying the strength factor score by its corresponding weighting percentage;

(4) Summing the resulting weighted scores to arrive at the composite score; and

(5) Rounding the composite score to one digit after the decimal point.

(b) *Ratios.* The Primary Reserve, Equity, and Net Income ratios are defined under appendix A for proprietary institutions, and under appendix B for private non-profit institutions.

(1) The ratios for proprietary institutions are:

For proprietary institutions:

$$\begin{aligned}\text{Primary Reserve ratio} &= \frac{\text{Adjusted Equity}}{\text{Total Expenses}} \\ \text{Equity ratio} &= \frac{\text{Modified Equity}}{\text{Modified Assets}} \\ \text{Net Income ratio} &= \frac{\text{Income Before Taxes}}{\text{Total Revenues}}\end{aligned}$$

(2) The ratios for private non-profit institutions are:

$$\begin{aligned}\text{Primary Reserve ratio} &= \frac{\text{Expendable Net Assets}}{\text{Total Expenses}} \\ \text{Equity Ratio} &= \frac{\text{Modified Net Assets}}{\text{Modified Assets}} \\ \text{Net Income ratio} &= \frac{\text{Change in Unrestricted Net Assets}}{\text{Total Unrestricted Revenues}}\end{aligned}$$

(c) *Excluded items.* In calculating an institution's ratios, the Secretary—

(1) Generally excludes extraordinary gains or losses, income or losses from discontinued operations, prior period adjustments, the cumulative effect of changes in accounting principles, and the effect of changes in accounting estimates;

(2) May include or exclude the effects of questionable accounting treatments, such as excessive capitalization of marketing costs;

(3) Excludes all unsecured or uncollateralized related-party receivables;

(4) Excludes all intangible assets defined as intangible in accordance with generally accepted accounting principles; and

(5) Excludes from the ratio calculations Federal funds provided to an institution by the Secretary under program authorized by the HEA only if—

(i) In the notes to the institution's audited financial statement, or as a separate attestation, the auditor discloses by name and CFDA number, the amount of HEA program funds reported as expenses in the Statement of Activities for the fiscal year covered by that audit or attestation; and

(ii) The institution's composite score, as determined by the Secretary, is less than 1.5 before the reported expenses arising from those HEA funds are excluded from the ratio calculations.

§ 668.173 Refund reserve standards.

(a) *General.* The Secretary considers that an institution has sufficient cash reserves, as required under § 668.171(b)(2), if the institution—

(1) Satisfies the requirements for a public institution under § 668.171(c)(1);

(2) Is located in a State that has a tuition recovery fund approved by the Secretary and the institution contributes to that fund; or

(3) Returns, in a timely manner as described in paragraph (b) of this section, unearned title IV, HEA program

funds that it is responsible for returning under the provisions of § 668.22 for a student that withdrew from the institution.

(b) *Timely return of title IV, HEA program funds.* In accordance with procedures established by the Secretary or FFEL Program lender, an institution returns unearned title IV, HEA program funds timely if—

(1) The institution deposits or transfers the funds into the bank account it maintains under § 668.163 no later than 45 days after the date it determines that the student withdrew;

(2) The institution initiates an electronic funds transfer (EFT) no later than 45 days after the date it determines that the student withdrew;

(3) The institution initiates an electronic transaction, no later than 45 days after the date it determines that the student withdrew, that informs a FFEL lender to adjust the borrower's loan account for the amount returned; or

(4) The institution issues a check no later than 45 days after the date it determines that the student withdrew. An institution does not satisfy this requirement if—

(i) The institution's records show that the check was issued more than 45 days after the date the institution determined that the student withdrew; or

(ii) The date on the cancelled check shows that the bank used by the Secretary or FFEL Program lender endorsed that check more than 60 days after the date the institution determined that the student withdrew.

(c) *Compliance thresholds.* (1) An institution does not comply with the reserve standard under § 668.173(a)(3) if, in a compliance audit conducted under § 668.23, an audit conducted by the Office of the Inspector General, or a program review conducted by the Department or guaranty agency, the auditor or reviewer finds—

(i) In the sample of student records audited or reviewed that the institution did not return unearned title IV, HEA program funds within the timeframes described in paragraph (b) of this section for 5% or more of the students in the sample. (For purposes of determining this percentage, the sample includes only students for whom

the institution was required to return unearned funds during its most recently completed fiscal year.); or

(ii) A material weakness or reportable condition in the institution's report on internal controls relating to the return of unearned title IV, HEA program funds.

(2) The Secretary does not consider an institution to be out of compliance with the reserve standard under § 668.173(a)(3) if the institution is cited in any audit or review report because it did not return unearned funds in a timely manner for one or two students, or for less than 5% of the students in the sample referred to in paragraph (c)(1)(i) of this section.

(d) *Letter of credit.* (1) Except as provided under paragraph (e)(1) of this section, an institution that can satisfy the reserve standard only under paragraph (a)(3) of this section, must submit an irrevocable letter of credit acceptable and payable to the Secretary if a finding in an audit or review shows that the institution exceeded the compliance thresholds in paragraph (c) of this section for either of its two most recently completed fiscal years.

(2) The amount of the letter of credit required under paragraph (d)(1) of this section is 25 percent of the total amount of unearned title IV, HEA program funds that the institution was required to return under § 668.22 during the institution's most recently completed fiscal year.

(3) An institution that is subject to paragraph (d)(1) of this section must submit to the Secretary a letter of credit no later than 30 days after the earlier of the date that—

(i) The institution is required to submit its compliance audit;

(ii) The Office of the Inspector General issues a final audit report;

(iii) The designated department official issues a final program review determination;

(iv) The Department issues a preliminary program review report or draft audit report, or a guaranty agency issues a preliminary report showing that the institution did not return unearned funds for more than 10% of the sampled students; or

(v) The Secretary sends a written notice to the institution requesting the

letter of credit that explains why the institution has failed to return unearned funds in a timely manner.

(e) *Exceptions.* With regard to the letter of credit described in paragraph (d) of this section—

(1) An institution does not have to submit the letter of credit if the amount calculated under paragraph (d)(2) of this section is less than \$5,000 and the institution can demonstrate that it has cash reserves of at least \$5,000 available at all times.

(2) An institution may delay submitting the letter of credit and request the Secretary to reconsider a finding made in its most recent audit or review report that it failed to return unearned title IV, HEA program funds in a timely manner if—

(i)(A) The institution submits documents showing that the unearned title IV, HEA program funds were not returned in a timely manner solely because of exceptional circumstances beyond the institution's control and that the institution would not have exceeded the compliance thresholds under paragraph (c)(1) of this section had it not been for these exceptional circumstances; or

(B) The institution submits documents showing that it did not fail to make timely refunds as provided under paragraphs (b) and (c) of this section; and

(ii) The institution's request, along with the documents described in paragraph (e)(2)(i) of this section, is submitted to the Secretary no later than the date it would otherwise be required to submit a letter of credit under paragraph (d)(3).

(3) If the Secretary denies the institution's request under paragraph (e)(2) of this section, the Secretary notifies the institution of the date it must submit the letter of credit.

(f) *State tuition recovery funds.* In determining whether to approve a State's tuition recovery fund, the Secretary considers the extent to which that fund—

(1) Provides refunds to both in-State and out-of-State students;

(2) Allocates all refunds in accordance with the order required under § 668.22; and

(3) Provides a reliable mechanism for the State to replenish the fund should any claims arise that deplete the fund's assets.

(2) In either of its two most recent compliance audits had an audit finding, or in a report issued by the Secretary had a program review finding for its current fiscal year or either of its preceding two fiscal years, that resulted in the institution's being required to repay an amount greater than 5 percent of the funds that the institution received under the title IV, HEA programs during the year covered by that audit or program review;

(3) Has been cited during the preceding five years for failure to submit in a timely fashion acceptable compliance and financial statement audits required under this part, or acceptable audit reports required under the individual title IV, HEA program regulations; or

(4) Has failed to resolve satisfactorily any compliance problems identified in audit or program review reports based upon a final decision of the Secretary issued pursuant to subpart G or H of this part.

(b) *Past performance of persons affiliated with an institution.* (1)(i) Except as provided under paragraph (b)(2) of this section, an institution is not financially responsible if a person who exercises substantial control over the institution, as described under 34 CFR 600.30, or any member or members of

that person's family, alone or together—

(A) Exercises or exercised substantial control over another institution or a third-party servicer that owes a liability for a violation of a title IV, HEA program requirement; or

(B) Owes a liability for a violation of a title IV, HEA program requirement; and

(ii) That person, family member, institution, or servicer does not demonstrate that the liability is being repaid in accordance with an agreement with the Secretary.

(2) The Secretary may determine that an institution is financially responsible, even if the institution is not otherwise financially responsible under paragraph (b)(1) of this section, if—

(i) The institution notifies the Secretary, within the time permitted and in the manner provided under 34 CFR 600.30, that the person referenced in paragraph (b)(1) of this section exercises substantial control over the institution; and

(ii) The person referenced in paragraph (b)(1) of this section repaid to the Secretary a portion of the applicable liability, and the portion repaid equals or exceeds the greater of—

(A) The total percentage of the ownership interest held in the institution or third-party servicer that owes the liability by that person or any member or members of that person's family, either alone or in combination with one another;

(B) The total percentage of the ownership interest held in the institution or servicer that owes the liability that the person or any member or members of the person's family, either alone or in combination with one another, represents or represented under a voting trust, power of attorney, proxy, or similar agreement; or

(C) Twenty-five percent, if the person or any member of the person's family is or was a member of the board of directors, chief executive officer, or other executive officer of the institution or servicer that owes the liability, or of an entity holding at least a 25 percent ownership interest in the institution that owes the liability; or

(iii) The applicable liability described in paragraph (b)(1) of this section is currently being repaid in accordance with a written agreement with the Secretary; or

(iv) The institution demonstrates to the satisfaction of the Secretary why—

(A) The person who exercises substantial control over the institution should nevertheless be considered to lack that control; or

(B) The person who exercises substantial control over the institution and each member of that person's family nevertheless does not or did not exercise substantial control over the institution or servicer that owes the liability.

(c) *Ownership interest.* (1) An ownership interest is a share of the legal or beneficial ownership or control of, or a right to share in the proceeds of the operation of, an institution, an institution's parent corporation, a third-party servicer, or a third-party servicer's parent corporation. The term "ownership interest" includes, but is not limited to—

(i) An interest as tenant in common, joint tenant, or tenant by the entirety;

(ii) A partnership; and

(iii) An interest in a trust.

(2) The term "ownership interest" does not include any share of the ownership or control of, or any right to share in the proceeds of the operation of a profit-sharing plan, provided that all employees are covered by the plan.

(3) The Secretary generally considers a person to exercise substantial control over an institution or third-party servicer if the person—

(i) Directly or indirectly holds at least a 25 percent ownership interest in the institution or servicer;

(ii) Holds, together with other members of his or her family, at least a 25 percent ownership interest in the institution or servicer;

(iii) Represents, either alone or together with other persons under a voting trust, power of attorney, proxy, or similar agreement, one or more persons who hold, either individually or in combination with the other persons represented or the person representing them, at least a 25 percent ownership in the institution or servicer; or

(iv) Is a member of the board of directors, a general partner, the chief executive officer, or other executive officer of—

(A) The institution or servicer; or

(B) An entity that holds at least a 25 percent ownership interest in the institution or servicer.

(4) "Family member" is defined in § 600.21(f) of this chapter.

§ 668.175 Alternative standards and requirements.

(a) *General.* An institution that is not financially responsible under the general standards and provisions in § 668.171, may begin or continue to participate in the title IV, HEA programs by qualifying under an alternate standard set forth in this section.

(b) *Letter of credit alternative for new institutions.* A new institution that is not financially responsible solely because the Secretary determines that its composite score is less than 1.5, qualifies as a financially responsible institution by submitting an irrevocable letter of credit, that is acceptable and payable to the Secretary, for an amount equal to at least one-half of the amount of title IV, HEA program funds that the Secretary determines the institution will receive during its initial year of participation. A new institution is an institution that seeks to participate for the first time in the title IV, HEA programs.

(c) *Letter of credit alternative for participating institutions.* A participating institution that is not financially responsible either because it does not satisfy one or more of the standards of financial responsibility under § 668.171(b), or because of an audit opinion described under § 668.171(d), qualifies as a financially responsible institution by submitting an irrevocable letter of credit, that is acceptable and payable to the Secretary, for an amount determined by the Secretary that is not less than one-half of the title IV, HEA program funds received

by the institution during its most recently completed fiscal year.

(d) *Zone alternative.* (1) A participating institution that is not financially responsible solely because the Secretary determines that its composite score is less than 1.5 may participate in the title IV, HEA programs as a financially responsible institution for no more than three consecutive years, beginning with the year in which the Secretary determines that the institution qualifies under this alternative. (i)(A) An institution qualifies initially under this alternative if, based on the institution's audited financial statement for its most recently completed fiscal year, the Secretary determines that its composite score is in the range from 1.0 to 1.4; and

(B) An institution continues to qualify under this alternative if, based on the institution's audited financial statement for each of its subsequent two fiscal years, the Secretary determines that the institution's composite score is in the range from 1.0 to 1.4.

(ii) An institution that qualified under this alternative for three consecutive years or for one of those years, may not seek to qualify again under this alternative until the year after the institution achieves a composite score of at least 1.5, as determined by the Secretary.

(2) Under this zone alternative, the Secretary—

(i) Requires the institution to make disbursements to eligible students and parents under either the cash monitoring or reimbursement payment method described in § 668.162;

(ii) Requires the institution to provide timely information regarding any of the following oversight and financial events—

(A) Any adverse action, including a probation or similar action, taken against the institution by its accrediting agency;

(B) Any event that causes the institution, or related entity as defined in the Statement of Financial Accounting Standards (SFAS) 57, to realize any liability that was noted as a contingent liability in the institution's or related entity's most recent audited financial statement;

(C) Any violation by the institution of any loan agreement;

(D) Any failure of the institution to make a payment in accordance with its debt obligations that results in a creditor filing suit to recover funds under those obligations;

(E) Any withdrawal of owner's equity from the institution by any means, including by declaring a dividend; or

(F) Any extraordinary losses, as defined in accordance with Accounting Principles Board (APB) Opinion No. 30.

(iii) May require the institution to submit its financial statement and compliance audits earlier than the time specified under § 668.23(a)(4); and

(iv) May require the institution to provide information about its current operations and future plans.

(3) Under the zone alternative, the institution must—

(i) For any oversight or financial event described under paragraph (d)(2)(ii) of this section for which the institution is required to provide information, provide that information to the Secretary by certified mail or electronic or facsimile transmission no later than 10 days after that event occurs. An institution that provides this information electronically or by facsimile transmission is responsible for confirming that the Secretary received a complete and legible copy of that transmission; and

(ii) As part of its compliance audit, require its auditor to express an opinion on the institution's compliance with the requirements under the zone alternative, including the institution's administration of the payment method under which the institution received and disbursed title IV, HEA program funds.

(4) If an institution fails to comply with the requirements under paragraphs (d) (2) or (3) of this section, the Secretary may determine that the institution no longer qualifies under this alternative.

(e) *Transition year alternative.* A participating institution that is not financially responsible solely because the Secretary determines that its composite score is less than 1.5 for the institution's fiscal year that began on or after July 1, 1997 but on or before June

30, 1998, may qualify as a financially responsible institution under the provisions in § 668.15(b)(7), (b)(8), (d)(2)(ii), or (d)(3), as applicable.

(f) *Provisional certification alternative.*

(1) The Secretary may permit an institution that is not financially responsible to participate in the title IV, HEA programs under a provisional certification for no more than three consecutive years if—

(i) The institution is not financially responsible because it does not satisfy the general standards under § 668.171(b) or because of an audit opinion described under § 668.171(d); or

(ii) The institution is not financially responsible because of a condition of past performance, as provided under § 668.174(a), and the institution demonstrates to the Secretary that it has satisfied or resolved that condition.

(2) Under this alternative, the institution must—

(i) Submit to the Secretary an irrevocable letter of credit that is acceptable and payable to the Secretary, for an amount determined by the Secretary that is not less than 10 percent of the title IV, HEA program funds received by the institution during its most recently completed fiscal year, except that this requirement does not apply to a public institution;

(ii) Demonstrate that it was current on its debt payments and has met all of its financial obligations, as required under § 668.171 (b)(3) and (b)(4), for its two most recent fiscal years; and

(iii) Comply with the provisions under the zone alternative, as provided under paragraph (d) (2) and (3) of this section.

(3) If at the end of the period for which the Secretary provisionally certified the institution, the institution is still not financially responsible, the Secretary may again permit the institution to participate under a provisional certification, but the Secretary—

(i) May require the institution, or one or more persons or entities that exercise substantial control over the institution, as determined under § 668.174(b)(1) and (c), or both, to submit to the Secretary financial guarantees for an amount determined by the Secretary to be sufficient to satisfy any

potential liabilities that may arise from the institution's participation in the title IV, HEA programs; and

(ii) May require one or more of the persons or entities that exercise substantial control over the institution, as determined under § 668.174(b)(1) and (c), to be jointly or severally liable for any liabilities that may arise from the institution's participation in the title IV, HEA programs.

(g) *Provisional certification alternative for persons or entities owing liabilities.* (1) The Secretary may permit an institution that is not financially responsible because the persons or entities that exercise substantial control over the institution owe a liability for a violation of a title IV, HEA program requirement, to participate in the title IV, HEA programs under a provisional certification only if—

(i)(A) The persons or entities that exercise substantial control, as determined under § 668.174(b)(1) and (c), repay or enter into an agreement with the Secretary to repay the applicable portion of that liability, as provided under § 668.174(b)(2)(ii); or

(B) The institution assumes that liability, and repays or enters into an agreement with the Secretary to repay that liability;

(ii) The institution satisfies the general standards and provisions of financial responsibility under § 668.171(b) and (d)(1), except that institution must demonstrate that it was current on its debt payments and has met all of its financial obligations, as required under § 668.171 (b)(3) and (b)(4), for its two most recent fiscal years; and

(iii) The institution submits to the Secretary an irrevocable letter of credit that is acceptable and payable to the Secretary, for an amount determined by the Secretary that is not less than 10 percent of the title IV, HEA program funds received by the institution during its most recently completed fiscal year.

(2) Under this alternative, the Secretary—

(i) Requires the institution to comply with the provisions under the zone alternative, as provided under paragraph (d) (2) and (3) of this section;

Off. of Postsecondary Educ., Education

§ 668.175

(ii) May require the institution, or one or more persons or entities that exercise substantial control over the institution, or both, to submit to the Secretary financial guarantees for an amount determined by the Secretary to be sufficient to satisfy any potential liabilities that may arise from the institution's participation in the title IV, HEA programs; and

(iii) May require one or more of the persons or entities that exercise sub-

stantial control over the institution to be jointly or severally liable for any liabilities that may arise from the institution's participation in the title IV, HEA programs.

No revenues shown after income taxes (e.g., discontinued operations, extraordinary gains, or change in accounting principle) on the income statement should be included.

* The value of plant, property and equipment is net of accumulated depreciation, including capitalized lease assets.

** The value of all debt obtained for long-term purposes includes the short-term portion of the debt, up to the amount of net property, plant and equipment.

Primary Reserve = (lines) $\frac{23+32+10+16+19}{32} = \frac{\$750,000}{\$9,500,000} = 0.080$
Ratio

Equity Ratio = (lines) $\frac{23+39+10}{13+39+10} = \frac{\$810,000}{\$2,440,000} = 0.332$

Net Income = (lines) $\frac{34}{27+33} = \frac{\$510,000}{\$10,010,000} = 0.051$
Ratio

*Long-Term Debt (lines 16 + 19) cannot exceed Property and Equipment (line 8) in this formula

Section 3: Calculating the Composite Score

Step 1: Calculate the strength factor score for each ratio, by using the following algorithms:

Example (for Proprietary institutions)

Primary Reserve strength factor score = $20 \times$ Primary Reserve ratio result: $20 \times 0.080 = 1.600$

Equity strength factor score = $6 \times$ Equity ratio result: $6 \times 0.332 = 1.992$

Net Income strength factor score = $1 + (33.3 \times \text{Net Income ratio result})$: $1 + (33.3 \times 0.051) = 2.698$

If the strength factor score for any ratio is greater than or equal to 3, the strength factor score for that ratio is 3. If the strength factor score for any ratio is less than or equal to -1, the strength factor score for that ratio is -1.

Step 2: Calculate the weighted score for each ratio and calculate the composite score by adding the three weighted scores

Primary Reserve weighted score = $30\% \times$ Primary Reserve strength factor score: $0.30 \times 1.600 = 0.480$

Equity weighted score = $40\% \times$ Equity strength factor score: $0.40 \times 1.992 = 0.797$

Net Income weighted score = $30\% \times$ Net Income strength factor score: $0.30 \times 2.698 = 0.809$

Composite score = sum of all weighted scores: $0.480 + 0.797 + 0.809 = 2.086$

Round the composite score to one digit after the decimal point to determine the final score: 2.1

* The symbol "x" denotes multiplication.

Modified Assets = (total assets) - (intangible assets) - (unsecured related-party receivables)

Change in Unrestricted Net Assets is taken directly from the audited financial statement

Total Unrestricted Revenue is taken directly from the audited financial statement (This amount includes net assets released from restriction during the fiscal year)

* The value of plant, property and equipment is net of accumulated depreciation, including capitalized lease assets.

** The value of all debt obtained for long-term purposes includes the short-term portion of the debt, up to the amount of net property, plant and equipment.

Section 3: Calculating the Composite Score

Step 1: Calculate the strength factor score for each ratio, by using the following algorithms

Primary Reserve strength factor score = $10 \times$ Primary Reserve ratio result:
 Example (for Private Non-Profit institutions)
 $10 \times 0.188 = 1.880$

Equity strength factor score = $6 \times$ Equity ratio result:
 $6 \times 0.350 = 2.100$

Because the Net Income ratio result is negative, the algorithm for negative net income is used -- Net Income strength factor score = $1 + (25 \times \text{Net Income ratio result})$:
 $1 + (25 \times -0.0015) = 0.963$

(Note: If the Net Income ratio result is positive, the following algorithm is used, Net Income strength factor score = $1 + (50 \times \text{Net Income ratio result})$ -- If the Net Income ratio result is 0, the Net Income strength factor score is 1).

If the strength factor score for any ratio is greater than or equal to 3, the strength factor score for that ratio is 3. If the strength factor score for any ratio is less than or equal to -1, the strength factor score for that ratio is -1.

Step 2: Calculate the weighted score for each ratio and calculate the composite score by adding the three weighted scores

Primary Reserve weighted score = $40\% \times$ Primary Reserve strength factor score:
 $0.40 \times 1.880 = 0.752$

Equity weighted score = $40\% \times$ Equity strength factor score:
 $0.40 \times 2.100 = 0.840$

Net Income weighted score = $20\% \times$ Net Income strength factor score:
 $0.20 \times 0.963 = 0.193$

Composite score = sum of all weighted scores:
 $0.752 + 0.840 + 0.193 = 1.785$

Round the composite score to one digit after the decimal point to determine the final score:
 1.8

* The symbol "x" denotes multiplication.

Subpart M—Cohort Default Rates

SOURCE: 65 FR 65638, Nov. 1, 2000, unless otherwise noted.

§ 668.181 Purpose of this subpart.

Your cohort default rate is a measure we use to determine your eligibility to participate in various Title IV, HEA programs. We may also use it for determining your eligibility for exemptions, such as those for certain disbursement requirements under the FFEL and Direct Loan Programs. This subpart describes how cohort default rates are calculated, some of the consequences of cohort default rates, and how you may request changes to your cohort default rates or appeal their consequences. Under this subpart, you submit a “challenge” after you receive your draft cohort default rate, and you request an “adjustment” or “appeal” after your official cohort default rate is published.

(Authority: 20 U.S.C. 1082, 1085, 1094, 1099c)

§ 668.182 Definitions of terms used in this subpart.

We use the following definitions in this subpart:

(a) *Cohort*. Your cohort is a group of borrowers used to determine your cohort default rate. The method for identifying the borrowers in a cohort is provided in § 668.183(b).

(b) *Data manager*. (1) For FFELP loans held by a guaranty agency or lender, the guaranty agency is the data manager.

(2) For FFELP loans that we hold, we are the data manager.

(3) For Direct Loan Program loans, the Direct Loan Servicer, as defined in 34 CFR 685.102, is the data manager.

(c) *Days*. In this subpart, “days” means calendar days.

(d) *Default*. A borrower is considered to be in default for cohort default rate purposes under the rules in § 668.183(c).

(e) *Draft cohort default rate*. Your draft cohort default rate is a rate we issue, for your review, before we issue your official cohort default rate. A draft cohort default rate is used only for the purposes described in § 668.185.

(f) *Entering repayment*. (1) Except as provided in paragraphs (f)(2) and (f)(3) of this section, loans are considered to enter repayment on the dates described in 34 CFR 682.200 (under the definition of “repayment period”) and in 34 CFR 685.207.

(2) A Federal SLS loan is considered to enter repayment—

(i) At the same time the borrower’s Federal Stafford loan enters repayment, if the borrower received the Federal SLS loan and the Federal Stafford loan during the same period of continuous enrollment; or

(ii) In all other cases, on the day after the student ceases to be enrolled at an institution on at least a half-time basis in an educational program leading to a degree, certificate, or other recognized educational credential.

(3) For the purposes of this subpart, a loan is considered to enter repayment on the date that a borrower repays it in full, if the loan is paid in full before the loan enters repayment under paragraphs (f)(1) or (f)(2) of this section.

(g) *Fiscal year*. A fiscal year begins on October 1 and ends on the following September 30. A fiscal year is identified by the calendar year in which it ends.

(h) *Loan record detail report*. The loan record detail report is a report that we produce. It contains the data used to calculate your draft or official cohort default rate.

(i) *Official cohort default rate*. Your official cohort default rate is the cohort default rate that we publish for you under § 668.186. Cohort default rates calculated under this subpart are not related in any way to cohort default rates that are calculated for the Federal Perkins Loan Program.

(j) *We*. We are the Department, the Secretary, or the Secretary’s designee.

(k) *You*. You are an institution.

§ 668.183 Calculating and applying cohort default rates.

(a) *General*. This section describes the four steps that we follow to calculate and apply your cohort default rate for a fiscal year:

(1) First, under paragraph (b) of this section, we identify the borrowers in your cohort for the fiscal year. If the total number of borrowers in that cohort is fewer than 30, we also identify the borrowers in your cohorts for the 2 most recent prior fiscal years.

(2) Second, under paragraph (c) of this section, we identify the borrowers in the cohort (or cohorts) who are considered to be in default. If more than one cohort will be used to calculate your cohort default rate, we identify defaulted borrowers separately for each cohort.

(3) Third, under paragraph (d) of this section, we calculate your cohort default rate.

(4) Fourth, we apply your cohort default rate to all of your locations—

(i) As you exist on the date you receive the notice of your official cohort default rate; and

(ii) From the date on which you receive the notice of your official cohort default rate until you receive our notice that the cohort default rate no longer applies.

(b) *Identify the borrowers in a cohort.*

(1) Your cohort for a fiscal year consists of all of your current and former students who, during that fiscal year, entered repayment on any Federal Stafford loan, Federal SLS loan, Direct Subsidized loan, or Direct Unsubsidized loan that they received to attend your institution, or on the portion of a loan made under the Federal Consolidation Loan Program or the Federal Direct Consolidation Loan Program (as defined in 34 CFR 685.102) that is used to repay those loans.

(2) A borrower may be included in more than one of your cohorts and may be included in the cohorts of more than one institution in the same fiscal year.

(c) *Identify the borrowers in a cohort who are in default.* (1) Except as provided in paragraph (c)(2) of this section, for the purposes of this subpart a borrower in a cohort for a fiscal year is considered to be in default if—

(i) Before the end of the following fiscal year, the borrower defaults on any FFELP loan that was used to include the borrower in the cohort or on any Federal Consolidation Loan Program loan that repaid a loan that was used to include the borrower in the cohort

(however, a borrower is not considered to be in default unless a claim for insurance has been paid on the loan by a guaranty agency or by us);

(ii) Before the end of the following fiscal year, the borrower fails to make an installment payment, when due, on any Direct Loan Program loan that was used to include the borrower in the cohort or on any Federal Direct Consolidation Loan Program loan that repaid a loan that was used to include the borrower in the cohort, and the borrower's failure persists for 360 days (or for 270 days, if the borrower's first day of delinquency was before October 7, 1998); or

(iii) Before the end of the following fiscal year, you or your owner, agent, contractor, employee, or any other affiliated entity or individual make a payment to prevent a borrower's default on a loan that is used to include the borrower in that cohort.

(2) A borrower is not considered to be in default based on a loan that is, before the end of the fiscal year immediately following the fiscal year in which it entered repayment—

(i) Rehabilitated under 34 CFR 682.405 or 34 CFR 685.211(e); or

(ii) Repurchased by a lender because the claim for insurance was submitted or paid in error.

(d) *Calculate the cohort default rate.* Except as provided in § 668.184, if there are—

(1) Thirty or more borrowers in your cohort for a fiscal year, your cohort default rate is the percentage that is derived by dividing—

(i) The number of borrowers in the cohort who are in default, as determined under paragraph (c) of this section; by

(ii) The number of borrowers in the cohort, as determined under paragraph (b) of this section.

(2) Fewer than 30 borrowers in your cohort for a fiscal year, your cohort default rate is the percentage that is derived by dividing—

(i) The total number of borrowers in that cohort and in the two most recent prior cohorts who are in default, as determined for each cohort under paragraph (c) of this section; by

(ii) The total number of borrowers in that cohort and the two most recent

prior cohorts, as determined for each cohort under paragraph (b) of this section.

§ 668.184 Determining cohort default rates for institutions that have undergone a change in status.

(a) *General.* (1) If you undergo a change in status identified in this section, your cohort default rate is determined under this section.

(2) In determining cohort default rates under this section, the date of a merger, acquisition, or other change in status is the date the change occurs.

(3) A change in status may affect your eligibility to participate in Title IV, HEA programs under § 668.187 or § 668.188.

(4) If another institution's cohort default rate is applicable to you under this section, you may challenge, request an adjustment, or submit an appeal for the cohort default rate under the same requirements that would be applicable to the other institution under §§ 668.185 and 668.189.

(b) *Acquisition or merger of institutions.* If your institution acquires, or was created by the merger of, one or more institutions that participated independently in the Title IV, HEA programs immediately before the acquisition or merger—

(1) For the cohort default rates published before the date of the acquisition or merger, your cohort default rates are the same as those of your predecessor that had the highest total number of borrowers entering repayment in the two most recent cohorts used to calculate those cohort default rates; and

(2) Beginning with the first cohort default rate published after the date of the acquisition or merger, your cohort default rates are determined by including the applicable borrowers from each institution involved in the acquisition or merger in the calculation under § 668.183.

(c) *Acquisition of branches or locations.* If you acquire a branch or a location

from another institution participating in the Title IV, HEA programs—

(1) The cohort default rates published for you before the date of the change apply to you and to the newly acquired branch or location;

(2) Beginning with the first cohort default rate published after the date of the change, your cohort default rates for the next 3 fiscal years are determined by including the applicable borrowers from your institution and the other institution (including all of its locations) in the calculation under § 668.183;

(3) After the period described in paragraph (c)(2) of this section, your cohort default rates do not include borrowers from the other institution in the calculation under § 668.183; and

(4) At all times, the cohort default rate for the institution from which you acquired the branch or location is not affected by this change in status.

(d) *Branches or locations becoming institutions.* If you are a branch or location of an institution that is participating in the Title IV, HEA programs, and you become a separate, new institution for the purposes of participating in those programs—

(1) The cohort default rates published before the date of the change for your former parent institution are also applicable to you;

(2) Beginning with the first cohort default rate published after the date of the change, your cohort default rates for the next 3 fiscal years are determined by including the applicable borrowers from your institution and your former parent institution (including all of its locations) in the calculation under § 668.183; and

(3) After the period described in paragraph (d)(2) of this section, your cohort default rates do not include borrowers from your former parent institution in the calculation under § 668.183.

(Authority: 20 U.S.C. 1082, 1085, 1094, 1099c)

§ 668.185 Draft cohort default rates and your ability to challenge before official cohort default rates are issued.

(a) *General.* (1) We notify you of your draft cohort default rate before your

official cohort default rate is calculated. Our notice includes the loan record detail report for the draft cohort default rate.

(2) Regardless of the number of borrowers included in your cohort, your draft cohort default rate is always calculated using data for that fiscal year alone, using the method described in § 668.183(d)(1).

(3) Your draft cohort default rate and the loan record detail report are not considered public information and may not be otherwise voluntarily released by a data manager.

(4) Any challenge you submit under this section and any response provided by a data manager must be in a format acceptable to us. This acceptable format is described in the “Cohort Default Rate Guide” that we provide to you. If your challenge does not comply with the requirements in the “Cohort Default Rate Guide,” we may deny your challenge.

(b) *Incorrect data challenges.* (1) You may challenge the accuracy of the data included on the loan record detail report by sending a challenge to the relevant data manager, or data managers, within 45 days after you receive the data. Your challenge must include—

(i) A description of the information in the loan record detail report that you believe is incorrect; and

(ii) Documentation that supports your contention that the data are incorrect.

(2) Within 30 days after receiving your challenge, the data manager must send you and us a response that—

(i) Addresses each of your allegations of error; and

(ii) Includes the documentation that supports the data manager’s position.

(3) If your data manager concludes that draft data in the loan record detail report are incorrect, and we agree, we use the corrected data to calculate your cohort default rate.

(4) If you fail to challenge the accuracy of data under this section, you cannot contest the accuracy of those data in an uncorrected data adjustment, under § 668.190, or in an erroneous data appeal, under § 668.192.

(c) *Participation rate index challenges.*

(1)(i) You may challenge an anticipated loss of eligibility under § 668.187(a)(1),

based on one cohort default rate over 40 percent, if your participation rate index for that cohort’s fiscal year is equal to or less than 0.06015.

(ii) You may challenge an anticipated loss of eligibility under § 668.187(a)(2), based on three cohort default rates of 25 percent or greater, if your participation rate index is equal to or less than 0.0375 for any of those three cohorts’ fiscal years.

(2) For a participation rate index challenge, your participation rate index is calculated as described in § 668.195(b), except that—

(i) The draft cohort default rate is considered to be your most recent cohort default rate; and

(ii) If the cohort used to calculate your draft cohort default rate included fewer than 30 borrowers, you may calculate your participation rate index for that fiscal year using either your most recent draft cohort default rate or the average rate that would be calculated for that fiscal year, using the method described in § 668.183(d)(2).

(3) You must send your participation rate index challenge, including all supporting documentation, to us within 45 days after you receive your draft cohort default rate.

(4) We notify you of our determination on your participation rate index challenge before your official cohort default rate is published.

(5) If we determine that you qualify for continued eligibility based on your participation rate index challenge, you will not lose eligibility under § 668.187 when your next official cohort default rate is published. A successful challenge that is based on your draft cohort default rate does not excuse you from any other loss of eligibility. However, if your successful challenge of a loss of eligibility under paragraph (c)(1)(ii) of this section is based on a prior, official cohort default rate, and not on your draft cohort default rate, we also excuse you from any subsequent loss of eligibility, under § 668.187(a)(2), that would be based on that official cohort default rate.

§ 668.186 Notice of your official cohort default rate.

(a) We notify you of your cohort default rate after we calculate it. After we send our notice to you, we publish a list of cohort default rates for all institutions.

(b) If your cohort default rate is 10 percent or more, we include a copy of the loan record detail report with the notice.

(c) If your cohort default rate is less than 10 percent—

(1) You may request a copy of any loan record detail report that lists loans included in your cohort default rate calculation; and

(2) If you are requesting an adjustment or appealing under this subpart, your request for a copy of the loan record detail report or reports must be sent to us within 15 days after you receive the notice of your cohort default rate.

§ 668.187 Consequences of cohort default rates on your ability to participate in Title IV, HEA programs.

(a) *End of participation.* (1) Except as provided in paragraph (f) of this section, you lose your eligibility to participate in the FFEL and Direct Loan programs 30 days after you receive our notice that your most recent cohort default rate is greater than 40 percent.

(2) Except as provided in paragraphs (e) and (f) of this section, you lose your eligibility to participate in the FFEL, Direct Loan, and Federal Pell Grant programs 30 days after you receive our notice that your three most recent cohort default rates are each 25 percent or greater.

(b) *Length of period of ineligibility.* Your loss of eligibility under this section continues—

(1) For the remainder of the fiscal year in which we notify you that you are subject to a loss of eligibility; and

(2) For the next 2 fiscal years.

(c) *Using a cohort default rate more than once.* The use of a cohort default rate as a basis for a loss of eligibility under this section does not preclude its use as a basis for—

(1) Any concurrent or subsequent loss of eligibility under this section; or

(2) Any other action by us.

(d) *Special institutions.* If you are a special institution that satisfies the requirements for continued eligibility under § 668.198, you are not subject to any loss of eligibility under this section or to provisional certification under § 668.16(m).

(e) *Continuing participation in Pell.* If you are subject to a loss of eligibility under paragraph (a)(2) of this section, based on three cohort default rates of 25 percent or greater, you may continue to participate in the Federal Pell Grant Program if we determine that you—

(1) Were ineligible to participate in the FFEL and Direct Loan programs before October 7, 1998, and your eligibility was not reinstated;

(2) Requested in writing, before October 7, 1998, to withdraw your participation in the FFEL and Direct Loan programs, and you were not later reinstated; or

(3) Have not certified an FFELP loan or originated a Direct Loan Program loan on or after July 7, 1998.

(f) *Requests for adjustments and appeals.* (1) A loss of eligibility under this section does not take effect while your request for adjustment or appeal, as listed in § 668.189(a), is pending, provided your request for adjustment or appeal is complete, timely, accurate, and in the required format.

(2) Eligibility continued under paragraph (f)(1) of this section ends if we determine that none of the requests for adjustments and appeals you have submitted qualify you for continued eligibility under § 668.189. Loss of eligibility takes effect on the date that you receive notice of our determination on your last pending request for adjustment or appeal.

(3) You do not lose eligibility under this section if we determine that your request for adjustment or appeal meets all requirements of this subpart and qualifies you for continued eligibility under § 668.189.

(4) To avoid liabilities you might otherwise incur under paragraph (g) of this section, you may choose to suspend

your participation in the FFEL and Direct Loan programs during the adjustment or appeal process.

(g) *Liabilities during the adjustment or appeal process.* If you continued to participate in the FFEL or Direct Loan Program under paragraph (f)(1) of this section, and we determine that none of your requests for adjustments or appeals qualify you for continued eligibility—

(1) For any FFEL or Direct Loan Program loan that you certified and delivered or originated and disbursed more than 30 days after you received the notice of your cohort default rate, we estimate the amount of interest, special allowance, reinsurance, and any related or similar payments we make or are obligated to make on those loans;

(2) We exclude from this estimate any amount attributable to funds that you delivered or disbursed more than 45 days after you submitted your completed appeal to us;

(3) We notify you of the estimated amount; and

(4) Within 45 days after you receive our notice of the estimated amount, you must pay us that amount, unless—

(i) You file an appeal under the procedures established in subpart H of this part (for the purposes of subpart H of this part, our notice of the estimate is considered to be a final program review determination); or

(ii) We permit a longer repayment period.

(h) *Regaining eligibility.* If you lose your eligibility to participate in a program under this section, you may not participate in that program until—

(1) The period described in paragraph (b) of this section has ended;

(2) You pay any amount owed to us under this section or are meeting that obligation under an agreement acceptable to us;

(3) You submit a new application for participation in the program;

(4) We determine that you meet all of the participation requirements in effect at the time of your application; and

(5) You and we enter into a new program participation agreement.

§ 668.188 Preventing evasion of the consequences of cohort default rates.

(a) *General.* Unless you are a special institution complying with § 668.198, you are subject to a loss of eligibility that has already been imposed against another institution under § 668.187 if—

(1) You and the ineligible institution are both parties to a transaction that results in a change of ownership, a change in control, a merger, a consolidation, an acquisition, a change of name, a change of address, any change that results in a location becoming a freestanding institution, a purchase or sale, a transfer of assets, an assignment, a change of identification number, a contract for services, an addition or closure of one or more locations or branches or educational programs, or any other change in whole or in part in institutional structure or identity;

(2) Following the change described in paragraph (a)(1) of this section, you offer an educational program at substantially the same address at which the ineligible institution had offered an educational program before the change; and

(3) There is a commonality of ownership or management between you and the ineligible institution, as the ineligible institution existed before the change.

(b) *Commonality of ownership or management.* For the purposes of this section, a commonality of ownership or management exists if, at each institution, the same person (as defined in 34 CFR 600.31) or members of that person's family, directly or indirectly—

(1) Holds or held a managerial role; or

(2) Has or had the ability to affect substantially the institution's actions, within the meaning of 34 CFR 600.21.

(c) *Teach-outs.* Notwithstanding paragraph (b)(1) of this section, a commonality of management does not exist if you are conducting a teach-out under a teach-out agreement as defined in 34

CFR 602.3 and administered in accordance with 34 CFR 602.24(c), and—

(1)(i) Within 60 days after the change described in this section, you send us the names of the managers for each facility undergoing the teach-out as it existed before the change and for each facility as it exists after you believe that the commonality of management has ended; and

(ii) We determine that the commonality of management, as described in paragraph (b)(1) of this section, has ended; or

(2)(i) Within 30 days after you receive our notice that we have denied your submission under paragraph (c)(1)(i) of this section, you make the management changes we request and send us a list of the names of the managers for each facility undergoing the teach-out as it exists after you make those changes; and

(ii) We determine that the commonality of management, as described in paragraph (b)(1) of this section, has ended.

(d) *Initial determination.* We encourage you to contact us before undergoing a change described in this section. If you write to us, providing the information we request, we will provide a written initial determination of the anticipated change's effect on your eligibility.

(e) *Notice of accountability.* (1) We notify you in writing if, in response to your notice or application filed under 34 CFR 600.20 or 600.21, we determine that you are subject to a loss of eligibility, under paragraph (a) of this section, that has been imposed against another institution.

(2) Our notice also advises you of the scope and duration of your loss of eligibility. The loss of eligibility applies to all of your locations from the date you receive our notice until the expiration of the period of ineligibility applicable to the other institution.

(3) If you are subject to a loss of eligibility under this section that has already been imposed against another institution, you may only request an adjustment or submit an appeal for the loss of eligibility under the same re-

quirements that would be applicable to the other institution under § 668.189.

§ 668.189 General requirements for adjusting official cohort default rates and for appealing their consequences.

(a) *Remaining eligible.* You do not lose eligibility under § 668.187 if—

(1) We recalculate your cohort default rate, and it is below the percentage threshold for the loss of eligibility as the result of—

(i) An uncorrected data adjustment submitted under this section and § 668.190;

(ii) A new data adjustment submitted under this section and § 668.191;

(iii) An erroneous data appeal submitted under this section and § 668.192; or

(iv) A loan servicing appeal submitted under this section and § 668.193; or

(2) You meet the requirements for—

(i) An economically disadvantaged appeal submitted under this section and § 668.194;

(ii) A participation rate index appeal submitted under this section and § 668.195;

(iii) An average rates appeal submitted under this section and § 668.196; or

(iv) A thirty-or-fewer borrowers appeal submitted under this section and § 668.197.

(b) *Limitations on your ability to dispute your cohort default rate.* (1) You may not dispute the calculation of a cohort default rate except as described in this subpart.

(2) You may not request an adjustment or appeal a cohort default rate, under § 668.190, § 668.191, § 668.192, or § 668.193, more than once.

(3) You may not request an adjustment or appeal a cohort default rate, under § 668.190, § 668.191, § 668.192, or § 668.193, if you previously lost your eligibility to participate in a Title IV, HEA program, under § 668.187, based entirely or partially on that cohort default rate.

(c) *Content and format of requests for adjustments and appeals.* We may deny

your request for adjustment or appeal if it does not meet the following requirements:

(1) All appeals, notices, requests, independent auditor's opinions, management's written assertions, and other correspondence that you are required to send under this subpart must be complete, timely, accurate, and in a format acceptable to us. This acceptable format is described in the "Cohort Default Rate Guide" that we provide to you.

(2) Your completed request for adjustment or appeal must include—

(i) All of the information necessary to substantiate your request for adjustment or appeal; and

(ii) A certification by your chief executive officer, under penalty of perjury, that all the information you provide is true and correct.

(d) *Our copies of your correspondence.* Whenever you are required by this subpart to correspond with a party other than us, you must send us a copy of your correspondence within the same time deadlines. However, you are not required to send us copies of documents that you received from us originally.

(e) *Requirements for data managers' responses.* (1) Except as otherwise provided in this subpart, if this subpart requires a data manager to correspond with any party other than us, the data manager must send us a copy of the correspondence within the same time deadlines.

(2) If a data manager sends us correspondence under this subpart that is not in a format acceptable to us, we may require the data manager to revise that correspondence's format, and we may prescribe a format for that data manager's subsequent correspondence with us.

(f) *Our decision on your request for adjustment or appeal.* (1) We determine whether your request for an adjustment or appeal is in compliance with this subpart.

(2) In making our decision for an adjustment, under § 668.190 or § 668.191, or an appeal, under § 668.192 or § 668.193—

(i) We presume that the information provided to you by a data manager is correct unless you provide substantial evidence that shows the information is not correct; and

(ii) If we determine that a data manager did not provide the necessary clarifying information or legible records in meeting the requirements of this subpart, we presume that the evidence that you provide to us is correct unless it is contradicted or otherwise proven to be incorrect by information we maintain.

(3) Our decision is based on the materials you submit under this subpart. We do not provide an oral hearing.

(4) We notify you of our decision—

(i) If you request an adjustment or appeal because you are subject to a loss of eligibility under § 668.187, within 45 days after we receive your completed request for an adjustment or appeal; or

(ii) In all other cases, except for appeals submitted under § 668.192(a) to avoid provisional certification, before we notify you of your next official cohort default rate.

(5) You may not seek judicial review of our determination of a cohort default rate until we issue our decision on all pending requests for adjustments or appeals for that cohort default rate.

§ 668.190 Uncorrected data adjustments.

(a) *Eligibility.* You may request an uncorrected data adjustment for your most recent cohort of borrowers, used to calculate your most recent official cohort default rate, if in response to your challenge under § 668.185(b), a data manager agreed correctly to change the data, but the changes are not reflected in your official cohort default rate.

(b) *Deadlines for requesting an uncorrected data adjustment.* (1) If the loan record detail report was not included with your official cohort default rate notice, you must request it within 15 days after you receive the notice of your official cohort default rate.

(2) You must send us a request for an uncorrected data adjustment, including all supporting documentation, within 30 days after you receive your loan record detail report from us.

(a) *Eligibility.* You may request a new data adjustment for your most recent cohort of borrowers, used to calculate your most recent official cohort default rate, if—

(1) A comparison of the loan record detail reports that we provide to you for the draft and official cohort default rates shows that the data have been newly included, excluded, or otherwise changed; and

(2) You identify errors in the data described in paragraph (a)(1) of this section that are confirmed by the data manager.

(b) *Deadlines for requesting a new data adjustment.* (1) If the loan record detail report was not included with your official cohort default rate notice, you must request it within 15 days after you receive the notice of your official cohort default rate.

(2) You must send the relevant data manager, or data managers, and us a request for a new data adjustment, including all supporting documentation, within 15 days after you receive your loan record detail report from us.

(i) Addresses each of your allegations of error; and

(ii) Includes the documentation used to support the data manager's position.

(4) Within 15 days after receiving a guaranty agency's notice that we hold an FFELP loan about which you are inquiring, you must send us your request for a new data adjustment for that loan. We respond to your request under paragraph (b)(3) of this section.

§ 668.192 Erroneous data appeals.

(a) *Eligibility.* Except as provided in § 668.189(b), you may appeal the calculation of a cohort default rate upon which a loss of eligibility, under § 668.187, or provisional certification, under § 668.16(m), is based if—

(1) You dispute the accuracy of data that you previously challenged on the basis of incorrect data, under § 668.185(b); or

(2) A comparison of the loan record detail reports that we provide to you for the draft and official cohort default rates shows that the data have been newly included, excluded, or otherwise changed, and you dispute the accuracy of that data.

(b) *Deadlines for submitting an appeal.*

(1) You must send a request for verification of data errors to the relevant data manager, or data managers,

and to us within 15 days after you receive the notice of your loss of eligibility or provisional certification. Your request must include a description of the information in the cohort default rate data that you believe is incorrect and all supporting documentation that demonstrates the error.

(2) Within 20 days after receiving your request for verification of data errors, the data manager must send you and us a response that—

(i) Addresses each of your allegations of error; and

(ii) Includes the documentation used to support the data manager's position.

(3) Within 15 days after receiving a guaranty agency's notice that we hold an FFELP loan about which you are inquiring, you must send us your request for verification of that loan's data errors. Your request must include a description of the information in the cohort default rate data that you believe is incorrect and all supporting documentation that demonstrates the error. We respond to your request under paragraph (b)(2) of this section.

(4) Within 15 days after receiving incomplete or illegible records or data, you must send a request for replacement records or clarification of data to the data manager and us.

(5) Within 20 days after receiving your request for replacement records or clarification of data, the data manager must—

(i) Replace the missing or illegible records;

(ii) Provide clarifying information; or

(iii) Notify you and us that no clarifying information or additional or improved records are available.

(6) You must send your completed appeal to us, including all supporting documentation—

(i) Within 30 days after you receive the final data manager's response to your request; or

(ii) If you are also requesting a new data adjustment or filing a loan servicing appeal, by the latest of the filing dates required in paragraph (b)(6)(i) of this section or in § 668.191(b)(7)(i) or § 668.193(c)(10)(i).

(c) *Determination.* If we determine that incorrect data were used to calculate your cohort default rate, we re-

calculate your cohort default rate based on the correct data.

§ 668.193 Loan servicing appeals.

(a) *Eligibility.* Except as provided in § 668.189(b), you may appeal, on the basis of improper loan servicing or collection, the calculation of—

(1) Your most recent cohort default rate; or

(2) Any cohort default rate upon which a loss of eligibility under § 668.187 is based.

(b) *Improper loan servicing.* For the purposes of this section, a default is considered to have been due to improper loan servicing or collection only if the borrower did not make a payment on the loan and you prove that the FFEL Program lender or the Direct Loan Servicer, as defined in 34 CFR 685.102, failed to perform one or more of the following activities, if that activity applies to the loan:

(1) Send at least one letter (other than the final demand letter) urging the borrower to make payments on the loan;

(2) Attempt at least one phone call to the borrower;

(3) Send a final demand letter to the borrower;

(4) For a Direct Loan Program loan only, document that skip tracing was performed if the Direct Loan Servicer determined that it did not have the borrower's current address; and

(5) For an FFELP loan only—

(i) Submit a request for preclaims or default aversion assistance to the guaranty agency; and

(ii) Submit a certification or other documentation that skip tracing was performed to the guaranty agency.

(c) *Deadlines for submitting an appeal.*

(1) If the loan record detail report was not included with your official cohort default rate notice, you must request it within 15 days after you receive the notice of your official cohort default rate.

(2) You must send a request for loan servicing records to the relevant data manager, or data managers, and to us within 15 days after you receive your loan record detail report from us. If the data manager is a guaranty agency,

your request must include a copy of the loan record detail report.

(3) Within 20 days after receiving your request for loan servicing records, the data manager must—

(i) Send you and us a list of the borrowers in your representative sample, as described in paragraph (d) of this section (the list must be in social security number order, and it must include the number of defaulted loans included in the cohort for each listed borrower);

(ii) Send you and us a description of how your representative sample was chosen; and

(iii) Either send you copies of the loan servicing records for the borrowers in your representative sample and send us a copy of its cover letter indicating that the records were sent, or send you and us a notice of the amount of its fee for providing copies of the loan servicing records.

(4) The data manager may charge you a reasonable fee for providing copies of loan servicing records, but it may not charge more than \$10 per borrower file. If a data manager charges a fee, it is not required to send the documents to you until it receives your payment of the fee.

(5) If the data manager charges a fee for providing copies of loan servicing records, you must send payment in full to the data manager within 15 days after you receive the notice of the fee.

(6) If the data manager charges a fee for providing copies of loan servicing records, and—

(i) You pay the fee in full and on time, the data manager must send you, within 20 days after it receives your payment, a copy of all loan servicing records for each loan in your representative sample (the copies are provided to you in hard copy format unless the data manager and you agree that another format may be used), and it must send us a copy of its cover letter indicating that the records were sent; or

(ii) You do not pay the fee in full and on time, the data manager must notify you and us of your failure to pay the fee and that you have waived your right to challenge the calculation of your cohort default rate based on the data manager's records. We accept that determination unless you prove that it is incorrect.

(7) Within 15 days after receiving a guaranty agency's notice that we hold an FFELP loan about which you are inquiring, you must send us your request for the loan servicing records for that loan. We respond to your request under paragraph (c)(3) of this section.

(8) Within 15 days after receiving incomplete or illegible records, you must send a request for replacement records to the data manager and us.

(9) Within 20 days after receiving your request for replacement records, the data manager must either—

(i) Replace the missing or illegible records; or

(ii) Notify you and us that no additional or improved copies are available.

(10) You must send your appeal to us, including all supporting documentation—

(i) Within 30 days after you receive the final data manager's response to your request for loan servicing records; or

(ii) If you are also requesting a new data adjustment or filing an erroneous data appeal, by the latest of the filing dates required in paragraph (c)(10)(i) of this section or in § 668.191(b)(7)(i) or § 668.192(b)(6)(i).

(d) *Representative sample of records.* (1) To select a representative sample of records, the data manager first identifies all of the borrowers for whom it is responsible and who had loans that were considered to be in default in the calculation of the cohort default rate you are appealing.

(2) From the group of borrowers identified under paragraph (d)(1) of this section, the data manager identifies a sample that is large enough to derive an estimate, acceptable at a 95 percent confidence level with a plus or minus 5 percent confidence interval, for use in determining the number of borrowers who should be excluded from the calculation of the cohort default rate due to improper loan servicing or collection.

(e) *Loan servicing records.* Loan servicing records are the collection and payment history records—

(1) Provided to the guaranty agency by the lender and used by the guaranty agency in determining whether to pay a claim on a defaulted loan; or

(2) Maintained by our Direct Loan Servicer that are used in determining your cohort default rate.

(f) *Determination.* (1) We determine the number of loans, included in your representative sample of loan servicing records, that defaulted due to improper loan servicing or collection, as described in paragraph (b) of this section.

(2) Based on our determination, we use a statistically valid methodology to exclude the corresponding percentage of borrowers from both the numerator and denominator of the calculation of your cohort default rate.

§ 668.194 Economically disadvantaged appeals.

(a) *Eligibility.* As described in this section, you may appeal a notice of a loss of eligibility under § 668.187 if an independent auditor's opinion certifies that your low income rate is two-thirds or more and—

(1) You offer an associate, baccalaureate, graduate, or professional degree, and your completion rate is 70 percent or more; or

(2) You do not offer an associate, baccalaureate, graduate, or professional degree, and your placement rate is 44 percent or more.

(b) *Low income rate.* (1) Your low income rate is the percentage of your students, as described in paragraph (b)(2) of this section, who—

(i) For an award year that overlaps the 12-month period selected under paragraph (b)(2) of this section, have an expected family contribution, as defined in 34 CFR 690.2, that is equal to or less than the largest expected family contribution that would allow a student to receive one-half of the maximum Federal Pell Grant award, regardless of the student's enrollment status or cost of attendance; or

(ii) For a calendar year that overlaps the 12-month period selected under paragraph (b)(2) of this section, have an adjusted gross income that, when added to the adjusted gross income of the student's parents (if the student is

a dependent student) or spouse (if the student is a married independent student), is less than the amount listed in the Department of Health and Human Services poverty guidelines for the size of the student's family unit.

(2) The students who are used to determine your low income rate include only students who were enrolled on at least a half-time basis in an eligible program at your institution during any part of a 12-month period that ended during the 6 months immediately preceding the cohort's fiscal year.

(c) *Completion rate.* (1) Your completion rate is the percentage of your students, as described in paragraph (c)(2) of this section, who—

(i) Completed the educational programs in which they were enrolled;

(ii) Transferred from your institution to a higher level educational program;

(iii) Remained enrolled and are making satisfactory progress toward completion of their educational programs at the end of the same 12-month period used to calculate the low income rate; or

(iv) Entered active duty in the Armed Forces of the United States within 1 year after their last date of attendance at your institution.

(2) The students who are used to determine your completion rate include only regular students who were—

(i) Initially enrolled on a full-time basis in an eligible program; and

(ii) Originally scheduled to complete their programs during the same 12-month period used to calculate the low income rate.

(d) *Placement rate.* (1) Except as provided in paragraph (d)(2) of this section, your placement rate is the percentage of your students, as described in paragraphs (d)(3) and (d)(4) of this section, who—

(i) Are employed, in an occupation for which you provided training, on the date following 1 year after their last date of attendance at your institution;

(ii) Were employed for at least 13 weeks, in an occupation for which you provided training, between the date they enrolled at your institution and the first date that is more than a year after their last date of attendance at your institution; or

(iii) Entered active duty in the Armed Forces of the United States within 1 year after their last date of attendance at your institution.

(2) For the purposes of this section, a former student is not considered to have been employed based on any employment by your institution.

(3) The students who are used to determine your placement rate include only former students who—

(i) Were initially enrolled in an eligible program on at least a half-time basis;

(ii) Were originally scheduled, at the time of enrollment, to complete their educational programs during the same 12-month period used to calculate the low income rate; and

(iii) Remained in the program beyond the point at which a student would have received a 100 percent tuition refund from you.

(4) A student is not included in the calculation of your placement rate if that student, on the date that is 1 year after the student's originally scheduled completion date, remains enrolled in the same program and is making satisfactory progress.

(e) *Scheduled to complete.* In calculating a completion or placement rate under this section, the date on which a student is originally scheduled to complete a program is based on—

(1) For a student who is initially enrolled full-time, the amount of time specified in your enrollment contract, catalog, or other materials for completion of the program by a full-time student; or

(2) For a student who is initially enrolled less than full-time, the amount of time that it would take the student to complete the program if the student remained at that level of enrollment throughout the program.

(f) *Deadline for submitting an appeal.* (1) Within 30 days after you receive the notice of your loss of eligibility, you must send us your management's written assertion, as described in the Cohort Default Rate Guide.

(2) Within 60 days after you receive the notice of your loss of eligibility, you must send us the independent auditor's opinion described in paragraph (g) of this section.

(g) *Independent auditor's opinion.* (1) The independent auditor's opinion must state whether your management's written assertion, as you provided it to the auditor and to us, meets the requirements for an economically disadvantaged appeal and is fairly stated in all material respects.

(2) The engagement that forms the basis of the independent auditor's opinion must be an examination-level compliance attestation engagement performed in accordance with—

(i) The American Institute of Certified Public Accountants (AICPA) Statement on Standards for Attestation Engagements, Compliance Attestation (AICPA, Professional Standards, vol. 1, AT sec. 500), as amended (these standards may be obtained by calling the AICPA's order department, at 1-888-777-7077); and

(ii) Government Auditing Standards issued by the Comptroller General of the United States.

(h) *Determination.* You do not lose eligibility under § 668.187 if—

(1) Your independent auditor's opinion agrees that you meet the requirements for an economically disadvantaged appeal; and

(2) We determine that the independent auditor's opinion and your management's written assertion—

(i) Meet the requirements for an economically disadvantaged appeal; and

(ii) Are not contradicted or otherwise proven to be incorrect by information we maintain, to an extent that would render the independent auditor's opinion unacceptable.

§ 668.195 Participation rate index appeals.

(a) *Eligibility.* (1) You may appeal a notice of a loss of eligibility under § 668.187(a)(1), based on one cohort default rate over 40 percent, if your participation rate index for that cohort's fiscal year is equal to or less than 0.06015.

(2) You may appeal a notice of a loss of eligibility under § 668.187(a)(2), based on three cohort default rates of 25 percent or greater, if your participation rate index is equal to or less than 0.0375

for any of those three cohorts' fiscal years.

(b) *Calculating your participation rate index.* (1) Except as provided in paragraph (b)(2) of this section, your participation rate index for a fiscal year is determined by multiplying your cohort default rate for that fiscal year by the percentage that is derived by dividing—

(i) The number of students who received an FFELP or a Direct Loan Program loan to attend your institution during a period of enrollment, as defined in 34 CFR 682.200 or 685.102, that overlaps any part of a 12-month period that ended during the 6 months immediately preceding the cohort's fiscal year, by

(ii) The number of regular students who were enrolled at your institution on at least a half-time basis during any part of the same 12-month period.

(2) If your cohort default rate for a fiscal year is calculated as an average rate under § 668.183(d)(2), you may calculate your participation rate index for that fiscal year using either that average rate or the cohort default rate that would be calculated for the fiscal year alone using the method described in § 668.183(d)(1).

(c) *Deadline for submitting an appeal.* You must send us your appeal under this section, including all supporting documentation, within 30 days after you receive the notice of your loss of eligibility.

(d) *Determination.* (1) You do not lose eligibility under § 668.187 if we determine that you meet the requirements for a participation rate index appeal.

(2) If we determine that your participation rate index for a fiscal year is equal to or less than 0.0375, under paragraph (d)(1) of this section, we also excuse you from any subsequent loss of eligibility under § 668.187(a)(2) that would be based on the official cohort default rate for that fiscal year.

fault rate over 40 percent, if that cohort default rate is calculated as an average rate under § 668.183(d)(2).

(2) You may appeal a notice of a loss of eligibility under § 668.187(a)(2), based on three cohort default rates of 25 percent or greater, if at least two of those cohort default rates—

(i) Are calculated as average rates under § 668.183(d)(2); and

(ii) Would be less than 25 percent if calculated for the fiscal year alone using the method described in § 668.183(d)(1).

(b) *Deadline for submitting an appeal.*

If we determine that you qualify, we notify you of that determination at the same time that we notify you of your official cohort default rate.

(2) If you disagree with our initial determination, you must send us your thirty-or-fewer borrowers appeal, including all supporting documentation,

within 30 days after you receive the notice of your loss of eligibility.

(c) *Determination.* You do not lose eligibility under § 668.187 if we determine that you meet the requirements for a thirty-or-fewer borrowers appeal.

(Approved by the Office of Management and Budget under control number 1845–0022)

(Authority: 20 U.S.C. 1082, 1085, 1094, 1099c)

§ 668.198 Relief from the consequences of cohort default rates for special institutions.

(a) *Eligibility.* You are only eligible for relief from the consequences of cohort default rates under this section if you are a—

(1) Historically black college or university as defined in section 322(2) of the HEA;

(2) Tribally controlled community college as defined in section 2(a)(4) of the Tribally Controlled Community College Assistance Act of 1978; or

(3) Navajo community college under the Navajo Community College Act.

(b) *Applicability of requirements.* We may determine that the loss of eligibility provisions in § 668.187 and the prohibition against full certification in § 668.16(m) do not apply to you for each 1-year period beginning on July 1 of 1999 through 2003, if you meet the requirements in paragraph (a) of this section and you send us—

(1) By July 1 of the first 1-year period that begins after you receive our notice of a loss of eligibility under § 668.187—

(i) A default management plan; and

(ii) A certification that you have engaged an independent third party, as described in this section; and

(2) By July 1 of each subsequent 1-year period—

(i) Evidence that you have implemented your default management plan during the preceding 1-year period;

(ii) Evidence that you have made substantial improvement in the preceding 1-year period in your cohort default rate; and

(iii) A certification that you continue to engage an independent third party, as described in this section.

(c) *Default management plan.* (1) Your default management plan must provide reasonable assurance that you will, no later than July 1, 2004, have a cohort default rate that is less than 25 per-

cent. Measures that you must take to provide this assurance include but are not limited to—

(i) Establishing a default management team by engaging your chief executive officer and relevant senior executive officials and enlisting the support of representatives from offices other than the financial aid office;

(ii) Identifying and allocating the personnel, administrative, and financial resources appropriate to implement the default management plan;

(iii) Defining the roles and responsibilities of the independent third party;

(iv) Defining evaluation methods and establishing a data collection system for measuring and verifying relevant default management statistics, including a statistical analysis of the borrowers who default on their loans;

(v) Establishing annual targets for reductions in your cohort default rate; and

(vi) Establishing a process to ensure the accuracy of your cohort default rate.

(2) We will determine whether your default management plan is acceptable, after considering your history, resources, dollars in default, and targets for default reduction in making this determination.

(3) If we determine that your proposed default management plan is unacceptable, you must consult with us to develop a revised plan and submit the revised plan to us within 30 days after you receive our notice that your proposed plan is unacceptable.

(4) If we determine, based on the evidence you submit under paragraph (b)(2) of this section, that your default management plan is no longer acceptable, you must develop a revised plan in consultation with us and submit the revised plan to us within 60 days after you receive our notice that your plan is no longer acceptable.

(5) A sample default management plan is provided in appendix B to this subpart. The sample is included to illustrate components of an acceptable default management plan. Since institutions' family income profiles, student borrowing patterns, histories, resources, dollars in default, and targets for default reduction are different, you

must consider your own, individual circumstances in developing and submitting your plan.

(d) *Independent third party.* (1) An independent third party may be any individual or entity that—

(i) Provides technical assistance in developing and implementing your default management plan; and

(ii) Is not substantially controlled by a person who also exercises substantial control over your institution.

(2) An independent third party need not be paid by you for its services.

(3) The services of a lender, guaranty agency, or secondary market as an independent third party under this section are not considered to be inducements under 34 CFR 682.200 or 682.401(e).

(e) *Substantial improvement.* (1) For the purposes of this section, your substantial improvement is determined based on—

(i) A reduction in your most recent draft or official cohort default rate;

(ii) An increase in the percentage of delinquent borrowers who avoid default by using deferments, forbearances, and job placement assistance;

(iii) An increase in the academic persistence of student borrowers;

(iv) An increase in the percentage of students pursuing graduate or professional study;

(v) An increase in the percentage of borrowers for whom a current address is known;

(vi) An increase in the percentage of delinquent borrowers that you contacted;

(vii) The implementation of alternative financial aid award policies and development of financial resources that reduce the need for student borrowing; or (viii) An increase in the percentage of accurate and timely enrollment status changes that you submitted to the National Student Loan Data System (NSLDS) on the Student Status Confirmation Report (SSCR).

(2) When making a determination of your substantial improvement, we consider your performance in light of—

(i) Your history, resources, dollars in default, and targets for default reduction;

(ii) Your level of effort in meeting the terms of your approved default management plan during the previous 1-year period; and

(iii) Any other mitigating circumstance at your institution during the 1-year period.

(f) *Determination.* (1) If we determine that you are in compliance with this section, the provisions of §§668.187 and 668.16(m) do not apply to you for that 1-year period, beginning on July 1 of 1999 through 2003.

(2) If we determine that you are not in compliance with this section, you are subject to the provisions of §§668.187 and 668.16(m). You lose your eligibility to participate in the FFEL, Direct Loan, and Federal Pell Grant programs on the date you receive our notice of the determination.

APPENDIX A TO SUBPART M OF PART 668—SUMMARIES OF ELIGIBILITY AND SUBMISSION REQUIREMENTS FOR CHALLENGES, ADJUSTMENTS, AND APPEALS

1. Summary of Submission Eligibility

Some types of appeals may be submitted only if you are subject to a loss of eligibility under §668.187 or to provisional certification under §668.16(m). These types of appeals are identified in the following table. Submission deadlines are described in the paragraphs and sections that are cited in the table. For example, although you may submit an uncorrected data adjustment, new data adjustment, or loan servicing appeal if you are subject to provisional certification, the deadlines for those submissions are based on the date you receive your cohort default rate, not the date you receive the notice of your provisional certification.

	May you submit this type of challenge, adjustment, or appeal...	... if you are subject to...		
		No sanction?	Loss of eligibility?	Provisional certification?
Draft Cohort Default Rate	Incorrect Data Challenges (§668.185(b))	Yes	<i>Sanctions are never based on draft cohort default rates.</i>	
	Participation Rate Index Challenges (§668.185(c))	Yes		
Official Cohort Default Rate	Uncorrected Data Adjustments (§668.190)	Yes	Yes	Yes
	New Data Adjustments (§668.191)	Yes	Yes	Yes
	Erroneous Data Appeals (§668.192)	No	Yes	Yes
	Loan Servicing Appeals (§668.193)	Yes	Yes	Yes
	Economically Disadvantaged Appeals (§668.194)	No	Yes	No
	Participation Rate Index Appeals (§668.195)	No	Yes	No
	Average Rates Appeals (§668.196)	No	Yes	No
	Thirty-or-Fewer Borrowers Appeals (§668.197)	No	Yes	No

II. Summary of Submission Deadlines

1. *General.* The deadlines you must meet when submitting a challenge, a request for adjustment, or an appeal are summarized in the following table. The full, official requirements for these deadlines are in §668.189 and in the sections and paragraphs cited in the table.

2. *Timeframes.* The timeframes provided in the table (“30 Days”, “15 Days”, etc.) identify the number of calendar days within which that action must be performed. Timeframes begin on the date that the previous action (connected to that timeframe with an arrowed line) is completed:

(i) For *your first action* (and for both actions, during an economically disadvantaged appeal), the timeframe begins on the date that you receive your draft cohort default rate, official cohort default rate, notice of loss of eligibility, or notice of provisional certification.

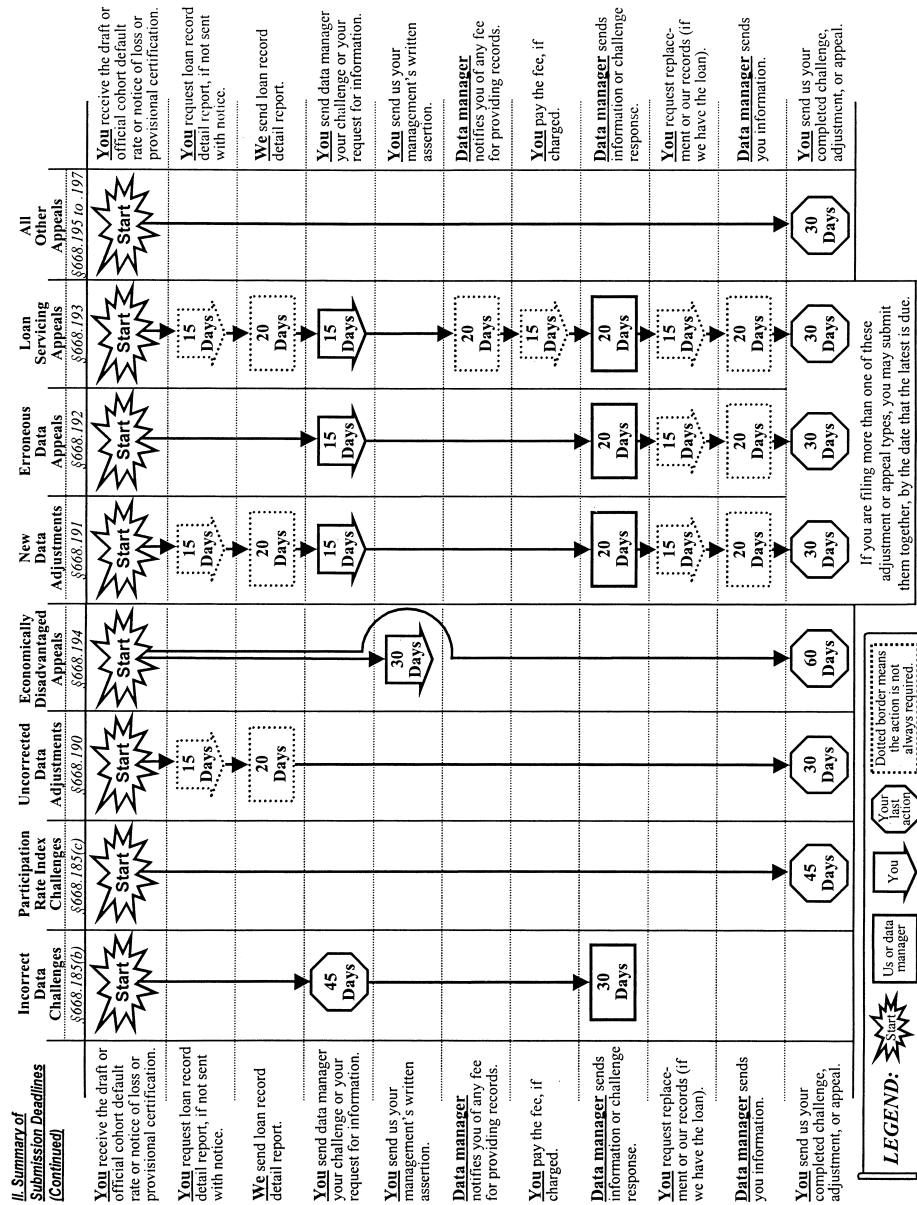

(ii) For *all other actions*, the timeframe begins on the date you receive the response to

your pending request. If you are waiting for responses from more than one data manager, the timeframe begins on the date that you receive the final response from the last data manager.

3. *Dotted borders.* Some actions identified in the table are required only in certain circumstances. For example, if we don’t send you a loan record detail report, because your cohort default rate is less than 10 percent, you must request one before you can request an adjustment or appeal. Timeframes for actions that aren’t always required are identified in the table by dotted borders:

(i) If you *are* required to perform that action, the timeframes begin on the same dates that they would if the timeframe borders were not dotted.

(ii) If you *are not* required to perform that action, the timeframe for your next required action is determined as if the timeframes with the dotted borders were not there. The timeframe for your next required action begins on the date that the last required action was completed.

APPENDIX B TO SUBPART M OF PART 668—SAMPLE DEFAULT MANAGEMENT PLAN FOR SPECIAL INSTITUTIONS TO USE WHEN COMPLYING WITH § 668.198

This appendix is provided as a sample plan for those institutions developing a default management plan in accordance with § 668.198. It describes some measures you may find helpful in reducing the number of students that default on federally funded loans. These are not the only measures you could implement when developing a default management plan. In developing a default management plan, you must consider your history, resources, dollars in default, and targets for default reduction to determine which activities will result in the most benefit to your students and to you.

I. Core Default Reduction Strategies (From § 668.198(c)(1))

1. Establish a default management team by engaging your chief executive officer and relevant senior executive officials and enlisting the support of representatives from offices other than the financial aid office.
2. Identify and allocate the personnel, administrative, and financial resources appropriate to implement the default management plan.
3. Define the roles and responsibilities of the independent third party.
4. Define evaluation methods and establish a data collection system for measuring and verifying relevant default management statistics, including a statistical analysis of the borrowers who default on their loans.
5. Establish annual targets for reductions in your rate.
6. Establish a process to ensure the accuracy of your rate.

II. Additional Default Reduction Strategies

1. Enhance the borrower's understanding of his or her loan repayment responsibilities through counseling and debt management activities.
2. Enhance the enrollment retention and academic persistence of borrowers through counseling and academic assistance.
3. Maintain contact with the borrower after he or she leaves your institution by using activities such as skip tracing to locate the borrower.
4. Track the borrower's delinquency status by obtaining reports from data managers and FFEL Program lenders.
5. Enhance student loan repayments through counseling the borrower on loan repayment options and facilitating contact between the borrower and the data manager or FFEL Program lender.
6. Assist a borrower who is experiencing difficulty in finding employment through ca-

reer counseling, job placement assistance, and facilitating unemployment deferments.

7. Identify and implement alternative financial aid award policies and develop alternative financial resources that will reduce the need for student borrowing in the first 2 years of academic study.

8. Familiarize the parent, or other adult relative or guardian, with the student's debt profile, repayment obligations, and loan status by increasing, whenever possible, the communication and contact with the parent or adult relative or guardian.

III. Defining the Roles and Responsibilities of Independent Third Party

1. Specifically define the role of the independent third party.
2. Specify the scope of work to be performed by the independent third party.
3. Tie the receipt of payments, if required, to the performance of specific tasks.
4. Assure that all the required work is satisfactorily completed.

IV. Statistics for Measuring Progress

1. The number of students enrolled at your institution during each fiscal year.
2. The average amount borrowed by a student each fiscal year.
3. The number of borrowers scheduled to enter repayment each fiscal year.
4. The number of enrolled borrowers who received default prevention counseling services each fiscal year.
5. The average number of contacts that you or your agent had with a borrower who was in deferment or forbearance or in repayment status during each fiscal year.
6. The number of borrowers at least 60 days delinquent each fiscal year.
7. The number of borrowers who defaulted in each fiscal year.
8. The type, frequency, and results of activities performed in accordance with the default management plan.

Subpart B—General Provisions for the Federal Perkins Loan, FWS, and FSEOG Programs

§ 673.3 Application.

(a) To participate in the Federal Perkins Loan, FWS, or FSEOG programs, an institution shall file an application before the deadline date established annually by the Secretary through publication of a notice in the FEDERAL REGISTER.

(b) The application for the Federal Perkins Loan, FWS, and FSEOG programs must be on a form approved by the Secretary and must contain the information needed by the Secretary to determine the institution's allocation or reallocation of funds under sections 462, 442, and 413D of the HEA, respectively.

§ 673.5

34 CFR Ch. VI (7–1–07 Edition)

(d) *General allocation and reallocation*—(1) *Categories*. As used in section 462 (Federal Perkins Loan Program), section 442 (FWS Program), and section 413D (FSEOG Program) of the HEA, “Eligible institutions offering comparable programs of instruction” means institutions that are being compared with the applicant institution and that fall within one of the following six categories:

- (i) Cosmetology.
- (ii) Business.
- (iii) Trade/Technical.
- (iv) Art Schools.
- (v) Other Proprietary Institutions.
- (vi) Non-Proprietary Institutions.

(2) *Payments to institutions*. The Secretary allocates funds for a specific period of time. The Secretary provides an institution its allocation in accordance with the payment methods described in 34 CFR 668.162.

(3) *Unexpended funds*. (i) If an institution returns more than 10 percent of its Federal Perkins Loan, FWS, or FSEOG allocation for an award year, the Secretary reduces the institution’s allocation for that program for the second succeeding award year by the dollar amount returned.

(ii) The Secretary may waive the provision of paragraph (d)(3)(i) of this section for a specific institution if the Secretary finds that enforcement would be contrary to the interests of the program.

(iii) The Secretary considers enforcement of paragraph (d)(3)(i) of this section to be contrary to the interest of the program only if the institution returns more than 10 percent of its allocation due to circumstances beyond the institution’s control that are not expected to recur.

(e) *Anticipated collections of Federal Perkins Loan funds*. (1) For the purposes of calculating an institution’s share of any excess allocation of Federal Perkins Loan funds, an institution’s anticipated collections are equal to the amount that was collected by the institution during the second year preceding the beginning of the award period multiplied by 1.21.

(2) The Secretary may waive the provision of paragraph (e)(1) of this section for any institution that has a co-

hort default rate that does not exceed 7.5 percent.

(f) *Authority to expend FWS funds*. Except as specifically provided in 34 CFR 675.18 (b), (c), and (f), an institution may not use funds allocated or reallocated for an award year—

(1) To meet FWS wage obligations incurred with regard to an award of FWS employment made for any other award year; or

(2) To satisfy any other obligation incurred after the end of the designated award year.

(g) *Authority to expend FSEOG funds*. Except as specifically provided in 34 CFR 668.164(g), an institution shall not use funds allocated or reallocated for an award year—

(1) To make FSEOG disbursements to students in any other award year; or

(2) To satisfy any other obligation incurred after the end of the designated award year.

(Authority: 20 U.S.C. 1070b-3 and 1087bb, 42 U.S.C. 2752)

§ 673.5 Overaward.

(a) *Overaward prohibited*—(1) *Federal Perkins Loan and FSEOG Programs*. An institution may only award or disburse a Federal Perkins loan or an FSEOG to a student if that loan or the FSEOG, combined with the other estimated financial assistance the student receives, does not exceed the student’s financial need.

(2) *FWS Program*. An institution may only award FWS employment to a student if the award, combined with the other estimated financial assistance the student receives, does not exceed the student’s financial need.

(b) *Awarding and disbursement*. (1) When awarding and disbursing a Federal Perkins loan or an FSEOG or awarding FWS employment to a student, the institution shall take into account those amounts of estimated financial assistance it—

(i) Can reasonably anticipate at the time it awards Federal Perkins Loan funds, an FSEOG, or FWS funds to the student;

(ii) Makes available to its students; or

(iii) Otherwise knows about.

(2) If a student receives amounts of estimated financial assistance at any

time during the award period that were not considered in calculating the Federal Perkins Loan amount or the FWS or FSEOG award, and the total amount of estimated financial assistance including the loan, the FSEOG, or the prospective FWS wages exceeds the student's need, the overaward is the amount that exceeds need.

(c) *Estimated financial assistance.* (1) Except as provided in paragraphs (c)(2) and (c)(3) of this section, the Secretary considers that "estimated financial assistance" includes, but is not limited to, any—

(i) Funds a student is entitled to receive from a Federal Pell Grant;

(ii) William D. Ford Federal Direct Loans;

(iii) Federal Family Education Loans;

(iv) Long-term need-based loans, including Federal Perkins loans;

(v) Grants, including FSEOGs, State grants, Academic Competitiveness Grants, National SMART Grants, and ROTC subsistence allowances;

(vi) Scholarships, including athletic scholarships and ROTC scholarships;

(vii) Waivers of tuition and fees;

(viii) Fellowships or assistantships, except non-need-based employment portions of such awards;

(ix) Veterans educational benefits paid under Chapters 30 (Montgomery GI Bill-Active Duty), 31 (Vocational Rehabilitation and Employment Program), 32 (Veterans' Educational Assistance Program), and 35 (Dependents' Educational Assistance Program) of title 38 of the United States Code, and Chapters 31 (National Call to Service), 1606 (Montgomery GI Bill-Selected Reserve), 1607 (Reserve Educational Assistance Program) of title 10 of the United States Code, and Section 903 of Public Law 96-342 (Educational Assistance Pilot Program);

(x) National service education awards or post-service benefits paid for the cost of attendance under title I of the National and Community Service Act of 1990 (AmeriCorps);

(xi) Net earnings from need-based employment;

(xii) Insurance programs for the student's education; and

(xiii) Any educational benefits paid because of enrollment in a postsec-

ondary education institution, or to cover postsecondary education expenses.

(2) The Secretary does not consider as estimated financial assistance—

(i) Any portion of the estimated financial assistance described in paragraph (c)(1) of this section that is included in the calculation of the student's expected family contribution (EFC);

(ii) Earnings from non-need-based employment;

(iii) Those amounts used to replace EFC, including the amounts of any unsubsidized Federal Stafford or Direct Loans, Federal PLUS or Federal Direct PLUS Loans, and non-federal non-need-based loans, including private, state-sponsored, and institutional loans. However, if the sum of the loan amounts received that are being used to replace the student's EFC actually exceed the EFC, the excess amount must be treated as estimated financial assistance; and

(iv) Assistance not received under this part if that assistance is designated to offset all or a portion of a specific component of the cost of attendance and that amount is excluded from the cost of attendance as well. If that assistance is excluded from either estimated financial assistance or cost of attendance, that amount must be excluded from both.

(3) The institution may also exclude as estimated financial assistance any portion of a subsidized Federal Stafford or Direct Loan that is equal to or less than the amount of a student's veterans education benefits paid under Chapter 30 of title 38 of the United States Code (Montgomery GI Bill-Active Duty) and national service education awards or post service benefits paid for the cost of attendance under title I of the National and Community Service Act of 1990 (AmeriCorps).

(d) *Treatment of estimated financial assistance in excess of need—General.* An institution shall take the following steps if it learns that a student has received additional amounts of estimated financial assistance not included in the calculation of Federal Perkins Loan, FWS, or FSEOG eligibility that would result in the student's total amount of

estimated financial assistance exceeding his or her financial need by more than \$300:

(1) The institution shall decide whether the student has increased financial need that was unanticipated when it awarded financial aid to the student. If the student demonstrates increased financial need and the total amount of estimated financial assistance does not exceed this increased need by more than \$300, no further action is necessary.

(2) If the student's total amount of estimated financial assistance still exceeds his or her need by more than \$300, as recalculated pursuant to paragraph (d)(1) of this section, the institution shall cancel any undisbursed loan or grant (other than a Federal Pell Grant).

(3) *Federal Perkins loan and FSEOG overpayment.* If the student's total amount of estimated financial assistance still exceeds his or her need by more than \$300, after the institution takes the steps required in paragraphs (d)(1) and (2) of this section, the institution shall consider the amount by which the estimated financial assistance amount exceeds the student's financial need by more than \$300 as an overpayment.

(e) *Termination of FWS employment.* (1) An institution may fund a student's FWS employment with FWS funds only until the amount of the FWS award has been earned or until the student's financial need, as recalculated under paragraph (d)(1) of this section, is met.

(2) Notwithstanding the provisions of paragraph (e)(1) of this section, an institution may provide additional FWS funding to a student whose need has been met until that student's cumulative earnings from all need-based employment occurring subsequent to the time his or her financial need has been met exceed \$300.

(f) *Liability for and recovery of Federal Perkins loans and FSEOG overpayments.* (1) Except as provided in paragraphs (f)(2) and (f)(3) of this section, a student is liable for any Federal Perkins loan or FSEOG overpayment made to him or her. An FSEOG overpayment for purposes of this paragraph does not include the non-Federal share of an FSEOG award if an institution meets

its FSEOG matching share by the individual recipient method or the aggregate method.

(2) The institution is liable for a Federal Perkins loan or FSEOG overpayment if the overpayment occurred because the institution failed to follow the procedures in this part or 34 CFR parts 668, 674, or 676. The institution shall restore an amount equal to the overpayment and any administrative cost allowance claimed on that amount to its loan fund for a Federal Perkins loan overpayment or to its FSEOG account for an FSEOG overpayment.

(3) A student is not liable for, and the institution is not required to attempt recovery of, a Federal Perkins loan or FSEOG overpayment, nor is the institution required to refer an FSEOG overpayment to the Secretary, if the overpayment—

(i) Is less than \$25; and

(ii) Is neither a remaining balance nor a result of the application of the overaward threshold in paragraph (d) of this section.

(4)(i) Except as provided in paragraph (f)(3) of this section, if an institution makes a Federal Perkins loan or FSEOG overpayment for which it is not liable, it shall promptly send a written notice to the student requesting repayment of the overpayment amount. The notice must state that failure to make that repayment, or to make arrangements satisfactory to the holder of the overpayment debt to pay the overpayment, makes the student ineligible for further title IV, HEA program funds until final resolution of the overpayment.

(ii) If a student objects to the institution's Federal Perkins loan or FSEOG overpayment determination on the grounds that it is erroneous, the institution shall consider any information provided by the student and determine whether the objection is warranted.

(5) Except as provided in paragraph (f)(3) of this section, if a student fails to repay an FSEOG overpayment or make arrangements satisfactory to the holder of the overpayment debt to repay the FSEOG overpayment after the institution has taken the action required by paragraph (f)(4) of this section, the institution must refer the FSEOG overpayment to the Secretary

Off. of Postsecondary Educ., Education

§ 673.7

for collection purposes in accordance with procedures required by the Secretary. After referring the FSEOG overpayment to the Secretary under this section, the institution need make no further effort to recover the overpayment.

§ 673.6 Coordination with BIA grants.

(a) *Coordination of BIA grants with Federal Perkins loans, FWS awards, or FSEOGs.* To determine the amount of a Federal Perkins loan, FWS compensation, or an FSEOG for a student who is also eligible for a Bureau of Indian Affairs (BIA) education grant, an institution shall prepare a package of student aid—

(1) From estimated financial assistance other than the BIA education grant the student has received or is expected to receive; and

(2) That is consistent in type and amount with packages prepared for students in similar circumstances who are not eligible for a BIA education grant.

(b)(1) The BIA education grant, whether received by the student before or after the preparation of the student aid package, supplements the student aid package specified in paragraph (a) of this section.

(2) No adjustment may be made to the student aid package as long as the total of the package and the BIA education grant is less than the institution's determination of that student's financial need.

(c)(1) If the BIA education grant, when combined with other aid in the package, exceeds the student's need, the excess must be deducted from the other assistance (except for Federal Pell Grants), not from the BIA education grant.

(2) The institution shall deduct the excess in the following sequence: loans, work-study awards, and grants other than Federal Pell Grants. However, the institution may change the sequence if

requested to do so by a student and the institution believes the change benefits the student.

(d) To determine the financial need of a student who is also eligible for a BIA education grant, a financial aid administrator is encouraged to consult with area officials in charge of BIA postsecondary financial aid.

§ 673.7 Administrative cost allowance.

(a) An institution participating in the Federal Perkins Loan, FWS, or FSEOG programs is entitled to an administrative cost allowance for an award year if it advances funds under the Federal Perkins Loan Program, provides FWS employment, or awards grants under the FSEOG Program to students in that year.

(b) An institution may charge the administrative cost allowance calculated in accordance with paragraph (c) of this section for an award year against—
(1) The Federal Perkins Loan Fund, if the institution advances funds under the Federal Perkins Loan Program to students in that award year;

(2) The FWS allocation, if the institution provides FWS employment to students in that award year; and

(3) The FSEOG allocation, if the institution awards grants to students under the FSEOG program in that award year.

(c) For any award year, the amount of the administrative costs allowance equals—

(1) Five percent of the first \$2,750,000 of the institution's total expenditures to students in that award year under the FWS, FSEOG, and the Federal Perkins Loan programs; plus

(2) Four percent of its expenditures to students that are greater than \$2,750,000 but less than \$5,500,000; plus

(3) Three percent of its expenditures to students that are \$5,500,000 or more.

(d) The institution shall not include, when calculating the allowance in paragraph (c) of this section, the

amount of loans made under the Federal Perkins Loan Program that it assigns during the award year to the Secretary under section 463(a)(6) of the HEA.

(e) An institution shall use its administrative costs allowance to offset its cost of administering the Federal Pell Grant, FWS, FSEOG, and Federal Perkins Loan programs. Administrative costs also include the expenses incurred for carrying out the student consumer information services requirements of subpart D of the Student Assistance General Provisions regulations, 34 CFR part 668.

(f) An institution may use up to 10 percent of the administrative costs allowance, as calculated under paragraph (c) of this section, that is attributable to the institution's expenditures under the FWS program to pay the administrative costs of conducting its program of community service. These costs may include the costs of—

(1) Developing mechanisms to assure the academic quality of a student's experience;

(2) Assuring student access to educational resources, expertise, and supervision necessary to achieve community service objectives; and

(3) Collaborating with public and private nonprofit agencies and programs assisted under the National and Community Service Act of 1990 in the planning, development, and administration of these programs.

(g) If an institution charges any administrative cost allowance against its Federal Perkins Loan Fund, it must charge these costs during the same award year in which the expenditures for these costs were made.

**Financial need:* The difference between a student's cost of attendance and his or her EFC.

Half-time undergraduate student: An enrolled undergraduate student who is carrying a half-time academic workload, as determined by the institution, which amounts to at least half the workload of a full-time student. (1) 6 semester hours or 6 quarter hours per academic term for an institution using a standard semester, trimester, or quarter system.

(2) 12 semester hours or 18 quarter hours per academic year for an institution using credit hours to measure progress, but not using a standard semester, trimester, or quarter system; or the prorated equivalent for a program of less than one year.

Post-deferment grace period: That period of six consecutive months which immediately follows the end of certain periods of deferment and precedes the date on which the borrower is required to resume repayment on a loan.

Satisfactory repayment arrangement: For purposes of regaining eligibility for grant, loan, or work assistance under Title IV of the HEA, to the extent that the borrower is otherwise eligible, the making of six (6) on-time, consecutive, monthly payments on a defaulted loan. A borrower may obtain

§§ 674.3-674.4 [Reserved]

§ 674.5 Federal Perkins Loan program cohort default rate and penalties.

(a) *Default penalty.* If an institution's cohort default rate meets the following levels, a default penalty is imposed on the institution as follows:

(1) *FCC reduction.* If the institution's cohort default rate equals or exceeds 25 percent, the institution's FCC is reduced to zero.

(2) *Ineligibility.* For award year 2000-2001 and succeeding award years, an institution with a cohort default rate that equals or exceeds 50 percent for each of the three most recent years for which cohort default rate data are available is ineligible to participate in the Federal Perkins Loan Program. Following a review of that data and upon notification by the Secretary, an institution is ineligible to participate for the award year, or the remainder of the award year, in which the determination is made and the two succeeding award years. An institution

may appeal a notification of ineligibility from the Secretary within 30 days of its receipt.

(i) *Appeal procedures—(A) Inaccurate calculation.* An institution may appeal a notice of ineligibility based upon the submission of erroneous data by the institution, the correction of which would result in a recalculation that reduces the institution's cohort default rate to below 50 percent for any of the three award years used to make a determination of ineligibility. The Secretary considers the edit process, by which an institution adjusts the cohort default rate data that it submits to the Secretary on its Fiscal Operations Report, to constitute the procedure to appeal a determination of ineligibility based on a claim of erroneous data.

(B) *Small number of borrowers entering repayment.* An institution may appeal a notice of ineligibility if, on average, 10 or fewer borrowers enter repayment for the three most recent award years used by the Secretary to make a determination of ineligibility.

(C) *Decision of the Secretary.* The Secretary issues a decision on an appeal within 45 days of the institution's submission of a complete, accurate, and timely appeal. An institution may continue to participate in the program until the Secretary issues a decision on the institution's appeal.

(ii) *Liquidation of an institution's Perkins Loan portfolio.* Within 90 days of receiving a notification of ineligibility or, if the institution appeals, within 90 days of the Secretary's decision to deny the appeal, the institution must—

(A) Liquidate its revolving student loan fund by making a capital distribution of the liquid assets of the Fund according to section 466(c) of the HEA; and

(B) Assign any outstanding loans in the institution's portfolio to the Secretary in accordance with § 674.50.

(iii) *Effective date.* The provisions of paragraph (a)(2) of this section are effective with the cohort default rate calculated as of June 30, 2001.

(b) *Cohort default rate.* (1) The term "cohort default rate" means, for any award year in which 30 or more current and former students at the institution enter repayment on a loan received for

attendance at the institution, the percentage of those current and former students who enter repayment in that award year on the loans received for attendance at that institution who default before the end of the following award year.

(2) For any award year in which less than 30 current and former students at the institution enter repayment on a loan received for attendance at the institution, the “cohort default rate” means the percentage of those current and former students who entered repayment on loans received for attendance at that institution in any of the three most recent award years and who defaulted on those loans before the end of the award year immediately following the year in which they entered repayment.

(c) *Defaulted loans to be included in the cohort default rate.* For purposes of calculating the cohort default rate under paragraph (b) of this section—

(1) A borrower must be included only if the borrower’s default has persisted for at least—

(i) 240 consecutive days for loans repayable in monthly installments; or

(ii) 270 consecutive days for loans repayable in quarterly installments;

(2) A loan is considered to be in default if a payment is made by the institution of higher education, its owner, agency, contractor, employee, or any other entity or individual affiliated with the institution, in order to avoid default by the borrower;

(3)(i) In determining the number of borrowers who default before the end of the following award year, a loan is excluded if the borrower has—

(A) Voluntarily made six consecutive monthly payments;

(B) Voluntarily made all payments currently due;

(C) Repaid the full amount due, including any interest, late fees, and collection costs that have accrued on the loan;

(D) Received a deferment or forbearance based on a condition that predates the borrower reaching a 240- or 270-day past due status; or

(E) Rehabilitated the loan after becoming 240- or 270-days past due.

(ii) A loan is considered canceled and also excluded from an institution’s co-

hort default rate calculation if the loan is—

(A) Discharged due to death or permanent and total disability;

(B) Discharged in bankruptcy;

(C) Discharged due to a closed school;

(D) Repaid in full in accordance with § 674.33(e) or § 674(h); or

(E) Assigned to and conditionally discharged by the Secretary in accordance with § 674.61(b).

(iii) For the purpose of this section, funds obtained by income tax offset, garnishment, income or asset execution, or pursuant to a judgment are not considered voluntary.

(4) In the case of a student who has attended and borrowed at more than one institution, the student and his or her subsequent repayment or default are attributed to the institution for attendance at which the student received the loan that entered repayment in the award year.

(d) *Locations of the institution.* (1) A cohort default rate of an institution applies to all locations of the institution as it exists on the first day of the award year for which the rate is calculated.

(2) A cohort default rate of an institution applies to all locations of the institution from the date the institution is notified of that rate until the institution is notified by the Secretary that the rate no longer applies.

(3) For an institution that changes status from a location of one institution to a free-standing institution, the Secretary determines the cohort default rate based on the institution’s status as of July 1 of the award year for which a cohort default rate is being calculated.

(4)(i) For an institution that changes status from a free-standing institution to a location of another institution, the Secretary determines the cohort default rate based on the combined number of students who enter repayment during the applicable award year and the combined number of students who default during the applicable award years from both the former free-standing institution and the other institution. This cohort default rate applies to the new consolidated institution and all of its current locations.

(ii) For free-standing institutions that merge, the Secretary determines the cohort default rate based on the combined number of students who enter repayment during the applicable award year and the combined number of students who default during the applicable award years from both of the institutions that are merging. This cohort default rate applies to the new, consolidated institution.

(iii) For an institution that changes status from a location of one institution to a location of another institution, the Secretary determines the cohort default rate based on the combined number of students who enter repayment during the applicable award year and the number of students who default during the applicable award years from both of the institutions in their entirety, not limited solely to the respective locations.

(5) For an institution that has a change in ownership that results in a change in control, the Secretary determines the cohort default rate based on the combined number of students who enter repayment during the applicable award year and the combined number of students who default during the applicable award years from the institution under both the old and new control.

whether or not engaged in a program of study abroad approved for credit by the home institution;

(c) Has financial need as determined in accordance with part F of title IV of the HEA. A member of a religious order (an order, community, society, agency, or organization) who is pursuing a course of study at an institution of higher education is considered to have no financial need if that religious order—

(1) Has as its primary objective the promotion of ideals and beliefs regarding a Supreme Being;

(2) Sign a statement acknowledging that—

(i) The loan that has been conditionally discharged prior to a final determination of total and permanent disability cannot be discharged in the future on the basis of any impairment present when the borrower applied for a total and permanent disability discharge or when a new loan is made, unless that impairment substantially deteriorates; and

(ii) Collection activity will resume on any loan in a conditional discharge period, as described in § 674.61(b)(9).

(a) *Promissory note.* (1) An institution may use only the promissory note that the Secretary provides. The institution may make only nonsubstantive changes, such as changes to the type style or font, or the addition of items such as the borrower's driver's license number, to this note.

(2)(i) The institution shall print the note on one page, front and back; or

(ii) The institution may print the note on more than one page if—

(A) The note requires the signature of the borrower on each page; or

(B) Each page of the note contains both the total number of pages in the complete note as well as the number of each page, e.g., page 1 of 4, page 2 of 4, etc.

(iii) The promissory note must state the exact amount of the minimum monthly repayment amount if the institution chooses the option under § 674.33(b).

(b) *Provisions of the promissory note—*

(1) *Interest.* The promissory note must state that—

(i) The rate of interest on the loan is 5 percent per annum on the unpaid balance; and

(ii) No interest shall accrue before the repayment period begins, during certain deferment periods as provided by this subpart, or during the grace period following those deferments.

(2) *Repayment.* (i) Except as otherwise provided in § 674.32, the promissory note must state that the repayment period—

(A) For NDSLs made on or after October 1, 1980, begins 6 months after the borrower ceases to be at least a half-time regular student at an institution of higher education or a comparable institution outside the U.S. approved for this purpose by the Secretary, and normally ends 10 years later;

(B) For NDSLs made before October 1, 1980 and Federal Perkins Loans, begins 9 months after the borrower ceases to be at least a half-time regular student at an institution of higher education or a comparable institution outside the U.S. approved for this purpose by the Secretary, and normally ends 10 years later;

(C) For purposes of establishing the beginning of the repayment period for NDSL or Perkins loans, the 6- and 9-month grace periods referenced in paragraph (b)(2)(i) of this section exclude any period during which a borrower who is a member of a reserve component of the Armed Forces named in section 10101 of Title 10, United States Code is called or ordered to active duty for a period of more than 30

Any Direct or Perkins loan borrower who is in a grace period when called or ordered to active duty as specified in this paragraph is entitled to a new 6- or 9-month grace period upon completion of the excluded period.

(D) May begin earlier at the borrower's request; and

(E) May vary because of minimum monthly repayments (see § 674.33(b)), extensions of repayment (see § 674.33(c)), forbearance (see § 674.33(d)), or deferments (see §§ 674.34, 674.35, and 674.36);

(ii) The promissory note must state that the borrower shall repay the loan—

(A) In equal quarterly, bimonthly, or monthly amounts, as the institution chooses; or

(B) In graduated installments if the borrower requests a graduated repayment schedule, the institution submits the schedule to the Secretary for approval, and the Secretary approves it.

(3) *Cancellation.* The promissory note must state that the unpaid principal, interest, collection costs, and either penalty or late charges on the loan are canceled upon the death or permanent and total disability of the borrower.

(4) *Prepayment.* The promissory note must state that—

(i) The borrower may prepay all or part of the loan at any time without penalty;

(ii) The institution shall use amounts repaid during the academic year in which the loan was made to reduce the original loan amount and not consider these amounts to be prepayments;

(iii) If the borrower repays amounts during the academic year in which the loan was made and the initial grace period ended, only those amounts in excess of the amount due for any repayment period shall be treated as prepayments; and

(iv) If, in an academic year other than that described in paragraph (b)(4)(iii) of this section, a borrower repays more than the amount due for any repayment period, the institution shall use the excess to prepay the principal

unless the borrower designates it as an advance payment of the next regular installment.

(5) *Late charge.* (i) An institution shall state in the promissory note that the institution will assess a late charge if the borrower does not—

(A) Repay all or part of a scheduled repayment when due; or

(B) File a timely request for cancellation or deferment with the institution. This request must include sufficient evidence to enable the institution to determine whether the borrower is entitled to a cancellation or deferment.

(ii)(A) The amount of the late charge on a Federal Perkins Loan or an NDSL Loan made to cover the cost of attendance for a period of enrollment that began on or after January 1, 1986 must be determined in accordance with § 674.43(b) (2), (3) and (4).

(B) The amount of the late or penalty charge on an NDSL made for periods of enrollment that began before January 1, 1986 may be—

(1) For each overdue payment on a loan payable in monthly installments, a maximum monthly charge of \$1 for the first month and \$2 for each additional month.

(2) For each overdue payment on a loan payable in bimonthly installments, a maximum bimonthly charge of \$3.

(3) For each overdue payment on a loan payable in quarterly installments, a maximum charge per quarter of \$6. (See appendix E of this part)

(iii) The institution may—

(A) Add either the penalty or late charge to the principal the day after the scheduled repayment was due; or

(B) Include it with the next scheduled repayment after the borrower receives notice of the late charge.

(6) *Security and endorsement.* The promissory note must state that the loan shall be made without security and endorsement.

(7) *Assignment.* The promissory note must state that a note may only be assigned to—

(i) The United States or an institution approved by the Secretary; or

(ii) An institution to which the borrower has transferred if that institution is participating in the Federal Perkins Loan program.

§ 674.32

(8) *Acceleration.* The promissory note must state that an institution may demand immediate repayment of the entire loan, including any late charges, collection costs and accrued interest, if the borrower does not—

(i) Make a scheduled repayment on time; or

(ii) File cancellation or deferment form(s) with the institution on time.

(9) *Cost of collection.* The promissory note must state that the borrower shall pay all attorney's fees and other loan collection costs and charges.

(10) *Disclosure of information.* The promissory note must state that—

(i) The institution must disclose to at least one national credit bureau the amount of the loan made to the borrower, along with other relevant information.

(ii) If the borrower defaults on the loan, the institution shall disclose that the borrower has defaulted on the loan, along with other relevant information, to the same national credit bureau to which it originally reported the loan; and

(iii) If the borrower defaults on the loan and the loan is assigned to the Secretary for collection, the Secretary may disclose to a national credit bureau that the borrower has defaulted on the loan, along with other relevant information.

(ii) The end of a nine-month period that includes the date the loan was

34 CFR Ch. VI (7-1-07 Edition)

made and began on the date the borrower ceased to be enrolled as at least a half-time regular student at an institution of higher education or comparable institution outside the U.S. approved for this purpose by the Secretary.

(b) The note must otherwise conform to the provisions of § 674.31.

[52 FR 45754, Dec. 1, 1987, as amended at 57 FR 32345, July 21, 1992]

§ 674.33 Repayment.

(a) *Repayment Plan.* (1) The institution shall establish a repayment plan before the student ceases to be at least a half-time regular student.

(2) If the last scheduled payment would be \$25 or less the institution may combine it with the next-to-last repayment.

(3) If the installment payment for all loans made to a borrower by an institution is not a multiple of \$5, the institution may round that payment to the next highest dollar amount that is a multiple of \$5.

(4) The institution shall apply any payment on a loan in the following order:

(i) Collection costs.

(ii) Late charges.

(iii) Accrued interest.

(iv) Principal.

(b) *Minimum monthly repayment—(1) Minimum monthly repayment option.* (i) An institution may require a borrower to pay a minimum monthly repayment if—

(A) The promissory note includes a minimum monthly repayment provision specifying the amount of the minimum monthly repayment; and

(B) The monthly repayment of principal and interest for a 10-year repayment period is less than the minimum monthly repayment; or

(ii) An institution may require a borrower to pay a minimum monthly repayment if the borrower has received loans with different interest rates at the same institution and the total monthly repayment would otherwise be less than the minimum monthly repayment.

(2) *Minimum monthly repayment of loans from more than one institution.* If a borrower has received loans from more

than one institution and has notified the institution that he or she wants the minimum monthly payment determination to be based on payments due to other institutions, the following rules apply:

(i) If the total of the monthly repayments is equal to at least the minimum monthly repayment, no institution may exercise a minimum monthly repayment option.

(ii) If only one institution exercises the minimum monthly repayment option when the monthly repayment would otherwise be less than the minimum repayment option, that institution receives the difference between the minimum monthly repayment and the repayment owed to the other institution.

(iii) If each institution exercises the minimum repayment option, the minimum monthly repayment must be divided among the institutions in proportion to the amount of principal advanced by each institution.

(3) *Minimum monthly repayment of both Defense and NDSL or Federal Perkins loans from one or more institutions.* If the borrower has notified the institution that he or she wants the minimum monthly payment determination to be based on payments due to other institutions, and if the total monthly repayment is less than \$30 and the monthly repayment on a Defense loan is less than \$15 a month, the amount attributed to the Defense loan may not exceed \$15 a month.

(4) *Minimum monthly repayment of loans with differing grace periods and deferments.* If the borrower has received loans with different grace periods and deferments, the institution shall treat each note separately, and the borrower shall pay the applicable minimum monthly payment for a loan that is not in the grace or deferment period.

(5) *Hardship.* The institution may reduce the borrower's scheduled repayments for a period of not more than one year at a time if—

(i) It determines that the borrower is unable to make the scheduled repayments due to hardship (see § 674.33(c)); and

(ii) The borrower's scheduled repayment is the minimum monthly repayment

described in paragraph (b) of this section.

(6) *Minimum monthly repayment rates.* For the purposes of this section, the minimum monthly repayment rate is—

(i) \$15 for a Defense loan;

(ii) \$30 for an NDSL Loan or for a Federal Perkins loan made before October 1, 1992, or for a Federal Perkins loan made on or after October 1, 1992, to a borrower who, on the date the loan is made, has an outstanding balance of principal or interest owing on any loan made under this part; or

(iii) \$40 for a Federal Perkins loan made on or after October 1, 1992, to a borrower who, on the date the loan is made, has no outstanding balance of principal or interest owing on any loan made under this part.

(7) The institution shall determine the minimum repayment amount under paragraph (b) of this section for loans with repayment installment intervals greater than one month by multiplying the amounts in paragraph (b) of this section by the number of months in the installment interval.

(c) *Extension of repayment period—(1) Hardship.* The institution may extend a borrower's repayment period due to prolonged illness or unemployment.

(2) *Low-income individual.* (i) For Federal Perkins loans and NDSLs made on or after October 1, 1980, the institution may extend the borrower's repayment period up to 10 additional years beyond the 10-year maximum repayment period if the institution determines during the course of the repayment period that the borrower is a "low-income individual." The borrower qualifies for an extension of the repayment period on the basis of low-income status only during the period in which the borrower meets the criteria described in paragraph (c)(2)(i) (A) or (B) of this section. The term *low-income individual* means the following:

(A) For an unmarried borrower without dependents, an individual whose total income for the preceding calendar year did not exceed 45 percent of the Income Protection Allowance for the current award year for a family of four with one in college.

(B) For a borrower with a family that includes the borrower and any spouse or legal dependents, an individual

whose total family income for the preceding calendar year did not exceed 125 percent of the Income Protection Allowance for the current award year for a family with one in college and equal in size to that of the borrower's family.

(ii) The institution shall use the Income Protection Allowance published annually in accordance with section 478 of the HEA in making this determination.

(iii) The institution shall review the borrower's status annually to determine whether the borrower continues to qualify for an extended repayment period based on his or her status as a "low-income individual."

(iv) Upon determining that a borrower ceases to qualify for an extended repayment period under this section, the institution shall amend the borrower's repayment schedule. The term of the amended repayment schedule may not exceed the number of months remaining on the original repayment schedule, provided that the institution may not include the time elapsed during any extension of the repayment period granted under this section in determining the number of months remaining on the original repayment schedule.

(3) Interest continues to accrue during any extension of a repayment period.

(d) *Forbearance.* (1) Forbearance means the temporary cessation of payments, allowing an extension of time for making payments, or temporarily accepting smaller payments than previously were scheduled.

(2) Upon receipt of a written request and supporting documentation, the institution shall grant the borrower forbearance of principal and, unless otherwise indicated by the borrower, interest renewable at intervals of up to 12 months for periods that collectively do not exceed three years.

(3) The terms of forbearance must be agreed upon, in writing, by the borrower and the institution.

(4) In granting a forbearance under this section, an institution shall grant a temporary cessation of payments, unless the borrower chooses another form of forbearance subject to paragraph (d)(1) of this section.

(5) An institution shall grant forbearance if—

(i) The amount of the payments the borrower is obligated to make on title IV loans each month (or a proportional share if the payments are due less frequently than monthly) is collectively equal to or greater than 20 percent of the borrower's total monthly gross income;

(ii) The institution determines that the borrower should qualify for the forbearance due to poor health or for other acceptable reasons; or

(iii) The Secretary authorizes a period of forbearance due to a national military mobilization or other national emergency.

(6) Before granting a forbearance to a borrower under paragraph (d)(5)(i) of this section, the institution shall require the borrower to submit at least the following documentation:

(i) Evidence showing the amount of the most recent total monthly gross income received by the borrower; and

(ii) Evidence showing the amount of the monthly payments owed by the borrower for the most recent month for the borrower's title IV loans.

(7) Interest accrues during any period of forbearance.

(8) The institution may not include the periods of forbearance described in this paragraph in determining the 10-year repayment period.

(e) *Compromise of repayment.* (1) An institution may compromise on the repayment of a defaulted loan if—

(i) The institution has fully complied with all due diligence requirements specified in subpart C of this part; and

(ii) The student borrower pays in a single lump-sum payment—

(A) 90 percent of the outstanding principal balance on the loan under this part;

(B) The interest due on the loan; and

(C) Any collection fees due on the loan.

(2) The Federal share of the compromise repayment must bear the same relation to the institution's share of the compromise repayment as the Federal capital contribution to the institution's loan Fund under this part bears to the institution's capital contribution to the Fund.

(f)(1) *Incentive repayment program.* An institution may establish the following repayment incentives:

(i) A reduction of no more than one percent of the interest rate on a loan on which the borrower has made 48 consecutive, monthly repayments.

(ii) A discount of no more than five percent on the balance owed on a loan which the borrower pays in full prior to the end of the repayment period.

(iii) With the Secretary's approval, any other incentive the institution determines will reduce defaults and replenish its Fund.

(2) *Limitation on the use of funds.* (i) The institution must reimburse its Fund, on at least a quarterly basis, for money lost to its Fund that otherwise would have been paid by the borrower as a result of establishing a repayment incentive under paragraphs (f)(1)(i), (ii) and (iii) of this section.

(ii) An institution may not use Federal funds, including Federal funds from the student loan fund, or institutional funds from the student loan fund to pay for any repayment incentive authorized by this section.

(g) *Closed school discharge—*(1) *General.* (i) The holder of an NDSL or a Federal Perkins Loan discharges the borrower's (and any endorser's) obligation to repay the loan if the borrower did not complete the program of study for which the loan was made because the school at which the borrower was enrolled closed.

(ii) For the purposes of this section—

(A) A school's closure date is the date that the school ceases to provide educational instruction in all programs, as determined by the Secretary;

(B) "School" means a school's main campus or any location or branch of the main campus; and

(C) The "holder" means the Secretary or the school that holds the loan.

(2) *Relief pursuant to discharge.* (i) Discharge under this section relieves the borrower of any past or present obligation to repay the loan and any accrued interest or collection costs with respect to the loan.

(ii) The discharge of a loan under this section qualifies the borrower for reimbursement of amounts paid voluntarily

or through enforced collection on the loan.

(iii) A borrower who has defaulted on a loan discharged under this section is not considered to have been in default on the loan after discharge, and such a borrower is eligible to receive assistance under programs authorized by title IV of the HEA.

(iv) The Secretary or the school, if the school holds the loan, reports the discharge of a loan under this section to all credit bureaus to which the status of the loan was previously reported.

(3) *Determination of borrower qualification for discharge by the Secretary.* The Secretary may discharge the borrower's obligation to repay an NDSL or Federal Perkins Loan without an application if the Secretary determines that—

(i) The borrower qualified for and received a discharge on a loan pursuant to 34 CFR 682.402(d) (Federal Family Education Loan Program) or 34 CFR 685.213 (Federal Direct Loan Program), and was unable to receive a discharge on an NDSL or Federal Perkins Loan because the Secretary lacked the statutory authority to discharge the loan; or

(ii) Based on information in the Secretary's possession, the borrower qualifies for a discharge.

(4) *Borrower qualification for discharge.* Except as provided in paragraph (g)(3) of this section, in order to qualify for discharge of an NDSL or Federal Perkins Loan, a borrower must submit to the holder of the loan a written request and sworn statement, and the factual assertions in the statement must be true. The statement need not be notarized but must be made by the borrower under penalty of perjury. In the statement the borrower must—

(i) State that the borrower—

(A) Received the proceeds of a loan to attend a school;

(B) Did not complete the program of study at that school because the school closed while the student was enrolled, or the student withdrew from the school not more than 90 days before the school closed (or longer in exceptional circumstances); and

(C) Did not complete and is not in the process of completing the program of study through a teachout at another

school as defined in 34 CFR 602.2 and administered in accordance with 34 CFR 602.207(b)(6), by transferring academic credit earned at the closed school to another school, or by any other comparable means;

(ii) State whether the borrower has made a claim with respect to the school's closing with any third party, such as the holder of a performance bond or a tuition recovery program, and, if so, the amount of any payment received by the borrower or credited to the borrower's loan obligation; and

(iii) State that the borrower—

(A) Agrees to provide to the holder of the loan upon request other documentation reasonably available to the borrower that demonstrates that the borrower meets the qualifications for discharge under this section; and

(B) Agrees to cooperate with the Secretary in enforcement actions in accordance with paragraph (g)(6) of this section and to transfer any right to recovery against a third party to the Secretary in accordance with paragraph (g)(7) of this section.

(5) *Fraudulently obtained loans.* A borrower who secured a loan through fraudulent means, as determined by the ruling of a court or an administrative tribunal of competent jurisdiction, is ineligible for a discharge under this section.

(6) *Cooperation by borrower in enforcement actions.* (i) In order to obtain a discharge under this section, a borrower must cooperate with the Secretary in any judicial or administrative proceeding brought by the Secretary to recover amounts discharged or to take other enforcement action with respect to the conduct on which the discharge was based. At the request of the Secretary and upon the Secretary's tendering to the borrower the fees and costs that are customarily provided in litigation to reimburse witnesses, the borrower must—

(A) Provide testimony regarding any representation made by the borrower to support a request for discharge;

(B) Provide any documents reasonably available to the borrower with respect to those representations; and

(C) If required by the Secretary, provide a sworn statement regarding those documents and representations.

(ii) The holder denies the request for a discharge or revokes the discharge of a borrower who—

(A) Fails to provide the testimony, documents, or a sworn statement required under paragraph (g)(6)(i) of this section; or

(B) Provides testimony, documents, or a sworn statement that does not support the material representations made by the borrower to obtain the discharge.

(7) *Transfer to the Secretary of borrower's right of recovery against third parties.* (i) In the case of a loan held by the Secretary, upon discharge under this section, the borrower is deemed to have assigned to and relinquished in favor of the Secretary any right to a loan refund (up to the amount discharged) that the borrower may have by contract or applicable law with respect to the loan or the enrollment agreement for the program for which the loan was received, against the school, its principals, its affiliates and their successors, its sureties, and any private fund, including the portion of a public fund that represents funds received from a private party.

(ii) The provisions of this section apply notwithstanding any provision of State law that would otherwise restrict transfer of those rights by the borrower, limit or prevent a transferee from exercising those rights, or establish procedures or a scheme of distribution that would prejudice the Secretary's ability to recover on those rights.

(iii) Nothing in this section limits or forecloses the borrower's right to pursue legal and equitable relief regarding disputes arising from matters unrelated to the discharged NDSL or Federal Perkins Loan.

(8) *Discharge procedures.* (i) After confirming the date of a school's closure, the holder of the loan identifies any NDSL or Federal Perkins Loan borrower who appears to have been enrolled at the school on the school closure date or to have withdrawn not more than 90 days prior to the closure date.

(ii) If the borrower's current address is known, the holder of the loan mails the borrower a discharge application

and an explanation of the qualifications and procedures for obtaining a discharge. The holder of the loan also promptly suspends any efforts to collect from the borrower on any affected loan. The holder of the loan may continue to receive borrower payments.

(iii) In the case of a loan held by the Secretary, if the borrower's current address is unknown, the Secretary attempts to locate the borrower and determine the borrower's potential eligibility for a discharge under this section by consulting with representatives of the closed school or representatives of the closed school's third-party billing and collection servicers, the school's licensing agency, the school accrediting agency, and other appropriate parties. If the Secretary learns the new address of a borrower, the Secretary mails to the borrower a discharge application and explanation and suspends collection, as described in paragraph (g)(8)(ii) of this section.

(iv) In the case of a loan held by a school, if the borrower's current address is unknown, the school attempts to locate the borrower and determine the borrower's potential eligibility for a discharge under this section by taking steps required to locate the borrower under § 674.44.

(v) If the borrower fails to submit the written request and sworn statement described in paragraph (g)(4) of this section within 60 days of the holder of the loan's mailing the discharge application, the holder of the loan resumes collection and grants forbearance of principal and interest for the period during which collection activity was suspended.

(vi) If the holder of the loan determines that a borrower who requests a discharge meets the qualifications for a discharge, the holder of the loan notifies the borrower in writing of that determination.

(vii) In the case of a loan held by the Secretary, if the Secretary determines that a borrower who requests a discharge does not meet the qualifications for a discharge, the Secretary notifies that borrower, in writing, of that determination and the reasons for the determination.

(viii) In the case of a loan held by a school, if the school determines that a

borrower who requests a discharge does not meet the qualifications for discharge, the school submits that determination and all supporting materials to the Secretary for approval. The Secretary reviews the materials, makes an independent determination, and notifies the borrower in writing of the determination and the reasons for the determination.

(ix) In the case of a loan held by a school and discharged by either the school or the Secretary, the school must reimburse its Fund for the entire amount of any outstanding principal and interest on the loan, and any collection costs charged to the Fund as a result of collection efforts on a discharged loan. The school must also reimburse the borrower for any amount of principal, interest, late charges or collection costs the borrower paid on a loan discharged under this section.

(b)(1) The borrower need not repay principal, and interest does not accrue, during a period after the commencement or resumption of the repayment period on a loan, when the borrower is—

(3) The institution of higher education at which the borrower is enrolled does not need to be participating in the Federal Perkins Loan program for the borrower to qualify for a deferment.

(4) If a borrower is attending an institution of higher education as at least a half-time regular student for a full academic year and intends to enroll as at least a half-time regular student in the next academic year, the borrower is entitled to a deferment for 12 months.

(5) If an institution no longer qualifies as an institution of higher education, the borrower's deferment ends on the date the institution ceases to qualify.

(c) The borrower of a Federal Perkins loan, an NDSL, or a Defense loan need not repay principal, and interest does not accrue, for any period during which the borrower is engaged in service described in §§ 674.53, 674.54, 674.55, 674.56, 674.57, 674.58, 674.59, and 674.60.

(e) The borrower need not repay principal, and interest does not accrue, for periods of up to one year at a time (except that a deferment under paragraph (e)(6) of this section may be granted for the lesser of the borrower's full term of service in the Peace Corps or the borrower's remaining period of economic hardship deferment eligibility) that, collectively, do not exceed 3 years, during which the borrower is suffering an economic hardship, if the borrower provides documentation satisfactory to the institution showing that the bor-

rower is within any of the categories described in paragraphs (e)(1) through (e)(6) of this section.

(5) Is working full-time and has a Federal education debt burden as determined under paragraph (e)(10) of this section that equals or exceeds 20 percent of the borrower's total monthly gross income, and the borrower's income minus such burden is less than 220 percent of the amount calculated under paragraph (3) of this section.

(6) Is serving as a volunteer in the Peace Corps.

(i) Evidence showing the amount of the borrower's most recent total

monthly gross income, as defined in section 674.2; and

(ii) Evidence that would enable the institution to determine the amount of the monthly payments that would have been owed by the borrower during the deferment period to other entities for Federal postsecondary education loans in accordance with paragraph (e)(9) of this section.

(8) To qualify for a subsequent period of deferment that begins less than one year after the end of a period of deferment under paragraphs (e)(3), (e)(4), or (e)(5) of this section, the institution shall require the borrower to submit a copy of the borrower's Federal income tax return if the borrower filed a tax return within eight months prior to the date the deferment is requested.

(ii) If the Federal postsecondary education loan is scheduled to be repaid in more than 10 years, use a monthly payment amount (or a proportional share if the payments are due less frequently than monthly) that would have been due on the loan if the loan had been scheduled to be repaid in 10 years.

(f) To qualify for a deferment for study as part of a graduate fellowship program pursuant to paragraph (b)(1)(ii) of this section, a borrower must provide the institution certification that the borrower has been accepted for or is engaged in full-time study in the institution's graduate fellowship program.

(g) To qualify for a deferment for study in a rehabilitation training program, pursuant to paragraph (b)(1)(iv) of this section, the borrower must be receiving, or be scheduled to receive,

(A) Is individualized to meet the borrower's needs;

(B) Specifies the date on which the services to the borrower are expected to end; and

(C) Is structured in a way that requires a substantial commitment by the borrower to his or her rehabilitation. The Secretary considers a substantial commitment by the borrower to be a commitment of time and effort that would normally prevent an individual from engaging in full-time employment either because of the number of hours that must be devoted to rehabilitation or because of the nature of the rehabilitation.

(h)(1) The borrower need not pay principal and interest does not accrue on a Federal Perkins Loan made on or after July 1, 2001, for any period not to exceed 3 years during which the borrower is—

(i) Serving on active duty during a war or other military operation or national emergency; or

(ii) Performing qualifying National Guard duty during a war or other military operation or national emergency.

(2) *Serving on active duty during a war or other military operation or national emergency* means service by an individual who is—

(i) A Reserve of an Armed Force ordered to active duty under 10 U.S.C. 12301(a), 12301(g), 12302, 12304, or 12306;

(ii) A retired member of an Armed Force ordered to active duty under 10 U.S.C. 688 for service in connection with a war or other military operation or national emergency, regardless of the location at which such active duty service is performed; or

(iii) Any other member of an Armed Force on active duty in connection with such emergency or subsequent actions or conditions who has been assigned to a duty station at a location other than the location at which the member is normally assigned.

(3) *Qualifying National Guard duty during a war or other operation or national emergency* means service as a member of the National Guard on full-time National Guard duty, as defined in 10 U.S.C. 101(d)(5), under a call to active service authorized by the President or the Secretary of Defense for a period of more than 30 consecutive days under 32 U.S.C. 502(f) in connection with a war, other military operation, or national emergency declared by the President and supported by Federal funds.

(4) As used in this section—

(i) *Active duty* means active duty as defined in 10 U.S.C. 101(d)(1) except that it does not include active duty for training or attendance at a service school;

(ii) *Military operation* means a contingency operation as defined in 10 U.S.C. 101(a)(13); and

(iii) *National emergency* means the national emergency by reason of certain terrorist attacks declared by the President on September 14, 2001, or subsequent national emergencies declared by the President by reason of terrorist attacks.

(5) These provisions do not authorize the refunding of any payments made by or on behalf of a borrower during a period for which the borrower qualified for a military service deferment.

(i) The institution may not include the deferment periods described in paragraphs (b), (c), (d), (e), (f), (g), and (h) of this section and the period described in paragraph (j) of this section in determining the 10-year repayment period.

(j) The borrower need not pay principal and interest does not accrue until six months after completion of any period during which the borrower is in deferment under paragraphs (b), (c), (d), (e), (f), (g), and (h) of this section.

(2) In the case of an in school deferment, the institution may grant the deferment based on student enrollment information showing that a borrower is enrolled as a regular student on at least a half-time basis, if the institution notifies the borrower of the deferment and of the borrower's option to cancel the deferment and continue paying on the loan.

(3) If the borrower fails to meet the requirements of paragraph (a) (1) of

§ 674.42 Contact with the borrower.

(a) *Disclosure of repayment information.* The institution must disclose the following information in a written statement provided to the borrower either shortly before the borrower ceases at least half-time study at the institution or during the exit interview. If the borrower enters the repayment period without the institution's knowledge, the institution must provide the required disclosures to the borrower in writing immediately upon discovering that the borrower has entered the repayment period. The institution must disclose the following information:

(1) The name and address of the institution to which the debt is owed and the name and address of the official or servicing agent to whom communications should be sent.

(2) The name and address of the party to which payments should be sent.

(3) The estimated balance owed by the borrower on the date on which the repayment period is scheduled to begin.

(4) The stated interest rate on the loan.

(5) The repayment schedule for all loans covered by the disclosure including the date the first installment payment is due, and the number, amount, and frequency of required payments.

(6) An explanation of any special options the borrower may have for loan consolidation or other refinancing of the loan, and a statement that the borrower has the right to prepay all or part of the loan at any time without penalty.

(7) A description of the charges imposed for failure of the borrower to pay all or part of an installment when due.

(b) *Exit interview.* (1) An institution must ensure that exit counseling is conducted with each borrower either in person, by audiovisual presentation, or by interactive electronic means. The institution must ensure that exit counseling is conducted shortly before the borrower ceases at least half-time study at the institution. As an alternative, in the case of a student enrolled in a correspondence program or a study-abroad program that the institution approves for credit, the borrower may be provided with written counseling material by mail within 30 days after the borrower completes the program. If a borrower withdraws from the institution without the institution's prior knowledge or fails to complete an exit counseling session as required, the

institution must ensure that exit counseling is provided through either interactive electronic means or by mailing counseling materials to the borrower at the borrower's last known address within 30 days after learning that the borrower has withdrawn from the institution or failed to complete exit counseling as required.

(2) The exit counseling must—

(i) Inform the student as to the average anticipated monthly repayment amount based on the student's indebtedness or on the average indebtedness of students who have obtained Perkins loans for attendance at the institution or in the borrower's program of study;

(ii) Review for the borrower available repayment options (*e.g.* loan consolidation and refinancing, including the consequences of consolidating a Federal Perkins Loan);

(iii) Suggest to the borrower debt-management strategies that would facilitate repayment;

§ 674.43 Billing procedures.

(a) The term *billing procedures*, as used in this subpart, includes that series of actions routinely performed to notify borrowers of payments due on their accounts, to remind borrowers when payments are overdue, and to demand payment of overdue amounts. An institution shall use billing procedures that include at least the following steps:

(1) If the institution uses a coupon payment system, it shall send the coupons to the borrower at least 30 days before the first payment is due.

(2) If the institution does not use a coupon system, it shall send to the borrower—

(i) A written notice giving the name and address of the party to which payments are to be sent and a statement of account at least 30 days before the first payment is due; and

(ii) A statement of account at least 15 days before the due date of each subsequent payment.

(3) Notwithstanding paragraph (a)(2)(ii) of this section, if the borrower elects to make payment by means of an electronic transfer of funds from the borrower's bank account, the institution shall send to the borrower an annual statement of account.

(b)(1) An institution shall send a first overdue notice within 15 days after the due date for a payment if the institution has not received—

(i) A payment;

(ii) A request for deferment; or

(iii) A request for postponement or for cancellation.

(2) Subject to § 674.47(a), the institution may assess a late charge for loans made for periods of enrollment beginning on or after January 1, 1986, during the period in which the institution takes any steps described in this section to secure—

(i) Any part of an installment payment not made when due, or

(ii) A request for deferment, cancellation, or postponement of repayment on the loan that contains sufficient information to enable the institution to determine whether the borrower is entitled to the relief requested.

(3) The institution shall determine the amount of the late charge imposed for loans described in paragraph (b)(2) of this section based on either—

(i) Actual costs incurred for actions required under this section to secure the required payment or information from the borrower; or

(ii) The average cost incurred for similar attempts to secure payments or information from other borrowers.

(4) The institution may not require a borrower to pay late charges imposed under paragraph (b)(3) of this section in an amount, for each late payment or request, exceeding 20 percent of the installment payment most recently due.

(5) The institution—

(i) Shall determine the amount of the late or penalty charge imposed on loans not described in paragraph (b)(2) of this section in accordance with § 674.31(b)(5) (See appendix E); and

(ii) May assess this charge only during the period described in paragraph (b)(2) of this section.

(ii) Demands payment for that amount in full no later than the due date of the next installment.

(c) If the borrower does not satisfactorily respond to the first overdue notice, the institution shall continue to contact the borrower as follows, until the borrower makes satisfactory repayment arrangements or demonstrates entitlement to deferment, postponement, or cancellation:

(1) The institution shall send a second overdue notice within 30 days after the first overdue notice is sent.

(2) The institution shall send a final demand letter within 15 days after the second overdue notice. This letter must

inform the borrower that unless the institution receives a payment or a request for deferment, postponement, or cancellation within 30 days of the date of the letter, it will refer the account for collection or litigation, and will report the default to a credit bureau.

(d) Notwithstanding paragraphs (b) and (c) of this section, an institution may send a borrower a final demand letter if the institution has not within 15 days after the due date received a payment, or a request for deferment, postponement, or cancellation, and if—

(1) The borrower's repayment history has been unsatisfactory, e.g., the borrower has previously failed to make payment(s) when due or to request deferment, postponement, or cancellation in a timely manner, or has previously received a final demand letter; or

(2) The institution reasonably concludes that the borrower neither intends to repay the loan nor intends to seek deferment, postponement, or cancellation of the loan.

(e)(1) An institution that accelerates a loan as provided in § 674.31 (i.e., makes the entire outstanding balance of the loan, including accrued interest and any applicable late charges, payable immediately) shall—

(i) Provide the borrower, at least 30 days before the effective date of the acceleration, written notice of its intention to accelerate; and

(ii) Provide the borrower on or after the effective date of acceleration, written notice of the date on which it accelerated the loan and the total amount due on the loan.

(2) The institution may provide these notices by including them in other written notices to the borrower, including the final demand letter.

(f) If the borrower does not respond to the final demand letter within 30 days from the date it was sent, the institution shall attempt to contact the borrower by telephone before beginning collection procedures.

(g)(1) An institution shall ensure that any funds collected as a result of billing the borrower are—

§ 674.49 Bankruptcy of borrower.

(a) *General.* If an institution receives notice that a borrower has filed a petition for relief in bankruptcy, usually by receiving a notice of meeting of creditors, the institution and its agents shall immediately suspend any collection efforts outside the bankruptcy proceeding against the borrower.

(b) *Proof of claim.* The institution must file a proof of claim in the bankruptcy proceeding unless—

(1) In the case of a proceeding under chapter 7 of the Bankruptcy Code, the notice of meeting of creditors states that the borrower has no assets, or

(2) In the case of a bankruptcy proceeding under either Chapter 7 or Chapter 13 of the Bankruptcy Code in which the repayment plan proposes that the borrower repay less than the full amount owed on the loan, the institution has an authoritative determination by an appropriate State official that in the opinion of the State official, the institution is an agency of the State and is, on that basis, under applicable State law, immune from suit.

(c) *Borrower's request for determination of dischargeability.* (1) The institution must use due diligence and may assert any defense consistent with its status under applicable law to avoid discharge of the loan. The institution must follow the procedures in this paragraph to respond to a complaint for a determination of dischargeability under 11 U.S.C. 523(a)(8) on the ground that repayment of the loan would impose an undue hardship on the borrower and his or her dependents, unless discharge would be more effectively opposed by avoiding that action.

(2) If the petition for relief in bankruptcy was filed before October 8, 1998 and more than seven years of the repayment period on the loan (excluding any applicable suspension of the repayment period defined in 34 CFR 682.402(m)) have passed before the borrower filed the petition, the institution may not oppose a determination of dischargeability requested under 11 U.S.C. 523(a)(8)(B) on the ground of undue hardship.

(3) In any other case, the institution must determine, on the basis of reasonably available information, whether repayment of the loan under either the current repayment schedule or any adjusted schedule authorized under subpart B or D of this part would impose an undue hardship on the borrower and his or her dependents.

(4) If the institution concludes that repayment would not impose an undue hardship, the institution shall determine whether the costs reasonably expected to be incurred to oppose discharge will exceed one-third of the total amount owed on the loan, including principal, interest, late charges and collection costs.

(5) If the expected costs of opposing discharge of such a loan do not exceed

one-third of the total amount owed on the loan, the institution shall—

(i) Oppose the borrower's request for a determination of dischargeability; and

(ii) If the borrower is in default on the loan, seek a judgment for the amount owed on the loan.

(6) In opposing a request for a determination of dischargeability, the institution may compromise a portion of the amount owed on the loan if it reasonably determines that the compromise is necessary in order to obtain a judgment on the loan.

(d) *Request for determination of non-dischargeability.* The institution may file a complaint for a determination that a loan obligation is not dischargeable and for judgment on the loan if the institution would have been required under paragraph (c) of this section to oppose a request for a determination of dischargeability with regard to that loan.

(e) *Chapter 13 repayment plan.* (1) The institution shall follow the procedures in this paragraph in response to a repayment plan proposed by a borrower who has filed for relief under chapter 13 of the Bankruptcy Code.

(2) The institution is not required to respond to a proposed repayment plan, if—

(i) The borrower proposes under the repayment plan to repay all principal, interest, late charges and collection costs on the loan; or

(ii) The repayment plan makes no provision with regard either to the loan obligation or to general unsecured claims.

(3)(i) If the borrower proposes under the repayment plan to repay less than the total amount owed on the loan, the institution shall determine from its own records and court documents—

(A) The amount of the loan obligation dischargeable under the plan by deducting the total payments on the loan proposed under the plan from the total amount owed;

(B) Whether the plan or the classification of the loan obligation under the proposed plan meets the requirements of section 1325 of the Code; and

(C) Whether grounds exist under 11 U.S.C. 1307 to move for conversion or dismissal of the chapter 13 case.

(ii) If the institution reasonably expects that costs of the appropriate actions will not exceed one-third of the dischargeable loan debt, the institution shall—

(A) Object to confirmation of a proposed plan that does not meet the requirements of 11 U.S.C. 1325; and

(B) Move to dismiss or convert a case where grounds can be established under 11 U.S.C. 1307.

(4)(i) The institution must monitor the borrower's compliance with the requirements of the plan confirmed by the court. If the institution determines that the debtor has not made the payments required under the plan, or has filed a request for a "hardship discharge" under 11 U.S.C. 1328(b), the institution must determine from its own records and information derived from documents filed with the court—

(A) Whether grounds exist under 11 U.S.C. 1307 to convert or dismiss the case; and

(B) Whether the borrower has demonstrated entitlement to the "hardship discharge" by meeting the requirements of 11 U.S.C. 1328(b).

(ii) If the institution reasonably expects that costs of the appropriate actions, when added to the costs already incurred in taking actions authorized under this section, will not exceed one-third of the dischargeable loan debt, the institution shall—

(A) Move to dismiss or convert a case where grounds can be established under 11 U.S.C. 1307; or

(B) Oppose the requested discharge where the debtor has not demonstrated that the requirements of 11 U.S.C. 1328(b) are met.

(f) *Resumption of collection from the borrower.* The institution shall resume billing and collection action prescribed in this subpart after—

(1) The borrower's petition for relief in bankruptcy has been dismissed;

(2) The borrower has received a discharge under 11 U.S.C. 727, 11 U.S.C. 1141, or 11 U.S.C. 1228, unless—

(i) The court has found that repayment of the loan would impose an undue hardship on the borrower and the dependents of the borrower; or

(ii)(A) The petition for relief was filed before October 8, 1998;

(B) The loan entered the repayment period more than seven years (excluding any applicable suspension of the repayment period as defined by 34 CFR 682.402(m), and

(C) The loan is not excepted from discharge under other applicable provisions of the Code; or

(3) The borrower has received a discharge under 11 U.S.C. 1328(a) or 1328(b), unless—

(i) The court has found that repayment of the loan would impose an undue hardship on the borrower and the dependents of the borrower; or

(ii)(A) The petition for relief was filed before October 8, 1998;

(B) The loan entered the repayment period more than seven years (excluding any application suspension of the repayment period as defined by 34 CFR 682.402(m) before the filing of the petition; and

(C) The borrower's plan approved in the bankruptcy proceeding made some provision with regard to either the loan obligation or unsecured debts in general.

(g) *Termination of collection and write-off.* (1) An institution must terminate all collection action and write off a loan if it receives a general order of discharge—

(i) In a bankruptcy in which the borrower filed for relief before October 8, 1998, if the loan entered the repayment period more than seven years (exclusive of any applicable suspension of the repayment period defined by 34 CFR 682.402(m)) from the date on which a petition for relief was filed; or

(ii) In any other case, a judgment that repayment of the debt would constitute an undue hardship and that the debt is therefore dischargeable.

(2) If an institution receives a repayment from a borrower after a loan has been discharged, it must deposit that payment in its Fund.

§ 674.61 Discharge for death or disability.

(a) *Death.* An institution must discharge the unpaid balance of a borrower's Defense, NDSL, or Perkins loan, including interest, if the borrower dies. The institution must discharge the loan on the basis of an original or certified copy of the death certificate. Under exceptional circumstances and on a case-by-case basis, the chief financial officer of the institution may approve a discharge based upon other reliable documentation supporting the discharge request.

(b) *Total and permanent disability.* (1) If the Secretary has made an initial determination that the borrower is totally and permanently disabled, as defined in § 674.51(s), the loan is conditionally discharged for up to three years from the date that the borrower became totally and permanently disabled, as certified by a physician. The Secretary suspends collection activity on the loan from the date of the initial determination of total and permanent disability until the end of the three-year conditional period. If the borrower satisfies the criteria for a total and permanent disability discharge during and at the end of the conditional discharge period, the balance of the loan is discharged at the end of the conditional discharge period and any payments received after the date the borrower became totally and permanently disabled as certified under § 674.61(b)(3) are returned to the sender.

(2) A borrower satisfies the criteria for a discharge of a loan based on a

total and permanent disability if, during and at the end of the three-year conditional discharge period described in paragraph (b)(1) of this section—

(i) The borrower's annual earnings from employment do not exceed 100 percent of the poverty line for a family of two, as determined in accordance with the Community Service Block Grant Act; and

(ii) The borrower does not receive a new loan under the Perkins, FFEL or Direct Loan programs, except for a FFEL or Direct Consolidation Loan that does not include any loans that are in a conditional discharge status.

(3) If a borrower becomes totally and permanently disabled after receiving a Defense, NDSL, or Perkins loan, the institution must assign the loan to the Secretary if the borrower submits a certification by a physician and the institution reviewed the application and determined that it is complete and that it supports the conclusion that the borrower has a total and permanent disability as defined in § 674.51(s).

(4) At the time the loan is assigned to the Secretary the institution must notify the borrower that the loan has been assigned to the Secretary for determination of eligibility for a total and permanent disability discharge.

(5) If the Secretary determines that the certification provided by the borrower does not support the conclusion that the borrower meets the criteria for a total and permanent disability discharge, the Secretary notifies the borrower that the application for a disability discharge has been denied, and that the loan is due and payable under the terms of the promissory note.

(6) If the Secretary makes an initial determination that the borrower is totally and permanently disabled, the Secretary notifies the borrower that the loan will be in a conditional discharge status for a period of up to three years after the date the borrower became totally and permanently disabled as certified under § 674.61(b)(3). This notification identifies the conditions of the conditional discharge period specified in paragraphs (b)(6) through (b)(9) of this section and specifies that all or part of the three-year period may predate the Secretary's initial determination.

(7) During the conditional discharge period, the borrower—

(i) Is not required to make any payments on the loan;

(ii) Is not considered past due or in default on the loan, unless the loan was past due or in default at the time the conditional discharge was granted;

(iii) Must promptly notify the Secretary of any changes in address or phone number;

(iv) Must promptly notify the Secretary if the borrower's annual earnings from employment exceed the amount specified in paragraph (b)(2)(i) of this section; and

(v) Must provide the Secretary, upon request, with additional documentation or information related to the borrower's eligibility for discharge under this section.

(8) If, during and at the end of the conditional discharge period, the borrower continues to satisfy the eligibility criteria for a total and permanent disability discharge, as described in paragraph (b)(2) of this section, the balance of the loan is discharged.

(9) If, at any time during or at the end of the three-year conditional discharge period, the borrower does not continue to meet the eligibility requirements for total and permanent disability discharge, the Secretary resumes collection activity on the loan. The Secretary does not require the borrower to pay any interest that accrued on the loan from the date of the initial determination described in paragraph (b)(6) of this section through the end of the conditional discharge period.

(10) If the institution receives any payments from or on behalf of the borrower on or attributable to a loan that has been assigned to the Secretary for determination of eligibility for a total and permanent disability discharge, the institution must forward those payments to the Secretary for crediting to the borrower's account. At the same time that the institution forwards the payment, it must notify the borrower that there is no obligation to make payments on the loan while it is conditionally discharged prior to a final determination of eligibility for a total and permanent disability discharge, unless the Secretary directs the borrower otherwise.

(11) When the Secretary makes a final determination to discharge the loan, the Secretary returns to the sender any payments received on the loan after the date the borrower became totally and permanently disabled.

(c) *No Federal reimbursement.* No Federal reimbursement is made to an institution for cancellation of loans due to death or disability.

(d) *Retroactive.* Cancellation for death or disability applies retroactively to all Defense, NDSL or Perkins loans.

(ii) Died on board American Airlines flights 11 or 77 or United Airlines flights 93 or 175 on September 11, 2001.

(3) *Became permanently and totally disabled due to injuries suffered in the terrorist attacks on September 11, 2001* means the individual was present at the World Trade Center in New York City, New York, at the Pentagon in Virginia, or at the Shanksville, Pennsylvania site at the time of or in the immediate aftermath of the terrorist-related aircraft crashes on September 11, 2001, and the individual became per-

manently and totally disabled as a direct result of these crashes.

(i) An individual is considered permanently and totally disabled if—

(A) The disability is the result of a physical injury to the individual that was treated by a medical professional within 24 hours of the injury having been sustained or within 24 hours of the rescue;

(B) The physical injury that caused the disability is verified by contemporaneous medical records created by or at the direction of the medical professional who provided the medical care; and

(C) The individual is unable to work and earn money due to the disability and the disability is expected to continue indefinitely or result in death.

(ii) If the injuries suffered due to the terrorist-related aircraft crashes did not make the individual permanently and totally disabled at the time of or in the immediate aftermath of the attacks, the individual may be considered to be permanently and totally disabled for purposes of this section if the individual's medical condition has deteriorated to the extent that the individual is permanently and totally disabled.

(4) *Immediate aftermath* means, for an eligible public servant, the period of time from the aircraft crashes until 96 hours after the crashes.

Generally, this includes the immediate area in which the impact occurred, fire occurred, portions of buildings fell, or debris fell upon and injured persons.

(b) *September 11 survivors discharge.* (1) The obligation of a borrower to make any further payments on an eligible Defense, NDSL, or Perkins Loan is discharged if the borrower was, at the time of the terrorist attacks on September 11, 2001, and currently is, the spouse of an eligible public servant, unless the eligible public servant has died. If the eligible public servant has died, the borrower must have been the spouse of the eligible public servant at the time of the terrorist attacks on September 11, 2001 and until the date the eligible public servant died.

(2) A Defense, NDSL, or Perkins Loan owed by the spouse of an eligible public servant may be discharged under the procedures for a discharge in paragraphs (b)(3) through (b)(6) of this section.

(3) After being notified by the borrower that the borrower claims to qualify for a discharge under this section, an institution shall suspend collection activity on the borrower's eligible Defense, NDSL, and Perkins Loans and promptly request that the borrower submit a request for discharge on a form approved by the Secretary.

(4) If the institution determines that the borrower does not qualify for a discharge under this section, or the institution does not receive the completed discharge request form from the borrower within 60 days of the borrower notifying the institution that the borrower claims to qualify for a discharge, the institution shall resume collection and shall be deemed to have exercised forbearance of payment of both principal and interest from the date the institution was notified by the borrower. The institution must notify the borrower that the application for the discharge has been denied, provide the basis for the denial, and inform the borrower that the lender will resume collection on the loan.

(5) If the institution determines that the borrower qualifies for a discharge under this section, the institution shall notify the borrower that the loan has been discharged and that there is no further obligation to repay the loan. The institution shall return to the sender any payments received by the institution after the date the loan was discharged.

(6) A Defense, NDSL, or Perkins Loan owed by an eligible public servant may be discharged under the procedures in § 674.61 for a discharge based on the death or total and permanent disability of the eligible public servant.

(c) *Documentation that an eligible public servant died due to injuries suffered in the terrorist attacks on September 11, 2001.*

(1) Documentation that an eligible public servant died due to injuries suffered in the terrorist attacks on September 11, 2001 must include—

(3) If the individual owed a FFEL Program Loan, a Direct Loan, or a Perkins Loan at the time of the terrorist attacks on September 11, 2001, documentation that the individual's loans were discharged by the lender, the Secretary, or the institution due to death may be substituted for the original or certified copy of a death certificate.

(4) If the borrower is the spouse of an eligible public servant, and has been granted a discharge on a FFEL Program Loan, a Direct Loan, or a Perkins Loan held by another institution, because the eligible public servant died due to injuries suffered in the terrorist

attacks on September 11, 2001, documentation of the discharge may be used as an alternative to the documentation required in paragraphs (c)(1) through (c)(3) of this section.

(5) Under exceptional circumstances and on a case-by-case basis, the determination that an eligible public servant died due to injuries suffered in the terrorist attacks on September 11, 2001 may be based on other reliable documentation approved by the chief financial officer of the institution.

(d) *Documentation that an eligible public servant became permanently and totally disabled due to injuries suffered in the terrorist attacks on September 11, 2001.*

(2) If the borrower is the spouse of an eligible public servant, and has been granted a discharge on a FFEL Loan, a Direct Loan, or a Perkins Loan held by another institution, because the eligible public servant became permanently and totally disabled due to injuries suffered in the terrorist attacks on September 11, 2001, documentation of the discharge may be used as an alter-

native to the documentation required in paragraph (d)(1) of this section.

(e) *Additional information.* (1) An institution may require the borrower to submit additional information that the institution deems necessary to determine the borrower's eligibility for a discharge under this section.

(2) To establish that the eligible public servant was present at the World Trade Center in New York City, New York, at the Pentagon in Virginia, or at the Shanksville, Pennsylvania site, such additional information may include but is not limited to—

(i) Records of employment;

(ii) Contemporaneous records of a federal, state, city, or local government agency;

(iii) An affidavit or declaration of the eligible public servant's employer; or

(iv) A sworn statement (or an unsworn statement complying with 28 U.S.C. 1746) regarding the presence of the eligible public servant at the site.

(3) To establish that the disability of the eligible public servant is due to injuries suffered in the terrorist attacks on September 11, 2001, such additional information may include but is not limited to—

(i) Contemporaneous medical records of hospitals, clinics, physicians, or other licensed medical personnel;

(4) To establish the borrower's relationship to the eligible public servant, such additional information may include but is not limited to—

(i) Copies of relevant legal records including court orders, letters of testamentary or similar documentation;

(ii) Copies of wills, trusts, or other testamentary documents; or

(iii) Copies of approved joint FFEL or Federal Direct Consolidation loan applications.

(f) *Limitations on discharge.* (1) Only Defense, NDSL, and Perkins Loans for which amounts were owed on September 11, 2001, are eligible for discharge under this section.

(2) Eligibility for a discharge under this section does not qualify a borrower for a refund of any payments made on the borrower's Defense, NDSL,

Off. of Postsecondary Educ., Education

Pt. 675

or Perkins Loans prior to the date the loan was discharged.

(3) A determination by an institution that an eligible public servant became permanently and totally disabled due to injuries suffered in the terrorist attacks on September 11, 2001 for purposes of this section does not qualify the eligible public servant for a discharge based on a total and permanent disability under § 674.61.

(4) The spouse of an eligible public servant may not receive a discharge under this section if the eligible public servant has been identified as a participant or conspirator in the terrorist-related aircraft crashes on September 11, 2001.

1st Past due installment	\$6		\$6
2nd Past due installment		\$6+\$6	12
Cumulative maximum subtotals	6	18	

NOTE: In the above table of examples, the Cumulative Maximum Subtotal line contains the maximum penalty charges that can be assessed on an NDSL borrower for any given installment that was missed on its due date. For example, if three borrowers, all on different repayment schedules, owed and missed their first installment payment on January 2 and all three made their next payment on April 10, the maximum penalty charges that could be assessed each individual borrower would be as follows: \$16 to the monthly repayment schedule borrower; \$9 to the bimonthly repayment schedule borrower; and \$18 to the quarterly repayment schedule borrower.

(2) Before an institution makes an initial disbursement of FWS compensation to a student for an award period, the institution must notify the student of the amount of funds the student is authorized to earn, and how and when the FWS compensation will be paid.

(3) An institution must pay FWS compensation to a student by—

(i) Check or similar instrument that the student can cash on his or her own endorsement;

(ii) Initiating an electronic funds transfer (EFT) to a bank account designated by the student after obtaining the authorization described in paragraph (a)(4)(i) of this section;

(4)(i) Except for the noncash contributions allowed under paragraphs (b)(2) and (b)(3) of this section, an institution must obtain a separate written authorization from the student if the student is paid FWS compensation by—

(A) Crediting the student's account at the institution; or (B) Initiating an EFT to a bank account designated by the student.

(ii) If an institution obtains a written authorization from the student, the institution may hold excess FWS funds under paragraph (a)(8) of this section.

(6)(i) If a student modifies the written authorization described in paragraph (a)(4) of this section, the modification takes effect on the date the institution receives the modification notice.

(7) If an institution pays a student FWS compensation by crediting the student's account, and the result is a credit balance, the institution must pay the credit balance directly to the student as soon as possible but no later than 14 days after the balance occurred on the account.

(8) Except if prohibited by the Secretary under the reimbursement payment method, an institution may hold, on behalf of the student, FWS funds that would otherwise be paid directly to the student under paragraph (a)(7) of this section, if the institution obtains the authorization described in paragraph (a)(4)(ii) of this section. (i) Identify the amount of FWS funds the institution holds for each student in a subsidiary ledger account designated for that purpose;

(ii) Maintain, at all times, cash in its bank account in an amount at least equal to the amount of FWS funds the institution holds for the student; and

(9) If a student cancels the written authorization as described in paragraph (a)(4)(ii) of this section to hold excess FWS funds, the institution must pay those funds directly to the student as soon as possible but no later than 14 days after the institution receives that cancellation notice.

(12) An institution may pay a student after the student's last day of attendance for FWS compensation earned while he or she was in attendance at the institution.

(b)(1) Except for the noncash contributions allowed under paragraph (b)(2) or (b)(3) of this section, an institution must pay the student its share of his or her FWS compensation at the same time it pays the Federal share.

(2) If an institution pays a student its FWS share for an award period in the form of tuition, fees, services, or equipment, it must pay that share before the student's final payroll period.

(3) If an institution pays its FWS share in the form of prepaid tuition, fees, services, or equipment for a forthcoming academic period, it must give the student a statement before the close of his or her final payroll period listing the amount of tuition, fees, services, or equipment earned.

(c) A correspondence student must submit his or her first completed lesson before receiving a payment.

(d) The institution may not obtain a student's power of attorney to authorize any disbursement of funds without prior approval from the Secretary.

Subpart A—Purpose and Scope

§ 682.100 The Federal Family Education Loan programs.

(a) This part governs the following four programs collectively referred to in these regulations as “the Federal Family Education Loan (FFEL) programs,” in which lenders use their own funds to make loans to enable a student or his or her parents to pay the costs of the student's attendance at postsecondary schools:

(1) The Federal Stafford Loan (Stafford) Program, which encourages making loans to undergraduate, graduate, and professional students.

(2) The Federal Supplemental Loans for Students (SLS) Program, as in effect for periods of enrollment that began prior to July 1, 1994, which encouraged making loans to graduate, professional, independent undergraduate, and certain dependent undergraduate students.

(3) The Federal PLUS (PLUS) Program, which encourages making loans to parents of dependent undergraduate students. Before October 17, 1986, the PLUS Program also provided for making loans to graduate, professional, and independent undergraduate students. Before July 1, 1993, the PLUS Program also provided for making loans to parents of dependent graduate students. The PLUS Program also provides for making loans to graduate and professional students on or after July 1, 2006.

(4) The Federal Consolidation Loan Program (Consolidation Loan Program), which encourages making loans to borrowers for the purpose of consolidating loans: under the Federal Insured Student Loan (FISL), Stafford loan, SLS, ALAS (as in effect before October

17, 1986), PLUS, Perkins Loan programs, the Health Professions Student Loan (HPSL) including Loans for Disadvantaged Students (LDS) Program authorized by subpart II of part A of Title VII of the Public Health Services Act, Health Education Assistance Loans (HEAL) authorized by subpart I of Part A of Title VII of the Health Services Act, Nursing Student Loan Program loans authorized by subpart II of part B of title VIII of the Public Health Service Act, and existing loans obtained under the Consolidation Loan Program, and William D. Ford Direct Loan (Direct Loan) program loans, if the application for the Consolidation loan was received on or after November 13, 1997.

(b)(1) Except for the loans guaranteed directly by the Secretary described in paragraph (b)(2) of this section, a guaranty agency guarantees a lender against losses due to default by the borrower on a FFEL loan. If the guaranty agency meets certain Federal requirements, the guaranty agency is reimbursed by the Secretary for all or part of the amount of default claims it pays to lenders.

(2)(i) The Secretary guarantees lenders against losses—

(A) Within the Stafford Loan Program, on loans made under Federal Insured Student Loan (FISL) Program;

(B) Within the PLUS Program, on loans made under the Federal PLUS Program;

(C) Within the SLS Program, on loans made under the Federal SLS Program as in effect for periods of enrollment that began prior to July 1, 1994; and

(D) Within the Consolidation Loan Program, on loans made under the Federal Consolidation Loan Program.

(ii) The loan programs listed in paragraph (b)(2)(i) of this section collectively are referred to in these regulations as the “Federal Guaranteed Student Loan (GSL) programs.”

(iii) The Federal GSL programs are authorized to operate in States not served by a guaranty agency program. In addition, the FISL and Federal SLS (as in effect for periods of enrollment that began prior to July 1, 1994) programs are authorized, under limited circumstances, to operate in States in

which a guaranty agency program does not serve all eligible students.

(a) Eligible banks, savings and loan associations, credit unions, pension funds, insurance companies, schools, and State and private nonprofit agencies may make loans.

(b) Institutions of higher education, including most colleges, universities, graduate and professional schools, and many vocational, technical schools may participate as schools, enabling an eligible student or his or her parents to obtain a loan to pay for the student's cost of education.

(c) Students who meet certain requirements, including enrollment at a participating school, may borrow under the Stafford Loan and, for periods of enrollment that began prior to July 1, 1994, the SLS program. Parents of eligible dependent undergraduate students may borrow under the PLUS Program. Borrowers with outstanding Stafford, SLS, FISL, Perkins, HPSL, HEAL, ALAS, PLUS, or Nursing Student Loan Program loans may borrow under the Consolidation Loan Program. The PLUS Program also provides for making loans to graduate and professional students on or after July 1, 2006.

§ 682.102 Obtaining and repaying a loan.

(a) *Stafford loan application.* Generally, to obtain a Stafford loan a student requests a loan by completing the Free Application for Federal Student Aid (FAFSA), and contacting the school, lender or guarantor. The school determines and certifies the student's eligibility for the loan. Prior to loan disbursement, the lender obtains a loan guarantee from a guaranty agency or

the Secretary and the student completes a promissory note, unless the student has previously completed a Master Promissory Note (MPN) that the lender may use for the new loan.

(b) [Reserved]

(c) *PLUS loan application.* (1) For a parent to obtain a PLUS loan, the parent completes an application and submits it to the school for certification. After the school certifies the application, the application is submitted to a participating lender. If the lender decides to make the loan, the lender obtains a loan guarantee from a guaranty agency or the Secretary. Prior to loan disbursement, the parent completes a PLUS MPN, unless the parent has previously completed a PLUS MPN that the lender may use for the new loan.

(2) For a graduate or professional student to obtain a PLUS loan, the student applies for a PLUS Loan by completing a Free Application for Federal Student Aid (FAFSA) and contacting the school, lender or guarantor. The school determines and certifies the student's eligibility for the PLUS loan. After the school certifies the application, the application is submitted to a participating lender. If the lender decides to make the loan, the lender obtains a loan guarantee from a guaranty agency or the Secretary. Prior to loan disbursement, the student completes a PLUS MPN, unless the student has previously completed a PLUS MPN that the lender may use for the new loan.

(d) *Consolidation loan application.* Generally, to obtain a Consolidation loan, a borrower completes an application and submits it to a lender participating in the Consolidation Loan Program. If the lender decides to make the loan, the lender obtains a loan guarantee from a guaranty agency or the Secretary.

(e) *Repaying a loan—*(1) *General.* Generally, the borrower is obligated to repay the full amount of the loan, late fees, collection costs chargeable to the borrower, and any interest not payable by the Secretary. The borrower's obligation to repay is cancelled if the borrower dies, becomes totally and permanently disabled, or has that obligation discharged in bankruptcy. A parent borrower's obligation to repay a PLUS loan is cancelled if the student, on

whose behalf the parent borrowed, dies. The borrower's or student's obligation to repay all or a portion of his or her loan may be cancelled if the student is unable to complete his or her program of study because the school closed or the borrower's or student's eligibility to borrow was falsely certified by the school. The obligation to repay all or a portion of a loan may be forgiven for Stafford loan borrowers who enter certain areas of the teaching or child care professions.

(2) *Stafford loan repayment.* In the case of a subsidized Stafford loan, a borrower is not required to make any principal payments on a Stafford loan during the time the borrower is in school. The Secretary pays the interest on the borrower's behalf during the time the borrower is in school. When the borrower ceases to be enrolled on at least a half-time basis, a grace period begins during which no principal payments are required, and the Secretary continues to make interest payments on the borrower's behalf. In the case of an unsubsidized Stafford loan, the borrower is responsible for interest during these periods. At the end of the grace period, the repayment period begins. During the repayment period, for the subsidized and unsubsidized Stafford loan, the borrower pays both the principal and the interest accruing on the loan.

(3) *SLS loan repayment.* Generally, the repayment period for an SLS loan begins immediately on the day of the last disbursement of the loan proceeds by the lender. The first payment of principal and interest on an SLS loan is due from the borrower within 60 days after the loan is fully disbursed unless a borrower who is also a Stafford loan borrower, but who has not yet entered repayment on the Stafford loan, requests that commencement of repayment on the SLS loan be deferred until the borrower's grace period on the Stafford loan expires.

(4) *PLUS loan repayment.* Generally, the repayment period for a PLUS loan begins on the day the loan is fully disbursed by the lender. The first payment of principal and interest on a PLUS loan is due from the borrower within 60 days after the loan is fully disbursed.

(5) *Consolidation loan repayment.* Generally, the repayment period for a Consolidation loan begins on the day the loan is disbursed. The first payment of principal and interest on a Consolidation loan is due from the borrower within 60 days after the borrower's liability on all loans being consolidated has been discharged.

(6) *Deferment of repayment.* Repayment of principal on a FFEL program loan may be deferred under the circumstances described in § 682.210.

(7) *Default.* If a borrower defaults on a loan, the guarantor reimburses the lender for the amount of its loss. The guarantor then collects the amount owed from the borrower.

(2) With respect to a National or State chartered bank, a mutual savings bank, a savings and loan association, a stock savings bank, or a credit union—

(i) The phrase “subject to examination and supervision” in section 435(d) of the Act means “subject to examination and supervision in its capacity as a lender”;

(ii) The phrase “does not have as its primary consumer credit function the making or holding of loans made to students under this part” in section 435(d) of the Act means that the lender does not, or in the case of a bank holding company, the company’s wholly-owned subsidiaries as a group do not at any time, hold FFEL Program loans that total more than one-half of the lender’s or subsidiaries’ combined consumer credit loan portfolio, including home mortgages held by the lender or its subsidiaries. For purposes of this paragraph, loans held in trust by a trustee lender are not considered part of the trustee lender’s consumer credit function.

(3) A bank that is subject to examination and supervision by an agency of the United States, making student loans as a trustee, may be an eligible lender if it makes loans under an express trust, operated as a lender in the FFEL programs prior to January 1, 1975, and met the requirements of this paragraph prior to July 23, 1992.

Origination relationship. A special business relationship between a school and a lender in which the lender delegates to the school, or to an entity or individual affiliated with the school, substantial functions or responsibilities normally performed by lenders before making FFEL program loans. In this situation, the school is considered to have “originated” a loan made by the lender.

Origination fee. A fee that the lender is required to pay the Secretary to help defray the Secretary’s costs of subsidizing the loan. The lender may pass this fee on to the Stafford loan borrower. The lender must pass this fee on to the SLS or PLUS borrower.

Participating school. A school that has in effect a current agreement with the Secretary under § 682.600.

Period of enrollment. The period for which a Stafford, SLS, or PLUS loan is intended. The period of enrollment must coincide with a *bona fide* academic term established by the school for which institutional charges are generally assessed (e.g. semester, trimester, quarter, length of the student’s program or academic year). The period of enrollment is also referred to as the loan period.

clusive of any period of deferment or forbearance. However, payments of interest are the responsibility of the borrower during the in-school and grace period, but may be capitalized by the lender.

(3) For SLS loans, the period that begins on the date the loan is disbursed, or if the loan is disbursed in more than one installment, on the date the last disbursement is made and ending no later than 10 years from that date, exclusive of any period of deferment or forbearance. The first payment of principal is due within 60 days after the loan is fully disbursed unless a borrower who is also a Stafford loan borrower but who, has not yet entered repayment on the Stafford loan requests that commencement of repayment on the SLS loan be delayed until the borrower’s grace period on the Stafford loan expires. Interest on the loan accrues and is due and payable from the date of the first disbursement of the loan. The borrower is responsible for paying interest on the loan during the grace period and periods of deferment, but the interest may be capitalized by the lender.

(4) For Federal PLUS loans, the period that begins on the date the loan is disbursed, or if the loan is disbursed in more than one installment, on the date the last disbursement is made and ending no later than 10 years, or 25 years under an extended repayment schedule, from that date, exclusive of any period of deferment or forbearance. Interest on the loan accrues and is due and payable from the date of the first disbursement of the loan.

(2) For purposes of consolidating a defaulted loan under 34 CFR 682.201(c)(1)(iii)(C), the making of three (3) consecutive, on-time voluntary full monthly payments on a defaulted loan.

(3) The required full monthly payment amount may not be more than is reasonable and affordable based on the borrower's total financial circumstances. Voluntary payments are those payments made directly by the borrower, and do not include payments obtained by income tax off-set, garnishment, or income or asset execution. On-time means a payment received by the Secretary or a guaranty agency or its agent within 15 days of the scheduled due date.

School. (1) An “institution of higher education” as that term is defined in 34 CFR 600.4.

(2) For purposes of an in-school deferment, the term includes an institution of higher education, whether or not it participates in any title IV program or has lost its eligibility to participate in the FFEL program because of a high default rate.

School lender. A school, other than a correspondence school, that has entered into a contract of guarantee under this part with the Secretary or, a similar agreement with a guaranty agency.

§ 682.201 Eligible borrowers.

(a) *Student Stafford borrower.* Except for a refinanced SLS/PLUS loan made under § 682.209 (e) or (f), a student is eligible to receive a Stafford loan, and an independent undergraduate student, a graduate or professional student, or, subject to paragraph (a)(3) of this section, a dependent undergraduate student, is eligible to receive an unsubsidized Stafford loan, if the student who is enrolled or accepted for enrollment on at least a half-time basis at a participating school meets the requirements for an eligible student under 34 CFR part 668, and—

(1) In the case of an undergraduate student who seeks a Stafford loan or unsubsidized Stafford loan for the cost of attendance at a school that participates in the Pell Grant Program, has received a final determination, or, in the case of a student who has filed an application with the school for a Pell Grant, a preliminary determination, from the school of the student's eligibility or ineligibility for a Pell Grant and, if eligible, has applied for the period of enrollment for which the loan is sought;

(2) In the case of any student who seeks an unsubsidized Stafford loan for the cost of attendance at a school that participates in the Stafford Loan Program, the student must—

(i) Receive a determination of need for a subsidized Stafford loan; and

(ii) If the determination of need is in excess of \$200, have made a request to a lender for a subsidized Stafford loan;

(3) For purposes of a dependent undergraduate student's eligibility for an additional unsubsidized Stafford loan amount, as described at § 682.204(d), is a dependent undergraduate student for whom the financial aid administrator determines and documents in the school's file, after review of the family financial information provided by the student and consideration of the student's debt burden, that the student's parents likely will be precluded by exceptional circumstances (e.g., denial of a PLUS loan to a parent based on adverse credit, the student's parent receives only public assistance or disability benefits, is incarcerated, or his or her whereabouts are unknown) from borrowing under the PLUS Program and the student's family is otherwise unable to provide the student's expected family contribution. A parent's refusal to borrow a PLUS loan does not constitute an exceptional circumstance;

(4)(i) Reaffirms any FFEL loan amount on which there has been a total cessation of collection activity, including all principal, interest, collection costs, legal costs, and late charges that have accrued on that amount up to the date of reaffirmation.

(ii) For purposes of this section, reaffirmation means the acknowledgement of the loan by the borrower in a legally binding manner. The acknowledgement may include, but is not limited to, the borrower—

(A) Signing a new promissory note that includes the same terms and conditions as the original note signed by the borrower or repayment schedule; or

(B) Making a payment on the loan.

(5) The suspension of collection activity has been lifted from any loan on which collection activity had been suspended based on a conditional determination that the borrower was totally and permanently disabled under § 682.402(c).

(6) In the case of a borrower whose prior loan under title IV of the Act was discharged after a final determination of total and permanent disability, the student must—

(i) Obtain certification from a physician that the borrower is able to engage in substantial gainful activity;

(ii) Sign a statement acknowledging that the FFEL loan the borrower receives cannot be discharged in the future on the basis of any impairment present when the new loan is made, unless that impairment substantially deteriorates; and

(iii) In the case of a borrower whose previous loan under title IV of the Act was discharged due to a total and permanent disability on or after July 1, 2001 and before July 1, 2002, meets the requirements of paragraphs (a)(6)(i) and (a)(6)(ii) of this section. If the borrower applies for another loan within three years from the date that the borrower became totally and permanently disabled, as certified by the physician, the borrower must reaffirm the previously discharged loan before receiving the new loan.

(7) In the case of a borrower whose prior loan under title IV of the HEA was conditionally discharged based on an initial determination that the borrower was totally and permanently disabled, the borrower must—

(i) Comply with the requirements of paragraphs (a)(6)(i) and (a)(6)(ii) of this section; and

(ii) Sign a statement acknowledging that—

(A) The loan that has been conditionally discharged prior to a final determination of total and permanent disability cannot be discharged in the future on the basis of any impairment present when the borrower applied for a total and permanent disability discharge or when the new loan is made unless that impairment substantially deteriorates; and

(B) Collection activity will resume on any loans in a conditional discharge period, as described in paragraph 682.402(c)(16).

(8) In the case of any student who seeks a loan but does not have a certificate of graduation from a school providing secondary education or the recognized equivalent of such a certificate, the student meets the requirements under 34 CFR part 668.32(e).

(9) Is not serving in a medical internship or residency program, except for an internship in dentistry.

(b) *Student PLUS borrower.* A graduate or professional student who is enrolled or accepted for enrollment on at

least a half-time basis at a participating school is eligible to receive a PLUS Loan on or after July 1, 2006, if the student—

(1) Meets the requirements for an eligible student under 34 CFR 668;

(2) Meets the requirements of paragraphs (a)(4), (a)(5), (a)(6), (a)(7), (a)(8), and (a)(9) of this section, if applicable;

(3) Has received a determination of his or her annual loan maximum eligibility under the Federal Subsidized and Unsubsidized Stafford Loan Program or under the Federal Direct Subsidized Stafford/Ford Loan Program and Federal Direct Unsubsidized Stafford/Ford Loan Program, as applicable; and

(4) Does not have an adverse credit history in accordance with paragraphs (c)(2)(i) through (c)(2)(v) of this section, or obtains an endorser who has been determined not to have an adverse credit history, as provided for in paragraph (c)(1)(vii) of this section.

(c) *Parent PLUS borrower.* (1) A parent borrower, is eligible to receive a PLUS Program loan, other than a loan made under § 682.209(e), if the parent—

(i) Is borrowing to pay for the educational costs of a dependent undergraduate student who meets the requirements for an eligible student set forth in 34 CFR part 668;

(ii) Provides his or her and the student's social security number;

(iii) Meets the requirements pertaining to citizenship and residency that apply to the student in 34 CFR 668.33;

(iv) Meets the requirements concerning defaults and overpayments that apply to the student in 34 CFR 668.35 and meets the requirements of judgment liens that apply to the student under 34 CFR 668.32(g)(3);

history as provided in paragraph (c)(2)(ii) of this section.

(viii) Has completed repayment of any title IV, HEA program assistance obtained by fraud, if the parent has been convicted of, or has pled *nolo contendere* or guilty to, a crime involving fraud in obtaining title IV, HEA program assistance.

(2)(i) For purposes of this section, the lender must obtain a credit report on each applicant from at least one national credit bureau. The credit report must be secured within a timeframe that would ensure the most accurate, current representation of the borrower's credit history before the first day of the period of enrollment for which the loan is intended.

(ii) Unless the lender determines that extenuating circumstances existed, the lender must consider each applicant to have an adverse credit history based on the credit report if—

(A) The applicant is considered 90 or more days delinquent on the repayment of a debt; or

(B) The applicant has been the subject of a default determination, bankruptcy discharge, foreclosure, repossession, tax lien, wage garnishment, or write-off of a Title IV debt, during the five years preceding the date of the credit report.

(iii) Nothing in this paragraph precludes the lender from establishing more restrictive credit standards to determine whether the applicant has an adverse credit history.

(iv) The absence of any credit history is not an indication that the applicant has an adverse credit history and is not to be used as a reason to deny a PLUS loan to that applicant.

(v) The lender must retain a record of its basis for determining that extenuating circumstances existed. This record may include, but is not limited to, an updated credit report, a statement from the creditor that the borrower has made satisfactory arrangements to repay the debt, or a satisfactory statement from the borrower explaining any delinquencies with outstanding balances of less than \$500.

(3) For purposes of paragraph (c)(1) of this section, a "parent" includes the individuals described in the definition of "parent" in 34 CFR 668.2 and the

spouse of a parent who remarried, if that spouse's income and assets would have been taken into account when calculating a dependent student's expected family contribution.

(d) *Consolidation program borrower.* (1) An individual is eligible to receive a Consolidation loan if the individual—

(B) Not subject to a judgment secured through litigation, unless the judgment has been vacated;

(C) Not subject to an order for wage garnishment under section 488A of the Act, unless the order has been lifted;

(D) Not in default status resulting from a claim filed under § 682.412.

(ii) Certifies that no other application for a Consolidation loan is pending; and

(iii) Agrees to notify the holder of any changes in address.

(2) A borrower may not consolidate a loan under this section for which the borrower is wholly or partially ineligible.

(e) A borrower's eligibility to receive a Consolidation loan terminates upon receipt of a Consolidation loan except that—

(1) Eligible loans received prior to the date a Consolidation loan was made and loans received during the 180-day period following the date a Consolidation loan was made, may be added to the Consolidation loan based on the borrower's request received by the lender during the 180-day period after the date the Consolidation loan was made;

(2) A borrower who receives an eligible loan before or after the date a Consolidation loan is made may receive a subsequent Consolidation loan;

(3) A Consolidation loan borrower may consolidate an existing Consolidation loan if the borrower has at least

§ 682.202

34 CFR Ch. VI (7-1-07 Edition)

(A) If during any calendar quarter, the sum of the average of the bond equivalent rates of the 91-day Treasury bills auctioned for that quarter, plus 3.10 percent, is less than the applicable interest rate, the lender shall calculate an adjustment and credit the adjustment to reduce the outstanding principal balance of the loan as specified

under paragraph (a)(6)(ii)(C) of this section if the borrower's account is not more than 30 days delinquent on December 31. The amount of an adjustment for a calendar quarter is equal to—

(C) For any other quarter, the holder of the loan shall, within 30 days of the end of the calendar year, reduce the borrower's outstanding principal by the amount of excess interest calculated under paragraph (a)(6)(ii)(A) of this section, provided that the borrower's account was not more than 30 days delinquent as of December 31;

(D) For a borrower who on the last day of the calendar year is delinquent for more than 30 days, any excess interest calculated shall be refunded to the Secretary; and

(E) Notwithstanding paragraphs (a)(6)(ii)(B), (C) and (D) of this section, if the loan was disbursed during a quarter, the amount of any adjustment refunded to the Secretary or credited to the borrower for that quarter shall be prorated accordingly.

(iii)(A) In connection with the conversion specified in paragraph (a)(6)(ii) of this section for any period prior to the conversion for which a rebate has not been provided under paragraph (a)(6) of this section, a lender or holder shall convert the interest rate to a variable rate.

(B) The interest rate for each period shall be reset quarterly and the applicable interest rate for the quarter or portion shall equal the sum of—

(3) The current interest rate; and

(4) An explanation that the variable rate will provide a substantially equivalent benefit as the adjustment otherwise provided under paragraph (a)(6) of this section.

(v) The notice may be provided as part of the disclosure requirement as specified under § 682.205.

(vi) The interest rate as calculated under this paragraph may not exceed the maximum interest rate applicable to the loan prior to the conversion.

(b) *Capitalization.* (1) A lender may add accrued interest and unpaid insurance premiums to the borrower's unpaid principal balance in accordance with this section. This increase in the principal balance of a loan is called "capitalization."

(2) Except as provided in paragraph (b)(4) of this section, a lender may capitalize interest payable by the borrower that has accrued—

(i) For the period from the date the first disbursement was made to the beginning date of the in-school period;

(4)(i) For unsubsidized Stafford loans disbursed on or after October 7, 1998 and prior to July 1, 2000, the lender may capitalize the unpaid interest that accrues on the loan according to the requirements of section 428H(e)(2) of the Act.

(ii) For Stafford loans first disbursed on or after July 1, 2000, the lender may capitalize the unpaid interest—

(A) When the loan enters repayment;

(B) At the expiration of a period of authorized deferment;

(C) At the expiration of a period of authorized forbearance; and

(D) When the borrower defaults.

(5) For any borrower in an in-school or grace period or the period needed to align repayment, deferment, or forbearance status, during which the Secretary does not pay interest benefits and for which the borrower has agreed to make payments of interest, the lender may capitalize past due interest provided that the lender has notified

the borrower that the borrower's failure to resolve any delinquency constitutes the borrower's consent to capitalization of delinquent interest and all interest that will accrue through the remainder of that period.

(c) *Fees for FFEL Program loans.* (1)(i) For Stafford loans first disbursed prior to July 1, 2006, a lender may charge a borrower an origination fee not to exceed 3 percent of the principal amount of the loan.

A lender must charge all such borrowers the same origination fee.

(ii) With the approval of the Secretary, a lender may use a standard

comparable to that defined in paragraph (c)(2)(i) of this section.

(3) If a lender charges a lower origination fee on unsubsidized loans under paragraph (c)(1) or (c)(2) of this section, the lender must charge the same fee on subsidized loans.

(A) The borrower has no FFEL Program loans in repayment status and has requested, in writing, that the repaid or returned funds be used for a different purpose; or

(B) The borrower has a FFEL Program loan in repayment status, in which case the payment is applied in accordance with § 682.209(b) unless the borrower has requested, in writing, that the repaid or returned funds be applied as a cancellation of all or part of the loan;

(iii) For which a loan check has not been negotiated within 120 days of disbursement; or

§ 682.203

34 CFR Ch. VI (7–1–07 Edition)

(3) If the borrower is charged the insurance premium or the Federal default fee, the amount charged must be deducted proportionately from each disbursement of the borrower's loan proceeds, if the loan is disbursed in more than one installment.

(4) The lender shall refund the insurance premium or Federal default fee paid by the borrower in accordance with the circumstances and procedures applicable to the return of origination fees, as described in paragraph (c)(7) of this section.

(e) *Administrative charge for a refinanced PLUS or SLS Loan.* A lender may charge a borrower up to \$100 to cover the administrative costs of making a loan to a borrower under § 682.209(e) for the purpose of refinancing a PLUS or SLS loan to secure a variable interest rate.

(f) *Late charge.* (1) If authorized by the borrower's promissory note, the lender may require the borrower to pay a late charge under the circumstances described in paragraph (f)(2) of this section. This charge may not exceed six cents for each dollar of each late installment.

(2) The lender may require the borrower to pay a late charge if the borrower fails to pay all or a portion of a

(ii) A toll-free telephone number accessible from within the United States that the borrower can use to obtain additional loan information;

(vi) The amount of any charges, including the origination fee if applicable, and the insurance premium, to be

collected by the lender before or at the time of each disbursement on the loan, and an explanation of whether those charges are to be deducted from the proceeds of the loan or paid separately by the borrower;

(ii) The plain language disclosure approved by the Secretary under paragraph (g) of this section for subsequent loans made under a Master Promissory Note.

(b) *Separate statement of borrower rights and responsibilities.* In addition to the disclosures required by paragraph (a) of this section, the lender must provide the borrower with a separate written statement, using simple and understandable terms, at or prior to the time of the first disbursement, that summarizes the rights and responsibilities of the borrower with respect to the loan. (ix) A statement that the borrower has the right to prepay all or part of the loan at any time, without penalty.

(d) *Exception to disclosure requirement.* In the case of a Federal PLUS loan, the lender is not required to provide the information in paragraph (c)(2)(viii) of this section if the lender, instead of that disclosure, provides the borrower with sample projections of the monthly repayment amounts assuming different levels of borrowing and interest accruals resulting from capitalization of interest while the student is in school. Sample projections must disclose the

cost to the borrower of principal and interest, interest only, and capitalized interest. The lender may rely on the PLUS promissory note and associated materials approved by the Secretary for purposes of complying with this section.

(ii) Of the procedures by which the borrower can elect income-sensitive repayment; and

(iii) Of where and how the borrower may obtain more information concerning income-sensitive repayment.

(2) The promissory note and associated materials approved by the Secretary satisfy the loan origination no-

§ 682.206 Due diligence in making a loan.

(a) *General.* (1) Loan-making duties include determining the borrower's loan amount, approving the borrower for a loan, explaining to the borrower his or her rights and responsibilities under the loan, and completing and having the borrower sign the promissory note (except with respect to subsequent loans made under an MPN).

(2) A lender that delegates substantial loan-making duties to a school on a loan thereby enters into a loan origination relationship with the school in regard to that loan. If that relationship exists, the lender may rely in good faith upon statements of the borrower made in the loan application process, but may not rely upon statements made by the school in that process. A non-school lender that does not have an origination relationship with a school with respect to a loan may rely in good faith upon statements of both the borrower and the school in the loan application process. Except as provided in 34 CFR part 668, subpart E, a school lender may rely in good faith upon statements made by the borrower in the loan application process.

(b) *Processing forms.* Before disbursing a loan, a lender must determine that all required forms have been accurately completed by the borrower, the student, the school, and the lender. A lender may not ask the borrower to sign any form before the borrower has provided on the form all information requested from the borrower.

(c) *Approval of borrower and determination of loan amount.* (1) A lender may make a loan only to an eligible borrower. To the extent authorized by paragraph (a)(2) of this section, the lender may rely on the information provided by the school, the borrower,

and, if the borrower is a parent, the student on whose behalf the loan is sought, in determining the borrower's eligibility for a loan.

(2) Except in the case of a Consolidation loan, in determining the amount of the loan to be made, in no case may the loan amount exceed the lesser of the amount the borrower requests, the amount certified by the school under § 682.603, or the loan limits under § 682.204.

(d)(1) The lender must ensure that each loan is supported by an executed legally-enforceable promissory note as proof of the borrower's indebtedness.

(e) *Security, endorsement, and co-makers.* (1) A FFEL Program loan must be made without security or endorsement, except as provided in paragraph (e)(2) of this section.

(2) A Federal PLUS Program Loan may be made to an eligible borrower with an endorser who is secondarily liable for repayment of the loan.

(3) A Federal Consolidation loan, based on an application received prior to July 1, 2006, may be made to two eligible spouses provided both borrowers agree to be jointly and severally liable for repayment of the loan as co-makers.

(f) *Additional requirement for Consolidation loans.* (1) Prior to disbursement of a Consolidation loan, the lender shall obtain from the holder of each loan to be consolidated a certification with respect to the loan held by the holder that—

(i) The loan is a legal, valid, and binding obligation of the borrower;

(ii) The loan was made and serviced in compliance with applicable laws and regulations; and

(iii) In the case of a FFEL loan, that the guaranty on the loan is in full force and effect.

(2) The Consolidation loan lender may rely in good faith on the certification provided under paragraph (f)(1)

of this section by the holder of a loan to be consolidated.

(B) If authorized by the guarantor, electronic funds transfer to an account maintained in accordance with § 668.163 by the school as trustee for the lender, the guaranty agency, the Secretary,

and the borrower, that requires the approval of the borrower. A disbursement made by electronic funds transfer must be accompanied by a list of the names, social security numbers, and loan amounts of the borrowers who are receiving a portion of the disbursement; or

the enrollment status for which the loan was certified.

(3) For a continuing student, contacting the foreign school the student is to attend in accordance with procedures specified by the Secretary, by telephone, e-mail or facsimile to verify that the student is still enrolled at the foreign school for the period for which the loan is intended at the enrollment status for which the loan was certified.

(B) For a student enrolled in a study-abroad program, contacting the home institution in which the student is enrolled by telephone, facsimile or e-mail to verify—

(I) For a new student, the student's admission to the study-abroad program for the period for which the loan is intended at the enrollment status for which the loan is certified.

(2) For a continuing student, that the student is still enrolled in the study-abroad program for the period for which the loan is intended at the enrollment status for which the loan is certified.

(iv) If a lender disburses a Stafford loan directly to the borrower for attendance at an eligible foreign school, or to a borrower enrolled in a study-abroad program approved for credit at the home institution, as provided in paragraphs (b)(1)(v)(D) and (b)(1)(v)(D)(I) of this section, the lender must, at the time of disbursement, notify the foreign school, for a borrower attending a foreign school, or the home institution in which the student is en-

However, the school may present the loan check to a financial institution for deposit in an account of the borrower pursuant to the borrower's endorsement or written certification under paragraph (b)(1)(ii)(A) of this section.

§ 682.208 Due diligence in servicing a loan.

(a) The loan servicing process includes reporting to national credit bureaus, responding to borrower inquiries, and establishing the terms of repayment.

(b)(1) An eligible lender of a FFEL loan shall report to at least one national credit bureau—

(i) The total amount of FFEL loans the lender has made to the borrower, within 90 days of each disbursement;

(ii) The outstanding balance of the loans;

(iii) Information concerning the repayment status of the loan, no less frequently than every 90 days or quarterly after a change in that status from current to delinquent;

(iv) The date the loan is fully repaid by, or on behalf of, the borrower, or discharged by reason of the borrower's death, bankruptcy, or total and perma-

nent disability, within 90 days after that date;

(v) Other information required by law to be reported.

(2) An eligible lender that has acquired a FFEL loan shall report to at least one national credit bureau the information required by paragraph (b)(1)(ii)-(v) of this section within 90 days of its acquisition of the loan.

(c)(1) A lender shall respond within 30 days after receipt to any inquiry from a borrower or any endorser on a loan.

(2) When a lender learns that a Stafford loan borrower or a student PLUS loan borrower is no longer enrolled at an institution of higher education on at least a half-time basis, the lender shall promptly contact the borrower in order to establish the terms of repayment.

(3)(i) If the borrower disputes the terms of the loan in writing and the lender does not resolve the dispute, the lender's response must provide the borrower with an appropriate contact at the guaranty agency for the resolution of the dispute.

(ii) If the guaranty agency does not resolve the dispute, the agency's response must provide the borrower with information on the availability of the Student Loan Ombudsman's office.

(d) Subject to the rules regarding maximum duration of a repayment period and minimum annual payment described in § 682.209(a)(7), (c), and (h), nothing in this part is intended to limit a lender's discretion in establishing, or, with the borrower's consent, revising a borrower's repayment schedule—

(1) To provide for graduated or income-sensitive repayment terms. The Secretary strongly encourages lenders to provide a graduated or income-sensitive repayment schedule to a borrower providing for at least the payment of interest charges, unless the borrower requests otherwise, in order to make the borrower's repayment burden commensurate with his or her projected ability to pay; or

(2) To provide a single repayment schedule, as authorized and if practicable, for all FFEL program loans to the borrower held by the lender.

(e)(1) If the assignment of a Stafford, PLUS, SLS, or Consolidation loan is to

result in a change in the identity of the party to whom the borrower must send subsequent payments, the assignor and assignee of the loan shall, no later than 45 days from the date the assignee acquires a legally enforceable right to receive payment from the borrower on the assigned loan, provide, either jointly or separately, a notice to the borrower of—

- (i) The assignment;
- (ii) The identity of the assignee;
- (iii) The name and address of the party to whom subsequent payments or communications must be sent; and
- (iv) The telephone numbers of both the assignor and the assignee.

(2) If the assignor and assignee separately provide the notice required by paragraph (e)(1) of this section, each notice must indicate that a corresponding notice will be sent by the other party to the assignment.

(3) For purposes of this paragraph, the term “assigned” is defined in § 682.401(b)(17)(ii).

(4) The assignee, or the assignor on behalf of the assignee, shall notify the guaranty agency that guaranteed the loan within 45 days of the date the assignee acquires a legally enforceable right to receive payment from the borrower on the loan of—

- (i) The assignment; and
- (ii) The name and address of the assignee, and the telephone number of the assignee that can be used to obtain information about the repayment of the loan.

(5) The requirements of this paragraph (e), as to borrower notification, apply if the borrower is in a grace period or has entered the repayment period.

(f)(1) Notwithstanding an error by the school or lender, a lender shall follow the procedures in § 682.412 whenever it receives information that can be substantiated that the borrower, or the student on whose behalf a parent has borrowed, has been convicted of, or has pled *nolo contendere* or guilty to, a crime involving fraud in obtaining title IV, HEA program assistance, provided false or erroneous information or took actions that caused the student or borrower—

- (i) To be ineligible for all or a portion of a loan made under this part;

- (ii) To receive a Stafford loan subject to payment of Federal interest benefits as provided under § 682.301, for which he or she was ineligible; or

- (iii) To receive loan proceeds that were not paid to the school or repaid to the lender by or on behalf of a registered student who—

- (A) The school notifies the lender under § 682.604(d)(4) has withdrawn or been expelled prior to the first day of classes for the period of enrollment for which the loan was intended; or

- (B) Failed to attend school during that period.

(2) For purposes of this section, the term “guaranty agency” in § 682.412(e) refers to the Secretary in the case of a Federal GSL loan.

(g) If, during a period when the borrower is not delinquent, a lender receives information indicating it does not know the borrower’s address, it may commence the skip-tracing activities specified in § 682.411(g).

(h) *Notifying the borrower about a servicing change.* If an FFEL Program loan has not been assigned, but there is a change in the identity of the party to whom the borrower must send subsequent payments or direct any communications concerning the loan, the holder of the loan shall, no later than 45 days after the date of the change, provide notice to the borrower of the name, telephone number, and address of the party to whom subsequent payments or communications must be sent. The requirements of this paragraph apply if the borrower is in a grace period or has entered the repayment period.

§ 682.209 Repayment of a loan.

(a) *Conversion of a loan to repayment status.* (1) For a Consolidation loan, the repayment period begins on the date the loan is disbursed. The first payment is due within 60 days after the date the loan is disbursed.

(2)(i) For a PLUS loan, the repayment period begins on the date of the last disbursement made on the loan. Interest accrues and is due and payable from the date of the first disbursement of the loan. The first payment is due within 60 days after the date the loan is fully disbursed.

(ii) For an SLS loan, the repayment period begins on the date the loan is disbursed, or, if the loan is disbursed in multiple installments, on the date of the last disbursement of the loan. Interest accrues and is due and payable from the date of the first disbursement of the loan. Except as provided in paragraph (a)(2)(iii), (a)(2)(iv), and (a)(2)(v) of this section the first payment is due within 60 days after the date the loan is fully disbursed.

(iii) For an SLS borrower who has not yet entered repayment on a Stafford loan, the borrower may postpone payment, consistent with the grace period on the borrower's Stafford loan.

(iv) If the lender first learns after the fact that an SLS borrower has entered the repayment period, the repayment begins no later than 75 days after the date the lender learns that the borrower has entered the repayment period.

(v) The lender may establish a first payment due date that is no more than an additional 30 days beyond the period specified in paragraphs (a)(2)(ii)—(a)(2)(iv) of this section in order for the lender to comply with the required deadline contained in § 682.205(c)(1).

(3)(i) Except as provided in paragraph (a)(4) of this section, for a Stafford loan the repayment period begins—

(A) For a borrower with a loan for which the applicable interest rate is 7 percent per year, not less than 9 nor more than 12 months following the date on which the borrower is no longer enrolled on at least a half-time basis at an eligible school. The length of this grace period is determined by the lender for loans made under the FISL Program, and by the guaranty agency for loans guaranteed by the agency;

(B) For a borrower with a loan for which the initial applicable interest rate is 8 or 9 percent per year, the day after 6 months following the date on which the borrower is no longer en-

rolled on at least a half-time basis at an institution of higher education; and

(C) For a borrower with a loan with a variable interest rate, the day after 6 months following the date on which the borrower is no longer enrolled on at least a half-time basis at an institution of higher education.

(ii) The first payment on a Stafford loan is due on a date established by the lender that is no more than—

(A) 60 days following the first day that the repayment period begins;

(B) 60 days from the expiration of a deferment or forbearance period;

(C) 60 days following the end of the post deferment grace period;

(D) If the lender first learns after the fact that the borrower has entered the repayment period, no later than 75 days after the date the lender learns that the borrower has entered the repayment period; or

(E) An additional 30 days beyond the periods specified in paragraphs (a)(3)(ii)(A)–(a)(3)(ii)(D) of this section in order for the lender to comply with the required deadlines contained in § 682.205(c)(1).

(iii) When determining the date that the student was no longer enrolled on at least a half-time basis, the lender must use a new date it receives from a school, unless the lender has already disclosed repayment terms to the borrower and the new date is within the same month and year as the most recent date reported to the lender.

(4) For a borrower of a Stafford loan who is a correspondence student, the grace period specified in paragraph (a)(3)(i) of this section begins on the earliest of—

(i) The day after the borrower completes the program;

(ii) The day after withdrawal as determined pursuant to 34 CFR 668.22; or

(iii) 60 days following the last day for completing the program as established by the school.

(5) For purposes of establishing the beginning of the repayment period for Stafford and SLS loans, the grace periods referenced in paragraphs (a)(2)(iii) and (a)(3)(i) of this section exclude any period during which a borrower who is a member of a reserve component of the Armed Forces named in section 10101 of title 10, United States Code is

called or ordered to active duty for a period of more than 30 days. Any single excluded period may not exceed three years and includes the time necessary for the borrower to resume enrollment at the next available regular enrollment period. Any Stafford or SLS borrower who is in a grace period when called or ordered to active duty as specified in this paragraph is entitled to a full grace period upon completion of the excluded period.

(6)(i) The repayment schedule may provide for substantially equal installment payments or for installment payments that increase or decrease in amount during the repayment period. If the loan has a variable interest rate that changes annually, the lender may establish a repayment schedule that—

(A) Provides for adjustments of the amount of the installment payment to reflect annual changes in the variable interest rate; or

(B) Contains no provision for an adjustment of the amount of the installment payment to reflect annual changes in the variable interest rate, but requires the lender to grant a forbearance to the borrower (or endorser, if applicable) for a period of up to 3 years of payments in accordance with § 682.211(i)(5) in cases where the effect of a variable interest rate on a standard or graduated repayment schedule would result in a loan not being repaid within the maximum repayment term.

(ii) If a graduated or income-sensitive repayment schedule is established, it may not provide for any single installment that is more than three times greater than any other installment. An agreement as specified in paragraph (c)(1)(ii) of this section is not required if the schedule provides for less than the minimum annual payment amount specified in paragraph (c)(1)(i) of this section.

(iii) Not more than six months prior to the date that the borrower's first payment is due, the lender must offer the borrower a choice of a standard, income-sensitive, graduated, or, if applicable, an extended repayment schedule.

(iv) The repayment schedule must require that each payment equal at least the interest that accrues during the interval between scheduled payments.

(v) The lender shall require the borrower to repay the loan under a standard repayment schedule described in paragraph (a)(6)(vi) of this section if the borrower—

(A) Does not select an income-sensitive, a graduated, or if applicable, an extended repayment schedule within 45 days after being notified by the lender to choose a repayment schedule; or

(B) Chooses an income-sensitive repayment schedule, but does not provide the documentation requested by the lender under paragraph (a)(6)(viii)(C) of this section within the time period specified by the lender.

(vi) Under a standard repayment schedule, the borrower is scheduled to pay either—

(A) The same amount for each installment payment made during the repayment period, except that the borrower's final payment may be slightly more or less than the other payments; or

(B) An installment amount that will be adjusted to reflect annual changes in the loan's variable interest rate.

(vii) Under a graduated repayment schedule—

(A)(1) The amount of the borrower's installment payment is scheduled to change (usually by increasing) during the course of the repayment period; or

(2) If the loan has a variable interest rate that changes annually, the lender may establish a repayment schedule that may have adjustments in the payment amount as provided under paragraph (a)(6)(i) of this section; and

(B) An agreement as specified in paragraph (c)(1)(ii) of this section is not required if the schedule provides for less than the minimum annual payment amount specified in paragraph (c)(1)(i) of this section.

(viii) Under an income-sensitive repayment schedule—

(A)(1) The amount of the borrower's installment payment is adjusted annually, based on the borrower's expected total monthly gross income received by the borrower from employment and from other sources during the course of the repayment period; or

(2) If the loan has a variable interest rate that changes annually, the lender may establish a repayment schedule

that may have adjustments in the payment amount as provided under paragraph (a)(6)(i) of this section; and

(B) In general, the lender shall request the borrower to inform the lender of his or her income no earlier than 90 days prior to the due date of the borrower's initial installment payment and subsequent annual payment adjustment under an income-sensitive repayment schedule. The income information must be sufficient for the lender to make a reasonable determination of what the borrower's payment amount should be. If the lender receives late notification that the borrower has dropped below half-time enrollment status at a school, the lender may request that income information earlier than 90 days prior to the due date of the borrower's initial installment payment;

(C) If the borrower reports income to the lender that the lender considers to be insufficient for establishing monthly installment payments that would repay the loan within the applicable maximum repayment period, the lender shall require the borrower to submit evidence showing the amount of the most recent total monthly gross income received by the borrower from employment and from other sources including, if applicable, pay statements from employers and documentation of any income received by the borrower from other parties;

(D) The lender shall grant a forbearance to the borrower (or endorser, if applicable) for a period of up to 5 years of payments in accordance with § 682.211(i)(5) in cases where the effect of decreased installment amounts paid under an income-sensitive repayment schedule would result in a loan not being repaid within the maximum repayment term; and

(E) The lender shall inform the borrower that the loan must be repaid within the time limits specified under paragraph (a)(7) of this section.

(ix) Under an extended repayment schedule, a new borrower whose total outstanding principal and interest in FFEL loans exceed \$30,000 may repay the loan on a fixed annual repayment amount or a graduated repayment amount for a period that may not exceed 25 years. For purposes of this sec-

tion, a "new borrower" is an individual who has no outstanding principal or interest balance on an FFEL Program loan as of October 7, 1998, or on the date he or she obtains an FFEL Program loan after October 7, 1998.

(x) A borrower may request a change in the repayment schedule on a loan. The lender must permit the borrower to change the repayment schedule no less frequently than annually.

(xi) For purposes of this section, a lender shall, to the extent practicable require that all FFEL loans owed by a borrower to the lender be combined into one account and repaid under one repayment schedule. In that event, the word "loan" in this section shall mean all of the borrower's loans that were combined by the lender into that account.

(7)(i) Subject to paragraphs (a)(7)(ii) through (iv) of this section, and except as provided in paragraph (a)(6)(ix) a lender shall allow a borrower at least 5 years, but not more than 10 years, or 25 years under an extended repayment plan to repay a Stafford, SLS, or PLUS loan, calculated from the beginning of the repayment period. Except in the case of a FISL loan for a period of enrollment beginning on or after July 1, 1986, the lender shall require a borrower to fully repay a FISL loan within 15 years after it is made.

(ii) If the borrower receives an authorized deferment or is granted forbearance, as described in § 682.210 or § 682.211 respectively, the periods of deferment or forbearance are excluded from determinations of the 5-, 10-, and 15- and 25-year periods, and from the 10-, 12-, 15-, 20-, 25-, and 30-year periods for repayment of a Consolidation loan pursuant to § 682.209(h).

(iii) If the minimum annual repayment required in paragraph (c) of this section would result in complete repayment of the loan in less than 5 years, the borrower is not entitled to the full 5-year period.

(iv) The borrower may, prior to the beginning of the repayment period, request and be granted by the lender a repayment period of less than 5 years. Subject to paragraph (a)(7)(iii) of this section, a borrower who makes such a request may notify the lender at any

time to extend the repayment period to a minimum of 5 years.

(8) If, with respect to the aggregate of all loans held by a lender, the total payment made by a borrower for a monthly or similar payment period would not otherwise be a multiple of five dollars, the lender may round that periodic payment to the next highest whole dollar amount that is a multiple of five dollars.

(b) *Payment application and prepayment.* (1) The lender may credit the entire payment amount first to any late charges accrued or collection costs and then to any outstanding interest and then to outstanding principal.

(2)(i) The borrower may prepay the whole or any part of a loan at any time without penalty.

(ii) If the prepayment amount equals or exceeds the monthly payment amount under the repayment schedule established for the loan, the lender shall apply the prepayment to future installments by advancing the next payment due date, unless the borrower requests otherwise. The lender must either inform the borrower in advance using a prominent statement in the borrower coupon book or billing statement that any additional full payment amounts submitted without instructions to the lender as to their handling will be applied to future scheduled payments with the borrower's next scheduled payment due date advanced consistent with the number of additional payments received, or provide a notification to the borrower after the payments are received informing the borrower that the payments have been so applied and the date of the borrower's next scheduled payment due date. Information related to next scheduled payment due date need not be provided to borrower's making such prepayments while in an in-school, grace, deferment, or forbearance period when payments are not due.

(c) *Minimum annual payment.* (1)(i) Subject to paragraph (c)(1)(ii) of this section and except as otherwise provided by a graduated, income-sensitive, or extended repayment plan selected by the borrower, during each year of the repayment period, a borrower's total payments to all holders of the borrower's FFEL Program loans must

total at least \$600 or the unpaid balance of all loans, including interest, whichever amount is less.

(ii) If the borrower and the lender agree, the amount paid may be less.

(2) The provisions of paragraphs (c)(1)(i) and (ii) of this section may not result in an extension of the maximum repayment period unless forbearance as described in § 682.211, or deferment described in § 682.210, has been approved.

(d) *Combined repayment of a borrower's student PLUS and SLS loans held by a lender.* (1) A lender may, at the request of a student borrower, combine the borrower's, student PLUS and SLS loans held by it into a single repayment schedule.

(2) The repayment period on the loans included in the combined repayment schedule must be calculated based on the beginning of repayment of the most recent included loan.

(3) The interest rate on the loans included in the new combined repayment schedule must be the weighted average of the rates of all included loans.

(e) *Refinancing a fixed-rate PLUS or SLS Program loan to secure a variable interest rate.* (1) Subject to paragraph (g) of this section, a lender may, at the request of a borrower, refinance a PLUS or SLS loan with a fixed interest rate in order to permit the borrower to obtain a variable interest rate.

(2) A loan made under paragraph (e)(1) of this section—

(i) Must bear interest at the variable rate described in § 682.202(a)(2)(ii) and (3)(ii) as appropriate; and

(ii) May not extend the repayment period provided for in paragraph (a)(7)(i) of this section.

(3) The lender may not charge an additional insurance premium or Federal default fee on the loan, but may charge the borrower an administrative fee pursuant to § 682.202(e).

(f) *Refinancing of a fixed-rate PLUS or SLS Program loan to secure a variable interest rate by discharge of previous loan.*

(1) Subject to paragraph (g) of this section, a borrower who has applied for, but been denied, a refinanced loan authorized under paragraph (e) of this section by the holder of the borrower's fixed-rate PLUS or SLS loan, may obtain a loan from another lender for the purpose of discharging the fixed-rate

loan and obtaining a variable interest rate.

(2) A loan made under paragraph (f)(1) of this section—

(i) Must bear interest at the variable interest rate described in § 682.202(a)(2)(ii) and (3)(ii) as appropriate;

(ii) May not operate to extend the repayment period provided for in paragraph (a)(7)(i) of this section; and

(iii) Must be disbursed to the holder of the fixed-rate loan to discharge the borrower's obligation thereon.

(3) Upon receipt of the proceeds of a loan made under paragraph (f)(1) of this section, the holder of the fixed-rate loan shall, within five business days, apply the proceeds to discharge the borrower's obligation on the fixed-rate loan, and provide the refinancing lender with either a copy of the borrower's original promissory note evidencing the fixed-rate loan or the holder's written certification that the borrower's obligation on the fixed-rate loan has been fully discharged.

(4) The refinancing lender may charge the borrower an insurance premium on a loan made under paragraph (f)(1) of this section, but may not charge a fee to cover administrative costs.

(5) For purposes of deferments under § 682.210, the refinancing loan—

(i) Is considered a PLUS loan if any of the included loans is a PLUS loan made to a parent;

(ii) Is considered an SLS loan if the combined loan does not include a PLUS loan made to a parent; or

(iii) Is considered a loan to a "new borrower" as defined in § 682.210(b)(7), if all the loans that were refinanced were made on or after July 1, 1987, for a period of enrollment beginning on or after that date.

(g) *Conditions for refinancing certain loans.* (1) A lender may not refinance a loan under paragraphs (e) or (f) of this section if that loan is in default, involves a violation of a condition of reinsurance described in § 682.406, or, in the case of a Federal SLS or Federal PLUS loan, is uninsured by the Secretary.

(2)(i) Prior to refinancing a fixed-rate loan under paragraph (f) of this section, the lender shall obtain a written

statement from the holder of the loan certifying that—

(A) The holder has refused to refinance the fixed-rate loan under paragraph (e) of this section; and

(B) The fixed-rate loan is eligible for insurance or reinsurance under paragraph (g)(1) of this section.

(ii) The holder of the fixed-rate loan shall, within 10 business days of receiving a lender's written request to provide a certification under paragraph (g)(2)(i) of this section, provide the lender with that certification, or provide the lender and the guarantor on the loan with a written explanation of the reasons for its inability to provide the certification to the requesting lender.

(iii) The refinancing lender may rely in good faith on the certification provided by the holder of the fixed-rate loan under paragraph (g)(2)(ii) of this section.

(h) *Consolidation loans.* (1) For a Consolidation loan, the repayment period begins on the day of disbursement, with the first payment due within 60 days after the date of disbursement.

(2) If the sum of the amount of the Consolidation loan and the unpaid balance on other student loans to the applicant—

(i) Is less than \$7,500, the borrower shall repay the Consolidation loan in not more than 10 years;

(ii) Is equal to or greater than \$7,500 but less than \$10,000, the borrower shall repay the Consolidation loan in not more than 12 years;

(iii) Is equal to or greater than \$10,000 but less than \$20,000, the borrower shall repay the Consolidation loan in not more than 15 years;

(iv) Is equal to or greater than \$20,000 but less than \$40,000, the borrower shall repay the Consolidation loan in not more than 20 years;

(v) Is equal to or greater than \$40,000 but less than \$60,000, the borrower shall repay the Consolidation loan in not more than 25 years; or

(vi) Is equal to or greater than \$60,000, the borrower shall repay the Consolidation loan in not more than 30 years.

(3) For the purpose of paragraph (h)(2) of this section, the unpaid balance on other student loans—

(i) May not exceed the amount of the Consolidation loan; and

(ii) With the exception of the defaulted title IV loans on which the borrower has made satisfactory repayment arrangements with the holder of the loan, does not include the unpaid balance on any defaulted loans.

(4) A repayment schedule for a Consolidation loan—

(i) Must be established by the lender;

(ii) Must require that each payment equal at least the interest that accrues during the interval between scheduled payments.

(5) Upon receipt of the proceeds of a loan made under paragraph (h)(2) of this section, the holder of the underlying loan shall promptly apply the proceeds to discharge fully the borrower's obligation on the underlying loan, and provide the consolidating lender with the holder's written certification that the borrower's obligation on the underlying loan has been fully discharged.

(i) *Treatment by a lender of borrowers' title IV, HEA program funds received from schools if the borrower withdraws.* (1) A lender shall treat a refund or a return of title IV, HEA program funds under § 682.22 when a student withdraws received by the lender from a school as a credit against the principal amount owed by the borrower on the borrower's loan.

(2)(i) If a lender receives a refund or a return of title IV, HEA program funds under § 682.22 when a student withdraws from a school on a loan that is no longer held by that lender, or that has been discharged by another lender by refinancing under § 682.209(f) or by a Consolidation loan, the lender must transmit the amount of the payment, within 30 days of its receipt, to the lender to whom it assigned the loan, or to the lender that discharged the prior loan, with an explanation of the source of the payment.

(ii) Upon receipt of a refund or a return of title IV, HEA program funds transmitted under paragraph (i)(2)(i) of this section, the holder of the loan promptly must provide written notice to the borrower that the holder has received the return of title IV, HEA program funds.

(j) *Certification on loans to be repaid through consolidation.* Within 10 business days after receiving a written request for a certification from a lender under § 682.206(f), a holder shall either provide the requesting lender the certification or, if it is unable to certify to the matters described in that paragraph, provide the requesting lender and the guarantor on the loan at issue with a written explanation of the reasons for its inability to provide the certification.

§ 682.210 Deferment.

(a) *General.* (1)(i) A borrower is entitled to have periodic installment payments of principal deferred during authorized periods after the beginning of the repayment period, pursuant to paragraph (b) of this section.

(ii) With the exception of a deferment authorized under paragraph (o) of this section, a borrower may continue to receive a specific type of deferment that is limited to a maximum period of time only if the total amount of time that the borrower has received the deferment does not exceed the maximum time period allowed for the deferment.

(2)(i) For a loan made before October 1, 1981, the borrower is also entitled to have periodic installments of principal deferred during the six-month period (post-deferment grace period) that begins after the completion of each deferment period or combination of those periods, except as provided in paragraph (a)(2)(ii) of this section.

(ii) Once a borrower receives a post-deferment grace period following an unemployment deferment, as described in paragraph (b)(1)(v) of this section,

the borrower does not qualify for additional post-deferment grace periods following subsequent unemployment deferments.

(3) Interest accrues and is paid by the borrower during the deferment period and the post-deferment grace period, if applicable, unless interest accrues and is paid by the Secretary for a Stafford loan and for all or a portion of a qualifying Consolidation loan that meets the requirements under § 682.301.

(4) As a condition for receiving a deferment, except for purposes of paragraphs (c)(1)(ii) and (iii) of this section, the borrower must request the deferment, and provide the lender with all information and documents required to establish eligibility for a specific type of deferment.

(5) An authorized deferment period begins on the date that the holder determines is the date that the condition entitling the borrower to the deferment first existed, except that an initial unemployment deferment as described in paragraph (h)(2) of this section cannot begin more than 6 months before the date the holder receives a request and documentation required for the deferment.

(6) An authorized deferment period ends on the earlier of—

(i) The date when the condition establishing the borrower's eligibility for the deferment ends;

(ii) Except as provided in paragraph (a)(6)(iv) of this section, the date on which, as certified by an authorized official, the borrower's eligibility for the deferment is expected to end;

(iii) Except as provided in paragraph (a)(6)(iv) of this section, the expiration date of the period covered by any certification required by this section to be obtained for the deferment;

(iv) In the case of an in-school deferment, the student's anticipated graduation date as certified by an authorized official of the school; or

(v) The date when the condition providing the basis for the borrower's eligibility for the deferment has continued to exist for the maximum amount of time allowed for that type of deferment.

(7) A lender may not deny a borrower a deferment to which the borrower is entitled, even though the borrower

may be delinquent, but not in default, in making required installment payments. The 270- or 330-day period required to establish default does not run during the deferment and post-deferment grace periods. Unless the lender has granted the borrower forbearance under § 682.211, when the deferment and, if applicable, the post-deferment grace period expire, a borrower resumes any delinquency status that existed when the deferment period began.

(8) A borrower whose loan is in default is not eligible for a deferment on that loan, unless the borrower has made payment arrangements acceptable to the lender prior to the payment of a default claim by a guaranty agency.

(9) The borrower promptly must inform the lender when the condition entitling the borrower to a deferment no longer exists.

(10) Authorized deferments are described in paragraph (b) of this section. Specific requirements for each deferment are set forth in paragraphs (c) through (s) of this section.

(11) If two individuals are jointly liable for repayment of a PLUS loan or a Consolidation loan, the lender shall grant a request for deferment if both individuals simultaneously meet the requirements of this section for receiving the same, or different deferments.

(b) *Authorized deferments.* (1) Deferment is authorized for a FFEL borrower during any period when the borrower is—

(i) Except as provided in paragraph (c)(5) of this section, engaged in full-time study at a school, or at a school that is operated by the Federal Government (e.g., the service academies), unless the borrower is not a national of the United States and is pursuing a course of study at a school not located in a State;

(ii) Engaged in a course of study under an eligible graduate fellowship program;

(iii) Engaged in a rehabilitation training program for disabled individuals;

(iv) Temporarily totally disabled, or unable to secure employment because the borrower is caring for a spouse or

other dependent who is disabled and requires continuous nursing or similar services for up to three years; or

(v) Conscientiously seeking, but unable to find, full-time employment in the United States, for up to two years.

(2) For a borrower of a Stafford or SLS loan, and for a parent borrower of a PLUS loan made before August 15, 1983, deferment is authorized during any period when the borrower is—

(i) On active duty status in the United States Armed Forces, or an officer in the Commissioned Corps of the United States Public Health Service, for up to three years (including any period during which the borrower received a deferment authorized under paragraph (b)(5)(i) of this section);

(ii) A full-time volunteer under the Peace Corps Act, for up to three years;

(iii) A full-time volunteer under title I of the Domestic Volunteer Service Act of 1973 (ACTION programs), for up to three years;

(iv) A full-time volunteer for a tax-exempt organization, for up to three years; or

(v) Engaged in an internship of residency program, for up to two years (including any period during which the borrower received a deferment authorized under paragraph (b)(5)(iii) of this section).

(3) For a borrower of a Stafford or SLS loan who has been enrolled on at least a half-time basis at an institution of higher education during the six months preceding the beginning of this deferment, deferment is authorized during a period of up to six months during which the borrower is—

(i) (A) Pregnant;

(B) Caring for his or her newborn child; or

(C) Caring for a child immediately following the placement of the child with the borrower before or immediately following adoption; and

(ii) Not attending a school or gainfully employed.

(4) For a “new borrower,” as defined in paragraph (b)(7) of this section, deferment is authorized during periods when the borrower is engaged in at least half-time study at a school, unless the borrower is not a national of the United States and is pursuing a

course of study at a school not located in a State.

(5) For a new borrower, as defined in paragraph (b)(7) of this section, of a Stafford or SLS loan, deferment is authorized during any period when the borrower is—

(i) On active duty status in the National Oceanic and Atmospheric Administration Corps, for up to three years (including any period during which the borrower received a deferment authorized under paragraph (b)(2)(i) of this section);

(ii) Up to three years of service as a full-time teacher in a public or non-profit private elementary or secondary school in a teacher shortage area designated by the Secretary under paragraph (q) of this section.

(iii) Engaged in an internship or residency program, for up to two years (including any period during which the borrower received a deferment authorized under paragraph (b)(2)(v) of this section); or

(iv) A mother who has preschool-age children (i.e., children who have not enrolled in first grade) and who is earning not more than \$1 per hour above the Federal minimum wage, for up to 12 months of employment, and who began that full-time employment within one year of entering or re-entering the work force. Full-time employment involves at least 30 hours of work a week and it expected to last at least 3 months.

(6) For a parent borrower of a PLUS loan, deferment is authorized during any period when a student on whose behalf the parent borrower received the loan—

(i) Is not independent as defined in section 480(d) of the Act; and

(ii) Meets the conditions and provides the required documentation, for any of the deferments described in paragraphs (b)(1)(i)–(iii) and (b)(4) of this section.

(7) For purposes of paragraph (b)(5) of this section, a “new borrower” with respect to a loan is a borrower who, on the date he or she signs the promissory note, has no outstanding balance on—

(i) A Stafford, SLS, or PLUS loan made prior to July 1, 1987 for a period of enrollment beginning prior to July 1, 1987; or

(ii) A Consolidation loan that repaid a loan made prior to July 1, 1987 and for a period of enrollment beginning prior to July 1, 1987.

(c) *In-school deferment.* (1) Except as provided in paragraph (c)(5) of this section, the lender processes a deferment for full-time study or half-time study at a school, when—

(i) The borrower submits a request and supporting documentation for a deferment;

(ii) The lender receives information from the borrower's school about the borrower's eligibility in connection with a new loan; or

(iii) The lender receives student status information from the borrower's school, either directly or indirectly, indicating that the borrower's enrollment status supports eligibility for a deferment.

(2) The lender must notify the borrower that a deferment has been granted based on paragraph (c)(1)(ii) or (iii) of this section and that the borrower has the option to pay interest that accrues on an unsubsidized FFEL Program loan or to cancel the deferment and continue paying on the loan. The lender must include in the notice an explanation of the consequences of these options.

(3) The lender must consider a deferment granted on the basis of a certified loan application or other information certified by the school to cover the period lasting until the anticipated graduation date appearing on the application, and as updated by notice or SSCR update to the lender from the school or guaranty agency, unless and until it receives notice that the borrower has ceased the level of study (*i.e.*, full-time or half-time) required for the deferment.

(4) In the case of a FFEL borrower, the lender shall treat a certified loan application or other form certified by the school or for multiple holders of a borrower's loans, shared data from the Student Status Confirmation Report, as sufficient documentation for an in-school student deferment for any outstanding FFEL loan previously made to the borrower that is held by the lender.

(5) A borrower serving in a medical internship or residency program, ex-

cept for an internship in dentistry, is prohibited from receiving or continuing a deferment on a Stafford, or a PLUS (unless based on the dependent's status) SLS, or Consolidation loan under paragraph (c) of this section.

(d) *Graduate fellowship deferment.* (1) To qualify for a deferment for study in a graduate fellowship program, a borrower shall provide the lender with a statement from an authorized official of the borrower's fellowship program certifying—

(i) That the borrower holds at least a baccalaureate degree conferred by an institution of higher education;

(ii) That the borrower has been accepted or recommended by an institution of higher education for acceptance on a full-time basis into an eligible graduate fellowship program; and

(iii) The borrower's anticipated completion date in the program.

(2) For purposes of paragraph (d)(1) of this section, an eligible graduate fellowship program is a fellowship program that—

(i) Provides sufficient financial support to graduate fellows to allow for full-time study for at least six months;

(ii) Requires a written statement from each applicant explaining the applicant's objectives before the award of that financial support;

(iii) Requires a graduate fellow to submit periodic reports, projects, or evidence of the fellow's progress; and

(iv) In the case of a course of study at a foreign university, accepts the course of study for completion of the fellowship program.

(e) *Rehabilitation training program deferment.* (1) To qualify for a rehabilitation training program deferment, a borrower shall provide the lender with a statement from an authorized official of the borrower's rehabilitation training program certifying that the borrower is either receiving, or is scheduled to receive, services under an eligible rehabilitation training program for disabled individuals.

(2) For purposes of paragraph (e)(1) of this section, an eligible rehabilitation training program for disabled individuals is a program that—

(i) Is licensed, approved, certified, or otherwise recognized as providing rehabilitation training to disabled individuals by—

(A) Is individualized to meet the borrower's needs;

(B) Specifies the date on which the services to the borrower are expected to end; and

(C) Is structured in a way that requires a substantial commitment by the borrower to his or her rehabilitation. The Secretary considers a substantial commitment by the borrower to be a commitment of time and effort that normally would prevent an individual from engaging in full-time employment, either because of the number of hours that must be devoted to rehabilitation or because of the nature of the rehabilitation. For the purpose of this paragraph, full-time employment involves at least 30 hours of work per week and is expected to last at least three months.

(f) *Temporary total disability deferment.*

(1) To qualify for a temporary total disability deferment, a borrower shall provide the lender with a statement from a physician, who is a doctor of medicine or osteopathy and is legally authorized to practice, certifying that the borrower is temporarily totally disabled as defined in § 682.200(b).

(2) A borrower is not considered temporarily totally disabled on the basis of a condition that existed before he or she applied for the loan, unless the condition has substantially deteriorated so as to render the borrower temporarily totally disabled, as substantiated by the statement required under para-

graph (f)(1) of this section, after the borrower submitted the loan application.

(3) A lender may not grant a deferment based on a single certification under paragraph (f)(1) of this section beyond the date that is six months after the date of certification.

(g) *Dependent's disability deferment.* (1) To qualify for a deferment given to a borrower whose spouse or other dependent requires continuous nursing or similar services for a period of at least 90 days, the borrower shall provide the lender with a statement—

(i) From a physician, who is a doctor of medicine or osteopathy and is legally authorized to practice, certifying that the borrower's spouse or dependent requires continuous nursing or similar services for a period of at least 90 days; and

(ii) From the borrower, certifying that the borrower is unable to secure full-time employment because he or she is providing continuous nursing or similar services to the borrower's spouse or other dependent. For the purpose of this paragraph, full-time employment involves at least 30 hours of work per week and is expected to last at least three months.

(2) A lender may not grant a deferment based on a single certification under paragraph (g)(1) of this section beyond the date that is six months after the date of the certification.

(h) *Unemployment deferment.* (1) A borrower qualifies for an unemployment deferment by providing evidence of eligibility for unemployment benefits to the lender.

(2) A borrower also qualifies for an unemployment deferment by providing to the lender a written certification, or an equivalent as approved by the Secretary, that—

(i) The borrower has registered with a public or private employment agency, if one is available to the borrower within a 50-mile radius of the borrower's current address; and

(ii) For all requests beyond the initial request, the borrower has made at least six diligent attempts during the preceding 6-month period to secure full-time employment.

(3) For purposes of obtaining an unemployment deferment under paragraph (h)(2) of this section, the following rules apply:

(i) A borrower may qualify for an unemployment deferment whether or not the borrower has been previously employed.

(ii) An unemployment deferment is not justified if the borrower refuses to seek or accept employment in kinds of positions or at salary and responsibility levels for which the borrower feels overqualified by virtue of education or previous experience.

(iii) Full-time employment involves at least 30 hours of work a week and is expected to last at least three months.

(iv) The initial period of unemployment deferment may be granted for a period of unemployment beginning up to 6 months before the date the lender receives the borrower's request, and may be granted for up to 6 months after that date.

(4) A lender may not grant an unemployment deferment beyond the date that is 6 months after the date the borrower provides evidence of the borrower's eligibility for unemployment insurance benefits under paragraph (h)(1) of this section or the date the borrower provides the written certification, or an approved equivalent, under paragraph (h)(2) of this section.

(i) *Military deferment.* (1) To qualify for a military deferment, a borrower shall provide the lender with—

(ii) A certification that he or she is teaching in a teacher shortage area designated by the Secretary as provided in paragraphs (q) (5) through (7) of this section, as described in paragraph (q)(2) of this section.

(2) In order to satisfy the requirement for certification that a borrower is teaching in a teacher shortage area designated by the Secretary, a borrower must do one of the following:

(i) If the borrower is teaching in a State in which the Chief State School Officer has complied with paragraph (q)(3) of this section and provides an annual listing of designated teacher shortage areas to the State's chief administrative officers whose schools are affected by the Secretary's designations, the borrower may obtain a certification that he or she is teaching in a teacher shortage area from his or her school's chief administrative officer.

(ii) If a borrower is teaching in a State in which the Chief State School Officer has not complied with paragraph (q)(3) of this section or does not provide an annual listing of designated teacher shortage areas to the State's

chief administrative officers whose schools are affected by the Secretary's designations, the borrower must obtain certification that he or she is teaching in a teacher shortage area from the Chief State School Officer for the State in which the borrower is teaching.

(3) In the case of a State in which borrowers wish to obtain certifications as provided for in paragraph (q)(2)(i) of this section, the State's Chief State School Officer must first have notified the Secretary, by means of a one-time written assurance, that he or she provides annually to the State's chief administrative officers whose schools are affected by the Secretary's designations and the guaranty agency for that State, a listing of the teacher shortage areas designated by the Secretary as provided for in paragraphs (q) (5) through (7) of this section.

(4) If a borrower who receives a deferment continues to teach in the same teacher shortage area as that in which he or she was teaching when the deferment was originally granted, the borrower shall, at the borrower's request, continue to receive the deferment for those subsequent years, up to the three-year maximum deferment period, even if his or her position does not continue to be within an area designated by the Secretary as a teacher shortage area in those subsequent years. To continue to receive the deferment in a subsequent year under this paragraph, the borrower shall provide the lender with a statement by the chief administrative officer of the public or nonprofit private elementary or secondary school that employs the borrower, certifying that the borrower continues to be employed as a full-time teacher in the same teacher shortage area for which the deferment was received for the previous year.

(5) For purposes of this section a teacher shortage area is—

(i)(A) A geographic region of the State in which there is a shortage of elementary or secondary school teachers; or

(B) A specific grade level or academic, instructional, subject-matter, or discipline classification in which there is a statewide shortage of elementary or secondary school teachers; and

(ii) Designated by the Secretary under paragraphs (q)(6) or (q)(7) of this section.

(6)(i) In order for the Secretary to designate one or more teacher shortage areas in a State for a school year, the Chief State School Officer shall by January 1 of the calendar year in which the school year begins, and in accordance with objective written standards, propose teacher shortage areas to the Secretary for designation. With respect to private nonprofit schools included in the recommendation, the Chief State School Officer shall consult with appropriate officials of the private nonprofit schools in the State prior to submitting the recommendation.

(ii) In identifying teacher shortage areas to propose for designation under paragraph (q)(6)(i) of this section, the Chief State School Officer shall consider data from the school year in which the recommendation is to be made, unless that data is not yet available, in which case he or she may use data from the immediately preceding school year, with respect to—

(A) Teaching positions that are unfilled;

(B) Teaching positions that are filled by teachers who are certified by irregular, provisional, temporary, or emergency certification; and

(C) Teaching positions that are filled by teachers who are certified, but who are teaching in academic subject areas other than their area of preparation.

(iii) If the total number of unduplicated full-time equivalent (FTE) elementary or secondary teaching positions identified under paragraph (q)(6)(ii) of this section in the shortage areas proposed by the State for designation does not exceed 5 percent of the total number of FTE elementary and secondary teaching positions in the State, the Secretary designates those areas as teacher shortage areas.

(iv) If the total number of unduplicated FTE elementary and secondary teaching positions identified under paragraph (q)(6)(ii) of this section in the shortage areas proposed by the State for designation exceeds 5 percent of the total number of elementary and secondary FTE teaching positions

in the State, the Chief State School Officer shall submit, with the list of proposed areas, supporting documentation showing the methods used for identifying shortage areas, and an explanation of the reasons why the Secretary should nevertheless designate all of the proposed areas as teacher shortage areas. The explanation must include a ranking of the proposed shortage areas according to priority, to assist the Secretary in determining which areas should be designated. The Secretary, after considering the explanation, determines which shortage areas to designate as teacher shortage areas.

(7) A Chief State School Officer may submit to the Secretary for approval an alternative written procedure to the one described in paragraph (q)(6) of this section, for the Chief State School Officer to use to select the teacher shortage areas recommended to the Secretary for designation, and for the Secretary to use to choose the areas to be designated. If the Secretary approves the proposed alternative procedure, in writing, that procedure, once approved, may be used instead of the procedure described in paragraph (q)(6) of this section for designation of teacher shortage areas in that State.

(8) For purposes of paragraphs (q)(1) through (7) of this section—

(i) The definition of the term *school* in § 682.200(b) does not apply;

(ii) *Elementary school* means a day or residential school that provides elementary education, as determined under State law;

(iii) *Secondary school* means a day or residential school that provides secondary education, as determined under State law. In the absence of applicable State law, the Secretary may determine, with respect to that State, whether the term “secondary school” includes education beyond the twelfth grade;

(iv) *Teacher* means a professional who provides direct and personal services to students for their educational development through classroom teaching;

(v) *Chief State School Officer* means the highest ranking educational official for elementary and secondary education for the State;

(vii) *Teacher shortage area* means an area of specific grade, subject matter, or discipline classification, or a geographic area in which the Secretary determines that there is an inadequate supply of elementary or secondary school teachers; and

(viii) *Full-time equivalent* means the standard used by a State in defining full-time employment, but not less than 30 hours per week. For purposes of counting full-time equivalent teacher positions, a teacher working part of his or her total hours in a position that is designated as a teacher shortage area is counted on a *pro rata* basis corresponding to the percentage of his or her working hours spent in such a position.

(r) *Working-mother deferment.* (1) To qualify for the working-mother deferment described in paragraph (b)(5)(iv) of this section, the borrower shall provide the lender with a statement certifying that she—

(i) Is the mother of a preschool-age child;

(ii) Entered or reentered the workforce not more than one year before the beginning date of the period for which the deferment is being sought;

(iii) Is currently engaged in full-time employment; and

(iv) Does not receive compensation that exceeds \$1 per hour above the rate prescribed under section 6 of the Fair Labor Standards Act of 1938 (the Federal minimum wage).

(2) In addition to the certification required under paragraph (r)(1) of this section, the borrower shall provide to the lender documents demonstrating the age of her child (e.g., a birth certificate) and the rate of her compensation (e.g., a pay stub showing her hourly rate of pay).

(3) For purposes of this paragraph—

(i) A preschool-age child is one who has not yet enrolled in first grade or a higher grade in elementary school; and

(ii) Full-time employment involves at least 30 hours of work a week and is expected to last at least 3 months.

This term also includes a borrower who obtains a Federal Consolidation Loan on or after July 1, 1993 if the borrower has no other outstanding FFEL Program loan when the Consolidation Loan was made.

(2) *In-school deferment.* An eligible borrower is entitled to a deferment based on the borrower’s at least half-time study in accordance with the rules prescribed in § 682.210(c), except that the borrower is not required to obtain a Stafford or SLS loan for the period of enrollment covered by the deferment.

(3) *Graduate fellowship deferment.* An eligible borrower is entitled to a graduate fellowship deferment in accordance with the rules prescribed in § 682.210(d).

(4) *Rehabilitation training program deferment.* An eligible borrower is entitled to a rehabilitation training program deferment in accordance with the rules prescribed in § 682.210(e).

(5) *Unemployment deferment.* An eligible borrower is entitled to an unemployment deferment in accordance with the rules prescribed in § 682.210(h) for periods that, collectively, do not exceed 3 years.

Off. of Postsecondary Educ., Education

§ 682.210

in paragraphs (s)(6)(i) through (s)(6)(vi) of this section.

(v) Is not working full-time and has a monthly income that—

(A) Does not exceed twice the amount described in paragraph (s)(6)(iii) of this section; and

(vi) Is serving as a volunteer in the Peace Corps.

(vii) In determining a borrower's Federal education debt burden for purposes of an economic hardship deferment under paragraphs (s)(6)(iv) and (v) of this section, the lender shall—

(A) If the Federal postsecondary education loan is scheduled to be repaid in 10 years or less, use the actual monthly payment amount (or a proportional share if the payments are due less frequently than monthly);

(B) If the Federal postsecondary education loan is scheduled to be repaid in more than 10 years, use a monthly payment amount (or a proportional share if the payments are due less frequently than monthly) that would have been due on the loan if the loan had been scheduled to be repaid in 10 years; and

(C) Require the borrower to provide evidence that would enable the lender to determine the amount of the monthly payments that would have been owed by the borrower during the deferment period.

(viii) For an initial period of deferment granted under paragraphs (s)(6)(iii) through (v) of this section, the lender must require the borrower to submit evidence showing the amount of the borrower's monthly income.

(ix) To qualify for a subsequent period of deferment that begins less than one year after the end of a period of deferment under paragraphs (s)(6)(iii) through (v) of this section, the lender must require the borrower to submit evidence showing the amount of the borrower's monthly income or a copy of the borrower's most recently filed Federal income tax return.

(x) For purposes of paragraph (s)(6) of this section, a borrower's monthly income is the gross amount of income received by the borrower from employment and from other sources, or one-twelfth of the borrower's adjusted gross income, as recorded on the borrower's most recently filed Federal income tax return.

§ 682.211 Forbearance.

(a)(1) The Secretary encourages a lender to grant forbearance for the benefit of a borrower or endorser in order to prevent the borrower or endorser from defaulting on the borrower's or endorser's repayment obligation, or to permit the borrower or endorser to resume honoring that obligation after default. *Forbearance* means permitting the temporary cessation of payments, allowing an extension of time for making payments, or temporarily accepting smaller payments than previously were scheduled.

(2) Subject to paragraph (g) of this section, a lender may grant forbearance of payments of principal and interest under paragraphs (b), (c), and (d) of this section only if—

(i) The lender reasonably believes, and documents in the borrower's file, that the borrower or endorser intends to repay the loan but, due to poor health or other acceptable reasons, is currently unable to make scheduled payments; or

(ii) The borrower's payments of principal are deferred under § 682.210 and the Secretary does not pay interest benefits on behalf of the borrower under § 682.301.

(3) If two individuals are jointly liable for repayment of a PLUS loan or a Consolidation loan, the lender may grant forbearance on repayment of the

loan only if the ability of both individuals to make scheduled payments has been impaired based on the same or differing conditions.

(4) Except as provided in paragraph (f)(10) of this section, if payments of interest are forborne, they may be capitalized as provided in § 682.202(b).

(b) A lender may grant forbearance if—

(1) The lender and the borrower or endorser agree to the terms of the forbearance and, unless the agreement was in writing, the lender sends, within 30 days, a notice to the borrower or endorser confirming the terms of the forbearance and records the terms of the forbearance in the borrower's file; or

(2) In the case of forbearance of interest during a period of deferment, if the lender informs the borrower at the time the deferment is granted that interest payments are to be forborne.

(c) A lender may grant forbearance for a period of up to one year at a time if both the borrower or endorser and an authorized official of the lender agree to the terms of the forbearance. If the lender and the borrower or endorser agree to the terms orally, the lender must notify the borrower or endorser of the terms within 30 days of that agreement.

(d) A guaranty agency may authorize a lender to grant forbearance to permit a borrower or endorser to resume honoring the agreement to repay the debt after default but prior to claim payment. The terms of the forbearance agreement in this situation must include a new signed agreement to repay the debt.

(e) Except in the case of forbearance of interest payments during a deferment period, if a forbearance involves the postponement of all payments, the lender must contact the borrower or endorser at least once every six months during the period of forbearance to inform the borrower or endorser of—

(1) The outstanding obligation to repay;

(2) The amount of the unpaid principal balance and any unpaid interest that has accrued on the loan;

(3) The fact that interest will accrue on the loan for the full term of the forbearance; and

(4) The borrower's or endorser's option to discontinue the forbearance at any time.

(f) A lender may grant forbearance, upon notice to the borrower or if applicable, the endorser, with respect to payments of interest and principal that are overdue or would be due—

(1) For a properly granted period of deferment for which the lender learns the borrower did not qualify;

(2) Upon the beginning of an authorized deferment period under § 682.210, or an administrative forbearance period as specified under paragraph (f)(11) or (i)(2) of this section;

(3) For the period beginning when the borrower entered repayment without the lender's knowledge until the first payment due date was established;

(4) For the period prior to the borrower's filing of a bankruptcy petition as provided in § 682.402(f);

(5) For the periods described in § 682.402(c) in regard to the borrower's total and permanent disability;

(6) For a period not to exceed an additional 60 days after the lender has suspended collection activity for the initial 60-day period required pursuant to § 682.211(i)(6) and § 682.402(b)(3), when the lender receives reliable information that the borrower (or student on whose behalf a parent has borrowed a PLUS Loan) has died;

(7) For periods necessary for the Secretary or guaranty agency to determine the borrower's eligibility for discharge of the loan because of an unpaid refund, attendance at a closed school or false certification of loan eligibility, pursuant to § 682.402(d) or (e), or the borrower's or, if applicable, endorser's bankruptcy, pursuant to § 682.402(f);

(8) For a period of delinquency at the time a loan is sold or transferred, if the borrower or endorser is less than 60 days delinquent on the loan at the time of sale or transfer;

(9) For a period of delinquency that may remain after a borrower ends a period of deferment or mandatory forbearance until the next due date, which can be no later than 60 days after the period ends;

(10) For a period not to exceed 60 days necessary for the lender to collect and process documentation supporting the borrower's request for a deferment,

forbearance, change in repayment plan, or consolidation loan. Interest that accrues during this period is not capitalized; or

(11) For a period not to exceed 3 months when the lender determines that a borrower's ability to make payments has been adversely affected by a natural disaster, a local or national emergency as declared by the appropriate government agency, or a military mobilization.

(g) In granting a forbearance under this section, except for a forbearance under paragraph (i)(5) of this section, a lender shall grant a temporary cessation of payments, unless the borrower chooses another form of forbearance subject to paragraph (a)(1) of this section.

(h) *Mandatory forbearance*—(1) *Medical or dental interns or residents.* Upon receipt of a request and sufficient supporting documentation, as described in § 682.210(n), from a borrower serving in a medical or dental internship or residency program, a lender shall grant forbearance to the borrower in yearly increments (or a lesser period equal to the actual period during which the borrower is eligible) if the borrower has exhausted his or her eligibility for a deferment under § 682.210(n), or the borrower's promissory note does not provide for such a deferment—

(i) For the length of time remaining in the borrower's medical or dental internship or residency that must be successfully completed before the borrower may begin professional practice or service; or

(ii) For the length of time that the borrower is serving in a medical or dental internship or residency program leading to a degree or certificate awarded by an institution of higher education, a hospital, or a health care facility that offers postgraduate training.

(2) *Borrowers who are not medical or dental interns or residents, and endorser.* Upon receipt of a request and sufficient supporting documentation from an endorser (if applicable), or from a borrower (other than a borrower who is serving in a medical or dental internship or residency described in paragraph (h)(1) of this section), a lender shall grant forbearance—

(i) In increments up to one year, for periods that collectively do not exceed three years, if—

(A) The borrower or endorser is currently obligated to make payments on Title IV loans; and

(B) The amount of those payments each month (or a proportional share if the payments are due less frequently than monthly) is collectively equal to or greater than 20 percent of the borrower's or endorser's total monthly income;

(ii) In yearly increments (or a lesser period equal to the actual period during which the borrower is eligible) for as long as a borrower—

(A) Is serving in a national service position for which the borrower receives a national service educational award under the National and Community Service Trust Act of 1993;

(B) Is performing the type of service that would qualify the borrower for a partial repayment of his or her loan under the Student Loan Repayment Programs administered by the Department of Defense under 10 U.S.C. 2171; or

(C) Is performing the type of service that would qualify the borrower for loan forgiveness and associated forbearance under the requirements of the teacher loan forgiveness program in § 682.215.

(3) *Forbearance agreement.* After the lender determines the borrower's or endorser's eligibility, and the lender and the borrower or endorser agree to the terms of the forbearance granted under this section, the lender sends, within 30 days, a notice to the borrower or endorser confirming the terms of the forbearance and records the terms of the forbearance in the borrower's file.

(4) *Documentation.* (i) Before granting a forbearance to a borrower or endorser under paragraph (h)(2)(i) of this section, the lender shall require the borrower or endorser to submit at least the following documentation:

(A) Evidence showing the amount of the most recent total monthly gross income received by the borrower or endorser from employment and from other sources; and

(B) Evidence showing the amount of the monthly payments owed by the borrower or endorser to other entities

for the most recent month for the borrower's or endorser's Title IV loans.

(ii) Before granting a forbearance to a borrower or endorser under paragraph (h)(2)(ii)(B) of this section, the lender shall require the borrower or endorser to submit documentation showing the beginning and ending dates that the Department of Defense considers the borrower to be eligible for a partial repayment of his or her loan under the Student Loan Repayment Programs.

(iii) Before granting a forbearance to a borrower under paragraph (h)(2)(ii)(C) of this section, the lender must require the borrower to—

(A) Submit documentation for the period of the annual forbearance request showing the beginning and anticipated ending dates that the borrower is expected to perform, for that year, the type of service described in § 682.215(c); and

(B) Certify the borrower's intent to satisfy the requirements of § 682.215(c).

(i) *Mandatory administrative forbearance.* (1) The lender shall grant a mandatory administrative forbearance for the periods specified in paragraph (i)(2) of this section until the lender is notified by the Secretary or a guaranty agency that the forbearance period no longer applies. The lender may not require a borrower who is eligible for a forbearance under paragraph (i)(2)(ii) of this section to submit a request or supporting documentation, but shall require a borrower (or endorser, if applicable) who requests forbearance because of a military mobilization to provide documentation showing that he or she is subject to a military mobilization as described in paragraph (i)(4) of this section.

(2) The lender is not required to notify the borrower (or endorser, if applicable) at the time the forbearance is granted, but shall grant a forbearance to a borrower or endorser during a period, and the 30 days following the period, when the lender is notified by the Secretary that—

(i) Exceptional circumstances exist, such as a local or national emergency or military mobilization; or

(ii) The geographical area in which the borrower or endorser resides has been designated a disaster area by the

president of the United States or Mexico, the Prime Minister of Canada, or by a Governor of a State.

(3) As soon as feasible, or by the date specified by the Secretary, the lender shall notify the borrower (or endorser, if applicable) that the lender has granted a forbearance and the date that payments should resume. The lender's notification shall state that the borrower or endorser—

(i) May decline the forbearance and continue to be obligated to make scheduled payments; or

(ii) Consents to making payments in accordance with the lender's notification if the forbearance is not declined.

(4) For purposes of paragraph (i)(2)(i) of this section, the term "military mobilization" shall mean a situation in which the Department of Defense orders members of the National Guard or Reserves to active duty under sections 688, 12301(a), 12301(g), 12302, 12304, and 12306 of title 10, United States Code. This term also includes the assignment of other members of the Armed Forces to duty stations at locations other than the locations at which they were normally assigned, only if the military mobilization involved the activation of the National Guard or Reserves.

(5) The lender shall grant a mandatory administrative forbearance to a borrower (or endorser, if applicable) during a period when the borrower (or endorser, if applicable) is making payments for a period of—

(i) Up to 3 years of payments in cases where the effect of a variable interest rate on a standard or graduated repayment schedule would result in a loan not being repaid within the maximum repayment term; or

(ii) Up to 5 years of payments in cases where the effect of decreased installment amounts paid under an income-sensitive repayment schedule would result in the loan not being repaid within the maximum repayment term.

(6) The lender shall grant a mandatory administrative forbearance to a borrower for a period not to exceed 60 days after the lender receives reliable information indicating that the borrower (or student in the case of a PLUS loan) has died, until the lender receives

(a) No points, premiums, payments, or additional interest of any kind may be paid or otherwise extended to any eligible lender or other party in order to—

(1) Secure funds for making loans; or

(2) Induce a lender to make loans to either the students or the parents of students of a particular school or particular category of students or their parents.

(b) The following are examples of transactions that, if entered into for the purposes described in paragraph (a) of this section, are prohibited:

(1) Cash payments by or on behalf of a school made to a lender or other party.

(2) The maintaining of a compensating balance by or on behalf of a school with a lender.

(3) Payments by or on behalf of a school to a lender of servicing costs on loans that the school does not own.

(4) Payments by or on behalf of a school to a lender of unreasonably high servicing costs on loans that the school does own.

(5) Purchase by or on behalf of a school of stock of the lender.

(6) Payments ostensibly made for other purposes.

(c) Except when purchased by the Student Loan Marketing Association, an agency of any State functioning as a secondary market or in any other circumstances approved by the Secretary, notes, or any interest in notes, may not be sold or otherwise transferred at discount if the underlying loans were made—

(1) By a school; or

(2) To students or parents of students attending a school by a lender having common ownership with that school.

(d) Except to secure a loan from the Student Loan Marketing Association or an agency of a State functioning as a secondary market or in other circumstances approved by the Secretary, a school or lender (with respect to a loan made to a student, or a parent of a student, attending a school having common ownership with that lender), may not use a loan made under the FFEL programs as collateral for any loan bearing aggregate interest and other charges in excess of the sum of the interest rate applicable to the loan plus the rate of the most recently prescribed special allowance under § 682.302.

(e) The prohibitions described in paragraphs (a), (b), (c), and (d) of this section apply to any school, lender, or other party that would participate in a proscribed transaction.

(f) This section does not preclude a buyer of loans made by a school from obtaining from the loan seller a warranty that—

(1) Covers future reductions by the Secretary or a guaranty agency in computing the amount of loss payable on default claims filed on the loans, if the reductions are attributable to an act, or failure to act, on the part of the seller or previous holder; and

(2) Does not cover matters for which a purchaser is charged with responsibility under this part, such as due diligence in collecting loans.

(g) Section 490(c) of the Act provides that any person who knowingly and willfully makes an unlawful payment to an eligible lender as an inducement to make, or to acquire by assignment, a FFEL loan shall, upon conviction thereof, be fined not more than \$10,000 or imprisoned not more than one year, or both.

§ 682.213 Prohibition against the use of the Rule of 78s.

For purposes of the calculations required by this part, a lender may not use the Rule of 78s to calculate the outstanding principal balance of a loan,

except for a loan made to a borrower who entered repayment before June 26, 1987 and who was informed in the promissory note that interest on the loan would be calculated using the Rule of 78s. For those loans, the Rule of 78s must be used for the life of the loan.

§ 682.214 Compliance with equal credit opportunity requirements.

In making a Stafford loan on which interest benefits are to be paid, a lender shall comply with the equal credit opportunity requirements of Regulation B (12 CFR part 202). With regard to Regulation B, the Secretary considers the Stafford loan program to be a credit-assistance program authorized by Federal law for the benefit of an economically disadvantaged class of persons within the meaning of 12 CFR 202.8(a)(1). § 682.215 Teacher loan forgiveness program.

(a) *General.* The teacher loan forgiveness program is intended to encourage individuals to enter and continue in the teaching profession. For new borrowers, the Secretary repays the amount specified in this paragraph on the borrower's subsidized and unsubsidized Federal Stafford Loans, Direct Subsidized Loans, Direct Unsubsidized Loans, and in certain cases, Federal Consolidation Loans or Direct Consolidation Loans. The forgiveness program is only available to a borrower who has no outstanding loan balance under the FFEL Program or the Direct Loan Program on October 1, 1998 or who has no outstanding loan balance on the date he or she obtains a loan after October

1, 1998. The borrower must have been employed as a full-time teacher for five consecutive complete academic years, at least one of which was after the 1997-1998 academic year, in certain eligible elementary or secondary schools that serve low-income families. All borrowers eligible for teacher loan forgiveness may receive loan forgiveness of up to a combined total of \$5,000 on the borrower's eligible FFEL and Direct Loan Program loans. If the borrower taught for five consecutive years as a highly qualified mathematics or science teacher in an eligible secondary school or as a special education teacher in an eligible elementary or secondary school, the borrower may receive loan forgiveness of up to a combined total of \$17,500 on the borrower's eligible FFEL and Direct Loan Program loans. The loan for which the borrower is seeking forgiveness must have been made prior to the end of the borrower's fifth year of qualifying teaching service.

(b) *Definitions.* The following definitions apply to this section:

Academic year means one complete school year at the same school, or two complete and consecutive half years at different schools, or two complete and consecutive half years from different school years at either the same school or different schools. Half years exclude summer sessions and generally fall within a twelve-month period. For schools that have a year-round program of instruction, a minimum of nine months is considered an academic year.

Elementary school means a public or nonprofit private school that provides elementary education as determined by State law or the Secretary if that school is not in a State.

Full-time means the standard used by a State in defining full-time employment as a teacher. For a borrower teaching in more than one school, the determination of full-time is based on the combination of all qualifying employment.

Highly qualified means highly qualified as defined in section 9101 of the Elementary and Secondary Education Act of 1965, as amended.

Secondary school means a public or nonprofit private school that provides

secondary education as determined by State law or the Secretary if the school is not in a State.

Teacher means a person who provides direct classroom teaching or classroom-type teaching in a non-classroom setting, including Special Education teachers.

(c) *Borrower eligibility.* (1) A borrower may obtain loan forgiveness under this program if he or she has been employed as a full-time teacher for five consecutive complete academic years, at least one of which was after the 1997–1998 academic year, in an elementary or secondary school that—

(i) Is in a school district that qualifies for funds under title I of the Elementary and Secondary Education Act of 1965, as amended;

(ii) Has been selected by the Secretary based on a determination that more than 30 percent of the school's total enrollment is made up of children who qualify for services provided under title I; and

(iii) Is listed in the *Annual Directory of Designated Low-Income Schools for Teacher Cancellation Benefits*. If this directory is not available before May 1 of any year, the previous year's directory may be used. The Secretary considers all elementary and secondary schools operated by the Bureau of Indian Affairs (BIA) or operated on Indian reservations by Indian tribal groups under contract with the BIA to qualify as schools serving low-income students.

(2) If the school at which the borrower is employed meets the requirements specified in paragraph (c)(1) of this section for at least one year of the borrower's five consecutive complete academic years of teaching and the school fails to meet those requirements in subsequent years, those subsequent years of teaching qualify for purposes of this section for that borrower.

(3) In the case of a borrower whose five consecutive complete years of qualifying teaching service began before October 30, 2004, the borrower—

(i) May receive up to \$5,000 of loan forgiveness if the borrower—

(A) Demonstrated knowledge and teaching skills in reading, writing, mathematics, and other areas of the elementary school curriculum, as certified by the chief administrative offi-

cer of the eligible elementary school in which the borrower was employed; or

(B) Taught in a subject area that is relevant to the borrower's academic major as certified by the chief administrative officer of the eligible secondary school in which the borrower was employed.

(ii) May receive up to \$17,500 of loan forgiveness if the borrower—

(A) Taught mathematics or science on a full-time basis in an eligible secondary school and was a highly qualified mathematics or science teacher; or

(B) Taught as a special education teacher on a full-time basis to children with disabilities in an eligible elementary or secondary school and was a highly qualified special education teacher whose special education training corresponded to the children's disabilities and who has demonstrated knowledge and teaching skills in the content areas of the elementary or secondary school curriculum.

(4) In the case of a borrower whose five consecutive years of qualifying teaching service began on or after October 30, 2004, the borrower—

(i) May receive up to \$5,000 of loan forgiveness if the borrower taught full time in an eligible elementary or secondary school and was a highly qualified elementary or secondary school teacher.

(ii) May receive up to \$17,500 of loan forgiveness if the borrower—

(A) Taught mathematics or science on a full-time basis in an eligible secondary school and was a highly qualified mathematics or science teacher; or

(B) Taught as a special education teacher on a full-time basis to children with disabilities in an eligible elementary or secondary school and was a highly qualified special education teacher whose special education training corresponded to the children's disabilities and who has demonstrated knowledge and teaching skills in the content areas of the elementary or secondary school curriculum.

(5) To qualify for loan forgiveness as a highly qualified teacher, the teacher must have been a highly qualified teacher for all five years of eligible teaching service.

(6) For teacher loan forgiveness applications received by the loan holder

on or after July 1, 2006, a teacher in a private, non-profit elementary or secondary school who is exempt from State certification requirements (unless otherwise applicable under State law) may qualify for loan forgiveness under paragraphs (c)(3)(ii) or (c)(4) of this section if—

(i) The private school teacher is permitted to and does satisfy rigorous subject knowledge and skills tests by taking competency tests in applicable grade levels and subject areas;

(ii) The competency tests are recognized by 5 or more States for the purposes of fulfilling the highly qualified teacher requirements under section 9101 of the Elementary and Secondary Education Act of 1965; and

(iii) The private school teacher achieves a score on each test that equals or exceeds the average passing score for those 5 states.

(7) The academic year may be counted as one of the borrower's five consecutive complete academic years if the borrower completes at least one-half of the academic year and the borrower's employer considers the borrower to have fulfilled his or her contract requirements for the academic year for the purposes of salary increases, tenure, and retirement if the borrower is unable to complete an academic year due to—

(i) A return to postsecondary education, on at least a half-time basis, that is directly related to the performance of the service described in this section;

(ii) A condition that is covered under the Family and Medical Leave Act of 1993 (FMLA) (19 U.S.C. 2654); or

(iii) A call or order to active duty status for more than 30 days as a member of a reserve component of the Armed Forces named in section 10101 of title 10, United States Code.

(8) A borrower's period of postsecondary education, qualifying FMLA condition, or military active duty as described in paragraph (c)(7) of this section, including the time necessary for the borrower to resume qualifying teaching no later than the beginning of the next regularly scheduled academic year, does not constitute a break in the required five consecutive years of qualifying teaching service.

(9) A borrower who taught in more than one qualifying school during an academic year and demonstrates that the combined teaching was the equivalent of full-time, as supported by the certification of one or more of the chief administrative officers of the schools involved, is considered to have completed one academic year of qualifying teaching.

(10) A borrower is not eligible for teacher loan forgiveness on a defaulted loan unless the borrower has made satisfactory repayment arrangements to re-establish title IV eligibility, as defined in § 682.200.

(11) A borrower may not receive loan forgiveness for qualifying teaching service under this section if the borrower receives a benefit for the same teaching service under subtitle D of title I of the National and Community Service Act of 1990.

(d) *Forgiveness amount.* (1) A qualified borrower is eligible for forgiveness of up to \$5,000, or up to \$17,500 if the borrower meets the requirements of paragraphs (c)(3)(ii) or (c)(4)(ii) of this section. The forgiveness amount is deducted from the aggregate amount of the borrower's subsidized or unsubsidized Federal Stafford or Federal Consolidation Loan obligation that is outstanding after the borrower completes his or her fifth consecutive complete academic year of teaching as described in paragraph (c) of this section. Only the outstanding portion of the consolidation loan that was used to repay an eligible subsidized or unsubsidized Federal Stafford Loan, an eligible Direct Subsidized Loan, or an eligible Direct Unsubsidized Loan qualifies for loan forgiveness under this section.

(2) A borrower may not receive more than a total of \$5,000, or \$17,500 if the borrower meets the requirements of paragraphs (c)(3)(ii) or (c)(4)(ii) of this section, in loan forgiveness for outstanding principal and accrued interest under both this section and under section 34 CFR 685.217.

(3) The holder does not refund payments that were received from or on behalf of a borrower who qualifies for loan forgiveness under this section.

(e) *Authorized forbearance during qualifying teaching service and discharge*

processing. (1) A holder grants a forbearance—

(i) Under § 682.211(h)(2)(ii)(C) and (h)(3)(iii), in annual increments for each of the years of qualifying teaching service, if the holder believes, at the time of the borrower's annual request, that the expected cancellation amount will satisfy the anticipated remaining outstanding balance on the loan at the time of the expected cancellation;

(ii) For a period not to exceed 60 days while the holder is awaiting a completed teacher loan forgiveness application from the borrower; and

(iii) For the period beginning on the date the holder receives a completed loan forgiveness application to the date the holder receives either a denial of the request or the loan discharge amount from the guaranty agency, in accordance with paragraph (f) of this section.

(2) At the conclusion of a forbearance authorized under paragraph (e)(1) of this section, the holder must resume collection activities and may capitalize any interest accrued and not paid during the forbearance period in accordance with § 682.202(b).

(3) Nothing in paragraph (e) of this section restricts holders from offering other forbearance options to borrowers who do not meet the requirements of paragraph (e)(1)(i) of this section.

(f) *Application and processing.* (1) A borrower, after completing the qualifying teaching service, requests loan forgiveness from the holder of the loan on a form approved by the Secretary.

(2)(i) The holder must file a request for payment with the guaranty agency on a teacher forgiveness discharge no later than 60 days after the receipt, from the borrower, of a completed teacher loan forgiveness application.

(ii) When filing a request for payment on a teacher forgiveness discharge, the holder must provide the guaranty agency with the completed loan forgiveness application submitted by the borrower and any required supporting documentation.

(iii) If the holder files a request for payment later than 60 days after the receipt of the completed teacher loan forgiveness application form, interest that accrued on the discharged amount after the expiration of the 60-day filing

period is ineligible for reimbursement by the Secretary, and the holder must repay all interest and special allowance received on the discharged amount for periods after the expiration of the 60-day filing period. The holder cannot collect from the borrower any interest that is not paid by the Secretary under this paragraph.

(3)(i) Within 45 days of receiving the holder's request for payment, the guaranty agency must determine if the borrower meets the eligibility requirements for loan forgiveness under this section and must notify the holder of its determination of the borrower's eligibility for loan forgiveness under this section.

(ii) If the guaranty agency approves the discharge, it must, within the same 45-day period, pay the holder the amount of the discharge, up to \$17,500, subject to paragraphs (c)(11), (d)(1), (d)(2) and (f)(2)(iii) of this section.

(4) After being notified by the guaranty agency of its determination of the eligibility of the borrower for the discharge, the holder must, within 30 days, inform the borrower of the determination. If the discharge is approved, the holder must also provide the borrower with information regarding any new repayment terms of remaining loan balances.

(5) Unless otherwise instructed by the borrower, the holder must apply the proceeds of the teacher forgiveness discharge first to any outstanding unsubsidized Federal Stafford loan balances, next to any outstanding subsidized Federal Stafford loan balances, then to any eligible outstanding Federal Consolidation loan balances.

(g) *Claims for reimbursement from the Secretary on loans held by guaranty agencies.* In the case of a teacher loan forgiveness discharge applied to a defaulted loan held by the guaranty agency, the Secretary pays the guaranty agency a percentage of the amount discharged that is equal to the complement of the reinsurance percentage paid on the loan. The payment of up to \$5,000, or up to \$17,500, may also include interest that accrues on the discharged amount during the period from the date on which the guaranty agency received payment from the Secretary on a default claim to the date on which

the guaranty agency determines that the borrower is eligible for the teacher loan forgiveness discharge.

(i) Determining the average of the bond equivalent rates of—

(A) The quotes of the 3-month commercial paper (financial) rates in effect for each of the days in such quarter as

reported by the Federal Reserve in Publication H-15 (or its successor) for such 3-month period for a loan for which the first disbursement is made on or after January 1, 2000; or

§ 682.303 [Reserved]

§ 682.304 Methods for computing interest benefits and special allowance.

(a) *General.* The Secretary pays a lender interest benefits and special allowance on eligible loans on a quarterly basis. These calendar quarters end on March 31, June 30, September 30, and December 31 of each year. A lender may use either the average daily balance method or the actual accrual method to determine the amount of interest benefits payable on a lender's loans. A lender shall use the average daily balance method to determine the balance on which the Secretary computes the amount of special allowance payable on its loans.

(b) *Average daily balance method for interest benefits.* (1) Under this method, the lender adds the unpaid principal balance outstanding on all loans qualifying for interest benefits at each actual interest rate for each day of the quarter, divides the sum by the number of days in the quarter, and rounds the result to the nearest whole dollar. The resulting figure is the average daily

balance for qualified loans outstanding at each actual interest rate.

(2) The Secretary computes the interest benefits due on all qualified loans at each actual interest rate by multiplying the average daily balance thereof by the actual interest rate, multiplying this result by the number of days in the quarter, and then dividing this result by the actual number of days in the year.

(c) *Actual accrual method for interest benefits.* (1) Under this method, the lender computes the total unpaid principal balance outstanding on all qualified loans at each actual interest rate on each day of the quarter, multiplies this result by the actual interest rate, and divides this result by the actual number of days in the year, or, alternatively, 365.25 days. A lender who chooses to divide by 365.25 days must do so for four consecutive years.

(2) The interest benefits due for a quarter equal the sum of the daily interest benefits due, computed under paragraph (c)(1) of this section, for each day of the quarter.

(d) *Average daily balance method for special allowance.* (1) To compute the average daily balance outstanding for purposes of special allowance, the lender adds the unpaid principal balance outstanding on all qualified loans at each applicable interest rate for each day of the quarter, divides this sum by the number of days in the quarter, and rounds the result to the nearest whole dollar. The resulting figure is the average daily balance for the quarter for qualifying loans at each applicable interest rate.

(2) The Secretary computes the special allowance payable to a lender based upon the average daily balance computed by the lender under paragraph (d)(1) of this section.

(Authority: 20 U.S.C. 1082, 1087-1)

§ 682.305 Procedures for payment of interest benefits and special allowance and collection of origination and loan fees.

(a) *General.* (1) If a lender owes origination fees or loan fees under paragraph (a) of this section, it must submit quarterly reports to the Secretary on a form provided or prescribed by the Secretary, even if the lender is not

owed, or does not wish to receive, interest benefits or special allowance from the Secretary.

(2) The lender shall report, on the quarterly report required by paragraph (a)(1) of this section, the amount of origination fees it was authorized to collect and the amount of those fees refunded to borrowers during the quarter covered by the report.

(3)(i)(A) The Secretary reduces the amount of interest benefits and special allowance payable to the lender by—

(1) The amount of origination fees the lender was authorized to collect during the quarter under § 682.202(c), whether or not the lender actually collected that amount; and

(2) The amount of lender fees payable under paragraph (a)(3)(ii) of this section; and

(3) The amount of excess interest, as calculated in accordance with paragraph (d) of this section.

(B) The Secretary increases the amount of interest benefits and special allowance payable to the lender by the amount of origination fees refunded to borrowers during the quarter under § 682.202(c).

(ii) For any FFEL loan made on or after October 1, 1993, a lender shall pay the Secretary a loan fee equal to 0.50% of the principal amount of the loan.

(iii) The Secretary collects from an originating lender the amount of origination fees the originating lender was authorized to collect from borrowers during the quarter whether or not the originating lender actually collected those fees. The Secretary also collects the fees the originating lender is required to pay under paragraph (a)(3)(ii) of this section. Generally, the Secretary collects the fees from the originating lender by offsetting the amount of interest benefits and special allowance payable to the originating lender in a quarter, and, if necessary, the amount of interest benefits and special allowance payable in subsequent quarters may be offset until the total amount of fees has been recovered.

(iv) If the full amount of the fees cannot be collected within two quarters by reducing interest and special allowance payable to the originating lender, the Secretary may collect the unpaid

amount directly from the originating lender.

(v) If the full amount of the fees cannot be collected within two quarters from the originating lender in accordance with paragraphs (a)(3)(iii) and (iv) of this section and if the originating lender has transferred the loan to a subsequent holder, the Secretary may, following written notice, collect the unpaid amount from the holder by using the same steps described in paragraphs (a)(3)(iii) and (iv) of this section, with the term “holder” substituting for the term “originating lender”.

(4) If an originating lender sells or otherwise transfers a loan to a new holder, the originating lender remains liable to the Secretary for payment of the origination fees. The Secretary will not pay interest benefits or special allowance to the new holder or pay reinsurance to the guaranty agency until the origination fees are paid to the Secretary.

(b) *Penalty interest.* (1)(i) If the Secretary does not pay interest benefits or the special allowance within 30 days after the Secretary receives an accurate, timely, and complete request for payment from a lender, the Secretary pays the lender penalty interest.

(ii) The payment of interest benefits or special allowance is deemed to occur, for purposes of this paragraph, when the Secretary—

(A) Authorizes the Treasury Department to pay the lender;

(B) Credits the payment due the lender against a debt that the Secretary determines is owed the Secretary by the lender; or

(C) Authorizes the Treasury Department to pay the amount due by the lender to another Federal agency for credit against a debt that the Federal agency has determined the lender owes.

(2) Penalty interest is an amount that accrues daily on interest benefits and special allowance due to the lender. The penalty interest is computed by—

(i) Multiplying the daily interest rate applicable to loans on which payment for interest benefits was requested, by the amount of interest benefits due on those loans for each interest rate;

(ii) Multiplying the daily special allowance rate applicable to loans on which special allowance was requested by the amount of special allowance due on those loans for each interest rate and special allowance category;

(iii) Adding the results of paragraphs (b)(2)(i) and (ii) of this section to determine the gross penalty interest to be paid for each day that penalty interest is due;

(iv) Dividing the results of paragraph (b)(2)(iii) of this section by the gross amount of interest benefits and special allowance due to obtain the average penalty interest rate;

(v) Multiplying the rate obtained in paragraph (b)(2)(iv) of this section by the total amount of reduction to gross interest benefits and special allowance due (e.g., origination fees or other debts owed to the Federal Government);

(vi) Subtracting the amount calculated in paragraph (b)(2)(v) of this section from the amount calculated under paragraph (b)(2)(iii) of this section to obtain the net amount of penalty interest due per day; and

(vii) Multiplying the amount calculated in paragraph (b)(2)(vi) of this section by the number of days calculated under paragraph (b)(3) of this section.

(3) The Secretary pays penalty interest for the period—

(i) Beginning on the later of—

(A) The 31st day after the final day of the quarter covered by the request for payment; or

(B) The 31st day after the Secretary's receipt of an accurate, timely, and complete request for payment from the lender; and

(ii) Ending on the day the Secretary pays the interest benefits and the special allowance at issue, in accordance with paragraph (b)(1)(ii) of this section.

(4) A request for interest benefits and special allowance is considered timely only if it is received by the Secretary within 90 days following the end of the quarter to which the request pertains.

(5) A request for interest benefits and special allowance is not considered accurate and complete if it—

(i) Requests payments to which the lender is not entitled under §§ 682.300 through 682.302;

(ii) Includes loans that the Secretary, in writing, has directed that the lender exclude from the request;

(iii) Does not contain all information required by the Secretary or contains conflicting information; or

(iv) Is not provided and certified on the form and in the manner prescribed by the Secretary.

(c) *Independent audits.* (1) A lender (other than a school lender) originating or holding more than \$5 million in FFEL loans during its fiscal year, and a school lender under § 682.601 that originates or holds any FFEL loans during its fiscal year, must submit an independent annual compliance audit for that year, conducted by a qualified independent organization or person. The Secretary may, following written notice, suspend the payment of interest benefits and special allowance to a lender that does not submit its audit within the time period prescribed in paragraph (c)(2) or this section.

(2) The audit required under paragraph (c)(1) of this section must—

(i) Examine the lender's compliance with the Act and applicable regulations;

(ii) Examine the lender's financial management of its FFEL program activities;

(iii) Be conducted in accordance with the standards for audits issued by the United States General Accounting Office's (GAO's) *Government Auditing Standards*. Procedures for audits are contained in an audit guide developed by and available from the Office of the Inspector General of the Department;

(iv) Be conducted at least annually and be submitted to the Secretary within six months of the end of the audit period. The initial audit must be of the lender's first fiscal year that begins after July 23, 1992, and must be submitted within six months of the end of the audit period. Each subsequent audit must cover the lender's activities for the period beginning no later than the end of the period covered by the preceding audit;

(v) With regard to a lender that is a governmental entity or a nonprofit organization, the audit required by this paragraph must be conducted in accordance with 31 U.S.C. 7502 and 34 CFR §§ 74.26 and 80.26, as applicable; and

§ 682.400

34 CFR Ch. VI (7–1–07 Edition)

(vi) With regard to a school that makes or originates loans, the audit requirements are in 34 CFR § 682.601(a)(7).

(vii) The Secretary may determine that a lender has met the requirements of paragraph (c) of this section if the lender has been audited in accordance with 31 U.S.C. 7502 for other purposes, the lender submits the results of the audit to the Office of Inspector General, and the Secretary determines that the audit meets the requirements of this paragraph.

(d) *Recovery of excess interest paid by the Secretary.*

(1) For any loan for which the first disbursement of principal is made on or after April 1, 2006, the Secretary collects the amount of excess interest paid to a lender on a quarterly basis when the applicable interest rate on a loan for each quarter exceeds the special allowance support level in paragraph (d)(2) of this section for the loan. Excess interest is calculated and recovered each quarter by subtracting the special allowance support level from the applicable interest rate, multiplying the result by the average daily principal balance of the loan (not including unearned interest added to principal) during the quarter, and dividing by four.

(2) The term *special allowance support level* means a number expressed as a percentage equal to the sum of—

(i) The average of the bond equivalent rates of the quotes of the 3-month commercial paper (financial) rates in effect for each of the days in such quarter as reported by the Federal Reserve in Publication H–15 (or its successor) for such 3-month period; plus

(ii) 2.34 percent for a Federal Stafford loan in repayment;

(iii) 1.74 percent for a Federal Stafford loan during the in-school, grace, and deferment periods; or

(iv) 2.64 percent for a Federal PLUS or Consolidation Loan.

(b) There are four agreements:

(1) *Basic program agreement.* In order to participate in the FFEL programs, a guaranty agency must have a basic program agreement. Under this agreement—

(ii) Lenders under the guaranty agency program may receive special allowance payments from the Secretary and have death, disability, bankruptcy, closed school and false certification discharge claims paid by the Secretary through the guaranty agency.

(2) *Federal advances for claim payments agreement.* A guaranty agency must have an agreement for Federal advances for claim payments to receive and use Federal advances to pay default claims.

(3) *Reinsurance agreement.* A guaranty agency must have a reinsurance agreement to receive reimbursement from the Secretary for its losses on default claims.

(4) *Loan Rehabilitation Agreement.* A guaranty agency must have an agreement for rehabilitating a loan for which the Secretary has made a reinsurance payment under section 428(c)(1) of the Act.

(c) The Secretary's execution of an agreement does not indicate acceptance of any current or past standards or procedures used by the agency.

(d) All of the agreements are subject to subsequent changes in the Act, in other applicable Federal statutes, and

in regulations that apply to the FFEL programs.

(3) *Duration of borrower eligibility.* (i) A student borrower under the Stafford Loan Program or the PLUS Loan Program and a parent borrower under the PLUS Program are eligible to receive a guaranteed loan for any year of the

student's study at a participating school.

(ii) Loans must be available to or on behalf of any student for at least six academic years of study.

(4) *Reinstatement of borrower eligibility.* Except as provided in § 668.35(b) for a borrower with a defaulted loan on which a judgment has been obtained and § 668.35(i) for a borrower who fraudulently obtained title IV, HEA program assistance, reinstatement of Title IV eligibility for a borrower with a defaulted loan must be in accordance with this paragraph (b)(4). For a borrower's loans held by a guaranty agency on which a reinsurance claim has been paid by the Secretary, the guaranty agency must afford a defaulted borrower, upon the borrower's request, renewed eligibility for Title IV assistance once the borrower has made satisfactory repayment arrangements as that term is defined in § 682.200.

(i) For purposes of this section, the determination of reasonable and affordable must—

(A) Include consideration of the borrower's and spouse's disposable income and necessary expenses including, but not limited to, housing, utilities, food, medical costs, dependent care costs, work-related expenses and other Title IV repayment;

(B) Not be a required minimum payment amount, e.g. \$50, if the agency determines that a smaller amount is reasonable and affordable based on the borrower's total financial circumstances. The agency must include documentation in the borrower's file of the basis for the determination, if the monthly reasonable and affordable payment established under this section is less than \$50.00 or the monthly accrued interest on the loan, whichever is greater.

(C) Be based on the documentation provided by the borrower or other sources including, but not limited to—

(I) Evidence of current income (e.g. proof of welfare benefits, Social Security benefits, Supplemental Security Income, Workers' Compensation, child support, veterans' benefits, two most recent pay stubs, most recent copy of U.S. income tax return, State Department of Labor reports);

(2) Evidence of current expenses (e.g., a copy of the borrower's monthly household budget, on a form provided by the guaranty agency); and

(3) A statement of the unpaid balance on all FFEL loans held by other holders.

(ii) A borrower may request that the monthly payment amount be adjusted due to a change in the borrower's total financial circumstances upon providing the documentation specified in paragraph (b)(4)(i)(C) of this section.

(iii) A guaranty agency must provide the borrower with a written statement of the reasonable and affordable payment amount required for the reinstatement of the borrower's eligibility for Title IV student assistance, and provide the borrower with an opportunity to object to those terms.

(iv) A guaranty agency must provide the borrower with written information regarding the possibility of loan rehabilitation if the borrower makes three additional reasonable and affordable monthly payments after making payments to regain eligibility for Title IV assistance and the consequences of loan rehabilitation.

(v) A guaranty agency must inform the borrower that he or she may only obtain reinstatement of borrower eligibility under this section once.

(5) *Borrower responsibilities.* (i) The borrower must indicate his or her preferred lender on the promissory note or other written or electronic documentation submitted during the loan origination process if he or she has such a preference.

(ii) The borrower must give the lender, as part of the promissory note or application process for a parent PLUS loan—

(A) A statement, as described in 34 CFR part 668, that the loan will be used for the cost of the student's attendance;

(B) A statement from the student authorizing the school to release information relevant to the student's eligibility to have a parent borrow on the student's behalf (e.g., the student's enrollment status, financial assistance, and employment records); and

(C) Information from the school providing the maximum amount that may be borrowed on behalf of the student.

(iii) The borrower shall give the lender, as part of the application process for a Consolidation loan—

(A) Information demonstrating that the borrower is eligible for the loan under § 682.201(c); and

(B) A statement that the borrower does not currently have another application for a Consolidation loan pending.

(iv) The borrower shall promptly notify—

(A) The current holder or the guaranty agency of any change of name, address, student status to less than half-time, employer, or employer's address; and

(B) The school of any change in local address during enrollment.

(6) *School eligibility*—(i) *General.* A school that has a program participation agreement in effect with the Secretary under § 682.14(a) is eligible to participate in the program of the agency under reasonable criteria established by the guaranty agency, and approved by the Secretary, under paragraph (d)(2) of this section, except to the extent that—

(A) The school's eligibility is limited, suspended, or terminated by the Secretary under 34 CFR part 668 or by the guaranty agency under standards and procedures that are substantially the same as those in 34 CFR part 668;

(B) The Secretary upholds the limitation, suspension, or termination of a school by a guaranty agency and extends that sanction to all guaranty agency programs under section 432(h)(3) of the Act or § 682.713;

(C) The school is ineligible under section 435(a)(2) of the Act;

(D) There is a State constitutional prohibition affecting the school's eligibility;

(E) The school's programs consist of study solely by correspondence;

(F) The agency determines, subject to the agreement of the Secretary, that the school does not satisfy the standards of administrative capability and financial responsibility as defined in 34 CFR part 668;

(G) The school fails to make timely refunds to students as required in § 682.607(c);

(H) The school has not satisfied, within 30 days of issuance, a final judgment obtained by a student seeking a refund;

(I) The school or an owner, director, or officer of the school is found guilty or liable in any criminal, civil, or administrative proceeding regarding the obtaining, maintenance, or disbursement of State or Federal student grant, loan, or work assistance funds; or

(J) The school or an owner, director, or officer of the school has unpaid financial liabilities involving the improper acquisition, expenditure, or refund of State or Federal student financial assistance funds.

(ii) *Limitation by a guaranty agency of a school's participation.* For purposes of this paragraph, a school that is subject to limitation of participation in the guaranty agency's program may be either a school that is applying to participate in the agency's program for the first time, or a school that is renewing its application to continue participation in the agency's program. A guaranty agency may limit the total number of loans or the volume of loans made to students attending a particular school, or otherwise establish appropriate limitations on the school's participation, if the agency makes a determination that the school does not satisfy—

(A) The standards of financial responsibility defined in 34 CFR 668.5; or

(B) The standards of administrative capability defined in 34 CFR 668.16.

(iii) *Limitation, suspension, or termination of school eligibility.* A guaranty agency may limit, suspend, or terminate the participation of an eligible school. If a guaranty agency limits, suspends, or terminates the participation of a school from the agency's program, the Secretary applies that limitation, suspension, or termination to all locations of the school.

(iv) *Condition for guaranteeing loans for students attending a school.* The guaranty agency may require the school to execute a participation agreement with the agency and to submit documentation that establishes the school's eligibility to participate in the agency's program.

(7) *Lender eligibility.* (i) An eligible lender may participate in the program of the agency under reasonable criteria established by the guaranty agency except to the extent that—

(A) The lender's eligibility has been limited, suspended, or terminated by the Secretary under subpart G of this part or by the agency under standards and procedures that are substantially the same as those in subpart G of this part; or

(B) The lender is disqualified by the Secretary under sections 432(h)(1), 432(h)(2), 435(d)(3), or 435(d)(5) of the Act or § 682.712; or

(C) There is a State constitutional prohibition affecting the lender's eligibility.

(ii) The agency may not guarantee a loan made by a school lender that is not located in the geographical area that the agency serves.

(iii) The guaranty agency may refuse to guarantee loans made by a school on behalf of students not attending that school.

(iv) The guaranty agency may, in determining whether to enter into a guarantee agreement with a lender, consider whether the lender has had prior experience in a similar Federal, State, or private nonprofit student loan program and the amount and percentage of loans that are currently delinquent or in default under that program.

(8) *Out-of-State schools.* The agency shall guarantee Stafford, SLS, and PLUS loans for students who are legal residents of any State served by the agency under § 682.404(h)(2) but who attend schools out of that State and for parents who are legal residents of that State and are borrowing on behalf of students attending schools out of that State. In guaranteeing these loans, the agency may not impose any restrictions that it does not apply to borrowers who are legal residents of the State attending in-State schools or to parent borrowers who are legal residents of the State and are borrowing for students attending in-State schools.

(9) *Out-of-State residents.* The agency shall guarantee Stafford, SLS, and PLUS loans for students who are not legal residents of any State served by

the agency under § 682.404(h)(2) but who attend schools in that State, and for parents who are not legal residents of that State and who are borrowing on behalf of students attending schools in that State. In guaranteeing these loans, the agency may not impose any restrictions that it does not apply to borrowers who are legal residents of the State attending in-State schools, or to parent borrowers who are legal residents of the State and who are borrowing for students attending in-State schools.

(10) *Insurance premiums and Federal default fees.* (i) Except for a Consolidation Loan or SLS or PLUS loans refinanced under § 682.209 (e) or (f), a guaranty agency:

(A) May charge the lender an insurance premium for Stafford, SLS, or PLUS loans it guarantees prior to July 1, 2006; and

(B) Must collect, either from the lender or by payment from any other non-Federal source, a Federal default fee for any Stafford or PLUS loans it guarantees on or after July 1, 2006, to be deposited into the Federal Fund under § 682.419.

(ii) The guaranty agency may not use the Federal default fee for incentive payments to lenders, and may only use the insurance premium or the Federal default fee for costs incurred in guaranteeing loans or in the administration of the agency's loan guarantee program, as specified in § 682.410(a)(2) or § 682.419(c).

(iii) If a lender charges the borrower an insurance premium or Federal default fee, the lender must deduct the charge proportionately from each disbursement of the borrower's loan proceeds.

(iv) The amount of the insurance premium or Federal default fee, as applicable—

(A) May not exceed 3 percent of the principal balance for a loan disbursed on or before June 30, 1994;

(B) May not exceed 1 percent of the principal balance for a loan disbursed on or after July 1, 1994;

(C) Shall be 1 percent of the principal balance of a loan guaranteed on or after July 1, 2006.

(v) If the circumstances specified in paragraph (vi) exist, the guaranty

agency shall refund to the lender any insurance premium or Federal default fee paid by the lender.

(vi) The lender shall refund to the borrower by a credit against the borrower's loan balance the insurance premium or Federal default fee paid by the borrower on a loan under the following circumstances:

(A) The insurance premium or Federal default fee attributable to each disbursement of a loan must be refunded if the loan check is returned uncashed to the lender.

(B) The insurance premium or Federal default fee, or an appropriate prorated amount of the premium or fee, must be refunded by application to the borrower's loan balance if—

(1) The loan or a portion of the loan is returned by the school to the lender in order to comply with the Act or with applicable regulations;

(2) Within 120 days of disbursement, the loan or a portion of the loan is repaid or returned, unless—

(i) The borrower has no FFEL Program loans in repayment status and has requested, in writing, that the repaid or returned funds be used for a different purpose; or

(ii) The borrower has a FFEL Program loan in repayment status, in which case the payment is applied in accordance with § 682.209(b) unless the borrower has requested, in writing, that the repaid or returned funds be applied as a cancellation of all or part of the loan;

(3) Within 120 days of disbursement, the loan check has not been negotiated; or

(4) Within 120 days of disbursement, the loan proceeds disbursed by electronic funds transfer or master check in accordance with § 682.207(b)(1)(ii) (B) and (C) have not been released from the restricted account maintained by the school.

(11) *Inquiries.* The agency must be able to receive and respond to written, electronic, and telephone inquiries.

(12) *Administrative fee for Consolidation loans.* The guaranty agency may charge a lender a fee, not to exceed \$50, reasonably calculated to cover the agency's cost of increased or extended liability incurred in guaranteeing a Consolidation loan. The lender may not

pass the fee on to the borrower. If it charges the fee, the agency must charge it for all loans made under the agency's Consolidation Loan program.

(13) *Administrative fee for refinancing fixed-rate PLUS or SLS loans.* The guaranty agency may require a lender to pay to the guaranty agency up to 50 percent of the fee the lender charges a borrower under § 682.202(e) for the purpose of defraying the agency's administrative costs incident to the guarantee of a lender's reissuance of a fixed-rate PLUS or SLS loan at a variable interest rate. If it charges the fee, the agency must charge the same fee to all lenders that refinance under this paragraph.

(14) *Guaranty liability.* The guaranty agency shall guarantee—

(i) 100 percent of the unpaid principal balance of each loan guaranteed for loans disbursed before October 1, 1993;

(ii) Not more than 98 percent of the unpaid principal balance of each loan guaranteed for loans first disbursed on or after October 1, 1993 and before July 1, 2006; and

(iii) Not more than 97 percent of the unpaid principal balance of each loan guaranteed for loans first disbursed on or after July 1, 2006.

(15) *Guaranty agency verification of default data.* A guaranty agency must meet the requirements and deadlines provided for it in subpart M of 34 CFR part 668 for the cohort default rate process.

(16) *Guaranty agency administration.* In the case of a State loan guarantee program administered by a State government, the program must be administered by a single State agency, or by one or more private nonprofit institutions or organizations under the supervision of a single State agency. For this purpose, "supervision" includes, but is not limited to, setting policies and procedures, and having full responsibility for the operation of the program.

(17) *Loan assignment.* (i) Except as provided in paragraph (b)(17)(iii) of this section, the guaranty agency must allow a loan to be assigned only if the loan is fully disbursed and is assigned to—

(A) An eligible lender;

(B) A guaranty agency, in the case of a borrower's default, death, total and permanent disability, or filing of a bankruptcy petition, or for other circumstances approved by the Secretary, such as a loan made for attendance at a school that closed or a false certification claim;

(C) An educational institution, whether or not it is an eligible lender, in connection with the institution's repayment to the agency or to the Secretary of a guarantee or a reinsurance claim payment made on a loan that was ineligible for the payment;

(D) A Federal or State agency or an organization or corporation acting on behalf of such an agency and acting as a conservator, liquidator, or receiver of an eligible lender; or

(E) The Secretary.

(ii) For the purpose of this paragraph, "assigned" means any kind of transfer of an interest in the loan, including a pledge of such an interest as security.

(iii) The guaranty agency must allow a loan to be assigned under paragraph (b)(17)(i) of this section, following the first disbursement of the loan if the assignment does not result in a change in the identity of the party to whom payments must be made.

(18) *Transfer of guarantees.* Except in the case of a transfer of guarantee requested by a borrower seeking a transfer to secure a single guarantor, the guaranty agency may transfer its guarantee obligation on a loan to another guaranty agency, only with the approval of the Secretary, the transferee agency, and the holder of the loan.

(19) *Standards and procedures.* (i) The guaranty agency shall establish, disseminate to concerned parties, and enforce standards and procedures for—

(A) Ensuring that all lenders in its program meet the definition of "eligible lender" in section 435(d) of the Act and have a written lender agreement with the agency;

(B) School and lender participation in its program;

(C) Limitation, suspension, termination of school and lender participation;

(D) Emergency action against a participating school or lender;

(E) The exercise of due diligence by lenders in making, servicing, and collecting loans; and

(F) The timely filing by lenders of default, death, disability, bankruptcy, closed school, false certification unpaid refunds, identity theft, and ineligible loan claims.

(ii) The guaranty agency shall ensure that its program and all participants in its program at all times meet the requirements of subparts B, C, D, and F of this part.

(20) *Monitoring student enrollment.* The guaranty agency shall monitor the enrollment status of a FFEL program borrower or student on whose behalf a parent has borrowed that includes, at a minimum, reporting to the current holder of the loan within 60 days any change in the student's enrollment status reported that triggers—

(i) The beginning of the borrower's grace period; or

(ii) The beginning or resumption of the borrower's immediate obligation to make scheduled payments.

(21) *Submission of interest and special allowance information.* Upon the Secretary's request, the guaranty agency shall submit, or require its lenders to submit, information that the Secretary deems necessary for determining the amount of interest benefits and special allowance payable on the agency's guaranteed loans.

(22) *Submission of information for reports.* The guaranty agency shall require lenders to submit to the agency the information necessary for the agency to complete the reports required by § 682.414(b).

(23) *Guaranty agency transfer of information.* (i) A guaranty agency from which another guaranty agency requests information regarding Stafford and SLS loans made after January 1, 1987, to students who are residents of the State for which the requesting agency is the principal guaranty agency shall provide—

(A) The name and social security number of the student; and

(B) The annual loan amount and the cumulative amount borrowed by the student in loans under the Stafford and SLS programs guaranteed by the responding agency.

(ii) The reasonable costs incurred by an agency in fulfilling a request for information made under paragraph (b)(23)(i) of this section must be paid by the guaranty agency making the request.

(24) *Information on defaults.* The guaranty agency shall, upon the request of a school, furnish information with respect to students, including the names and addresses of such students, who were enrolled at that school and who are in default on the repayment of any loan guaranteed by that agency.

(25) *Information on loan sales or transfers.* The guaranty agency must, upon the request of a school, furnish to the school last attended by the student, information with respect to the sale or transfer of a borrower's loan prior to the beginning of the repayment period, including—

(i) Notice of assignment;

(ii) The identity of the assignee;

(iii) The name and address of the party by which contact may be made with the holder concerning repayment of the loan; and

(iv) The telephone number of the assignee or, if the assignee uses a lender servicer, another appropriate number for borrower inquiries.

(26) *Third-party servicers.* The guaranty agency may not enter into a contract with a third-party servicer that the Secretary has determined does not meet the financial and compliance standards under § 682.416. The guaranty agency shall provide the Secretary with the name and address of any third-party servicer with which the agency enters into a contract and, upon request by the Secretary, a copy of that contract.

(27) *Consolidation of defaulted FFEL loans.*

(i) A guaranty agency may charge collection costs in an amount not to exceed 18.5 percent of the outstanding principal and interest on a defaulted FFEL Program loan that is paid off by a Federal Consolidation loan.

(ii) Prior to October 1, 2006, when returning the proceeds from the consolidation of a defaulted loan to the Secretary, a guaranty agency may only retain the amount charged to the borrower pursuant to this paragraph.

(iii) On or after October 1, 2006, when returning proceeds to the Secretary from the consolidation of a defaulted loan, a guaranty agency that charged the borrower collection costs must remit an amount that equals the lesser of the actual collection costs charged or 8.5 percent of the outstanding principal and interest of the loan.

(iv) On or after October 1, 2009, when returning proceeds to the Secretary from the consolidation of a defaulted loan that is paid off with excess consolidation proceeds as defined in paragraph (b)(27)(v) of this section, a guaranty agency must remit the entire amount of collection costs repaid through the consolidation loan pursuant to paragraph (b)(27)(ii) of this section.

(v) The term *excess consolidation proceeds* means, for any Federal fiscal year beginning on or after October 1, 2009, the amount of Consolidation Loan proceeds received for defaulted loans under the FFEL Program that exceed 45 percent of the agency's total collections on defaulted loans in that Federal fiscal year.

(28) *Change in agency's records system.* The agency shall provide written notification to the Secretary at least 30 days prior to placing its new guarantees or converting the records relating to its existing guaranty portfolio to an information or computer system that is owned by, or otherwise under the control of, an entity that is different than the party that owns or controls the agency's existing information or computer system. If the agency is soliciting bids from third parties with respect to a proposed conversion, the agency shall provide written notice to the Secretary as soon as the solicitation begins. The notification described in this paragraph must include a concise description of the agency's conversion project and the actual or estimated cost of the project.

(29) *Plans to Reduce Consolidation of defaulted loans.* A guaranty agency shall establish and submit to the Secretary for approval, procedures to ensure that consolidation loans are not an excessive proportion of the guaranty agency's recoveries on defaulted loans.

(c) *Lender-of-last-resort.* (1) The guaranty agency must ensure that it, or an eligible lender described in section 435(d)(1)(D) of the Act, serves as a lender-of-last-resort in the State in which the guaranty agency is the designated guaranty agency. The guaranty agency or an eligible lender described in section 435(d)(1)(D) of the Act may arrange for a loan required to be made under paragraph (c)(2) of this section to be made by another eligible lender. As used in this paragraph, the term "designated guaranty agency" means the guaranty agency in the State for which the Secretary has signed a Basic Program Agreement under this section.

(2) The lender-of-last-resort must make subsidized Federal Stafford loans and unsubsidized Federal Stafford loans to any eligible student who—

(i) Qualifies for interest benefits pursuant to § 682.301;

(ii) Qualifies for a combined loan amount of at least \$200; and

(iii) Has been otherwise unable to obtain loans from another eligible lender for the same period of enrollment.

(3) The lender-of-last resort may make unsubsidized Federal Stafford and Federal PLUS loans to borrowers who have been otherwise unable to obtain those loans from another eligible lender.

(4) The guaranty agency must develop policies and operating procedures for its lender-of-last-resort program that provide for the accessibility of lender-of-last-resort loans. These policies and procedures must be submitted to the Secretary for approval as required under paragraph (d)(2) of this section. The policies and procedures for the agency's lender-of-last-resort program must ensure that—

(i) The guaranty agency will serve eligible students attending any eligible school;

(ii) The program establishes operating hours and methods of application designed to facilitate application by students; and

(iii) Information about the availability of loans under the program is made available to schools in the State;

(iv) Appropriate steps are taken to ensure that borrowers receiving loans under the program are appropriately counseled on their loan obligation;

(v) The guaranty agency will respond to a student within 60 days after the student submits an original complete application; and

(vi) Borrowers are not required to obtain more than two objections from eligible lenders prior to requesting assistance under the lender-of-last-resort program.

(5)(i) Upon request of the guaranty agency, the Secretary may advance Federal funds to the agency, on terms and conditions agreed to by the Secretary and the agency, to ensure the availability of loan capital for subsidized and unsubsidized Federal Stafford and Federal PLUS loans to borrowers who are otherwise unable to obtain those loans if the Secretary determines that—

(A) Eligible borrowers in a State who qualify for subsidized Federal Stafford loans are seeking and are unable to obtain subsidized Federal Stafford loans;

(B) The guaranty agency designated for that State has the capability for providing lender-of-last-resort loans in a timely manner, either directly or indirectly using a third party, in accordance with the guaranty agency's obligations under the Act, but cannot do so without advances provided by the Secretary; and

(C) It would be cost-effective to advance Federal funds to the agency.

(ii) If the Secretary determines that the designated guaranty agency does not have the capability to provide lender-of-last-resort loans, in accordance with paragraph (c)(5)(i) of this section, the Secretary may provide Federal funds to another guaranty agency, under terms and conditions agreed to by the Secretary and the agency, to make lender-of-last-resort loans in that State.

(d) *Review of forms and procedures.* (1) The guaranty agency shall submit to the Secretary its write-off criteria and procedures. The agency may not use these materials until the Secretary approves them.

(2) The guaranty agency shall promptly submit to the Secretary its regulations, statements of procedures and standards, agreements, and other materials that substantially affect the operation of the agency's program, and any proposed changes to those mate-

rials. Except as provided in paragraph (d)(1) of this section, the agency may use these materials unless and until the Secretary disapproves them.

(3) The guaranty agency must use common application forms, promissory notes, Master Promissory Notes (MPN), and other common forms approved by the Secretary.

(4)(i) The Secretary authorizes the use of the multi-year feature of the MPN—

(A) For students and parents for attendance at four-year or graduate/professional schools; and

(B) For students and parents for attendance at other institutions meeting criteria or otherwise designated at the sole discretion of the Secretary.

(ii) The Secretary may prohibit use of the multi-year feature of the MPN at specific schools described under paragraph (4)(i) of this section under circumstances including, but not limited to, the school being subject to an emergency action or a limitation, suspension, or termination action, or not meeting other performance criteria determined by the Secretary.

(iii) A student or parent borrower who is borrowing funds for attendance at a school for which the multi-year feature of the MPN has not been authorized must complete a new promissory note for each academic year.

(iv) Each loan made under an MPN is enforceable in accordance with the terms of the MPN and is eligible for claim payment based on a true and exact copy of such MPN.

(v) A lender's ability to make additional loans under an MPN will automatically expire upon the earliest of—

(A) The date the lender receives written notification from the borrower requesting that the MPN no longer be used as the basis for additional loans;

(B) Twelve months after the date the borrower signed the MPN if no disbursements are issued by the lender under that MPN; or

(C) Ten years from the date the borrower signed the MPN or the date the lender receives the MPN. However, if a portion of a loan is made on or before 10 years from the signature date, remaining disbursements of that loan may be made.

(vi) The lender and school must develop and document a confirmation process in accordance with guidelines established by the Secretary for loans made under the multi-year feature of the MPN.

(5) The guaranty agency must develop and implement appropriate procedures that provide for the granting of a student deferment as specified in § 682.210(a)(6)(iv) and (c)(3) and require their lenders to use these procedures.

(6) The guaranty agency shall ensure that all program materials meet the requirements of Federal and State law, including, but not limited to, the Act and the regulations in this part and part 668.

(e) *Prohibited inducements.* A guaranty agency may not—

(1) Offer directly or indirectly any premium, payment, or other inducement to an employee or student of a school, or an entity or individual affiliated with a school, to secure applicants for FFEL loans, except that a guaranty agency is not prohibited from providing assistance to schools comparable to the kinds of assistance provided by the Secretary to schools under, or in furtherance of, the Federal Direct Loan Program;

(2)(i) Offer, directly or indirectly, any premium, incentive payment, or other inducement to any lender, or any person acting as an agent, employee, or independent contractor of any lender or other guaranty agency to administer or market FFEL loans, other than unsubsidized Stafford loans or subsidized Stafford loans made under a guaranty agency's lender-of-last-resort program, in an effort to secure the guaranty agency as an insurer of FFEL loans. Examples of prohibited inducements include, but are not limited to—

(A) Compensating lenders or their representatives for the purpose of securing loan applications for guarantee;

(B) Performing functions normally performed by lenders without appropriate compensation;

(C) Providing equipment or supplies to lenders at below market cost or rental; or

(D) Offering to pay a lender, that does not hold loans guaranteed by the agency, a fee for each application forwarded for the agency's guarantee.

(ii) For the purposes of this section, the terms “premium”, “inducement”, and “incentive” do not include services directly related to the enhancement of the administration of the FFEL Program the guaranty agency generally provides to lenders that participate in its program. However, the terms “premium”, “inducement”, and “incentive” do apply to other activities specifically intended to secure a lender's participation in the agency's program.

(3) Mail or otherwise distribute unsolicited loan applications to students enrolled in a secondary school or a postsecondary institution, or to parents of those students, unless the potential borrower has previously received loans insured by the guaranty agency;

(4) Conduct fraudulent or misleading advertising concerning loan availability.

(f) *College Access Initiative.* (1) A guaranty agency shall establish a plan to promote access to postsecondary education by—

(i) Providing the Secretary and the public with information on Internet web links and a comprehensive listing of postsecondary education opportunities, programs, publications and other services available in the State, or States for which the guaranty agency serves as the designated guaranty agency;

(ii) Promoting and publicizing information for students and traditionally underrepresented populations on college planning, career preparation, and paying for college in coordination with other entities that provide or distribute such information in the State, or States for which the guaranty agency serves as the designated guaranty agency;

(2) The activities required by this section may be funded from the guaranty agency's Operating Fund in accordance with § 682.423(c)(1)(vii) or from funds remaining in restricted accounts established pursuant to section 422(h)(4) of the HEA.

(3) The guaranty agency shall ensure that the information required by this subsection is available to the public by November 5, 2006 and is—

(i) Free of charge; and

(ii) Available in print.

§ 682.402 Death, disability, closed school, false certification, unpaid refunds, and bankruptcy payments.

(a) *General.* (1) Rules governing the payment of claims based on filing for relief in bankruptcy, and discharge of loans due to death, total and permanent disability, attendance at a school that closes, false certification by a school of a borrower's eligibility for a loan, and unpaid refunds by a school are set forth in this section.

(2) If a Consolidation loan was obtained jointly by a married couple, the amount of the Consolidation loan that is discharged if one of the borrowers dies or becomes totally and permanently disabled is equal to the portion of the outstanding balance of the Consolidation loan, as of the date the borrower died or became totally and permanently disabled, attributable to any of that borrower's loans that would have been eligible for discharge.

(3) If a PLUS loan was obtained by two parents as co-makers, and only one of the borrowers dies, becomes totally and permanently disabled, has collection of his or her loan obligation stayed by a bankruptcy filing, or has that obligation discharged in bankruptcy, the other borrower remains obligated to repay the loan unless that borrower would qualify for discharge of the loan under these regulations.

(4) Except for a borrower's loan obligation discharged by the Secretary under the false certification discharge provision of paragraphs (e)(1)(ii) or (iii) of this section, a loan qualifies for payment under this section and as pro-

vided in paragraph (h)(1)(iv) of this section, only to the extent that the loan is legally enforceable under applicable law by the holder of the loan.

(5) For purposes of this section—

(i) The legal enforceability of a loan is conclusively determined on the basis of a ruling by a court or administrative tribunal of competent jurisdiction with respect to that loan, or a ruling with respect to another loan in a judgment that collaterally estops the holder from contesting the enforceability of the loan;

(ii) A loan is conclusively determined to be legally unenforceable to the extent that the guarantor determines, pursuant to an objection presented in a proceeding conducted in connection with credit bureau reporting, tax refund offset, wage garnishment, or in any other administrative proceeding, that the loan is not legally enforceable; and

(iii) If an objection has been raised by the borrower or another party about the legal enforceability of the loan and no determination has been made under paragraph (a)(5) (i) or (ii) of this section, the Secretary may authorize the payment of a claim under this section under conditions the Secretary considers appropriate. If the Secretary determines in that or any other case that a claim was paid under this section with respect to a loan that was not a legally enforceable obligation of the borrower, the recipient of that payment must refund that amount of the payment to the Secretary.

(b) *Death.* (1) If an individual borrower dies, or the student for whom a parent received a PLUS loan dies, the obligation of the borrower and any endorser to make any further payments on the loan is discharged.

(2) A discharge of a loan based on the death of the borrower (or student in the case of a PLUS loan) must be based on an original or certified copy of the death certificate. Under exceptional circumstances and on a case-by-case basis, the chief executive officer of the guaranty agency may approve a discharge based upon other reliable documentation supporting the discharge request.

(3) After receiving reliable information indicating that the borrower (or

student) has died, the lender must suspend any collection activity against the borrower and any endorser for up to 60 days and promptly request the documentation described in paragraph (b)(2) of this section. If additional time is required to obtain the documentation, the period of suspension of collection activity may be extended up to an additional 60 days. If the lender is not able to obtain an original or certified copy of the death certificate or other documentation acceptable to the guaranty agency, under the provisions of paragraph (b)(2) of this section, during the period of suspension, the lender must resume collection activity from the point that it had been discontinued. The lender is deemed to have exercised forbearance as to repayment of the loan during the period when collection activity was suspended.

(4) Once the lender has determined under paragraph (b)(2) of this section that the borrower (or student) has died, the lender may not attempt to collect on the loan from the borrower's estate or from any endorser.

(5) The lender shall return to the sender any payments received from the estate or paid on behalf of the borrower after the date of the borrower's (or student's) death.

(6) In the case of a Federal Consolidation Loan that includes a Federal PLUS or Direct PLUS loan borrowed for a dependent who has died, the obligation of the borrower or any endorser to make any further payments on the portion of the outstanding balance of the Consolidation Loan attributable to the Federal PLUS or Direct PLUS loan is discharged as of the date of the dependent's death.

(c) *Total and permanent disability.*
(1)(i) If the Secretary has made an initial determination that the borrower is totally and permanently disabled, as defined in § 682.200(b), the loan is conditionally discharged for up to three years from the date that the borrower became totally and permanently disabled, as certified by a physician. The Secretary suspends collection activity on the loan from the date of the initial determination of total and permanent disability until the end of the conditional period. If the borrower satisfies the criteria for a total and permanent

disability discharge during and at the end of the conditional discharge period, the balance of the loan is discharged at the end of the conditional discharge period and any payments received after the date the borrower became totally and permanently disabled as certified under § 682.402(c)(2), are returned to the sender.

(ii) A borrower satisfies the criteria for a discharge of a loan based on a total and permanent disability if, during and at the end of the three-year period described in paragraph (c)(1)(i) of this section—

(A) The borrower's annual earnings from employment do not exceed 100 percent of the poverty line for a family of two, as determined in accordance with the Community Service Block Grant Act; and

(B) The borrower does not receive a new loan under the Perkins, FFEL, or Direct Loan programs, except for a FFEL or Direct Consolidation loan that does not include any loans that are in a conditional discharge status.

(iii) Except as provided in paragraph (c)(1)(iv)(A) of this section, a borrower is not considered totally and permanently disabled based on a condition that existed at the time the loan was made unless the borrower's condition substantially deteriorated.

(iv)(A) For a Consolidation Loan, a borrower is considered totally and permanently disabled if he or she would be considered totally and permanently disabled under paragraphs (c)(1) (i) through (iii) of this section for all of the loans that were included in the Consolidation Loan if those loans had not been consolidated.

(B) For the purposes of discharging a loan under paragraph (c)(1)(iv)(A) of this section, provisions in paragraphs (c)(1) (i) through (iii) of this section apply to each loan included in the Consolidation Loan, even if the loan is not a FFEL Program loan.

(C) If requested, a borrower seeking to discharge a loan obligation under paragraph (c)(1)(iv)(A) of this section must provide the lender with the disbursement dates of the underlying loans if the lender does not possess that information.

(2) After being notified by the borrower or the borrower's representative

that the borrower claims to be totally and permanently disabled, the lender promptly requests that the borrower or the borrower's representative submit, on a form approved by the Secretary, a certification by a physician, who is a doctor of medicine or osteopathy and legally authorized to practice in a State, that the borrower is totally and permanently disabled as defined in § 682.200(b).

(3) The lender must continue collection activities until it receives either the certification of total and permanent disability from a physician or a letter from a physician stating that the certification has been requested and that additional time is needed to determine if the borrower is totally and permanently disabled. Except as provided in paragraph (c)(5) or (c)(7) of this section, after receiving the physician's certification or letter the lender may not attempt to collect from the borrower or any endorser.

(4) The lender must submit a disability claim to the guaranty agency if the borrower submits a certification by a physician and the lender makes a determination that the certification supports the conclusion that the borrower meets the criteria for a total and permanent disability discharge, as defined in § 682.200(b).

(5) If the lender determines that a borrower who claims to be totally and permanently disabled is not totally and permanently disabled, or if the lender does not receive the physician's certification of total and permanent disability within 60 days of the receipt of the physician's letter requesting additional time, as described in paragraph (c)(3) of this section, the lender must resume collection and is deemed to have exercised forbearance of payment of both principal and interest from the date collection activity was suspended. The lender may capitalize, in accordance with § 682.202(b), any interest accrued and not paid during that period.

(6) The guaranty agency must pay a claim submitted by the lender if the guaranty agency has reviewed the application and determined that it is complete and that it supports the conclusion that the borrower meets the criteria for a total and permanent dis-

ability discharge, as defined in § 682.200(b).

(7) If the guaranty agency does not pay the disability claim, the guaranty agency must return the claim to the lender with an explanation of the basis for the agency's denial of the claim. Upon receipt of the returned claim, the lender must notify the borrower that the application for a disability discharge has been denied, provide the basis for the denial, and inform the borrower that the lender will resume collection on the loan. The lender is deemed to have exercised forbearance of both principal and interest from the date collection activity was suspended until the first payment due date. The lender may capitalize, in accordance with § 682.202(b), any interest accrued and not paid during that period.

(8) If the guaranty agency pays the disability claim, the lender must notify the borrower that the loan will be assigned to the Secretary for determination of eligibility for a total and permanent disability discharge.

(9) After receiving a claim payment from the guaranty agency, the lender must forward to the guaranty agency any payments subsequently received from or on behalf of the borrower.

(10) The Secretary reimburses the guaranty agency for a disability claim paid to the lender after the agency pays the claim to the lender.

(11) The guaranty agency must assign the loan to the Secretary after the guaranty agency pays the disability claim.

(12) If the Secretary determines that the certification and information provided by the borrower do not support the conclusion that the borrower meets the criteria for a total and permanent disability discharge, the Secretary notifies the borrower that the application for a disability discharge has been denied, and that the loan is due and payable under the terms of the promissory note.

(13) If the Secretary makes an initial determination that the borrower is totally and permanently disabled, the Secretary notifies the borrower that the loan is conditionally discharged and that the conditional discharge period will last for up to three years after the date the borrower became totally

and permanently disabled as certified under § 682.402(c)(2). The notification identifies the conditions of the conditional discharge period specified in paragraphs (c)(13) through (c)(16) of this section and specifies that all or part of the three-year period may predate the Secretary's initial determination.

(14) During the conditional discharge period, the borrower—

(i) Is not required to make any payments on the loan;

(ii) Is not considered delinquent or in default on the loan, unless the borrower was delinquent or in default at the time the conditional discharge was granted;

(iii) Must promptly notify the Secretary of any changes in address or phone number;

(iv) Must promptly notify the Secretary if the borrower's annual earnings from employment exceed the amount specified in paragraph (c)(1)(ii)(A) of this section; and

(v) Must provide the Secretary, upon request, with additional documentation or information related to the borrower's eligibility for discharge under this section.

(15) If, during and at the end of the conditional discharge period, the borrower continues to satisfy the eligibility criteria for a total and permanent disability discharge, as described in § 682.402(c)(1)(ii), the balance of the loan is discharged.

(16) If, at any time during the three-year conditional discharge period, the borrower does not continue to meet the eligibility requirements for a total and permanent disability discharge, the Secretary resumes collection activity on the loan. The Secretary does not require the borrower to pay any interest that accrued on the loan from the date of the initial determination described in paragraph (c)(13) of this section through the end of the conditional discharge period.

(d) *Closed school*—(1) *General*. (i) The Secretary reimburses the holder of a loan received by a borrower on or after January 1, 1986, and discharges the borrower's obligation with respect to the loan in accordance with the provisions of paragraph (d) of this section, if the borrower (or the student for whom a

parent received a PLUS loan) could not complete the program of study for which the loan was intended because the school at which the borrower (or student) was enrolled, closed, or the borrower (or student) withdrew from the school not more than 90 days prior to the date the school closed. This 90-day period may be extended if the Secretary determines that exceptional circumstances related to a school's closing would justify an extension.

(ii) For purposes of the closed school discharge authorized by this section—

(A) A school's closure date is the date that the school ceases to provide educational instruction in all programs, as determined by the Secretary;

(B) The term "borrower" includes all endorsers on a loan; and

(C) A "school" means a school's main campus or any location or branch of the main campus, regardless of whether the school or its location or branch is considered eligible.

(2) *Relief available pursuant to discharge*. (i) Discharge under paragraph (d) of this section relieves the borrower of an existing or past obligation to repay the loan and any charges imposed or costs incurred by the holder with respect to the loan that the borrower is, or was otherwise obligated to pay.

(ii) A discharge of a loan under paragraph (d) of this section qualifies the borrower for reimbursement of amounts paid voluntarily or through enforced collection on a loan obligation discharged under paragraph (d) of this section.

(iii) A borrower who has defaulted on a loan discharged under paragraph (d) of this section is not regarded as in default on the loan after discharge, and is eligible to receive assistance under the Title IV, HEA programs.

(iv) A discharge of a loan under paragraph (d) of this section must be reported by the loan holder to all credit reporting agencies to which the holder previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan.

(3) *Borrower qualification for discharge*. Except as provided in paragraph (d)(8) of this section, in order to qualify for a discharge of a loan under paragraph (d) of this section, a borrower must submit

a written request and sworn statement to the holder of the loan. The statement need not be notarized, but must be made by the borrower under the penalty of perjury, and, in the statement, the borrower must state—

(i) Whether the student has made a claim with respect to the school's closing with any third party, such as the holder of a performance bond or a tuition recovery program, and if so, the amount of any payment received by the borrower (or student) or credited to the borrower's loan obligation;

(ii) That the borrower (or the student for whom a parent received a PLUS loan)—

(A) Received, on or after January 1, 1986, the proceeds of any disbursement of a loan disbursed, in whole or in part, on or after January 1, 1986 to attend a school;

(B) Did not complete the educational program at that school because the school closed while the student was enrolled or on an approved leave of absence in accordance with § 682.605(c), or the student withdrew from the school not more than 90 days before the school closed; and

(C) Did not complete the program of study through a teach-out at another school or by transferring academic credits or hours earned at the closed school to another school;

(iii) That the borrower agrees to provide, upon request by the Secretary or the Secretary's designee, other documentation reasonably available to the borrower that demonstrates, to the satisfaction of the Secretary or the Secretary's designee, that the student meets the qualifications in paragraph (d) of this section; and

(iv) That the borrower agrees to cooperate with the Secretary or the Secretary's designee in enforcement actions in accordance with paragraph (d)(4) of this section, and to transfer any right to recovery against a third party in accordance with paragraph (d)(5) of this section.

(4) *Cooperation by borrower in enforcement actions.* (i) In any judicial or administrative proceeding brought by the Secretary or the Secretary's designee to recover for amounts discharged under paragraph (d) of this section or to take other enforcement action with

respect to the conduct on which those claims were based, a borrower who requests or receives a discharge under paragraph (d) of this section must cooperate with the Secretary or the Secretary's designee. At the request of the Secretary or the Secretary's designee, and upon the Secretary's or the Secretary's designee's tendering to the borrower the fees and costs as are customarily provided in litigation to reimburse witnesses, the borrower shall—

(A) Provide testimony regarding any representation made by the borrower to support a request for discharge; and

(B) Produce any documentation reasonably available to the borrower with respect to those representations and any sworn statement required by the Secretary with respect to those representations and documents.

(ii) The Secretary revokes the discharge, or denies the request for discharge, of a borrower who—

(A) Fails to provide testimony, sworn statements, or documentation to support material representations made by the borrower to obtain the discharge; or

(B) Provides testimony, a sworn statement, or documentation that does not support the material representations made by the borrower to obtain the discharge.

(5) *Transfer to the Secretary of borrower's right of recovery against third parties.* (i) Upon discharge under paragraph (d) of this section, the borrower is deemed to have assigned to and relinquished in favor of the Secretary any right to a loan refund (up to the amount discharged) that the borrower (or student) may have by contract or applicable law with respect to the loan or the enrollment agreement for the program for which the loan was received, against the school, its principals, affiliates and their successors, its sureties, and any private fund, including the portion of a public fund that represents funds received from a private party.

(ii) The provisions of paragraph (d) of this section apply notwithstanding any provision of State law that would otherwise restrict transfer of such rights by the borrower (or student), limit or prevent a transferee from exercising those rights, or establish procedures or

a scheme of distribution that would prejudice the Secretary's ability to recover on those rights.

(iii) Nothing in this section shall be construed as limiting or foreclosing the borrower's (or student's) right to pursue legal and equitable relief regarding disputes arising from matters otherwise unrelated to the loan discharged.

(6) *Guaranty agency responsibilities—(i) Procedures applicable if a school closed on or after January 1, 1986, but prior to June 13, 1994.* (A) If a borrower received a loan for attendance at a school with a closure date on or after January 1, 1986, but prior to June 13, 1994, the loan may be discharged in accordance with the procedures specified in paragraph (d)(6)(i) of this section.

(B) If a loan subject to paragraph (d) of this section was discharged in part in accordance with the Secretary's "Closed School Policy" as authorized by section IV of Bulletin 89-G-159, the guaranty agency shall initiate the discharge of the remaining balance of the loan not later than August 13, 1994.

(C) A guaranty agency shall review its records and identify all schools that appear to have closed on or after January 1, 1986 and prior to June 13, 1994, and shall identify the loans made to any borrower (or student) who appears to have been enrolled at the school on the school closure date or who withdrew not more than 90 days prior to the closure date.

(D) A guaranty agency shall notify the Secretary immediately if it determines that a school not previously known to have closed appears to have closed, and, within 30 days of making that determination, notify all lenders participating in its program to suspend collection efforts against individuals with respect to loans made for attendance at the closed school, if the student to whom (or on whose behalf) a loan was made, appears to have been enrolled at the school on the closing date, or withdrew not more than 90 days prior to the date the school appears to have closed. Within 30 days after receiving confirmation of the date of a school's closure from the Secretary, the agency shall—

(1) Notify all lenders participating in its program to mail a discharge application explaining the procedures and

eligibility criteria for obtaining a discharge and an explanation of the information that must be included in the sworn statement (which may be combined) to all borrowers who may be eligible for a closed school discharge; and

(2) Review the records of loans that it holds, identify the loans made to any borrower (or student) who appears to have been enrolled at the school on the school closure date or who withdrew not more than 90 days prior to the closure date, and mail a discharge application and an explanation of the information that must be included in the sworn statement (which may be combined) to the borrower. The application shall inform the borrower of the procedures and eligibility criteria for obtaining a discharge.

(E) If a loan identified under paragraph (d)(6)(i)(D)(2) of this section is held by the guaranty agency as a defaulted loan and the borrower's current address is known, the guaranty agency shall immediately suspend any efforts to collect from the borrower on any loan received for the program of study for which the loan was made (but may continue to receive borrower payments), and notify the borrower that the agency will provide additional information about the procedures for requesting a discharge after the agency has received confirmation from the Secretary that the school had closed.

(F) If a loan identified under paragraph (d)(6)(i)(D)(2) of this section is held by the guaranty agency as a defaulted loan and the borrower's current address is unknown, the agency shall, by June 13, 1995, further refine the list of borrowers whose loans are potentially subject to discharge under paragraph (d) of this section by consulting with representatives of the closed school, the school's licensing agency, accrediting agency, and other appropriate parties. Upon learning the new address of a borrower who would still be considered potentially eligible for a discharge, the guaranty agency shall, within 30 days after learning the borrower's new address, mail to the borrower a discharge application that meets the requirements of paragraph (d)(6)(i)(E) of this section.

(G) If the guaranty agency determines that a borrower identified in

paragraph (d)(6)(i)(E) or (F) of this section has satisfied all of the conditions required for a discharge, the agency shall notify the borrower in writing of that determination within 30 days after making that determination.

(H) If the guaranty agency determines that a borrower identified in paragraph (d)(6)(i)(E) or (F) of this section does not qualify for a discharge, the agency shall notify the borrower in writing of that determination and the reasons for it within 30 days after the date the agency—

(1) Made that determination based on information available to the guaranty agency;

(2) Was notified by the Secretary that the school had not closed;

(3) Was notified by the Secretary that the school had closed on a date that was more than 90 days after the borrower (or student) withdrew from the school;

(4) Was notified by the Secretary that the borrower (or student) was ineligible for a closed school discharge for other reasons; or

(5) Received the borrower's completed application and sworn statement.

(I) If a borrower described in paragraph (d)(6)(i)(E) or (F) of this section fails to submit the written request and sworn statement described in paragraph (d)(3) of this section within 60 days of being notified of that option, the guaranty agency shall resume collection and shall be deemed to have exercised forbearance of payment of principal and interest from the date it suspended collection activity. The agency may capitalize, in accordance with § 682.202(b), any interest accrued and not paid during that period.

(J) A borrower's request for discharge may not be denied solely on the basis of failing to meet any time limits set by the lender, guaranty agency, or the Secretary.

(ii) *Procedures applicable if a school closed on or after June 13, 1994.* (A) A guaranty agency shall notify the Secretary immediately whenever it becomes aware of reliable information indicating a school may have closed. The designated guaranty agency in the state in which the school is located shall promptly investigate whether the

school has closed and, within 30 days after receiving information indicating that the school may have closed, report the results of its investigation to the Secretary concerning the date of the school's closure and whether a teach-out of the closed school's program was made available to students.

(B) If a guaranty agency determines that a school appears to have closed, it shall, within 30 days of making that determination, notify all lenders participating in its program to suspend collection efforts against individuals with respect to loans made for attendance at the closed school, if the student to whom (or on whose behalf) a loan was made, appears to have been enrolled at the school on the closing date, or withdrew not more than 90 days prior to the date the school appears to have closed. Within 30 days after receiving confirmation of the date of a school's closure from the Secretary, the agency shall—

(1) Notify all lenders participating in its program to mail a discharge application explaining the procedures and eligibility criteria for obtaining a discharge and an explanation of the information that must be included in the sworn statement (which may be combined) to all borrowers who may be eligible for a closed school discharge; and

(2) Review the records of loans that it holds, identify the loans made to any borrower (or student) who appears to have been enrolled at the school on the school closure date or who withdrew not more than 90 days prior to the closure date, and mail a discharge application and an explanation of the information that must be included in the sworn statement (which may be combined) to the borrower. The application shall inform the borrower of the procedures and eligibility criteria for obtaining a discharge.

(C) If a loan identified under paragraph (d)(6)(ii)(B)(2) of this section is held by the guaranty agency as a defaulted loan and the borrower's current address is known, the guaranty agency shall immediately suspend any efforts to collect from the borrower on any loan received for the program of study for which the loan was made (but may continue to receive borrower payments), and notify the borrower that

the agency will provide additional information about the procedures for requesting a discharge after the agency has received confirmation from the Secretary that the school had closed.

(D) If a loan identified under paragraph (d)(6)(ii)(B)(2) of this section is held by the guaranty agency as a defaulted loan and the borrower's current address is unknown, the agency shall, within one year after identifying the borrower, attempt to locate the borrower and further determine the borrower's potential eligibility for a discharge under paragraph (d) of this section by consulting with representatives of the closed school, the school's licensing agency, accrediting agency, and other appropriate parties. Upon learning the new address of a borrower who would still be considered potentially eligible for a discharge, the guaranty agency shall, within 30 days after learning the borrower's new address, mail to the borrower a discharge application that meets the requirements of paragraph (d)(6)(ii)(B) of this section.

(E) If the guaranty agency determines that a borrower identified in paragraph (d)(6)(ii)(C) or (D) of this section has satisfied all of the conditions required for a discharge, the agency shall notify the borrower in writing of that determination within 30 days after making that determination.

(F) If the guaranty agency determines that a borrower identified in paragraph (d)(6)(ii)(C) or (D) of this section does not qualify for a discharge, the agency shall notify the borrower in writing of that determination and the reasons for it within 30 days after the date the agency—

(1) Made that determination based on information available to the guaranty agency;

(2) Was notified by the Secretary that the school had not closed;

(3) Was notified by the Secretary that the school had closed on a date that was more than 90 days after the borrower (or student) withdrew from the school;

(4) Was notified by the Secretary that the borrower (or student) was ineligible for a closed school discharge for other reasons; or

(5) Received the borrower's completed application and sworn statement.

(G) Upon receipt of a closed school discharge claim filed by a lender, the agency shall review the borrower's request and supporting sworn statement in light of information available from the records of the agency and from other sources, including other guaranty agencies, state authorities, and cognizant accrediting associations, and shall take the following actions—

(1) If the agency determines that the borrower satisfies the requirements for discharge under paragraph (d) of this section, it shall pay the claim in accordance with § 682.402(h) not later than 90 days after the agency received the claim; or

(2) If the agency determines that the borrower does not qualify for a discharge, the agency shall, not later than 90 days after the agency received the claim, return the claim to the lender with an explanation of the reasons for its determination.

(H) If a borrower fails to submit the written request and sworn statement described in paragraph (d)(3) of this section within 60 days of being notified of that option, the lender or guaranty agency shall resume collection and shall be deemed to have exercised forbearance of payment of principal and interest from the date it suspended collection activity. The lender or guaranty agency may capitalize, in accordance with § 682.202(b), any interest accrued and not paid during that period.

(I) A borrower's request for discharge may not be denied solely on the basis of failing to meet any time limits set by the lender, guaranty agency, or the Secretary.

(7) *Lender responsibilities.* (i) A lender shall comply with the requirements prescribed in paragraph (d) of this section. In the absence of specific instructions from a guaranty agency or the Secretary, if a lender receives information from a source it believes to be reliable indicating that an existing or former borrower may be eligible for a loan discharge under paragraph (d) of this section, the lender shall immediately notify the guaranty agency, and suspend any efforts to collect from the borrower on any loan received for

the program of study for which the loan was made (but may continue to receive borrower payments).

(ii) If the borrower fails to submit the written request and sworn statement described in paragraph (d)(3) of this section within 60 days after being notified of that option, the lender shall resume collection and shall be deemed to have exercised forbearance of payment of principal and interest from the date the lender suspended collection activity. The lender may capitalize, in accordance with § 682.202(b), any interest accrued and not paid during that period.

(iii) The lender shall file a closed school claim with the guaranty agency in accordance with § 682.402(g) no later than 60 days after the lender receives the borrower's written request and sworn statement described in paragraph (d)(3) of this section. If a lender receives a payment made by or on behalf of the borrower on the loan after the lender files a claim on the loan with the guaranty agency, the lender shall forward the payment to the guaranty agency within 30 days of its receipt. The lender shall assist the guaranty agency and the borrower in determining whether the borrower is eligible for discharge of the loan.

(iv) Within 30 days after receiving reimbursement from the guaranty agency for a closed school claim, the lender shall notify the borrower that the loan obligation has been discharged, and request that all credit bureaus to which it previously reported the status of the loan delete all adverse credit history assigned to the loan.

(v) Within 30 days after being notified by the guaranty agency that the borrower's request for a closed school discharge has been denied, the lender shall resume collection and notify the borrower of the reasons for the denial. The lender shall be deemed to have exercised forbearance of payment of principal and interest from the date the lender suspended collection activity, and may capitalize, in accordance with § 682.202(b), any interest accrued and not paid during that period.

(8) *Discharge without an application.* A borrower's obligation to repay an FFEL Program loan may be discharged

without an application from the borrower if the—

(i) Borrower received a discharge on a loan pursuant to 34 CFR 674.33(g) under the Federal Perkins Loan Program, or 34 CFR 685.213 under the William D. Ford Federal Direct Loan Program; or

(ii) The Secretary or the guaranty agency, with the Secretary's permission, determines that the borrower qualifies for a discharge based on information in the Secretary or guaranty agency's possession.

(e) *False certification by a school of a student's eligibility to borrow and unauthorized disbursements.*

(1) *General.* (i) The Secretary reimburses the holder of a loan received by a borrower on or after January 1, 1986, and discharges a current or former borrower's obligation with respect to the loan in accordance with the provisions of paragraph (e) of this section, if the borrower's (or the student for whom a parent received a PLUS loan) eligibility to receive the loan was falsely certified by an eligible school. On or after July 1, 2006, the Secretary reimburses the holder of a loan, and discharges a borrower's obligation with respect to the loan in accordance with the provisions of paragraph (e) of this section, if the borrower's eligibility to receive the loan was falsely certified as a result of a crime of identity theft. For purposes of a false certification discharge, the term "borrower" includes all endorser on a loan. A student's or other individual's eligibility to borrow shall be considered to have been falsely certified by the school if the school—

(A) Certified the student's eligibility for a FFEL Program loan on the basis of ability to benefit from its training and the student did not meet the applicable requirements described in 34 CFR part 668 and section 484(d) of the Act, as applicable and as described in paragraph (e)(13) of this section; or

(B) Signed the borrower's name without authorization by the borrower on the loan application or promissory note.

(C) Certified the eligibility of an individual for an FFEL Program loan as a result of the crime of identity theft committed against the individual, as that crime is defined in § 682.402(e)(14).

(ii) The Secretary discharges the obligation of a borrower with respect to a loan disbursement for which the school, without the borrower's authorization, endorsed the borrower's loan check or authorization for electronic funds transfer, unless the student for whom the loan was made received the proceeds of the loan either by actual delivery of the loan funds or by a credit in the amount of the contested disbursement applied to charges owed to the school for that portion of the educational program completed by the student. However, the Secretary does not reimburse the lender with respect to any amount disbursed by means of a check bearing an unauthorized endorsement unless the school also executed the application or promissory note for that loan for the named borrower without that individual's consent.

(iii) If a loan was made as a result of the crime of identity theft that was committed by an employee or agent of the lender, or if at the time the loan was made, an employee or agent of the lender knew of the identity theft of the individual named as the borrower—

(A) The Secretary does not pay reinsurance, and does not reimburse the holder, for any amount disbursed on the loan; and

(B) Any amounts received by a holder as interest benefits and special allowance payments with respect to the loan must be refunded to the Secretary, as provided in paragraphs (e)(8)(ii)(B)(4) and (e)(10)(ii)(D) of this section.

(2) *Relief available pursuant to discharge.* (i) Discharge under paragraph (e)(1)(i) of this section relieves the borrower of an existing or past obligation to repay the loan certified by the school, and any charges imposed or costs incurred by the holder with respect to the loan that the borrower is, or was, otherwise obligated to pay.

(ii) A discharge of a loan under paragraph (e) of this section qualifies the borrower for reimbursement of amounts paid voluntarily or through enforced collection on a loan obligation discharged under paragraph (e) of this section.

(iii) A borrower who has defaulted on a loan discharged under paragraph (e) of this section is not regarded as in de-

fault on the loan after discharge, and is eligible to receive assistance under the Title IV, HEA programs.

(iv) A discharge of a loan under paragraph (e) of this section is reported by the loan holder to all credit reporting agencies to which the holder previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan.

(v) Discharge under paragraph (e)(1)(ii) of this section qualifies the borrower for relief only with respect to the amount of the disbursement discharged.

(3) *Borrower qualification for discharge.* Except as provided in paragraph (e)(14) of this section, to qualify for a discharge of a loan under paragraph (e) of this section, the borrower must submit to the holder of the loan a written request and a sworn statement. The statement need not be notarized, but must be made by the borrower under penalty of perjury, and, in the statement, the borrower must—

(i) State whether the student has made a claim with respect to the school's false certification with any third party, such as the holder of a performance bond or a tuition recovery program, and if so, the amount of any payment received by the borrower (or student) or credited to the borrower's loan obligation;

(ii) In the case of a borrower requesting a discharge based on defective testing of the student's ability to benefit, state that the borrower (or the student for whom a parent received a PLUS loan)—

(A) Received, on or after January 1, 1986, the proceeds of any disbursement of a loan disbursed, in whole or in part, on or after January 1, 1986 to attend a school; and

(B) Was admitted to that school on the basis of ability to benefit from its training and did not meet the applicable requirements for admission on the basis of ability to benefit as described in paragraph (e)(13) of this section;

(iii) In the case of a borrower requesting a discharge because the school signed the borrower's name on the loan application or promissory note—

(A) State that the signature on either of those documents was not the signature of the borrower; and

(B) Provide five different specimens of his or her signature, two of which must be not earlier or later than one year before or after the date of the contested signature;

(iv) In the case of a borrower requesting a discharge because the school, without authorization of the borrower, endorsed the borrower's name on the loan check or signed the authorization for electronic funds transfer or master check, the borrower shall—

(A) Certify that he or she did not endorse the loan check or sign the authorization for electronic funds transfer or master check, or authorize the school to do so;

(B) Provide five different specimens of his or her signature, two of which must be not earlier or later than one year before or after the date of the contested signature; and

(C) State that the proceeds of the contested disbursement were not received either through actual delivery of the loan funds or by a credit in the amount of the contested disbursement applied to charges owed to the school for that portion of the educational program completed by the student;

(v) In the case of an individual who is requesting a discharge of a loan because the individual's eligibility was falsely certified as a result of a crime of identity theft committed against the individual—

(A) Certify that the individual did not sign the promissory note, or that any other means of identification used to obtain the loan was used without the authorization of the individual claiming relief;

(B) Certify that the individual did not receive or benefit from the proceeds of the loan with knowledge that the loan had been made without the authorization of the individual;

(C) Provide a copy of a local, State, or Federal court verdict or judgment that conclusively determines that the individual who is named as the borrower of the loan was the victim of a crime of identity theft;

(D) If the judicial determination of the crime does not expressly state that the loan was obtained as a result of the crime, provide—

(I) Authentic specimens of the signature of the individual, as provided in

paragraph (e)(3)(iii)(B), or other means of identification of the individual, as applicable, corresponding to the means of identification falsely used to obtain the loan; and

(2) A statement of facts that demonstrate, to the satisfaction of the Secretary, that eligibility for the loan in question was falsely certified as a result of the crime of identity theft committed against that individual.

(vi) That the borrower agrees to provide upon request by the Secretary or the Secretary's designee, other documentation reasonably available to the borrower, that demonstrates, to the satisfaction of the Secretary or the Secretary's designee, that the student meets the qualifications in paragraph (e) of this section; and

(vii) That the borrower agrees to cooperate with the Secretary or the Secretary's designee in enforcement actions in accordance with paragraph (e)(4) of this section, and to transfer any right to recovery against a third party in accordance with paragraph (e)(5) of this section.

(4) *Cooperation by borrower in enforcement actions.* (i) In any judicial or administrative proceeding brought by the Secretary or the Secretary's designee to recover for amounts discharged under paragraph (e) of this section or to take other enforcement action with respect to the conduct on which those claims were based, a borrower who requests or receives a discharge under paragraph (e) of this section must cooperate with the Secretary or the Secretary's designee. At the request of the Secretary or the Secretary's designee, and upon the Secretary's or the Secretary's designee's tendering to the borrower the fees and costs as are customarily provided in litigation to reimburse witnesses, the borrower shall—

(A) Provide testimony regarding any representation made by the borrower to support a request for discharge; and

(B) Produce any documentation reasonably available to the borrower with respect to those representations and any sworn statement required by the Secretary with respect to those representations and documents.

(ii) The Secretary revokes the discharge, or denies the request for discharge, of a borrower who—

(A) Fails to provide testimony, sworn statements, or documentation to support material representations made by the borrower to obtain the discharge; or

(B) Provides testimony, a sworn statement, or documentation that does not support the material representations made by the borrower to obtain the discharge.

(5) *Transfer to the Secretary of borrower's right of recovery against third parties.* (i) Upon discharge under paragraph (e) of this section, the borrower is deemed to have assigned to and relinquished in favor of the Secretary any right to a loan refund (up to the amount discharged) that the borrower (or student) may have by contract or applicable law with respect to the loan or the enrollment agreement for the program for which the loan was received, against the school, its principals, affiliates and their successors, its sureties, and any private fund, including the portion of a public fund that represents funds received from a private party.

(ii) The provisions of paragraph (e) of this section apply notwithstanding any provision of state law that would otherwise restrict transfer of such rights by the borrower (or student), limit or prevent a transferee from exercising those rights, or establish procedures or a scheme of distribution that would prejudice the Secretary's ability to recover on those rights.

(iii) Nothing in this section shall be construed as limiting or foreclosing the borrower's (or student's) right to pursue legal and equitable relief regarding disputes arising from matters otherwise unrelated to the loan discharged.

(6) *Guaranty agency responsibilities—general.* (i) A guaranty agency shall notify the Secretary immediately whenever it becomes aware of reliable information indicating that a school may have falsely certified a student's eligibility or caused an unauthorized disbursement of loan proceeds, as described in paragraph (e)(3) of this section. The designated guaranty agency in the state in which the school is located shall promptly investigate whether the school has falsely certified a student's eligibility and, within 30 days after receiving information indi-

cating that the school may have done so, report the results of its preliminary investigation to the Secretary.

(ii) If the guaranty agency receives information it believes to be reliable indicating that a borrower whose loan is held by the agency may be eligible for a discharge under paragraph (e) of this section, the agency shall immediately suspend any efforts to collect from the borrower on any loan received for the program of study for which the loan was made (but may continue to receive borrower payments), and inform the borrower of the procedures for requesting a discharge.

(iii) If the borrower fails to submit the written request and sworn statement described in paragraph (e)(3) of this section within 60 days of being notified of that option, the guaranty agency shall resume collection and shall be deemed to have exercised forbearance of payment of principal and interest from the date it suspended collection activity. The agency may capitalize, in accordance with § 682.202(b), any interest accrued and not paid during that period.

(iv) Upon receipt of a discharge claim filed by a lender or a request submitted by a borrower with respect to a loan held by the guaranty agency, the agency shall have up to 90 days to determine whether the discharge should be granted. The agency shall review the borrower's request and supporting sworn statement in light of information available from the records of the agency and from other sources, including other guaranty agencies, state authorities, and cognizant accrediting associations.

(v) A borrower's request for discharge and sworn statement may not be denied solely on the basis of failing to meet any time limits set by the lender, the Secretary or the guaranty agency.

(7) *Guaranty agency responsibilities with respect to a claim filed by a lender based on the borrower's assertion that he or she did not sign the loan application or the promissory note that he or she was a victim of the crime of identity theft, or that the school failed to test, or improperly tested, the student's ability to benefit.* (i) The agency shall evaluate the borrower's request and consider relevant

information it possesses and information available from other sources, and follow the procedures described in paragraph (e)(7) of this section.

(ii) If the agency determines that the borrower satisfies the requirements for discharge under paragraph (e) of this section, it shall, not later than 30 days after the agency makes that determination, pay the claim in accordance with § 682.402(h) and—

(A) Notify the borrower that his or her liability with respect to the amount of the loan has been discharged, and that the lender has been informed of the actions required under paragraph (e)(7)(ii)(C) of this section;

(B) Refund to the borrower all amounts paid by the borrower to the lender or the agency with respect to the discharged loan amount, including any late fees or collection charges imposed by the lender or agency related to the discharged loan amount; and

(C) Notify the lender that the borrower's liability with respect to the amount of the loan has been discharged, and that the lender must—

(1) Immediately terminate any collection efforts against the borrower with respect to the discharged loan amount and any charges imposed or costs incurred by the lender related to the discharged loan amount that the borrower is, or was, otherwise obligated to pay; and

(2) Within 30 days, report to all credit reporting agencies to which the lender previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan; and

(D) Within 30 days, demand payment in full from the perpetrator of the identity theft committed against the individual, and if payment is not received, pursue collection action thereafter against the perpetrator.

(iii) If the agency determines that the borrower does not qualify for a discharge, it shall, within 30 days after making that determination—

(A) Notify the lender that the borrower's liability on the loan is not discharged and that, depending on the borrower's decision under paragraph (e)(7)(iii)(B) of this section, the loan shall either be returned to the lender or paid as a default claim; and

(B) Notify the borrower that the borrower does not qualify for discharge, and state the reasons for that conclusion. The agency shall advise the borrower that he or she remains obligated to repay the loan and warn the borrower of the consequences of default, and explain that the borrower will be considered to be in default on the loan unless the borrower submits a written statement to the agency within 30 days stating that the borrower—

(1) Acknowledges the debt and, if payments are due, will begin or resume making those payments to the lender; or

(2) Requests the Secretary to review the agency's decision.

(iv) Within 30 days after receiving the borrower's written statement described in paragraph (e)(7)(iii)(B)(1) of this section, the agency shall return the claim file to the lender and notify the lender to resume collection efforts if payments are due.

(v) Within 30 days after receiving the borrower's request for review by the Secretary, the agency shall forward the claim file to the Secretary for his review and take the actions required under paragraph (e)(11) of this section.

(vi) The agency shall pay a default claim to the lender within 30 days after the borrower fails to return either of the written statements described in paragraph (e)(7)(iii)(B) of this section.

(8) *Guaranty agency responsibilities with respect to a claim filed by a lender based only on the borrower's assertion that he or she did not sign the loan check or the authorization for the release of loan funds via electronic funds transfer or master check.* (i) The agency shall evaluate the borrower's request and consider relevant information it possesses and information available from other sources, and follow the procedures described in paragraph (e)(8) of this section.

(ii) If the agency determines that a borrower who asserts that he or she did not endorse the loan check satisfies the requirements for discharge under paragraph (e)(3)(iv) of this section, it shall, within 30 days after making that determination—

(A) Notify the borrower that his or her liability with respect to the amount of the contested disbursement

of the loan has been discharged, and that the lender has been informed of the actions required under paragraph (e)(8)(ii)(B) of this section;

(B) Notify the lender that the borrower's liability with respect to the amount of the contested disbursement of the loan has been discharged, and that the lender must—

(1) Immediately terminate any collection efforts against the borrower with respect to the discharged loan amount and any charges imposed or costs incurred by the lender related to the discharged loan amount that the borrower is, or was, otherwise obligated to pay;

(2) Within 30 days, report to all credit reporting agencies to which the lender previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan;

(3) Refund to the borrower, within 30 days, all amounts paid by the borrower with respect to the loan disbursement that was discharged, including any charges imposed or costs incurred by the lender related to the discharged loan amount; and

(4) Refund to the Secretary, within 30 days, all interest benefits and special allowance payments received from the Secretary with respect to the loan disbursement that was discharged; and

(C) Transfer to the lender the borrower's written assignment of any rights the borrower may have against third parties with respect to a loan disbursement that was discharged because the borrower did not sign the loan check.

(iii) If the agency determines that a borrower who asserts that he or she did not sign the electronic funds transfer or master check authorization satisfies the requirements for discharge under paragraph (e)(3)(iv) of this section, it shall, within 30 days after making that determination, pay the claim in accordance with § 682.402(h) and—

(A) Notify the borrower that his or her liability with respect to the amount of the contested disbursement of the loan has been discharged, and that the lender has been informed of the actions required under paragraph (e)(8)(iii)(C) of this section;

(B) Refund to the borrower all amounts paid by the borrower to the

lender or the agency with respect to the discharged loan amount, including any late fees or collection charges imposed by the lender or agency related to the discharged loan amount; and

(C) Notify the lender that the borrower's liability with respect to the contested disbursement of the loan has been discharged, and that the lender must—

(1) Immediately terminate any collection efforts against the borrower with respect to the discharged loan amount and any charges imposed or costs incurred by the lender related to the discharged loan amount that the borrower is, or was, otherwise obligated to pay; and

(2) Within 30 days, report to all credit reporting agencies to which the lender previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan.

(iv) If the agency determines that the borrower does not qualify for a discharge, it shall, within 30 days after making that determination—

(A) Notify the lender that the borrower's liability on the loan is not discharged and that, depending on the borrower's decision under paragraph (e)(8)(iv)(B) of this section, the loan shall either be returned to the lender or paid as a default claim; and

(B) Notify the borrower that the borrower does not qualify for discharge, and state the reasons for that conclusion. The agency shall advise the borrower that he or she remains obligated to repay the loan and warn the borrower of the consequences of default, and explain that the borrower will be considered to be in default on the loan unless the borrower submits a written statement to the agency within 30 days stating that the borrower—

(1) Acknowledges the debt and, if payments are due, will begin or resume making those payments to the lender; or

(2) Requests the Secretary to review the agency's decision.

(v) Within 30 days after receiving the borrower's written statement described in paragraph (e)(8)(iv)(B)(1) of this section, the agency shall return the claim file to the lender and notify the lender to resume collection efforts if payments are due.

(vi) Within 30 days after receiving the borrower's request for review by the Secretary, the agency shall forward the claim file to the Secretary for his review and take the actions required under paragraph (e)(11) of this section.

(vii) The agency shall pay a default claim to the lender within 30 days after the borrower fails to return either of the written statements described in paragraph (e)(8)(iv)(B) of this section.

(9) *Guaranty agency responsibilities in the case of a loan held by the agency for which a discharge request is submitted by a borrower based on the borrower's assertion that he or she did not sign the loan application or the promissory note, that he or she was a victim of the crime of identity theft, or that the school failed to test, or improperly tested, the student's ability to benefit.* (i) The agency shall evaluate the borrower's request and consider relevant information it possesses and information available from other sources, and follow the procedures described in paragraph (e)(9) of this section.

(ii) If the agency determines that the borrower satisfies the requirements for discharge under paragraph (e)(3) of this section, it shall immediately terminate any collection efforts against the borrower with respect to the discharged loan amount and any charges imposed or costs incurred by the agency related to the discharged loan amount that the borrower is, or was otherwise obligated to pay and, not later than 30 days after the agency makes the determination that the borrower satisfies the requirements for discharge—

(A) Notify the borrower that his or her liability with respect to the amount of the loan has been discharged;

(B) Report to all credit reporting agencies to which the agency previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan;

(C) Refund to the borrower all amounts paid by the borrower to the lender or the agency with respect to the discharged loan amount, including any late fees or collection charges imposed by the lender or agency related to the discharged loan amount; and

(D) Within 30 days, demand payment in full from the perpetrator of the iden-

tity theft committed against the individual, and if payment is not received, pursue collection action thereafter against the perpetrator.

(iii) If the agency determines that the borrower does not qualify for a discharge, it shall, within 30 days after making that determination, notify the borrower that the borrower's liability with respect to the amount of the loan is not discharged, state the reasons for that conclusion, and if the borrower is not then making payments in accordance with a repayment arrangement with the agency on the loan, advise the borrower of the consequences of continued failure to reach such an arrangement, and that collection action will resume on the loan unless within 30 days the borrower—

(A) Acknowledges the debt and, if payments are due, reaches a satisfactory arrangement to repay the loan or resumes making payments under such an arrangement to the agency; or

(B) Requests the Secretary to review the agency's decision.

(iv) Within 30 days after receiving the borrower's request for review by the Secretary, the agency shall forward the borrower's discharge request and all relevant documentation to the Secretary for his review and take the actions required under paragraph (e)(11) of this section.

(v) The agency shall resume collection action if within 30 days of giving notice of its determination the borrower fails to seek review by the Secretary or agree to repay the loan.

(10) *Guaranty agency responsibilities in the case of a loan held by the agency for which a discharge request is submitted by a borrower based only on the borrower's assertion that he or she did not sign the loan check or the authorization for the release of loan proceeds via electronic funds transfer or master check.* (i) The agency shall evaluate the borrower's request and consider relevant information it possesses and information available from other sources, and follow the procedures described in paragraph (e)(10) of this section.

(ii) If the agency determines that a borrower who asserts that he or she did not endorse the loan check satisfies the requirements for discharge under paragraph (e)(3)(iv) of this section, it shall

refund to the Secretary the amount of reinsurance payment received with respect to the amount discharged on that loan less any repayments made by the lender under paragraph (e)(10)(ii)(D)(2) of this section, and within 30 days after making that determination—

(A) Notify the borrower that his or her liability with respect to the amount of the contested disbursement of the loan has been discharged;

(B) Report to all credit reporting agencies to which the agency previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan;

(C) Refund to the borrower all amounts paid by the borrower to the lender or the agency with respect to the discharged loan amount, including any late fees or collection charges imposed by the lender or agency related to the discharged loan amount;

(D) Notify the lender to whom a claim payment was made that the lender must refund to the Secretary, within 30 days—

(I) All interest benefits and special allowance payments received from the Secretary with respect to the loan disbursement that was discharged; and

(2) The amount of the borrower's payments that were refunded to the borrower by the guaranty agency under paragraph (e)(10)(ii)(C) of this section that represent borrower payments previously paid to the lender with respect to the loan disbursement that was discharged;

(E) Notify the lender to whom a claim payment was made that the lender must, within 30 days, reimburse the agency for the amount of the loan that was discharged, minus the amount of borrower payments made to the lender that were refunded to the borrower by the guaranty agency under paragraph (e)(10)(ii)(C) of this section; and

(F) Transfer to the lender the borrower's written assignment of any rights the borrower may have against third parties with respect to the loan disbursement that was discharged.

(iii) In the case of a borrower who requests a discharge because he or she did not sign the electronic funds transfer or master check authorization, if the agency determines that the borrower meets the conditions for dis-

charge, it shall immediately terminate any collection efforts against the borrower with respect to the discharged loan amount and any charges imposed or costs incurred by the agency related to the discharged loan amount that the borrower is, or was, otherwise obligated to pay, and within 30 days after making that determination—

(A) Notify the borrower that his or her liability with respect to the amount of the contested disbursement of the loan has been discharged;

(B) Refund to the borrower all amounts paid by the borrower to the lender or the agency with respect to the discharged loan amount, including any late fees or collection charges imposed by the lender or agency related to the discharged loan amount; and

(C) Report to all credit reporting agencies to which the lender previously reported the status of the loan, so as to delete all adverse credit history assigned to the loan.

(iv) The agency shall take the actions required under paragraphs (e)(9)(iii) through (v) if the agency determines that the borrower does not qualify for a discharge.

(11) *Guaranty agency responsibilities if a borrower requests a review by the Secretary.* (i) Within 30 days after receiving the borrower's request for review under paragraph (e)(7)(iii)(B)(2), (e)(8)(iv)(B)(2), (e)(9)(iii)(B), or (e)(10)(iv) of this section, the agency shall forward the borrower's discharge request and all relevant documentation to the Secretary for his review.

(ii) The Secretary notifies the agency and the borrower of a determination on review. If the Secretary determines that the borrower is not eligible for a discharge under paragraph (e) of this section, within 30 days after being so informed, the agency shall take the actions described in paragraphs (e)(8)(iv) through (vii) or (e)(9)(iii) through (v) of this section, as applicable.

(iii) If the Secretary determines that the borrower meets the requirements for a discharge under paragraph (e) of this section, the agency shall, within 30 days after being so informed, take the actions required under paragraph (e)(7)(ii), (e)(8)(ii), (e)(8)(iii), (e)(9)(ii), (e)(10)(ii), or (e)(10)(iii) of this section, as applicable.

(12) *Lender Responsibilities.* (i) If the lender is notified by a guaranty agency or the Secretary, or receives information it believes to be reliable from another source indicating that a current or former borrower may be eligible for a discharge under paragraph (e) of this section, the lender shall immediately suspend any efforts to collect from the borrower on any loan received for the program of study for which the loan was made (but may continue to receive borrower payments) and, within 30 days of receiving the information or notification, inform the borrower of the procedures for requesting a discharge.

(ii) If the borrower fails to submit the written request and sworn statement described in paragraph (e)(3) of this section within 60 days of being notified of that option, the lender shall resume collection and shall be deemed to have exercised forbearance of payment of principal and interest from the date the lender suspended collection activity. The lender may capitalize, in accordance with § 682.202(b), any interest accrued and not paid during that period.

(iii) The lender shall file a claim with the guaranty agency in accordance with § 682.402(g) no later than 60 days after the lender receives the borrower's written request and sworn statement described in paragraph (e)(3) of this section. If a lender receives a payment made by or on behalf of the borrower on the loan after the lender files a claim on the loan with the guaranty agency, the lender shall forward the payment to the guaranty agency within 30 days of its receipt. The lender shall assist the guaranty agency and the borrower in determining whether the borrower is eligible for discharge of the loan.

(iv) The lender shall comply with all instructions received from the Secretary or a guaranty agency with respect to loan discharges under paragraph (e) of this section.

(v) The lender shall review a claim that the borrower did not endorse and did not receive the proceeds of a loan check. The lender shall take the actions required under paragraphs (e)(8)(ii)(A) and (B) of this section if it determines that the borrower did not

endorse the loan check, unless the lender secures persuasive evidence that the proceeds of the loan were received by the borrower or the student for whom the loan was made, as provided in paragraph (e)(1)(ii). If the lender determines that the loan check was properly endorsed or the proceeds were received by the borrower or student, the lender may consider the borrower's objection to repayment as a statement of intention not to repay the loan, and may file a claim with the guaranty agency for reimbursement on that ground, but shall not report the loan to credit bureaus as in default until the guaranty agency, or, as applicable, the Secretary, reviews the claim for relief. By filing such a claim, the lender shall be deemed to have agreed to the following—

(A) If the guarantor or the Secretary determines that the borrower endorsed the loan check or the proceeds of the loan were received by the borrower or the student, any failure to satisfy due diligence requirements by the lender prior to the filing of the claim that would have resulted in the loss of reinsurance on the loan in the event of default will be waived by the Secretary; and

(B) If the guarantor or the Secretary determines that the borrower did not endorse the loan check and that the proceeds of the loan were not received by the borrower or the student, the lender will comply with the requirements specified in paragraph (e)(8)(ii)(B) of this section.

(vi) Within 30 days after being notified by the guaranty agency that the borrower's request for a discharge has been denied, the lender shall notify the borrower of the reasons for the denial and, if payments are due, resume collection against the borrower. The lender shall be deemed to have exercised forbearance of payment of principal and interest from the date the lender suspended collection activity, and may capitalize, in accordance with § 682.202(b), any interest accrued and not paid during that period.

(13) *Requirements for certifying a borrower's eligibility for a loan.* (i) For periods of enrollment beginning between July 1, 1987 and June 30, 1991, a student who had a general education diploma

or received one before the scheduled completion of the program of instruction is deemed to have the ability to benefit from the training offered by the school.

(ii) A student not described in paragraph (e)(13)(i) of this section is considered to have the ability to benefit from training offered by the school if the student—

(A) For periods of enrollment beginning prior to July 1, 1987, was determined to have the ability to benefit from the school's training in accordance with the requirements of 34 CFR 668.6, as in existence at the time the determination was made;

(B) For periods of enrollment beginning between July 1, 1987 and June 30, 1996, achieved a passing grade on a test—

(1) Approved by the Secretary, for periods of enrollment beginning on or after July 1, 1991, or by the accrediting agency for other periods; and

(2) Administered substantially in accordance with the requirements for use of the test;

(C) Successfully completed a program of developmental or remedial education provided by the school; or

(D) For periods of enrollment beginning on or after July 1, 1996 through June 30, 2000—

(1) Obtained, within 12 months before the date the student initially receives title IV, HEA program assistance, a passing score specified by the Secretary on an independently administered test in accordance with subpart J of 34 CFR part 668; or

(2) Enrolled in an eligible institution that participates in a State process approved by the Secretary under subpart J of 34 CFR part 668.

(E) For periods of enrollment beginning on or after July 1, 2000—

(iii) Notwithstanding paragraphs (e)(13)(i) and (ii) of this section, a student did not have the ability to benefit from training offered by the school if—

(A) The school certified the eligibility of the student for a FFEL Program loan; and

(B) At the time of certification, the student would not meet the requirements for employment (in the student's State of residence) in the occupation for which the training program supported by the loan was intended because of a physical or mental condition, age, or criminal record or other reason accepted by the Secretary.

(iv) Notwithstanding paragraphs (e)(13)(i) and (ii) of this section, a student has the ability to benefit from the training offered by the school if the student received a high school diploma or its recognized equivalent prior to enrollment at the school.

(14) *Identity theft.* (i) The unauthorized use of the identifying information of another individual that is punishable under 18 U.S.C. 1028, 1029, or 1030, or substantially comparable State or local law.

(C) Unique electronic identification number, address, or routing code; or

(D) Telecommunication identifying information or access device (as defined in 18 U.S.C. 1029(e)).

(15) *Discharge without an application.* A borrower's obligation to repay all or a portion of an FFEL Program loan may be discharged without an application from the borrower if the Secretary, or the guaranty agency with the Secretary's permission, determines that the borrower qualifies for a discharge based on information in the Secretary or guaranty agency's possession.

(f) *Bankruptcy*—(1) *General.* If a borrower files a petition for relief under the Bankruptcy Code, the Secretary reimburses the holder of the loan for unpaid principal and interest on the loan in accordance with paragraphs (h) through (k) of this section.

(2) *Suspension of collection activity.* (i) If the lender is notified that a borrower has filed a petition for relief in bankruptcy, the lender must immediately suspend any collection efforts outside the bankruptcy proceeding against the borrower and—

(A) Must suspend any collection efforts against any co-maker or endorser if the borrower has filed for relief under Chapters 12 or 13 of the Bankruptcy Code; or

(B) May suspend any collection efforts against any co-maker or endorser if the borrower has filed for relief under Chapters 7 or 11 of the Bankruptcy Code.

(ii) If the lender is notified that a co-maker or endorser has filed a petition for relief in bankruptcy, the lender must immediately suspend any collection efforts outside the bankruptcy proceeding against the co-maker or endorser and—

(A) Must suspend collection efforts against the borrower and any other parties to the note if the co-maker or endorser has filed for relief under Chapters 12 or 13 of the Bankruptcy Code; or

(B) May suspend any collection efforts against the borrower and any other parties to the note if the co-maker or endorser has filed for relief under Chapters 7 or 11 of the Bankruptcy Code.

(3) *Determination of filing.* The lender must determine that a borrower has filed a petition for relief in bankruptcy on the basis of receiving a notice of the first meeting of creditors or other proof of filing provided by the debtor's attorney or the bankruptcy court.

(4) *Proof of claim.* (i) Except as provided in paragraph (f)(4)(ii) of this section, the holder of the loan shall file a proof of claim with the bankruptcy court within—

(A) 30 days after the holder receives a notice of first meeting of creditors unless, in the case of a proceeding under chapter 7, the notice states that the borrower has no assets; or

(B) 30 days after the holder receives a notice from the court stating that a chapter 7 no-asset case has been converted to an asset case.

(ii) A guaranty agency that is a state guaranty agency, and on that basis may assert immunity from suit in

bankruptcy court, and that does not assign any loans affected by a bankruptcy filing to another guaranty agency—

(A) Is not required to file a proof of claim on a loan already held by the guaranty agency; and

(B) May direct lenders not to file proofs of claim on loans guaranteed by that agency.

(5) *Filing of bankruptcy claim with the guaranty agency.* (i) The lender shall file a bankruptcy claim on the loan with the guaranty agency in accordance with paragraph (g) of this section, if—

(A) The borrower has filed a petition for relief under chapters 12 or 13 of the Bankruptcy Code; or

(B) The borrower has filed a petition for relief under chapters 7 or 11 of the Bankruptcy Code before October 8, 1998 and the loan has been in repayment for more than seven years (exclusive of any applicable suspension of the repayment period) from the due date of the first payment until the date of the filing of the petition for relief; or

(C) The borrower has begun an action to have the loan obligation determined to be dischargeable on grounds of undue hardship.

(ii) In cases not described in paragraph (f)(5)(i) of this section, the lender shall continue to hold the loan notwithstanding the bankruptcy proceeding. Once the bankruptcy proceeding is completed or dismissed, the lender shall treat the loan as if the lender had exercised forbearance as to repayment of principal and interest accrued from the date of the borrower's filing of the bankruptcy petition until the date the lender is notified that the bankruptcy proceeding is completed or dismissed.

(g) *Claim procedures for a loan held by a lender—*(1) *Documentation.* A lender shall provide the guaranty agency with the following documentation when filing a death, disability, closed school, false certification, or bankruptcy claim:

(i) The original or a true and exact copy of the promissory note.

(ii) The loan application, if a separate loan application was provided to the lender.

(iii) In the case of a death claim, an original or certified death certificate, or other documentation supporting the discharge request that formed the basis for the determination of death.

(iv) In the case of a disability claim, a copy of the certification of disability described in paragraph (c)(2) of this section.

(v) In the case of a bankruptcy claim—

(A) Evidence that a bankruptcy petition has been filed, all pertinent documents sent to or received from the bankruptcy court by the lender, and an assignment to the guaranty agency of any proof of claim filed by the lender regarding the loan; and

(B) A statement of any facts of which the lender is aware that may form the basis for an objection or exception to the discharge of the borrower's loan obligation in bankruptcy and all documents supporting those facts.

(vi) In the case of a closed school claim, the documentation described in paragraph (d)(3) of this section, or any other documentation as the Secretary may require;

(vii) In the case of a false certification claim, the documentation described in paragraph (e)(3) of this section.

(2) *Filing deadlines.* A lender shall file a death, disability, closed school, false certification, or bankruptcy claim within the following periods:

(i) Within 60 days of the date on which the lender determines that a borrower (or the student on whose behalf a parent obtained a PLUS loan) has died, or the lender determines that the borrower is totally and permanently disabled.

(ii) In the case of a closed school claim, the lender shall file a claim with the guaranty agency no later than 60 days after the borrower submits to the lender the written request and sworn statement described in paragraph (d)(3) of this section or after the lender is notified by the Secretary or the Secretary's designee or by the guaranty agency to do so.

(iii) In the case of a false certification claim, the lender shall file a claim with the guaranty agency no later than 60 days after the borrower submits to the lender the written re-

quest and sworn statement described in paragraph (e)(3) of this section or after the lender is notified by the Secretary or the Secretary's designee or by the guaranty agency to do so.

(iv) A lender shall file a bankruptcy claim with the guaranty agency by the earlier of—

(A) 30 days after the date on which the lender receives notice of the first meeting of creditors or other information described in paragraph (f)(3) of this section; or

(B) 15 days after the lender is served with a complaint or motion to have the loan determined to be dischargeable on grounds of undue hardship, or, if the lender secures an extension of time within which an answer may be filed, 25 days before the expiration of that extended period, whichever is later.

(h) *Payment of death, disability, closed school, false certification, and bankruptcy claims by the guaranty agency—*(1) *General.* (i) The guaranty agency shall review a death, disability, bankruptcy, closed school, or false certification claim promptly and shall pay the lender on an approved claim the amount of loss in accordance with paragraphs (h)(2) and (h)(3) of this section—

(A) Not later than 45 days after the claim was filed by the lender for death and bankruptcy claims; and

(B) Not later than 90 days after the claim was filed by the lender for disability, closed school, or false certification claims.

(ii) In the case of a bankruptcy claim, the guaranty agency shall, upon receipt of the claim from the lender, immediately take those actions required under paragraph (i) of this section to oppose the discharge of the loan by the bankruptcy court.

(iii) In the case of a closed school claim or a false certification claim based on the determination that the borrower did not sign the loan application, the promissory note, or the authorization for the electronic transfer of loan funds, or that the school failed to test, or improperly tested, the student's ability to benefit, the guaranty agency shall document its determination that the borrower is eligible for discharge under paragraphs (d) or (e) of this section and pay the borrower or

the holder the amount determined under paragraph (h)(2) of this section.

(iv) In reviewing a claim under this section, the issue of confirmation of subsequent loans under an MPN will not be reviewed and a claim will not be denied based on the absence of any evidence relating to confirmation in a particular loan file. However, if a court rules that a loan is unenforceable solely because of the lack of evidence of the confirmation process or processes, insurance benefits must be repaid.

(2)(i) The amount of loss payable—

(A) On a death or disability claim is equal to the sum of the remaining principal balance and interest accrued on the loan, collection costs incurred by the lender and applied to the borrower's account within 30 days of the date those costs were actually incurred, and unpaid interest up to the date the lender should have filed the claim.

(B) On a bankruptcy claim is equal to the unpaid balance of principal and interest determined in accordance with paragraph (h)(3) of this section.

(ii) The amount of loss payable to a lender on a closed school claim or on a false certification claim is equal to the sum of the remaining principal balance and interest accrued on the loan, collection costs incurred by the lender and applied to the borrower's account within 30 days of the date those costs were actually incurred, and unpaid interest determined in accordance with paragraph (h)(3) of this section.

(iii) In the case of a closed school or false certification claim filed by a lender on an outstanding loan owed by the borrower, on the same date that the agency pays a claim to the lender, the agency shall pay the borrower an amount equal to the amount paid on the loan by or on behalf of the borrower, less any school tuition refunds or payments received by the holder or the borrower from a tuition recovery fund, performance bond, or other third-party source.

(iv) In the case of a claim filed by a lender based on a request received from a borrower whose loan had been repaid in full by, or on behalf of the borrower to the lender, on the same date that the agency notifies the lender that the borrower is eligible for a closed school

or false certification discharge, the agency shall pay the borrower an amount equal to the amount paid on the loan by or on behalf of the borrower, less any school tuition refunds or payments received by the holder or the borrower from a tuition recovery fund, performance bond, or other third-party source.

(v) In the case of a loan that has been included in a Consolidation Loan, the agency shall pay to the holder of the borrower's Consolidation Loan, an amount equal to—

(A) The amount paid on the loan by or on behalf of the borrower at the time the loan was paid through consolidation;

(B) The amount paid by the consolidating lender to the holder of the loan when it was repaid through consolidation; minus

(C) Any school tuition refunds or payments received by the holder or the borrower from a tuition recovery fund, performance bond, or other third-party source if those refunds or payments were—

(1) Received by the borrower or received by the holder and applied to the borrower's loan balance before the date the loan was repaid through consolidation; or

(2) Received by the borrower or received by the Consolidation Loan holder on or after the date the consolidating lender made a payment to the former holder to discharge the borrower's obligation to that former holder.

(3) *Payment of interest.* If the guarantee covers unpaid interest, the amount payable on an approved claim includes the unpaid interest that accrues during the following periods:

(i) During the period before the claim is filed, not to exceed the period provided for in paragraph (g)(2) of this section for filing the claim.

(ii) During a period not to exceed 30 days following the receipt date by the lender of a claim returned by the guaranty agency for additional documentation necessary for the claim to be approved by the guaranty agency.

(iii) During the period required by the guaranty agency to approve the claim and to authorize payment or to

return the claim to the lender for additional documentation not to exceed—

(A) 45 days for death or bankruptcy claims; or

(B) 90 days for disability, closed school, or false certification claims.

(i) *Guaranty agency participation in bankruptcy proceedings*—(1) *Undue hardship claims.* (i) In response to a petition filed prior to October 8, 1998 with regard to any bankruptcy proceeding by the borrower for discharge under 11 U.S.C. 523(a)(8) on the grounds of undue hardship, the guaranty agency must, on the basis of reasonably available information, determine whether the first payment on the loan was due more than 7 years (exclusive of any applicable suspension of the repayment period) before the filing of that petition and, if so, process the claim.

(ii) In all other cases, the guaranty agency must determine whether repayment under either the current repayment schedule or any adjusted schedule authorized under this part would impose an undue hardship on the borrower and his or her dependents.

(iii) If the guaranty agency determines that repayment would not constitute an undue hardship, the guaranty agency must then determine whether the expected costs of opposing the discharge petition would exceed one-third of the total amount owed on the loan, including principal, interest, late charges, and collection costs. If the guaranty agency has determined that the expected costs of opposing the discharge petition will exceed one-third of the total amount of the loan, it may, but is not required to, engage in the activities described in paragraph (i)(1)(iv) of this section.

(iv) The guaranty agency must use diligence and may assert any defense consistent with its status under applicable law to avoid discharge of the loan. Unless discharge would be more effectively opposed by not taking the following actions, the agency must—

(A) Oppose the borrower's petition for a determination of dischargeability; and

(B) If the borrower is in default on the loan, seek a judgment for the amount owed on the loan.

(v) In opposing a petition for a determination of dischargeability on the

grounds of undue hardship, a guaranty agency may agree to discharge of a portion of the amount owed on a loan if it reasonably determines that the agreement is necessary in order to obtain a judgment on the remainder of the loan.

(2) *Response by a guaranty agency to plans proposed under Chapters 11, 12, and 13.* The guaranty agency shall take the following actions when a petition for relief in bankruptcy under Chapters 11, 12, or 13 is filed:

(i) The agency is not required to respond to a proposed plan that—

(A) Provides for repayment of the full outstanding balance of the loan;

(B) Makes no provision with regard to the loan or to general unsecured claims.

(ii) In any other case, the agency shall determine, based on a review of its own records and documents filed by the debtor in the bankruptcy proceeding—

(A) What part of the loan obligation will be discharged under the plan as proposed;

(B) Whether the plan itself or the classification of the loan under the plan meets the requirements of 11 U.S.C. 1129, 1225, or 1325, as applicable; and

(C) Whether grounds exist under 11 U.S.C. 1112, 1208, or 1307, as applicable, to move for conversion or dismissal of the case.

(iii) If the agency determines that grounds exist to challenge the proposed plan, the agency shall, as appropriate, object to the plan or move to dismiss the case, if—

(A) The costs of litigation of these actions are not reasonably expected to exceed one-third of the amount of the loan to be discharged under the plan; and

(B) With respect to an objection under 11 U.S.C. 1325, the additional amount that may be recovered under the plan if an objection is successful can reasonably be expected to equal or exceed the cost of litigating the objection.

(iv) The agency shall monitor the debtor's performance under a confirmed plan. If the debtor fails to make payments required under the plan or

seeks but does not demonstrate entitlement to discharge under 11 U.S.C. 1328(b), the agency shall oppose any requested discharge or move to dismiss the case if the costs of litigation together with the costs incurred for objections to the plan are not reasonably expected to exceed one-third of the amount of the loan to be discharged under the plan.

(j) *Mandatory purchase by a lender of a loan subject to a bankruptcy claim.* (1) The lender shall repurchase from the guaranty agency a loan held by the agency pursuant to a bankruptcy claim paid to that lender, unless the guaranty agency sells the loan to another lender, promptly after the earliest of the following events:

(i) The entry of an order denying or revoking discharge or dismissing a proceeding under any chapter.

(ii) A ruling in a proceeding under chapter 7 or 11 that the loan is not dischargeable under 11 U.S.C. 523(a)(8) or other applicable law.

(iii) The entry of an order granting discharge under chapter 12 or 13, or confirming a plan of arrangement under chapter 11, unless the court determined that the loan is dischargeable under 11 U.S.C. 523(a)(8) on grounds of undue hardship.

(2) The lender may capitalize all outstanding interest accrued on a loan purchased under paragraph (j) of this section to cover any periods of delinquency prior to the bankruptcy action through the date the lender purchases the loan and receives the supporting loan documentation from the guaranty agency.

(k) *Claims for reimbursement from the Secretary on loans held by guarantee agencies.* (1)(i) The Secretary reimburses the guaranty agency for its losses on bankruptcy claims paid to lenders after—

(A) A determination by the court that the loan is dischargeable under 11 U.S.C. 523(a)(8) with respect to a proceeding initiated under chapter 7 or chapter 11; or

(B) With respect to any other loan, after the agency pays the claim to the lender.

(ii) The guaranty agency shall refund to the Secretary the full amount of reimbursement received from the Sec-

retary on a loan that a lender repurchases under this section.

(2) The Secretary pays a death, disability, bankruptcy, closed school, or false certification claim in an amount determined under § 682.402(k)(5) on a loan held by a guaranty agency after the agency has paid a default claim to the lender thereon and received payment under its reinsurance agreement. The Secretary reimburses the guaranty agency only if—

(i) The guaranty agency determines that the borrower (or the student for whom a parent obtained a PLUS loan or each of the co-makers of a PLUS loan) has died, or the borrower (or each of the co-makers of a PLUS loan) has become totally and permanently disabled since applying for the loan, or has filed for relief in bankruptcy, in accordance with the procedures in paragraphs (b), (c), or (f) of this section, or the student was unable to complete an educational program because the school closed, or the borrower's eligibility to borrow (or the student's eligibility in the case of a PLUS loan) was falsely certified by an eligible school. For purposes of this paragraph, references to the "lender" and "guaranty agency" in paragraphs (b) through (f) of this section mean the guaranty agency and the Secretary respectively;

(ii) In the case of a Stafford, SLS, or PLUS loan, the guaranty agency determines that the borrower (or the student for whom a parent obtained a PLUS loan, or each of the co-makers of a PLUS loan) has died, or the borrower (or each of the co-makers of a PLUS loan) has become totally and permanently disabled since applying for the loan, or has filed the petition for relief in bankruptcy within 10 years of the date the borrower entered repayment, exclusive of periods of deferment or periods of forbearance granted by the lender that extended the 10-year maximum repayment period, or the borrower (or the student for whom a parent received a PLUS loan) was unable to complete an educational program because the school closed, or the borrower's eligibility to borrow (or the student's eligibility in the case of a PLUS loan) was falsely certified by an eligible school;

(iii) In the case of a Consolidation loan, the borrower (or one of the co-makers) has died, is determined to be totally and permanently disabled under § 682.402(c), or has filed the petition for relief in bankruptcy within the maximum repayment period described in § 682.209(h)(2), exclusive of periods of deferment or periods of forbearance granted by the lender that extended the maximum repayment period;

(iv) The guaranty agency has not written off the loan in accordance with the procedures established by the agency under § 682.410(b)(6)(x), except for closed school and false certification discharges; and

(v) The guaranty agency has exercised due diligence in the collection of the loan in accordance with the procedures established by the agency under § 682.410(b)(6)(x), until the borrower (or the student for whom a parent obtained a PLUS loan, or each of the co-makers of a PLUS loan) has died, or the borrower (or each of the co-makers of a PLUS loan) has become totally and permanently disabled or filed a Chapter 12 or Chapter 13 petition, or had the loan discharged in bankruptcy, or for closed school and false certification claims, the guaranty agency receives a request for discharge from the borrower or another party.

(3) [Reserved]

(4) Within 30 days of receiving reimbursement for a closed school or false certification claim, the guaranty agency shall pay—

(i) The borrower an amount equal to the amount paid on the loan by or on behalf of the borrower, less any school tuition refunds or payments received by the holder, guaranty agency, or the borrower from a tuition recovery fund, performance bond, or other third-party source; or

(ii) The amount determined under paragraph (h)(2)(iv) of this section to the holder of the borrower's Consolidation Loan.

(5) The Secretary pays the guaranty agency a percentage of the outstanding principal and interest that is equal to the complement of the reinsurance percentage paid on the loan. This interest includes interest that accrues during—

(i) For death or bankruptcy claims, the shorter of 60 days or the period

from the date the guaranty agency determines that the borrower (or the student for whom a parent obtained a PLUS loan, or each of the co-makers of a PLUS loan) died, or filed a petition for relief in bankruptcy until the Secretary authorizes payment;

(ii) For disability claims, the shorter of 60 days or the period from the date the guaranty agency makes a preliminary determination that the borrower became totally and permanently disabled until the Secretary authorizes payment; or

(iii) For closed school or false certification claims, the period from the date on which the guaranty agency received payment from the Secretary on a default claim to the date on which the Secretary authorizes payment of the closed school or false certification claim.

(1) *Unpaid refund discharge*—(1) *Unpaid refunds in closed school situations.* In the case of a school that has closed, the Secretary reimburses the guarantor of a loan and discharges a former or current borrower's (and any endorser's) obligation to repay that portion of an FFEL Program loan (disbursed, in whole or in part on or after January 1, 1986) equal to the refund that should have been made by the school under applicable Federal law and regulations, including this section. Any accrued interest and other charges (late charges, collection costs, origination fees, and insurance premiums) associated with the unpaid refund are also discharged.

(2) *Unpaid refunds in open school situations.* In the case of a school that is open, the guarantor discharges a former or current borrower's (and any endorser's) obligation to repay that portion of an FFEL loan (disbursed, in whole or in part, on or after January 1, 1986) equal to the amount of the refund that should have been made by the school under applicable Federal law and regulations, including this section, if—

(i) The borrower (or the student on whose behalf a parent borrowed) is not attending the school that owes the refund; and

(ii) The guarantor receives documentation regarding the refund and the borrower and guarantor have been unable to resolve the unpaid refund

within 120 days from the date the guarantor receives a complete application in accordance with paragraph (1)(4) of this section. Any accrued interest and other charges (late charges, collection costs, origination fees, and insurance premiums) associated with the amount of the unpaid refund amount are also discharged.

(3) *Relief to borrower (and any endorser) following discharge.* (i) If a borrower receives a discharge of a portion of a loan under this section, the borrower is reimbursed for any amounts paid in excess of the remaining balance of the loan (including accrued interest, late charges, collection costs, origination fees, and insurance premiums) owed by the borrower at the time of discharge.

(ii) The holder of the loan reports the discharge of a portion of a loan under this section to all credit reporting agencies to which the holder of the loan previously reported the status of the loan.

(4) *Borrower qualification for discharge.* To receive a discharge of a portion of a loan under this section, a borrower must submit a written application to the holder or guaranty agency except as provided in paragraph (1)(5)(iv) of this section. The application requests the information required to calculate the amount of the discharge and requires the borrower to sign a statement swearing to the accuracy of the information in the application. The statement need not be notarized but must be made by the borrower under penalty of perjury. In the statement, the borrower must—

(i) State that the borrower (or the student on whose behalf a parent borrowed)—

(A) Received the proceeds of a loan, in whole or in part, on or after January 1, 1986 to attend a school;

(B) Did not attend, withdrew, or was terminated from the school within a timeframe that entitled the borrower to a refund; and

(C) Did not receive the benefit of a refund to which the borrower was entitled either from the school or from a third party, such as a holder of a performance bond or a tuition recovery program.

(ii) State whether the borrower has any other application for discharge pending for this loan; and

(iii) State that the borrower—

(A) Agrees to provide upon request by the Secretary or the Secretary's designee other documentation reasonably available to the borrower that demonstrates that the borrower meets the qualifications for an unpaid refund discharge under this section; and

(B) Agrees to cooperate with the Secretary or the Secretary's designee in enforcement actions in accordance with paragraph (e) of this section and to transfer any right to recovery against a third party to the Secretary in accordance with paragraph (d) of this section.

(5) *Unpaid refund discharge procedures.*

(i) Except for the requirements of paragraph (1)(5)(iv) of this section related to an open school, if the holder or guaranty agency learns that a school did not pay a refund of loan proceeds owed under applicable law and regulations, the holder or the guaranty agency sends the borrower a discharge application and an explanation of the qualifications and procedures for obtaining a discharge. The holder of the loan also promptly suspends any efforts to collect from the borrower on any affected loan.

(ii) If the borrower returns the application, specified in paragraph (1)(4) of this section, the holder or the guaranty agency must review the application to determine whether the application appears to be complete. In the case of a loan held by a lender, once the lender determines that the application appears complete, it must provide the application and all pertinent information to the guaranty agency including, if available, the borrower's last date of attendance. If the borrower returns the application within 60 days, the lender must extend the period during which efforts to collect on the affected loan are suspended to the date the lender receives either a denial of the request or the unpaid refund amount from the guaranty agency. At the conclusion of the period during which the collection activity was suspended, the lender may capitalize any interest accrued and not paid during that period in accordance with § 682.202(b).

(iii) If the borrower fails to return the application within 60 days, the holder of the loan resumes collection efforts and grants forbearance of principal and interest for the period during which the collection activity was suspended. The holder may capitalize any interest accrued and not paid during that period in accordance with § 682.202(b).

(iv) The guaranty agency may, with the approval of the Secretary, discharge a portion of a loan under this section without an application if the guaranty agency determines, based on information in the guaranty agency's possession, that the borrower qualifies for a discharge.

(v) If the holder of the loan or the guaranty agency determines that the information contained in its files conflicts with the information provided by the borrower, the guaranty agency must use the most reliable information available to it to determine eligibility for and the appropriate payment of the refund amount.

(vi) If the holder of the loan is the guaranty agency and the agency determines that the borrower qualifies for a discharge of an unpaid refund, the guaranty agency must suspend any efforts to collect on the affected loan and, within 30 days of its determination, discharge the appropriate amount and inform the borrower of its determination. Absent documentation of the exact amount of refund due the borrower, the guaranty agency must calculate the amount of the unpaid refund using the unpaid refund calculation defined in paragraph (o) of this section.

(vii) If the guaranty agency determines that a borrower does not qualify for an unpaid refund discharge, (or, if the holder is the lender and is informed by the guarantor that the borrower does not qualify for a discharge)—

(A) Within 30 days of the guarantor's determination, the agency must notify the borrower in writing of the reason for the determination and of the borrower's right to request a review of the agency's determination. The guaranty agency must make a determination within 30 days of the borrower's submission of additional documentation supporting the borrower's eligibility that was not considered in any prior

determination. During the review period, collection activities must be suspended; and

(B) The holder must resume collection if the determination remains unchanged and grant forbearance of principal and interest for any period during which collection activity was suspended under this section. The holder may capitalize any interest accrued and not paid during these periods in accordance with § 682.202(b).

(viii) If the guaranty agency determines that a current or former borrower at an open school may be eligible for a discharge under this section, the guaranty agency must notify the lender and the school of the unpaid refund allegation. The notice to the school must include all pertinent facts available to the guaranty agency regarding the alleged unpaid refund. The school must, no later than 60 days after receiving the notice, provide the guaranty agency with documentation demonstrating, to the satisfaction of the guarantor, that the alleged unpaid refund was either paid or not required to be paid.

(ix) In the case of a school that does not make a refund or provide sufficient documentation demonstrating the refund was either paid or was not required, within 60 days of its receipt of the allegation notice from the guaranty agency, relief is provided to the borrower (and any endorser) if the guaranty agency determines the relief is appropriate. The agency must forward documentation of the school's failure to pay the unpaid refund to the Secretary.

(m) *Unpaid refund discharge procedures for a loan held by a lender.* In the case of an unpaid refund discharge request, the lender must provide the guaranty agency with documentation related to the borrower's qualification for discharge as specified in paragraph (l)(4) of this section.

(n) *Payment of an unpaid refund discharge request by a guaranty agency—(1) General.* The guaranty agency must review an unpaid refund discharge request promptly and must pay the lender the amount of loss as defined in paragraphs (l)(1) and (l)(2) of this section, related to the unpaid refund not

later than 45 days after a properly filed request is made.

(2) *Determination of the unpaid refund discharge amount to the lender.* The amount of loss payable to a lender on an unpaid refund includes that portion of an FFEL Program loan equal to the amount of the refund required under applicable Federal law and regulations, including this section, and including any accrued interest and other charges (late charges, collection costs, origination fees, and insurance premiums) associated with the unpaid refund.

(o)(1) *Determination of amount eligible for discharge.* The guaranty agency determines the amount eligible for discharge based on information showing the refund amount or by applying the appropriate refund formula to information that the borrower provides or that is otherwise available to the guaranty agency. For purposes of this section, all unpaid refunds are considered to be attributed to loan proceeds.

(2) If the information in paragraph (o)(1) of this section is not available, the guaranty agency uses the following formulas to determine the amount eligible for discharge:

(i) In the case of a student who fails to attend or whose withdrawal or termination date is before October 7, 2000 and who completes less than 60 percent of the loan period, the guaranty agency discharges the lesser of the institutional charges unearned or the loan amount. The guaranty agency determines the amount of the institutional charges unearned by—

(A) Calculating the ratio of the amount of time in the loan period after the student's last day of attendance to the actual length of the loan period; and

(B) Multiplying the resulting factor by the institutional charges assessed the student for the loan period.

(ii) In the case of a student who fails to attend or whose withdrawal or termination date is on or after October 7, 2000 and who completes less than 60 percent of the loan period, the guaranty agency discharges the loan amount unearned. The guaranty agency determines the loan amount unearned by—

(A) Calculating the ratio of the amount of time remaining in the loan

period after the student's last day of attendance to the actual length of the loan period; and

(B) Multiplying the resulting factor by the total amount of title IV grants and loans received by the student, or if unknown, the loan amount.

(iii) In the case of a student who completes 60 percent or more of the loan period, the guaranty agency does not discharge any amount because a student who completes 60 percent or more of the loan period is not entitled to a refund.

(p) *Requests for reimbursement from the Secretary on loans held by guaranty agencies.* The Secretary reimburses the guaranty agency for its losses on unpaid refund request payments to lenders or borrowers in an amount that is equal to the amount specified in paragraph (n)(2) of this section.

(q) *Payments received after the guaranty agency's payment of an unpaid refund request.* (1) The holder must promptly return to the sender any payment on a fully discharged loan, received after the guaranty agency pays an unpaid refund request unless the sender is required to pay (as in the case of a tuition recovery fund) in which case, the payment amount must be forwarded to the Secretary. At the same time that the holder returns the payment, it must notify the borrower that there is no obligation to repay a loan fully discharged.

(2) If the holder has returned a payment to the borrower, or the borrower's representative, with the notice described in paragraph (q)(1) of this section, and the borrower (or representative) continues to send payments to the holder, the holder must remit all of those payments to the Secretary.

(3) If the loan has not been fully discharged, payments must be applied to the remaining debt.

(r) *Payments received after the Secretary's payment of a death, disability, closed school, false certification, or bankruptcy claim* (1) If the guaranty agency receives any payments from or on behalf of the borrower on or attributable to a loan that has been discharged in bankruptcy on which the Secretary previously paid a bankruptcy claim, the guaranty agency must return 100

percent of these payments to the sender. The guaranty agency must promptly return, to the sender, any payment on a cancelled or discharged loan made by the sender and received after the Secretary pays a closed school or false certification claim. At the same time that the agency returns the payment, it must notify the borrower that there is no obligation to repay a loan discharged on the basis of death, bankruptcy, false certification, or closing of the school.

(2) If the guaranty agency receives any payments from or on behalf of the borrower on or attributable to a loan that has been assigned to the Secretary for determination of eligibility for a total and permanent disability discharge, the guaranty agency must forward those payments to the Secretary for crediting to the borrower's account. At the same time that the agency forwards the payments, it must notify the borrower that there is no obligation to make payments on the loan while it is conditionally discharged prior to a final determination of eligibility for a total and permanent disability discharge, unless the Secretary directs the borrower otherwise.

(3) When the Secretary makes a final determination to discharge the loan, the Secretary returns to the sender any payments received on the loan after the date the borrower became totally and permanently disabled.

(4) The guaranty agency shall remit to the Secretary all payments received from a tuition recovery fund, performance bond, or other third party with respect to a loan on which the Secretary previously paid a closed school or false certification claim.

(5) If the guaranty agency has returned a payment to the borrower, or the borrower's representative, with the notice described in paragraphs (r)(1) or (r)(2) of this section, and the borrower (or representative) continues to send payments to the guaranty agency, the agency must remit all of those payments to the Secretary.

(s) *Applicable suspension of the repayment period.* For purposes of this section and 11 U.S.C. 523(a)(8)(A) with respect to loans guaranteed under the FFEL Program, an applicable suspension of the repayment period—

(1) Includes any period during which the lender does not require the borrower to make a payment on the loan.

(2) Begins on the date on which the borrower qualifies for the requested deferment as provided in § 682.210(a)(5) or the lender grants the requested forbearance;

(3) Closes on the later of the date on which—

(i) The condition for which the requested deferment or forbearance was received ends; or

(ii) The lender receives notice of the end of the condition for which the requested deferment or forbearance was received, if the condition ended earlier than represented by the borrower at the time of the request and the borrower did not notify timely the lender of the date on which the condition actually ended;

(4) Includes the period between the end of the borrower's grace period and the first payment due date established by the lender in the case of a borrower who entered repayment without the knowledge of the lender;

(5) Includes the period between the filing of the petition for relief and the date on which the proceeding is completed or dismissed, unless payments have been made during that period in amounts sufficient to meet the amount owed under the repayment schedule in effect when the petition was filed.

§ 682.403 Federal advances for claim payments.

(a) The Secretary makes an advance to a guaranty agency that has a reinsurance agreement. The advance may be used only to pay guarantee claims. The Secretary makes an advance to—

(1) A State guaranty agency; or

§ 682.404

34 CFR Ch. VI (7–1–07 Edition)

(2) 1 or more private nonprofit guaranty agencies in a State if, during a fiscal year—

(i) The State does not have a guaranty agency program;

(ii) The Secretary consults the chief executive officer of the State and finds it unlikely that the State will have a program for that year; and

(iii) Each private nonprofit guaranty agency—

(A) Agrees to establish at least 1 office in the State with sufficient staff to handle written and telephone inquiries from students, eligible lenders, and other persons in the State;

(B) Agrees to encourage maximum commercial lender participation within the State and to conduct periodic visits to at least the major lenders within the State;

(C) Agrees that the benefit of its loan guarantees will not be denied to students because of their choice of schools or lack of need; and

(D) Certifies that it is not an institution of higher education and that it does not have any substantial affiliation with an institution of higher education.

(b) A guaranty agency shall apply to the Secretary in order to receive an initial advance.

(c)(1) An advance may be made to a new guaranty agency for each of five consecutive calendar years. A new agency is an agency that entered into a basic agreement on or after October 12, 1976, or that was not actively carrying on a loan guarantee program on or before October 12, 1976.

(2)(i) A guaranty agency may request that the initial advance be made on a specified date. The Secretary pays subsequent advances on the same day that the initial advance was made for each of the four succeeding calendar years.

(ii) An additional advance may be made to a private nonprofit guaranty agency only if the agency continues to qualify under paragraph (a) of this section.

(d) The Secretary makes an advance to a guaranty agency—

(1) On terms and conditions specified in an agreement between the Secretary and the guaranty agency;

(2) To ensure that the agency will fulfill its lender-of-last resort obligation; and

(3) To meet the agency's immediate cash needs and to ensure the uninterrupted payment of claims when the Secretary has terminated the agency's agreement and assumed its functions.

(e) In the case of a private nonprofit guaranty agency, the repayment of advances is determined separately for each State for which the agency has received in advance under this section, in accordance with section 422(c)(4) of the Act.

(f) A guaranty agency shall return advances provided under this section in accordance with the provisions of section 422 of the Act.

[57 FR 60323, Dec. 18, 1992, as amended at 64 FR 18980, Apr. 16, 1999]

§ 682.404 Federal reinsurance agreement.

(a) *General.* (1) The Secretary may enter into a reinsurance agreement with a guaranty agency that has a basic program agreement. Except as provided in paragraph (b) of this section, under a reinsurance agreement, the Secretary reimburses the guaranty agency for—

(i) 95 percent of its losses on default claim payments to lenders on loans for which the first disbursement is made on or after October 1, 1998;

(ii) 98 percent of its losses on default claim payments to lenders for loans for which the first disbursement is made on or after October 1, 1993, and before October 1, 1998; or

(iii) 100 percent of its losses on default claim payments to lenders—

(A) For loans for which the first disbursement is made prior to October 1, 1993;

(B) For loans made under an approved lender-of-last-resort program;

(C) For loans transferred under a plan approved by the Secretary from an insolvent guaranty agency or a guaranty agency that withdraws its participation in the FFEL Program;

(D) For loans that meet the definition of exempt claims in paragraph (a)(2)(iii) of this section;

(E) For a guaranty agency that entered into a basic program agreement

under section 428(b) of the Act after September 30, 1976, or was not actively carrying on a loan guarantee program covered by a basic program agreement on October 1, 1976 for five consecutive fiscal years beginning with the first year of its operation.

(2) For purposes of this section—

(i) *Losses* means the amount of unpaid principal and accrued interest the agency paid on a default claim filed by a lender on a reinsured loan, minus payments made by or on behalf of the borrower after default but before the Secretary reimburses the agency;

(ii) *Default aversion assistance* means the activities of a guaranty agency that are designed to prevent a default by a borrower who is at least 60 days delinquent and that are directly related to providing collection assistance to the lender.

(iii) *Exempt claims* means claims with respect to loans for which it is determined that the borrower (or student on whose behalf a parent has borrowed), without the lender's or the institution's knowledge at the time the loan was made, provided false or erroneous information or took actions that caused the borrower or the student to be ineligible for all of a portion of the loan or for interest benefits on the loan.

(3) A guaranty agency's loss on a loan that was outstanding when a reinsurance agreement was executed is covered by the reinsurance agreement only if the default on the loan occurs after the effective date of the agreement.

(4) If a lender has requested default aversion assistance as described in paragraph (a)(2)(ii) of this section, the agency must, upon request of the school at which the borrower received the loan, notify the school of the lender's request. The guaranty agency may not charge the school or the school's agent for providing this notification and must accept a blanket request from the school to be notified whenever any of the school's current or former students are the subject of a default aversion assistance request. The agency must notify schools annually of the option to make this blanket request.

(b) *Reduction in reinsurance rate.* (1) If the total of reinsurance claims paid by

the Secretary to a guaranty agency during any fiscal year reaches 5 percent of the amount of loans in repayment at the end of the preceding fiscal year, the Secretary's reinsurance payment on a default claim subsequently paid by the guaranty agency during that fiscal year equals—

(i) 90 percent of its losses on default claim payments to lenders on loans for which the first disbursement is made before October 1, 1993 or transferred under a plan approved by the Secretary from an insolvent guaranty agency or a guaranty agency that withdraws its participation in the FFEL Program;

(ii) 88 percent of its losses on default claim payments to lenders on loans for which the first disbursement is made on or after October 1, 1993, and before October 1, 1998; or

(iii) 85 percent of its losses on default claim payments to lenders on loans for which the first disbursement is made on or after October 1, 1998.

(2) If the total of reinsurance claims paid by the Secretary to a guaranty agency during any fiscal year reaches 9 percent of the amount of loans in repayment at the end of the preceding fiscal year, the Secretary's reinsurance payment on a default claim subsequently paid by the guaranty agency during that fiscal year equals—

(i) 80 percent of its losses on default claim payments to lenders on loans for which the first disbursement is made before October 1, 1993 or transferred under a plan approved by the Secretary from an insolvent guaranty agency or a guaranty agency that withdraws its participation in the FFEL Program;

(ii) 78 percent of its losses on default claim payments to lenders on loans for which the first disbursement is made on or after October 1, 1993, and before October 1, 1998; or

(iii) 75 percent of its losses on default claim payments to lenders on loans for which the first disbursement is made on or after October 1, 1998.

(3) For purposes of this section, the total of reinsurance claims paid by the Secretary to a guaranty agency during any fiscal year does not include amounts paid on claims by the guaranty agency—

(i) On loans considered in default under § 682.412(e);

(ii) Under a policy established by the agency that is consistent with § 682.509(a)(1); or

(iii) That were filed by lenders at the direction of the Secretary;

(iv) On loans made under a guaranty agency's approved lender-of-last-resort program.

(4) For purposes of this section, *amount of loans in repayment* means—

(i) The sum of—

(A) The original principal amount of all loans guaranteed by the agency; and

(B) The original principal amount of any loans on which the guarantee was transferred to the agency from another agency;

(ii) Minus the original principal amount of all loans on which—

(A) The loan guarantee was canceled;

(B) The loan guarantee was transferred to another agency;

(C) The borrower has not yet reached the repayment period;

(D) Payment in full has been made by the borrower;

(E) The borrower was in deferment status at the time repayment was scheduled to begin and remains in deferment status;

(F) Reinsurance coverage has been lost and cannot be regained; and

(G) The agency paid claims, excluding the amount of those claims—

(1) Paid under § 682.412(e);

(2) Paid under a policy established by the agency that is consistent with § 682.509(a)(1); or

(3) Paid at the direction of the Secretary.

(c) *Submission of reinsurance rate base data.* The guaranty agency shall submit to the Secretary the quarterly report required by the Secretary for the previous quarter ending September 30 containing complete and accurate data in order for the Secretary to calculate the amount of loans in repayment at the end of the preceding fiscal year. The Secretary does not pay a reinsurance claim to the guaranty agency after the date the quarterly report is due until the guaranty agency submits a complete and accurate report.

(d) *Reinsurance fee.* (1) Except for loans made under § 682.209(e), (f) and (h), and all loans guaranteed on or after October 1, 1993, a guaranty agen-

cy shall pay to the Secretary during each fiscal year in quarterly installments a reinsurance fee equal to—

(i) 0.25 percent of the total principal amount of the Stafford, SLS, and PLUS loans on which guarantees were issued by that agency during that fiscal year; or

(ii) 0.5 percent of the total principal amount of the Stafford, SLS, and PLUS loans on which guarantees were issued by that agency during that fiscal year if the agency's reinsurance claims paid reach the amount described in paragraph (b)(1) of this section at any time during that fiscal year.

(2) The agency that is the original guarantor of a loan shall pay the reinsurance fee to the Secretary even if the guaranty agency transfers its guarantee obligation on the loan to another guaranty agency.

(3) The guaranty agency shall pay the reinsurance fee required by paragraph (d)(1) of this section due the Secretary for each calendar quarter ending March 31, June 30, September 30, and December 31, within 90 days after the end of the applicable quarter or within 30 days after receiving written notice from the Secretary that the fees are due, whichever is earlier.

(e) *Initiation or extension of agreements.* In deciding whether to enter into or extend a reinsurance agreement, or, if an agreement has been terminated, whether to enter into a new agreement, the Secretary considers the adequacy of—

(1) Efforts by the guaranty agency and the lenders to which it provides guarantees to collect outstanding loans as required by § 682.410(b) (6) or (7), and § 682.411;

(2) Efforts by the guaranty agency to make FFEL loans available to all eligible borrowers; and

(3) Other relevant aspects of the guaranty agency's program operations.

(f) *Application of borrower payments.* A payment made to a guaranty agency by a borrower on a defaulted loan must be applied first to the collection costs incurred to collect that amount and then to other incidental charges, such as late charges, then to accrued interest and then to principal.

(g) *Share of borrower payments returned to the Secretary.* (1) After an agency pays a default claim to a holder using assets of the Federal Fund, the agency must pay to the Secretary the portion of payments received on those defaulted loans remaining after—

(i) The agency deposits into the Federal Fund the amount of those payments equal to the applicable complement of the reinsurance percentage that was in effect at the time the claim was paid; and

(ii) The agency has deducted an amount equal to—

(A) 30 percent of borrower payments received before October 1, 1993;

(B) 27 percent of borrower payments received on or after October 1, 1993, and before October 1, 1998;

(C) 24 percent of borrower payments received on or after October 1, 1998, and before October 1, 2003; and

(D) 23 percent of borrower payments received on or after October 1, 2003.

(2) Unless the Secretary approves otherwise, the guaranty agency must pay to the Secretary the Secretary's share of borrower payments within 45 days of its receipt of the payments.

(h) *Nondiscrimination.* (1) A guaranty agency may not engage in any pattern or practice that results in a denial of a borrower's access to FFEL loans because of the borrower's race, sex, color, religion, national origin, age, handicapped status, income, attendance at a particular participating school within any State served by the guaranty agency, length of the borrower's educational program, or the borrower's academic year in school.

(2) For purposes of this section a guaranty agency is deemed to be serving a State if it guarantees a loan that is—

(i) Made by a lender located in a State not served by the agency;

(ii) Made to a borrower who is a resident of a State not served by the agency; and

(iii) Made for attendance at a school located in the State.

(i) *Account maintenance fee.* A guaranty agency is paid an account maintenance fee based on the original principal amount of outstanding FFEL Program loans insured by the agency. For fiscal years 1999 and 2000, the fee is

0.12 percent of the original principal amount of outstanding loans. After fiscal year 2000, the fee is 0.10 percent of the original principal amount of outstanding loans.

(j) *Loan processing and issuance fee.* A guaranty agency is paid a loan processing and issuance fee based on the principal amount of FFEL Program loans originated during a fiscal year that are insured by the agency. The fee is paid quarterly. No payment is made for loans for which the disbursement checks have not been cashed or for which electronic funds transfers have not been completed. For fiscal years 1999 through 2003, the fee is 0.65 percent of the principal amount of loans originated. Beginning October 1, 2003, the fee is 0.40 percent.

(k) *Default aversion fee—(1) General.* If a guaranty agency performs default aversion activities on a delinquent loan in response to a lender's request for default aversion assistance on that loan, the agency receives a default aversion fee. The fee may not be paid more than once on any loan. The lender's request for assistance must be submitted to the guaranty agency no earlier than the 60th day and no later than the 120th day of the borrower's delinquency. A guaranty agency may not restrict a lender's choice of the date during this period on which the lender submits a request for default aversion assistance.

(2) *Amount of fees transferred.* No more frequently than monthly, a guaranty agency may transfer default aversion fees from the Federal Fund to its Operating Fund. The amount of the fees that may be transferred is equal to—

(i) One percent of the unpaid principal and accrued interest owed on loans that were submitted by lenders to the agency for default aversion assistance; minus

(ii) One percent of the unpaid principal and accrued interest owed by borrowers on default claims that—

(A) Were paid by the agency for the same time period for which the agency transferred default aversion fees from its Federal Fund; and

(B) For which default aversion fees have been received by the agency.

(3) *Calculation of fee.* (i) For purposes of calculating the one percent default aversion fee described in paragraph

§ 682.405

34 CFR Ch. VI (7–1–07 Edition)

(k)(2)(i) of this section, the agency must use the total unpaid principal and accrued interest owed by the borrower as of the date the default aversion assistance request is submitted by the lender.

(ii) For purposes of paragraph (k)(2)(ii) of this section, the agency must use the total unpaid principal and accrued interest owed by the borrower as of the date the agency paid the default claim.

(4) *Prohibition against conflicts.* If a guaranty agency contracts with an outside entity to perform any default aversion activities, that outside entity may not—

(i) Hold or service the loan; or

(ii) Perform collection activities on the loan in the event of default within 3 years of the claim payment date.

(1) *Other terms.* The reinsurance agreement contains other terms and conditions that the Secretary finds necessary to—

(1) Promote the purposes of the FFEL programs and to protect the United States from unreasonable risks of loss;

(2) Ensure proper and efficient administration of the loan guarantee program; and

(3) Ensure that due diligence will be exercised in the collection of loans.

§ 682.405 Loan rehabilitation agreement.

(a) *General.* (1) A guaranty agency that has a basic program agreement must enter into a loan rehabilitation agreement with the Secretary. The guaranty agency must establish a loan rehabilitation program for all borrowers with an enforceable promissory note for the purpose of rehabilitating defaulted loans, except for loans for which a judgment has been obtained, loans on which a default claim was filed under § 682.412, and loans on which

the borrower has been convicted of, or has pled nolo contendere or guilty to, a crime involving fraud in obtaining title IV, HEA program assistance, so that the loan may be purchased, if practicable, by an eligible lender and removed from default status.

(2) A loan is considered to be rehabilitated only after—

(i) The borrower has made and the guaranty agency has received nine of the ten payments required under a monthly repayment agreement.

(A) Each of which payments is—

(1) Made voluntarily;

(2) In the full amount required; and

(3) Received within 20 days of the due date for the payment, and

(B) All nine payments are received within a 10-month period that begins with the month in which the first required due date falls and ends with the ninth consecutive calendar month following that month, and

(ii) The loan has been sold to an eligible lender.

(3) After the loan has been rehabilitated, the borrower regains all benefits of the program, including any remaining deferment eligibility under section 428(b)(1)(M) of the Act, from the date of the rehabilitation.

(b) *Terms of agreement.* In the loan rehabilitation agreement, the guaranty agency agrees to ensure that its loan rehabilitation program meets the following requirements at all times:

(1) A borrower may request rehabilitation of the borrower's defaulted loan held by the guaranty agency. In order to be eligible for rehabilitation of the loan, the borrower must voluntarily make at least nine of the ten payments required under a monthly repayment agreement.

(i) Each of which payment is—

(A) Made voluntarily,

(B) In the full amount required, and

(C) Received within 20 days of the due date for the payment, and

(ii) All nine payments are received within a ten-month period that begins with the month in which the first required due date falls and ends with the ninth consecutive calendar month following that month.

(iii) For the purposes of this section, the determination of reasonable and affordable must—

(A) Include a consideration of the borrower's and spouse's disposable income and reasonable and necessary expenses including, but not limited to, housing, utilities, food, medical costs, work-related expenses, dependent care costs and other Title IV repayment;

(B) Not be a required minimum payment amount, e.g. \$50, if the agency determines that a smaller amount is reasonable and affordable based on the borrower's total financial circumstances. The agency must include documentation in the borrower's file of the basis for the determination if the monthly reasonable and affordable payment established under this section is less than \$50 or the monthly accrued interest on the loan, whichever is greater. However, \$50 may not be the minimum payment for a borrower if the agency determines that a smaller amount is reasonable and affordable; and

(C) Be based on the documentation provided by the borrower or other sources including, but not be limited to—

(1) Evidence of current income (e.g., proof of welfare benefits, Social Security benefits, child support, veterans' benefits, Supplemental Security Income, Workmen's Compensation, two most recent pay stubs, most recent copy of U.S. income tax return, State Department of Labor reports);

(2) Evidence of current expenses (e.g., a copy of the borrower's monthly household budget, on a form provided by the guaranty agency); and

(3) A statement of the unpaid balance on all FFEL loans held by other holders.

(iv) The agency must include any payment made under § 682.401(b)(4) in determining whether the nine out of ten payments required under paragraph (b)(1) of this section have been made.

(v) A borrower may request that the monthly payment amount be adjusted due to a change in the borrower's total financial circumstances only upon providing the documentation specified in paragraph (b)(1)(iii)(C) of this section.

(vi) A guaranty agency must provide the borrower with a written statement confirming the borrower's reasonable and affordable payment amount, as determined by the agency, and explaining

any other terms and conditions applicable to the required series of payments that must be made before a borrower's account can be considered for repurchase by an eligible lender. The statement must inform borrowers of the effects of having their loans rehabilitated (e.g., credit clearing, possibility of increased monthly payments). The statement must inform the borrower of the amount of the collection costs to be added to the unpaid principal at the time of the sale. The collection costs may not exceed 18.5 percent of the unpaid principal and accrued interest at the time of the sale.

(vii) A guaranty agency must provide the borrower with an opportunity to object to terms of the rehabilitation of the borrower's defaulted loan.

(2) For the purposes of this section, payment in the full amount required means payment of an amount that is reasonable and affordable, based on the borrower's total financial circumstances, as agreed to by the borrower and the agency. Voluntary payments are those made directly by the borrower and do not include payments obtained by Federal offset, garnishment, income or asset execution, or after a judgment has been entered on a loan. A guaranty agency must attempt to secure a lender to purchase the loan at the end of the 9- or 10-month payment period as applicable.

(3) The guaranty agency must report to all national credit bureaus within 90 days of the date the loan was rehabilitated that the loan is no longer in a default status and that the default is to be removed from the borrower's credit history.

(4) An eligible lender purchasing a rehabilitated loan must establish a repayment schedule that meets the same requirements that are applicable to other FFEL Program loans made under the same loan type and provides for the borrower to make monthly payments at least as great as the average of the 9 monthly payments received by the guaranty agency. The lender must treat the first payment made under the 9 payments as the first payment under the applicable maximum repayment term, as defined under § 682.209(a) or (h). For Consolidation loans, the maximum repayment term is based on the

§ 682.406

balance outstanding at the time of loan rehabilitation.

date the guaranty agency returned the claim is not reinsured unless the lender files a claim for loss on the loan with the guarantor together with all required documentation, prior to the 30th day;

(7) The lender satisfied all conditions of guarantee coverage set by the agency, unless the agency reinstated guarantee coverage on the loan following the lender's failure to satisfy such a condition pursuant to written policies and procedures established by the agency;

(8) The agency paid or returned to the lender for additional documentation a default claim thereon filed by the lender within 90 days of the date the lender filed the claim or, if applicable, the additional documentation, except that interest accruing beyond the 60th day after the date the lender originally filed the claim is not reinsured;

(9) The agency submitted a request for the payment on a form required by the Secretary no later than 30 days following payment of a default claim to the lender;

(iii) For Consolidation loans for which the application was received by the lender on or after October 1, 1998 and prior to February 1, 1999, payment on a monthly basis, of an interest payment rebate fee calculated on an annual basis and equal to 0.62 percent of the unpaid principal and accrued interest on the loan;

fee in accordance with paragraph (a)(12)(ii) of this section; and

(v) Compliance with all default aversion assistance requirements in § 682.404(a)(2)(ii).

(b) Notwithstanding paragraph (a) of this section, the Secretary may waive his right to refuse to make or require repayment of a reinsurance payment if, in the Secretary's judgment, the best interests of the United States so require. The Secretary's waiver policy for violations of paragraph (a)(3) or (a)(5) of this section is set forth in appendix D to this part.

(c) In evaluating a claim for insurance or reinsurance, the issue of confirmation of subsequent loans under an MPN will not be reviewed and a claim will not be denied based on the absence of any evidence relating to confirmation in a particular loan file. However, if a court rules that a loan is unenforceable solely because of the lack of evidence of a confirmation process or processes, insurance and reinsurance benefits must be repaid.

(2) After being notified by the borrower that the borrower claims to qualify for a discharge under this section, the lender shall suspend collection activity on the borrower's eligible FFEL Program Loan and promptly request that the borrower submit a request for discharge on a form approved by the Secretary.

(3) If the lender determines that the borrower does not qualify for a discharge under this section, or the lender

does not receive the completed discharge request form from the borrower within 60 days of the borrower notifying the lender that the borrower claims to qualify for a discharge, the lender shall resume collection and shall be deemed to have exercised forbearance of payment of both principal and interest from the date the lender was notified by the borrower. The lender must notify the borrower that the application for the discharge has been denied, provide the basis for the denial, and inform the borrower that the lender will resume collection on the loan. The lender may capitalize, in accordance with § 682.202(b), any interest accrued and not paid during this period.

Upon receipt of the returned claim, the lender must notify the borrower that the application for the discharge has been denied, provide the basis for the denial, and inform the borrower that the lender will resume collection on the loan. The lender is deemed to have exercised forbearance of both principal and interest from the date collection activity was suspended until the first payment due date. The

lender may capitalize, in accordance with § 682.202(b), any interest accrued and not paid during this period.

(8) If the guaranty agency determines that the borrower qualifies for a discharge, the guaranty agency pays the lender on an approved claim the amount of loss required under paragraph (c)(9) of this section. (11) The Secretary reimburses the guaranty agency for a discharge claim paid to the lender under this section after the agency pays the lender. (12) Except in the case of a partial discharge of a Consolidation Loan, the guaranty agency shall promptly return to the sender any payment on a discharged loan made by the sender and

received after the Secretary pays a discharge claim. At the same time that the agency returns the payment it shall notify the borrower that the loan has been discharged and that there is no further obligation to repay the loan.

(13) A FFEL Program Loan owed by an eligible public servant or an eligible victim may be discharged under the procedures in § 682.402 for a discharge based on the death or total and permanent disability of the eligible public servant or eligible victim.

§ 682.409 Mandatory assignment by guaranty agencies of defaulted loans to the Secretary.

(a)(1) If the Secretary determines that action is necessary to protect the Federal fiscal interest, the Secretary directs a guaranty agency to promptly assign to the Secretary any loans held by the agency on which the agency has received payment under § 682.402(f), 682.402(k), or 682.404. The collection of unpaid loans owed by Federal employees by Federal salary offset is, among other things, deemed to be in the Federal fiscal interest. Unless the Secretary notifies an agency, in writing, that other loans must be assigned to the Secretary, an agency must assign any loan that meets all of the following criteria as of April 15 of each year:

- (i) The unpaid principal balance is at least \$100.
- (ii) For each of the two fiscal years following the fiscal year in which these regulations are effective, the loan, and any other loans held by the agency for that borrower, have been held by the agency for at least four years; for any subsequent fiscal year such loan must have been held by the agency for at least five years.
- (iii) A payment has not been received on the loan in the last year.
- (iv) A judgment has not been entered on the loan against the borrower.

(2) If the agency fails to meet a fiscal year recovery rate standard under paragraph (a)(2)(ii) of this section for a loan type, and the Secretary determines that additional assignments are necessary to protect the Federal fiscal interest, the Secretary may require the agency to assign in addition to those loans described in paragraph (a)(1) of this section, loans in amounts needed to satisfy the requirements of paragraph (a)(2)(iii) or (a)(3)(i) of this section.

(i) *Calculation of fiscal year loan type recovery rate.* A fiscal year loan type recovery rate for an agency is determined by dividing the amount collected on defaulted loans, including collections by Federal Income Tax Refund Offset, for each loan program (i.e., the Stafford, PLUS, SLS, and Consolidation loan programs) by the agency for loans of that program (including payments received by the agency on loans under § 682.401(b)(4) and § 682.409 and the amounts of any loans purchased from the guaranty agency by an eligible lender) during the most recent fiscal year for which data are available by the total of principal and interest owed to an agency on defaulted loans for each loan program at the beginning of the same fiscal year, less accounts permanently assigned to the Secretary through the most recent fiscal year.

(ii) *Fiscal year loan type recovery rates standards.* (A) If, in each of the two fiscal years following the fiscal year in which these regulations are effective, the fiscal year loan type recovery rate for a loan program for an agency is below 80 percent of the average recovery rate of all active guaranty agencies in each of the same two fiscal years for that program type, and the Secretary determines that additional assignments are necessary to protect the Federal fiscal interest, the Secretary may require the agency to make additional assignments in accordance with paragraph (a)(2)(iii) of this section.

(B) In any subsequent fiscal year the loan type recovery rate standard for a loan program must be 90 percent of the average recovery rate of all active guaranty agencies.

(iii) *Non-achievement of loan type recovery rate standards.*

(A) Unless the Secretary determines under paragraph (a)(2)(iv) of this section that protection of the Federal fiscal interest requires that a lesser amount be assigned, upon notice from the Secretary, an agency with a fiscal year loan type recovery rate described in paragraph (a)(2)(ii) of this section must promptly assign to the Secretary a sufficient amount of defaulted loans, in addition to loans to be assigned in accordance with paragraph (a)(1) of this section, to cause the fiscal year loan type recovery rate of the agency

that fiscal year to equal or exceed the average rate of all agencies described in paragraph (a)(2)(ii) of this section when recalculated to exclude from the denominator of the agency's fiscal year loan type recovery rate the amount of these additional loans.

(B) The Secretary, in consultation with the guaranty agency, may require the amount of loans to be assigned under paragraph (a)(2) of this section to include particular categories of loans that share characteristics that make the performance of the agency fall below the appropriate percentage of the loan type recovery rate as described in paragraph (a)(2)(ii) of this section.

(iv) *Calculation of loan type recovery rate standards.* The Secretary, within 30 days after the date for submission of the second quarterly report from all agencies, makes available to all agencies a mid-year report, showing the recovery rate for each agency and the average recovery rate of all active guaranty agencies for each loan type. In addition, the Secretary, within 120 days after the beginning of each fiscal year, makes available a final report showing those rates and the average rate for each loan type for the preceding fiscal year.

(3)(i) *Determination that the protection of the Federal fiscal interest requires assignments.* Upon petition by an agency submitted within 45 days of the notice required by paragraph (a)(2)(iii)(A) of this section, the Secretary may determine that protection of the Federal fiscal interest does not require assignment of all loans described in paragraph (a)(1) of this section or of loans in the full amount described in paragraph (a)(2)(iii) of this section only after review of the agency's petition. In making this determination, the Secretary considers all relevant information available to him (including any information and documentation obtained by the Secretary in reviews of the agency or submitted to the Secretary by the agency) as follows:

(A) For each of the two fiscal years following the fiscal year in which these regulations are effective, the Secretary considers information presented by an agency with a fiscal year loan type recovery rate above the average rate of

all active agencies to demonstrate that the protection of the Federal fiscal interest will be served if any amounts of loans of the loan type required to be assigned to the Secretary under paragraph (a)(1) of this section are retained by that agency. For any subsequent fiscal year, the Secretary considers information presented by an agency with a fiscal year recovery rate 10 percent above the average rate of all active agencies.

(B) The Secretary considers information presented by an agency that is required to assign loans under paragraph (a)(2) of this section to demonstrate that the protection of the Federal fiscal interest will be served if the agency demonstrates that its compliance with § 682.401(b)(4) and § 682.405 has reduced substantially its fiscal year loan type recovery rate or rates or if the agency is not required to assign amounts of loans that would otherwise have to be assigned.

(C) The information provided by an agency pursuant to paragraphs (a)(3)(i)(A) and (B) of this section may include, but is not limited to the following:

(1) The fiscal year loan type recovery rate within such school sectors as the Secretary may designate for the agency, and for all agencies.

(2) The fiscal year loan type recovery rate for loans for the agency and for all agencies categorized by age of the loans as the Secretary may determine.

(3) The performance of the agency, and all agencies, in default aversion.

(4) The agency's performance on judgment enforcement.

(5) The existence and use of any state or guaranty agency-specific collection tools.

(6) The agency's level of compliance with §§ 682.409 and 682.410(b)(6).

(7) Other factors that may affect loan repayment such as State or regional unemployment and natural disasters.

(ii) *Denial of an agency's petition.* If the Secretary does not accept the agency's petition, the Secretary provides, in writing, to the agency the Secretary's reasons for concluding that the Federal fiscal interest is best protected by requiring the assignment.

(b)(1) A guaranty agency that assigns a defaulted loan to the Secretary under

this section thereby releases all rights and title to that loan. The Secretary does not pay the guaranty agency any compensation for a loan assigned under this section.

(2) The guaranty agency does not share in any amounts received by the Secretary on a loan assigned under this section, regardless of the reinsurance percentage paid on the loan or the agency's previous collection costs.

(c)(1) A guaranty agency must assign a loan to the Secretary under this section at the time, in the manner, and with the information and documentation that the Secretary requires. The agency must submit this information and documentation in the form (including magnetic media) and format specified by the Secretary.

(2) The guaranty agency must execute an assignment to the United States of America of all right, title, and interest in the promissory note or judgment evidencing a loan assigned under this section. If more than one loan is made under an MPN, the assignment of the note only applies to the loan or loans being assigned to the Secretary.

(3) If the agency does not provide the required information and documentation in the form and format required by the Secretary, the Secretary may, at his option—

(i) Allow the agency to revise the agency's submission to include the required information and documentation in the specified form and format;

(ii) In the case of an improperly formatted computer tape, reformat the tape and assess the cost of the activity against the agency;

(iii) Reorganize the material submitted and assess the cost of that activity against the agency; or

(iv) Obtain from other agency records and add to the agency's submission any information from the original submission, and assess the cost of that activity against the agency.

(4) For each loan assigned, the agency shall submit to the Secretary the following documents associated for each loan, assembled in the order listed below:

(i) The original or a true and exact copy of the promissory note.

(ii) Any documentation of a judgment entered on the loan.

(iii) A written assignment of the loan or judgment, unless this assignment is affixed to the promissory note.

(iv) The loan application, if a separate application was provided to the lender.

(v) A payment history for the loan, as described in § 682.414(a)(1)(ii)(C).

(vi) A collection history for the loan, as described in § 682.414(a)(1)(ii)(D).

(5) The agency may submit copies of required documents in lieu of originals.

(6) The Secretary may accept the assignment of a loan without all of the documents listed in paragraph (c)(4) of this section. If directed to do so, the agency must retain these documents for submission to the Secretary at some future date.

(d)(1) If the Secretary determines that the agency has not submitted a document or record required by paragraph (c) of this section, and the Secretary decides to allow the agency an additional opportunity to submit the omitted document under paragraph (c)(3)(i) of this section, the Secretary notifies the agency and provides a reasonable period of time for the agency to submit the omitted record or document.

(2) If the omitted document is not submitted within the time specified by the Secretary, the Secretary determines whether that omission impairs the Secretary's ability to collect the loan.

(3) If the Secretary determines that the ability to collect the loan has been impaired under paragraph (d)(2) of this section, the Secretary assesses the agency the amount paid to the agency under the reinsurance agreement and accrued interest at the rate applicable to the borrower under § 682.410(b)(3).

§ 682.410 Fiscal, administrative, and enforcement requirements.

(a) *Fiscal requirements*—(1) *Reserve fund assets*. A guaranty agency shall establish and maintain a reserve fund to be used solely for its activities as a guaranty agency under the FFEL Program (“guaranty activities”). The guaranty agency shall credit to the reserve fund—

(i) The total amount of insurance premiums and Federal default fees collected;

(ii) Funds received from a State for the agency’s guaranty activities, including matching funds under section 422(a) of the Act;

(iii) Federal advances obtained under sections 422(a) and (c) of the Act;

(iv) Federal payments for default, bankruptcy, death, disability, closed schools, and false certification claims;

(v) Supplemental preclaims assistance payments;

(vi) Transitional support payments received under section 458(a) of the Act;

(vii) Funds collected by the guaranty agency on FFEL Program loans on which a claim has been paid;

(viii) Investment earnings on the reserve fund; and

(ix) Other funds received by the guaranty agency from any source for the agency’s guaranty activities.

(2) *Uses of reserve fund assets*. A guaranty agency may not use the assets of the reserve fund established under paragraph (a)(1) of this section to pay costs prohibited under § 682.418, but shall use the assets of the reserve fund to pay only—

(i) Insurance claims;

(ii) Costs that are reasonable, as defined under § 682.410(a)(11)(iii), and that

are ordinary and necessary for the agency to fulfill its responsibilities under the HEA, including costs of collecting loans, providing preclaims assistance, monitoring enrollment and repayment status, and carrying out any other guaranty activities. Those costs must be—

(A) Allocable to the FFEL Program;

(B) Not higher than the agency would incur under established policies, regulations, and procedures that apply to any comparable non-Federal activities of the guaranty agency;

(C) Not included as a cost or used to meet cost sharing or matching requirements of any other federally supported activity, except as specifically provided by Federal law;

(D) Net of all applicable credits; and

(E) Documented in accordance with applicable legal and accounting standards;

(iii) The Secretary’s equitable share of collections;

(iv) Federal advances and other funds owed to the Secretary;

(v) Reinsurance fees;

(vi) Insurance premiums and Federal default fees related to cancelled loans;

(vii) Borrower refunds, including those arising out of student or other borrower claims and defenses;

(viii) (A) The repayment, on or after December 29, 1993, of amounts credited under paragraphs (a)(1)(ii) or (a)(1)(ix) of this section, if the agency provides the Secretary 30 days prior notice of the repayment and demonstrates that—

(1) These amounts were originally received by the agency under appropriate contemporaneous documentation specifying that receipt was on a temporary basis only;

(2) The objective for which these amounts were originally received by the agency has been fully achieved; and

(3) Repayment of these amounts would not cause the agency to fail to comply with the minimum reserve levels provided by paragraph (a)(10) of this section, except that the Secretary may, for good cause, provide written permission for a payment that meets the other requirements of this paragraph (a)(2)(ix)(A).

(B) The repayment, prior to December 29, 1993, of amounts credited under

paragraphs (a)(1)(ii) or (a)(1)(ix) of this section, if the agency demonstrates that—

(1) These amounts were originally received by the agency under appropriate contemporaneous documentation that receipt was on a temporary basis only; and

(2) The objective for which these amounts were originally received by the agency has been fully achieved.

(ix) Any other costs or payments ordinary and necessary to perform functions directly related to the agency's responsibilities under the HEA and for their proper and efficient administration;

(x) Notwithstanding any other provision of this section, any other payment that was allowed by law or regulation at the time it was made, if the agency acted in good faith when it made the payment or the agency would otherwise be unfairly prejudiced by the non-allowability of the payment at a later time; and

(xi) Any other amounts authorized or directed by the Secretary.

(3) *Accounting basis.* Except as approved by the Secretary, a guaranty agency shall credit the items listed in paragraph (a)(1) of this section to its reserve fund upon their receipt, without any deferral for accounting purposes, and shall deduct the items listed in paragraph (a)(2) of this section from its reserve fund upon their payment, without any accrual for accounting purposes.

(4) *Accounting records.* (i) The accounting records of a guaranty agency must reflect the correct amount of sources and uses of funds under paragraph (a) of this section.

(ii) A guaranty agency may reverse prior credits to its reserve fund if—

(A) The agency gives the Secretary prior notice setting forth a detailed justification for the action;

(B) The Secretary determines that such credits were made erroneously and in good faith; and

(C) The Secretary determines that the action would not unfairly prejudice other parties.

(iii) A guaranty agency shall correct any other errors in its accounting or reporting as soon as practicable after

the errors become known to the agency.

(iv) If a general reconstruction of a guaranty agency's historical accounting records is necessary to make a change under paragraphs (a)(4)(ii) and (a)(4)(iii) of this section or any other retroactive change to its accounting records, the agency may make this reconstruction only upon prior approval by the Secretary and without any deduction from its reserve fund for the cost of the reconstruction.

(5) *Investments.* The guaranty agency shall exercise the level of care required of a fiduciary charged with the duty of investing the money of others when it invests the assets of the reserve fund described in paragraph (a)(1) of this section. It may invest these assets only in low-risk securities, such as obligations issued or guaranteed by the United States or a State.

(6) *Development of assets.* (i) If the guaranty agency uses in a substantial way for purposes other than the agency's guaranty activities any funds required to be credited to the reserve fund under paragraph (a)(1) of this section or any assets derived from the reserve fund to develop an asset of any kind and does not in good faith allocate a portion of the cost of developing and maintaining the developed asset to funds other than the reserve fund, the Secretary may require the agency to—

(A) Correct this allocation under paragraph (a)(4)(iii) of this section; or

(B) Correct the recorded ownership of the asset under paragraph (a)(4)(iii) of this section so that—

(1) If, in a transaction with an unrelated third party, the agency sells or otherwise derives revenue from uses of the asset that are unrelated to the agency's guaranty activities, the agency promptly shall deposit into the reserve fund described in paragraph (a)(1) of this section a percentage of the sale proceeds or revenue equal to the fair percentage of the total development cost of the asset paid with the reserve fund monies or provided by assets derived from the reserve fund; or

(2) If the agency otherwise converts the asset, in whole or in part, to a use unrelated to its guaranty activities, the agency promptly shall deposit into the reserve fund described in paragraph

(a)(1) of this section a fair percentage of the fair market value or, in the case of a temporary conversion, the rental value of the portion of the asset employed for the unrelated use.

(ii) If the agency uses funds or assets described in paragraph (a)(6)(i) of this section in the manner described in that paragraph and makes a cost and maintenance allocation erroneously and in good faith, it shall correct the allocation under paragraph (a)(4)(iii) of this section.

(7) *Third-party claims.* If the guaranty agency has any claim against any other party to recover funds or other assets for the reserve fund, the claim is the property of the United States.

(8) *Related-party transactions.* All transactions between a guaranty agency and a related organization or other person that involve funds required to be credited to the agency's reserve fund under paragraph (a)(1) of this section or assets derived from the reserve fund must be on terms that are not less advantageous to the reserve fund than would have been negotiated on an arm's-length basis by unrelated parties.

(9) *Scope of definition.* The provisions of this § 682.410(a) define reserve funds and assets for purposes of sections 422 and 428 of the Act. These provisions do not, however, affect the Secretary's authority to use all funds and assets of the agency pursuant to section 428(c)(9)(F)(vi) of the Act.

(10) *Minimum reserve fund level.* The guaranty agency must maintain a current minimum reserve level of not less than—

(i) .5 percent of the amount of loans outstanding, for the fiscal year of the agency that begins in calendar year 1993;

(ii) .7 percent of the amount of loans outstanding, for the fiscal year of the agency that begins in calendar year 1994;

(iii) .9 percent of the amount of loans outstanding, for the fiscal year of the agency that begins in calendar year 1995; and

(iv) 1.1 percent of the amount of loans outstanding, for each fiscal year of the agency that begins on or after January 1, 1996.

(11) *Definitions.* For purposes of this section—

(i) *Reserve fund level* means—

(A) The total of reserve fund assets as defined in paragraph (a)(1) of this section;

(B) Minus the total amount of the reserve fund assets used in accordance with paragraphs (a)(2) and (a)(3) of this section; and

(ii) *Amount of loans outstanding* means—

(A) The sum of—

(1) The original principal amount of all loans guaranteed by the agency; and

(2) The original principal amount of any loans on which the guarantee was transferred to the agency from another guarantor, excluding loan guarantees transferred to another agency pursuant to a plan of the Secretary in response to the insolvency of the agency;

(B) Minus the original principal amount of all loans on which—

(1) The loan guarantee was cancelled;

(2) The loan guarantee was transferred to another agency;

(3) Payment in full has been made by the borrower;

(4) Reinsurance coverage has been lost and cannot be regained; and

(5) The agency paid claims.

(iii) *Reasonable cost* means a cost that, in its nature and amount, does not exceed that which would be incurred by a prudent person under the circumstances prevailing at the time the decision was made to incur the cost. The burden of proof is upon the guaranty agency, as a fiduciary under its agreements with the Secretary, to establish that costs are reasonable. In determining reasonableness of a given cost, consideration must be given to—

(A) Whether the cost is of a type generally recognized as ordinary and necessary for the proper and efficient performance and administration of the guaranty agency's responsibilities under the HEA;

(B) The restraints or requirements imposed by factors such as sound business practices, arms-length bargaining, Federal, State, and other laws and regulations, and the terms and conditions of the guaranty agency's agreements with the Secretary; and

(C) Market prices of comparable goods or services.

(b) *Administrative requirements*—(1) *Independent audits.* The guaranty agency shall arrange for an independent financial and compliance audit of the agency's FFEL program as follows:

(i) With regard to a guaranty agency that is an agency of a State government, an audit must be conducted in accordance with 31 U.S.C. 7502 and 34 CFR part 80, appendix G.

(ii) With regard to a guaranty agency that is a nonprofit organization, an audit must be conducted in accordance with OMB Circular A-133, Audits of Institutions of Higher Education and Other Nonprofit Organizations and 34 CFR 74.61(h)(3). If a nonprofit guaranty agency meets the criteria in Circular A-133 to have a program specific audit, and chooses that option, the program specific audit must meet the following requirements:

(A) The audit must examine the agency's compliance with the Act, applicable regulations, and agreements entered into under this part.

(B) The audit must examine the agency's financial management of its FFEL program activities.

(C) The audit must be conducted in accordance with the standards for audits issued by the United States General Accounting Office's (GAO) Government Auditing Standards. Procedures for audits are contained in an audit guide developed by, and available from, the Office of the Inspector General of the Department.

(D) The audit must be conducted annually and must be submitted to the Secretary within six months of the end of the audit period. The first audit must cover the agency's activities for a period that includes July 23, 1992, unless the agency is currently submitting audits on a biennial basis, and the second year of its biennial cycle starts on or before July 23, 1992. Under these circumstances, the agency shall submit a biennial audit that includes July 23, 1992 and submit its next audit as an annual audit.

(2) *Collection charges.* Whether or not provided for in the borrower's promissory note and subject to any limitation on the amount of those costs in that note, the guaranty agency shall charge

a borrower an amount equal to reasonable costs incurred by the agency in collecting a loan on which the agency has paid a default or bankruptcy claim. These costs may include, but are not limited to, all attorney's fees, collection agency charges, and court costs. Except as provided in §§ 682.401(b)(27) and 682.405(b)(1)(iv), the amount charged a borrower must equal the lesser of—

(i) The amount the same borrower would be charged for the cost of collection under the formula in 34 CFR 30.60; or

(ii) The amount the same borrower would be charged for the cost of collection if the loan was held by the U.S. Department of Education.

(3) *Interest charged by guaranty agencies.* The guaranty agency shall charge the borrower interest on the amount owed by the borrower after the capitalization required under paragraph (b)(4) of this section has occurred at a rate that is the greater of—

(i) The rate established by the terms of the borrower's original promissory note;

(ii) In the case of a loan for which a judgment has been obtained, the rate provided for by State law.

(4) *Capitalization of unpaid interest.* The guaranty agency shall capitalize any unpaid interest due the lender from the borrower at the time the agency pays a default claim to the lender.

(5) *Credit bureau reports.* (i) After the completion of the procedures in paragraph (b)(5)(ii) of this section, the guaranty agency shall, after it has paid a default claim, report promptly, but not less than sixty days after completion of the procedures in paragraph (b)(6)(v) of this section, and on a regular basis, to all national credit bureaus—

(A) The total amount of loans made to the borrower and the remaining balance of those loans;

(B) The date of default;

(C) Information concerning collection of the loan, including the repayment status of the loan;

(D) Any changes or corrections in the information reported by the agency that result from information received after the initial report; and

(E) The date the loan is fully repaid by or on behalf of the borrower or discharged by reason of the borrower's death, bankruptcy, total and permanent disability, or closed school or false certification.

(ii) The guaranty agency, after it pays a default claim on a loan but before it reports the default to a credit bureau or assesses collection costs against a borrower, shall, within the timeframe specified in paragraph (b)(6)(v) of this section, provide the borrower with—

(A) Written notice that meets the requirements of paragraph (b)(5)(vi) of this section regarding the proposed actions;

(B) An opportunity to inspect and copy agency records pertaining to the loan obligation;

(C) An opportunity for an administrative review of the legal enforceability or past-due status of the loan obligation; and

(D) An opportunity to enter into a repayment agreement on terms satisfactory to the agency.

(iii) The procedures set forth in 34 CFR 30.20-30.33 (administrative offset) satisfy the requirements of paragraph (b)(5)(ii) of this section.

(iv)(A) In response to a request submitted by a borrower, after the deadlines established under agency rules, for access to records, an administrative review, or for an opportunity to enter into a repayment agreement, the agency shall provide the requested relief but may continue reporting the debt to credit bureaus until it determines that the borrower has demonstrated that the loan obligation is not legally enforceable or that alternative repayment arrangements satisfactory to the agency have been made with the borrower.

(B) The deadline established by the agency for requesting administrative review under paragraph (b)(5)(ii)(C) of this section must allow the borrower at least 60 days from the date the notice described in paragraph (b)(5)(ii)(A) of this section is sent to request that review.

(v) An agency may not permit an employee, official, or agent to conduct the administrative review required under this paragraph if that individual is—

(A) Employed in an organizational component of the agency or its agent that is charged with collection of loan obligations; or

(B) Compensated on the basis of collections on loan obligations.

(vi) The notice sent by the agency under paragraph (b)(5)(ii)(A) of this section must—

(A) Advise the borrower that the agency has paid a default claim filed by the lender and has taken assignment of the loan;

(B) Identify the lender that made the loan and the school for attendance at which the loan was made;

(C) State the outstanding principal, accrued interest, and any other charges then owing on the loan;

(D) Demand that the borrower immediately begin repayment of the loan;

(E) Explain the rate of interest that will accrue on the loan, that all costs incurred to collect the loan will be charged to the borrower, the authority for assessing these costs, and the manner in which the agency will calculate the amount of these costs;

(F) Notify the borrower that the agency will report the default to all national credit bureaus to the detriment of the borrower's credit rating;

(G) Explain the opportunities available to the borrower under agency rules to request access to the agency's records on the loan, to request an administrative review of the legal enforceability or past-due status of the loan, and to reach an agreement on repayment terms satisfactory to the agency to prevent the agency from reporting the loan as defaulted to credit bureaus and provide deadlines and method for requesting this relief;

(H) Unless the agency uses a separate notice to advise the borrower regarding other proposed enforcement actions, describe specifically any other enforcement action, such as offset against Federal or state income tax refunds or wage garnishment that the agency intends to use to collect the debt, and explain the procedures available to the borrower prior to those other enforcement actions for access to records, for an administrative review, or for agreement to alternative repayment terms;

(I) Describe the grounds on which the borrower may object that the loan obligation as stated in the notice is not a legally enforceable debt owed by the borrower;

(J) Describe any appeal rights available to the borrower from an adverse decision on administrative review of the loan obligation;

(K) Describe any right to judicial review of an adverse decision by the agency regarding the legal enforceability or past-due status of the loan obligation; and

(L) Describe the collection actions that the agency may take in the future if those presently proposed do not result in repayment of the loan obligation, including the filing of a lawsuit against the borrower by the agency and assignment of the loan to the Secretary for the filing of a lawsuit against the borrower by the Federal Government.

(vii) As part of the guaranty agency's response to a borrower who appeals an adverse decision resulting from the agency's administrative review of the loan obligation, the agency must provide the borrower with information on the availability of the Student Loan Ombudsman's office.

(6) *Collection efforts on defaulted loans.*

(i) A guaranty agency must engage in reasonable and documented collection activities on a loan on which it pays a default claim filed by a lender. For a non-paying borrower, the agency must perform at least one activity every 180 days to collect the debt, locate the borrower (if necessary), or determine if the borrower has the means to repay the debt.

(ii) A guaranty agency must attempt an annual Federal offset against all eligible borrowers. If an agency initiates proceedings to offset a borrower's State or Federal income tax refunds and other payments made by the Federal Government to the borrower, it may not initiate those proceedings sooner than 60 days after sending the notice described in paragraph (b)(5)(ii)(A) of this section.

(iii) A guaranty agency must initiate administrative wage garnishment proceedings against all eligible borrowers, except as provided in paragraph (b)(6)(iv) of this section, by following

the procedures described in paragraph (b)(9) of this section.

(iv) A guaranty agency may file a civil suit against a borrower to compel repayment only if the borrower has no wages that can be garnished under paragraph (b)(9) of this section, or the agency determines that the borrower has sufficient attachable assets or income that is not subject to administrative wage garnishment that can be used to repay the debt, and the use of litigation would be more effective in collection of the debt.

(v) Within 45 days after paying a lender's default claim, the agency must send a notice to the borrower that contains the information described in paragraph (b)(5)(ii) of this section. During this time period, the agency also must notify the borrower, either in the notice containing the information described in paragraph (b)(5)(ii) of this section, or in a separate notice, that if he or she does not make repayment arrangements acceptable to the agency, the agency will promptly initiate procedures to collect the debt. The agency's notification to the borrower must state that the agency may administratively garnish the borrower's wages, file a civil suit to compel repayment, offset the borrower's State and Federal income tax refunds and other payments made by the Federal Government to the borrower, assign the loan to the Secretary in accordance with § 682.409, and take other lawful collection means to collect the debt, at the discretion of the agency. The agency's notification must include a statement that borrowers may have certain legal rights in the collection of debts, and that borrowers may wish to contact counselors or lawyers regarding those rights.

(vi) Within a reasonable time after all of the information described in paragraph (b)(6)(v) of this section has been sent, the agency must send at least one notice informing the borrower that the default has been reported to all national credit bureaus (if that is the case) and that the borrower's credit rating may thereby have been damaged.

(7) *Special conditions for agency payment of a claim.* (i) A guaranty agency may adopt a policy under which it pays

§ 682.410

34 CFR Ch. VI (7–1–07 Edition)

a claim to a lender on a loan under the conditions described in § 682.509(a)(1).

(ii) Upon the payment of a claim under a policy described in paragraph (b)(7)(i) of this section, the guaranty agency shall—

(A) Perform the loan servicing functions required of a lender under § 682.208, except that the agency is not required to follow the credit bureau reporting requirements of that section;

(B) Perform the functions of the lender during the repayment period of the loan, as required under § 682.209;

(C) If the borrower is delinquent in repaying the loan at the time the agency pays a claim thereon to the lender or becomes delinquent while the agency holds the loan, exercise due diligence in accordance with § 682.411 in attempting to collect the loan from the borrower and any endorser or co-maker; and

(D) After the date of default on the loan, if any, comply with paragraph (b)(6) of this section with respect to collection activities on the loan, with the date of default treated as the claim payment date for purposes of those paragraphs.

(8) *Preemption of State law.* The provisions of paragraphs (b)(2), (5), and (6) of this section preempt any State law, including State statutes, regulations, or rules, that would conflict with or hinder satisfaction of the requirements of these provisions.

(9) *Administrative Garnishment.* (i) If a guaranty agency decides to garnish the disposable pay of a borrower who is not making payments on a loan held by the agency, on which the Secretary has paid a reinsurance claim, it shall do so in accordance with the following procedures:

(A) The employer shall deduct and pay to the agency from a borrower's wages an amount that does not exceed the lesser of 15 percent of the borrower's disposable pay for each pay period or the amount permitted by 15 U.S.C. 1673, unless the borrower provides the agency with written consent to deduct a greater amount. For this purpose, the term "disposable pay" means that part of the borrower's compensation from an employer remaining after the deduction of any amounts required by law to be withheld.

(B) At least 30 days before the initiation of garnishment proceedings, the guaranty agency shall mail to the borrower's last known address, a written notice of the nature and amount of the debt, the intention of the agency to initiate proceedings to collect the debt through deductions from pay, and an explanation of the borrower's rights.

(C) The guaranty agency shall offer the borrower an opportunity to inspect and copy agency records related to the debt.

(D) The guaranty agency shall offer the borrower an opportunity to enter into a written repayment agreement with the agency under terms agreeable to the agency.

(E) The guaranty agency shall offer the borrower an opportunity for a hearing in accordance with paragraph (b)(9)(i)(J) of this section concerning the existence or the amount of the debt and, in the case of a borrower whose proposed repayment schedule under the garnishment order is established other than by a written agreement under paragraph (b)(9)(i)(D) of this section, the terms of the repayment schedule.

(F) The guaranty agency shall sue any employer for any amount that the employer, after receipt of the garnishment notice provided by the agency under paragraph (b)(9)(i)(H) of this section, fails to withhold from wages owed and payable to an employee under the employer's normal pay and disbursement cycle.

(G) The guaranty agency may not garnish the wages of a borrower whom it knows has been involuntarily separated from employment until the borrower has been reemployed continuously for at least 12 months.

(H) Unless the guaranty agency receives information that the agency believes justifies a delay or cancellation of the withholding order, it shall send a withholding order to the employer within 20 days after the borrower fails to make a timely request for a hearing, or, if a timely request for a hearing is made by the borrower, within 20 days after a final decision is made by the agency to proceed with garnishment.

(I) The notice given to the employer under paragraph (b)(9)(i)(H) of this section must contain only the information

as may be necessary for the employer to comply with the withholding order.

(J) The guaranty agency shall provide a hearing, which, at the borrower's option, may be oral or written, if the borrower submits a written request for a hearing on the existence or amount of the debt or the terms of the repayment schedule. The time and location of the hearing shall be established by the agency. An oral hearing may, at the borrower's option, be conducted either in-person or by telephone conference. All telephonic charges must be the responsibility of the guaranty agency.

(K) If the borrower's written request is received by the guaranty agency on or before the 15th day following the borrower's receipt of the notice described in paragraph (b)(9)(i)(B) of this section, the guaranty agency may not issue a withholding order until the borrower has been provided the requested hearing. For purposes of this paragraph, in the absence of evidence to the contrary, a borrower shall be considered to have received the notice described in paragraph (b)(9)(i)(B) of this section 5 days after it was mailed by the agency. The guaranty agency shall provide a hearing to the borrower in sufficient time to permit a decision, in accordance with the procedures that the agency may prescribe, to be rendered within 60 days.

(L) If the borrower's written request is received by the guaranty agency after the 15th day following the borrower's receipt of the notice described in paragraph (b)(9)(i)(B) of this section, the guaranty agency shall provide a hearing to the borrower in sufficient time that a decision, in accordance with the procedures that the agency may prescribe, may be rendered within 60 days, but may not delay issuance of a withholding order unless the agency determines that the delay in filing the request was caused by factors over which the borrower had no control, or the agency receives information that the agency believes justifies a delay or cancellation of the withholding order. For purposes of this paragraph, in the absence of evidence to the contrary, a borrower shall be considered to have received the notice described in para-

graph (b)(9)(i)(B) of this section 5 days after it was mailed by the agency.

(M) The hearing official appointed by the agency to conduct the hearing may be any qualified individual, including an administrative law judge, not under the supervision or control of the head of the guaranty agency.

(N) The hearing official shall issue a final written decision at the earliest practicable date, but not later than 60 days after the guaranty agency's receipt of the borrower's hearing request.

(O) As specified in section 488A(a)(8) of the HEA, the borrower may seek judicial relief, including punitive damages, if the employer discharges, refuses to employ, or takes disciplinary action against the borrower due to the issuance of a withholding order.

(ii) References to "the borrower" in this paragraph include all endorsers on a loan.

(10) *Conflicts of interest.* (i) A guaranty agency shall maintain and enforce written standards of conduct governing the performance of its employees, officers, directors, trustees, and agents engaged in the selection, award, and administration of contracts or agreements. The standards of conduct must, at a minimum, require disclosure of financial or other interests and must mandate disinterested decision-making. The standards must provide for appropriate disciplinary actions to be applied for violations of the standards by employees, officers, directors, trustees, or agents of the guaranty agency, and must include provisions to—

(A) Prohibit any employee, officer, director, trustee, or agent from participating in the selection, award, or decision-making related to the administration of a contract or agreement supported by the reserve fund described in paragraph (a) of this section, if that participation would create a conflict of interest. Such a conflict would arise if the employee, officer, director, trustee, or agent, or any member of his or her immediate family, his or her partner, or an organization that employs or is about to employ any of those parties has a financial or ownership interest in the organization selected for an award or would benefit from the decision made in the administration of the contract or agreement. The prohibitions

§ 682.410

34 CFR Ch. VI (7–1–07 Edition)

described in this paragraph do not apply to employees of a State agency covered by codes of conduct established under State law;

(B) Ensure sufficient separation of responsibility and authority between its lender claims processing as a guaranty agency and its lending or loan servicing activities, or both, within the guaranty agency or between that agency and one or more affiliates, including independence in direct reporting requirements and such management and systems controls as may be necessary to demonstrate, in the independent audit required under § 682.410(b)(1), that claims filed by another arm of the guaranty agency or by an affiliate of that agency receive no more favorable treatment than that accorded the claims filed by a lender or servicer that is not an affiliate or part of the guaranty agency; and

(C) Prohibit the employees, officers, directors, trustees, and agents of the guaranty agency, his or her partner, or any member of his or her immediate family, from soliciting or accepting gratuities, favors, or anything of monetary value from contractors or parties to agreements, except that nominal and unsolicited gratuities, favors, or items may be accepted.

(ii) *Guaranty agency restructuring.* If the Secretary determines that action is necessary to protect the Federal fiscal interest because of an agency's failure to meet the requirements of § 682.410(b)(10)(i), the Secretary may require the agency to comply with any additional measures that the Secretary believes are appropriate, including the total divestiture of the agency's non-FFEL functions and the agency's interests in any affiliated organization.

(c) *Enforcement requirements.* A guaranty agency shall take such measures and establish such controls as are necessary to ensure its vigorous enforcement of all Federal, State, and guaranty agency requirements, including agreements, applicable to its loan guarantee program, including, at a minimum, the following:

(1) Conducting comprehensive biennial on-site program reviews, using statistically valid techniques to calculate liabilities to the Secretary that each

review indicates may exist, of at least—

(i)(A) Each participating lender whose dollar volume of FFEL loans made or held by the lender and guaranteed by the agency in the preceding year—

(1) Equaled or exceeded two percent of the total of all loans guaranteed in that year by the agency;

(2) Was one of the ten largest lenders whose loans were guaranteed in that year by the agency; or

(3) Equaled or exceeded \$10 million in the most recent fiscal year;

(B) Each lender described in section 435(d)(1)(D) or (J) of the Act that is located in any State in which the agency is the principal guarantor, and, at the option of each guaranty agency, the Student Loan Marketing Association; and

(C) Each participating school, located in a State for which the guaranty agency is the principal guaranty agency, that has a cohort default rate, as described in subpart M of 34 CFR part 668, for either of the 2 immediately preceding fiscal years, as defined in 34 CFR 668.182, that exceeds 20 percent, unless the school is under a mandate from the Secretary under subpart M of 34 CFR part 668 to take specific default reduction measures or if the total dollar amount of loans entering repayment in each fiscal year on which the cohort default rate over 20 percent is based does not exceed \$100,000; or

(ii) The schools and lenders selected by the agency as an alternative to the reviews required by paragraphs (c)(1)(A)–(C) of this section if the Secretary approves the agency's proposed alternative selection methodology.

(2) Demanding prompt repayment by the responsible parties to lenders, borrowers, the agency, or the Secretary, as appropriate, of all funds found in those reviews to be owed by the participants with regard to loans guaranteed by the agency, whether or not the agency holds the loans, and monitoring the implementation by participants of corrective actions, including these repayments, required by the agency as a result of those reviews.

(3) Referring to the Secretary for further enforcement action any case in

which repayment of funds to the Secretary is not made in full within 60 days of the date of the agency's written demand to the school, lender, or other party for payment, together with all supporting documentation, any correspondence, and any other documentation submitted by that party regarding the repayment.

(4) Adopting procedures for identifying fraudulent loan applications.

(5) Undertaking or arranging with State or local law enforcement agencies for the prompt and thorough investigation of all allegations and indications of criminal or other programmatic misconduct by its program participants, including violations of Federal law or regulations.

(6) Promptly referring to appropriate State and local regulatory agencies and to nationally recognized accrediting agencies and associations for investigation information received by the guaranty agency that may affect the retention or renewal of the license or accreditation of a program participant.

(7) Promptly reporting all of the allegations and indications of misconduct having a substantial basis in fact, and the scope, progress, and results of the agency's investigations thereof to the Secretary.

(8) Referring appropriate cases to State or local authorities for criminal prosecution or civil litigation.

(9) Promptly notifying the Secretary of—

(i) Any action it takes affecting the FFEL program eligibility of a participating lender or school;

(ii) Information it receives regarding an action affecting the FFEL program eligibility of a participating lender or school taken by a nationally recognized accrediting agency, association, or a State licensing agency;

(iii) Any judicial or administrative proceeding relating to the enforceability of FFEL loans guaranteed by the agency or in which tuition obligations of a school's students are directly at issue, other than a proceeding relating to a single borrower or student; and

(iv) Any petition for relief in bankruptcy, application for receivership, or corporate dissolution proceeding brought by or against a school or lender

participating in its loan guarantee program.

(10) Cooperating with all program reviews, investigations, and audits conducted by the Secretary relating to the agency's loan guarantee program.

(11) Taking prompt action to protect the rights of borrowers and the Federal fiscal interest respecting loans that the agency has guaranteed when the agency learns that a participating school or holder of loans is experiencing problems that threaten the solvency of the school or holder, including—

(i) Conducting on-site program reviews;

(ii) Providing training and technical assistance, if appropriate;

(iii) Filing a proof of claim with a bankruptcy court for recovery of any funds due the agency and any refunds due to borrowers on FFEL loans that it has guaranteed when the agency learns that a school has filed a bankruptcy petition;

(iv) Promptly notifying the Secretary that the agency has determined that a school or holder of loans is experiencing potential solvency problems; and

(v) Promptly notifying the Secretary of the results of any actions taken by the agency to protect Federal funds involving such a school or holder.

§ 682.411 Lender due diligence in collecting guaranty agency loans.

(a) *General.* In the event of delinquency on an FFEL Program loan, the lender must engage in at least the collection efforts described in paragraphs (c) through (n) of this section, except that in the case of a loan made to a borrower who is incarcerated, residing outside a State, Mexico, or Canada, or whose telephone number is unknown,

the lender may send a forceful collection letter instead of each telephone effort required by this section.

(b) *Delinquency.* (1) For purposes of this section, delinquency on a loan begins on the first day after the due date of the first missed payment that is not later made. The due date of the first payment is established by the lender but must occur by the deadlines specified in § 682.209(a) or, if the lender first learns after the fact that the borrower has entered the repayment period, no later than 75 days after the day the lender so learns, except as provided in § 682.209(a)(2)(v) and (a)(3)(ii)(E). If a payment is made late, the first day of delinquency is the day after the due date of the next missed payment that is not later made. A payment that is within five dollars of the amount normally required to advance the due date may nevertheless advance the due date if the lender's procedures allow for that advancement.

(2) At no point during the periods specified in paragraphs (c), (d), and (e) of this section may the lender permit the occurrence of a gap in collection activity, as defined in paragraph (j) of this section, of more than 45 days (60 days in the case of a transfer).

(3) As part of one of the collection activities provided for in this section, the lender must provide the borrower with information on the availability of the Student Loan Ombudsman's office.

(c) *1-15 days delinquent.* Except in the case in which a loan is brought into this period by a payment on the loan, expiration of an authorized deferment or forbearance period, or the lender's receipt from the drawee of a dishonored check submitted as a payment on the loan, the lender during this period must send at least one written notice or collection letter to the borrower informing the borrower of the delinquency and urging the borrower to make payments sufficient to eliminate the delinquency. The notice or collection letter sent during this period must include, at a minimum, a lender or servicer contact, a telephone number, and a prominent statement informing the borrower that assistance may be available if he or she is experiencing difficulty in making a scheduled repayment.

(d) *16-180 days delinquent (16-240 days delinquent for a loan repayable in installments less frequently than monthly).* (1) Unless exempted under paragraph (d)(4) of this section, during this period the lender must engage in at least four diligent efforts to contact the borrower by telephone and send at least four collection letters urging the borrower to make the required payments on the loan. At least one of the diligent efforts to contact the borrower by telephone must occur on or before, and another one must occur after, the 90th day of delinquency. Collection letters sent during this period must include, at a minimum, information for the borrower regarding deferment, forbearance, income-sensitive repayment and loan consolidation, and other available options to avoid default.

(2) At least two of the collection letters required under paragraph (d)(1) of this section must warn the borrower that, if the loan is not paid, the lender will assign the loan to the guaranty agency that, in turn, will report the default to all national credit bureaus, and that the agency may institute proceedings to offset the borrower's State and Federal income tax refunds and other payments made by the Federal Government to the borrower or to garnish the borrower's wages, or to assign the loan to the Federal Government for litigation against the borrower.

(3) Following the lender's receipt of a payment on the loan or a correct address for the borrower, the lender's receipt from the drawee of a dishonored check received as a payment on the loan, the lender's receipt of a correct telephone number for the borrower, or the expiration of an authorized deferment or forbearance period, the lender is required to engage in only—

(i) Two diligent efforts to contact the borrower by telephone during this period, if the loan is less than 91 days delinquent (121 days delinquent for a loan repayable in installments less frequently than monthly) upon receipt of the payment, correct address, correct telephone number, or returned check, or expiration of the deferment or forbearance; or

(ii) One diligent effort to contact the borrower by telephone during this period if the loan is 91–120 days delinquent (121–180 days delinquent for a loan repayable in installments less frequently than monthly) upon receipt of the payment, correct address, correct telephone number, or returned check, or expiration of the deferment or forbearance.

(4) A lender need not attempt to contact by telephone any borrower who is more than 120 days delinquent (180 days delinquent for a loan repayable in installments less frequent than monthly) following the lender's receipt of—

- (i) A payment on the loan;
- (ii) A correct address or correct telephone number for the borrower;
- (iii) A dishonored check received from the drawee as a payment on the loan; or
- (iv) The expiration of an authorized deferment or forbearance.

(e) *181–270 days delinquent (241–330 days delinquent for a loan repayable in installments less frequently than monthly)*. During this period the lender must engage in efforts to urge the borrower to make the required payments on the loan. These efforts must, at a minimum, provide information to the borrower regarding options to avoid default and the consequences of defaulting on the loan.

(f) *Final demand*. On or after the 241st day of delinquency (the 301st day for loans payable in less frequent installments than monthly) the lender must send a final demand letter to the borrower requiring repayment of the loan in full and notifying the borrower that a default will be reported to a national credit bureau. The lender must allow the borrower at least 30 days after the date the letter is mailed to respond to the final demand letter and to bring the loan out of default before filing a default claim on the loan.

(g) *Collection procedures when borrower's telephone number is not available*. Upon completion of a diligent but unsuccessful effort to ascertain the correct telephone number of a borrower as required by paragraph (m) of this section, the lender is excused from any further efforts to contact the borrower by telephone, unless the borrower's number is obtained before the 211th

day of delinquency (the 271st day for loans repayable in installments less frequently than monthly).

(h) *Skip-tracing*. (1) Unless the letter specified under paragraph (f) of this section has already been sent, within 10 days of its receipt of information indicating that it does not know the borrower's current address, the lender must begin to diligently attempt to locate the borrower through the use of effective commercial skip-tracing techniques. These efforts must include, but are not limited to, sending a letter to or making a diligent effort to contact each endorser, relative, reference, individual, and entity, identified in the borrower's loan file, including the schools the student attended. For this purpose, a lender's contact with a school official who might reasonably be expected to know the borrower's address may be with someone other than the financial aid administrator, and may be in writing or by phone calls. These efforts must be completed by the date of default with no gap of more than 45 days between attempts to contact those individuals or entities.

(2) Upon receipt of information indicating that it does not know the borrower's current address, the lender must discontinue the collection efforts described in paragraphs (c) through (f) of this section.

(3) If the lender is unable to ascertain the borrower's current address despite its performance of the activities described in paragraph (h)(1) of this section, the lender is excused thereafter from performance of the collection activities described in paragraphs (c) through (f) and (1)(1) through (1)(3) and (1)(5) of this section unless it receives communication indicating the borrower's address before the 241st day of delinquency (the 301st day for loans payable in less frequent installments than monthly).

(4) The activities specified by paragraph (m)(1)(i) or (ii) of this section (with references to the "borrower" understood to mean endorser, reference, relative, individual, or entity as appropriate) meet the requirement that the lender make a diligent effort to contact each individual identified in the borrower's loan file.

(i) *Default aversion assistance.* Not earlier than the 60th day and no later than the 120th day of delinquency, a lender must request default aversion assistance from the guaranty agency that guarantees the loan.

(j) *Gap in collection activity.* For purposes of this section, the term *gap in collection activity* means, with respect to a loan, any period—

(1) Beginning on the date that is the day after—

(i) The due date of a payment unless the lender does not know the borrower's address on that date;

(ii) The day on which the lender receives a payment on a loan that remains delinquent notwithstanding the payment;

(iii) The day on which the lender receives the correct address for a delinquent borrower;

(iv) The day on which the lender completes a collection activity;

(v) The day on which the lender receives a dishonored check submitted as a payment on the loan;

(vi) The expiration of an authorized deferment or forbearance period on a delinquent loan; or

(vii) The day the lender receives information indicating it does not know the borrower's current address; and

(2) Ending on the date of the earliest of—

(i) The day on which the lender receives the first subsequent payment or completed deferment request or forbearance agreement;

(ii) The day on which the lender begins the first subsequent collection activity;

(iii) The day on which the lender receives written communication from the borrower relating to his or her account; or

(iv) Default.

(k) *Transfer.* For purposes of this section, the term *transfer* with respect to a loan means any action, including, but not limited to, the sale of the loan, that results in a change in the system used to monitor or conduct collection activity on a loan from one system to another.

(l) *Collection activity.* For purposes of this section, the term *collection activity* with respect to a loan means—

(1) Mailing or otherwise transmitting to the borrower at an address that the lender reasonably believes to be the borrower's current address a collection letter or final demand letter that satisfies the timing and content requirements of paragraph (c), (d), (e), or (f) of this section;

(2) Making an attempt to contact the borrower by telephone to urge the borrower to begin or resume repayment;

(3) Conducting skip-tracing efforts, in accordance with paragraph (h)(1) or (m)(1)(iii) of this section, to locate a borrower whose correct address or telephone number is unknown to the lender;

(4) Mailing or otherwise transmitting to the guaranty agency a request for default aversion assistance available from the agency on the loan at the time the request is transmitted; or

(5) Any telephone discussion or personal contact with the borrower so long as the borrower is apprised of the account's past-due status.

(m) *Diligent effort for telephone contact.* (1) For purposes of this section, the term *diligent effort* with respect to telephone contact means—

(i) A successful effort to contact the borrower by telephone;

(ii) At least two unsuccessful attempts to contact the borrower by telephone at a number that the lender reasonably believes to be the borrower's correct telephone number; or

(iii) An unsuccessful effort to ascertain the correct telephone number of a borrower, including, but not limited to, a directory assistance inquiry as to the borrower's telephone number, and sending a letter to or making a diligent effort to contact each reference, relative, and individual identified in the most recent loan application or most recent school certification for that borrower held by the lender. The lender may contact a school official other than the financial aid administrator who reasonably may be expected to know the borrower's address or telephone number.

(2) If the lender is unable to ascertain the borrower's correct telephone number despite its performance of the activities described in paragraph (m)(1)(iii) of this section, the lender is excused thereafter from attempting to

contact the borrower by telephone unless it receives a communication indicating the borrower's current telephone number before the 211th day of delinquency (the 271st day for loans repayable in installments less frequently than monthly).

(3) The activities specified by paragraph (m)(1) (i) or (ii) of this section (with references to "the borrower" understood to mean endorser, reference, relative, or individual as appropriate), meet the requirement that the lender make a diligent effort to contact each endorser or each reference, relative, or individual identified on the borrower's most recent loan application or most recent school certification.

(n) *Due diligence for endorsers.* (1) Before filing a default claim on a loan with an endorser, the lender must—

(i) Make a diligent effort to contact the endorser by telephone; and

(ii) Send the endorser on the loan two letters advising the endorser of the delinquent status of the loan and urging the endorser to make the required payments on the loan with at least one letter containing the information described in paragraph (d)(2) of this section (with references to "the borrower" understood to mean the endorser).

(2) On or after the 241st day of delinquency (the 301st day for loans payable in less frequent installments than monthly) the lender must send a final demand letter to the endorser requiring repayment of the loan in full and notifying the endorser that a default will be reported to a national credit bureau. The lender must allow the endorser at least 30 days after the date the letter is mailed to respond to the final demand letter and to bring the loan out of default before filing a default claim on the loan.

(3) Unless the letter specified under paragraph (n)(2) of this section has already been sent, upon receipt of information indicating that it does not know the endorser's current address or telephone number, the lender must diligently attempt to locate the endorser through the use of effective commercial skip-tracing techniques. This effort must include an inquiry to directory assistance.

(o) *Preemption of State law.* The provisions of this section preempt any State

law, including State statutes, regulations, or rules, that would conflict with or hinder satisfaction of the requirements or frustrate the purposes of this section.

(a) The lender shall immediately send to the borrower a final demand letter meeting the requirements of § 682.411(f) when it learns and can substantiate that the borrower or the student on whose behalf a parent has borrowed, without the lender or school's knowledge at the time the loan was made, provided false or erroneous information or took actions that caused the student or borrower—

(1) To be ineligible for all or a portion of a loan made under this part;

(2) To receive a Stafford loan subject to payment of Federal interest benefits as provided under § 682.301 for which he or she was ineligible; or

(3) To receive loan proceeds for a period of enrollment from which he or she has withdrawn or been expelled prior to the first day of classes or during which he or she failed to attend school and has not paid those funds to the school or repaid them to the lender.

§ 682.413 Remedial actions.

(a)(1) The Secretary requires a lender and its third-party servicer administering any aspect of the FFEL programs under a contract with the lender to repay interest benefits and special allowance or other compensation received on a loan guaranteed by a guaranty agency, pursuant to paragraph (a)(2) of this section—

(i) For any period beginning on the date of a failure by the lender or servicer, with respect to the loan, to comply with any of the requirements set forth in § 682.406(a)(1)–(a)(6), (a)(9), and (a)(12);

(ii) For any period beginning on the date of a failure by the lender or servicer, with respect to the loan, to meet a condition of guarantee coverage established by the guaranty agency, to

the date, if any, on which the guaranty agency reinstated the guarantee coverage pursuant to policies and procedures established by the agency;

(iii) For any period in which the lender or servicer, with respect to the loan, violates the requirements of subpart C of this part; and

(iv) For any period beginning on the day after the Secretary's obligation to pay special allowance on the loan terminates under § 682.302(d).

(2) For purposes of this section, a lender and any applicable third-party servicer shall be considered jointly and severally liable for the repayment of any interest benefits and special allowance paid as a result of a violation of applicable requirements by the servicer in administering the lender's FFEL programs.

(3) For purposes of paragraph (a)(2) of this section, the relevant third-party servicer shall repay any outstanding liabilities under paragraph (a)(2) of this section only if—

(i) The Secretary has determined that the servicer is jointly and severally liable for the liabilities; and

(ii) (A) The lender has not repaid in full the amount of the liability within 30 days from the date the lender receives notice from the Secretary of the liability;

(B) The lender has not made other satisfactory arrangements to pay the amount of the liability within 30 days from the date the lender receives notice from the Secretary of the liability; or

(C) The Secretary is unable to collect the liability from the lender by offsetting the lender's bill to the Secretary for interest benefits or special allowance, if—

(1) The bill is submitted after the 30 day period specified in paragraph (a)(3)(ii)(A) of this section has passed; and

(2) The lender has not paid, or made satisfactory arrangements to pay, the liability.

(b)(1) The Secretary requires a guaranty agency to repay reinsurance payments received on a loan if the lender, third-party servicer, if applicable, or the agency failed to meet the requirements of § 682.406(a).

(2) The Secretary may require a guaranty agency to repay reinsurance payments received on a loan or to assign FFEL loans to the Department if the agency fails to meet the requirements of § 682.410.

(c)(1) In addition to requiring repayment of reinsurance payments pursuant to paragraph (b) of this section, the Secretary may take one or more of the following remedial actions against a guaranty agency or third-party servicer administering any aspect of the FFEL programs under a contract with the guaranty agency, that makes an incomplete or incorrect statement in connection with any agreement entered into under this part or violates any applicable Federal requirement:

(i) Require the agency to return payments made by the Secretary to the agency.

(ii) Withhold payments to the agency.

(iii) Limit the terms and conditions of the agency's continued participation in the FFEL programs.

(iv) Suspend or terminate agreements with the agency.

(v) Impose a fine on the agency or servicer. For purposes of assessing a fine on a third-party servicer, a repeated mechanical systemic unintentional error shall be counted as one violation, unless the servicer has been cited for a similar violation previously and had failed to make the appropriate corrections to the system.

(vi) Require repayment from the agency and servicer pursuant to paragraph (c)(2) of this section, of interest, special allowance, and reinsurance paid on Consolidation loan amounts attributed to Consolidation loans for which the certification required under § 682.206(f)(1) is not available.

(vii) Require repayment from the agency or servicer, pursuant to paragraph (c)(2) of this section, of any related payments that the Secretary became obligated to make to others as a result of an incomplete or incorrect statement or a violation of an applicable Federal requirement.

(2) For purposes of this section, a guaranty agency and any applicable third-party servicer shall be considered jointly and severally liable for the repayment of any interest benefits, spe-

cial allowance, reinsurance paid, or other compensation on Consolidation loan amounts attributed to Consolidation loans as specified in § 682.413(c)(1)(vi) as a result of a violation by the servicer administering any aspect of the FFEL programs under a contract with that guaranty agency.

(3) For purposes of paragraph (c)(2) of this section, the relevant third-party servicer shall repay any outstanding liabilities under paragraph (c)(2) of this section only if—

(i) The Secretary has determined that the servicer is jointly and severally liable for the liabilities; and

(ii) (A) The guaranty agency has not repaid in full the amount of the liability within 30 days from the date the guaranty agency receives notice from the Secretary of the liability;

(B) The guaranty agency has not made other satisfactory arrangements to pay the amount of the liability within 30 days from the date the guaranty agency receives notice from the Secretary of the liability; or

(C) The Secretary is unable to collect the liability from the guaranty agency by offsetting the guaranty agency's first reinsurance claim to the Secretary, if—

(1) The claim is submitted after the 30-day period specified in paragraph (c)(3)(ii)(A) of this section has passed; and

(2) The guaranty agency has not paid, or made satisfactory arrangements to pay, the liability.

(d)(1) The Secretary follows the procedures described in 34 CFR part 668, subpart G, applicable to fine proceedings against schools, in imposing a fine against a lender, guaranty agency, or third-party servicer. References to "the institution" in those regulations shall be understood to mean the lender, guaranty agency, or third-party servicer, as applicable, for this purpose.

(2) The Secretary also follows the provisions of section 432(g) of the Act in imposing a fine against a guaranty agency or lender.

(e)(1)(i) The Secretary's decision to require repayment of funds, withhold funds, or to limit or suspend a lender, guaranty agency, or third party servicer from participation in the

§ 682.414

FFEL Program or to terminate a lender or third party from participation in the FFEL Program does not become final until the Secretary provides the lender, agency, or servicer with written notice of the intended action and an opportunity to be heard. The hearing is at a time and in a manner the Secretary determines to be appropriate to the resolution of the issues on which the lender, agency, or servicer requests the hearing.

(ii) The Secretary's decision to terminate a guaranty agency's participation in the FFEL Program after September 24, 1998 does not become final until the Secretary provides the agency with written notice of the intended action and provides an opportunity for a hearing on the record.

(2)(i) The Secretary may withhold payments from an agency or suspend an agreement with an agency prior to giving notice and an opportunity to be heard if the Secretary finds that emergency action is necessary to prevent substantial harm to Federal interests.

(ii) The Secretary follows the notice and show cause procedures described in § 682.704 applicable to emergency actions against lenders in taking an emergency action against a guaranty agency.

(3) The Secretary follows the procedures in 34 CFR 30.20-30.32 in collecting a debt by offset against payments otherwise due a guaranty agency or lender.

(f) Notwithstanding paragraphs (a)-(e) of this section, the Secretary may waive the right to require repayment of funds by a lender or agency if in the Secretary's judgment the best interests of the United States so require. The Secretary's waiver policy for violations of § 682.406(a)(3) or (a)(5) is set forth in appendix D to this part.

(g) The Secretary's final decision to require repayment of funds or to take other remedial action, other than a fine, against a lender or guaranty agency under this section is conclusive and binding on the lender or agency.

The records must be maintained in a system that allows ready identification of each loan's current status, updated at least once every 10 business days. (2) A guaranty agency must retain the records required for each loan for not less than 3 years following the date the loan is repaid in full by the borrower, or for not less than 5 years following the date the agency receives payment in full from any other source. However, in particular cases, the Secretary may require the retention of records beyond these minimum periods.

(3) A guaranty agency shall retain a copy of the audit report required under § 682.410(b) for not less than five years after the report is issued.

(4)(i) The guaranty agency shall require a participating lender to maintain current, complete, and accurate records of each loan that it holds, including, but not limited to, the records described in paragraph (a)(4)(ii) of this section. The records must be maintained in a system that allows ready identification of each loan's current status.

other than regular reports by the lender showing that an account is current, between the lender and a credit bureau regarding the loan, each effort to locate a borrower whose address is unknown at any time, and each request by the lender for default aversion assistance on the loan;

(K) Documentation of any MPN confirmation process or processes; and

(L) Any additional records that are necessary to document the validity of a claim against the guarantee or the accuracy of reports submitted under this part.

(iii) Except as provided in paragraph (a)(4)(iv) of this section, a lender must retain the records required for each loan for not less than 3 years following the date the loan is repaid in full by the borrower, or for not less than five years following the date the lender receives payment in full from any other source. However, in particular cases, the Secretary or the guaranty agency may require the retention of records beyond this minimum period.

(iv) A lender shall retain a copy of the audit report required under § 682.305(c) for not less than five years after the report is issued.

(2) Annually, for each State in which it operates, a report of the total guaranteed loan volume, default volume, and default rate for each of the following categories of originating lenders on all loans guaranteed after December 31, 1980:

order to verify the accuracy of the information provided by the lender pursuant to § 682.401(b) (21) and (22), and the right of the lender to receive or retain payments made under this part, or to permit the Secretary or the agency to enforce any right acquired by the Secretary or the agency under this part.

§ 682.415 Special insurance and reinsurance rules.

(a)(1) A lender or lender servicer (as an agent for an eligible lender) designated for exceptional performance under paragraph (b) of this section shall receive reimbursement at the applicable rate under paragraphs (a)(1)(i) or (a)(1)(ii) of this section on all claims submitted for insurance during the 12-month period following the date the lender or lender servicer and appropriate guaranty agencies receive notification of the designation of the eligible lender or lender servicer under paragraph (b) of this section. A guaranty agency or a guaranty agency servicer (as an agent for a guaranty agency) designated for exceptional performance under paragraph (c) of this section shall receive the applicable reinsurance rate under section 428(c)(1) of the Act on all claims submitted for payments by the guaranty agency or guaranty agency servicer during the 12-month period following the date the guaranty agency receives notification of its designation, or its servicer's designation, under paragraph (c) of this section. A notice of designation for exceptional performance under this section is deemed to have been received by the lender, servicer, or guaranty agency no later than 3 days after the date the notice is mailed, unless the lender, servicer, or guaranty agency is able to prove otherwise. A lender or lender

servicer designated for exceptional performance shall receive reimbursement at the rate of—

(i) 100 percent of the unpaid principal and interest for default claims submitted to the guaranty agency for payment before July 1, 2006; and

(ii) 99 percent of the unpaid principal and interest for default claims submitted to the guaranty agency for payment on or after July 1, 2006.

(2) To receive a designation for exceptional performance under paragraph (a)(1) of this section, a lender, servicer, and guaranty agency must submit to the Secretary—

(i) A written request for designation for exceptional performance that includes—

(A) The applicant's name and address;

(B) A contact person;

(C) Its ED identification number, if applicable;

(D) The name and address of applicable guarantors; and

(E) A copy of an annual financial audit performed in accordance with the Audit Guide developed by the U.S. Department of Education, Office of Inspector General, or one of the following as appropriate:

(1) A lender may submit a copy of an annual audit required under § 682.305(c), if the audit period ends no more than 90 days prior to the date the lender submits its request for designation.

(2) A servicer may submit a copy of the annual financial audit, as defined, completed and submitted under 34 CFR 682.416(e), if the audit period ends no more than 90 days prior to the date the servicer submits its request for designation.

(3) A guaranty agency may submit a copy of the annual audit required under section 428(b)(2)(D) of the Higher Education Act of 1965, as amended, if the audit period ends no more than 90 days prior to the date the guaranty agency submits its request for designation;

(ii) If the applicant is a servicer, a statement signed by the owner or chief executive officer of the applicant certifying that the applicant meets the definition of a servicer contained in paragraph (d)(3) of this section; and

(iii)(A) A compliance audit of its loan portfolio, conducted by a qualified independent organization meeting the criteria in paragraph (b)(9) of this section, that yields a compliance performance rating of 97 percent or higher of all due diligence requirements applicable to each loan, on average, with respect to the collection of delinquent or defaulted loans and satisfying the requirements in paragraph (b)(1)(iv) of this section or, if applicable, paragraph (c)(2)(i) of this section. The audit period may end no more than 90 days prior to the date the lender, servicer or guaranty agency submits its request for designation.

(B) To satisfy the requirement of paragraph (a)(2)(iii)(A) of this section, a servicer may submit its annual compliance audit under 34 CFR 682.416(e), if the servicer includes in its report a measure of its compliance performance rating required under paragraph (a)(2)(iii)(A) of this section, if this audit is performed in accordance with an audit guide developed by the U.S. Department of Education, Office of Inspector General.

(3) The cost of audits for determining eligibility and continued compliance under this section is the responsibility of the lender, servicer, or guaranty agency.

(4) A lender or servicer shall also submit the information in paragraph (a)(2)(i), (ii), or (iii) of this section to each appropriate guaranty agency.

(5) A lender may be designated for exceptional performance for loans that it services itself. A lender servicer may be designated for exceptional performance only for all loans it services.

(6)(i) To prevent a lapse of a lender's, servicer's, or guaranty agency's exceptional performance status after the end of the 12-month period, the lender, servicer, or guaranty agency shall submit updated information required under paragraph (a)(2) of this section to the Secretary no later than 90 days after the end of the annual audit period.

(ii) Upon the Secretary's determination that the lender, servicer, or guaranty agency maintained at least a 97 percent compliance performance rate and satisfies the other requirements for designation, the Secretary notifies

the lender, servicer, or guaranty agency that its redesignation for exceptional performance begins on the date following the last day of the previous 12-month period for which it received designation for exceptional performance. However, a lender's, servicer's, or guaranty agency's designation for exceptional performance continues until it receives notification from the Secretary that its request for redesignation is approved, or that its designation is revoked, under the provisions of paragraph (b)(8)(iii) of this section.

(iii) The Secretary notifies the lender or lender servicer and the appropriate guaranty agency within 60 days after the date the Secretary receives the information, listed in paragraph (a)(2) of this section, from the eligible lender or lender servicer, that the lender's or lender servicer's reapplication for designation for exceptional performance has been approved or denied. A notice under paragraph (a)(6)(ii) of this section is determined to have been received by the lender, servicer, or guaranty agency no later than 3 days after the notice is mailed, unless the lender, servicer, or guaranty agency is able to prove otherwise.

(b) *Determination of eligibility.* (1) The Secretary determines whether to designate a lender or lender servicer for exceptional performance based upon—

(i) The annual compliance audit of collection activities required for FFEL Program loans under § 682.411(c) through (h), and (m), if applicable, serviced during the audit period;

(ii) Information from any guaranty agency regarding an eligible lender or lender servicer desiring designation, including, but not limited to, any information suggesting that the lender's or lender servicer's request for designation should not be approved;

(iii) Any other information in the possession of the Secretary, or submitted to the Secretary by any other agency or office of the Federal Government; and

(iv) Evidence indicating that the lender or lender servicer has complied with the requirements for converting FFEL Program loans to repayment under § 682.209(a), and the timely filing requirements under §§ 682.402(g)(2) and 682.406(a)(5), in accordance with the

audit guide as published by the U.S. Department of Education, Office of Inspector General. The audit submitted under paragraph (b)(1)(i) of this section may satisfy this requirement, if a separate sample of loans is used.

(2) The Secretary informs the eligible lender or lender servicer, and the appropriate guaranty agency, that the lender's or lender servicer's request for designation as an exceptional lender or lender servicer has been approved, unless the results of the audit are persuasively rebutted by information under paragraphs (b) (1)(ii) or (iii) of this section. If the request for designation is not approved, the Secretary informs the lender or lender servicer and the appropriate guaranty agency or agencies of the reason the application is not approved.

(3) In calculating a lender's or lender servicer's compliance rating, as referenced in paragraph (a)(2)(iii) of this section, the universe for the audit must include all loans in the lender's or lender servicer's FFEL Program portfolio that are serviced during the audit period performed under the Department's regulations in §§ 682.411, 682.209(a), 682.402(g)(2), and 682.406(a)(5). The calculation may consider only due diligence activities applicable to the audit period. The numerator must include the total number of collection activities successfully completed, in accordance with program regulations, that are serviced during the audit period. The denominator must include the total number of collection activities required to be performed, in compliance with program regulations, that are serviced during the audit period. Using statistical sampling and evaluation techniques identified in an audit guide prepared by the Department's Office of Inspector General, a random sample of loans must be selected and evaluated.

(4) The Secretary notifies the lender or lender servicer and the appropriate guaranty agency within 60 days after the date the Secretary receives the information, listed in paragraph (a)(2) of this section, from the eligible lender or lender servicer, that the lender's or lender servicer's application for designation for exceptional performance has been approved or denied.

(5)(i) Except as provided under paragraph (b)(8) of this section, a guaranty agency may not refuse, solely on the basis of a violation of repayment conversion, due diligence requirements, or timely filing requirements, to pay an eligible lender or lender servicer, designated for exceptional performance, 100 percent of the unpaid principal and interest of all loans for which eligible claims are submitted for insurance payment by that eligible lender or lender servicer. The designation of a lender or lender servicer for exceptional performance applies to loans that have been serviced by the lender or lender servicer for the last 180 days prior to a borrower's default or earlier in the case of death, disability, bankruptcy, or closed school and false certification discharges.

(ii) A guaranty agency or the Secretary may require the lender or lender servicer to repurchase a loan if the agency determines the loan should not have been submitted as a claim. A guaranty agency may not require repurchase of a loan based solely on the lender's violation of the requirement relating to repayment conversion, due diligence, or timely filing. The guaranty agency must pay claims to a lender or lender servicer designated for exceptional performance in accordance with this paragraph for the one-year period following the date the guaranty agency receives notification of the lender's or lender servicer's designation under paragraph (b)(2) of this section, unless the Secretary notifies the guaranty agency that the lender's or lender servicer's designation for exceptional performance has been revoked.

(6)(i) To maintain its designation for exceptional performance, the lender or lender servicer must have a quarterly compliance audit of the due diligence in collection activities required for FFEL Program loans under § 682.411(c)-(h), and (m), if applicable, and for converting FFEL Program loans to repayment under § 682.209(a) and timely filing requirements under §§ 682.402(g)(2) and 682.406(a)(5) conducted by a qualified independent organization meeting the criteria in paragraph (b)(9) of this section that results in a compliance rating for the quarter of not less than 97 percent. The audit must indicate a

compliance performance rating of not less than 97 percent for two consecutive months or 90 percent for any month. The quarterly audit may not include any period covered by the annual financial and compliance audit under paragraph (a)(2) of this section. The results of the quarterly compliance audit must be submitted to the Secretary and to the appropriate guaranty agencies within 90 days following the end of each quarter.

(ii) If a lender or lender servicer has been designated for exceptional performance for at least 15 months, a lender or lender servicer may petition the Secretary for permission to have its internal auditors perform the subsequent quarterly compliance audits required by paragraph (b)(6)(i) of this section. If the Secretary approves the request, the lender's or lender servicer's annual audit must assess the reliability of the procedures used by the lender's or lender servicer's internal auditor in performing the quarterly audits.

(iii) The lender or lender servicer shall perform three quarterly audits and one annual audit that includes a representative sample of fourth quarter collection activities to satisfy the requirements of this paragraph.

(7)(i) Insurance payments made on eligible claims submitted by a lender or lender servicer designated for exceptional performance are not subject to additional review of repayment conversion, due diligence, and timely filing requirements, or to required repurchase by the lender or lender servicer, unless the Secretary determines that the eligible lender or lender servicer engaged in fraud or other purposeful misconduct in obtaining designation for exceptional performance. Notwithstanding the payment requirements in this paragraph, nothing prohibits the guaranty agency or the Secretary from reviewing the lender's or lender servicer's activities in regard to the loans paid under this paragraph as part of program oversight responsibilities, or for requiring the lender to repurchase a loan if the agency determines the loan should not have been submitted as a claim. The lender shall file, and the guaranty agency shall maintain, the documentation the guaranty agency normally requires its lenders to

file with respect to the collection history of each loan.

(ii) A lender or lender servicer designated under this section that fails to service loans or otherwise comply with applicable program regulations is considered in violation of 31 U.S.C. 3729.

(8)(i) The Secretary revokes the designation of a lender or lender servicer for exceptional performance if—

(A) The quarterly compliance audit required under paragraph (b)(6) of this section is submitted to the Secretary and indicates that the lender or lender servicer failed to maintain not less than 97 percent compliance with due diligence standards for the quarter, or not less than 97 percent compliance for 2 consecutive months, or 90 percent for any month; or

(B) Any quarterly audit required in paragraph (b)(6) of this section is not received by the Secretary within 90 days following the end of each quarter.

(ii) The Secretary may revoke the designation of an exceptional lender or lender servicer if—

(A) The Secretary determines the eligible lender or lender servicer failed to maintain an overall level of regulatory compliance consistent with the audit submitted by the lender or lender servicer;

(B) The Secretary has reason to believe the lender or lender servicer may have engaged in fraud in securing its designation for exceptional performance; or

(C) The lender or lender servicer fails to service loans in accordance with program regulations. For purposes of this paragraph, a lender or lender servicer fails to service loans in accordance with program regulations if the Secretary determines that the lender or lender servicer has committed serious and material violations of the regulations.

(iii) The date on which the event or condition occurred is the effective date of the revocation, except for revocation under paragraph (a)(6) of this section, which is effective at the close of the 12-month period for which the lender or lender servicer received designation for exceptional performance.

(9) Public accountants, public accounting firms, and external government audit organizations that meet

the qualification and independence standards contained in Government Auditing Standards published by the Comptroller General of the United States are acceptable entities to perform the audits required under paragraphs (a)(2)(iii)(A) and (b)(6) of this section.

(c)(1)(i) Except as provided under paragraph (c)(8) of this section, the Secretary pays the applicable reinsurance rate under section 428(b)(1)(G) of the Act on all claims submitted by a guaranty agency or guaranty agency servicer that has been designated for exceptional performance.

(ii) A guaranty agency may be designated for exceptional performance for loans that it services itself.

(iii) A guaranty agency servicer may be designated for exceptional performance for loans it services.

(iv) A guaranty agency or guaranty agency servicer is designated for exceptional performance for a 12-month period following the receipt, by the guaranty agency or guaranty agency servicer, of the Secretary's notification of designation.

(v) A notice under this paragraph is determined to have been received no later than 3 days after the date the notice is mailed, unless the guaranty agency or guaranty agency servicer is able to prove otherwise.

(2) The Secretary determines whether to designate a guaranty agency or guaranty agency servicer for exceptional performance based upon—

(i) The annual financial audit and a compliance audit of collection activities, including timely claim payment and timely reinsurance filing required for FFEL Program loans under §§ 682.410(b)(6)(i) through (vi), and 682.406 (a)(8) and (a)(9); and

(ii) Any other information in the possession of the Secretary.

(3) The Secretary informs the guaranty agency or guaranty agency servicer that its request for designation for exceptional performance has been approved, unless the results of the audit are persuasively rebutted by other information received by the Secretary. If the Secretary does not approve the guaranty agency's or guaranty agency servicer's request for designation, the Secretary informs the

guaranty agency or guaranty agency servicer of the reason the application was not approved.

(4) In calculating a guaranty agency's or guaranty agency servicer's compliance rating, as referenced in paragraph (a)(2)(iii) of this section, the Secretary requires that the universe of loans in the audit sample must consist of all loans in the guaranty agency's or guaranty agency servicer's FFEL Program portfolio that are serviced during the audit period performed under the Department's regulations in §§ 682.410(b)(6)(i) through (vi) and 682.406(a)(8) and (a)(9). The calculation may consider only the due diligence activities that were or should have been conducted during the audit period. The numerator must include the total number of collection activities successfully completed in accordance with program regulations on loans that were serviced during the audit period. The denominator must include the total number of collection activities required to be performed in compliance with program regulations on loans that were serviced during the audit period. Using statistical sampling and evaluation techniques identified in an audit guide prepared by the Department's Office of Inspector General, a random sample of loans must be selected and evaluated.

(5) The Secretary notifies a guaranty agency or guaranty agency servicer, within 60 days after the date the Secretary receives the information listed in paragraph (a)(2) of this section whether the guaranty agency's or guaranty agency servicer's application for designation for exceptional performance has been approved or denied.

(6)(i) To maintain its status as an exceptional guaranty agency or guaranty agency servicer, the guaranty agency or guaranty agency servicer must have a quarterly compliance audit of the due diligence in collection activities of defaulted FFEL Program loans under §§ 682.410(b)(6)(i) through (vi) and 682.406(a)(8) and (a)(9) conducted by a qualified independent organization meeting the criteria in paragraph (c)(9) of this section. The audit must yield a compliance performance rating of not less than 97 percent. The quarterly audit may not include any period covered by the annual financial and com-

pliance audit required under paragraph (a)(2) of this section. The results of the quarterly compliance audit must be submitted to the Secretary within 90 days following the end of each quarter.

(ii) If the guaranty agency or guaranty agency servicer has been designated for exceptional performance for at least 15 months, the guaranty agency or a guaranty agency servicer may petition the Secretary for permission to have its internal auditors perform subsequent quarterly compliance audits required by paragraph (c)(6)(i) of this section. If the Secretary approves the request, the guaranty agency's or guaranty agency servicer's annual audit must assess the reliability of the procedures used by the guaranty agency's or the guaranty agency servicer's internal auditor in performing the quarterly audits.

(7)(i) Payments of reinsurance made on claims, under the FFEL Program, submitted by a guaranty agency or guaranty agency servicer designated for exceptional performance are not subject to repayment based on additional review of due diligence activities, including timely claim payment, or timely filing for reinsurance covering a period during which the guaranty agency or guaranty agency servicer was designated for any reason other than a determination by the Secretary that the eligible guaranty agency or guaranty agency servicer engaged in fraud or other purposeful misconduct in obtaining designation for exceptional performance.

(ii) A guaranty agency designated under this section that fails to service loans or otherwise comply with applicable program regulations is considered in violation of 31 U.S.C. 3729.

(8)(i) The Secretary may revoke the designation of a guaranty agency or guaranty agency servicer for exceptional performance if the Secretary has reason to believe the guaranty agency or guaranty agency servicer fraudulently obtained its designation for exceptional performance.

(ii) The Secretary may revoke the designation for exceptional performance upon 30 days' notice, and an opportunity for a hearing before the Secretary, if the Secretary finds that the guaranty agency or guaranty agency

servicer failed to maintain an acceptable overall level of regulatory compliance.

(9) A qualified independent organization is an organization that meets the criteria in paragraph (b)(9) of this section.

(d) *Definitions.* For purposes of this section—

(1) *Due diligence requirements* means the activities required to be performed by lenders or guaranty agencies on delinquent or defaulted loans pursuant to § 682.411 (c) through (h), and (m), if applicable and §§ 682.410(b)(6)(i) through (vi) and 682.406(a)(8) and (a)(9);

(ii) Has an annual independent financial audit that is furnished to the Secretary and any other parties designated by the Secretary;

(iii) Has business systems capable of meeting the requirements of part B of title IV of the Act and applicable regulations;

§ 682.416 Requirements for third-party servicers and lenders contracting with third-party servicers.

(a) *Standards for administrative capability.* A third-party servicer is considered administratively responsible if it—

(1) Provides the services and administrative resources necessary to fulfill its contract with a lender or guaranty

agency, and conducts all of its contractual obligations that apply to the FFEL programs in accordance with FFEL programs regulations;

(2) Has business systems including combined automated and manual systems, that are capable of meeting the requirements of part B of Title IV of the Act and with the FFEL programs regulations; and

(3) Has adequate personnel who are knowledgeable about the FFEL programs.

(b) *Standards of financial responsibility.* The Secretary applies the provisions of 34 CFR 668.15(b) (1)–(4) and (6)–(9) to determine that a third-party servicer is financially responsible under this part. References to “the institution” in those provisions shall be understood to mean the third-party servicer, for this purpose.

(c) *Special review of third-party servicer.* (1) The Secretary may review a third-party servicer to determine that it meets the administrative capability and financial responsibility standards in this section.

(2) In response to a request from the Secretary, the servicer shall provide evidence to demonstrate that it meets the administrative capability and financial responsibility standards in this section.

(3) The servicer may also provide evidence of why administrative action is unwarranted if it is unable to demonstrate that it meets the standards of this section.

(4) Based on the review of the materials provided by the servicer, the Secretary determines if the servicer meets the standards in this part. If the servicer does not, the Secretary may initiate an administrative proceeding under subpart G.

(d) *Past performance of third-party servicer or persons affiliated with servicer.* Notwithstanding paragraphs (b) and (c) of this section, a third-party servicer is not financially responsible if—

(1)(i) The servicer; its owner, majority shareholder, or chief executive officer; any person employed by the servicer in a capacity that involves the administration of a Title IV, HEA program or the receipt of Title IV, HEA program funds; any person, entity, or officer or employee of an entity with

which the servicer contracts where that person, entity, or officer or employee of the entity acts in a capacity that involves the administration of a Title IV, HEA program or the receipt of Title IV, HEA program funds has been convicted of, or has pled *nolo contendere* or guilty to, a crime involving the acquisition, use, or expenditure of Federal, State, or local government funds, or has been administratively or judicially determined to have committed fraud or any other material violation of law involving such funds, unless—

(A) The funds that were fraudulently obtained, or criminally acquired, used, or expended have been repaid to the United States, and any related financial penalty has been paid;

(B) The persons who were convicted of, or pled *nolo contendere* or guilty to, a crime involving the acquisition, use, or expenditure of the funds are no longer incarcerated for that crime; and

(C) At least five years have elapsed from the date of the conviction, *nolo contendere* plea, guilty plea, or administrative or judicial determination; or

(ii) The servicer, or any principal or affiliate of the servicer (as those terms are defined in 34 CFR part 85), is—

(A) Debarred or suspended under Executive Order (E.O.) 12549 (3 CFR, 1986 Comp., p. 189) or the Federal Acquisition Regulations (FAR), 48 CFR part 9, subpart 9.4; or

(B) Engaging in any activity that is a cause under 34 CFR 85.700 or 85.800 for debarment or suspension under E.O. 12549 (3 CFR, 1986 Comp., p. 189) or the FAR, 48 CFR part 9, subpart 9.4; and

(2) Upon learning of a conviction, plea, or administrative or judicial determination described in paragraph

(d)(1) of this section, the servicer does not promptly remove the person, agency, or organization from any involvement in the administration of the servicer's participation in Title IV, HEA programs, including, as applicable, the removal or elimination of any substantial control, as determined under 34 CFR 668.15, over the servicer.

(e) *Independent audits.* (1) A third-party servicer shall arrange for an independent audit of its administration of the FFELP loan portfolio unless—

(i) The servicer contracts with only one lender or guaranty agency; and

(ii) The audit of that lender's or guaranty agency's FFEL programs involves every aspect of the servicer's administration of those FFEL programs.

(2) The audit must—

(i) Examine the servicer's compliance with the Act and applicable regulations;

(ii) Examine the servicer's financial management of its FFEL program activities;

(iii) Be conducted in accordance with the standards for audits issued by the United States General Accounting Office's (GAO's) *Standards for Audit of Governmental Organizations, Programs, Activities, and Functions*. (This publication is available from the Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20402.) Procedures for audits are contained in an audit guide developed by and available from the Office of Inspector General of the Department of Education; and

(iv) Except for the initial audit, be conducted at least annually and be submitted to the Secretary within six months of the end of the audit period. The initial audit must be an annual audit of the servicer's first full fiscal year beginning on or after July 1, 1994, and include any period from the beginning of the first full fiscal year. The audit report must be submitted to the Secretary within six months of the end of the audit period. Each subsequent audit must cover the servicer's activities for the one-year period beginning no later than the end of the period covered by the preceding audit.

(3) With regard to a third-party servicer that is a governmental entity, the audit required by this paragraph must be conducted in accordance with 31 U.S.C. 7502 and 34 CFR part 80, appendix G.

(4) With regard to a third-party servicer that is a nonprofit organization, the audit required by this paragraph must be conducted in accordance with Office of Management and Budget (OMB) Circular A-133, "Audit of Institutions of Higher Education and Other Nonprofit Institutions," as incorporated in 34 CFR 74.61(h)(3).

(f) *Contract responsibilities.* A lender that participates in the FFEL programs may not enter into a contract with a third-party servicer that the Secretary has determined does not meet the requirements of this section. The lender must provide the Secretary with the name and address of any third-party servicer with which the lender enters into a contract and, upon request by the Secretary, a copy of that contract. A third-party servicer that is under contract with a lender to perform any activity for which the records in § 682.414(a)(4)(ii) are relevant to perform the services for which the servicer has contracted shall maintain current, complete, and accurate records pertaining to each loan that the servicer is under contract to administer on behalf of the lender. The records must be maintained in a system that allows ready identification of each loan's current status.

§ 682.417 Determination of Federal funds or assets to be returned.

(a) *General.* The procedures described in this section apply to a determination by the Secretary that—

(1) A guaranty agency must return to the Secretary a portion of its Federal Fund that the Secretary has determined is unnecessary to pay the program expenses and contingent liabilities of the agency; and

(2) A guaranty agency must require the return to the agency or the Secretary of Federal funds or assets within the meaning of section 422(g)(1) of the Act held by or under the control of any other entity that the Secretary determines are necessary to pay the program expenses and contingent liabilities of the agency or that are required for the orderly termination of the guaranty agency's operations and the liquidation of its assets.

(b) *Return of unnecessary Federal funds.* (1) The Secretary may initiate a

process to recover unnecessary Federal funds under paragraph (a)(1) of this section if the Secretary determines that a guaranty agency's Federal Fund ratio under § 682.410(a)(10) for each of the two preceding Federal fiscal years exceeded 2.0 percent.

(2) If the Secretary initiates a process to recover unnecessary Federal funds, the Secretary requires the return of a portion of the Federal funds that the Secretary determines will permit the agency to—

(i) Have a Federal Fund ratio of at least 2.0 percent under § 682.410(a)(10) at the time of the determination; and

(ii) Meet the minimum Federal Fund requirements under § 682.410(a)(10) and retain sufficient additional Federal funds to perform its responsibilities as a guaranty agency during the current Federal fiscal year and the four succeeding Federal fiscal years.

(3)(i) The Secretary makes a determination of the amount of Federal funds needed by the guaranty agency under paragraph (b)(2) of this section on the basis of financial projections for the period described in that paragraph. If the agency provides projections for a period longer than the period referred to in that paragraph, the Secretary may consider those projections.

(ii) The Secretary may require a guaranty agency to provide financial projections in a form and on the basis of assumptions prescribed by the Secretary. If the Secretary requests the agency to provide financial projections, the agency must provide the projections within 60 days of the Secretary's request. If the agency does not provide the projections within the specified time period, the Secretary determines the amount of Federal funds needed by the agency on the basis of other information.

(c) *Notice.* (1) The Secretary or an authorized Departmental official begins a proceeding to order a guaranty agency to return a portion of its Federal funds, or to direct the return of Federal funds or assets subject to return, by sending the guaranty agency a notice by certified mail, return receipt requested.

(2) The notice—

(i) Informs the guaranty agency of the Secretary's determination that

Federal funds or assets must be returned;

(ii) Describes the basis for the Secretary's determination and contains sufficient information to allow the guaranty agency to prepare and present an appeal;

(iii) States the date by which the return of Federal funds or assets must be completed;

(iv) Describes the process for appealing the determination, including the time for filing an appeal and the procedure for doing so; and

(v) Identifies any actions that the guaranty agency must take to ensure that the Federal funds or assets that are the subject of the notice are maintained and protected against use, expenditure, transfer, or other disbursement after the date of the Secretary's determination, and the basis for requiring those actions. The actions may include, but are not limited to, directing the agency to place the Federal funds in an escrow account. If the Secretary has directed the guaranty agency to require the return of Federal funds or assets held by or under the control of another entity, the guaranty agency must ensure that the agency's claims to those funds or assets and the collectability of the agency's claims will not be compromised or jeopardized during an appeal. The guaranty agency must also comply with all other applicable regulations relating to the use of Federal funds and assets.

(d) *Appeal.* (1) A guaranty agency may appeal the Secretary's determination that Federal funds or assets must be returned by filing a written notice of appeal within 20 days of the date of the guaranty agency's receipt of the notice of the Secretary's determination. If the agency files a notice of appeal, the requirement that the return of Federal funds or assets be completed by a particular date is suspended pending completion of the appeal process. If the agency does not file a notice of appeal within the period specified in this paragraph, the Secretary's determination is final.

(2) A guaranty agency must submit the information described in paragraph (d)(4) of this section within 45 days of the date of the guaranty agency's receipt of the notice of the Secretary's

determination unless the Secretary agrees to extend the period at the agency's request. If the agency does not submit that information within the prescribed period, the Secretary's determination is final.

(3) A guaranty agency's appeal of a determination that Federal funds or assets must be returned is considered and decided by a Departmental official other than the official who issued the determination or a subordinate of that official.

(4) In an appeal of the Secretary's determination, the guaranty agency must—

(i) State the reasons the guaranty agency believes the Federal funds or assets need not be returned;

(ii) Identify any evidence on which the guaranty agency bases its position that Federal funds or assets need not be returned;

(iii) Include copies of the documents that contain this evidence;

(iv) Include any arguments that the guaranty agency believes support its position that Federal funds or assets need not be returned; and

(v) Identify the steps taken by the guaranty agency to comply with the requirements referred to in paragraph (c)(2)(v) of this section.

(5)(i) In its appeal, the guaranty agency may request the opportunity to make an oral argument to the deciding official for the purpose of clarifying any issues raised by the appeal. The deciding official provides this opportunity promptly after the expiration of the period referred to in paragraph (d)(2) of this section.

(ii) The agency may not submit new evidence at or after the oral argument unless the deciding official determines otherwise. A transcript of the oral argument is made a part of the record of the appeal and is promptly provided to the agency.

(6) The guaranty agency has the burden of production and the burden of persuading the deciding official that the Secretary's determination should be modified or withdrawn.

(e) *Third-party participation.* (1) If the Secretary issues a determination under paragraph (a)(1) of this section, the Secretary promptly publishes a notice in the FEDERAL REGISTER announcing

the portion of the Federal Fund to be returned by the agency and providing interested persons an opportunity to submit written information relating to the determination within 30 days after the date of publication. The Secretary publishes the notice no earlier than five days after the agency receives a copy of the determination.

(2) If the guaranty agency to which the determination relates files a notice of appeal of the determination, the deciding official may consider any information submitted in response to the FEDERAL REGISTER notice. All information submitted by a third party is available for inspection and copying at the offices of the Department of Education in Washington, D.C., during normal business hours.

(f) *Adverse information.* If the deciding official considers information in addition to the evidence described in the notice of the Secretary's determination that is adverse to the guaranty agency's position on appeal, the deciding official informs the agency and provides it a reasonable opportunity to respond to the information without regard to the period referred to in paragraph (d)(2) of this section.

(g) *Decision.* (1) The deciding official issues a written decision on the guaranty agency's appeal within 45 days of the date on which the information described in paragraphs (d)(4) and (d)(5)(ii) of this section is received, or the oral argument referred to in paragraph (d)(5) of this section is held, whichever is later. The deciding official mails the decision to the guaranty agency by certified mail, return receipt requested. The decision of the deciding official becomes the final decision of the Secretary 30 days after the deciding official issues it. In the case of a determination that a guaranty agency must return Federal funds, if the deciding official does not issue a decision within the prescribed period, the agency is no longer required to take the actions described in paragraph (c)(2)(v) of this section.

(2) A guaranty agency may not seek judicial review of the Secretary's determination to require the return of Federal funds or assets until the deciding official issues a decision.

(3) The deciding official's written decision includes the basis for the decision. The deciding official bases the decision only on evidence described in the notice of the Secretary's determination and on information properly submitted and considered by the deciding official under this section. The deciding official is bound by all applicable statutes and regulations and may neither waive them nor rule them invalid.

(h) *Collection of Federal funds or assets.* (1) If the deciding official's final decision requires the guaranty agency to return Federal funds, or requires the guaranty agency to require the return of Federal funds or assets to the agency or to the Secretary, the decision states a new date for compliance with the decision. The new date is no earlier than the date on which the decision becomes the final decision of the Secretary.

(2) If the guaranty agency fails to comply with the decision, the Secretary may recover the Federal funds from any funds due the agency from the Department without any further notice or procedure and may take any other action permitted or authorized by law to compel compliance.

[64 FR 58632, Oct. 29, 1999]

§ 682.418 Prohibited uses of the assets of the Operating Fund during periods in which the Operating Fund contains transferred funds owed to the Federal Fund.

(a) *General.* (1) During periods in which the Operating Fund contains transferred funds owed to the Federal Fund, a guaranty agency may not use the assets of the Operating Fund to pay costs prohibited under paragraph (b) of this section and may not use the assets of the Operating Fund to pay for goods, property, or services provided by an affiliated organization unless the agency applies and demonstrates to the Secretary, and receives the Secretary's approval, that the payment would be in the Federal fiscal interest and would not exceed the affiliated organization's actual and reasonable cost of providing those goods, property, or services.

(2) All guaranty agency contracts with respect to its Operating Fund or assets must include a provision stating that the contract is terminable by the Secretary upon 30 days notice to the contracting parties if the Secretary determines that the contract includes an impermissible transfer of the Operating Fund or assets or is otherwise inconsistent with the terms and purposes of section 422 of the HEA.

(b) *Prohibited uses of Operating Fund assets.* A guaranty agency may use the assets of the Operating Fund established under § 682.410(a)(1) only as prescribed in § 682.410(a)(2). Uses of the Operating Fund that are not allowable under § 682.410(a)(2) include, but are not limited to—

(1) *Compensation for personnel services,* including wages, salaries, pension plan costs, post-retirement health benefits, employee life insurance, unemployment benefit plans, severance pay, costs of leave, and other benefits, to the extent that total compensation to an employee, officer, director, trustee, or agent of the guaranty agency is not reasonable for the services rendered. Compensation is considered reasonable to the extent that it is comparable to that paid in the labor market in which the guaranty agency competes for the kind of employees involved. Costs that are otherwise unallowable may not be considered allowable solely on the basis that they constitute personnel compensation. In no case may the Operating Fund be used to pay any compensation, whether calculated on an hourly basis or otherwise, that would be proportionately greater than 118.05 percent of the total salary paid (as calculated on an hourly basis) under section 5312 of title 5, United States Code (relating to Level I of the Executive Schedule).

(2) *Contributions and donations,* including cash, property, and services, by the guaranty agency to others, regardless of the recipient or purpose, unless pursuant to written authorization from the Secretary;

(3) *Entertainment,* including amusement, diversion, hospitality suites, and social activities, and any costs associated with those activities, such as tickets to shows or sports events, meals,

alcoholic beverages, lodging, rentals, transportation, and gratuities;

(4) *Fines, penalties, damages, and other settlements* resulting from violations or alleged violations of the guaranty agency's failure to comply with Federal, State, or local laws and regulations that are unrelated to the FFEL Program, unless specifically approved by the Secretary. This prohibition does not apply if a non-criminal violation or alleged violation has been assessed against the guaranty agency, the payment does not reimburse an agency employee, and the payment does not exceed \$1,000, or if it occurred as a result of compliance with specific requirements of the FFEL Program or in accordance with written instructions from the Secretary. The use of the Operating Fund in any other case must be requested by the agency and specifically approved in advance by the Secretary;

(5) *Legal expenses* for prosecution of claims against the Federal Government, unless the guaranty agency substantially prevails on those claims. In that event, the Secretary approves the reimbursement of reasonable legal expenses incurred by the guaranty agency;

(6) *Lobbying activities,* as defined in section 501(h) of the Internal Revenue Code, including dues to membership organizations to the extent that those dues are used for lobbying;

(7) *Major expenditures,* including those for land, buildings, equipment, or information systems, whether singly or as a related group of expenditures, that exceed 5 percent of the guaranty agency's Operating Fund balance at the time the expenditures are made, unless the agency has provided written notice of the intended expenditure to the Secretary 30 days before the agency makes or commits itself to the expenditure. For those expenditures involving the purchase of an asset, the term "major expenditure" applies to costs such as the cost of purchasing the asset and making improvements to it, the cost to put it in place, the net invoice price of the asset, ancillary charges, such as taxes, duty, protective in-transit insurance, freight, and installation costs, and the costs of any modifications, attachments, accessories, or auxiliary

§ 682.419

34 CFR Ch. VI (7–1–07 Edition)

apparatus necessary to make the asset usable for the purpose for which it was acquired, whether the expenditures are classified as capital or operating expenses;

(8) *Public relations*, and all associated costs, paid directly or through a third party, to the extent that those costs are used to promote or maintain a favorable image of the guaranty agency. The term “public relations” does not include any activity that is ordinary and necessary for the fulfillment of the agency’s FFEL guaranty responsibilities under the HEA, including appropriate and reasonable advertising designed specifically to communicate with the public and program participants for the purpose of facilitating the agency’s ability to fulfill its FFEL guaranty responsibilities under the HEA. Ordinary and necessary public relations activities include training of program participants and secondary school personnel and customer service functions that disseminate FFEL-related information and materials to schools, loan holders, prospective loan applicants, and their parents. In providing that training at workshops, conferences, or other ordinary and necessary forums customarily used by the agency to fulfill its responsibilities under the HEA, the agency may provide light meals and refreshments of a reasonable nature and amount to the participants;

(9) *Relocation of employees* in excess of an employee’s actual or reasonably estimated expenses or for purposes that do not benefit the administration of the guaranty agency’s FFEL program. Except as approved by the Secretary, reimbursement must be in accordance with an established written policy; and

(10) *Travel expenses* that are not in accordance with a written policy approved by the Secretary or a State policy. If the guaranty agency does not have such a policy, it may not use the assets of the Operating Fund to pay for travel expenses that exceed those allowed for lodging and subsistence under subchapter I of Chapter 57 of title 5, United States Code, or in excess of commercial airfare costs for standard coach airfare, unless those accommodations would require circuitous routing, travel during unreasonable

hours, excessively prolonged travel, would result in increased cost that would offset transportation savings, or would offer accommodations not reasonably adequate for the medical needs of the traveler.

(c) *Cost allocation*. Each guaranty agency that shares costs with any other program, agency, or organization shall develop a cost allocation plan consistent with the requirements described in OMB Circular A–87 and maintain the plan and related supporting documentation for audit. A guaranty agency is required to submit its cost allocation plans for the Secretary’s approval if it is specifically requested to do so by the Secretary.

§ 682.419 Guaranty agency Federal Fund.

(a) *Establishment and control*. A guaranty agency must establish and maintain a Federal Student Loan Reserve Fund (referred to as the “Federal Fund”) to be used only as permitted under paragraph (c) of this section. The assets of the Federal Fund and the earnings on those assets are, at all times, the property of the United States. The guaranty agency must exercise the level of care required of a fiduciary charged with the duty of protecting, investing, and administering the money of others.

(b) *Deposits*. The agency must deposit into the Federal Fund—

(1) All funds, securities, and other liquid assets of the reserve fund that existed under § 682.410;

(2) The total amount of insurance premiums or Federal default fees collected;

(3) Federal payments for default, bankruptcy, death, disability, closed school, false certification, and other claims;

(4) Federal payments for supplemental preclaims assistance activities performed before October 1, 1998;

1, 1998 for loans upon which insurance was issued before October 1, 1998;

(1) To pay insurance claims;

(2) To transfer default aversion fees to the agency's Operating Fund;

(3) To transfer account maintenance fees to the agency's Operating Fund, if directed by the Secretary;

(4) To refund payments made by or on behalf of a borrower on a loan that has been discharged in accordance with § 682.402;

(6) For transfers to the agency's Operating Fund, pursuant to § 682.421;

(7) To refund insurance premiums or Federal default fees related to loans cancelled or refunded, in whole or in part;

(8) To return to the Secretary portions of the Federal Fund required to be returned by the Act; and

(9) For any other purpose authorized by the Secretary.

(d) *Prohibition against prepayment.* A guaranty agency may not prepay obligations of the Federal Fund unless it demonstrates, to the satisfaction of the Secretary, that the prepayment is in the best interests of the United States.

(e) *Minimum Federal Fund level.* The guaranty agency must maintain a minimum Federal Fund level equal to at least 0.25 percent of its insured original principal amount of loans outstanding.

(f) *Definitions.* For purposes of this section—

(1) *Federal Fund level* means the total of Federal Fund assets identified in

paragraph (b) of this section plus the amount of funds transferred from the Federal Fund that are in the Operating Fund, using an accrual basis of accounting.

(2) *Original principal amount of loans outstanding means—*

(i) The sum of—

(A) The original principal amount of all loans guaranteed by the agency; and

(B) The original principal amount of any loans on which the guarantee was transferred to the agency from another guarantor, excluding loan guarantees transferred to another agency pursuant to a plan of the Secretary in response to the insolvency of the agency;

(ii) Minus the original principal amount of all loans on which—

(A) The loan guarantee was cancelled;

(B) The loan guarantee was transferred to another agency;

(C) Payment in full has been made by the borrower;

(D) Reinsurance coverage has been lost and cannot be regained; and

(E) The agency paid claims.

§ 682.420 Federal nonliquid assets.

(a) *General.* The Federal portion of a nonliquid asset developed or purchased in whole or in part with Federal reserve funds, regardless of who held or controlled the Federal reserve funds or assets, is the property of the United States. The ownership of that asset must be prorated based on the percentage of the asset developed or purchased with Federal reserve funds. In maintaining and using the Federal portion of a nonliquid asset under this section, the guaranty agency must exercise the level of care required of a fiduciary charged with protecting, investing, and administering the property of others.

(b) *Treatment of revenue derived from a nonliquid Federal asset.* If a guaranty agency derives revenue from the Federal portion of a nonliquid asset, including its sale or lease, the agency must promptly deposit the percentage of the net revenue received into the Federal Fund equal to the percentage

of the asset owned by the United States.

(c) *Guaranty agency use of the Federal portion of a nonliquid asset.* (1)(i) If a guaranty agency uses the Federal portion of a nonliquid asset in the performance of its guaranty activities (other than an intangible or intellectual property asset or a tangible asset of nominal value), the agency must promptly deposit into the Federal Fund an amount representing the net fair value of the use of the asset.

(ii) If a guaranty agency uses the Federal portion of a nonliquid asset for purposes other than the performance of its guaranty activities, the agency must promptly deposit into the Federal Fund an amount representing the net fair value of the use of the asset.

(2) Payments to the Federal Fund required by paragraph (c)(1) of this section must be made not less frequently than quarterly.

§ 682.421 Funds transferred from the Federal Fund to the Operating Fund by a guaranty agency.

(a) *General.* In accordance with this section, a guaranty agency may request the Secretary's permission to transfer a limited amount of funds from the Federal Fund to the Operating Fund. Upon receiving the Secretary's approval, the agency may transfer the requested funds at any time within 6 months following the date specified by the Secretary. If the Secretary has not approved or disapproved the agency's request within 30 days after receiving it, the agency may transfer the requested funds at any time within the 6-month period beginning on the 31st day after the Secretary received the agency's request. The transferred funds may be used only as permitted by §§ 682.410(a)(2) and 682.418.

(b) *Transferring the principal balance of the Federal Fund—(1) Amount that may be transferred.* Upon receiving the Secretary's approval, an agency may transfer an amount up to the equivalent of 180 days of cash expenses for purposes allowed by §§ 682.410(a)(2) and 682.418 (not including claim payments) for normal operating expenses to be de-

posited into the agency's Operating Fund. The amount transferred and outstanding at any time during the first 3 years after establishing the Operating Fund may not exceed the lesser of 180 days cash expenses for purposes allowed by §§ 682.410(a)(2) and 682.418 (not including claim payments), or 45 percent of the balance in the Federal reserve fund that existed under § 682.410 as of September 30, 1998.

(2) *Requirements for requesting a transfer.* A guaranty agency that wishes to transfer principal from the Federal Fund must provide the Secretary with a proposed repayment schedule and evidence that it can repay the transfer according to its proposed schedule. The agency must provide the Secretary with the following:

(i) A request for the transfer that specifies the desired amount, the date the funds will be needed, and the agency's proposed terms of repayment;

(ii) A projected revenue and expense statement, to be updated annually during the repayment period, that demonstrates that the agency will be able to repay the transferred amount within the repayment period requested by the agency; and

(iii) Certifications by the agency that during the period while the transferred funds are outstanding—

(A) Sufficient funds will remain in the Federal Fund to pay lender claims during the period the transferred funds are outstanding;

(B) The agency will be able to meet the reserve recall requirements of section 422 of the Act;

(C) The agency will be able to meet the statutory minimum reserve level of 0.25 percent, as mandated by section 428(c)(9) of the Act; and

(D) No legal prohibition exists that would prevent the agency from obtaining or repaying the transferred funds.

(c) *Transferring interest earned on the Federal Fund—(1) Amount that may be transferred.* The Secretary may permit an agency that owes the Federal Fund the maximum amount allowable under paragraph (b) of this section to transfer the interest income earned on the Federal Fund during the 3-year period following October 7, 1998. The combined amount of transferred interest and the amount of principal transferred under

paragraph (b) of this section may exceed 180 days cash expenses for purposes allowed by §§ 682.410(a)(2) and 682.418 (not including claim payments), but may not exceed 45 percent of the balance in the Federal reserve fund that existed under § 682.410 as of September 30, 1998.

(2) *Requirements for requesting a transfer.* To be allowed to transfer the interest income, in addition to the items in paragraph (b)(2) of this section, the agency must demonstrate to the Secretary that the cash flow in the Operating Fund will be negative if the agency is not authorized to transfer the interest, and, by transferring the interest, the agency will substantially improve its financial circumstances.

§ 682.422 Guaranty agency repayment of funds transferred from the Federal Fund.

(a) *General.* A guaranty agency must begin repayment of money transferred from the Federal Fund not later than the start of the 4th year after the agency establishes its Operating Fund. All amounts transferred must be repaid not later than five years after the date the Operating Fund is established.

(b) *Extension for repaying the interest transferred—*(1) *General.* The Secretary may extend the period for repayment of interest transferred from the Federal Fund from two years to five years if the Secretary determines that the cash flow of the Operating Fund will be negative if the transferred interest had to be repaid earlier or the repayment of the interest would substantially diminish the financial circumstances of the agency.

(2) *Agency eligibility for an extension.* To receive an extension, the agency must demonstrate that it will be able to repay all transferred funds by the end of the 8th year following the date of establishment of the Operating Fund and that the agency will be financially sound upon the completion of repayment.

(3) *Repayment of interest earned on transferred funds.* If the Secretary ex-

tends the period for repayment of interest transferred from the Federal Fund for a guaranty agency, the agency must repay the amount of interest during the 6th, 7th, and 8th years following the establishment of the Operating Fund. In addition to repaying the amount of interest, the guaranty agency must also pay to the Secretary any income earned after the 5th year from the investment of the transferred amount. In determining the amount of income earned on the transferred amount, the Secretary uses the average investment income earned on the agency's Operating Fund.

(c) *Consequences if a guaranty agency fails to repay transfers from the Federal Fund.* If a guaranty agency fails to make a scheduled repayment to the Federal Fund, the agency may not receive any other Federal funds until it becomes current in making all scheduled payments, unless the Secretary waives this restriction.

Subpart E—Federal Guaranteed Student Loan Programs

§ 682.500 Circumstances under which loans may be guaranteed by the Secretary.

(a) The Secretary may guarantee all—

(1) FISL, Federal SLS, and Federal PLUS loans made by lenders located in a State in which no State or private nonprofit guaranty agency has in effect an agreement with the Secretary under § 682.401 to serve as guarantor in that State;

(2) Federal Consolidation loans made by the Student Loan Marketing Association and Federal Consolidation loans made by any other lender that has applied for and been denied guarantee coverage on Consolidation loans by the guaranty agency that guarantees the largest dollar volume of FFEL loans made by the lender; and

(3) FISL, Federal SLS, Federal PLUS, and Federal Consolidation loans

made by lenders located in a State in which a guaranty agency program is operating but is not reasonably accessible to students who meet the agency's residency requirements.

(b) The Secretary may guarantee FISL, Federal SLS, Federal PLUS and Federal Consolidation loans made by a lender located in a State where a guaranty agency operates a program that is reasonably accessible to students who meet the residency requirements of that program only for—

(1) A student who does not meet the agency's residency requirements;

(2) A lender who is not able to obtain a guarantee from the guaranty agency for at least 80 percent of the loans the lender intends to make over a 12-month period because of the agency's residency requirements;

(3) With the approval of the guaranty agency, a student who has previously received from the same lender a FISL loan that has not been repaid; or

(4) All students at a school located in the State if the Secretary finds that—

(i) No single guaranty agency program is reasonably accessible to students at that school as compared to students at other schools during a comparable period of time; and

(ii) Guaranteeing loans made in the State to students attending that school would significantly increase the access of students at that school to FFEL Program loans. The Secretary may guarantee loans made to those students by a lender in that State if—

(A) The guaranty agency does not recognize the school as being eligible, but the school is eligible under the FISL program; or

(B) A majority of the persons enrolled at the school meet the conditions of student eligibility for FISL loans but are not recognized as eligible under the guaranty agency program.

(c) For purposes of paragraph (b) of this section, a lender is considered to be located in the same State as a school if the lender—

(1) Has an origination relationship with the school;

(2) Has a majority of its voting stock held by the school; or

(3) Has common ownership or management with the school and more than 50 percent of the loans made by

that lender are made to students at that school.

(d) As a condition for guaranteeing loans under the Federal FFEL programs, the Secretary may require the lender to submit evidence of circumstances that would justify loan guarantees under the provisions of this section.

(e) With regard to a school lender that has entered into an agreement with the Secretary under § 682.600, the Secretary denies loan guarantees on the basis of this section only if the Secretary first determines that all eligible students at that school who make a conscientious effort to obtain a loan from another lender will find a loan to be reasonably available. For purposes of this paragraph, the determination of loan availability is based on studies and surveys that the Secretary considers satisfactory.

(Authority: 20 U.S.C. 1071, 1073, 1078-1, 1078-2, 1078-3, 1082)

§ 682.501 Extent of Federal guarantee under the Federal GSL programs.

(a) *General.* Except as provided in paragraph (b) of this section, the Secretary's guarantee liability on any Federal GSL loan is 100 percent of the unpaid principal balance and, to the extent permitted under § 682.512, accrued interest.

(b) *Special provisions for State lenders.*

(1) Except as described in paragraph (b)(2) of this section, the Secretary's guarantee liability is less than 100 percent under the following conditions:

(i) If the total of default claims under the Federal GSL programs paid by the Secretary to a State lender during any fiscal year reaches five percent of the amount of the Federal GSL loans in repayment at the end of the preceding fiscal year, the Secretary's guarantee liability on a claim subsequently paid during that fiscal year is 90 percent of the amount of the unpaid principal balance plus accrued interest.

(ii) If the total of default claims under the Federal GSL programs paid by the Secretary to a State lender during any fiscal year reaches nine percent of the amount of the Federal GSL loans in repayment at the end of the preceding fiscal year, the Secretary's guarantee liability on a claim subse-

quently paid during that fiscal year is 80 percent of the amount of the unpaid principal balance plus accrued interest.

(iii) For purposes of this paragraph, the total default claims paid by the Secretary during any fiscal year do not include paid claims filed by the lender under the provisions of § 682.412(e) or § 682.509.

(2) The potential reduction in guarantee liability does not apply to a State lender during the first Federal fiscal year of its operation as a Federal GSL Program lender and during each of the four succeeding fiscal years.

(3) For the purposes of this section, the term "amount of the Federal GSL loans in repayment" means the original principal amount of all loans guaranteed by the Secretary less—

(i) The original principal amount of loans on which—

(A) Under the FISL program, the borrower has not yet reached the repayment period;

(B) Payment in full has been made by the borrower;

(C) The borrower was in deferment status at the time repayment of principal was scheduled to begin and remains in deferment status; or

(D) The Secretary has paid a claim filed under section 437 of the Act; and

(ii) The amount paid by the Secretary for default claims on loans, exclusive of paid claims filed by the lender under § 682.412(e) or § 682.509.

(4) For the purposes of this paragraph, payments by the Secretary on a loan that the original lender assigned to a subsequent holder are considered payments made to the original lender.

(5) State lenders shall consolidate Federal GSL loans for the purpose of calculating the amount of the Secretary's guarantee liability under this section.

§ 682.502 The application to be a lender.

(a) To be considered for participation in the Federal GSL programs, a lender shall submit an application to the Secretary.

(b) In determining whether to enter into a guarantee agreement with an applicant, and, if so, what the terms of

§ 682.503

34 CFR Ch. VI (7–1–07 Edition)

the agreement will be, the Secretary considers—

(1) Whether the applicant meets the definition of an “eligible lender” in section 435(d) of the Act and the definition of “lender” in § 682.200;

(2) Whether the applicant is capable of complying with the regulations in this part as they apply to lenders;

(3) Whether the applicant is capable of implementing adequate procedures for making, servicing, and collecting loans;

(4) Whether the applicant has had prior experience with a similar Federal, State, or private nonprofit student loan program, and the amount and percentage of loans that are currently delinquent or in default under that program;

(5) The financial resources of the applicant; and

(6) In the case of a school that is seeking approval as a lender, its accreditation status.

(c) The Secretary may require an applicant to submit sufficient materials with its application so that the Secretary may fairly evaluate it in accordance with the criteria in this section.

(d)(1) If the Secretary decides not to approve the application for a guarantee agreement, the Secretary’s response includes the reason for the decision.

(2) The Secretary provides the lender an opportunity for the lender to meet with a designated Department official if the lender wishes to appeal the Secretary’s decision.

(3) However, the Secretary need not explain the reasons for the denial or grant the lender an opportunity to appeal if the lender submits its application within six months of a previous denial.

(Authority: 30 U.S.C. 1078–1, 1078–2, 1078–3, 1079, 1082)

§ 682.503 The guarantee agreement.

(a)(1) To participate in the Federal GSL programs, a lender must have a guarantee agreement with the Secretary. The Secretary does not guarantee a loan unless it is covered by such an agreement.

(2) In general, under a guarantee agreement the lender agrees to comply with all laws, regulations, and other requirements applicable to its partici-

pation as a lender in the Federal GSL programs. In return, the Secretary agrees to guarantee each eligible Federal GSL loan held by the lender against the borrower’s default, death, total and permanent disability, or bankruptcy.

(3) The Secretary may include in an agreement a limit on the duration of the agreement and the number or amount of Federal GSL loans the lender may make or hold.

(b)(1) Except as otherwise approved by the Secretary, a guarantee agreement with a school lender limits the Federal GSL loans made by that school lender that will be covered by the Federal guarantee to those loans made to students, or to parents borrowing on behalf of students, who are—

(i) In attendance at that school;

(ii) In attendance at other schools under the same ownership as that school; or

(iii) Employees or dependents of employees, or whose parents are employees, of that school lender or other schools under the same ownership, under circumstances the Secretary considers appropriate for loan guarantees.

(2) The Secretary may on a school-by-school basis impose limits under paragraph (b)(1)(iii) of this section on a school lender that makes loans to students or to parents of students in attendance at other schools under the same ownership, or to employees, or to dependents or parents of employees, of those other schools.

§ 682.504 Issuance of Federal loan guarantees.

(a) A lender having a guarantee agreement shall submit an application to the Secretary for a Federal loan guarantee on each intended loan that the lender determines to be eligible for a guarantee. The application must be on a form prescribed by the Secretary. The Secretary notifies the lender whether the loan will be guaranteed and of the amount of the guarantee. No disbursement on a loan made prior to the Secretary’s approval of that loan is covered by the guarantee.

(b) The Secretary issues a guarantee on a Federal GSL loan in reliance on the implied representations of the lender that all requirements for the initial eligibility of the loan for guarantee coverage have been met. As described in § 682.513, the continuance of the guarantee is conditioned upon compliance by all holders of the loan with the regulations in this part.

(Authority: 20 U.S.C., 1078-1, 1078-2, 1078-3, 1079, 1082)

§ 682.505 Insurance premium.

(a) *General.* The Secretary charges the lender an insurance premium for each Federal GSL Program loan that is guaranteed, except that no insurance premium is charged on a Federal Consolidation loan, or on a Federal SLS or Federal PLUS loan made under § 682.209(f).

(b) *Rate.* The rate of the insurance premium is one-fourth of one percent per year of the loan principal, excluding interest or other charges that may have been added to the principal.

(c) *FISL loans—insurance premium calculation.* (1) The insurance premium for FISL loans is calculated by—

(i) Counting the number of months beginning with the month following the month in which each disbursement on the loan is to be made and ending 12 months after the borrower's anticipated graduation from the school for attendance at which the loan is sought;

(ii) Dividing one-fourth of one percent of the principal amount of the loan by 12; and

(iii) Multiplying the result obtained in paragraph (c)(1)(i) of this section by that obtained in paragraph (c)(1)(ii) of this section.

(2) If the lender disburses the loan in multiple installments, the insurance premium is calculated for each disbursement from the month following the month that the disbursement is made.

(d) *Federal PLUS and SLS Loans—insurance premium calculation.* The insurance premium for a Federal PLUS or SLS loan is calculated by—

(1) Using the projected repayment period as a base;

(2) Amortizing the loan in equal monthly installments over the repayment period;

(3) Determining one-fourth of one percent of each monthly declining principal balance; and

(4) Computing the total of monthly amounts calculated under paragraph (d)(3) of this section.

(e) *Collection from lenders.* (1) The Secretary may bill the lender for the insurance premium or may require the lender to pay the insurance premium to the Secretary at the time of disbursement of the loan. At the Secretary's discretion, the Secretary may alternatively collect the insurance premium by offsetting it against amounts payable by the Secretary to the lender.

(2) The Secretary's guarantee on a loan ceases to be effective if the lender fails to pay the insurance premium within 60 days of the date payment is due. However, the Secretary may excuse late payment of an insurance premium and reinstate the guarantee coverage on a loan if the Secretary is satisfied that at the time the premium is paid—

(i) The loan is not in default and the borrower is not delinquent in making installment payments; or

(ii) The loan is in default, or the borrower is delinquent, under circumstances where the borrower has entered the repayment period without the lender's knowledge.

(f) *Collection from borrowers.* The lender may pass along the cost of the insurance premium to the borrower. If it does so, the insurance premium must be deducted from each disbursement of the loan in an amount proportionate to that disbursement's contribution to the premium amount.

(g) *Refund provisions.* The insurance premium is not refundable by the Secretary and need not be refunded by the lender to the borrower, even if the borrower prepays, defaults, dies, becomes totally and permanently disabled, or files a petition in bankruptcy.

§ 682.506 Limitations on maximum loan amounts.

(a) The Secretary does not guarantee a FISL, Federal SLS, or Federal PLUS loan in an amount that would—

(1) Result in an annual loan amount in excess of the student's estimated cost of attendance for the period of enrollment for which the loan is intended less—

(i) The student's estimated financial assistance; and

(ii) The student's expected family contribution for that period, in the case of a FISL loan; or

(2) Result in an annual or aggregate loan amount in excess of the permissible annual and aggregate loan limits described in § 682.204.

(b) The Secretary does not guarantee a Federal Consolidation loan in an amount greater than that required to discharge loans eligible for consolidation under § 682.100(a)(4).

(Authority: 20 U.S.C. 1075, 1077, 1078-1, 1078-2, 1079, 1082, 1089)

§ 682.507 Due diligence in collecting a loan.

(a) *General.* (1) Except as provided in paragraph (a)(4) of this section, a lender shall exercise due diligence in the collection of a loan with respect to both a borrower and an authorized endorser. In order to exercise due diligence, a lender shall implement the procedures described in this section if a borrower fails to make an installment payment when due.

(2) If two borrowers are liable for repayment of a Federal PLUS or Federal Consolidation loan as co-makers, the lender must follow these procedures with respect to both borrowers.

(3) For purposes of this section, the borrower's delinquency begins on the day after the due date of an installment payment not paid when due, except that if the borrower entered the repayment period without the lender's knowledge, the delinquency begins 30 days after the day the lender receives notice that the borrower has entered the repayment period.

(4) In lieu of the procedures described in this section, a lender may use the due diligence procedures in § 682.411 in collecting a Federal GSL loan.

(b) *Initial delinquency.* If a borrower is delinquent in making a payment, the lender shall remind the borrower within 10 working days of the date the payment was due by means of a letter, notice, telephone call, or personal contact. If payments do not begin or resume, the lender shall attempt to contact the borrower—

(1) At last six more times at regular intervals during the remainder of the six-month period that started on the date of delinquency for loans repayable in monthly installments; or

(2) At least eight more times during the remainder of the eight-month period that started on the date of delinquency for loans repayable in installments less frequent than monthly.

(c) *Skip-tracing assistance.* (1) If a lender does not know the borrower's current address, the lender promptly shall attempt to locate the borrower through normal commercial collection activities, including contacting all individuals and entities named in the borrower's loan application. If these efforts are unsuccessful, the lender promptly shall attempt to learn the borrower's current address through use of the Department's skip-tracing assistance.

(2) If the lender does not know the borrower's address when a borrower is first delinquent in making a payment, but subsequently obtains the borrower's address prior to the date on which the loan goes into default, the lender shall attempt to contact the borrower in accordance with paragraph (b) of this section, with the first contact occurring within 15 days of the date the lender obtained knowledge of the borrower's address, and shall attempt to contact the borrower at least once during each succeeding 30-day period until default.

(d) *Preclaims assistance.* When the borrower is 60 days delinquent in making a payment, the lender shall request preclaims assistance from the Department of Education. This preclaims assistance consists of sending a series of letters to the borrower, urging the borrower to contact the lender and begin or resume payments.

(e) *Final demand letter.* A lender shall send a final demand letter to the borrower at least 30 days before the lender

files a default claim. The lender shall allow the borrower at least 30 days to respond to the final demand letter. However, a lender need not send a final demand letter to a borrower whose address is unknown to the lender.

(f) *Litigation.* (1) If a loan is in default and the lender determines that the borrower or an endorser has the ability to repay the loan, the lender may bring suit against the borrower or the endorser to recover the amount of the unpaid principal and interest, together with reasonable attorneys' fees, late charges, and court costs.

(2) Prior to bringing suit the lender shall—

(i) Obtain the Secretary's approval; and

(ii) Notify the borrower or endorser in writing that it has received the Secretary's approval to bring suit on the loan, and that unless the borrower or endorser makes payments sufficient to bring the account out of default the lender will seek a judgment under which the borrower or endorser will be liable for payment of late charges, attorneys' fees, collection agency charges, court costs, and other reasonable collection costs in addition to the unpaid principal and interest on the loan. The lender shall mail the notice to the borrower or endorser by certified mail, return receipt requested.

(3) The lender may bring suit if the borrower or endorser does not make payments sufficient to bring the account out of default within 10 days following the date of delivery of the notice described in paragraph (f)(2)(ii) of this section to the borrower or endorser indicated on the receipt.

(4) A lender may first apply the proceeds of any judgment against its attorneys' fees, court costs, collection agency charges, and other reasonable collection costs, whether or not the judgment provides for these fees and costs.

§ 682.508 Assignment of a loan.

(a) *General.* A Federal GSL loan may not be assigned except to another eligible lender. For the purpose of this paragraph, "assigned" means any kind of transfer of an interest in the loan, including a pledge of such an interest as security.

(b)(1) *Procedure.* If the assignment of a FISL Program loan is to result in a change in the identity of the party to whom the borrower must send subsequent payments, the assignor and the assignee of the loan shall, no later than 45 days from the date the assignee acquires a legally enforceable right to receive payment from the borrower on the assigned loan, provide separate notices to the borrower of—

(i) The assignment;

(ii) The identity of the assignee;

(iii) The name and address of the party to whom subsequent payments must be sent; and

(iv) The telephone numbers of both the assignor and the assignee.

(2) The assignor and assignee shall provide the notice required by paragraph (b)(1) of this section separately. Each notice must indicate that a corresponding notice will be sent by the other party to the assignment.

(c) *The Secretary's approval.* The approval of the Secretary is required prior to the assignment of a note to an eligible lender that has not entered into a contract of insurance with the Secretary under § 682.503.

(d) *Warranty.* (1) Nothing in this section precludes the buyer of a loan from obtaining a warranty from the seller covering certain future reductions by the Secretary in computing the amount of guaranteed loss, if any, on a claim filed on the loan.

(2) The warranty may cover only reductions that are attributable to an act or failure to act of the seller or other previous holder.

§ 682.509 Special conditions for filing a claim.

(a) A lender shall cease collection activity on a loan and file a claim with the Secretary within the time specified in § 682.511(e)(3), if—

(1) In the case of a loan that was not made or originated by the school, the lender learns that while the student was enrolled at the school the school terminated its teaching activities for that student during the academic period covered by the loan; or

(2) The Secretary directs that the claim be filed.

(b) A lender may not as a result of a claim filed with the Secretary under this section report a borrower's loan as in default to any credit bureau or other third party.

§ 682.510 Determination of the borrower's death, total and permanent disability, or bankruptcy.

(a) The procedures in § 682.402(a)–(d) for determining whether a borrower has died, become totally and permanently disabled, or filed a bankruptcy petition apply to the Federal GSL programs.

(b) For purposes of this section, references to the “guaranty agency” in § 682.402(d)(5) shall be understood to refer to the Secretary.

(Authority: 20 U.S.C. 1078–1, 1078–2, 1078–3, 1082, 1087)

§ 682.511 Procedures for filing a claim.

(a) *Filing a claim application.* (1) A lender may file a claim against the Secretary's guarantee on a Federal GSL loan for any of the following reasons:

(i) The loan is in default, as defined in § 682.200.

(ii) Any of the conditions exist for filing a claim without collection efforts, as set forth in § 682.412(e)(2) or § 682.509.

(iii) The borrower has died, become totally and permanently disabled, or filed a bankruptcy petition, as determined by the lender in accordance with § 682.510.

(2) If a Federal PLUS loan was obtained by two eligible parents as co-makers, or a Federal Consolidation loan was obtained jointly by a married couple, the reason for filing a claim must hold true for both applicants, or each applicant must have satisfied a claimable criterion at the time of the request for discharge of the loan.

(3) A lender may file a claim against the Secretary's guarantee only on a form provided by the Secretary. The lender shall attach to the claim all documents required by the Secretary. If the lender fails to do so, the Secretary denies the claim.

(b) *Documentation required for claims.*

(1) The Secretary requires a lender to submit the following documentation with all claims:

(i) The original promissory note.

(ii) The loan application.

(iii) The repayment instrument.

(iv) A payment history, as described in § 682.414(a)(3)(ii)(I).

(v) A collection history, as described in § 682.414(a)(3)(ii)(J).

(vi) A copy of the final demand letter if required by § 682.507(e).

(vii) The original or a copy of all correspondence addressed to, from, or on behalf of the borrower that is relevant to the loan, whether that correspondence involved the original lender, a subsequent holder, or a servicing agent.

(viii) If applicable, evidence of the lender's requests to the Department for skip-tracing assistance under § 682.507(c) and for preclaims assistance under § 682.507(d).

(ix) Any additional documentation that the Secretary determines is relevant to a claim.

(2) The documentation requirements for death, total and permanent disability, or bankruptcy claims in § 682.402(g)(1) apply to the Federal GSL programs. For purposes of this section, references to the “guaranty agency” in § 682.402(e)(1) mean the Secretary.

(c) *Assignment of note.* The Secretary's payment of a claim is contingent upon receipt from the lender of an assignment to the United States of America of all rights, title, and interest of the lender in the note underlying the claim.

(d) *Bankruptcy subsequent to default.* If the lender files a default claim on a loan and subsequently receives a notice of the first meeting of creditors in the proceeding of the borrower in bankruptcy, the lender shall promptly forward that notice to the Department of Education. Under these circumstances the lender shall not file a proof of claim with the bankruptcy court.

(e) *Claim filing deadlines.* To obtain payment of a claim, a lender shall comply with the following deadlines:

(1) *Default claims.* Unless the lender has already filed suit against the borrower in accordance with § 682.507(f), it shall file a default claim on a loan with the Secretary within 90 days after a default has occurred on the loan. For a claim filed by a lender pursuant to § 682.412(e)(2), as directed in § 682.208(f)(2), the lender shall file a claim within 90 days following transmission of the final demand letter sent pursuant to § 682.411(e) if the borrower failed to comply with the terms of the letter within 30 days of the transmission.

(2) *Death, total and permanent disability, or bankruptcy claims.* The claim filing deadlines in § 682.402(e)(2) apply to the Federal GSL programs. For purposes of this section, references to the "guaranty agency" in § 682.402(e)(2) mean the Secretary.

(3) *Special condition claims.* In the case of a special condition claim filed pursuant to § 682.509, the lender shall file a claim with the Secretary within 45 days of the date the lender determines that the conditions set forth in § 682.509(a)(1) exist, or the date the Secretary directs that the claim be filed pursuant to § 682.509(a)(2).

§ 682.512 Determination of amount payable on a claim.

(a) *Default claims—(1) Amount payable.* The amount of loss to be paid on a default claim depends upon the date the Secretary received the application for a guarantee commitment on the loan. If the application was received—

(i) Prior to July 1, 1972, or from August 19, 1972 through February 28, 1973, the amount payable on a valid claim is equal to the unpaid balance of the original principal loan amount disbursed; or

(ii) From July 1 through August 18, 1972, or after February 28, 1973, the amount payable on a valid claim is equal to the unpaid balance of the principal and interest in accordance with paragraph (a)(2) of this section. The unpaid principal amount of the loan may include capitalized interest to the extent authorized by § 682.202(b).

(2) *Payment of interest.* If the guarantee covers unpaid interest, the payment of a valid claim covers the unpaid interest that accrues during the following periods:

(i) During the period before the claim is filed, not to exceed the period provided for in § 682.511(e) for filing the claim.

(ii) During a period not to exceed 30 days following the return of the claim to the lender by the Secretary for additional documentation necessary for the claim to be approved by the Secretary.

(iii) During the period, after the claim is filed, that is required by the Secretary to approve the claim and to authorize payment or to return the claim to the lender for additional documentation.

(3) *Recovery of outstanding debts.* The Secretary may reduce the amount of loss due to the lender on a claim by the amount the Secretary determines is owed to the Secretary by the lender.

(b) *Death, total and permanent disability, or bankruptcy claims.* (1) In the case of a death or disability claim, the amount to be paid on a valid claim—

(i) Is equal to the unpaid balance of the original principal loan amount disbursed if the loan was disbursed prior to December 15, 1968; or

(ii) Is calculated in accordance with § 682.402(h)(2) and (h)(3) if the loan was disbursed after December 14, 1968.

§ 682.513

(2) In the case of a bankruptcy claim, the amount of loss is calculated in accordance with § 682.402(f)(2) and (f)(3).

(3) For purposes of this section, references to the “guaranty agency” in § 682.402(f)(3) mean the Secretary.

(c) *Special rules for a loan acquired by assignment.* If a claim is filed by a lender that obtained a loan by assignment, that lender is not entitled to any payment under this section greater than that to which a previous holder would have been entitled. For example, the Secretary deducts from the claim any amounts that are attributable to payments made by the borrower to a prior holder of the loan before the borrower received proper notice of the assignment of the loan.

§ 682.513 Factors affecting coverage of a loan under the loan guarantee.

(a)(1) In determining whether to approve for payment a claim against the Secretary’s guarantee, the Secretary considers matters affecting the enforceability of the loan obligation and whether the loan was made and administered in accordance with the Act and applicable regulations.

(2) The Secretary deducts from a claim any amount that is not a legally enforceable obligation of the borrower, except to the extent that the defense of infancy applies.

(3) Except as provided in § 682.509, the Secretary does not pay a claim unless—

(i) All holders of the loan have complied with the requirements of this part, including, but not limited to, those concerning due diligence in the making, servicing, and collecting of a loan;

(ii) The current holder has complied with the deadlines for filing a claim established in § 682.511(e); and

(iii) The current holder complies with the requirements for submitting documents with a claim as established in § 682.511(b).

(b) Except as provided in § 682.509, the Secretary does not pay a death, disability, or bankruptcy claim for a loan after a default claim for that loan has

34 CFR Ch. VI (7-1-07 Edition)

been disapproved by the Secretary or if it would not be payable as a default claim by the Secretary.

(c) The Secretary’s determination of the amount of loss payable on a default claim under this part, once final, is conclusive and binding on the lender that filed the claim.

NOTE: A determination of the Secretary under this section is subject to judicial review under 5 U.S.C. 706 and 41 U.S.C. 321-322.

§ 682.514 Procedures for receipt or retention of payments where the lender has violated program requirements for Federal GSL loans.

(a) The Secretary may waive the right to recover or refuse to make an interest benefits, special allowance, or claim payment, or may permit a lender to cure certain defects in a specified manner if, in the Secretary’s judgment, the best interests of the United States so require.

(b) To receive payment on a default claim or to resume eligibility to receive interest benefits and special allowance on a loan as to which a lender has committed a violation of the requirements of this part regarding due diligence in collection or timely filing of claims, the lender shall meet the conditions described in appendix C to this part.

§ 682.515 Records, reports, and inspection requirements for Federal GSL program lenders.

(a) *Records.* (1) A lender shall maintain current, complete, and accurate records of each loan that it holds, including, but not limited to, the records described in § 682.414(a)(3)(ii). The records must be maintained in a system that allows ready identification of each loan’s current status.

(2) A lender shall retain the records required for each loan for not less than five years following the date the loan is repaid in full by the borrower or the lender is reimbursed on a claim. However, in particular cases the Secretary may require the retention of records beyond this minimum period.

(3)(i) The lender may store the records specified in § 682.414(a)(3)(ii)(C)–(K) on microfilm, optical disk, or other machine readable format.

(ii) The holder of the promissory note shall retain the original note and repayment instrument until the loan is fully repaid. At that time the holder shall return the original note and repayment instrument to the borrower and retain copies for the prescribed period.

(iii) The lender shall retain the original or a copy of the loan application.

(b) *Reports.* A lender shall submit reports to the Secretary at the time and in the manner that the Secretary reasonably may require.

(c) *Inspections.* Upon request, a lender or its agent shall cooperate with the Secretary, the Department's Office of the Inspector General, and the Comptroller General of the United States, or their authorized representatives, in the conduct of audits, investigations, and program reviews. This cooperation must include—

(1) Providing timely access for examination and copying to the records (including computerized records) required by applicable regulations and to any other pertinent books, documents, papers, computer programs, and records; and

(2) Providing reasonable access to lender personnel associated with the lender's administration of the Title IV, HEA programs for the purpose of obtaining relevant information. In providing reasonable access, the institution may not—

(i) Refuse to supply any relevant information;

(ii) Refuse to permit interviews with those personnel that do not include the presence of representatives of the lender's management; and

(iii) Refuse to permit personnel interviews with those personnel that are not recorded by the lender.

§ 682.602 [Reserved]

§ 682.603 Certification by a participating school in connection with a loan application.

(a) A school shall certify that the information it provides in connection with a loan application about the borrower and, in the case of a parent borrower, the student for whom the loan is intended, is complete and accurate. Except as provided in 34 CFR part 668, subpart E, a school may rely in good faith upon statements made on the application by the student.

(b) The information to be provided by the school about the borrower making application for the loan pertains to—

(1) The borrower's eligibility for a loan, as determined in accordance with § 682.201 and § 682.204;

(2) For a subsidized Stafford loan, the student's eligibility for interest benefits as determined in accordance with § 682.301; and

(3) The schedule for disbursement of the loan proceeds, which must reflect the delivery of the loan proceeds as set forth in § 682.604(c).

(c) Except as provided in paragraph (e) of this section, in certifying a loan, a school must certify a loan for the lesser of the borrower's request or the loan limits determined under § 682.204.

(d) A school may not certify a Stafford or PLUS loan application, or combination of loan applications, for a loan amount that—

(1) The school has reason to know would result in the borrower exceeding the annual or maximum loan amounts in § 682.204; or

(2) Exceeds the student's estimated cost of attendance, less—

(i) The student's estimated financial assistance for that period; and

(ii) In the case of a Stafford loan that is eligible for interest benefits, the borrower's expected family contribution for that period.

(e) A school may refuse to certify a Stafford or PLUS loan application or may reduce the borrower's determination of need for the loan if the reason for that action is documented and provided to the borrower in writing, provided—

(1) The determination is made on a case-by-case basis;

(2) The documentation supporting the determination is retained in the student's file; and

(3) The school does not engage in any pattern or practice that results in a denial of a borrower's access to FFEL loans because of the borrower's race, sex, color, religion, national origin, age, handicapped status, income, or selection of a particular lender or guaranty agency.

(f)(1) The minimum period of enrollment for which a school may certify a loan application is—

(i) At a school that measures academic progress in credit hours and uses a semester, trimester, or quarter system, a single academic term (e.g., a semester or quarter); or

(ii) For a defaulted borrower who has regained eligibility under § 682.401(b)(4), the academic year in which the borrower regained eligibility.

(B) The number of clock hours is at least 900, the number of semester or trimester hours is at least 24, or the number of quarter hours is at least 36.

(ii) A program of study must be considered two-thirds $\frac{2}{3}$ of an academic year if—

(A) The number of weeks of instruction time is at least 20 weeks; and

(A) The number of weeks of instruction time is at least 10 weeks; and

(B) The number of clock hours is at least 300, the number of semester or trimester hours is at least 8, or the number of quarter hours is at least 12.

(4) In prorating a loan amount for a student enrolled in a program of study with less than a full academic year remaining, the school need not recalculate the amount of the loan if the number of hours for which an eligible student is enrolled changes after the school certifies the loan.

(g)(1) A school must cease certifying loans based on the exceptions in § 682.604(c)(5)(i) and § 682.604(c)(10)(i) no later than—

(ii) October 1, 2002.

(2) A school must cease certifying loans based on the exceptions in § 682.604(c)(5)(ii) and § 682.604(c)(10)(ii) no later than 30 days after the date the school receives notification from the Secretary of an FFEL cohort default rate, calculated under subpart M of 34 CFR part 668, that causes the school to no longer meet the qualifications outlined in those paragraphs.

(h) A school may not assess the borrower, or the student in the case of a parent PLUS loan, a fee for the completion or certification of any FFEL Program form or information or for providing any information necessary for a student or parent to receive a loan under part B of the Act or any benefits associated with such a loan.

(i) *Requesting loan proceeds.* Pursuant to paragraph (b)(3) of the section, a school may not request the disbursement by the lender for loan proceeds

§ 682.604 Processing the borrower's loan proceeds and counseling borrowers.

(a) *General.* (1) This section establishes rules governing a school's processing of a borrower's Stafford or PLUS loan proceeds, and for counseling borrowers. The school shall also comply with any rules for processing a loan contained in 34 CFR part 668.

(2) Prior to a school delivering or crediting an FFEL loan account by EFT or master check, the school must provide the student or parent borrower with the notice as described under § 668.165.

(3) Except as provided in § 668.167, if the school is placed under the reimbursement payment method, a school shall not disburse a loan.

(b) *Releasing loan proceeds.* (1)(i) Except as provided in § 682.207(b)(1)(v)(C)(1) and (D), the proceeds of a Stafford or PLUS loan disbursed using electronic transfer of funds must be sent directly to the school by the lender.

(ii) Upon notification by a lender under § 682.207(b)(2)(iv) that it has disbursed a loan directly to a borrower as provided under § 682.207(b)(1)(v)(C)(1) and (D), the institution must immediately notify the lender if the student is no longer eligible to receive the disbursement.

(2)(i) Except in the case of a late disbursement under paragraph (e) of this section or as provided in paragraph (b)(2)(iii) or (iv) of this section, a school may release the proceeds of any disbursement of a loan only to a student, or a parent in the case of a PLUS loan, if the school determines the student has continuously maintained eli-

gibility in accordance with the provisions of § 682.201 from the beginning of the loan period for which the loan was intended.

(ii) [Reserved]

(iii) If, after the proceeds of the first disbursement are transmitted to the student, the student becomes ineligible due solely to the school's loss of eligibility to participate in the Title IV programs, the school may transmit the proceeds of the second or subsequent disbursement to the borrower as permitted by § 668.26.

(iv) If, prior to the transmittal of the proceeds of a disbursement to the student, the student temporarily ceases to be enrolled on at least a half-time basis, the school may transmit the proceeds of that disbursement and any subsequent disbursement to the student if the school subsequently determines and documents in the student's file—

(A) That the student has resumed enrollment on at least a half-time basis;

(B) The student's revised cost of attendance; and

(C) That the student continues to qualify for the entire amount of the loan, notwithstanding any reduction in the student's cost of attendance caused by the student's temporary cessation of enrollment on at least a half-time basis.

(c) *Processing of the loan proceeds by the school.* (1) Except as provided in paragraph (c)(3) of this section, if a school receives a borrower's loan proceeds, it shall hold the funds until the student has registered for classes for the period of enrollment for which the loan is intended and then follow the procedures in paragraph (c) (2) of this section.

(2)(i) Except as provided in § 682.207(b)(1)(v)(C)(1) and (D), after the student has registered, if the loan proceeds are disbursed by means of a check that requires the endorsement of the student only, the school shall deliver the check to the student, subject to paragraph (d)(2) of this section, within 30 days of the school's receipt of the check.

(ii) If the loan proceeds are disbursed by means of a check that requires the endorsement of both the borrower and the school, the school shall—

(A) In the case of the initial disbursement on a loan, endorse the check on its own behalf, and, after the student has registered, deliver it to the student subject to paragraph (d)(2) of this section, within 30 days of the school's receipt of the check; or

(B) Obtain the borrower's endorsement on the check, endorse the check on its own behalf and, after the student has registered, credit the student's account, in accordance with paragraph (d)(1) of this section, and deliver the remaining loan proceeds to the student, as specified in § 668.164(e).

(3) If the loan proceeds are disbursed by electronic funds transfer to an account of the school in accordance with § 682.207(b)(1)(ii)(B), or by master check in accordance with § 682.207(b)(1)(ii)(C), the school must, unless authorization was provided in the loan application or MPN, obtain the student's, or in the case of parent a PLUS loan, the parent borrower's written authorization for the release of the initial and any subsequent disbursement of each FFEL loan to be made, and after the student has registered either—

(i) Deliver the proceeds to the student or parent borrower as specified in § 668.164; or

(ii) Credit the student's account in accordance with paragraph (d)(1) of this section and § 668.164, notify the student or parent borrower in writing that it has so credited that account, and deliver to the student or parent borrower the remaining loan proceeds not later than the timeframe specified in § 668.164.

(4) A school may not credit a student's account or release the proceeds of a loan to a student who is on a leave of absence, as described in § 668.22(d).

(5) A school may not release the first installment of a Stafford loan for endorsement to a student who is enrolled in the first year of an undergraduate program of study and who has not previously received a Stafford, SLS, Direct Subsidized, or Direct Unsubsidized loan until 30 days after the first day of the student's program of study unless—

(i) The school in which the student is enrolled has a cohort default rate, calculated under subpart M of 34 CFR part 668, of less than 10 percent for each of

the three most recent fiscal years for which data are available; or

(ii) The school is an eligible home institution certifying a loan to cover the student's cost of attendance in a study abroad program and has a cohort default rate, calculated under subpart M of 34 CFR part 668, of less than 5 percent for the single most recent fiscal year for which data are available.

(6) Unless the provision of § 682.207(d) or the provisions of paragraph (c)(7) of this section apply—

(i) If a loan period is more than one payment period, the school must deliver loan proceeds at least once in each payment period; and

(ii) If a loan period is one payment period, the school must make at least two deliveries of loan proceeds during that payment period. The school may not make the second delivery until the calendar midpoint between the first and last scheduled days of class of the loan period.

(7)(i) If a school measures academic progress in an educational program in credit hours and either does not use terms or does not use terms that are substantially equal in length for a loan period, the school may not deliver a second disbursement until the later of—

(A) The calendar midpoint between the first and last scheduled days of class of the loan period; or

(B) The date, as determined by the school, that the student has completed half of the academic coursework in the loan period.

(ii) For purposes of paragraph (c)(7) of this section, terms in a loan period are substantially equal in length if no term in the loan period is more than two weeks longer than any other term in that loan period.

(8) If an educational program measures academic progress in clock hours, the school may not deliver a second disbursement until the later of—

(i) The calendar midpoint between the first and last scheduled days of class of the loan period; or

(ii) The date, as determined by the school, that the student has completed half of the clock hours in the loan period.

(9) The school must deliver loan proceeds in substantially equal installments, and no installment may exceed one-half of the loan.

(10) Notwithstanding the requirements of paragraphs (c)(6)–(c)(9) of this section, a school is not required to deliver loan proceeds in more than one installment if—

(i)(A) The student's loan period is not more than one semester, one trimester, one quarter, or, for non term-based schools or schools with non-standard terms, 4 months; and

(B) The school in which the student is enrolled has a cohort default rate, calculated under subpart M of 34 CFR part 668, of less than 10 percent for each of the three most recent fiscal years for which data are available; or

(ii) The school is an eligible home institution certifying a loan to cover the student's cost of attendance in a study abroad program and has a cohort default rate, calculated under subpart M of 34 CFR part 668, of less than 5 percent for the single most recent fiscal year for which data are available.

(11) A school may deliver loan proceeds in accordance with paragraphs (c)(5) and (c)(10) of this section, if the school certified the loan prior to the deadline as provided for in § 682.603(g).

(d) *Applying the loan proceeds.* (1)(i) For purposes of paragraphs (c)(2)(ii)(B) and (c)(3)(ii) of this section, a school may not credit a registered student's account earlier than the period specified in § 668.164.

(ii)(A) The school may credit a registered student's account with only those loan proceeds covering costs specified in § 668.164.

(B) The school, as a fiduciary for the benefit of the guaranty agency, the Secretary, and the student, may hold any additional loan proceeds that the student requests in writing that the school retain in order to assist the student in managing his or her loan funds for the remainder of the academic year. The school shall maintain these funds, as provided in § 668.165(b)(5).

(2) For purposes of paragraphs (c)(2)(i), (c)(2)(ii) and (c)(3) of this section, a school may not deliver loan proceeds earlier than the timeframe specified in § 668.164.

(3) If a student does not register for the period of enrollment for which the loan was made, or a registered student withdraws or is expelled prior to the first day of classes of the period of enrollment for which the loan is made, the school shall return the proceeds to the lender no later than the period specified in § 668.167.

(4) If the school is unable for any other reason to document that a registered student attended school during the period of enrollment for which the loan is made, the school must determine the student's withdrawal date as required under § 682.605, and by the deadline described in § 682.607(c), shall notify the lender of the student's withdrawal, expulsion, or failure to attend school, if applicable, and return to the lender—

(i) Any loan proceeds credited directly by the school to the student's account; and

(ii) The amount of payments made directly by the student to the school, to the extent that they do not exceed the amount of any loan proceeds delivered by the school to the student.

(e) *Processing a late disbursement.* (1) A school may process a late disbursement received from a lender under § 682.207(f) in accordance with § 668.164(g).

(2) If the total amount of the late disbursement and all prior disbursements is greater than that portion of the borrower's educational charges, the school shall return the balance of the borrower's loan proceeds to the lender with a notice certifying—

(i) The beginning and ending dates of the period during which the borrower was enrolled at the school as an eligible student during the loan period or payment period; and

(ii) The borrower's corrected financial need for the loan for that period of enrollment or payment period.

(f) *Initial counseling.* (1) A school must ensure that initial counseling is conducted with each Stafford loan borrower either in person, by audiovisual presentation, or by interactive electronic means prior to its release of the first disbursement, unless the student borrower has received a prior Federal Stafford, Federal SLS, or Direct subsidized or unsubsidized loan. A school must ensure that an individual with

expertise in the title IV programs is reasonably available shortly after the counseling to answer the student borrower's questions regarding those programs. As an alternative, in the case of a student borrower enrolled in a correspondence program or a student borrower enrolled in a study-abroad program that the home institution approves for credit, the counseling may be provided through written materials, prior to releasing those loan proceeds.

(2) The initial counseling must—

(i) Explain the use of a Master Promissory Note;

(ii) Emphasize to the student borrower the seriousness and importance of the repayment obligation the student borrower is assuming;

(iii) Describe the likely consequences of default, including adverse credit reports, Federal offset, and litigation;

(iv) In the case of a student borrower of a Stafford loan (other than a loan made or originated by the school), emphasize that the student borrower is obligated to repay the full amount of the loan even if the student borrower does not complete the program, is unable to obtain employment upon completion, or is otherwise dissatisfied with or does not receive the educational or other services that the student borrower purchased from the school; and

(v) Inform the student borrower of sample monthly repayment amounts based on a range of student levels of indebtedness or on the average indebtedness of Stafford loan borrowers at the same school or in the same program of study at the same school.

(3) If initial counseling is conducted through interactive electronic means, the school must take reasonable steps to ensure that each student borrower receives the counseling materials, and participates in and completes the initial counseling.

(4) A school must maintain documentation substantiating the school's compliance with this section for each student borrower.

(g) *Exit counseling.* (1) A school must ensure that exit counseling is conducted with each Stafford loan borrower either in person, by audiovisual presentation, or by interactive electronic means. In each case, the school

must ensure that this counseling is conducted shortly before the student borrower ceases at least half-time study at the school, and that an individual with expertise in the title IV programs is reasonably available shortly after the counseling to answer the student borrower's questions. As an alternative, in the case of a student borrower enrolled in a correspondence program or a study-abroad program that the home institution approves for credit, written counseling materials may be provided by mail within 30 days after the student borrower completes the program. If a student borrower withdraws from school without the school's prior knowledge or fails to complete an exit counseling session as required, the school must ensure that exit counseling is provided through either interactive electronic means or by mailing written counseling materials to the student borrower at the student borrower's last known address within 30 days after learning that the student borrower has withdrawn from school or failed to complete the exit counseling as required.

(2) The exit counseling must—

(i) Inform the student borrower of the average anticipated monthly repayment amount based on the student borrower's indebtedness or on the average indebtedness of student borrowers who have obtained Stafford or SLS loans for attendance at the same school or in the same program of study at the same school;

(ii) Review for the student borrower available repayment options, including standard, graduated, extended, and income-sensitive repayment plans and loan consolidation;

(iii) Suggest to the student borrower debt-management strategies that would facilitate repayment;

(iv) Include the matters described in paragraph (f)(2)(i) through (f)(2)(iv) of this section;

(v) Review for the student borrower the conditions under which the student borrower may defer or forbear repayment or obtain a full or partial discharge of a loan;

(vi) Require the student borrower to provide current information concerning name, address, social security number, references, and driver's license

number and State of issuance, as well as the student borrower's expected permanent address, the address of the student borrower's next of kin, and the name and address of the student borrower's expected employer (if known). The school must ensure that this information is provided to the guaranty agency or agencies listed in the student borrower's records within 60 days after the student borrower provides the information;

(vii) Review for the student borrower information on the availability of the Student Loan Ombudsman's office; and

(viii) Inform the student borrower of the availability of title IV loan information in the National Student Loan Data System (NSLDS).

(3) If exit counseling is conducted by electronic interactive means, the school must take reasonable steps to ensure that each student borrower receives the counseling materials, and participates in and completes the counseling.

(4) The school must maintain documentation substantiating the school's compliance with this section for each student borrower.

(h) *Treatment of excess loan proceeds.* Except as provided under paragraph (i) of this section if, before the delivery of any Stafford, SLS or PLUS loan disbursement, the school learns that the borrower will receive or has received financial aid for the period of enrollment for which the loan was made that exceeds the amount of assistance for which the student is eligible, the school shall reduce or eliminate the overaward by either—

(1) Using the student's SLS, PLUS, nonsubsidized or unsubsidized Stafford, or State-sponsored or private loan to cover the expected family contribution, if not already done;

(2)(i) Returning the entire undelivered disbursement to the lender or escrow agent; and

(ii) Providing the lender with a written statement—

(A) Describing the reason for the return of the funds, if any;

(B) Setting forth the student's revised financial need; and

(C) Directing the lender to re-disburse a revised amount and, if nec-

essary, revise subsequent disbursements to eliminate the overaward; or

(3) Returning to the lender any portion of the disbursement for which the student is ineligible and providing the lender with a written statement explaining the return of the funds.

(i) For purposes of paragraph (h) of this section, funds obtained from any Federal College Work-Study employment that do not exceed the borrower's financial need by more than \$300 may not be considered as excess loan proceeds.

§ 682.606 [Reserved]

§ 682.607 Payment of a refund or a return of title IV, HEA program funds to a lender upon a student's withdrawal.

(a) *General.* By applying for a FFEL loan, a borrower authorizes the school to pay directly to the lender that portion of a refund or return of title IV, HEA program funds from the school that is allocable to the loan upon the borrower's withdrawal. A school—

(1) Must pay that portion of the student's refund or return of title IV, HEA program funds that is allocable to a FFEL loan to—

(i) The original lender; or

(ii) A subsequent holder, if the loan has been transferred and the school knows the new holder's identity; and

(2) Must provide simultaneous written notice to the borrower if the school makes a payment of a refund or a return of title IV, HEA program funds to a lender on behalf of that student.

(b) *Allocation of a refund or returned title IV, HEA program funds.* In determining the portion of a refund or the return of title IV, HEA program funds upon a student's withdrawal for an academic period that is allocable to a FFEL loan received by the borrower for that academic period, the school must follow the procedures established in part 668 for allocating a refund or return of title IV, HEA program funds.

§ 682.608 Termination of a school's lending eligibility.

(a) *General.* The Secretary may terminate a school's eligibility to make

loans under this part if the school reaches the 15 percent limit on loan defaults described in paragraph (b) of this section.

(b) *The 15 percent limit.* (1) The Secretary may terminate a school's eligibility to make loans if at the end of each of the 2 most recent consecutive Federal fiscal years for which data are available, the total amount of loans described in paragraph (b)(1)(i) of this section is equal to or greater than 15 percent of the total amount of loans described in paragraph (b)(1)(ii) of this section as follows:

(i) The original principal amount of all loans the school has ever made that went into default during that period.

(ii) The original principal amount of all loans the school has ever made, including loans in deferment status that—

(A) Were in repayment status at the beginning of that period; or

(B) Entered repayment status during that period.

(2) In making the determination under this section, the Secretary considers the status of all FFEL loans made by the school whether the loans are held by the school or by a subsequent holder.

(c) *Exception based on hardship.* The Secretary does not terminate a school's lending eligibility under paragraphs (a) and (b) of this section if the Secretary determines that the termination would result in a hardship for the school or its students. The Secretary makes this determination if the school shows that—

(1) Termination is not justified in light of recent improvements the school has made in its collection capabilities that will reduce the school's loan default rate significantly within the next year. Examples of these improvements include—

(i) Adopting more efficient collection procedures; or

(ii) Employing increased collection staff; or

(2) Termination would cause a substantial hardship to the school's current or prospective students or their parents based on—

(i) The extent to which the school provides, and expects to continue to provide educational opportunities to

economically disadvantaged students as measured by the percentage of students enrolled at the school who—

(A) Are in families that fall within the “low-income family” category used by the Bureau of the Census;

(B) Would not be able to enroll or continue their enrollment at that school without a loan from the school; and

(C) Would not be able to obtain a comparable education at another school;

(ii) The extent to which the school offers educational programs that—

(A) Are unique in the geographical area that the school serves; and

(B) Would not be available to some students if they or their parents could not obtain loans from the school; and

(iii) The quality of improvements the school has made in its—

(A) Management of student financial assistance programs; and

(B) Conformance with sound business practices.

(d) *Termination procedures.* (1) The Secretary notifies the school of the proposed termination of its lending eligibility and provides an opportunity for a hearing before the Secretary terminates the school under this section.

(2) The Secretary or his designee begins a termination action by sending a notice to the school. The notice is sent by certified mail with return receipt requested. The notice—

(i) Informs the school of the intent to terminate the school’s lending eligibility because of the school’s default experience;

(ii) Specifies the proposed date the termination becomes effective; and

(iii) Informs the school that it has 15 days to—

(A) Submit any written material it wants considered in determining whether its lending eligibility should be terminated under paragraphs (a) and (b) of this section, including written material in support of a hardship exception under paragraph (c) of this section; or

(B) Request an oral hearing to show why the school’s lending eligibility should not be terminated.

(3) If the school does not request an oral hearing but submits written material, the Secretary or the designated

official considers that material and notifies the school as to whether the termination action will be taken.

(4) The Secretary or the designated official (presiding officer) schedules the date and place of a hearing for a school that has requested an oral hearing. The date of the hearing is at least 15 days from the date of receipt of the request. A presiding officer—

(i) Conducts the hearing;

(ii) Considers all written material presented before the hearing and any other material presented during the hearing; and

(iii) Determines if termination of the school’s lending eligibility is warranted.

(5) The decision of the designated official is subject to review by the Secretary.

(e) *Effects of termination.* A school that has its lending eligibility terminated under this section may not—

(1) Make further loans under this part until it has entered into a new guarantee agreement with the Secretary; or

(2) Enter into a new guarantee agreement with the Secretary until at least one year after the school’s lending eligibility has been terminated under this section.

(f) *Schools under the same ownership.* If a school makes loans to students or parents of students in attendance at other schools under the same ownership, the Secretary may make the determination required by this section by—

(1) Treating all of the schools as one school; or

(2) Treating each school on an individual basis.

§ 682.609 Remedial actions.

(a) The Secretary may require a school to repay funds paid to other program participants by the Secretary. The Secretary also may require a school to purchase from the holder of a FFEL loan that portion of the loan that is unenforceable, that the borrower was ineligible to receive, or for which the borrower was ineligible to receive interest benefits contrary to the school’s certification, and to make

arrangements acceptable to the Secretary for reimbursement of the amounts the Secretary will be obligated to pay to program participants respecting that loan in the future. The repayment of funds and purchase of loans may be required if the Secretary determines that the payment to program participants, the unenforceability of the loan, or the disbursement of loan amounts for which the borrower was ineligible or for which the borrower was ineligible for interest benefits, resulted in whole or in part from—

(1) The school's violation of a Federal statute or regulation; or

(2) The school's negligent or willful false certification.

(b) In requiring a school to repay funds to the Secretary or to another party or to purchase loans from a holder in connection with an audit or program review, the Secretary follows the procedures described in 34 CFR part 668, subpart H.

(c) Notwithstanding paragraph (a) of this section, the Secretary may waive the right to require repayment of funds or repurchase of loans by a school if, in the Secretary's judgment, the best interest of the United States so requires.

(d) The Secretary may impose a fine or take an emergency action against a school or limit, suspend, or terminate a school's participation in the FFEL programs, in accordance with 34 CFR part 668, subpart G.

(e) A school shall comply with any emergency action, limitation, suspension, or termination imposed by a guaranty agency in accordance with the agency's standards and procedures. A school shall repay funds to the Secretary or other party or purchase loans from a holder if a guaranty agency determines that the school improperly received or retained the funds in violation of a Federal law or regulation or a guaranty agency rule or regulation.

§ 682.610 Administrative and fiscal requirements for participating schools.

(a) *General.* Each school shall—

(1) Establish and maintain proper administrative and fiscal procedures and all necessary records as set forth in the

regulations in this part and in 34 CFR part 668;

(2) Follow the record retention and examination provisions in this part and in 34 CFR 668.24; and

(3) Submit all reports required by this part and 34 CFR part 668 to the Secretary.

(b) *Loan record requirements.* In addition to records required by 34 CFR part 668, for each Stafford, SLS, or PLUS loan received by or on behalf of its students, a school must maintain—

(1) A copy of the loan certification or data electronically submitted to the lender, that includes the amount of the loan and the period of enrollment for which the loan was intended;

(2) The cost of attendance, estimated financial assistance, and estimated family contribution used to calculate the loan amount;

(3) For loans delivered to the school by check, the date the school endorsed each loan check, if required;

(4) The date or dates of delivery of the loan proceeds by the school to the student or to the parent borrower;

(5) For loans delivered by electronic funds transfer or master check, a copy of the borrower's written authorization required under § 682.604(c)(3), if applicable, to deliver the initial and subsequent disbursements of each FFEL program loan; and

(6) Documentation of any MPN confirmation process or processes the school may have used.

(c) *Student status confirmation reports.* A school shall—

(1) Upon receipt of a student status confirmation report form from the Secretary or a similar student status confirmation report form from any guaranty agency, complete and return that report within 30 days of receipt to the Secretary or the guaranty agency, as appropriate; and

(2) Unless it expects to submit its next student status confirmation report to the Secretary or the guaranty agency within the next 60 days, notify the guaranty agency or lender within 30 days—

(i) If it discovers that a Stafford, SLS, or PLUS loan has been made to or on behalf of a student who enrolled at that school, but who has ceased to be enrolled on at least a half-time basis;

§ 682.611

(ii) If it discovers that a Stafford, SLS, or PLUS loan has been made to or on behalf of a student who has been accepted for enrollment at that school, but who failed to enroll on at least a half-time basis for the period for which the loan was intended;

(iii) If it discovers that a Stafford, SLS, or PLUS loan has been made to or on behalf of a full-time student who has ceased to be enrolled on a full-time basis; or

(iv) If it discovers that a student who is enrolled and who has received a Stafford or SLS loan has changed his or her permanent address.

§ 682.702 Effect on participation.

(a) Limitation, suspension, or termination proceedings by the Secretary do not affect a lender's responsibilities or rights to benefits and claim payments that are based on the lender's prior participation in the program, except as provided in paragraph (d) of this section and in § 682.709.

(b) A limitation imposes on a lender—

(1) A limit on the number or total amount of loans that a lender may make, purchase, or hold under the FFEL programs;

(2) A limit on the number or total amount of loans a lender may make to, or on behalf of, students at a particular school under the FFEL programs; or

(d) After the date the termination of a lender's eligibility becomes effective, the Secretary does not guarantee new loans made by that lender or pay interest benefits, special allowance, or reinsurance on new loans guaranteed by a guaranty agency after that date. The Secretary may also prohibit the lender from making further disbursements on a loan for which a guarantee commitment has already been issued.

§ 682.703 Informal compliance procedure.

(a) The Secretary may use the informal compliance procedure in paragraph (b) of this section if the Secretary receives a complaint or other reliable information indicating that a lender or third-party servicer may be in violation of applicable laws, regulations, special arrangements, agreements, or limitations entered into under the authority of statutes applicable to Title IV of the HEA.

(b) Under the informal compliance procedure, the Secretary gives the lender or servicer a reasonable opportunity to—

(1) Respond to the complaint or information; and

§ 682.704

(2) Show that the violation has been corrected or submit an acceptable plan for correcting the violation and preventing its recurrence.

(c) The Secretary does not delay limitation, suspension, or termination procedures during the informal compliance procedure if—

(1) The delay would harm the FFEL programs; or

(2) The informal compliance procedure will not result in correction of the alleged violation.

§ 682.704 Emergency action.

(a) The Secretary, or a designated Departmental official, may take emergency action to stop the issuance of guarantee commitments by the Secretary and guarantee agencies and to withhold payment of interest benefits and special allowance to a lender if the Secretary—

(1) Receives reliable information that the lender or a third-party servicer with which the lender contracts is in violation of applicable laws, regulations, special arrangements, agreements, or limitations entered into under the authority of statutes applicable to Title IV of the HEA pertaining to the lender's portfolio of loans;

(2) Determines that immediate action is necessary to prevent the likelihood of substantial losses by the Federal Government, parent borrowers, or students; and

(3) Determines that the likelihood of loss exceeds the importance of following the procedures for limitation, suspension, or termination.

(b) The Secretary begins an emergency action by notifying the lender or third-party servicer, by certified mail, return receipt requested, of the action and the basis for the action.

(c) The action becomes effective on the date the notice is mailed to the lender or third-party servicer.

(d)(1) An emergency action does not exceed 30 days unless a limitation, suspension, or termination proceeding is begun before that time expires.

(2) If a limitation, suspension, or termination proceeding is begun before the expiration of the 30-day period—

34 CFR Ch. VI (7–1–07 Edition)

(i) The emergency action may be extended until completion of the proceeding, including any appeal to the Secretary; and

(ii) Upon the written request of the lender or third-party servicer, the Secretary may provide the lender or servicer with an opportunity to demonstrate that the emergency action is unwarranted.

§ 682.705 Suspension proceedings.

(a) *Scope.* (1) A suspension by the Secretary removes a lender's eligibility under the FFEL programs or a third-party servicer's ability to enter into contracts with eligible lenders, and the Secretary does not guarantee or reinsure a new loan made by the lender or new loan serviced by the servicer during a period not to exceed 60 days from the date the suspension becomes effective, unless—

(i) The lender or servicer and the Secretary agree to an extension of the suspension period, if the lender or third-party servicer has not requested a hearing; or

(ii) The Secretary begins a limitation or a termination proceeding.

(2) If the Secretary begins a limitation or a termination proceeding before the suspension period ends, the Secretary may extend the suspension period until the completion of that proceeding, including any appeal to the Secretary.

(b) *Notice.* (1) The Secretary, or a designated Departmental official, begins a suspension proceeding by sending the lender or servicer a notice by certified mail with return receipt requested.

(2) The notice—

(i) Informs the lender or servicer of the Secretary's intent to suspend the lender's or servicer's eligibility for a period not to exceed 60 days;

(ii) Describes the consequences of a suspension;

(iii) Identifies the alleged violations on which the proposed suspension is based;

(iv) States the proposed date the suspension becomes effective, which is at least 20 days after the date of mailing of the notice;

(v) Informs the lender or servicer that the suspension will not take effect on the proposed date, except as provided in paragraph (c)(9) of this section, if the Secretary receives at least five days prior to that date a request for an oral hearing or written material showing why the suspension should not take effect; and

(vi) Asks the lender or servicer to correct voluntarily any alleged violations.

§ 682.706 Limitation or termination proceedings.

(a) *Notice.* (1) The Secretary, or a designated Departmental official, begins a limitation or termination proceeding, whether a suspension proceeding has begun, by sending the lender or third-party servicer a notice by certified mail with return receipt requested.

(2) The notice—

(i) Informs the lender or servicer of the Secretary's intent to limit or terminate the lender's or servicer's eligibility;

(ii) Describes the consequences of a limitation or termination;

(iii) Identifies the alleged violations on which the proposed limitation or termination is based;

(iv) States the limits which may be imposed, in the case of a limitation proceeding;

(v) States the proposed date the limitation or termination becomes effective, which is at least 20 days after the date of mailing of the notice;

(vi) Informs the lender or servicer that the limitation or termination will not take effect on the proposed date if the Secretary receives, at least five days prior to that date, a request for an oral hearing or written material showing why the limitation or termination should not take effect;

(vii) Asks the lender or servicer to correct voluntarily any alleged violations; and

(viii) Notifies the lender or servicer that the Secretary may collect any amount owed by means of offset against amounts owed to the lender by

the Department and other Federal agencies.

(b) *Hearing.* (1) If the lender or servicer does not request an oral hearing but submits written material, the Secretary, or a designated Departmental official, considers the material and—

(i) Dismisses the proposed limitation or termination; or

(ii) Notifies the lender or servicer of the date the limitation or termination becomes effective.

(2) If the lender or servicer requests a hearing within the time specified in paragraph (a)(2)(vi) of this section, the Secretary schedules the date and place of the hearing. The date is at least 15 days after receipt of the request from the lender or servicer. No proposed limitation or termination takes effect until a hearing is held.

(3) The hearing is conducted by a presiding officer who—

(i) Ensures that a written record of the hearing is made;

(ii) Considers relevant written material presented before the hearing and other relevant evidence presented during the hearing; and

(iii) Issues an initial decision, based on findings of fact and conclusions of law, that may limit or terminate the lender's or servicer's eligibility if the presiding officer is persuaded that the limitation or termination is warranted by the evidence.

(4) The formal rules of evidence do not apply, and no discovery, as provided in the Federal Rules of Civil Procedure (28 U.S.C. appendix), is required.

(5) The presiding officer shall base findings of fact only on evidence presented at or before the hearing and matters given official notice.

(6) If a termination action is brought against a lender or third-party servicer and the presiding officer concludes that a limitation is more appropriate, the presiding officer may issue a decision imposing one or more limitations on a lender or third-party servicer rather than terminating the lender's or servicer's eligibility.

(7) In a termination action against a lender or third-party servicer based on a debarment under Executive Order 12549 or under the Federal Acquisition

§ 682.707

Regulation (FAR), 48 CFR part 9, subpart 9.4 that does not meet the standards described in 34 CFR 85.201(c), the presiding official finds that the debarment constitutes prima facie evidence that cause for debarment and termination under this subpart exists.

(8) The initial decision of the presiding officer is mailed to the lender or servicer.

(9) Any time schedule specified in this section may be shortened with the approval of the presiding officer and the consent of the lender or servicer and the Secretary or designated Departmental official.

(10) The presiding officer's initial decision automatically becomes the Secretary's final decision 20 days after it is issued and received by both parties unless the lender, servicer, or designated Departmental official appeals the decision to the Secretary within this period.

(c) Notwithstanding the other provisions of this section, if a lender or a lender's owner or officer or third-party servicer or servicer's owner or officer, respectively, is convicted of or pled *nolo contendere* or guilty to a crime involving the unlawful acquisition, use, or expenditure of FFEL program funds, that conviction or guilty plea is grounds for terminating the lender's or servicer's eligibility, respectively, to participate in the FFEL programs.

§ 682.707 Appeals in a limitation or termination proceeding.

(a) If the lender, third-party servicer, or designated Departmental official appeals the initial decision of the presiding officer in accordance with § 682.706(b)(10)—

(1) An appeal is made to the Secretary by submitting to the Secretary and the opposing party within 15 days of the date of the appealing party's receipt of the presiding officer's decision, a brief or other written material explaining why the decision of the presiding officer should be overturned or modified; and

(2) The opposing party shall submit its brief or other written material to the Secretary and the appealing party

within 15 days of its receipt of the brief or written material of the appealing party.

(b) The Secretary issues a final decision affirming, modifying, or reversing the initial decision, including a statement of the reasons for the Secretary's decision.

(c) Any party submitting material to the Secretary shall provide a copy to each party that participates in the hearing.

(d) If the presiding officer's initial decision would limit or terminate the lender's or servicer's eligibility, it does not take effect pending the appeal unless the Secretary determines that a stay of the date it becomes effective would seriously and adversely affect the FFEL programs or student or parent borrowers.

(a) All mailing dates and receipt dates referred to in this subpart must be substantiated by the original receipts from the U.S. Postal Service.

§ 682.709 Reimbursements, refunds, and offsets.

(a) As part of a limitation or termination proceeding, the Secretary, or a designated Departmental official, may require a lender or third-party servicer to take reasonable corrective action to remedy a violation of applicable laws, regulations, special arrangements, agreements, or limitations entered into under the authority of statutes applicable to Title IV of the HEA.

(b) The corrective action may include payment to the Secretary or recipients designated by the Secretary of any funds, and any interest thereon, that

the lender, or, in the case of a third-party servicer, the servicer or the lender that has a contract with a third-party servicer, improperly received, withheld, disbursed, or caused to be disbursed. A third-party servicer may be held liable up to the amounts specified in § 682.413(a)(2).

(c) If a final decision requires a lender, a lender that has a contract with a third-party servicer, or a third-party servicer to reimburse or make any payment to the Secretary, the Secretary may, without further notice or opportunity for a hearing, proceed to offset or arrange for another Federal agency to offset the amount due against any interest benefits, special allowance, or other payments due to the lender, the lender that has a contract with the third-party servicer, or the third-party servicer. A third-party servicer may be held liable up to the amounts specified in § 682.413(a)(2).

(b) The request must be in writing and must show that the lender or servicer has corrected any violations on which the limitation was based.

(c) Within 60 days after receiving the request, the Secretary—

- (1) Grants the request;
- (2) Denies the request; or
- (3) Grants the request subject to other limitations.

(d)(1) If the Secretary denies the request or establishes other limitations, the lender or servicer, upon request, is given an opportunity to show why all limitations should be removed.

(2) A lender or third-party servicer may continue to participate in the FFEL programs, subject to any limitation imposed by the Secretary under paragraph (c)(3) of this section, pending a decision by the Secretary on a re-

(2) The expiration of the period of debarment under Executive Order 12459 or the Federal Acquisition Regulation (FAR), 48 CFR part 9, subpart 9.4.

(b) The request must be in writing and must show that—

(2) The lender or servicer meets all requirements for eligibility.

(c) A school lender whose eligibility as a participating school has been terminated under 34 CFR part 668 may not be considered for reinstatement as a lender until it is reinstated as a participating school. (d) Within 60 days after receiving a request for reinstatement, the Secretary—

- (1) Grants the request;
- (2) Denies the request; or
- (3) Grants the request subject to limitations.

(e)(1) If the Secretary denies the lender's or servicer's request or allows reinstatement subject to limitations, the lender or servicer, upon request, is given an opportunity to show why its eligibility should be reinstated and all limitations removed.

(2) A lender or third-party servicer whose eligibility to participate in the FFEL programs is reinstated subject to limitations imposed by the Secretary pursuant to paragraph (d)(3) of this section, may participate in those programs, subject to those limitations, pending a decision by the Secretary on

§ 682.712 Disqualification review of limitation, suspension, and termination actions taken by guarantee agencies against lenders.

(a) The Secretary reviews a limitation, suspension, or termination action taken by a guaranty agency against a lender participating in the FFEL programs to determine if national disqualification is appropriate. Upon completion of the Secretary's review, the Secretary notifies the guaranty agency and the lender of the Secretary's decision by mail.

(b) The Secretary disqualifies a lender from participation in the FFEL programs if—

(1) The lender waives review by the Secretary; or

(2) The Secretary conducts the review and determines that the limitation, suspension, or termination was imposed in accordance with section 428(b)(1)(U) of the Act.

(c)(1) Disqualification by the Secretary continues until the Secretary is satisfied that—

(i) The lender has corrected the failure that led to the limitation, suspension, or termination; and

(ii) There are reasonable assurances that the lender will comply with the requirements of the FFEL programs in the future.

(2) Revocation of disqualification by the Secretary does not remove any limitation, suspension, or termination imposed by the agency whose action resulted in the disqualification.

(d) A guaranty agency shall refer a limitation, suspension, or termination action that it takes against a lender to the Secretary within 30 days of its final decision to limit, suspend, or terminate the lender's eligibility to participate in the agency's program.

(e) The Secretary reviews an agency's limitation, suspension, or termination of a lender's eligibility only when the

guaranty agency's action is final, e.g., the lender is not entitled to any further appeals within the guaranty agency. A subsequent court challenge to an agency's action does not by itself affect the timing of the Secretary's review.

(f) The guaranty agency's notice to the Secretary regarding a termination action must include a certified copy of the administrative record compiled by the agency with regard to the action. The record must include certified copies of the following documents:

(1) The guaranty agency's letter initiating the action.

(2) The lender's response.

(3) The transcript of the agency's hearing.

(4) The decision of the agency's hearing officer.

(5) The decision of the agency on appeal from the hearing officer's decision, if any.

(6) The regulations and written procedures of the agency under which the action was taken.

(7) The audit or lender review report or documented basis that led to the action.

(8) All other documents relevant to the action.

(g) The guaranty agency's referral notice to the Secretary regarding a limitation or suspension action must include—

(1) The documents described in paragraph (f) of this section; and

(2) Documents describing and substantiating the existence of one or more of the circumstances described in paragraph (j) of this section.

(h)(1) Within 60 days of the Secretary's receipt of a referral notice described in paragraph (f) or (g) of this section, the Secretary makes an initial assessment, based on the agency's record, as to whether the agency's action appears to comply with section 428(b)(1)(U) of the Act.

(2) In the case of a referral notice described in paragraph (g) of this section, the Secretary also determines whether one or more of the circumstances described in paragraph (j) of this section exist.

(3) If the Secretary concludes that the agency's action appears to comply with section 428(b)(1)(U) of the Act and,

if applicable, one or more of the circumstances described in paragraph (j) of this section exist, the Secretary notifies the lender that the Secretary will review the guaranty agency's action to determine whether to disqualify the lender from further participation in the FFEL programs and affords the lender an opportunity—

(i) To waive the review and be disqualified immediately; or

(ii) To request a review.

(i) The Secretary's review of the guaranty agency's action is limited to whether the agency action was taken in accordance with procedures that were substantially the same as procedures applicable to the limitation, suspension, or termination of eligibility of a lender under the FISL Program (34 CFR part 682, subpart G).

(j) In the case of an action by an agency that limits or suspends a lender's eligibility to participate in the agency's program, the agency shall provide the Secretary with a referral as described in paragraph (g) of this section only if—

(1) The lender has not corrected the violation. A violation is corrected if, among other things, the lender has satisfied fully all liabilities incurred by the lender as a result of the violation, including its liability to the Secretary, or the lender has arranged to satisfy those liabilities in a manner acceptable to the parties to whom the liabilities are owed;

(2) The lender has not provided satisfactory assurances to the agency of future compliance with program requirements; or

(3) The guaranty agency determines that special circumstances warrant disqualification of the lender from the FFEL programs for a significant period, notwithstanding the agency's decision not to terminate the lender's eligibility to participate in the agency's program.

§ 682.713 Disqualification review of limitation, suspension, and termination actions taken by guaranty agencies against a school.

(a) The Secretary reviews a limitation, suspension, or termination action taken by a guaranty agency against a school participating in the FFEL programs to determine if national disqualification is appropriate. Upon completion of the Secretary's review, the Secretary notifies the guaranty agency and the school of his decision by mail.

(b) The Secretary disqualifies a school from participation in the FFEL programs if—

(1) The school waives review by the Secretary; or

(2) The Secretary conducts the review and determines that the limitation, suspension, or termination was imposed in accordance with section 428(b)(1)(T) of the Act.

(c)(1) Disqualification by the Secretary continues until the Secretary is satisfied that—

(i) The school has corrected the failure that led to the limitation, suspension, or termination; and

(2) Revocation of disqualification by the Secretary does not remove any limitation, suspension, or termination imposed by the agency whose action resulted in the disqualification.

(d) A guaranty agency shall refer a limitation, suspension, or termination action that it takes against a school to the Secretary within 30 days of its final decision to limit, suspend, or terminate the school's eligibility to participate in the agency's program.

A subsequent court challenge to an agency's action does not by itself affect the timing of the Secretary's review.

(2) The school's response.

(3) The transcript of the agency's hearing.

(4) The decision of the agency's hearing officer.

(5) The decision of the agency on appeal from the hearing officer's decision, if any.

(6) The regulations and written procedures of the agency under which the action was taken.

(g) The guaranty agency's referral notice to the Secretary regarding a limitation or suspension action must include—

(1) The documents described in paragraph (f) of this section; and

(2) Documents describing and substantiating the existence of one or more of the circumstances described in paragraph (j) of this section.

(h)(1) Within 60 days of the Secretary's receipt of a referral notice described in paragraph (f) or (g) of this section, the Secretary makes an initial assessment, based on the agency's record, as to whether the agency's action appears to comply with section 428(b)(1)(T) of the Act.

(2) In the case of a referral notice described in paragraph (g) of this section, the Secretary also determines whether one or more of the circumstances described in paragraph (j) of this section exist.

(3) If the Secretary concludes that the agency's action appears to comply with section 428(b)(1)(T) of the Act, and, if applicable, one or more of the circumstances described in paragraph (j) of this section exist, the Secretary notifies the school that the Secretary will review the guaranty agency's action to determine whether to disqualify the school from further participation in the FFEL programs and gives the school an opportunity within 30 days from the date the notice is mailed—

(i) To waive the review and be disqualified immediately; or

(ii) To request a review.

(i) The Secretary's review of the guaranty agency's action is limited to—

(1) A review of the written record of the agency's proceedings; and

(2) Whether the agency action was taken in accordance with procedures that were substantially the same as procedures established by the Secretary in 34 CFR part 668, subpart G.

(j) In the case of an action by an agency that limits or suspends a school's eligibility to participate in the agency's program, the agency shall provide the Secretary with a referral as described in paragraph (g) of this section only if—

(1) The school has not corrected the violation. A violation is corrected if, among other things, the school has fully satisfied all liabilities incurred by the school as a result of the violation, including its liability to the Secretary, or the school has arranged to satisfy those liabilities in a manner acceptable to the parties to whom the liabilities are owed;

(2) The school has not provided assurances satisfactory to the agency of future compliance with program requirements; or

Subpart H—Special Allowance Payments on Loans Made or Purchased With Proceeds of Tax-Exempt Obligations

§ 682.800 Prohibition against discrimination as a condition for receiving special allowance payments.

(a) For an Authority to receive special allowance payments on loans made or acquired with the proceeds of a tax-exempt obligation, the Authority or its agent may not engage in any pattern or practice that results in a denial of a borrower's access to loans under the FFEL programs because of the borrower's race, sex, color, religion, national origin, age, disability status, income, attendance at a particular institution within the area served by the Authority, length of the borrower's education program, or the borrower's academic year in school.

(b) The Secretary considers an Authority that makes or acquires loans guaranteed by an agency or organization that discriminates on one or more grounds listed in paragraph (a) of this section to have adopted a practice of denying access to loans on that ground unless the Authority makes provision for loan guarantees from other sources necessary to serve the borrowers excluded by that discriminatory policy.

APPENDIX C TO PART 682—PROCEDURES FOR CURING VIOLATIONS OF THE DUE DILIGENCE IN COLLECTION AND TIMELY FILING OF CLAIMS REQUIREMENTS APPLICABLE TO FISLP AND FEDERAL PLUS PROGRAM LOANS AND FOR REPAYMENT OF INTEREST AND SPECIAL ALLOWANCE OVERBILLINGS [BULLETIN L-77A]

NOTE: The following is a reprint of Bulletin L-77a, issued on January 7, 1983, with minor modifications made to reflect changes in the program regulations since that date. All references to "the date of this bulletin" refer to that date. All references made to the Federal Insured Student Loan Program (FISLP) shall be understood to include the Federal PLUS Program. The bulletin includes ref-

erences to the 120- and 180-day default periods that used to apply to FFELP and PLUS Program loans. Public Law 99-272 established new default periods of 180 and 240 days (as set out in 34 CFR 682.200 of these regulations) for all new loans and many existing ones. Although the discussion in this appendix C refers to the 120- and 180-day default periods, it is equally applicable to the new 180- and 240-day default periods.

INTRODUCTION

This bulletin prescribes procedures for lenders to use (1) to cure violations of the requirements for due diligence in collection ("due diligence") and timely filing of claims under the Federal Insured Student Loan Program (FISLP), and (2) to repay interest and special allowance overbillings made on loans evidencing such violations. See 34 CFR 682.507, 682.511.¹ These procedures allow for the reinstatement of a lender's eligibility for interest and special allowance and claim payments on loans evidencing such violations, under specified circumstances. These procedures apply to loans for which the first day of the 120-day or 180-day default period occurred on or after October 21, 1979 (the effective date of the September 17, 1979 regulations), whether or not the loans have previously been submitted as claims to the Secretary.

The due diligence and timely filing requirements governing the FISLP were established in response to requests from some lenders for more detailed regulatory guidance on the proper handling of FISLP loans. Despite the promulgation of these provisions, a number of lenders have failed to exercise the requisite care in their treatment of these loans, thereby increasing the risk of default thereon and, in many cases, prejudicing the Secretary's ability to collect from the borrowers. At the time the current due diligence and timely filing rules were issued, the Secretary anticipated that violations of these rules would be so infrequent as to permit requests for cures to be handled individually. However, the unexpectedly high incidence of violations of these rules has made continued case-by-case treatment of all cure requests administratively unmanageable. After carefully considering the views of lenders and other program participants, the Secretary has decided to exercise his authority under 20 U.S.C. 1082(a)(5), (6), and institute uniform procedures by which lenders with loans involving violations of the due diligence or timely filing requirements may cure these violations.

DUE DILIGENCE

Collection activity is required to begin immediately upon delinquency by the borrower in honoring the repayment obligation. This

holds true whether or not the borrower received a repayment schedule or signed a repayment agreement. Under 34 CFR 682.200, default on a FISLP loan occurs when a borrower fails to make a payment when due, provided this failure persists for 120 days for loans payable in monthly installments, or for 180 days for loans payable in less frequent installments. If, however, the lender has added the optional provision to the promissory note requiring the borrower to execute a repayment agreement not later than 120 days prior to the expiration of the grace period, the loan entered repayment prior to September 4, 1985 (see 50 FR 35970), the lender sends the agreement to the borrower 150 days or more before the end of the grace period, and the agreement is not executed before the end of the grace period, default occurs at that time. One exception to this rule is as follows: If the holder of the loan is not the lender that made the loan, the holder may choose to forego enforcement of the optional 120-day provision in the note.

The 120/180 day default period applies regardless of whether payments were missed consecutively or intermittently. For example, if the borrower, on a loan payable in monthly installments, makes his January 1st payment on time, his February 1st payment two months late (April 1st), his March 1st payment three months late (June 1st), and makes no further payments, the default period begins on February 1st, with the first delinquency, and ends on August 1st, when the April 1st payment becomes 120 days past due. The lender must treat the payment made on April 1st as the February 1st payment, since the February 1st payment had not been made prior to that time. Similarly, the lender must treat the payment made on June 1st as the March 1st payment, since the March payment had not been made prior to that time.

NOTE: Lenders are strongly encouraged to exercise forbearance, *prior* to default, for the benefit of borrowers who have missed payments intermittently but have otherwise indicated willingness to repay their loans. See 34 CFR 682.211. The forbearance process helps to reduce the incidence of default, and serves to emphasize for the borrower the importance of compliance with the repayment obligation.

TIMELY FILING

The 90-day filing period applicable to FISLP default claims is set forth in 34 CFR 682.511(e) (1) and (3). The 90-day filing period begins at the end of the 120/180 day default period. The lender must file a default claim on a loan in default by the end of the filing period, unless the borrower brings the account current before the end of the filing period. In such a case, the lender may choose not to file a claim on the loan at that time.

In addition, for any loan less than 210 days delinquent on the date of this bulletin, the lender need not file a claim on that loan before the 210th day of delinquency (120-day default period plus 90-day filing period) if the borrower brings the account less than 120 days delinquent before such 210th day. Thus, in the above example, if the borrower makes the April 1st payment on August 2nd, the 90-day filing period continues to run from August 1st, unless the loan was less than 210 days delinquent on the date of this bulletin. If the loan was less than 210 days delinquent on the date of this bulletin, then the August 2nd payment makes the loan 91 days delinquent, and the lender may, but need not file a default claim on the loan at that time. If, however, that loan again becomes 120 days delinquent, the lender must file a default claim within 90 days thereafter (unless the loan is again brought to less than 120 days delinquent prior to the end of that 90 day period). In other words, for any loan less than 210 days delinquent on the date of this bulletin, the Secretary will permit a lender to treat payments made during the filing period as "curing" the default if such payments are sufficient to make the loan less than 120 days delinquent.

If a lender fails to comply with either the due diligence or timely filing requirements, the affected loan ceases to be insured; that is, the lender loses its right to receive interest benefits, special allowance and claim payments thereon. Some examples of violations of the due diligence requirements are set out in section I.C. below.

I. CURE PROCEDURES

A. Definitions

The following definitions apply to terms used throughout Section I of this bulletin.

Full payment means payment by the borrower, or another person (other than the lender) on the borrower's behalf, in an amount at least as great as the monthly payment amount required under the existing terms of the loan, exclusive of any forbearance agreement in force at the time of the default. (For example, if the original repayment schedule or agreement called for payments of \$30 per month, but a forbearance agreement was in effect at the time of default that allowed the borrower to pay \$15 per month for a specified time, and the borrower defaulted in making the reduced payments, a "full payment" would be \$30, or two \$15 payments in accordance with original repayment schedule or agreement.)

Reinstatement with respect to insurance coverage means the reinstatement of the lender's right to receive default, death, disability, or bankruptcy claim payments for the unpaid principal balance of the loan and for unpaid interest accruing on the loan

after the date of reinstatement. Upon reinstatement of insurance, the borrower regains the right to receive forbearance or deferments, as appropriate. For purposes of this bulletin, "reinstatement" with respect to insurance on a loan does not include reinstatement of the lender's right to receive interest and special allowance payments on that loan. Reinstatement of the lender's right to receive interest and special allowance payments is addressed in section I.B.1, below.

B. General

1. *Resumption of Interest and Special Allowance Billing on Loans Involving Due Diligence or Timely Filing Violations.* For any loan on which a cure is attempted under this bulletin, the lender may resume billing for interest and special allowance on the loan only for periods following the earlier of (1) its receipt of the equivalent of three full payments thereon, after the date of this bulletin or the date of the violation, whichever is later, or (2) receipt by the borrower of an authorized deferment, after reinstatement of insurance coverage.

2. *Reservation of the Secretary's Right to Strict Enforcement.* While this bulletin allows cures to be attempted for particular violations in specified ways, the Secretary retains the option of refusing to permit or recognize cures in cases where, in the Secretary's judgment, a lender has committed an excessive number of severe violations of the due diligence or timely filing rules, and in cases where the best interests of the program otherwise require strict enforcement of these requirements. More generally, this bulletin states the Secretary's general policy and is not intended to limit in any way the authority and discretion afforded the Secretary by statute or regulations.

3. *Applicability of the Cure Procedures to Particular Classes of Loans.* The cure procedures outlined in this bulletin apply only to a loan for which the first day of the 120/180 day default period that ended with default by the borrower occurred on or after October 21, 1979, and which involve violations *only* of the due diligence and/or timely filing requirements.

The cure procedures applicable to loans involving due diligence violations also apply to loans involving violations of both the timely filing and due diligence requirements.

4. *Excusal of Certain Due Diligence Violations.* A lender whose claim was previously denied *solely* for violation of the timely filing rule, and who is permitted to cure that violation under the procedures set out in this bulletin, will not be required to utilize the procedures for curing due diligence violations, or to repay interest and special allowance improperly received from the Secretary as a result of a due diligence violation for periods prior to the timely filing violation. This ap-

plies even if, upon submission of the "cured" claim, the Secretary discovers that evidence of due diligence violations appeared in the file of the previously rejected claim.

The Secretary will also excuse a due diligence violation by a lender if the account was brought current by the borrower (or another, other than the lender, on the borrower's behalf) prior to the 120th/180th day of the delinquency period during which the violation occurred.

5. *Treatment of Accrued Interest on "Cured" Claims—*a. Due Diligence Violations.** For any default claim involving "cured" violations of the due diligence rules, the Secretary will not reimburse the lender for any unpaid interest accruing after the first day of the 120/180 day period that culminated in default, and prior to the date of reinstatement of insurance coverage.

For any loan involving "cured" due diligence violations, the lender may capitalize unpaid interest accruing on the loan from the commencement of the 120/180 day default period to the date of the reinstatement of insurance coverage. See sections I.C. and D. below. However, if the lender later files a claim on that loan, the lender must deduct this capitalized interest from the amount of the claim. This deduction must be reflected in column 15 on the ED Form 1207, Lender's Application for Insurance Claim on Federal Insured Student Loan, filed with the claim evidencing the cure.

b. Timely Filing Violations. For any default claim involving "cured" violations of the timely filing rules, the Secretary will not reimburse the lender for unpaid interest accruing after the end of the 120/180 day default period that culminated in default, and prior to the date of reinstatement of insurance coverage.

For any default claim involving a "cured" timely filing violation, if insurance coverage is later reinstated, the lender may capitalize unpaid interest accruing on the loan from the commencement of the original 120/180 day default period to the date of the reinstatement of insurance coverage. See sections I.C. and D. below. However, if the lender later files a claim, on that loan, the lender must deduct this capitalized interest from the amount of the claim, except that the lender need not deduct from the claim unpaid interest that accrued on the loan during the original 120/180 day default period. This deduction must be reflected in Column 15 of the ED Form 1207, Lender's Application for Insurance Claim on Federal Insured Student Loan, filed with the claim evidencing the cure.

Some timely filing cures will not reinstate insurance coverage. For treatment of accrued interest in such cases, see Section I.D.1.c.

6. *Documents to be Submitted with "Cured" Claims.* The Secretary requests that any

lender submitting a claim on a loan involving “cured” violations identify the claim as such with a note in the claim file stapled to the new ED Form 1207.

For all “cured” claims, the lender must submit:

- For loans on which a claim was previously rejected, all documents sent by the regional office with the original claim (when the claim was rejected and returned to the lender), including without limitation, the original ED Form 1207 and all documents showing the reason(s) for the original rejection;
- All documents ordinarily required in connection with the submission of a default claim, including, without limitation, the promissory note, which must bear a valid assignment to the United States of America;
- A new ED Form 1207; and
- All documents showing that the lender has complied with the applicable cure procedures and requirements.

C. Cures for Violations of the Due Diligence in Collection Requirements (34 CFR 682.507)

A violation of the due diligence in collection rules occurs when a lender fails to meet requirements found in 34 CFR 682.507. For example, a violation occurs if the lender fails to:

- Remind the borrower of the date a missed payment was due within 15 days of delinquency;
- Attempt to contact the borrower and any endorser at least 3 times at regular intervals during the rest of the 120/180 day default period;
- Request preclaims assistance from the Department of Education;
- Request skip-tracing assistance from the Secretary, if required, or
- Send a final demand letter to the borrower exercising the option to accelerate the due date for the outstanding balance of the loan, unless the lender does not know the borrower's address as of the 90th day of delinquency.

1. *Reinstatement of Insurance Coverage.* In the case of a due diligence violation, the lender may utilize either of the two procedures described below for obtaining reinstatement of insurance coverage on the loan. After the date of this bulletin, or after the date of the violation, whichever is later:

(a) The lender obtains a new repayment agreement signed by the borrower which complies with the ten and fifteen year repayment limitations set out in 34 CFR 682.209(a)(7); or

(b) The lender obtains 3 full payments. If the borrower later defaults, the lender must submit evidence of these payments (e.g., copies of the checks) with the claim.

2. *Borrower's Deemed Current As of Date of Cure.* On the date the lender receives a signed copy of the new repayment agree-

ment, or receives the third (curing) payment, insurance coverage on the loan is reinstated, and the borrower shall be deemed by the lender to be current in repaying the loan and entitled to all rights and benefits available to FISLP borrowers. If the borrower later becomes delinquent in repayment, the lender shall follow the collection procedures set out in 34 CFR 682.507, and the timely filing requirements set out in 34 CFR 682.511.

D. Cures for Violations of the Timely Filing Requirements (34 CFR 682.511)

1. *Default Claims.—a. Reinstatement of Insurance Coverage.* In order to obtain reinstatement of insurance coverage on a loan in the case of a timely filing violation, the lender must first locate the borrower after the date of this bulletin, or after the date of the violation, whichever is later (see section I.D.1.d. for description of acceptable evidence of location). Then, the lender must send to the borrower, at the address at which the borrower was located, (i) a new repayment agreement, to be signed by the borrower, which complies with the ten and fifteen year repayment limitations set out in 34 CFR 682.209(a)(7), along with (ii) a collection letter indicating in strong terms the seriousness of the borrower's delinquency and its potential effect on his or her credit rating if repayment is not commenced or resumed.

If, within 30 days after the lender sends these items, the borrower fails to make a full payment or to sign and return the new repayment agreement, the lender shall, within 5 working days thereafter, send the borrower a copy of the attached “48 hour” collection letter, on the lender's letterhead. (See attachment A.)

b. *Borrower Deemed Current Under Certain Circumstances.* If, within 45 days after the lender sends the new repayment agreement to the borrower for signature, the borrower makes a full payment or signs and returns the new repayment agreement, insurance coverage on the loan is reinstated. The borrower shall be deemed by the lender to be current in repaying the loan and entitled to all rights and benefits available to FISLP borrowers. If the borrower later becomes delinquent in repayment, the lender shall follow the collection steps in 34 CFR 682.507 and the timely filing requirements in 34 CFR 682.511.

c. *Borrower Deemed in Default Under Certain Circumstances.* If the borrower does not make a full payment, or sign and return the new repayment agreement, within 45 days after the lender sends the new repayment agreement, the lender shall deem the borrower to be in default. The lender shall then file a default claim on the loan accompanied by acceptable evidence of location (see I.D.1.d below), within 30 days after the end of such 45-day period. Although insurance coverage is not reinstated on loans involving these

circumstances, the Secretary will honor default claims submitted in accordance with this paragraph on the outstanding principal balance of such loans, and on unpaid interest accruing on the loan during the 120/180 day default period.

d. Acceptable Evidence of Location. Only the following documentation is acceptable as evidence that the lender has located the borrower:

(i) Postal receipt signed by the borrower not more than 25 days prior to the date on which the lender sent the new repayment agreement, indicating acceptance of correspondence from the lender by the borrower at the address shown on the receipt; or

(ii) A completed "Certification of Borrower Location" form (Attachment B).

2. Death, Disability, and Bankruptcy Claims. Lenders may immediately resubmit any death or disability claim which was rejected solely for failure to meet the 60 day timely filing requirements (see 34 CFR 685.511(e)(2)). However, the Secretary will not pay any such claim if, before the date the lender determined that the borrower died or was totally and permanently disabled, the lender had violated the due diligence or timely filing requirements applicable to default claims with respect to that loan. Interest that accrued on the loan after the expiration of the 60-day filing period remains uninsured by the Secretary, and the lender must repay all interest and special allowance received on the loan for periods after the expiration of the 60-day filing period.

The Secretary has determined that, in the vast majority of cases, the failure of a lender to comply with the timely filing requirement applicable to *bankruptcy* claims causes irreparable harm to the Secretary's ability to contest the discharge of the loan by the court, or to otherwise collect from the borrower. Therefore, the Secretary has decided not to permit cures for violations of the timely filing requirement applicable to bankruptcy claims, except when the lender can demonstrate that the bankruptcy action has concluded and that the loan has not been discharged in bankruptcy. In that case, the lender shall treat the loan as in default. The Secretary will honor a default claim later filed on such a loan only if the lender has met the cure requirements in section I.C. above for due diligence violations.

II. REPAYMENT OF INTEREST AND SPECIAL ALLOWANCE ON LOANS EVIDENCING VIOLATIONS OF THE DUE DILIGENCE OR TIMELY FILING REQUIREMENTS

A. General Rule

It has always been the Secretary's interpretation of the FISLP statute and regulations that a lender's right to receive interest and special allowance payments on a FISLP loan terminates immediately following the

lender's violation of the due diligence or timely filing requirements. This applies whether or not the lender has filed a claim on the loan. In other words, lenders may receive interest and special allowance only on loans which are insured by the Secretary. Since these violations result in the termination of insurance, they also result in the termination of FISLP benefits.

B. Cessation of Billing on Loans Evidencing Violations of the Due Diligence or Timely Filing Requirements

Any lender currently billing the Secretary for interest and special allowance on a loan that the lender knows involves a due diligence or timely filing violation must cease doing so immediately. However, lenders are not required at this time to review their loan portfolios for due diligence and timely filing violations.

C. Determination of Amounts of Interest and Special Allowance That Must Be Repaid

1. Due Diligence Violations. In the case of due diligence violations, it is often difficult to ascertain the precise date on which a violation occurred. For the administrative ease of the Secretary and lenders, the Secretary has decided to waive his right to recoup interest and special allowance payments made to a lender for periods between the date of a due diligence violation and the end of the 120/180 day default period. However, any lender that has received interest or special allowance payments from the Secretary for periods after the end of the 120/180 day default period on a loan that the lender *knows* involves a due diligence violation must promptly repay those amounts.

2. Timely Filing Violations. In the case of timely filing violations, the lender loses its right to receive interest and special allowance payments as of the expiration of the applicable timely filing period. Therefore, any lender that has received interest or special allowance payments from the Secretary for periods following the end of the applicable timely filing period on a loan that the lender knows involves a timely filing violation must repay those amounts.

3. Situations in Which a Lender May Have Received Interest Benefits for Periods During Which a Loan was Uninsured. Because most due diligence violations, and timely filing violations, occur after termination of the grace period, interest payments are ordinarily not affected by such violations. However, there are three types of situations in which a lender may have received interest payments from the Secretary to which it was not entitled due to a due diligence or timely filing violation.

Pt. 682, App. C

34 CFR Ch. VI (7–1–07 Edition)

a. Promissory notes that include a requirement that the borrower sign a repayment agreement no later than 120 days prior to the expiration of the grace period. In such cases, a due diligence violation may occur during the grace period, when the lender may otherwise have been eligible to receive interest benefits. However, the lender need not repay that interest to the Secretary. See II.C.1. above.

b. Deferment Periods. A due diligence violation may occur prior to a deferment period when the lender would otherwise have been eligible to receive interest benefits.

c. Loans Made Prior to December 15, 1968. A loan disbursed prior to December 15, 1968, and which qualified for payment of Federal interest benefits at the time the loan was disbursed, qualifies for payment of a 3 percent interest subsidy on the unpaid principal balance during the entire repayment period, provided the loan remains insured. In the case of such a loan, a due diligence or timely filing violation terminates the lender's eligibility for the 3 percent payments.

D. Procedures for Repayment of Federal Interest Benefits and Special Allowance Received by a Lender for Periods During Which a Loan Was Uninsured

A lender must make the repayments of interest and/or special allowance discussed in II.C. above, by way of an adjustment during the two quarters immediately following the discovery of the violation. These adjustments must be reported on the normal Lender's Interest and Special Allowance Request and Report (ED Form 799). Lenders are requested not to send a check with the adjustment; the overpaid amount will be deducted by the Secretary from the lender's next regular interest and special allowance payment. For five years after any loan for which an adjustment is made is repaid in full, the lender shall retain a record of the basis for the adjustment showing the amount(s) of the overbilling(s), and the date it used for cessation of interest or special allowance eligibility in calculating the overbilled amount. See 34 CFR 682.515(a)(2).

CLAIMS [BULLETIN 88-G-138]**

NOTE: The following is a reprint of Bulletin 88-G-138, issued on March 11, 1988, with modifications made to reflect changes in the program regulations. For a loan that has lost reinsurance prior to December 1, 1992, this policy applies only through November 30, 1995. For a loan that loses reinsurance on or after December 1, 1992, this policy applies until 3 years after the default claim filing deadline. For the purpose of determining the 3-year deadline, reinsurance is lost on the later of (a) 3 years from the last date the claim could have been filed for claim payment with the guaranty agency for a claim that was not filed; or (b) 3 years from the date the guaranty agency rejected the claim, for a claim that was filed. These deadlines are extended by periods during which collection activities are suspended due to the filing of a bankruptcy petition.

INTRODUCTION

(1) This letter sets forth the circumstances under which the Secretary, pursuant to sections 432(a)(5) and (6) of the Higher Education Act of 1965 and 34 CFR 682.406(b) and 682.413(f), will waive certain of the Secretary's rights and claims with respect to Stafford Loans, PLUS, Supplemental Loans for Students (SLS), and Consolidation Program loans made under a guaranty agency program that involve violations of Federal regulations pertaining to due diligence in collection or timely filing. (These programs are collectively referred to in this letter as the FFEL Program.) This policy applies to due diligence violations on loans for which the first day of delinquency occurred on or after March 10, 1987 (the effective date of the November 10, 1986 due diligence regulations) and to timely filing violations occurring on or after December 26, 1986, whether or not

the affected loans have been submitted as claims to the guaranty agency.

(2) The Secretary has been implementing a variety of regulatory and administrative actions to minimize defaults in the FFEL Program. As a part of this effort, the Secretary published final regulations on November 10, 1986, requiring lenders and guaranty agencies to undertake specific due diligence activities to collect delinquent and defaulted loans, and establishing deadlines for the filing of claims by lenders with guaranty agencies. In recognition of the time required for agencies and lenders to modify their internal procedures, the Secretary delayed for four months the date by which lenders were required to comply with the new due diligence requirements. Thus, §682.411 of the regulations, which established minimum due diligence procedures that a lender must follow in order for a guaranty agency to receive reinsurance on a loan, became effective for loans for which the first day of delinquency occurred on or after March 10, 1987. The regulations make clear that compliance with these minimum requirements, and with the new timely filing deadlines, is a condition for an agency's receiving or retaining reinsurance payments made by the Secretary on a loan. See 34 CFR 682.406(a)(3), (a)(5), (a)(6), and 682.413(b). The regulations also specify that a lender must comply with §682.411 and with the applicable filing deadline as a condition for its right to receive or retain interest benefits and special allowance on a loan for certain periods. See 34 CFR 682.300(b)(2)(vii), 682.302(d)(1)(iv), 682.413(a)(1).

(3) The Department has received inquiries regarding the procedures by which a lender may cure a violation of §682.411 regarding diligent loan collection, or of the 90-day deadline for the filing of default claims found in §682.406(a)(3) and (a)(5), in order to reinstate the agency's right to reinsurance and the lender's right to interest benefits and special allowance. Preliminarily, please note that, absent an exercise of the Secretary's waiver authority, a guaranty agency may not receive or retain reinsurance payments on a loan on which the lender has violated the Federal due diligence or timely filing requirements, even if the lender has followed a cure procedure established by the agency. Under §§682.406(b) and 682.413(f), the Secretary—not the guaranty agency—decides whether to reinstate reinsurance coverage on a loan involving such a violation or any other violation of Federal regulations. A lender's violation of a guaranty agency's requirement that affects the agency's guarantee coverage also affects reinsurance coverage. See §§682.406(a)(7) and 682.413(b). As §§682.406(a)(7) and 682.413(b) make clear, a guaranty agency's cure procedures are relevant to reinsurance coverage only insofar

as they allow for cure of violations of requirements established by the agency affecting the loan insurance it provides to lenders. In addition, all those requirements must be submitted to the Secretary for review and approval under 34 CFR 682.401(d).

(4) References throughout this letter to “due diligence and timely filing” rules, requirements, and violations should be understood to mean only the Federal rules cited above, unless the context clearly requires otherwise.

A. SCOPE

This letter outlines the Secretary’s waiver policy regarding certain violations of Federal due diligence or timely filing requirements on a loan insured by a guaranty agency. Unless your agency receives notification to the contrary, or the lender’s violation involves fraud or other intentional misconduct, you may treat as reinsured any otherwise reinsured loan involving such a violation that has been cured in accordance with this letter.

B. DUTY OF A GUARANTY AGENCY TO ENFORCE ITS STANDARDS

As noted above, a lender’s violation of a guaranty agency’s requirement that affects the agency’s guarantee coverage also affects reinsurance coverage. Thus, as a general rule, an agency that fails to enforce such a requirement and pays a default claim involving a violation is not eligible to receive reinsurance on the underlying loan. However, in light of the waiver policy outlined below, which provides more stringent cure procedures for violations occurring on or after May 1, 1988 than for pre-May 1, 1988 violations, some guaranty agencies with more stringent policies than the policy outlined below for the pre-May 1 violations have indicated that they wish to relax their own policies for violations of agency rules during that period. While the Secretary does not encourage any agency to do so, the Secretary will permit an agency to take either of the following approaches to its enforcement of its own due diligence and timely filing rules for violations occurring before May 1, 1988.

(1) The agency may continue to enforce its rules, even if they result in the denial of guarantee coverage by the agency on otherwise reinsurable loans; or

(2) The agency may decline to enforce its rules as to any loan that would be reinsured under the retrospective waiver policy outlined below. In other words, for violations of a guaranty agency’s due diligence and timely filing rules occurring before May 1, 1988, a guaranty agency is authorized, but not required, to retroactively revise its own due diligence and timely filing standards to treat as guaranteed any loan amount that is reinsured under the retrospective enforcement

policy outlined in section I.C.1. However, for any violation of an agency’s due diligence or timely filing rules occurring on or after May 1, 1988, the agency must resume enforcing those rules in accordance with their terms, in order to receive reinsurance payments on the underlying loan. For these post-April 30 violations, and for any other violation of an agency’s rule affecting its guarantee coverage, the Secretary will treat as reinsured all loans on which the agency has engaged in, and documented, a case-by-case exercise of reasonable discretion allowing for guarantee coverage to be continued or reinstated notwithstanding the violation. But any agency that otherwise fails, or refuses, to enforce such a rule does so without the benefit of reinsurance coverage on the affected loans, and the lenders continue to be ineligible for interest benefits and special allowance thereon.

C. DUE DILIGENCE

Under 34 CFR 682.200, default on a FFEL Program loan occurs when a borrower fails to make a payment when due, provided this failure persists for 270 days for loans payable in monthly installments, or for 330 days for loans payable in less frequent installments. The 270/330-day default period applies regardless of whether payments were missed consecutively or intermittently. For example, if the borrower, on a loan payable in monthly installments, makes his January 1st payment on time, his February 1st payment two months late (April 1st), his March 1st payment 3 months late (June 1st), and makes no further payments, the delinquency period begins on February 2nd, with the first delinquency, and default occurs on December 27th, when the April payment becomes 270 days past due. The lender must treat the payment made on April 1st as the February 1st payment, since the February 1st payment had not been made prior to that time. Similarly, the lender must treat the payment made on June 1st as the March 1st payment, since the March payment had not been made prior to that time.

NOTE: Lenders are strongly encouraged to exercise forbearance, prior to default, for the benefit of borrowers who have missed payments intermittently but have otherwise indicated willingness to repay their loans. See 34 CFR 682.211. The forbearance process helps to reduce the incidence of default, and serves to emphasize for the borrower the importance of compliance with the repayment obligation.

D. TIMELY FILING

(1) The 90-day filing period applicable to FFEL Program default claims is described in 34 CFR 682.406(a)(5). The 90-day filing period begins at the end of the 270/330-day default

period. The lender ordinarily must file a default claim on a loan in default by the end of the filing period. However, the lender may, but need not, file a claim on that loan before the 360th day of delinquency (270-day default period plus 90-day filing period) if the borrower brings the account less than 270 days delinquent before the 360th day. Thus, in the above example, if the borrower makes the April 1st payment on December 28th, that payment makes the loan 241 days delinquent, and the lender may, but need not, file a default claim on the loan at that time. If, however, the loan again becomes 270 days delinquent, the lender must file a default claim within 90 days thereafter (unless the loan is again brought to less than 270 days delinquent prior to the end of that 90-day period). In other words, the Secretary will permit a lender to treat payments made during the filing period as curing the default if those payments are sufficient to make the loan less than 270 days delinquent.

(2) Section I of this letter outlines the Secretary's waiver policy for due diligence and timely filing violations. As noted above, to the extent that it results in the imposition of a lesser sanction than that available to the Secretary by statute or regulation, this policy reflects the exercise of the Secretary's authority to waive the Secretary's rights and claims in this area. Section II discusses the issue of the due date of the first payment on a loan and the application of the waiver policy to that issue. Section III provides guidance on several issues related to due diligence and timely filing as to which clarification has been requested by some program participants.

I. WAIVER POLICY

A. DEFINITIONS

The following definitions apply to terms used throughout this letter:

Full payment means payment by the borrower, or another person (other than the lender) on the borrower's behalf, in an amount at least as great as the monthly payment amount required under the existing terms of the loan, exclusive of any forbearance agreement in force at the time of the default. (For example, if the original repayment schedule or agreement called for payments of \$50 per month, but a forbearance agreement was in effect at the time of default that allowed the borrower to pay \$25 per month for a specified time, and the borrower defaulted in making the reduced payments, a full payment would be \$50, or two \$25 payments in accordance with the original repayment schedule or agreement.) In the case of a payment made by cash, money order, or other means that do not identify the payor that is received by a lender after the date of this letter, that payment may constitute a full payment only if a senior of-

ficer of the lender or servicing agent certifies that the payment was not made by or on behalf of the lender or servicing agent.

Earliest unexcused violation means:

(a) In cases when reinsurance is lost due to a failure to timely establish a first payment due date, the earliest unexcused violation would be the 46th day after the date the first payment due date should have been established.

(b) In cases when reinsurance is lost due to a gap of 46 days, the earliest unexcused violation date would be the 46th day following the last collection activity.

(c) In cases when reinsurance is lost due to three or more due diligence violations of 6 days or more, the earliest unexcused violation would be the day after the date of default.

(d) In cases when reinsurance is lost due to a timely filing violation, the earliest unexcused violation would be the day after the filing deadline.

Reinstatement with respect to reinsurance coverage means the reinstatement of the guaranty agency's right to receive reinsurance payments on the loan after the date of reinstatement. Upon reinstatement of reinsurance, the borrower regains the right to receive forbearance or deferments, as appropriate. Reinstatement with respect to reinsurance on a loan also includes reinstatement of the lender's right to receive interest and special allowance payments on that loan.

Gap in collection activity on a loan means:

(a) The period between the initial delinquency and the first collection activity;

(b) The period between collection activities (a request for preclaims assistance is considered a collection activity);

(c) The period between the last collection activity and default; or

(d) The period between the date a lender discovers a borrower has "skipped" and the lender's first skip-tracing activity.

NOTE: The concept of "gap" is used herein simply as one measure of collection activity. This definition applies to loans subject to the FFEL and PLUS programs regulations published on or after November 10, 1986. For those loans, not all gaps are violations of the due diligence rules.

Violation with respect to the due diligence requirements in §682.411 means the failure to timely complete a required diligent phone contact effort, the failure to timely send a required letter (including a request for preclaims assistance), or the failure to timely engage in a required skip-tracing activity. If during the delinquency period a gap of more than 45 days occurs (more than 60 days for loans with a transfer), the lender must satisfy the requirement outlined in I.D.1. for reinsurance to be reinstated. The day after

the 45-day gap (or 60 for loans with a transfer) will be considered the date that the violation occurred.

Transfer means any action, including, but not limited to, the sale of the loan, that results in a change in the system used to monitor or conduct collection activity on a loan from one system to another.

B. General

1. *Resumption of Interest and Special Allowance Billing on Loans Involving Due Diligence or Timely Filing Violations.* For any loan on which a cure is required under this letter in order for the agency to receive any reinsurance payment, the lender may resume billing for interest and special allowance on the loan only for periods following its completion of the required cure procedure.

2. *Reservation of the Secretary's Right to Strict Enforcement.* While this letter describes the Secretary's general waiver policy, the Secretary retains the option of refusing to permit or recognize cures, or of insisting on strict enforcement of the remedies established by statute or regulation, in cases where, in the Secretary's judgment, a lender has committed an excessive number of severe violations of due diligence or timely filing rules and in cases where the best interests of the United States otherwise require strict enforcement. More generally, this bulletin states the Secretary's general policy and is not intended to limit in any way the authority and discretion afforded the Secretary by statute or regulation.

3. *Interest, Special Allowance, and Reinsurance Repayment Required as a Condition for Exercise of the Secretary's Waiver Authority.* The Secretary's waiver of the right to recover or refuse to pay reinsurance, interest benefits, or special allowance payments, and recognition of cures for due diligence and timely filing violations, are conditioned on the following:

a. The guaranty agency and lender must ensure that the lender repays all interest benefits and special allowance received on loans involving violations occurring prior to May 1, 1988, for which the lender is ineligible under the waiver policy for the "retrospective period" described in section I.C.1., or under the waiver policy for timely filing violations described in section I.E.1., by an adjustment to one of the next three quarterly billings for interest benefits and special allowance submitted by the lender in a timely manner after May 1, 1988. The guaranty agency's responsibility in this regard is satisfied by receipt of a certification from the lender that this repayment has been made in full.

b. The guaranty agency, on or before October 1, 1988, must repay all reinsurance received on loans involving violations occurring prior to May 1, 1988, for which the agency is ineligible under the waiver policy for the "retrospective period" described in sec-

tion I.C.1., or under the waiver policy for timely filing violations described in section I.E.1. Pending completion of the repayment described above, a lender or guaranty agency may submit billings to the Secretary on loans that are eligible for reinsurance under the waiver policy in this letter until it learns that repayment in full will not be made, or until the deadline for a repayment has passed without it being made, whichever is earlier. Of course, a lender or guaranty agency is prohibited from billing the Secretary for program payments on any loan amount that is not eligible for reinsurance under the waiver policy outlined in this letter. In addition to the repayments required above, any amounts received in the future in violation of this prohibition must immediately be repaid to the Secretary.

4. *Applicability of the Waiver Policy to Particular Classes of Loans.* The policy outlined in this letter applies only to a loan for which the first day of the 180/240-day or 270/330-day default period (as applicable) that ended with default by the borrower occurred on or after March 10, 1987, or, in the case of a timely filing violation, December 26, 1986, and that involves violations only of the due diligence or timely filing requirements or both. For a loan that has lost reinsurance prior to December 1, 1992, this policy applies only through November 30, 1995. For a loan that loses reinsurance on or after December 1, 1992, this policy applies until 3 years after the default claim filing deadline.

5. *Excuse of Certain Due Diligence Violations.* Except as noted in section II, if a loan has due diligence violations but was later cured and brought current, those violations will not be considered in determining whether a loan was serviced in accordance with 34 CFR 682.411. Guarantors must review the due diligence for the 180/240 or 270/330-day period (as applicable) prior to the default date ensuring the due date of the first payment not later made is the correct payment due date for the borrower.

6. *Excuse of Timely Filing Violations Due to Performance of a Guaranty Agency's Cure Procedures.* If, prior to May 1, 1988, and prior to the filing deadline, a lender commenced the performance of collection activities specifically required by the guaranty agency to cure a due diligence violation on a loan, the Secretary will excuse the lender's timely filing violation if the lender completes the additional activities within the time period permitted by the guaranty agency and files a default claim on the loan not more than 45 days after completing the additional activities.

7. *Treatment of Accrued Interest on "Cured" Claims.* For any loan involving any violation of the due diligence or timely filing violation for which a "cure" is required under section I.C.

or I.E., for the agency to receive a reinsurance payment, the Secretary will not reimburse the guaranty agency for any unpaid interest accruing after the date of the earliest unexcused violation occurring after the last payment received before the cure is accomplished, and prior to the date of reinstatement of reinsurance coverage. The lender may capitalize unpaid interest accruing on the loan from the date of the earliest unexcused violation to the date of the reinstatement of reinsurance coverage. However, if the agency later files a claim for reinsurance on that loan, the agency must deduct this capitalized interest from the amount of the claim. Some cures will not reinstate coverage. For treatment of accrued interest in those cases, see section I.E.1.c.

C. Waiver Policy for Violations of the Federal Due Diligence in Collection Requirements (34 CFR 682.411)

A violation of the due diligence in collection rules occurs when a lender fails to meet the requirements found in 34 CFR 682.411. However, if a lender makes all required calls and sends all required letters during any of the delinquency periods described in that section, the lender is considered to be in compliance with that section for that period, even if the letters were sent before the calls were made. The special provisions for transfers apply whenever the violation(s) and, if applicable, the gap, were due to a transfer, as defined in section I.A.

1. Retrospective Period. For one or more due diligence violations occurring during the period March 10, 1987–April 30, 1988—

a. There will be no reduction or recovery by the Secretary of payments to the lender or guaranty agency if no gap of 46 days or more (61 days or more for a transfer) exists.

b. If a gap of 46–60 days (61–75 days for a transfer) exists, principal will be reinsured, but accrued interest, interest benefits, and special allowance otherwise payable by the Secretary for the delinquency period are limited to amounts accruing through the date of default.

c. If a gap of 61 days or more (76 days or more for a transfer) exists, the borrower must be located after the gap, either by the agency or the lender, in order for reinsurance on the loan to be reinstated. (See section I.E.1.d., for a description of acceptable evidence of location.) In addition, if the loan is held by the lender or after March 15, 1988, the lender must follow the steps described in section I.E.1., or receive a full payment or a new signed repayment agreement, in order for the loan to again be eligible for reinsurance. The lender must repay all interest benefits and special allowance received for the period beginning with its earliest unexcused violation, occurring after the last payment received before the cure is accomplished, and ending with the date, if any, that reinsurance on the loan is reinstated.

2. Prospective Period. For due diligence violations occurring on or after May 1, 1988 based on due dates prior to October 6, 1998—

a. There will be no reduction or recovery by the Secretary of payments to the lender or guaranty agency if there is no violation of Federal requirements of 6 days or more (21 days or more for a transfer.)

b. If there exist not more than two violations of 6 days or more each (21 days or more for a transfer), and no gap of 46 days or more (61 days or more for a transfer) exists, principal will be reinsured, but accrued interest, interest benefits, and special allowance otherwise payable by the Secretary for the delinquency period will be limited to amounts accruing through the date of default. However, the lender must complete all required activities before the claim filing deadline, except that a preclaims assistance request must be made before the 240th day of delinquency. If the lender fails to make this request by the 240th day, the Secretary will not pay any accrued interest, interest benefits, and special allowance for the most recent 180 days prior to default. If the lender fails to complete any other required activity before the claim filing deadline, accrued interest, interest benefits, and special allowance otherwise payable by the Secretary for the delinquency period will be limited to amounts accruing through the 90th day before default.

c. If there exist three violations of 6 days or more each (21 days or more for a transfer) and no gap of 46 days or more (61 days or more for a transfer), the lender must satisfy the requirements outlined in I.E.1., or receive a full payment or a new signed repayment agreement in order for reinsurance on the loan to be reinstated. The Secretary does not pay any interest benefits or special allowance for the period beginning with the lender's earliest unexcused violation occurring after the last payment received before the cure is accomplished, and ending with the date, if any, that reinsurance on the loan is reinstated.

d. If there exist more than three violations of 6 days or more each (21 days or more for a transfer) of any type, or a gap of 46 days (61 days for a transfer) or more and at least one violation, the lender must satisfy the requirement outlined in section I.D.1., for reinsurance on the loan to be reinstated. The Secretary does not pay any interest benefits or special allowance for the period beginning with the lender's earliest unexcused violation occurring after the last payment received before the cure is accomplished, and ending with the date, if any, that reinsurance on the loan is reinstated.

3. Post 1998 Amendments. For due diligence violations based on due dates on or after October 6, 1998—

a. There will be no reduction or recovery by the Secretary of payments to the lender

or guaranty agency if there is no violation of Federal requirements of 6 days or more (21 days or more for a transfer).

b. If there exist not more than two violations of 6 days or more each (21 days or more for a transfer), and no gap of 46 days or more (61 days or more for a transfer) exists, principal will be reinsured, but accrued interest, interest benefits, and special allowance otherwise payable by the Secretary for the delinquency period will be limited to amounts accruing through the date of default. However, the lender must complete all required activities before the claim filing deadline, except that a default aversion assistance request must be made before the 330th day of delinquency. If the lender fails to make this request by the 330th day, the Secretary will not pay any accrued interest, interest benefits, and special allowance for the most recent 270 days prior to default. If the lender fails to complete any other required activity before the claim filing deadline, accrued interest, interest benefits, and special allowance otherwise payable by the Secretary for the delinquency period will be limited to amounts accruing through the 90th day before default.

c. If there exist three violations of 6 days or more each (21 days or more for a transfer) and no gap of 46 days or more (61 days or more for a transfer), the lender must satisfy the requirements outlined in I.E.1. or receive a full payment or a new signed repayment agreement in order for reinsurance on the loan to be reinstated. The Secretary does not pay any interest benefits or special allowance for the period beginning with the lender's earliest unexcused violation occurring after the last payment received before the cure is accomplished, and ending with the date, if any, that reinsurance on the loan is reinstated.

d. If there exist more than three violations of 6 days or more each (21 days or more for a transfer) of any type, or a gap of 46 days (61 days for a transfer) or more and at least one violation, the lender must satisfy the requirement outlined in section I.D.1. for reinsurance on the loan to be reinstated. The Secretary does not pay any interest benefits or special allowance for the period beginning with the lender's earliest unexcused violation occurring after the last payment received before the cure is accomplished and ending with the date, if any, that reinsurance on the loan is reinstated.

D. Reinstatement of Reinsurance Coverage for Certain Egregious Due Diligence Violations.

1. *Cures.* In the case of a loan involving violations described in section I.C.2.d. or I.C.3.d., the lender may utilize either of the two procedures described in section I.D.1.a or I.D.1.b. for obtaining reinstatement of reinsurance coverage on the loan.

a. After the violations occur, the lender obtains a new repayment agreement signed by

the borrower. The repayment agreement must comply with the repayment period limitations set out in 34 CFR 682.209(a)(8) and 682.209(h)(2); or

b. After the violations occur, the lender obtains one full payment. If the borrower later defaults, the guaranty agency must obtain evidence of this payment (e.g., a copy of the check) from the lender.

2. *Borrower Deemed Current as of Date of Cure.* On the date the lender receives a new signed repayment agreement or the curing payment under section I.D.1., reinsurance coverage on the loan is reinstated, and the borrower must be deemed by the lender to be current in repaying the loan and entitled to all rights and benefits available to borrowers who are not in default. The lender must then follow the collection and timely filing requirements applicable to the loan.

E. Cures for Timely Filing Violations and Certain Due Diligence Violations

1. *Default Claims.*

a. *Reinstatement of Insurance Coverage.* Except as noted in section I.B.6., in order to obtain reinstatement of reinsurance coverage on a loan in the case of a timely filing violation, a due diligence violation described in section I.C.2.c. or I.C.3.c., or a due diligence violation described in section I.C.1.c. where the lender holds the loan on or after March 15, 1988, the lender must first locate the borrower after the gap, or after the date of the last violation, as applicable. (See section I.E.1.d. for description of acceptable evidence of location.) Within 15 days thereafter, the lender must send to the borrower, at the address at which the borrower was located, (i) a new repayment agreement, to be signed by the borrower, that complies with the ten-year repayment limitations in 34 CFR 682.209(a)(7), along with (ii) a collection letter indicating in strong terms the seriousness of the borrower's delinquency and its potential effect on his or her credit rating if repayment is not commenced or resumed. If, within 15 days after the lender sends these items, the borrower fails to make a full payment or to sign and return the new repayment agreement, the lender must, within 5 days thereafter, diligently attempt to contact the borrower by telephone. Within 5-10 days after completing these efforts, the lender must again diligently attempt to contact the borrower by telephone. Finally, within 5-10 days after completing these efforts, the lender must send a forceful collection letter indicating that the entire unpaid balance of the loan is due and payable, and that, unless the borrower immediately contacts the lender to arrange repayment, the lender will be filing a default claim with the guaranty agency.

b. *Borrower Deemed Current Under Certain Circumstances.* If, at any time on or before the 30th day after the lender completes the

additional collection efforts described in section I.E.1.a., or the 270th day of delinquency, whichever is later, the lender receives a full payment or a new signed repayment agreement, reinsurance coverage on the loan is reinstated on the date the lender receives the full payment or new agreement. The borrower must be deemed by the lender to be current in repaying the loan and entitled to all rights and benefits available to borrowers who are not in default. In the case of a timely filing violation on a loan for which the borrower is deemed current under this paragraph, the lender is ineligible to receive interest benefits and special allowance accruing from the date of the violation to the date of reinstatement of reinsurance coverage on the loan.

c. Borrower Deemed in Default Under Certain Circumstances. If the borrower does not make a full payment, or sign and return the new repayment agreement, on or before the 30th day after the lender completes the additional collection efforts described in section I.E.1.a., or the 270th day of delinquency, whichever is later, the lender must deem the borrower to be in default. The lender must then file a default claim on the loan, accompanied by acceptable evidence of location (see section I.E.1.d.), within 30 days after the end of the 30-day period. Reinsurance coverage, and therefore the lender's right to receive interest benefits and special allowance, is not reinstated on a loan involving these circumstances. However, the Secretary will honor reinsurance claims submitted in accordance with this paragraph on the outstanding principal balance of those loans, on unpaid interest as provided in section I.B.7., and for reimbursement of eligible supplemental preclaims assistance costs. In the case of a timely filing violation on a loan for which the borrower is deemed in default under this paragraph, the lender is ineligible to receive interest benefits and special allowance accruing from the date of the violation.

d. Acceptable Evidence of Location. Only the following documentation is acceptable as evidence that the lender has located the borrower:

(1) A postal receipt signed by the borrower not more than 15 days prior to the date on which the lender sent the new repayment agreement, indicating acceptance of correspondence from the lender by the borrower at the address shown on the receipt; or

(2) Documentation submitted by the lender showing—

(i) The name, identification number, and address of the lender;

(ii) The name and Social Security number of the borrower; and

(iii) A signed certification by an employee or agent of the lender, that—

(A) On a specified date, he or she spoke with or received written communication (at-

tached to the certification) from the borrower on the loan underlying the default claim, or a parent, spouse, sibling, roommate, or neighbor of the borrower;

(B) The address and, if available, telephone number of the borrower were provided to the lender in the telephone or written communication; and

(C) In the case of a borrower whose address or telephone number was provided to the lender by someone other than the borrower, the new repayment agreement and the letter sent by the lender pursuant to section I.E.1.a., had not been returned undelivered as of 20 days after the date those items were sent, for due diligence violations described in section I.C.1.c. where the lender holds the loan on the date of this letter, and as of the date the lender filed a default claim on the cured loan, for all other violations.

2. Death, Disability, and Bankruptcy Claims.

The Secretary will honor a death or disability claim on an otherwise eligible loan notwithstanding the lender's failure to meet the 60-day timely filing requirement (See 34 CFR 682.402(g)(2)(i)). However, the Secretary will not reimburse the guaranty agency if, before the date the lender determined that the borrower died or was totally and permanently disabled, the lender had violated the Federal due diligence or timely filing requirements applicable to that loan, except in accordance with the waiver policy described above. Interest that accrued on the loan after the expiration of the 60-day filing period remains ineligible for reimbursement by the Secretary, and the lender must repay all interest and special allowance received on the loan for periods after the expiration of the 60-day filing period. The Secretary has determined that, in the vast majority of cases, the failure of a lender to comply with the timely filing requirement applicable to bankruptcy claims (§682.402(g)(2)(iv)) causes irreparable harm to the guaranty agency's ability to contest the discharge of the loan by the court, or to otherwise collect from the borrower. Therefore, the Secretary has decided not to excuse violations of the timely filing requirement applicable to bankruptcy claims, except when the lender can demonstrate that the bankruptcy action has concluded and that the loan has not been discharged in bankruptcy or, if previously discharged, has been the subject of a reversal of the discharge. In that case, the lender must return the borrower to the appropriate status that existed prior to the filing of the bankruptcy claim unless the status has changed due solely to passage of time. In the latter case, the lender must place the borrower in the status that would exist had no bankruptcy claim been filed. If the borrower is delinquent after the loan is determined nondischargeable, the lender should grant administrative forbearance to bring the borrower's account current as provided in

§682.211(f)(4) and §682.402(f)(5)(ii) and (f)(6). The Secretary will not reimburse the guaranty agency for interest for the period beginning on the filing deadline for the bankruptcy claim and ending on the date the loan becomes eligible again for reinsurance. Reinsurance is reinstated on the date the bankruptcy action concludes and the loan is not discharged or on the date a previous discharge is reversed.

II. *Due Date of First Payment.* Section 682.411(b)(1) refers to the "due date of the first missed payment not later made" as one way to determine the first day of delinquency on a loan. Section 682.209(a)(3) states that, generally, the repayment period on an FFEL Program loan begins some number of months after the month in which the borrower ceases at least half-time study. Where the borrower enters the repayment period with the lender's knowledge, the first payment due date may be set by the lender, provided it falls within a reasonable time after the first day of the month in which the repayment period begins. In this situation, the Secretary generally permits a lender to allow the borrower up to 45 days from the first day of repayment to make the first payment (unless the lender establishes the first day of repayment under §682.209(a)(3)(ii)(E)).

1. In cases where the lender learns that the borrower has entered the repayment period after the fact, current §682.411 treats the 30th day after the lender receives this information as the first day of delinquency. In the course of discussion with lenders, the Secretary has learned that many lenders have not been using the 30th day after receipt of notice that the repayment period has begun ("the notice") as the first payment due date. In recognition of this apparently widespread practice, the Secretary has decided that, both retrospectively and prospectively, a lender should be allowed to establish a first payment due date within 60 days after receipt of the notice, to capitalize interest accruing up to the first payment due date, and to exercise forbearance with respect to the period during which the borrower was in the repayment period but made no payment. In effect, this means that, if the lender sends the borrower a coupon book, billing notice, or other correspondence establishing a new first payment due date, on or before the 60th day after receipt of the notice, the lender is deemed to have exercised forbearance up to the new first payment due date. The new first payment due date must fall no later than 75 days after receipt of the notice (unless the lender establishes the first day of repayment under §682.209(a)(3)(ii)(E)). In keeping with the 5-day tolerance permitted under section I.C.2.a., for the "prospective period," or section I.C.3.a., for the "post 1998 amendment period," a lender that sends the above-described material on or before the 65th day after receipt of the notice will be held harm-

less. However, a lender that does so on the 66th day will have failed by more than 5 days to send both of the collection letters required by §682.411(c) to be sent within the first 30 days of delinquency and will thus have committed two violations of more than five days of that rule.

2. If the lender fails to send the material establishing a new first payment due date on or before the 65th day after receipt of the notice, it may thereafter send material establishing a new first payment due date falling not more than 45 days after the materials are sent and will be deemed to have exercised forbearance up to the new first payment due date. However, all violations and gaps occurring prior to the date on which the material is sent are subject to the waiver policies described in section I for violations falling in either the retrospective or prospective periods. This is an exception to the general policy set forth in section I.B.5., that only violations occurring during the most recent 180 or 270 days (as applicable) of the delinquency period on a loan are relevant to the Secretary's examination of due diligence.

Please Note: References to the "65th day after receipt of the notice" and "66th day" in the preceding paragraphs should be amended to read "95th day" and "96th day" respectively for lenders subject to §682.209(a)(3)(ii)(E).

III. Questions and Answers

The waiver policy outlined in this letter was developed after extensive discussion and consultation with participating lenders and guaranty agencies. In the course of these discussions, lenders and agencies raised a number of questions regarding the due diligence rules as applied to various circumstances. The Secretary's responses to these questions follow.

NOTE: The answer to questions 1 and 4 are applicable only to loans subject to §682.411 of the FFEL and PLUS program regulations published on or after November 10, 1986.

1. Q: Section 682.411 of the program regulations requires the lender to make "diligent efforts to contact the borrower by telephone" during each 30-day period of delinquency beginning after the 30th day of delinquency. What must a lender do to comply with this requirement?

A: Generally speaking, one actual telephone contact with the borrower, or two attempts to make such contact on different days and at different times, will satisfy the "diligent efforts" requirement for any of the 30-day delinquency periods described in the rule. However, the "diligent efforts" requirement is intended to be a flexible one, requiring the lender to act on information it receives in the course of attempting telephone contact regarding the borrower's actual telephone number, the best time to call to reach the borrower, etc. For instance, if the lender

is told during its second telephone contact attempt that the borrower can be reached at another number or at a different time of day, the lender must then attempt to reach the borrower by telephone at that number or that time of day.

2. *Q:* What must a lender do when it receives conflicting information regarding the date a borrower ceased at least half-time study?

A: A lender must promptly attempt to reconcile conflicting information regarding a borrower's in-school status by making inquiries of appropriate parties, including the borrower's school. Pending reconciliation, the lender may rely on the most recent credible information it has.

3. *Q:* If a loan is transferred from one lender to another, is the transferee held responsible for information regarding the borrower's status that is received by the transferor but is not passed on to the transferee?

A: No. A lender is responsible only for information received by its agents and employees. However, if the transferee has reason to believe that the transferor has received additional information regarding the loan, the transferee must make a reasonable inquiry of the transferor as to the nature and substance of that information.

4. *Q:* What are a lender's due diligence responsibilities where a check received on a loan is dishonored by the bank on which it was drawn?

A: Upon receiving notice that a check has been dishonored, the lender must treat the payment as having never been made for purposes of determining the number of days that the borrower is delinquent at that time. The lender must then begin (or resume) attempting collection on the loan in accordance with §682.411, commencing with the first 30-day delinquency period described in §682.411 that begins after the 30-day delinquency period in which the notice of dishonor is received. The same result occurs when the lender successfully obtains a delinquent borrower's correct address through skip-tracing, or when a delinquent borrower leaves deferment or forbearance status.

Subpart A—Purpose and Scope

§ 685.100 The William D. Ford Federal Direct Loan Program.

(a) Under the William D. Ford Federal Direct Loan (Direct Loan) Program (formerly known as the Federal Direct Student Loan Program), the Secretary makes loans to enable a student or parent to pay the costs of the student's attendance at a postsecondary school. This part governs the Federal Direct Stafford/Ford Loan Program, the Federal Direct Unsubsidized Stafford/Ford Loan Program, the Federal Direct PLUS Program, and the Federal Direct Consolidation Loan Program. The Secretary makes loans under the following program components:

(1) Federal Direct Stafford/Ford Loan Program (formerly known as the Federal Direct Stafford Loan Program), which provides loans to undergraduate, graduate, and professional students. The Secretary subsidizes the interest while the borrower is in an in-school, grace, or deferment period.

(2) Federal Direct Unsubsidized Stafford/Ford Loan Program (formerly known as the Federal Direct Unsubsidized Stafford Loan Program), which provides loans to undergraduate, graduate and professional students. The borrower is responsible for the interest that accrues during any period.

(3) Federal Direct PLUS Program, which provides loans to parents of dependent students and to graduate or professional students. The borrower is responsible for the interest that accrues during any period.

(4) Federal Direct Consolidation Loan Program, which provides loans to borrowers to consolidate certain Federal educational loans.

(b) The Secretary makes a Direct Subsidized Loan, a Direct Unsubsidized Loan, or a Direct PLUS Loan only to a student or a parent of a student enrolled in a school that has been selected by the Secretary to participate in the Direct Loan Program.

(c) The Secretary makes a Direct Consolidation Loan only to—

(1) A borrower with a loan made under the Direct Loan Program; or

(2) A borrower with a loan made under the Federal Family Education Loan Program who—

(i) Is not able to obtain a Federal Consolidation Loan;

(ii) Is not able to obtain a Federal Consolidation Loan with income-sensitive repayment terms that are satisfactory to the borrower; or

(iii) Has a Federal Consolidation Loan that has been submitted by the lender to the guaranty agency for default aversion, and wishes to consolidate the Federal Consolidation Loan into the Direct Loan Program for the purpose of obtaining an income contingent repayment plan.

§ 685.101 Participation in the Direct Loan Program.

(a)(1) Colleges, universities, graduate and professional schools, vocational schools, and proprietary schools selected by the Secretary may participate in the Direct Loan Program. Participation in the Direct Loan Program enables an eligible student or parent to obtain a loan to pay for the student's cost of attendance at the school.

(2) The Secretary may permit a school to participate in both the Federal Family Education Loan (FFEL) Program, as defined in 34 CFR part 600, and the Direct Loan Program. A school permitted to participate in both the FFEL Program and the Direct Loan Program may certify loan applications under the FFEL Program according to the terms of its agreement with the Secretary.

(b) An eligible undergraduate student who is enrolled at a school participating in the Direct Loan Program may borrow under the Federal Direct Stafford/Ford Loan and Federal Direct Unsubsidized Stafford/Ford Loan Programs. An eligible graduate or professional student enrolled at a school participating in the Direct Loan Program may borrow under the Federal Direct Stafford/Ford Loan, Federal Direct Unsubsidized Stafford/Ford Loan, and Federal Direct PLUS Programs. An eligible parent of an eligible dependent

Estimated financial assistance. (1) The estimated amount of assistance for a period of enrollment that a student (or a parent on behalf of a student) will receive from Federal, State, institutional, or other sources, such as scholarships, grants, net earnings from need-based employment, or loans, including but not limited to—

(i) Except as provided in paragraph (2)(iv) of this definition, veterans' educational benefits paid under chapters 30

However, if the sum of the loan amounts received that are being used

to replace the student's EFC exceed the EFC, the excess amount must be treated as estimated financial assistance;

(ii) Federal Perkins loan and Federal Work-Study funds that the student has declined;

(iii) Non-need-based employment earnings;

(iv) For the purpose of determining eligibility for a Direct Subsidized Loan, veterans' educational benefits paid under chapter 30 of title 38 of the United States Code (Montgomery GI Bill—Active Duty) and national service education awards or post-service benefits under title I of the National and Community Service Act of 1990 (AmeriCorps);

If that assistance is excluded from either estimated financial assistance or cost of attendance, it must be excluded from both.

Federal Direct Consolidation Loan Program: (1) A loan program authorized by title IV, part D of the Act that provides loans to borrowers who consolidate certain Federal educational loan(s), and one of the components of the Direct Loan Program. (3) The term "Direct Unsubsidized Consolidation Loan" refers to the portion of a Direct Consolidation Loan attributable to unsubsidized title IV education loans, certain subsidized title IV

education loans, and certain other Federal education loans that were repaid by the consolidation loan. The borrower is responsible for the interest that accrues during any period.

Federal Direct Stafford/Ford Loan Program: A loan program authorized by title IV, part D of the Act that provides loans to undergraduate, graduate, and professional students attending Direct Loan Program schools, and one of the components of the Direct Loan Program. The Secretary subsidizes the interest while the borrower is in an in-school, grace, or deferment period. Loans made under this program are referred to as Direct Subsidized Loans.

Federal Direct Unsubsidized Stafford/Ford Loan Program: A loan program authorized by title IV, part D of the Act that provides loans to undergraduate, graduate, and professional students attending Direct Loan Program schools, and one of the components of the Direct Loan Program. The borrower is responsible for the interest that accrues during any period. Loans made under this program are referred to as Direct Unsubsidized Loans.

Grace period: A six-month period that begins on the day after a Direct Loan Program borrower ceases to be enrolled

as at least a half-time student at an eligible institution and ends on the day before the repayment period begins.

Half-time student: A student who is not a full-time student and who is enrolled in an institution of higher education and is carrying an academic workload that is at least one-half the workload of a full-time student, as determined by the school. A student enrolled solely in an eligible program of study by correspondence is considered a half-time student.

Interest rate: The annual interest rate that is charged on a loan, under title IV, part D of the Act.

Period of enrollment: The period for which a Direct Subsidized, Direct Unsubsidized, or Direct PLUS Loan is intended. The period of enrollment must coincide with one or more academic terms established by the school (such as semester, trimester, quarter, academic year, and length of the program of study), for which institutional charges are generally assessed. The period of enrollment is also referred to in this part as the loan period.

Satisfactory repayment arrangement. (1) For the purpose of regaining eligibility under section 428F(b) of the HEA, the making of six consecutive, voluntary, on-time, full monthly payments on a defaulted loan. A borrower may only obtain the benefit of this paragraph with respect to renewed eligibility once.

(2) For the purpose of consolidating a defaulted loan under 34 CFR 685.220(d)(1)(ii)(C), the making of three consecutive, voluntary, on-time, full monthly payments on a defaulted loan.

(3) The required monthly payment amount may not be more than is reasonable and affordable based on the borrower's total financial circumstances. "On-time" means a payment made within 15 days of the scheduled due date, and voluntary payments are those payments made directly by the borrower and do not include payments obtained by Federal offset, garnishment, or income or asset execution.

The Secretary may modify the functions performed by a particular school.

(2) If the borrower applies for another loan within three years from the date that the borrower became totally and permanently disabled, as certified by the physician, reaffirms the previously discharged loan before receiving the new loan. For the purposes of this paragraph, reaffirmation means the acknowledgement of the loan by the borrower in a legally binding manner. The acknowledgement may include, but is not limited to, the borrower signing a new promissory note that includes the same terms and conditions as the original note signed by the borrower, making a payment on the loan, or signing a repayment agreement.

(C) In the case of a borrower whose prior loan under title IV of the Act was conditionally discharged based on an initial determination that the borrower was totally and permanently disabled—

(1) The suspension of collection activity on the prior loan has been lifted;

(2) The borrower complies with the requirements in paragraphs (a)(1)(iv)(A)(1) and (2) of this section;

(vii)(A) The parent—

(1) Does not have an adverse credit history;

(2) Has an adverse credit history but has obtained an endorser who does not have an adverse credit history; or

(2) Has been the subject of a default determination, bankruptcy discharge, foreclosure, repossession, tax lien, wage garnishment, or write-off of a debt under title IV of the Act during the five years preceding the date of the credit report.

(C) For the purposes of (c)(1)(vii)(A) of this section, the Secretary does not consider the absence of a credit history as an adverse credit history and does not deny a Direct PLUS loan on that basis.

(2) For purposes of paragraph (c)(1) of this section, a “parent” includes the individuals described in the definition of “parent” in 34 CFR 668.2 and the spouse of a parent who remarried, if that spouse's income and assets would have been taken into account when calculating a dependent student's expected family contribution.

(3) Has completed repayment of any title IV, HEA program assistance obtained by fraud, if the parent has been convicted of, or has pled nolo contendere or guilty to, a crime involving fraud in obtaining title IV, HEA program assistance.

§ 685.201 Obtaining a loan.

(a) *Application for a Direct Subsidized Loan or a Direct Unsubsidized Loan.* (1) To obtain a Direct Subsidized Loan or a Direct Unsubsidized Loan, a student must complete a Free Application for Federal Student Aid and submit it in accordance with instructions in the application.

(2) If the student is eligible for a Direct Subsidized Loan or a Direct Unsubsidized Loan, the Secretary or the school in which the student is enrolled must perform specific functions. Unless a school's agreement with the Secretary specifies otherwise, the school must perform the following functions:

(i) A school participating under school origination option 2 must create a loan origination record, ensure that the loan is supported by a completed Master Promissory Note (MPN), draw down funds, and disburse the funds to the student.

(ii) A school participating under school origination option 1 must create a loan origination record, ensure that the loan is supported by a completed MPN, and transmit the record and MPN (if required) to the Servicer. The Servicer initiates the drawdown of

funds. The school must disburse the funds to the student.

(iii) If the student is attending a school participating under standard origination, the school must create a loan origination record and transmit the record to the alternative originator, which either confirms that a completed MPN supports the loan or prepares an MPN and sends it to the student. The Servicer receives the completed MPN from the student (if required) and initiates the drawdown of funds. The school must disburse the funds to the student.

(b) *Application for a Direct PLUS Loan.*

(1) For a parent to obtain a Direct PLUS Loan, the parent must complete the Direct PLUS MPN and submit it to the school at which the student is enrolled.

(2) For a graduate or professional student to apply for a Direct PLUS Loan, the student must complete a Free Application for Federal Student Aid and submit it in accordance with instructions in the application. The graduate or professional student must also complete the PLUS MPN and submit it to the school.

(3) For either a parent or student PLUS borrower, as applicable, the school must complete its portion of the PLUS MPN and submit it to the Servicer, which makes a determination as to whether the parent or graduate or professional student has an adverse credit history. Unless a school's agreement with the Secretary specifies otherwise, the school must perform the following functions: A school participating under school origination option 2 must draw down funds and disburse the funds. For a school participating under school origination option 1 or standard origination, the Servicer initiates the drawdown of funds, and the school disburses the funds.

(c) *Application for a Direct Consolidation Loan.* (1) To obtain a Direct Consolidation Loan, the applicant must complete the application and promissory note and submit it to the Servicer. The application and promissory note sets forth the terms and conditions of the Direct Consolidation Loan and informs the applicant how to contact the Servicer. The Servicer answers questions regarding the process

of applying for a Direct Consolidation Loan and provides information about the terms and conditions of both Direct Consolidation Loans and the types of loans that may be consolidated.

(2) Once the applicant has submitted the completed application and promissory note to the Servicer, the Secretary makes the Direct Consolidation Loan under the procedures specified in § 685.220.

§ 685.204 Deferment.

(a)(1) A Direct Loan borrower whose loan is eligible for interest subsidies and who meets the requirements described in paragraphs (b) and (e) of this section is eligible for a deferment during which periodic installments of principal and interest need not be paid.

(2) A Direct Loan borrower whose loan is not eligible for interest subsidies and who meets the requirements

described in paragraphs (b) and (e) of this section is eligible for a deferment during which periodic installments of principal need not be paid but interest does accrue and is capitalized or paid by the borrower.

(b) Except as provided in paragraphs (d) and (f) of this section, a Direct Loan borrower is eligible for a deferment during any period during which the borrower meets any of the following requirements:

(1)(i) The borrower—

(A) Is carrying at least one-half the normal full-time work load for the course of study that the borrower is pursuing, as determined by the eligible school the borrower is attending;

(ii) The borrower is not serving in a medical internship or residency program, except for a residency program in dentistry.

(iii)(A) For the purpose of paragraph (b)(1)(i) of this section, the Secretary processes a deferment when—

(1) The borrower submits a request to the Secretary along with documentation verifying the borrower's eligibility;

(2) The Secretary receives information from the borrower's school indicating that the borrower is eligible to receive a new loan; or

(3) The Secretary receives student status information from the borrower's school, either directly or indirectly, indicating that the borrower is enrolled on at least a half-time basis.

(B)(1) Upon notification by the Secretary that a deferment has been granted based on paragraph (b)(1)(iii)(A)(2) or (3) of this section, the borrower has the option to continue paying on the loan.

(2) If the borrower elects to cancel the deferment and continue paying on the loan, the borrower has the option to make the principal and interest payments that were deferred. If the borrower does not make the payments, the Secretary applies a deferment for the

period in which payments were not made and capitalizes the interest.

(2)(i) The borrower is seeking and unable to find full-time employment.

(ii) For purposes of paragraph (b)(2)(i) of this section, the Secretary determines whether a borrower is eligible for a deferment due to the inability to find full-time employment using the standards and procedures set forth in 34 CFR 682.210(h) with references to the lender understood to mean the Secretary.

(3)(i) The borrower has experienced or will experience an economic hardship.

(ii) For purposes of paragraph (b)(3)(i) of this section, the Secretary determines whether a borrower is eligible for a deferment due to an economic hardship using the standards and procedures set forth in 34 CFR 682.210(s)(6) with references to the lender understood to mean the Secretary.

(c) No deferment under paragraphs (b) (2) or (3) of this section may exceed three years.

(d) If, at the time of application for a borrower's first Direct Loan, a borrower has an outstanding balance of principal or interest owing on any FFEL Program loan that was made, insured, or guaranteed prior to July 1, 1993, the borrower is eligible for a deferment during—

(1) the periods described in paragraphs (b) and (e) of this section; and

(2) the periods described in 34 CFR 682.210(b), including those periods that apply to a "new borrower" as that term is defined in 34 CFR 682.210(b)(7).

(e)(1) A borrower who receives a Direct Loan Program loan first disbursed on or after July 1, 2001, may receive a military service deferment for such loan for any period not to exceed 3 years during which the borrower is—

(3) *Qualifying National Guard duty during a war or other operation or national emergency* means service as a member of the National Guard on full-time National Guard duty, as defined in 10 U.S.C. 101(d)(5) under a call to active service authorized by the President or the Secretary of Defense for a period of more than 30 consecutive days under 32 U.S.C. 502(f) in connection with a war, other military operation, or national emergency declared by the President and supported by Federal funds.

(4) These provisions do not authorize the refunding of any payments made by or on behalf of a borrower during a period for which the borrower qualified for a military service deferment.

(5) A borrower is eligible for a military service deferment on a Direct Consolidation Loan only if the borrower meets the conditions described in this section and all of the title IV loans included in the Consolidation Loan were first disbursed on or after July 1, 2001.

(6) As used in this section—

(i) *Active duty* means active duty as defined in 10 U.S.C. 101(d)(1) except that it does not include active duty for training or attendance at a service school;

§ 685.205 Forbearance.

(a) *General.* “Forbearance” means permitting the temporary cessation of payments, allowing an extension of time for making payments, or temporarily accepting smaller payments than previously scheduled. The borrower has the option to choose the form of forbearance. Except as provided in paragraph (b)(9) of this section, if payments of interest are forborne, they are capitalized. The Secretary grants forbearance if the borrower or endorser intends to repay the loan but requests forbearance and provides sufficient documentation to support this request, and—

(1) The Secretary determines that, due to poor health or other acceptable reasons, the borrower or endorser is currently unable to make scheduled payments;

(2) The borrower’s payments of principal are deferred under § 685.204 and the Secretary does not subsidize the interest benefits on behalf of the borrower;

(3) The borrower is in a medical or dental internship or residency that must be successfully completed before the borrower may begin professional practice or service, or the borrower is serving in a medical or dental internship or residency program leading to a degree or certificate awarded by an institution of higher education, a hospital, or a health care facility that offers postgraduate training;

(4) The borrower is serving in a national service position for which the borrower is receiving a national service education award under title I of the National and Community Service Act of 1990; or

(5) The borrower—

(i) Is performing the type of service that would qualify the borrower for

(ii) Is required, by the Secretary, before a forbearance is granted under § 685.205(a)(5)(i) to—

(A) Submit documentation for the period of the annual forbearance request showing the beginning and ending dates that the borrower is expected to perform, for that year, the type of service described in § 685.217(c); and

(B) Certify the borrower's intent to satisfy the requirements of § 685.217(c).

(6) For not more than three years during which the borrower or endorser—

(i) Is currently obligated to make payments on loans under title IV of the Act; and

(ii) The sum of these payments each month (or a proportional share if the payments are due less frequently than monthly) is equal to or greater than 20 percent of the borrower's or endorser's total monthly gross income.

(b) *Administrative forbearance.* In certain circumstances, the Secretary grants forbearance without requiring documentation from the borrower. These circumstances include but are not limited to—

(1) A properly granted period of deferment for which the Secretary learns the borrower did not qualify;

(2) The period for which payments are overdue at the beginning of an authorized deferment period;

(3) The period beginning when the borrower entered repayment without the Secretary's knowledge until the first payment due date was established;

(4) The period prior to a borrower's filing of a bankruptcy petition;

(5) A period after the Secretary receives reliable information indicating that the borrower (or the student in the case of a Direct PLUS Loan obtained by a parent borrower) has died, or the borrower has become totally and permanently disabled, until the Secretary receives documentation of death or total and permanent disability;

(6) Periods necessary for the Secretary to determine the borrower's eligibility for discharge—

(i) Under § 685.214;

(ii) Under § 685.215;

(iii) Under § 685.216;

(iv) Under § 685.217; or

(v) Due to the borrower's or endorser's (if applicable) bankruptcy;

(7) A period of up to three years in cases where the effect of a variable interest rate on a fixed-amount or graduated repayment schedule causes the extension of the maximum repayment term;

(8) A period during which the Secretary has authorized forbearance due to a national military mobilization or other local or national emergency; or

(9) A period of up to 60 days necessary for the Secretary to collect and process documentation supporting the borrower's request for a deferment, forbearance, change in repayment plan, or consolidation loan. Interest that accrues during this period is not capitalized.

(c) *Period of forbearance.* (1) The Secretary grants forbearance for a period of up to one year.

(2) The forbearance is renewable, upon request of the borrower, for the duration of the period in which the borrower meets the condition required for the forbearance.

§ 685.206 Borrower responsibilities and defenses.

(a) The borrower shall give the school the following information as part of the origination process for a Direct Subsidized, Direct Unsubsidized, or Direct PLUS Loan:

(1) A statement, as described in 34 CFR part 668, that the loan will be used for the cost of the student's attendance.

(2) Information demonstrating that the borrower is eligible for the loan.

(3) Information concerning the outstanding FFEL Program and Direct Loan Program loans of the borrower and, for a parent borrower, of the student, including any Federal Consolidation Loan or Direct Consolidation Loan.

(b)(1) The borrower shall promptly notify the Secretary of any change of name, address, student status to less than half-time, employer, or employer's address; and

(2) The borrower shall promptly notify the school of any change in address during enrollment.

(c) *Borrower defenses.* (1) In any proceeding to collect on a Direct Loan, the borrower may assert as a defense against repayment, any act or omission of the school attended by the student that would give rise to a cause of action against the school under applicable State law. These proceedings include, but are not limited to, the following:

- (i) Tax refund offset proceedings under 34 CFR 30.33.

(2) If the borrower's defense against repayment is successful, the Secretary notifies the borrower that the borrower is relieved of the obligation to repay all or part of the loan and associated costs and fees that the borrower would otherwise be obligated to pay. The Secretary affords the borrower such further relief as the Secretary determines is appropriate under the circumstances. Further relief may include, but is not limited to, the following:

- (i) Reimbursing the borrower for amounts paid toward the loan voluntarily or through enforced collection.
- (ii) Determining that the borrower is not in default on the loan and is eligible to receive assistance under title IV of the Act.
- (iii) Updating reports to credit bureaus to which the Secretary previously made adverse credit reports

with regard to the borrower's Direct Loan.

(3) The Secretary may initiate an appropriate proceeding to require the school whose act or omission resulted in the borrower's successful defense against repayment of a Direct Loan to pay to the Secretary the amount of the loan to which the defense applies. However, the Secretary does not initiate such a proceeding after the period for the retention of records described in § 685.309(c) unless the school received actual notice of the claim during that period.

(2) The regulations in effect at the time a borrower enters repayment and selects the income contingent repayment plan or changes into the income contingent repayment plan from another plan govern the method for determining the borrower's monthly repayment amount for all of the borrower's Direct Loans, unless—

(i) The Secretary amends the regulations relating to a borrower's monthly repayment amount under the income contingent repayment plan; and

(ii) The borrower submits a written request that the amended regulations apply to the repayment of the borrower's Direct Loans.

(3) Provisions governing the income contingent repayment plan are in § 685.209.

(1) *Alternative repayment.* (1) The Secretary may provide an alternative repayment plan for a borrower who demonstrates to the Secretary's satisfaction that the terms and conditions of the repayment plans specified in paragraphs (b) through (h) of this section are not adequate to accommodate the borrower's exceptional circumstances.

(2) The Secretary may require a borrower to provide evidence of the borrower's exceptional circumstances before permitting the borrower to repay a loan under an alternative repayment plan.

(3) If the Secretary agrees to permit a borrower to repay a loan under an alternative repayment plan, the Secretary notifies the borrower in writing of the terms of the plan. After the borrower receives notification of the terms of the plan, the borrower may accept the plan or choose another repayment plan.

(4) A borrower must repay a loan under an alternative repayment plan

within 30 years of the date the loan entered repayment, not including periods of deferment and forbearance.

(5) If the amount of a borrower's monthly payment under an alternative repayment plan is less than the accrued interest on the loan, the unpaid interest is capitalized until the outstanding principal amount is 10 percent greater than the original principal amount. After the outstanding principal amount is 10 percent greater than the original principal amount, interest continues to accrue but is not capitalized. For purposes of this paragraph, the original principal amount is the amount owed by the borrower when the borrower enters repayment.

[71 FR 45712, Aug. 9, 2006, as amended at 71 FR 64400, Nov. 1, 2006]

§ 685.209 Income contingent repayment plan.

(a) *Repayment amount calculation.* (1) The amount the borrower would repay is based upon the borrower's Direct Loan debt when the borrower's first loan enters repayment, and this basis for calculation does not change unless the borrower obtains another Direct Loan or the borrower and the borrower's spouse obtain approval to repay their loans jointly under paragraph (b)(2) of this section. If the borrower obtains another Direct Loan, the amount the borrower would repay is based on the combined amounts of the loans when the last loan enters repayment. If the borrower and the borrower's spouse repay the loans jointly, the amount the borrowers would repay is based on both borrowers' Direct Loan debts at the time they enter joint repayment.

(2) The annual amount payable under the income contingent repayment plan by a borrower is the lesser of—

(i) The amount the borrower would repay annually over 12 years using standard amortization multiplied by an income percentage factor that corresponds to the borrower's adjusted gross income (AGI) as shown in the income percentage factor table in a notice published annually by the Secretary in the FEDERAL REGISTER; or

(ii) 20 percent of discretionary income.

(3) For purposes of this section, discretionary income is defined as a borrower's AGI minus the amount of the "HHS Poverty Guidelines for all States (except Alaska and Hawaii) and the District of Columbia" as published by the United States Department of Health and Human Services on an annual basis.¹ For residents of Alaska and Hawaii, discretionary income is defined as a borrower's AGI minus the amounts in the "HHS Poverty Guidelines for Alaska" and the "HHS Poverty Guidelines for Hawaii" respectively. If a borrower provides documentation acceptable to the Secretary that the borrower has more than one person in the borrower's family, the Secretary applies the HHS Poverty Guidelines for the borrower's family size.

(4) For exact incomes not shown in the income percentage factor table in the annual notice published by the Secretary, an income percentage factor is calculated, based upon the intervals between the incomes and income percentage factors shown on the table.

(5) Each year, the Secretary recalculates the borrower's annual payment amount based on changes in the borrower's AGI, the variable interest rate, the income percentage factors in the table in the annual notice published by the Secretary, and updated HHS Poverty Guidelines (if applicable).

(6) If a borrower's monthly payment is calculated to be greater than \$0 but less than or equal to \$5.00, the amount payable by the borrower shall be \$5.00.

(7) For purposes of the annual recalculation described in paragraph (a)(5) of this section, after periods in which a borrower makes payments that are less than interest accrued on the loan, the payment amount is recalculated based upon unpaid accrued interest and the highest outstanding principal loan amount (including amount capitalized)

¹The HHS Poverty Guidelines are available from the Office of the Assistant Secretary for Planning and Evaluation, Department of Health and Human Services (HHS), Room 438F, Humphrey Building, 200 Independence Avenue, S.W., Washington, D.C. 20201

calculated for that borrower while paying under the income contingent repayment plan.

(8) For each calendar year after calendar year 1996, the Secretary publishes in the FEDERAL REGISTER a revised income percentage factor table reflecting changes based on inflation. This revised table is developed by changing each of the dollar amounts contained in the table by a percentage equal to the estimated percentage changes in the Consumer Price Index (as determined by the Secretary) between December 1995 and the December next preceding the beginning of such calendar year.

(9) Examples of the calculation of monthly repayment amounts and tables that show monthly repayment amounts for borrowers at various income and debt levels are included in the annual notice published by the Secretary.

(b) *Treatment of married borrowers.* (1) A married borrower who wishes to repay under the income contingent repayment plan and who has filed an income tax return separately from his or her spouse must provide his or her spouse's written consent to the disclosure of certain tax return information under paragraph (c)(5) of this section (unless the borrower is separated from his or her spouse). The AGI for both spouses is used to calculate the monthly repayment amount.

(2) Married borrowers may repay their loans jointly. The outstanding balances on the loans of each borrower are added together to determine the borrowers' payback rate under (a)(1) of this section.

(3) The amount of the payment applied to each borrower's debt is the proportion of the payments that equals the same proportion as that borrower's debt to the total outstanding balance, except that the payment is credited toward outstanding interest on any loan before any payment is credited toward principal.

(c) *Other features of the income contingent repayment plan*—(1) *Alternative documentation of income.* If a borrower's AGI is not available or if, in the Secretary's opinion, the borrower's reported AGI does not reasonably reflect the borrower's current income, the

Secretary may use other documentation of income provided by the borrower to calculate the borrower's monthly repayment amount.

(2) *First and second year borrowers.* The Secretary requires alternative documentation of income from borrowers in their first and second years of repayment, when in the Secretary's opinion, the borrower's reported AGI does not reasonably reflect the borrower's current income.

(3) *Adjustments to repayment obligations.* The Secretary may determine that special circumstances, such as a loss of employment by the borrower or the borrower's spouse, warrant an adjustment to the borrower's repayment obligations.

(4) *Repayment period.* (i) The maximum repayment period under the income contingent repayment plan is 25 years.

(ii)(A) The repayment period includes—

(1) Periods in which the borrower makes payments under the standard repayment plan described in § 685.208(b); and

(2) If the repayment period is not more than 12 years, periods in which the borrower makes payments under the extended repayment plans described in § 685.208(d) and (e), or the standard repayment plan described in § 685.208(c).

(B) The repayment period does not include—

(1) Periods in which the borrower makes payments under the graduated repayment plans described in § 685.208(f), § 685.208(g) and § 685.208(h);

(2) Periods in which the borrower makes payments under an alternative repayment plan;

(3) Periods of authorized deferment or forbearance; or

(4) Periods in which the borrower makes payments under the extended repayment plans described in § 685.208(d) and

(e) in which payments are based on a repayment period that is longer than 12 years.

(iii) If a borrower repays more than one loan under the income contingent repayment plan, a separate repayment period for each loan begins when that loan enters repayment.

(iv) If a borrower has not repaid a loan in full at the end of the 25-year repayment period under the income contingent repayment plan, the Secretary cancels the unpaid portion of the loan.

(v) At the beginning of the repayment period under the income contingent repayment plan, a borrower shall make monthly payments of the amount of interest that accrues on the borrower's Direct Loans until the Secretary calculates the borrower's monthly repayment amount on the basis of the borrower's income.

(5) *Limitation on capitalization of interest.* If the amount of a borrower's monthly payment is less than the accrued interest, the unpaid interest is capitalized until the outstanding principal amount is ten percent greater than the original principal amount. After the outstanding principal amount is ten percent greater than the original amount, interest continues to accrue but is not capitalized. For purposes of this paragraph, the original amount is the amount owed by the borrower when the borrower enters repayment.

(6) *Notification of terms and conditions.* When a borrower elects or is required by the Secretary to repay a loan under the income contingent repayment plan, the Secretary notifies the borrower of the terms and conditions of the plan, including—

(i) That the Internal Revenue Service will disclose certain tax return information to the Secretary or the Secretary's agents; and

(ii) That if the borrower believes that special circumstances warrant an adjustment to the borrower's repayment obligations, as described in § 685.209(c)(3), the borrower may contact the Secretary and obtain the Secretary's determination as to whether an adjustment is appropriate.

(7) *Consent to disclosure of tax return information.* (i) A borrower shall provide written consent to the disclosure of certain tax return information by the Internal Revenue Service (IRS) to agents of the Secretary for purposes of calculating a monthly repayment amount and servicing and collecting a loan under the income contingent repayment plan. The borrower shall provide consent by signing a consent form,

developed consistent with 26 CFR 301.6103(c)-1 and provided to the borrower by the Secretary, and shall return the signed form to the Secretary.

(ii) The borrower shall consent to disclosure of the borrower's taxpayer identity information as defined in 26 U.S.C. 6103(b)(6), tax filing status, and AGI.

(iii) The borrower shall provide consent for a period of five years from the date the borrower signs the consent form. The Secretary provides the borrower a new consent form before that period expires. The IRS does not disclose tax return information after the IRS has processed a borrower's withdrawal of consent.

(iv) The Secretary designates the standard repayment plan for a borrower who selects the income contingent repayment plan but—

(A) Fails to provide the required written consent;

(B) Fails to renew written consent upon the expiration of the five-year period for consent; or

(C) Withdraws consent and does not select another repayment plan.

(v) If a borrower defaults and the Secretary designates the income contingent repayment plan for the borrower but the borrower fails to provide the required written consent, the Secretary mails a notice to the borrower establishing a repayment schedule for the borrower.

§ 685.210 Choice of repayment plan.

(a) *Initial selection of a repayment plan.* (1) Before a Direct Loan enters into repayment, the Secretary provides the borrower a description of the available repayment plans and requests the borrower to select one. A borrower may select a repayment plan before the loan enters repayment by notifying the Secretary of the borrower's selection in writing.

(2) If a borrower does not select a repayment plan, the Secretary designates the standard repayment plan described in § 685.208(b) for the borrower.

(b) *Changing repayment plans.* (1) A borrower may change repayment plans at any time after the loan has entered repayment by notifying the Secretary. However, a borrower who is repaying a defaulted loan under the income contingent repayment plan under § 685.211(d)(3)(ii) may not change to another repayment plan unless—

(i) The borrower was required to and did make a payment under the income contingent repayment plan in each of the prior three (3) months; or

(ii) The borrower was not required to make payments but made three reasonable and affordable payments in each of the prior three months; and

(iii) The borrower makes and the Secretary approves a request to change plans.

(2)(i) A borrower may not change to a repayment plan that has a maximum repayment period of less than the number of years the loan has already been in repayment, except that a borrower may change to the income contingent repayment plan at any time.

(ii) If a borrower changes plans, the repayment period is the period provided under the borrower's new repayment plan, calculated from the date the loan initially entered repayment. However, if a borrower changes to the income contingent repayment plan, the repayment period is calculated as described in § 685.209(c)(4).

§ 685.211 Miscellaneous repayment provisions.

(a) *Payment application and prepayment.* (1) The Secretary applies any payment first to any accrued charges and collection costs, then to any outstanding interest, and then to outstanding principal.

(2) A borrower may prepay all or part of a loan at any time without penalty. If a borrower pays any amount in excess of the amount due, the excess amount is a prepayment.

(3) If a prepayment equals or exceeds the monthly repayment amount under the borrower's repayment plan, the Secretary—

(i) Applies the prepaid amount according to paragraph (a)(1) of this section;

(ii) Advances the due date of the next payment unless the borrower requests otherwise; and

(iii) Notifies the borrower of any revised due date for the next payment.

(4) If a prepayment is less than the monthly repayment amount, the Secretary applies the prepayment according to paragraph (a)(1) of this section.

(b) *Repayment incentives.* To encourage on-time repayment, the Secretary may reduce the interest rate for a borrower who repays a loan under a system or on a schedule that meets requirements specified by the Secretary.

(c) *Refunds and returns of title IV, HEA program funds from schools.* The Secretary applies any refund or return of title IV, HEA program funds that the Secretary receives from a school under § 668.22 against the borrower's outstanding principal and notifies the borrower of the refund or return.

(d) *Default—(1) Acceleration.* If a borrower defaults on a Direct Loan, the entire unpaid balance and accrued interest are immediately due and payable.

(2) *Collection charges.* If a borrower defaults on a Direct Loan, the Secretary assesses collection charges in accordance with § 685.202(e).

(3) *Collection of a defaulted loan.* (i) The Secretary may take any action authorized by law to collect a defaulted Direct Loan including, but not limited to, filing a lawsuit against the borrower, reporting the default to national credit bureaus, requesting the Internal Revenue Service to offset the borrower's Federal income tax refund, and garnishing the borrower's wages.

(ii) If a borrower defaults on a Direct Subsidized Loan, a Direct Unsubsidized Loan, or a Direct Consolidation Loan, the Secretary may designate the income contingent repayment plan for the borrower.

(e) *Ineligible borrowers.* (1) The Secretary determines that a borrower is ineligible if, at the time the loan was made and without the school's or the

Secretary's knowledge, the borrower (or the student on whose behalf a parent borrowed) provided false or erroneous information, has been convicted of, or has pled *nolo contendere* or guilty to, a crime involving fraud in obtaining title IV, HEA program funds, or took actions that caused the borrower or student—

- (i) To receive a loan for which the borrower is wholly or partially ineligible;
- (ii) To receive interest benefits for which the borrower was ineligible; or
- (iii) To receive loan proceeds for a period of enrollment for which the borrower was not eligible.

(2) If the Secretary makes the determination described in paragraph (e)(1) of this section, the Secretary sends an ineligible borrower a demand letter that requires the borrower to repay some or all of a loan, as appropriate. The demand letter requires that within 30 days from the date the letter is mailed, the borrower repay any principal amount for which the borrower is ineligible and any accrued interest, including interest subsidized by the Secretary, through the previous quarter.

(3) If a borrower fails to comply with the demand letter described in paragraph (e)(2) of this section, the borrower is in default on the entire loan.

(4) A borrower may not consolidate a loan under § 685.220 for which the borrower is wholly or partially ineligible.

(f) *Rehabilitation of defaulted loans.* (1) A defaulted Direct Loan, except for a loan on which a judgment has been obtained, is rehabilitated if the borrower makes nine voluntary, reasonable, and affordable monthly payments within 20 days of the due date during ten consecutive months. The amount of such a payment is determined on the basis of the borrower's total financial circumstances. If a defaulted loan is rehabilitated, the Secretary instructs any credit bureau to which the default was reported to remove the default from the borrower's credit history.

(2) A defaulted Direct Loan on which a judgment has been obtained may not be rehabilitated.

(3) A Direct Loan obtained by fraud for which the borrower has been convicted of, or has pled *nolo contendere* or guilty to, a crime involving fraud in

obtaining title IV, HEA program assistance may not be rehabilitated.

§ 685.212 Discharge of a loan obligation.

(a) *Death.* (1) If a borrower (or the student on whose behalf a parent borrowed a Direct PLUS Loan) dies, the Secretary discharges the obligation of the borrower and any endorser to make any further payments on the loan based on an original or certified copy of the borrower's (or student's in the case of a Direct PLUS loan obtained by a parent borrower) death certificate.

(2) If an original or certified copy of the death certificate is not available, the Secretary discharges the loan only based on other reliable documentation that establishes, to the Secretary's satisfaction, that the borrower (or student) has died. The Secretary discharges a loan based on documentation other than an original or certified copy of the death certificate only under exceptional circumstances and on a case-by-case basis.

(3) In the case of a Direct PLUS Consolidation Loan that repaid a Direct PLUS Loan or a Federal PLUS Loan obtained on behalf of a student who dies, the Secretary discharges an amount equal to the portion of the outstanding balance of the consolidation loan, as of the date of the student's death, attributable to that Direct PLUS Loan or Federal PLUS Loan.

(b) *Total and permanent disability.* If a borrower meets the requirements in § 685.213(c), the Secretary discharges the obligation of the borrower and any endorser to make any further payments on the loan.

(c) *Bankruptcy.* If a borrower's obligation to repay a loan is discharged in bankruptcy, the Secretary does not require the borrower to make any further payments on the loan.

(d) *Closed schools.* If a borrower meets the requirements in § 685.214, the Secretary discharges the obligation of the borrower and any endorser to make any further payments on the loan. In

the case of a Direct Consolidation Loan, the Secretary discharges the portion of the consolidation loan equal to the amount of the discharge applicable to any loan disbursed, in whole or in part, on or after January 1, 1986 that was included in the consolidation loan.

(e) *False certification and unauthorized disbursement.* If a borrower meets the requirements in § 685.215, the Secretary discharges the obligation of the borrower and any endorser to make any further payments on the loan. In the case of a Direct Consolidation Loan, the Secretary discharges the portion of the consolidation loan equal to the amount of the discharge applicable to any loan disbursed, in whole or in part, on or after January 1, 1986 that was included in the consolidation loan.

(f) *Unpaid refunds.* If a borrower meets the requirements in § 685.216, the Secretary discharges the obligation of the borrower and any endorser to make any further payments on the amount of the loan equal to the unpaid refund and any accrued interest and other charges associated with the unpaid refund. In the case of a Direct Consolidation Loan, the Secretary discharges the portion of the consolidation loan equal to the amount of the unpaid refund owed on any loan disbursed, in whole or in part, on or after January 1, 1986 that was included in the consolidation loan.

(g) *Payments received after eligibility for discharge—*(1) *For the discharge conditions in paragraphs (a), (c), (d), and (e) of this section.* Upon receipt of acceptable documentation and approval of the discharge request, the Secretary returns to the sender, or, for a discharge based on death, the borrower's estate, any payments received after the date that the eligibility requirements for discharge were met.

(2) *For the discharge condition in paragraph (b) of this section.* Upon making a final determination of eligibility for discharge based on total and permanent disability, the Secretary returns to the sender any payments received after the date the borrower became totally and permanently disabled, as certified under § 685.213(b).

(3) *For the discharge condition in paragraph (f) of this section.* Upon receipt of acceptable documentation and approval of the discharge request, the

Secretary returns to the sender payments received in excess of the amount owed on the loan after applying the unpaid refund.

(h) *Teacher loan forgiveness program.* If a new borrower meets the requirements in § 685.217, the Secretary repays up to \$5,000, or up to \$17,500, of the borrower's Direct Subsidized Loans, Direct Unsubsidized Loans, and, in certain cases, Direct Consolidation Loans.

(i) *September 11 survivors discharge.* If a borrower meets the requirements in § 685.218, the Secretary discharges the obligation of the borrower and any endorser to make any further payments—

(1) On an eligible Direct Loan if the borrower qualifies as the spouse of an eligible public servant;

(2) On the portion of a joint Direct Consolidation Loan incurred on behalf of an eligible victim, if the borrower qualifies as the spouse of an eligible victim;

(3) On a Direct PLUS Loan incurred on behalf of an eligible victim if the borrower qualifies as an eligible parent; and

(4) On the portion of a Direct Consolidation Loan that repaid a PLUS loan incurred on behalf of an eligible victim, if the borrower qualifies as an eligible parent.

§ 685.213 Total and permanent disability discharge.

(a) *General.* (1) If the Secretary makes an initial determination that a borrower is totally and permanently disabled, the Secretary—

(i) Notifies the borrower that the loan will be in a conditional discharge status for up to three years from the date that the borrower became totally and permanently disabled, as certified under § 685.213(b). The Secretary also notifies the borrower of the conditions of the conditional discharge period, and

that all or part of the three-year conditional discharge period may predate the Secretary's initial determination.

(ii) Suspends any efforts to collect on the loan from the date of the initial determination described in paragraph (a)(1) of this section until the end of the conditional discharge period.

(2) If the borrower continues to meet the eligibility requirements for total and permanent disability discharge during and at the end of the three-year conditional discharge period, the Secretary—

(i) Discharges the obligation of the borrower and any endorser to make any further payments on the loan at the end of that period; and

(ii) Returns to the borrower any payments received after the date the borrower became totally and permanently disabled, as certified under § 685.213(b).

(3) If the borrower does not continue to meet the eligibility requirements for a total and permanent disability discharge at any time during or at the end of the three-year conditional discharge period, the Secretary resumes collection activity on the loan. The Secretary does not require the borrower to pay any interest that accrued on the loan from the date of the initial determination described in paragraph (a)(1) of this section through the end of the conditional discharge period.

(4) Except as provided in paragraph (e)(1) of this section, a borrower is not considered totally and permanently disabled based on a condition that existed at the time the loan was made, unless the borrower's condition substantially deteriorated after the loan was made so as to render the borrower totally and permanently disabled.

(b) *Initial determination of total and permanent disability.* The Secretary makes an initial determination that a borrower is totally and permanently disabled if the borrower (or the borrower's representative) provides the Secretary with a certification (on a form approved by the Secretary) by a physician who is a doctor of medicine or osteopathy and legally authorized to practice in a State that the borrower is totally and permanently disabled as defined in 34 CFR 682.200(b).

(c) *Eligibility requirements for total and permanent disability discharge.* A bor-

rower meets the eligibility requirements for total and permanent disability discharge if, during and at the end of the three-year conditional discharge period described in paragraph (a)(1) of this section—

(1) The borrower's annual earnings from employment do not exceed 100 percent of the poverty line for a family of two, as determined in accordance with the Community Service Block Grant Act; and

(2) The borrower does not receive a new loan under the Perkins, FFEL, or Direct Loan programs, except for a FFEL or Direct consolidation loan that does not include any loans that are in a conditional discharge status.

(d) *Conditional discharge period.* During the conditional discharge period described in paragraph (a)(1) of this section, the borrower—

(1) Is not required to make any payments of principal or interest on the loan beginning on the date the Secretary makes an initial determination that the borrower is totally and permanently disabled;

(2) Is not considered to be delinquent or in default on the loan, unless the loan was delinquent or in default at the time the conditional discharge was granted;

(3) Must promptly notify the Secretary of any changes in the borrower's address or telephone number;

(4) Must promptly notify the Secretary if the borrower's annual earnings from employment exceed the amount specified in paragraph (c)(1) of this section; and

(5) Must provide the Secretary, upon request, with additional documentation or information related to the borrower's eligibility for discharge under this section.

(e) *Provisions for discharge of Direct Consolidation Loans.* (1) For a Direct Consolidation Loan, a borrower is considered totally and permanently disabled if he or she would be considered totally and permanently disabled under the provisions of this section for all of the loans that were included in the Direct Consolidation Loan if those loans had not been consolidated.

(2) For the purposes of discharging a loan under paragraph (e)(1) of this section, the provisions of this section

apply to each loan included in the Direct Consolidation Loan, even if the loan is not a Direct Loan Program loan.

(3) If requested, a borrower seeking to discharge a loan obligation under paragraph (e)(1) of this section must provide the Secretary with the disbursement dates of the underlying loans.

§ 685.214 Closed school discharge.

(a) *General.* (1) The Secretary discharges the borrower's (and any endorser's) obligation to repay a Direct Loan in accordance with the provisions of this section if the borrower (or the student on whose behalf a parent borrowed) did not complete the program of study for which the loan was made because the school at which the borrower (or student) was enrolled closed, as described in paragraph (c) of this section.

(2) For purposes of this section—

(i) A school's closure date is the date that the school ceases to provide educational instruction in all programs, as determined by the Secretary; and

(ii) "School" means a school's main campus or any location or branch of the main campus.

(b) *Relief pursuant to discharge.* (1) Discharge under this section relieves the borrower of any past or present obligation to repay the loan and any accrued charges or collection costs with respect to the loan.

(2) The discharge of a loan under this section qualifies the borrower for reimbursement of amounts paid voluntarily or through enforced collection on the loan.

(3) The Secretary does not regard a borrower who has defaulted on a loan discharged under this section as in default on the loan after discharge, and such a borrower is eligible to receive assistance under programs authorized by title IV of the Act.

(4) The Secretary reports the discharge of a loan under this section to all credit reporting agencies to which the Secretary previously reported the status of the loan.

(c) *Borrower qualification for discharge.* In order to qualify for discharge of a

loan under this section, a borrower shall submit to the Secretary a written request and sworn statement, and the factual assertions in the statement must be true. The statement need not be notarized but must be made by the borrower under penalty of perjury. In the statement, the borrower shall—

(1) State that the borrower (or the student on whose behalf a parent borrowed)—

(i) Received the proceeds of a loan, in whole or in part, on or after January 1, 1986 to attend a school;

(ii) Did not complete the program of study at that school because the school closed while the student was enrolled, or the student withdrew from the school not more than 90 days before the school closed (or longer in exceptional circumstances); and

(iii) Did not complete the program of study through a teach-out at another school or by transferring academic credits or hours earned at the closed school to another school;

(2) State whether the borrower (or student) has made a claim with respect to the school's closing with any third party, such as the holder of a performance bond or a tuition recovery program, and, if so, the amount of any payment received by the borrower (or student) or credited to the borrower's loan obligation; and

(3) State that the borrower (or student)—

(i) Agrees to provide to the Secretary upon request other documentation reasonably available to the borrower that demonstrates that the borrower meets the qualifications for discharge under this section; and

(ii) Agrees to cooperate with the Secretary in enforcement actions in accordance with paragraph (d) of this section and to transfer any right to recovery against a third party to the Secretary in accordance with paragraph (e) of this section.

(d) *Cooperation by borrower in enforcement actions.* (1) In order to obtain a discharge under this section, a borrower shall cooperate with the Secretary in any judicial or administrative proceeding brought by the Secretary to recover amounts discharged or to take other enforcement action with respect to the conduct on which

the discharge was based. At the request of the Secretary and upon the Secretary's tendering to the borrower the fees and costs that are customarily provided in litigation to reimburse witnesses, the borrower shall—

(i) Provide testimony regarding any representation made by the borrower to support a request for discharge;

(ii) Produce any documents reasonably available to the borrower with respect to those representations; and

(iii) If required by the Secretary, provide a sworn statement regarding those documents and representations.

(2) The Secretary denies the request for a discharge or revokes the discharge of a borrower who—

(i) Fails to provide the testimony, documents, or a sworn statement required under paragraph (d)(1) of this section; or

(ii) Provides testimony, documents, or a sworn statement that does not support the material representations made by the borrower to obtain the discharge.

(e) *Transfer to the Secretary of borrower's right of recovery against third parties.* (1) Upon discharge under this section, the borrower is deemed to have assigned to and relinquished in favor of the Secretary any right to a loan refund (up to the amount discharged) that the borrower (or student) may have by contract or applicable law with respect to the loan or the enrollment agreement for the program for which the loan was received, against the school, its principals, its affiliates and their successors, its sureties, and any private fund, including the portion of a public fund that represents funds received from a private party.

(2) The provisions of this section apply notwithstanding any provision of State law that would otherwise restrict transfer of those rights by the borrower (or student), limit or prevent a transferee from exercising those rights, or establish procedures or a scheme of distribution that would prejudice the Secretary's ability to recover on those rights.

(3) Nothing in this section limits or forecloses the borrower's (or student's) right to pursue legal and equitable relief regarding disputes arising from

matters unrelated to the discharged Direct Loan.

(f) *Discharge procedures.* (1) After confirming the date of a school's closure, the Secretary identifies any Direct Loan borrower (or student on whose behalf a parent borrowed) who appears to have been enrolled at the school on the school closure date or to have withdrawn not more than 90 days prior to the closure date.

(2) If the borrower's current address is known, the Secretary mails the borrower a discharge application and an explanation of the qualifications and procedures for obtaining a discharge. The Secretary also promptly suspends any efforts to collect from the borrower on any affected loan. The Secretary may continue to receive borrower payments.

(3) If the borrower's current address is unknown, the Secretary attempts to locate the borrower and determines the borrower's potential eligibility for a discharge under this section by consulting with representatives of the closed school, the school's licensing agency, the school's accrediting agency, and other appropriate parties. If the Secretary learns the new address of a borrower, the Secretary mails to the borrower a discharge application and explanation and suspends collection, as described in paragraph (f)(2) of this section.

(4) If a borrower fails to submit the written request and sworn statement described in paragraph (c) of this section within 60 days of the Secretary's mailing the discharge application, the Secretary resumes collection and grants forbearance of principal and interest for the period in which collection activity was suspended. The Secretary may capitalize any interest accrued and not paid during that period.

(5) If the Secretary determines that a borrower who requests a discharge meets the qualifications for a discharge, the Secretary notifies the borrower in writing of that determination.

(6) If the Secretary determines that a borrower who requests a discharge does

§ 685.215

34 CFR Ch. VI (7–1–07 Edition)

not meet the qualifications for a discharge, the Secretary notifies that borrower in writing of that determination and the reasons for the determination.

§ 685.215 Discharge for false certification of student eligibility or unauthorized payment.

(a) *Basis for discharge*—(1) *False certification.* The Secretary discharges a borrower's (and any endorser's) obligation to repay a Direct Loan in accordance with the provisions of this section if a school falsely certifies the eligibility of the borrower (or the student on whose behalf a parent borrowed) to receive the loan. The Secretary considers a student's eligibility to borrow to have been falsely certified by the school if the school—

(i) Certified the student's eligibility for a Direct Loan on the basis of ability to benefit from its training and the student did not meet the eligibility requirements described in 34 CFR part 668 and section 484(d) of the Act, as applicable;

(ii) Signed the borrower's name on the loan application or promissory note without the borrower's authorization; or

(iii) Certified the eligibility of a student who, because of a physical or mental condition, age, criminal record, or other reason accepted by the Secretary, would not meet the requirements for employment (in the student's State of residence when the loan was originated) in the occupation for which the training program supported by the loan was intended.

(iv) Certified the individual's eligibility for a Direct Loan as a result of the crime of identity theft committed against the individual, as that crime is defined in § 682.402(e)(14).

(2) *Unauthorized payment.* The Secretary discharges a borrower's (and any endorser's) obligation to repay a Direct Loan if the school, without the borrower's authorization, endorsed the borrower's loan check or signed the

borrower's authorization for electronic funds transfer, unless the proceeds of the loan were delivered to the student or applied to charges owed by the student to the school.

(b) *Relief pursuant to discharge.* (1) Discharge for false certification under paragraph (a)(1) of this section relieves the borrower of any past or present obligation to repay the loan and any accrued charges and collection costs with respect to the loan.

(2) Discharge for unauthorized payment under paragraph (a)(2) of this section relieves the borrower of the obligation to repay the amount of the payment discharged.

(3) The discharge under this section qualifies the borrower for reimbursement of amounts paid voluntarily or through enforced collection on the discharged loan or payment.

(4) The Secretary does not regard a borrower who has defaulted on a loan discharged under this section as in default on the loan after discharge, and such a borrower is eligible to receive assistance under programs authorized by title IV of the Act.

(5) The Secretary reports the discharge under this section to all credit reporting agencies to which the Secretary previously reported the status of the loan.

(c) *Borrower qualification for discharge.* In order to qualify for discharge under this section, the borrower shall submit to the Secretary a written request and a sworn statement, and the factual assertions in the statement must be true. The statement need not be notarized but must be made by the borrower under penalty of perjury. In the statement, the borrower shall meet the requirements in paragraphs (c) (1) through (6) of this section.

(1) *Ability to benefit.* In the case of a borrower requesting a discharge based on defective testing of the student's ability to benefit, the borrower shall state that the borrower (or the student on whose behalf a parent borrowed)—

(i) Received a disbursement of a loan, in whole or in part, on or after January 1, 1986 to attend a school; and

(ii) Received a Direct Loan at that school on the basis of an ability to benefit from the school's training and did not meet the eligibility requirements

described in 34 CFR part 668 and section 484(d) of the Act, as applicable;

(2) *Unauthorized loan.* In the case of a borrower requesting a discharge because the school signed the borrower's name on the loan application or promissory note without the borrower's authorization, the borrower shall—

(i) State that he or she did not sign the document in question or authorize the school to do so; and

(ii) Provide five different specimens of his or her signature, two of which must be within one year before or after the date of the contested signature.

(3) *Unauthorized payment.* In the case of a borrower requesting a discharge because the school, without the borrower's authorization, endorsed the borrower's loan check or signed the borrower's authorization for electronic funds transfer, the borrower shall—

(i) State that he or she did not endorse the loan check or sign the authorization for electronic funds transfer or authorize the school to do so;

(ii) Provide five different specimens of his or her signature, two of which must be within one year before or after the date of the contested signature;

(iii) State that the proceeds of the contested disbursement were not delivered to the student or applied to charges owed by the student to the school.

(4) *Identity theft.* In the case of an individual whose eligibility to borrow was falsely certified because he or she was a victim of the crime of identity theft and is requesting a discharge, the individual shall—

(i) Certify that the individual did not sign the promissory note, or that any other means of identification used to obtain the loan was used without the authorization of the individual claiming relief;

(ii) Certify that the individual did not receive or benefit from the proceeds of the loan with knowledge that the loan had been made without the authorization of the individual;

(iii) Provide a copy of a local, State, or Federal court verdict or judgment that conclusively determines that the individual who is named as the borrower of the loan was the victim of a crime of identity theft; and

(iv) If the judicial determination of the crime does not expressly state that the loan was obtained as a result of the crime of identity theft, provide—

(A) Authentic specimens of the signature of the individual, as provided in paragraph (c)(2)(ii), or of other means of identification of the individual, as applicable, corresponding to the means of identification falsely used to obtain the loan; and

(B) A statement of facts that demonstrate, to the satisfaction of the Secretary, that eligibility for the loan in question was falsely certified as a result of the crime of identity theft committed against that individual.

(5) *Claim to third party.* The borrower shall state whether the borrower (or student) has made a claim with respect to the school's false certification or unauthorized payment with any third party, such as the holder of a performance bond or a tuition recovery program, and, if so, the amount of any payment received by the borrower (or student) or credited to the borrower's loan obligation.

(6) *Cooperation with Secretary.* The borrower shall state that the borrower (or student)—

(i) Agrees to provide to the Secretary upon request other documentation reasonably available to the borrower that demonstrates that the borrower meets the qualifications for discharge under this section; and

(ii) Agrees to cooperate with the Secretary in enforcement actions as described in § 685.214(d) and to transfer any right to recovery against a third party to the Secretary as described in § 685.214(e).

(7) *Discharge without an application.* The Secretary may discharge a loan under this section without an application from the borrower if the Secretary determines, based on information in the Secretary's possession, that the borrower qualifies for a discharge.

(d) *Discharge procedures.* (1) If the Secretary determines that a borrower's Direct Loan may be eligible for a discharge under this section, the Secretary mails the borrower a disclosure application and an explanation of the qualifications and procedures for obtaining a discharge. The Secretary also

promptly suspends any efforts to collect from the borrower on any affected loan. The Secretary may continue to receive borrower payments.

(2) If the borrower fails to submit the written request and sworn statement described in paragraph (c) of this section within 60 days of the Secretary's mailing the disclosure application, the Secretary resumes collection and grants forbearance of principal and interest for the period in which collection activity was suspended. The Secretary may capitalize any interest accrued and not paid during that period.

(3) If the borrower submits the written request and sworn statement described in paragraph (c) of the section, the Secretary determines whether to grant a request for discharge under this section by reviewing the request and sworn statement in light of information available from the Secretary's records and from other sources, including guaranty agencies, State authorities, and cognizant accrediting associations.

(4) If the Secretary determines that the borrower meets the applicable requirements for a discharge under paragraph (c) of this section, the Secretary notifies the borrower in writing of that determination.

(5) If the Secretary determines that the borrower does not qualify for a discharge, the Secretary notifies the borrower in writing of that determination and the reasons for the determination.

§ 685.216 Unpaid refund discharge.

(a)(1) *Unpaid refunds in closed school situations.* In the case of a school that has closed, the Secretary discharges a former or current borrower's (and any endorser's) obligation to repay that portion of a Direct Loan equal to the refund that should have been made by the school under applicable law and regulations, including this section. Any accrued interest and other charges

associated with the unpaid refund are also discharged.

(2) *Unpaid refunds in open school situations.* (i) In the case of a school that is open, the Secretary discharges a former or current borrower's (and any endorser's) obligation to repay that portion of a Direct Loan equal to the refund that should have been made by the school under applicable law and regulations, including this section, if—

(A) The borrower (or the student on whose behalf a parent borrowed) is not attending the school that owes the refund;

(B) The borrower has been unable to resolve the unpaid refund with the school; and

(C) The Secretary is unable to resolve the unpaid refund with the school within 120 days from the date the borrower submits a complete application in accordance with paragraph (c)(1) of this section regarding the unpaid refund. Any accrued interest and other charges associated with the unpaid refund are also discharged.

(ii) For the purpose of paragraph (a)(2)(i)(C) of this section, within 60 days of the date notified by the Secretary, the school must submit to the Secretary documentation demonstrating that the refund was made by the school or that the refund was not required to be made by the school.

(b) *Relief to borrower following discharge.* (1) If the borrower receives a discharge of a portion of a loan under this section, the borrower is reimbursed for any amounts paid in excess of the remaining balance of the loan (including accrued interest and other charges) owed by the borrower at the time of discharge.

(2) The Secretary reports the discharge of a portion of a loan under this section to all credit reporting agencies to which the Secretary previously reported the status of the loan.

(c) *Borrower qualification for discharge.*

(1) Except as provided in paragraph (c)(2) of this section, to receive a discharge of a portion of a loan under this section, a borrower must submit a written application to the Secretary. The application requests the information required to calculate the amount of the discharge and requires the borrower to sign a statement swearing to

the accuracy of the information in the application. The statement need not be notarized but must be made by the borrower under penalty of perjury. In the statement, the borrower must—

(i) State that the borrower (or the student on whose behalf a parent borrowed)—

(A) Received the proceeds of a loan, in whole or in part, on or after January 1, 1986 to attend a school;

(B) Did not attend, withdrew, or was terminated from the school within a timeframe that entitled the borrower to a refund; and

(C) Did not receive the benefit of a refund to which the borrower was entitled either from the school or from a third party, such as the holder of a performance bond or a tuition recovery program;

(ii) State whether the borrower (or student) has any other application for discharge pending for this loan; and

(iii) State that the borrower (or student)—

(A) Agrees to provide to the Secretary upon request other documentation reasonably available to the borrower that demonstrates that the borrower meets the qualifications for discharge under this section; and

(B) Agrees to cooperate with the Secretary in enforcement actions as described in § 685.214(d) and to transfer any right to recovery against a third party to the Secretary as described in § 685.214(e).

(2) The Secretary may discharge a portion of a loan under this section without an application if the Secretary determines, based on information in the Secretary's possession, that the borrower qualifies for a discharge.

(d) *Determination of amount eligible for discharge.* (1) The Secretary determines the amount eligible for discharge based on information showing the refund amount or by applying the appropriate refund formula to information that the borrower provides or that is otherwise available to the Secretary. For purposes of this section, all unpaid refunds are considered to be attributed to loan proceeds.

(2) If the information in paragraph (d)(1) of this section is not available, the Secretary uses the following for-

mulas to determine the amount eligible for discharge:

(i) In the case of a student who fails to attend or whose withdrawal or termination date is before October 7, 2000 and who completes less than 60 percent of the loan period, the Secretary discharges the lesser of the institutional charges unearned or the loan amount. The Secretary determines the amount of the institutional charges unearned by—

(A) Calculating the ratio of the amount of time remaining in the loan period after the student's last day of attendance to the actual length of the loan period; and

(B) Multiplying the resulting factor by the institutional charges assessed the student for the loan period.

(ii) In the case of a student who fails to attend or whose withdrawal or termination date is on or after October 7, 2000 and who completes less than 60 percent of the loan period, the Secretary discharges the loan amount unearned. The Secretary determines the loan amount unearned by—

(A) Calculating the ratio of the amount of time remaining in the loan period after the student's last day of attendance to the actual length of the loan period; and

(B) Multiplying the resulting factor by the total amount of title IV grants and loans received by the student, or, if unknown, the loan amount.

(iii) In the case of a student who completes 60 percent or more of the loan period, the Secretary does not discharge any amount because a student who completes 60 percent or more of the loan period is not entitled to a refund.

(e) *Discharge procedures.* (1) Except as provided in paragraph (c)(2) of this section, if the Secretary learns that a school did not make a refund of loan proceeds owed under applicable law and regulations, the Secretary sends the borrower a discharge application and an explanation of the qualifications and procedures for obtaining a discharge. The Secretary also promptly suspends any efforts to collect from the borrower on any affected loan. The Secretary may continue to receive borrower payments.

(2) If a borrower who is sent a discharge application fails to submit the application within 60 days of the Secretary's sending the discharge application, the Secretary resumes collection and grants forbearance of principal and interest for the period in which collection activity was suspended. The Secretary may capitalize any interest accrued and not paid during that period.

(3) If a borrower qualifies for a discharge, the Secretary notifies the borrower in writing. The Secretary resumes collection and grants forbearance of principal and interest on the portion of the loan not discharged for the period in which collection activity was suspended. The Secretary may capitalize any interest accrued and not paid during that period.

(4) If a borrower does not qualify for a discharge, the Secretary notifies the borrower in writing of the reasons for the determination. The Secretary resumes collection and grants forbearance of principal and interest for the period in which collection activity was suspended. The Secretary may capitalize any interest accrued and not paid during that period.

§ 685.217 Teacher loan forgiveness program.

(a) *General.* The teacher loan forgiveness program is intended to encourage individuals to enter and continue in the teaching profession. For new borrowers, the Secretary repays the amount specified in this paragraph on the borrower's subsidized and unsubsidized Federal Stafford Loans, Direct Subsidized Loans, Direct Unsubsidized Loans, and in certain cases, Federal Consolidation Loans or Direct Consolidation Loans. The forgiveness program is only available to a borrower who has no outstanding loan balance under the FFEL Program or the Direct Loan Program on October 1, 1998 or who has no outstanding loan balance on the date he or she obtains a loan after October 1, 1998. The borrower must have been

employed as a full-time teacher for five consecutive complete academic years, at least one of which was after the 1997-1998 academic year, in certain eligible elementary or secondary schools that serve low-income families. All borrowers eligible for teacher loan forgiveness may receive loan forgiveness of up to a combined total of \$5,000 on the borrower's eligible FFEL and Direct Loan Program loans. If the borrower taught for five consecutive years as a highly qualified mathematics or science teacher in an eligible secondary school, or as a highly qualified special education teacher in an eligible elementary or secondary school, the borrower may receive loan forgiveness of up to a combined total of \$17,500 on the borrower's eligible FFEL and Direct Loan Program loans. The loan for which the borrower is seeking forgiveness must have been made prior to the end of the borrower's fifth year of qualifying teaching service.

(b) *Definitions.* The following definitions apply to this section:

Academic year means one complete school year at the same school, or two complete and consecutive half years at different schools, or two complete and consecutive half years from different school years at either the same school or different schools. Half years exclude summer sessions and generally fall within a twelve-month period. For schools that have a year-round program of instruction, a minimum of nine months is considered an academic year.

Elementary school means a public or nonprofit private school that provides elementary education as determined by State law or the Secretary if that school is not in a State.

Full-time means the standard used by a State in defining full-time employment as a teacher. For a borrower teaching in more than one school, the determination of full-time is based on the combination of all qualifying employment.

Highly qualified means highly qualified as defined in section 9101 of the Elementary and Secondary Education Act of 1965, as amended.

Secondary school means a public or nonprofit private school that provides secondary education as determined by

State law or the Secretary if the school is not in a State.

Teacher means a person who provides direct classroom teaching or classroom-type teaching in a non-classroom setting, including Special Education teachers.

(c) *Borrower eligibility.* (1) A borrower may obtain loan forgiveness under this program if he or she has been employed as a full-time teacher for five consecutive complete academic years, at least one of which was after the 1997–1998 academic year, in an elementary or secondary school that—

(i) Is in a school district that qualifies for funds under title I of the Elementary and Secondary Education Act of 1965, as amended;

(ii) Has been selected by the Secretary based on a determination that more than 30 percent of the school's total enrollment is made up of children who qualify for services provided under title I; and

(iii) Is listed in the *Annual Directory of Designated Low-Income Schools for Teacher Cancellation Benefits*. If this directory is not available before May 1 of any year, the previous year's directory may be used. The Secretary considers all elementary and secondary schools operated by the Bureau of Indian Affairs (BIA) or operated on Indian reservations by Indian tribal groups under contract with the BIA to qualify as schools serving low-income students.

(2) If the school at which the borrower is employed meets the requirements specified in paragraph (c)(1) of this section for at least one year of the borrower's five consecutive complete academic years of teaching and the school failed to meet those requirements in subsequent years, those subsequent years of teaching qualify for purposes of this section for that borrower.

(3) In the case of a borrower whose five consecutive complete years of qualifying teaching service began before October 30, 2004, the borrower—

(i) May receive up to \$5,000 of loan forgiveness if the borrower—

(A) Demonstrated knowledge and teaching skills in reading, writing, mathematics, and other areas of the elementary school curriculum, as certified by the chief administrative offi-

cer of the eligible elementary school in which the borrower was employed; or

(B) Taught in a subject area that is relevant to the borrower's academic major as certified by the chief administrative officer of the eligible secondary school in which the borrower was employed.

(ii) May receive up to \$17,500 of loan forgiveness if the borrower—

(A) Taught mathematics or science on a full-time basis in an eligible secondary school and was a highly qualified mathematics or science teacher; or

(B) Taught as a special education teacher on a full-time basis to children with disabilities in an eligible elementary or secondary school and was a highly qualified special education teacher whose special education training corresponded to the children's disabilities and who has demonstrated knowledge and teaching skills in the content areas of the elementary or secondary school curriculum.

(4) In the case of a borrower whose five consecutive years of qualifying teaching service began on or after October 30, 2004, the borrower—

(i) May receive up to \$5,000 of loan forgiveness if the borrower taught full time in an eligible elementary or secondary school and was a highly qualified elementary or secondary school teacher.

(ii) May receive up to \$17,500 of loan forgiveness if the borrower—

(A) Taught mathematics or science on a full-time basis in an eligible secondary school and was a highly qualified mathematics or science teacher; or

(B) Taught as a special education teacher on a full-time basis to children with disabilities in an eligible elementary or secondary school and was a highly qualified special education teacher whose special education training corresponded to the children's disabilities and who has demonstrated knowledge and teaching skills in the content areas of the elementary or secondary school curriculum.

(5) To qualify for loan forgiveness as a highly qualified teacher, the teacher must have been a highly qualified teacher for all five years of eligible teaching service.

(6) For teacher loan forgiveness applications received by the Secretary on

or after July 1, 2006, a teacher in a private, non-profit elementary or secondary school who is exempt from State certification requirements unless otherwise applicable under State law may qualify for loan forgiveness under paragraphs (c)(3)(ii) or (c)(4) of this section if—

(i) The private school teacher is permitted to and does satisfy rigorous subject knowledge and skills tests by taking competency tests in applicable grade levels and subject areas;

(ii) The competency tests are recognized by 5 or more States for the purposes of fulfilling the highly qualified teacher requirements under section 9101 of the Elementary and Secondary Education Act of 1965; and

(iii) The private school teacher achieves a score on each test that equals or exceeds the average passing score for those 5 states.

(7) The academic year may be counted as one of the borrower's five consecutive complete academic years if the borrower completes at least one-half of the academic year and the borrower's employer considers the borrower to have fulfilled his or her contract requirements for the academic year for the purposes of salary increases, tenure, and retirement if the borrower is unable to complete an academic year due to—

(i) A return to postsecondary education, on at least a half-time basis, that is directly related to the performance of the service described in this section;

(ii) A condition that is covered under the Family and Medical Leave Act of 1993 (FMLA) (19 U.S.C. 2654); or

(iii) A call or order to active duty status for more than 30 days as a member of a reserve component of the Armed Forces named in section 10101 of title 10, United States Code.

(8) If a borrower meets the requirements of paragraph (c)(7) of this section, the borrower's period of postsecondary education, active duty, or qualifying FMLA condition including the time necessary for the borrower to resume qualifying teaching no later than the beginning of the next regularly scheduled academic year, does not constitute a break in the required

five consecutive years of qualifying teaching service.

(9) A borrower who teaches in more than one qualifying school during an academic year and demonstrates that the combined teaching was the equivalent of full-time, as supported by the certification of one or more of the chief administrative officers of the schools involved, is considered to have completed one academic year of qualifying teaching.

(10) A borrower is not eligible for teacher loan forgiveness on a defaulted loan unless the borrower has made satisfactory repayment arrangements to re-establish title IV eligibility, as defined in § 685.200(b).

(11) A borrower may not receive loan forgiveness for qualifying teaching service under this section if the borrower receives a benefit for the same teaching service under subtitle D of title I of the National and Community Service Act of 1990.

(d) *Forgiveness amount.* (1) A qualified borrower is eligible for forgiveness of up to \$5,000, or up to \$17,500 if the borrower meets the requirements of paragraphs (c)(3)(ii) or (c)(4)(ii) of this section. The forgiveness amount is deducted from the aggregate amount of the borrower's Direct Subsidized Loan or Direct Unsubsidized Loan or Direct Consolidation Loan obligation that is outstanding after the borrower completes his or her fifth consecutive complete academic year of teaching as described in paragraph (c) of this section. Only the outstanding portion of the Direct Consolidation Loan that was used to repay an eligible subsidized or unsubsidized Federal Stafford Loan, an eligible Direct Subsidized Loan, or an eligible Direct Unsubsidized Loan qualifies for loan forgiveness under this section.

(2) A borrower may not receive more than a total of \$5,000, or \$17,500 if the borrower meets the requirements of paragraphs (c)(3)(ii) or (c)(4)(ii) of this section, in loan forgiveness for outstanding principal and accrued interest under both this section and under section 34 CFR 682.215.

(3) The Secretary does not refund payments that were received from or on behalf of a borrower who qualifies for loan forgiveness under this section.

(e) *Application.* (1) A borrower, after completing the qualifying teacher service, must request loan forgiveness from the Secretary on a form provided by the Secretary.

(2) If the Secretary determines that the borrower meets the eligibility requirements for loan forgiveness under this section, the Secretary—

(i) Notifies the borrower of this determination; and

(ii) Unless otherwise instructed by the borrower, applies the proceeds of the loan forgiveness first to any outstanding Direct Unsubsidized Loan balances, next to any outstanding Direct Subsidized Loan balances, next to any qualifying Direct Unsubsidized Consolidation Loan balances, and last to any qualifying outstanding Direct Subsidized Consolidation Loan balances.

(3) If the Secretary determines that the borrower does not meet the eligibility requirements for loan forgiveness under this section, the Secretary notifies the borrower of this determination.

Except as provided in 34 CFR part 668, subpart E, a school may rely in good faith upon statements made in the application by the student.

(2) A school shall provide to the Secretary borrower information that includes but is not limited to—

(i) The borrower's eligibility for a loan, as determined in accordance with § 685.200 and § 685.203;

(ii) The student's loan amount; and

(iii) The anticipated and actual disbursement date or dates and disbursement amounts of the loan proceeds.

(3) A school may not originate a Direct Subsidized, Direct Unsubsidized, or Direct PLUS Loan, or a combination of loans, for an amount that—

(i) The school has reason to know would result in the borrower exceeding the annual or maximum loan amounts in § 685.203; or

(ii) Exceeds the student's estimated cost of attendance less—

(A) The student's estimated financial assistance for that period; and

(B) In the case of a Direct Subsidized Loan, the borrower's expected family contribution for that period.

(4)(i) A school determines a Direct Subsidized or Direct Unsubsidized Loan amount in accordance with § 685.203.

(ii) When prorating a loan amount for a student enrolled in a program of study with less than a full academic year remaining, the school need not recalculate the amount of the loan if the

number of hours for which an eligible student is enrolled changes after the school originates the loan.

(5) The date of loan origination is the date a school creates the electronic loan origination record.

(6) If a student has received a determination of need for a Direct Subsidized Loan that is \$200 or less, a school may choose not to originate a Direct Subsidized Loan for that student and to include the amount as part of a Direct Unsubsidized Loan.

(7) A school may refuse to originate a Direct Subsidized, Direct Unsubsidized, or Direct PLUS Loan or may reduce the borrower's determination of need for the loan if the reason for that action is documented and provided to the borrower in writing, and if—

(i) The determination is made on a case-by-case basis;

(ii) The documentation supporting the determination is retained in the student's file; and

(iii) The school does not engage in any pattern or practice that results in a denial of a borrower's access to Direct Loans because of the borrower's race, gender, color, religion, national origin, age, disability status, or income.

(8) A school may not assess a fee for the completion or certification of any Direct Loan Program forms or information or for the origination of a Direct Loan.

(9)(i) The minimum period of enrollment for which a school may originate a Direct Loan is—

(A) At a school that measures academic progress in credit hours and uses a semester, trimester, or quarter system, a single academic term (e.g., a semester or quarter); or

(B) At a school that measures academic progress in clock hours, or measures academic progress in credit hours but does not use a semester, trimester, or quarter system, the lesser of—

(1) The length of the student's program at the school; or

(2) The academic year as defined by the school in accordance with 34 CFR 668.3.

(ii) The maximum period for which a school may originate a Direct Loan is—

(A) Generally an academic year, as defined by 34 CFR 668.3, except that a school may use a longer period of time, not to exceed 12 months, corresponding to the period to which the school applies the annual loan limits under § 685.203; or

(B) For a defaulted borrower who has regained eligibility, the academic year in which the borrower regained eligibility.

(b) *Determining disbursement dates and amounts.* (1) Before disbursing a loan, a school that originates loans shall determine that all information required by the loan application and promissory note has been provided by the borrower and, if applicable, the student.

(2) Unless paragraph (b)(5) or (6) of this section applies, an institution must disburse the loan proceeds on a payment period basis in accordance with 34 CFR 668.164(b).

(3) Unless paragraph (b)(4), (5), (6), or (8) of this section applies—

(i) If a loan period is more than one payment period, the school must disburse loan proceeds at least once in each payment period; and

(ii) If a loan period is one payment period, the school must make at least two disbursements during that payment period. The school may not make the second disbursement until the calendar midpoint between the first and last scheduled days of class of the loan period.

(4)(i) If one or more payment periods have elapsed before a school makes a disbursement, the school may include in the disbursement loan proceeds for completed payment periods; or

(ii) If the loan period is equal to one payment period and more than one-half of it has elapsed, the school may include in the disbursement loan proceeds for the entire payment period.

(5)(i) If a school measures academic progress in an educational program in credit hours and either does not use terms or does not use terms that are substantially equal in length for a loan period, the school may not make a second disbursement until the later of—

(A) The calendar midpoint between the first and last scheduled days of class of the loan period; or

(B) The date, as determined by the school, that the student has completed

half of the academic coursework in the loan period.

(ii) For purposes of this paragraph, terms in a loan period are substantially equal in length if no term in the loan period is more than two weeks longer than any other term in that loan period.

(6) If an educational program measures academic progress in clock hours, the school may not make a second disbursement until the later of—

(i) The calendar midpoint between the first and last scheduled days of class of the loan period; or

(ii) The date, as determined by the institution, that the student has completed half of the clock hours in the loan period.

(7) The school must disburse loan proceeds in substantially equal installments, and no installment may exceed one-half of the loan.

(8)(i) A school is not required to make more than one disbursement if—

(A)(I) The loan period is not more than one semester, one trimester, one quarter, or, for non term-based schools or schools with non-standard terms, 4 months; and

(2) The school has a cohort default rate, calculated under subpart M of 34 CFR part 668 of less than 10 percent for each of the three most recent fiscal years for which data are available;

(B) The school is an eligible home institution originating a loan to cover the cost of attendance in a study abroad program and has a cohort default rate, calculated under subpart M of 34 part 668, of less than 5 percent for the single most recent fiscal year for which data are available; or

(C) The school is not in a State.

(ii) Paragraphs (b)(8)(i)(A) and (B) of this section do not apply to any loans originated by the school beginning 30 days after the date the school receives notification from the Secretary of a cohort default rate, calculated under subpart M of 34 CFR part 668, that causes the school to no longer meet the qualifications outlined in paragraph (A) or (B), as applicable.

(iii) Paragraph (b)(8)(i)(B) of this section does not apply to any loans originated by the school beginning 30 days after the date the school receives notification from the Secretary of a cohort

default rate, calculated under subpart M of 34 CFR part 668, that causes the school to no longer meet the qualifications outlined in that paragraph.

(c) *Promissory note handling.* (1) The Secretary provides promissory notes for use in the Direct Loan Program. A school may not modify, or make any additions to, the promissory note without the Secretary's prior written approval.

(2) A school that originates a loan must ensure that the loan is supported by a completed promissory note as proof of the borrower's indebtedness.

(d) *Reporting to the Secretary.* (1) A school that participates under school origination option 2 must submit the promissory note, loan origination record, and initial disbursement record for a loan to the Secretary no later than 30 days following the date of the initial disbursement. The school must submit subsequent disbursement records, including adjustment and cancellation records, to the Secretary no later than 30 days following the date the disbursement, adjustment, or cancellation is made.

(2) A school that participates under school origination option 1 or standard origination must submit the initial disbursement record for a loan to the Secretary no later than 30 days following the date of the initial disbursement. The school must submit subsequent disbursement records, including adjustment and cancellation records, to the Secretary no later than 30 days following the date the disbursement, adjustment, or cancellation is made.

§ 685.302 [Reserved]

§ 685.303 Processing loan proceeds.

(a) *Purpose.* This section establishes rules governing a school's processing of a borrower's Direct Subsidized, Direct

Unsubsidized, or Direct PLUS Loan proceeds. The school shall also comply with any rules for processing loan proceeds contained in 34 CFR part 668.

(b) *General*—(1)(i) *A school that initiates the drawdown of funds.* A school may not disburse loan proceeds to a borrower unless the school has obtained an executed, legally enforceable promissory note from the borrower.

(ii) *A school that does not initiate the drawdown of funds.* A school may disburse loan proceeds only to a borrower for whom the school has received funds from the Secretary.

(2)(i) Except in the case of a late disbursement under paragraph (d) of this section, or as provided in paragraph (b)(2)(iii) of this section, a school may disburse loan proceeds only to a student, or a parent in the case of a PLUS Loan obtained by a parent borrower, if the school determines the student has continuously maintained eligibility in accordance with the provisions of § 685.200 from the beginning of the loan period for which the loan was intended.

(ii) In the event a student delays attending school for a period of time, the school may consider that student to have maintained eligibility for the loan from the first day of the period of enrollment. However, the school must comply with the requirements under paragraph (b)(3) of this section.

(iii) If, after a school makes the first disbursement to a borrower, the student becomes ineligible due solely to the school's loss of eligibility to participate in the title IV programs or the Direct Loan Program, the school may make subsequent disbursements to the borrower as permitted by 34 CFR part 668.

(iv) If, prior to making any disbursement to a borrower, the student temporarily ceases to be enrolled on at least a half-time basis, the school may make a disbursement and any subsequent disbursement to the student if the school determines and documents in the student's file—

(A) That the student has resumed enrollment on at least a half-time basis;

(B) The student's revised cost of attendance; and

(C) That the student continues to qualify for the entire amount of the loan, notwithstanding any reduction in

the student's cost of attendance caused by the student's temporary cessation of enrollment on at least a half-time basis.

(3) If a registered student withdraws or is expelled prior to the first day of classes of the period of enrollment for which the loan is made, or fails to attend school during that period, or if the school is unable for any other reason to document that the student attended school during that period, the school shall notify the Secretary, within 30 days of the date described in § 685.305(a), of the student's withdrawal, expulsion, or failure to attend school, as applicable, and return to the Secretary—

(i) Any loan proceeds credited by the school to the student's account; and

(ii) The amount of payments made by the student to the school, to the extent that they do not exceed the amount of any loan proceeds disbursed by the school to the student.

(4)(i) If a student is enrolled in the first year of an undergraduate program of study and has not previously received a Federal Stafford, Federal Supplemental Loans for Students, Direct Subsidized, or Direct Unsubsidized Loan, a school may not disburse the proceeds of a Direct Subsidized or Direct Unsubsidized Loan until 30 days after the first day of the student's program of study unless—

(A) The school has a cohort default rate, calculated under subpart M of 34 CFR part 668, or weighted average cohort rate of less than 10 percent for each of the three most recent fiscal years for which data are available;

(B) The school is an eligible home institution originating a loan to cover the cost of attendance in a study abroad program and has a Direct Loan Program cohort rate, FFEL cohort default rate, or weighted average cohort rate of less than 5 percent for the single most recent fiscal year for which data are available; or

(C) The school is not in a State.

(ii) Paragraphs (b)(4)(i)(A) and (B) of this section do not apply to any loans originated by the school beginning 30 days after the date the school receives notification from the Secretary of a cohort default rate, calculated under subpart M of 34 CFR part 668, that causes

the school to no longer meet the qualifications outlined in paragraph (A) or (B), as applicable.

(iii) Paragraph (b)(4)(i)(B) of this section does not apply to any loans originated by the school beginning 30 days after the date the school receives notification from the Secretary of a cohort default rate, calculated under Subpart M of 34 CFR part 668, that causes the school to no longer meet the qualifications outlined in that paragraph.

(c) *Processing of the proceeds of a Direct Loan.* Schools shall follow the procedures for disbursing funds in 34 CFR 668.164.

(d) *Late Disbursement.* A school may make a late disbursement according to the provisions found under 34 CFR 668.164(g).

(e) *Treatment of excess loan proceeds.* Before the disbursement of any Direct Subsidized, Direct Unsubsidized, or Direct PLUS Loan proceeds, if a school learns that the borrower will receive or has received financial aid for the period of enrollment for which the loan was intended that exceeds the amount of assistance for which the student is eligible (except for Federal Work-Study Program funds up to \$300), the school shall reduce or eliminate the overaward by either—

(1) Using the student's Direct Unsubsidized, Direct PLUS, or State-sponsored or another non-Federal loan to cover the expected family contribution, if not already done; or

(2) Reducing one or more subsequent disbursements to eliminate the overaward.

§ 685.304 Counseling borrowers.

(a) *Initial counseling.* (1) Except as provided in paragraph (a)(4) of this section, a school must ensure that initial counseling is conducted with each Direct Subsidized Loan or Direct Unsubsidized Loan student borrower prior to making the first disbursement of the

proceeds of a loan to a student borrower unless the student borrower has received a prior Direct Subsidized, Direct Unsubsidized, Federal Stafford, or Federal SLS Loan.

(2) The initial counseling must be in person, by audiovisual presentation, or by interactive electronic means. In each case, the school must ensure that an individual with expertise in the title IV programs is reasonably available shortly after the counseling to answer the student borrower's questions. As an alternative, in the case of a student borrower enrolled in a correspondence program or a study-abroad program approved for credit at the home institution, the student borrower may be provided with written counseling materials before the loan proceeds are disbursed.

(3) The initial counseling must—

(i) Explain the use of a Master Promissory Note (MPN);

(ii) Emphasize to the borrower the seriousness and importance of the repayment obligation the student borrower is assuming;

(iii) Describe the likely consequences of default, including adverse credit reports, garnishment of wages, Federal offset, and litigation;

(iv) Inform the student borrower of sample monthly repayment amounts based on a range of student levels of indebtedness or on the average indebtedness of Direct Subsidized Loan and Direct Unsubsidized Loan borrowers at the same school or in the same program of study at the same school; and

(v) Emphasize that the student borrower is obligated to repay the full amount of the loan even if the student borrower does not complete the program, is unable to obtain employment upon completion, or is otherwise dissatisfied with or does not receive the educational or other services that the student borrower purchased from the school.

(4) A school may adopt an alternative approach for initial counseling as part of the school's quality assurance plan described in § 685.300(b)(9). If a school adopts an alternative approach, it is not required to meet the requirements of paragraphs (a)(1)–(3) of this section unless the Secretary determines that the alternative approach is not ade-

quate for the school. The alternative approach must—

(i) Ensure that each student borrower subject to initial counseling under paragraph (a)(1) of this section is provided written counseling materials that contain the information described in paragraph (a)(3) of this section;

(ii) Be designed to target those student borrowers who are most likely to default on their repayment obligations and provide them more intensive counseling and support services; and

(iii) Include performance measures that demonstrate the effectiveness of the school's alternative approach. These performance measures must include objective outcomes, such as levels of borrowing, default rates, and withdrawal rates.

(5) If initial counseling is conducted through interactive electronic means, a school must take reasonable steps to ensure that each student borrower receives the counseling materials, and participates in and completes the initial counseling.

(6) The school must maintain documentation substantiating the school's compliance with this section for each student borrower.

(b) *Exit counseling.* (1) A school must ensure that exit counseling is conducted with each Direct Subsidized Loan or Direct Unsubsidized Loan borrower shortly before the student borrower ceases at least half-time study at the school.

(2) The exit counseling must be in person, by audiovisual presentation, or by interactive electronic means. In each case, the school must ensure that an individual with expertise in the title IV programs is reasonably available shortly after the counseling to answer the student borrower's questions. As an alternative, in the case of a student borrower enrolled in a correspondence program or a study-abroad program approved for credit at the home institution, the student borrower may be provided with written counseling materials within 30 days after the student borrower completes the program.

(3) If a student borrower withdraws from school without the school's prior knowledge or fails to complete the exit counseling as required, exit counseling

must be provided either through interactive electronic means or by mailing written counseling materials to the student borrower at the student borrower's last known address within 30 days after the school learns that the student borrower has withdrawn from school or failed to complete the exit counseling as required.

(4) The exit counseling must—

(i) Inform the student borrower of the average anticipated monthly repayment amount based on the student borrower's indebtedness or on the average indebtedness of Direct Subsidized Loan and Direct Unsubsidized Loan borrowers at the same school or in the same program of study at the same school;

(ii) Review for the student borrower available repayment options including the standard repayment, extended repayment, graduated repayment, and income contingent repayment plans, and loan consolidation;

(iii) Suggest to the student borrower debt-management strategies that would facilitate repayment;

(iv) Explain to the student borrower how to contact the party servicing the student borrower's Direct Loans;

(v) Meet the requirements described in paragraphs (a)(3)(i), (ii), (iii), and (v) of this section;

(vi) Review for the student borrower the conditions under which the student borrower may defer or forbear repayment or obtain a full or partial discharge of a loan;

(vii) Review for the student borrower information on the availability of the Department's Student Loan Ombudsman's office;

(viii) Inform the student borrower of the availability of title IV loan information in the National Student Loan Data System (NSLDS); and

(ix) Require the student borrower to provide current information concerning name, address, social security number, references, and driver's license number and State of issuance, as well as the student borrower's expected permanent address, the address of the student borrower's next of kin, and the name and address of the student borrower's expected employer (if known).

(5) The school must ensure that the information required in paragraph

(b)(4)(ix) of this section is provided to the Secretary within 60 days after the student borrower provides the information.

(6) If exit counseling is conducted through interactive electronic means, a school must take reasonable steps to ensure that each student borrower receives the counseling materials, and participates in and completes the exit counseling.

(7) The school must maintain documentation substantiating the school's compliance with this section for each student borrower.

(viii) Provide an assurance that the school has no delinquent outstanding debts to the Federal Government, unless—

(A) Those debts are being repaid under or in accordance with a repayment arrangement satisfactory to the Federal Government; or

(B) The Secretary determines that the existence or amount of the debts has not been finally determined by the cognizant Federal agency.

(3) A school that meets the criteria to originate loans may participate under school origination option 1 or 2 or under standard origination.

(b) *Change in origination status.* (1) After the initial determination of a school's origination status, the Secretary may allow a school that does not qualify to originate loans under either origination option 1 or origination option 2 to do so if the Secretary determines that the school is fully capable of originating loans under one of those options.

(2)(i) At any time after the initial determination of a school's origination status, a school participating under origination option 2 may request to change to origination option 1 or standard origination, and a school participating under origination option 1 may request to change to standard origination.

(ii) The change in origination status becomes effective when the school receives notice of the Secretary's approval, unless the Secretary specifies a later date.

(3)(i) A school participating under origination option 1 may apply to participate under option 2, and a school

participating in standard origination may apply to participate under either origination option 1 or 2 after one full year of participation in its initial origination status.

(ii) Applications to participate under another origination option are considered on an annual basis.

(iii) An application to participate under another origination option is evaluated on the basis of criteria and performance standards established by the Secretary, including but not limited to—

(A) Eligibility under paragraph (a)(2) of this section;

(B) Timely submission of accurate origination and disbursement records;

(C) Successful completion of reconciliation on a monthly basis; and

(D) Timely submission of completed and signed promissory notes, if applicable.

(iv) The change in origination status becomes effective when the school receives notice of the Secretary's approval, unless the Secretary specifies a later date.

(c) *Secretarial determination of change in origination status.* (1) At any time after a school has been approved to originate loans, the Secretary may require a school participating under origination option 2 to convert to option 1 or to standard origination and may require a school participating under origination option 1 to convert to standard origination.

(2) The Secretary may require a school to change origination status if the Secretary determines that such a change is necessary to ensure program integrity or if the school fails to meet the criteria and performance standards established by the Secretary, including but not limited to—

(i) For an origination option 1 school, eligibility under paragraph (a)(2) of this section, the timely submission of completed and signed promissory notes and accurate origination and disbursement records, and the successful completion of reconciliation on a monthly basis; and

(3) The change in origination status becomes effective when the school receives notice of the Secretary's approval, unless the Secretary specifies a later date.

(d) *Origination by consortia.* A consortium of schools may participate under origination options 1 or 2 only if all members of the consortium are eligible to participate under paragraph (a)(2) of this section. (e) *School determination of change of Servicer.* (1) The Secretary assigns one or more Servicers to work with a school to perform certain functions relating to the origination and servicing of Direct Loans.

(2) A school may request the Secretary to designate a different Servicer. Documentation of the unsatisfactory performance of the school's current Servicer must accompany the request. The Servicer requested must be one of those approved by the Secretary for participation in the Direct Loan Program.

(3) The Secretary grants the request if the Secretary determines that—

(i) The claim of unsatisfactory performance is accurate and substantial; and

(ii) The Servicer requested by the school can accommodate such a change.

(4) If the Secretary denies the school's request based on a determination under paragraph (e)(3)(ii) of this section, the school may request another Servicer.

(5) The change in Servicer is effective when the school receives notice of the Secretary's approval, unless the Secretary specifies a later date.

(f) *Determination of eligibility for multi-year use of the Master Promissory Note.*

(1) A school must be authorized by the Secretary to use a single Master Promissory Note (MPN) as the basis for all loans borrowed by a student or parent borrower for attendance at that school. A school that is not authorized by the Secretary for multi-year use of the MPN must obtain a new MPN from a student or parent borrower for each academic year.

(2) To be authorized for multi-year use of the MPN, a school must—

(i) Be a four-year or graduate/professional school, or other institution meeting criteria or otherwise designated at the sole discretion of the Secretary; and

(2) *Programs using standard terms with less than 30 weeks of instructional time.* A student's Federal Pell Grant for a payment period is calculated under paragraph (c) or (d) of this section if—

(i) The student is enrolled in an eligible program that—

(A) Measures progress in credit hours;

(B) Is offered in semesters, trimesters, or quarters;

(C) Requires the student to enroll in at least 12 credit hours in each term in the award year to qualify as a full-time student; and

(D) Is not offered with overlapping terms; and

(ii) The institution offering the program—

(A) Provides the program using an academic calendar that includes two semesters or trimesters in the fall through the following spring, or three quarters in the fall, winter, and spring; and

(B) Does not provide at least 30 weeks of instructional time in the terms specified in paragraph (a)(2)(ii)(A) of this section.

(3) *Other programs using terms and credit hours.* A student's Federal Pell Grant for a payment period is calculated under paragraph (d) of this section if the student is enrolled in an eligible program that—

(i) Measures progress in credit hours; and

(ii) Is offered in academic terms other than those described in paragraphs (a)(1) and (a)(2) of this section.

(4) *Programs not using terms or using clock hours.* A student's Federal Pell Grant for any payment period is calculated under paragraph (e) of this section if the student is enrolled in an eligible program that—

(i) Is offered in credit hours but is not offered in academic terms; or

(ii) Is offered in clock hours.

(5) *Programs of study offered by correspondence.* A student's Federal Pell Grant payment for a payment period is calculated under § 690.66 if the program is offered by correspondence courses.

(6) *Programs for which an exception to the academic year definition has been granted under 34 CFR 668.3.* If an institution receives a waiver from the Secretary of the 30 weeks of instructional time requirement under 34 CFR 668.3, an institution may calculate a student's Federal Pell Grant payment for a payment period using the following methodologies:

(i) If the program is offered in terms and credit hours, the institution uses the methodology in—

(A) Paragraph (b) of this section provided that the program meets all the criteria in paragraph (a)(1) of this section, except that in lieu of paragraph (a)(1)(ii)(B) of this section, the program provides at least the same number of weeks of instructional time in the terms specified in paragraph (a)(1)(ii)(A) of this section as are in the program's academic year; or

(B) Paragraph (d) of this section.

(ii) The institution uses the methodology described in paragraph (e) of this section if the program is offered in credit hours without terms or clock hours.

(iii) The institution uses the methodology described in § 690.66 if the program is correspondence study.

(b) *Programs using standard terms with at least 30 weeks of instructional time.* The Federal Pell Grant for a payment period, *i.e.*, an academic term, for a student in a program using standard terms with at least 30 weeks of instructional time in two semesters or trimesters or in three quarters as described in paragraph (a)(1)(ii)(A) of this section, is calculated by—

(1) Determining his or her enrollment status for the term;

(2) Based upon that enrollment status, determining his or her annual award from the Payment Schedule for full-time students or the Disbursement Schedule for three-quarter-time, half-time, or less-than-half-time students; and

(3) Dividing the amount described under paragraph (b)(2) of this section by—

(i) Two at institutions using semesters or trimesters or three at institutions using quarters; or

(ii) The number of terms over which the institution chooses to distribute the student's annual award if—

(A) An institution chooses to distribute all of the student's annual award determined under paragraph (b)(2) of this section over more than two terms at institutions using semesters or trimesters or more than three quarters at institutions using quarters; and

(B) The number of weeks of instructional time in the terms, including the additional term or terms, equals the weeks of instructional time in the program's academic year.

(c) *Programs using standard terms with less than 30 weeks of instructional time.* The Federal Pell Grant for a payment period, *i.e.*, an academic term, for a student in a program using standard terms with less than 30 weeks of instructional time in two semesters or trimesters or in three quarters as described in paragraph (a)(2)(ii)(A) of this section, is calculated by—

(1) Determining his or her enrollment status for the term;

(2) Based upon that enrollment status, determining his or her annual award from the Payment Schedule for full-time students or the Disbursement Schedule for three-quarter-time, half-time, or less-than-half-time students;

(3) Multiplying his or her annual award determined under paragraph (c)(2) of this section by the following fraction as applicable:

In a program using semesters or trimesters—

$$\frac{\text{The number of weeks of instructional time offered in the program in the fall and spring semesters or trimesters}}{\text{The number of weeks in the program's academic year}}$$

The number of weeks in the program's academic year

; or

In a program using quarters—

$$\frac{\text{The number of weeks of instructional time offered in the program in the fall, winter, and spring quarters}}{\text{The number of weeks in the program's academic year}}$$

The number of weeks in the program's academic year

; and

(4)(i) Dividing the amount determined under paragraph (c)(3) of this section by two for programs using semesters or trimesters or three for programs using quarters; or

(ii) Dividing the student's annual award determined under paragraph (c)(2) of this section by the number of terms over which the institution chooses to distribute the student's annual award if—

(A) An institution chooses to distribute all of the student's annual award determined under paragraph (c)(2) of this section over more than two terms for programs using semesters or trimesters or more than three quarters for programs using quarters; and

(B) The number of weeks of instructional time in the terms, including the additional term or terms, equals the weeks of instructional time in the program's academic year definition.

(d) *Other programs using terms and credit hours.* The Federal Pell Grant for a payment period, *i.e.*, an academic term, for a student in a program using terms and credit hours, other than those described in paragraphs (a)(1) or (a)(2) of this section, is calculated by—

(1)(i) For a student enrolled in a semester, trimester, or quarter, determining his or her enrollment status for the term; or

(ii) For a student enrolled in a term other than a semester, trimester, or quarter, determining his or her enrollment status for the term by—

(A) Dividing the number of weeks of instructional time in the term by the

§ 690.64

34 CFR Ch. VI (7–1–07 Edition)

number of weeks of instructional time in the program's academic year;

(B) Multiplying the fraction determined under paragraph (d)(1)(ii)(A) of this section by the number of credit hours in the program's academic year to determine the number of hours required to be enrolled to be considered a full-time student; and

(C) Determining a student's enrollment status by comparing the number of hours in which the student enrolls in the term to the number of hours required to be considered full-time under paragraph (d)(1)(ii)(B) of this section for that term;

(2) Based upon that enrollment status, determining his or her annual award from the Payment Schedule for full-time students or the Disbursement Schedule for three-quarter-time, half-time, or less-than-half-time student; and

(3) Multiplying his or her annual award determined under paragraph (d)(2) of this section by the following fraction:

The number of weeks of instructional
time in the term

—————
The number of weeks of instructional
time in the program's academic year

(e) *Programs using clock hours or credit hours without terms.* The Federal Pell Grant for a payment period for a student in a program using credit hours without terms or using clock hours is calculated by—

(1) Determining the student's Scheduled Federal Pell Grant using the Payment Schedule;

(2) Multiplying the amount determined under paragraph (e)(1) of this section by the lesser of—

(i)

The number of weeks of instructional
time required for a full-time student
to complete the lesser of the clock or
credit hours in the program or
the academic year

—————
The number of weeks of instructional
time in the program's academic year

; or

(ii) One; and

(3) Multiplying the amount determined under paragraph (e)(2) of this section by—

The number of credit or clock hours
in a payment period

—————
The number of credit or clock hours
in the program's academic year

(f) A single disbursement may not exceed 50 percent of any award determined under paragraph (d) or (e) of this section. If a payment for a payment period calculated under paragraphs (d) or (e) of this section would require the disbursement of more than 50 percent of a student's annual award in that payment period, the institution shall make at least two disbursements to the student in that payment period. The institution may not disburse an amount that exceeds 50 percent of the student's annual award until the student has completed the period of time in the payment period that equals, in terms of weeks of instructional time, 50 percent of the weeks of instructional time in the program's academic year.

(g)(1) Notwithstanding paragraphs (b), (c), (d), and (e) of this section and 34 CFR 668.66, the amount of a student's award for an award year may not exceed his or her Scheduled Federal Pell Grant award for that award year except as provided in § 690.67.

(2) For purposes of this section and § 690.66, an institution must define an academic year for each of its eligible programs in terms of the number of credit or clock hours and weeks of instructional time in accordance with the requirements of 34 CFR 668.3.

§ 690.64 Calculation of a Federal Pell Grant for a payment period which occurs in two award years.

(a) If a student enrolls in a payment period which is scheduled to occur in two award years—

(1) The entire payment period must be considered to occur within one award year.

(2) The institution shall determine for each Federal Pell Grant recipient the award year in which the payment

period will be placed subject to the restrictions set forth in paragraph (a)(3) of this section.

(3) The institution shall place a payment period with more than six months scheduled to occur within one award year in that award year.

(4) If an institution places the payment period in the first award year, it shall pay a student with funds from the first award year.

(5) If an institution places the payment period in the second award year, it shall pay a student with funds from the second award year.

(b) An institution may not make a payment which will result in the student receiving more than his or her Scheduled Federal Pell Grant for an award year.

§ 690.65 Transfer student: attendance at more than one institution during an award year.

(a) If a student who receives a Federal Pell Grant at one institution subsequently enrolls at a second institution in the same award year, the student may receive a Federal Pell Grant at the second institution only if—

(1) The student submits a valid SAR to the second institution; or

(2) The second institution obtains a valid ISIR.

(b) The second institution shall calculate the student's award according to § 690.63.

(c) The second institution may pay a Federal Pell Grant only for that portion of the academic year in which a student is enrolled at that institution. The grant amount must be adjusted, if necessary, to ensure that the grant does not exceed the student's Scheduled Federal Pell Grant for that award year except as provided under § 690.67.

(d) If a student's Scheduled Federal Pell Grant at the second institution differs from the Scheduled Federal Pell Grant at the first institution, the grant amount at the second institution is calculated as follows—

(1) The amount received at the first institution is compared to the Scheduled Federal Pell Grant at the first in-

stitution to determine the percentage of the Scheduled Federal Pell Grant that the student has received.

(2) That percentage is subtracted from 100 percent.

(3) The remaining percentage is the percentage of the Scheduled Federal Pell Grant at the second institution to which the student is entitled.

(e) The student's Federal Pell Grant for each payment period is calculated according to the procedures in § 690.63 unless the remaining percentage of the Scheduled Federal Pell Grant at the second institution, referred to in paragraph (d)(3) of this section, is less than the amount the student would normally receive for that payment period. In that case, the student's Federal Pell Grant is equal to that remaining percentage.

(f) A transfer student shall repay any amount received in an award year that exceeds—

(1) His or her Scheduled Federal Pell Grant; or

(2) The amount which he or she was eligible to receive for the award year under § 690.67.

§ 690.66 Correspondence study.

(a) An institution calculates the Federal Pell Grant for a payment period for a student in a program of study offered by correspondence courses without terms, but not including any residential component by—

(1) Determining the student's annual award using the half-time Disbursement Schedule;

(2) Determining the length of the correspondence program in weeks of instructional time by—

(i) Preparing a written schedule for submission of lessons that reflect a workload of at least 12 hours of preparation per week; and

(ii) Determining the number of weeks of instructional time in the program of study using the written schedule for submission of lessons;

(3) Multiplying the annual award determined from the Disbursement Schedule for a half-time student by the lesser of—

§ 690.67

; or

(ii) One; and

(4) Multiplying the amount determined under (a)(3) of this section by—

The number of credit hours in the payment period

The number of credit hours in the program's academic year

(b) For purposes of paragraph (a) of this section—

(1) An academic year as measured in credit hours must consist of 2 payment periods—

(i) The first payment period must be the period of time in which the student completes the lesser of the first half of his or her academic year or program; and

(ii) The second payment period must be the period of time in which the student completes the lesser of the second half of the academic year or program; and

(2)(i) The institution shall make the first payment to a student for an academic year, as calculated under paragraph (a)(4) of this section, after the student submits 25 percent of the lessons or otherwise completes 25 percent of the work scheduled for the program or the academic year, whichever occurs last; and

(ii) The institution shall make the second payment to a student for an academic year, as calculated under (a)(4) of this section, after the student submits 75 percent of the lessons or otherwise completes 75 percent of the work scheduled for the program or the academic year, whichever occurs last.

(c) In a program of correspondence study offered by correspondence courses using terms but not including any residential component—

(1) The institution must prepare a written schedule for submission of lessons that reflects a workload of at least 30 hours of preparation per semester

hour or 20 hours of preparation per quarter hour during the term;

(2)(i) If the student is enrolled in at least 6 credit hours that commence and are completed in that term, the Disbursement Schedule for a half-time student is used; or

(ii) If the student is enrolled in less than 6 credit hours that commence and are completed in that term the Disbursement Schedule for a less-than-half-time student is used;

(3) A payment for a payment period is calculated using the formula in § 690.63(d) except that paragraphs (c) (1) and (2) of this section are used in lieu of § 690.63(d) (1) and (2) respectively; and

(4) The institution shall make the payment to a student for a payment period after that student completes 50 percent of the lessons or otherwise completes 50 percent of the work scheduled for the term, whichever occurs last.

(d) Payments for periods of residential training shall be calculated under § 690.63(d) if the residential training is offered using terms and credit hours or § 690.63(e) if the residential training is offered using credit hours without terms.

§ 690.67 Receiving up to two Scheduled Federal Pell Grant awards during a single award year.

(a) The Secretary announces in the FEDERAL REGISTER whether an institution may award up to a second Scheduled Federal Pell Grant to a student in a particular award year.

(b) Based on the announcement described in paragraph (a) of this section, an institution may award up to a second Scheduled Federal Pell Grant award to a student in that award year if—

(1) The student is enrolled as a full-time student in an eligible program that is at least 2 academic years as measured in credit hours and weeks of instructional time and leads to an associate or baccalaureate degree at an institution;

(2) The student is enrolled only in coursework required for completing his or her associate or baccalaureate degree, including courses in his or her major area of study or electives that

fulfill the student's graduation requirements, during any payment period in which the student is paid any portion of his or her second Scheduled Federal Pell Grant award;

(3) In the previous payment periods in the award year the student has completed the number of credit hours required in an academic year leading to his or her associate or baccalaureate degree program; and

(4) The student has completed the weeks of instructional time required for an academic year or will complete them in the first payment period for which he or she will receive a payment from his or her second Scheduled Federal Pell Grant award.

(c) If an institution awards a student up to a second Scheduled Federal Pell Grant award, the institution must make such awards to all students who qualify under paragraph (a) of this section.

(1) Qualifies as an eligible student under 34 CFR Part 668, Subpart C;

(2) Is enrolled in an eligible program as an undergraduate student; and

(b) If an institution determines at the beginning of a payment period that a student is not maintaining satisfactory progress, but reverses that determination before the end of the payment period, the institution may pay a Federal Pell Grant to the student for the entire payment period.

(c) If an institution determines at the beginning of a payment period that a student is not maintaining satisfactory progress, but reverses that determination after the end of the payment period, the institution may neither pay the student a Federal Pell Grant for that payment period nor make adjustments in subsequent Federal Pell Grant payments to compensate for the loss of aid for that period.

(d) A member of a religious order, community, society, agency of or organization who is pursuing a course of study in an institution of higher education is considered to have an expected family contribution amount at least equal to the maximum authorized award amount for the award year if that religious order—

(a)(1) Except as provided in paragraphs (a)(2) and (a)(3) of this section, a

(2) The institution is liable for a Federal Pell Grant overpayment if the overpayment occurred because the institution failed to follow the procedures set forth in this part or 34 CFR Part 668. The institution must restore an amount equal to the overpayment to its Federal Pell Grant account.

(3) A student is not liable for, and the institution is not required to attempt recovery of or refer to the Secretary, a Federal Pell Grant overpayment if the amount of the overpayment is less than \$25 and is not a remaining balance.

(b)(1) Except as provided in paragraph (a)(3) of this section, if an institution makes a Federal Pell Grant overpayment for which it is not liable, it must promptly send a written notice to the student requesting repayment of the overpayment amount. The notice must state that failure to make that repayment, or to make arrangements satisfactory to the holder of the overpayment debt to repay the overpayment, makes the student ineligible for further title IV, HEA program funds until final resolution of the Federal Pell Grant overpayment.

(2) If a student objects to the institution's Federal Pell Grant overpayment determination on the grounds that it is erroneous, the institution must consider any information provided by the student and determine whether the objection is warranted.

§ 690.80 Recalculation of a Federal Pell Grant award.

(a) *Change in expected family contribution.* (1) The institution shall recalculate a Federal Pell Grant award for the entire award year if the student's expected family contribution changes at any time during the award year. The change may result from—

(i) The correction of a clerical or arithmetic error under § 690.14; or

(ii) A correction based on information required as a result of verification under 34 CFR part 668, subpart E.

(2) Except as described in 34 CFR 668.60(c), the institution shall adjust the student's award when an overaward or underaward is caused by the change in the expected family contribution. That adjustment must be made—

(i) Within the same award year—if possible—to correct any overpayment or underpayment; or

(ii) During the next award year to correct any overpayment that could not be adjusted during the year in which the student was overpaid.

(b) *Change in enrollment status.* (1) If the student's enrollment status changes from one academic term to another term within the same award year, the institution shall recalculate the Federal Pell Grant award for the new payment period taking into account any changes in the cost of attendance.

(2)(i) If the student's projected enrollment status changes during a payment period after the student has begun attendance in all of his or her classes for that payment period, the institution may (but is not required to) establish a policy under which the student's award for the payment period is recalculated. Any such recalculations must take into account any changes in the cost of attendance. If such a policy is established, it must apply to all students.

(ii) If a student's projected enrollment status changes during a payment period before the student begins at-

tendance in all of his or her classes for that payment period, the institution shall recalculate the student's enrollment status to reflect only those classes for which the student actually began attendance.

(c) *Change in cost of attendance.* If the student's cost of attendance changes at any time during the award year and his or her enrollment status remains the same, the institution may (but is not required to) establish a policy under which the student's award for the payment period is recalculated. If such a policy is established, it must apply to all students.

(i) Is offered in credit hours but is not offered in academic terms; or

(ii) Is offered in clock hours.

(5) *Programs for which an exception to the academic year definition has been granted under 34 CFR 668.3.* If an institution receives a waiver from the Secretary of the 30 weeks of instructional time requirement under 34 CFR 668.3, an institution may calculate a student's payment for a payment period using the following methodologies:

(i) If the program is offered in terms and credit hours, the institution uses the methodology in—

(A) Paragraph (b) of this section provided that the program meets all the criteria in paragraph (a)(1) of this section, except that in lieu of paragraph (a)(1)(ii)(B) of this section, the program provides at least the same number of weeks of instructional time in the terms specified in paragraph (a)(1)(ii)(A) of this section as are in the program's academic year; or

(B) Paragraph (d) of this section.

(ii) The institution uses the methodology described in paragraph (e) of this section if the program is offered in credit hours without terms or clock hours.

(b) *Programs using standard terms with at least 30 weeks of instructional time.* The payment for a payment period, i.e., an academic term, for a student in a program using standard terms with at least 30 weeks of instructional time in two semesters or trimesters or in three quarters as described in paragraph (a)(1)(ii)(A) of this section, is calculated by—

(1) Confirming his or her full-time enrollment status for the term;

(2) Determining his or her ACG or National SMART Grant Scheduled Award; and

(3) Dividing the amount described under paragraph (b)(2) of this section by—

(i) Two at institutions using semesters or trimesters or three at institutions using quarters; or

(ii) The number of terms over which the institution chooses to distribute the student's ACG or National SMART Grant Scheduled Award if—

(A) An institution chooses to distribute all of the student's ACG or National SMART Grant Scheduled Award determined under paragraph (b)(2) of this section over more than two terms at institutions using semesters or trimesters or more than three quarters at institutions using quarters; and

(B) The number of weeks of instructional time in the terms, including the additional term or terms, equals the weeks of instructional time in the program's academic year.

(c) *Programs using standard terms with less than 30 weeks of instructional time.* The payment for a payment period, i.e., an academic term, for a student in a program using standard terms with less than 30 weeks of instructional time in two semesters or trimesters or in three quarters as described in paragraph (a)(2)(ii)(A) of this section, is calculated by—

(1) Confirming his or her full-time enrollment status for the term;

(2) Determining his or her ACG or National SMART Grant Scheduled Award;

(3) Multiplying his or her ACG or National SMART Grant Scheduled Award determined under paragraph (c)(2) of this section by the following fraction as applicable:

In a program using semesters or trimesters—

$$\frac{\text{The number of weeks of instructional time offered in the program in the fall and spring semesters or trimesters}}{\text{The number of weeks in the program's academic year}}$$

; or

In a program using quarters—

$$\frac{\text{The number of weeks of instructional time offered in the program in the fall, winter, and spring quarters}}{\text{The number of weeks in the program's academic year}}$$

; and

(4)(i) Dividing the amount determined under paragraph (c)(3) of this section by two for programs using semesters or trimesters or three for programs using quarters; or

(ii) Dividing the student's ACG or National SMART Grant Scheduled Award determined under paragraph (c)(2) of this section by the number of terms over which the institution chooses to distribute the student's ACG or National SMART Grant Scheduled Award if—

(A) An institution chooses to distribute all of the student's ACG or National SMART Grant Scheduled Award determined under paragraph (c)(2) of this section over more than two terms for programs using semesters or trimesters or more than three quarters for programs using quarters; and

(B) The number of weeks of instructional time in the terms, including the additional term or terms, equals the weeks of instructional time in the program's academic year definition.

(d) *Other programs using terms and credit hours.* The payment for a payment period, i.e., an academic term, for a student in a program using terms and credit hours, other than those described in paragraphs (a)(1) or (a)(2) of this section, is calculated by—

(1)(i) For a student enrolled in a semester, trimester, or quarter, determining his or her full-time enrollment status for the term; or

(ii) For a student enrolled in a term other than a semester, trimester, or quarter, determining his or her full-time enrollment status for the term by—

(A) Dividing the number of weeks of instructional time in the term by the number of weeks of instructional time in the program's academic year;

(B) Multiplying the fraction determined under paragraph (d)(1)(ii)(A) of this section by the number of credit hours in the program's academic year to determine the number of hours required to be enrolled to be considered a full-time student; and

(C) Determining a student's enrollment status by comparing the number of hours in which the student enrolls in the term to the number of hours required to be considered full-time under

§ 691.64

34 CFR Ch. VI (7–1–07 Edition)

paragraph (d)(1)(ii)(B) of this section for that term;

(2) Based upon that full-time enrollment status, determining his or her ACG or National SMART Grant Scheduled Award; and

(3) Multiplying his or her ACG or National SMART Grant Scheduled Award determined under paragraph (d)(2) of this section by the following fraction:

$$\frac{\text{The number of weeks of instructional time in the term}}{\text{The number of weeks of instructional time in the program's academic year}}$$

(e) *Programs using clock hours or credit hours without terms.* The payment for a payment period for a student in a program using credit hours without terms or using clock hours is calculated by—

(1) Determining that the student is attending at least full-time;

(2) Determining the student's ACG or National SMART Grant Scheduled Award;

(3) Multiplying the amount determined under paragraph (e)(2) of this section by the lesser of—

(i)

$$\frac{\text{The number of weeks of instructional time required for a full-time student to complete the lesser of the clock or credit hours in the program or the academic year}}{\text{The number of weeks of instructional time in the program's academic year}}$$

; or

(ii) One; and

(4) Multiplying the amount determined under paragraph (e)(3) of this section by—

$$\frac{\text{The number of credit or clock hours in the payment period}}{\text{The number of credit or clock hours in the program's academic year}}$$

(f) *Maximum disbursement.* A single disbursement may not exceed 50 percent of any award determined under paragraph (d) or (e) of this section. If a payment for a payment period calculated under paragraphs (d) or (e) of this section would require the disbursement

of more than 50 percent of a student's ACG or National SMART Grant Scheduled Award in that payment period, the institution shall make at least two disbursements to the student in that payment period. The institution may not disburse an amount that exceeds 50 percent of the student's ACG or National SMART Grant Scheduled Award until the student has completed the period of time in the payment period that equals, in terms of weeks of instructional time, 50 percent of the weeks of instructional time in the program's academic year.

(g) *Definition of academic year.* For purposes of this section, an institution must define an academic year for each of its eligible programs in terms of the number of credit or clock hours and weeks of instructional time in accordance with the requirements of 34 CFR 668.3.

(h) *Payment period with two academic years.* In a payment period, if a student is completing the remaining portion of the first academic year or second academic year for an ACG or the third academic year for a National SMART Grant Scheduled Award, the student's payment for the payment period—

(1) Is from the ACG or National SMART Grant Scheduled Award of the academic year being completed; and

(2) Is calculated based on the total credit or clock hours, and, for a credit-hour program, weeks of instructional time, in the payment period.

(Authority: 20 U.S.C. 1070a–1)

§ 691.64 Calculation of a grant for a payment period which occurs in two award years.

(a) If a student enrolls in a payment period that is scheduled to occur in two award years—

(1) The entire payment period must be considered to occur within one award year;

(2) The institution shall determine for each ACG or National SMART Grant recipient the award year in which the payment period will be placed subject to the restrictions set forth in paragraphs (a)(3) and (a)(6) of this section;

(3) The institution shall place a payment period with more than six

months scheduled to occur within one award year in that award year;

(4) If the institution places the payment period in the first award year, it shall pay a student with funds from the first award year;

(5) If the institution places the payment period in the second award year, it shall pay a student with funds from the second award year; and

(6) The institution must assign the payment period for both the ACG or National SMART Grant and the Federal Pell Grant to the same award year.

(b) An institution may not make a payment that results in the student receiving more than his or her ACG or National SMART Grant Scheduled Award for an academic year of the student's eligible program.

(Authority: 20 U.S.C. 1070a-1)

§ 691.65 Transfer student: Attendance at more than one institution during an academic year.

(a) If a student who receives a grant under this part at one institution subsequently enrolls at a second institution in the same award year, the student may receive a grant at the second institution only if—

(1)(i) The student submits a valid SAR to the second institution; or

(ii) The second institution obtains a valid ISIR; and

(2) The student is receiving a Federal Pell Grant in the same award year.

(b) The second institution shall calculate the student's award according to § 691.63.

(c) The second institution may pay a grant only for that portion of the academic year of the student's eligible program in which a student is enrolled at that institution. The grant amount must be adjusted, if necessary, to ensure that the grant does not exceed the student's ACG or National SMART Grant Scheduled Award for that academic year.

(d) If a student transfers between award years and the student's ACG or National SMART Grant Scheduled Award at the second institution differs from the ACG or National SMART Grant Scheduled Award at the first institution for that academic year of the student's eligible program, the grant

amount at the second institution is calculated as follows—

(1) The amount received at the first institution is compared to the ACG or National SMART Grant Scheduled Award at the first institution to determine the percentage of the ACG or National SMART Grant Scheduled Award that the student has received.

(2) That percentage is subtracted from 100 percent.

(3) The remaining percentage is the percentage of the ACG or National SMART Grant Scheduled Award at the second institution to which the student is entitled.

(e) The student's ACG or National SMART Grant payment for each payment period is calculated according to the procedures in § 691.63 unless the remaining percentage of the ACG or National SMART Grant Scheduled Award at the second institution, referred to in paragraph (d)(3) of this section, is less than the amount the student would normally receive for that payment period. In that case, the student's payment is equal to that remaining percentage.

(f) A transfer student shall repay any amount received that exceeds his or her ACG or National SMART Grant Scheduled Award for an academic year in accordance with § 691.79.

Subpart G—Administration of Grant Payments

§ 691.71 Scope.

This subpart deals with program administration by an eligible institution.

(Authority: 20 U.S.C. 1070a-1)

§§ 691.72–691.74 [Reserved]

§ 691.75 Determination of eligibility for payment.

(a) For each payment period, an institution may pay a grant under this part to a student only after it determines that the student—

(1) Qualifies as a student who is eligible under § 691.15;

(2) Is enrolled as an undergraduate student in an eligible program;

§ 691.76

34 CFR Ch. VI (7–1–07 Edition)

(3) If enrolled in a self-paced credit-hour program without terms or a self-paced clock-hour program, as described in paragraph (e), is progressing as a full-time student after completing at least—

(i) Fifty percent of the credit or clock hours of the payment period for which the student is being paid; or

(ii) For a credit-hour program, 50 percent of the academic coursework of the payment period for which the student is being paid if the institution is unable to determine when the student has completed one-half of the credit hours of the payment period; and

(4) If enrolled in a credit-hour program without terms or a clock-hour program, has completed the payment period as defined in 34 CFR 668.4 for which he or she has been paid a grant.

(b)(1) If an institution determines at the beginning of a payment period that a student is not maintaining satisfactory progress, but reverses that determination before the end of the payment period, the institution may pay a grant under this part to the student for the entire payment period.

(2) For purposes of the ACG Program, if an institution determines at the beginning of a payment period that a student enrolled in the second academic year of his or her eligible program is not maintaining the necessary GPA for an ACG under § 691.15(b)(1)(iii)(C), but reverses that determination before the end of the payment period, the institution may pay an ACG to the student for the entire payment period.

(3) For purposes of the National SMART Grant Program, if an institution determines at the beginning of a payment period that a student is not maintaining the necessary GPA for a National SMART Grant under § 691.15(c)(3) or is not pursuing a required major under § 691.15(c)(2), but reverses that determination before the end of the payment period, the institution may pay a National SMART Grant to the student for the entire payment period.

(c) If an institution determines at the beginning of a payment period that a student is not maintaining satisfactory progress or the necessary GPA for an ACG under § 691.15(b)(1)(iii)(C), a National SMART Grant under

§ 691.15(c)(3), or, in the case of a National SMART Grant is not pursuing a required major under § 691.15(c)(2), but reverses that determination after the end of the payment period, the institution may neither pay the student an ACG or a National SMART Grant for that payment period nor make adjustments in subsequent payments to compensate for the loss of aid for that period.

(d) Subject to the requirement of paragraph (d)(2), an institution may make one disbursement for a payment period to an otherwise eligible student if—

(1)(i) For the first payment period of the student's ACG for the second academic year, a student's GPA for the first academic year under § 691.15(b)(1)(iii)(C) is not yet available; or

(ii) For a payment period for a National SMART Grant, a student's cumulative GPA through the prior payment period under § 691.15(c)(3) for the student's enrollment in the eligible program through the prior payment period under § 691.15(c)(3) is not yet available; and

(2) The institution assumes liability for any overpayment as a result of the student failing to meet the required GPA to qualify for the disbursement.

(e) For purposes of this section, a self-paced program is an educational program without terms that allows a student—

(1) To complete courses without a defined schedule for completing the courses; or

(2) At the student's discretion, to begin courses within a program either at any time or on specific dates set by the institution for the beginning of courses without a defined schedule for completing the program.

§ 691.77 [Reserved]

§ 691.78 Method of disbursement—by check or credit to a student's account.

(a) An institution shall disburse funds to a student or the student's account in accordance with the provisions in 34 CFR 668.164.

(b)(1) An institution that intends to pay a student directly must notify the student in accordance with 34 CFR 668.165(a).

(2) If a student does not pick up the check on time, the institution shall still pay the student if he or she requests payment within 20 days after the last date that his or her enrollment ends in that award year.

(3) If the student has not picked up his or her payment at the end of the 20-day period, the institution may credit the student's account only for any outstanding charges for tuition and fees and room and board for the award year incurred by the student while he or she was eligible.

(4) A student forfeits the right to receive the payment if he or she does not pick up a payment by the end of the 20-day period.

(5) Notwithstanding paragraph (c)(4) of this section, the institution may, if it chooses, pay a student who did not pick up his or her payment, through the next payment period.

(6) An institution shall make a late disbursement to an ineligible student in accordance with the provisions in 34 CFR 668.164(g).

§ 691.79 Liability for and recovery of grant overpayments.

(a)(1) Except as provided in paragraphs (a)(2) and (a)(3) of this section, a student is liable for any grant overpay-

ment made to him or her under this part.

(2) The institution is liable for a grant overpayment if the overpayment occurred because the institution failed to follow the procedures set forth in this part or 34 CFR part 668. The institution must restore an amount equal to the overpayment to its ACG or National SMART Grant account, as applicable.

(3) A student is not liable for, and the institution is not required to attempt recovery of or refer to the Secretary, a grant overpayment under this part if the amount of the overpayment is less than \$25 and is not a remaining balance.

(b)(1) Except as provided in paragraph (a)(3) of this section, if an institution makes an overpayment under this part for which it is not liable, it must promptly send a written notice to the student requesting repayment of the overpayment amount. The notice must state that failure to make that repayment, or to make arrangements satisfactory to the holder of the overpayment debt to repay the overpayment, makes the student ineligible for further title IV, HEA program funds until final resolution of the overpayment.

(2) If a student objects to the institution's overpayment determination on the grounds that it is erroneous, the institution must consider any information provided by the student and determine whether the objection is warranted.

(c) Except as provided in paragraph (a)(3) of this section, if the student fails to repay an overpayment under this part or make arrangements satisfactory to the holder of the overpayment debt to repay the overpayment, after the institution has taken the action required by paragraph (b) of this section, the institution must refer the overpayment to the Secretary for collection purposes in accordance with procedures required by the Secretary. After referring the overpayment to the Secretary under this section, the institution need make no further efforts to recover the overpayment.

§ 691.80 Redetermination of eligibility for a grant award.

(a) Change in receipt of Federal Pell Grant. If, after the beginning of an award year, a student otherwise eligible for an ACG or a National SMART Grant begins or ceases to receive a Federal Pell Grant in that award year, the institution must redetermine the student's eligibility for an ACG or a National SMART Grant in that award year.

(b) *Change in enrollment status.* (1) If the student's enrollment status changes from one payment period to another within the same award year, the institution shall determine whether the student qualifies for an ACG or a National SMART Grant for the new payment period.

(2)(i) If the student's projected enrollment status changes during a payment period after the student has begun attendance in all of his or her classes for that payment period, the institution may (but is not required to) establish a policy under which the institution may redetermine eligibility for the student's award for the payment period. If such a policy is established, it must apply to all students and be the same as the policy established for the Federal Pell Grant Program.

(ii) If a student's projected enrollment status changes to less-than-full-time during a payment period before the student begins attendance in all of his or her classes for that payment period, the institution shall determine that the student is ineligible for a grant under this part for that payment period.

§ 691.83 Submission of reports.

(a)(1) An institution may receive either a payment from the Secretary for an award to an ACG or a National SMART Grant recipient, or a corresponding reduction in the amount of Federal funds received in advance for which it is accountable, if—

(i) The institution submits to the Secretary the student's Payment Data for that award year in the manner and form prescribed in paragraph (a)(2) of this section by September 30 following the end of the award year in which the grant is made, or, if September 30 falls on a weekend, on the first weekday following September 30; and

(ii) The Secretary accepts the student's Payment Data.

(2) The Secretary accepts a student's Payment Data that is submitted in accordance with procedures established through publication in the FEDERAL REGISTER, and that contains information the Secretary considers to be accurate in light of other available information including that previously provided by the student and the institution.

(3) An institution that does not comply with the requirements of this paragraph may receive a payment or reduction in accountability only as provided in paragraph (d) of this section.

(b)(1) An institution shall report to the Secretary any change in the amount of a grant for which a student qualifies including any related Payment Data changes by submitting to the Secretary the student's Payment Data that discloses the basis and result of the change in award for each student. change to the Secretary by the reporting deadlines published by the Secretary in the FEDERAL REGISTER.

(2) An institution shall submit, in accordance with deadline dates established by the Secretary, through publication in the FEDERAL REGISTER, other reports and information the Secretary requires and shall comply with the procedures the Secretary finds necessary to ensure that the reports are correct.

(3) An institution that timely submits, and has accepted by the Secretary, the Payment Data for a student in accordance with this section shall report a reduction in the amount of an award that the student received when it determines that an overpayment has occurred, unless that overpayment is one for which the institution is not liable under § 691.79(a).

(c) In accordance with 34 CFR 668.84, the Secretary may impose a fine on the institution if the institution fails to comply with the requirements specified in paragraphs (a) or (b) of this section.

(d)(1) Notwithstanding paragraph (a) or (b) of this section, if an institution demonstrates to the satisfaction of the Secretary that the institution has provided ACGs or National SMART Grants in accordance with this part but has not received credit or payment for those grants, the institution may receive payment or a reduction in accountability for those grants in accordance with paragraphs (d)(4) and either (d)(2) or (d)(3) of this section.

(2) The institution must demonstrate that it qualifies for a credit or payment by means of a finding contained in an audit report of an award year that was the first audit of that award year and timely submitted to the Secretary under 34 CFR 668.23(a).

(3) An institution that timely submits the Payment Data for a student in accordance with paragraph (a) of this section but does not timely submit to the Secretary, or have accepted by the Secretary, the Payment Data necessary to document the full amount of the award to which the student is entitled, may receive a payment or reduction in accountability in the full amount of that award, if—

(i) A program review demonstrates to the satisfaction of the Secretary that the student was eligible to receive an

amount greater than that reported in the student's Payment Data timely submitted to, and accepted by the Secretary; and

(ii) The institution seeks an adjustment to reflect an underpayment for that award that is at least \$100.

(4) In determining whether the institution qualifies for a payment or reduction in accountability, the Secretary takes into account any liabilities of the institution arising from that audit or program review or any other source. The Secretary collects those liabilities by offset in accordance with 34 CFR part 30.

The following definitions apply to the regulations in this part:

(a) The definitions of the following terms under 34 CFR part 600:

Academic year (§ 668.2).

Enrolled (§ 668.2).

Institution (§ 668.1(b)).

(c) The definitions of the following terms also apply to the LEAP Program:

Full-time student means a student carrying a full-time academic workload—other than by correspondence—as measured by both of the following:

(1) Coursework or other required activities, as determined by the institution that the student attends or by the State.

WHAT IS THE AMOUNT OF ASSISTANCE
AND HOW MAY IT BE USED?

§ 692.10 How does the Secretary allot funds to the States?

(a)(1) The Secretary allots to each State participating in the LEAP program an amount which bears the same ratio to the Federal LEAP funds appropriated as the number of students in that State who are “deemed eligible” to participate in the State’s LEAP program bears to the total number of students in all States who are “deemed eligible” to participate in the LEAP program, except that no State may receive less than it received in fiscal year 1979.

(2) If the Federal LEAP funds appropriated for a fiscal year are not sufficient to allot to each State the amount of Federal LEAP funds it received in fiscal year 1979, the Secretary allots to each State an amount which bears the same ratio to the amount of Federal LEAP funds appropriated as the amount of Federal LEAP funds that State received in fiscal year 1979 bears to the amount of Federal LEAP funds all States received in fiscal year 1979.

(b) For the purpose of paragraph (a)(1) of this section, the Secretary determines the number of students “deemed eligible” to participate in a State’s LEAP Program by dividing the amount of that State’s LEAP expenditures, including both its Federal allotment and the State-appropriated funds matching the allotment, by the average grant award per student of all participating States. The Secretary determines the “average grant award per student” by dividing the total number of student recipients for all States into the total amount of LEAP expenditures for all States, including both the Federal allotments and the State-appropriated funds matching those allotments. In making this determination, the Secretary uses the most current available data reported by each State.

§ 692.11 For what purposes may a State use its payments under the LEAP Program?

A State may use the funds it receives under the LEAP Program only to make grants to students and to pay wages or salaries to students in community service-learning jobs.

(a) For each fiscal year that it wishes to participate, a State shall submit an

§ 692.21

34 CFR Ch. VI (7–1–07 Edition)

application that contains information that shows that its Leveraging Educational Assistance Partnership Program meets the requirements of § 692.21.

(1) The constitution of the State; or

(2) A State statute that was enacted before October 1, 1978;

(g) Provides that, if a State awards grants to independent students or to students who are less-than-full-time students enrolled in an institution, a reasonable portion of the State's allocation must be awarded to those students;

(e) For the purpose of paragraph (d)(2) of this section, “low-income residents” means—

in terms of family income, expected family contribution, and relative need as measured by the difference between the student's cost of attendance and the resources available to meet that cost. To determine substantial need, the State may use—

(1) A system for determining a student's financial need under part F of title IV of the HEA;

(2) The State's own needs analysis system if approved by the Secretary; or

(3) A combination of these systems, if approved by the Secretary.

(b) The Secretary generally approves a need-analysis system under paragraph (a) (2) or (3) of this section only if the need-analysis system applies the term "independent student" as defined under section 480(d) of the HEA. However, for good cause shown, the Secretary may approve, on a case-by-case basis, a State's need analysis system that uses a definition for "independent student" that varies from that term as defined in section 480(d) of the HEA.

(b) Fellowships are awarded to these individuals for the purpose of carrying out short-term, innovative projects that contribute to the knowledge base of the adult education or adult or family literacy field.

(c) Fellowships are intended to benefit the fellow, the Institute, and the national literacy field by providing the fellow with the opportunity to interact with national leaders in the field and make contributions to federal policy initiatives that promote a fully literate adult population.

(a) Only individuals are eligible to be recipients of fellowships.

(b) To be eligible for a fellowship under this program, an individual must be—

Fellow means a recipient of a fellowship.

Fellowship means an award of financial assistance made by the Institute to an individual pursuant to section 242(d) of the Workforce Investment Act of 1998 (20 U.S.C. 9252(d)) to enable that individual to conduct research or other authorized literacy activities under the auspices of the Institute.

and applied research, planning, surveys, assessments, evaluations, investigations, experiments, development and demonstrations.

§ 1100.6 What priorities may the Director establish?

The Director may, through a notice published in the FEDERAL REGISTER, select annually one or more priorities for funding. These priorities may be chosen from the areas of greatest immediate concern to the Institute and may include, but are not limited to, the following areas:

(a) *Developing leadership in adult learners.* Because adult learners are the true experts on literacy, they are an important resource for the field. Their firsthand experience as “customers” of the literacy system can be invaluable in assisting the field in moving forward, particularly in terms of raising public awareness and understanding about literacy.

(b) *Expanding the use of technology in literacy programs.* One of the Institute’s major projects is the Literacy Information aNd Communication System (LINCS), an Internet-based information system that provides timely information and abundant resources to the literacy community. Keeping the literacy community up to date in the Information Age is vital.

(c) *Improving accountability for literacy programs.* Literacy programs must develop accountability systems that demonstrate their effectiveness in helping adult learners contribute more fully in the workplace, family and community. There is growing interest in results-oriented literacy practice, especially as related to the Equipped for the Future (EFF) framework.

(d) *Raising public awareness about literacy.* The Institute is leading a national effort to raise public awareness that literacy is part of the solution to many social concerns, including health, welfare, the economy, and the well-being of children. Projects that enhance this effort will be given priority consideration.

Subpart B—How Does an Individual Apply for a Fellowship?

§ 1100.10 What categories of fellowships does the Institute award?

The Institute awards two categories of Literacy Leadership Fellowships:

- (a) Literacy Worker Fellowships; and
- (b) Adult Learner Fellowships.

§ 1100.11 How does an individual apply for a fellowship?

An individual shall apply to the Director for a fellowship award in response to an application notice published by the Director in the FEDERAL REGISTER. The application must describe a plan for one or more of the activities stated in § 1100.3 that the applicant proposes to conduct under the fellowship. The application must indicate which category of fellowship, as described in § 1100.10, most accurately describes the applicant. Applicants must also submit for letters for recommendation and certain forms, assurances and certifications, including the certification required under 34 CFR 75.61. For applicants who propose to conduct the fellowship project on a part-time basis while undertaking other paid employment, one of the four required letters of recommendation must be from the applicant’s employer, and must include a statement that the applicant’s workload will not exceed 100 percent of time.

(Approved by the Office of Management and Budget under OMB Control Number 3430-0003, Expiration Date 6/30/2000)

§ 1100.12 What applications are not evaluated for funding?

The Director does not evaluate an application if—

- (a) The applicant is not eligible under § 1100.2;
- (b) The applicant does not comply with all of the procedural rules that govern the submission of applications for Literacy Leader Fellowship funds;
- (c) The application does not contain the information required by the Institute;
- (d) The application proposes a project for which a fellow may not use the fellowship funds, as described in § 1100.3(b).

§ 1100.20

34 CFR Ch. XI (7–1–07 Edition)

(e) The application is not submitted by the deadline stated in the application notice.

Subpart C—How Does the Director Award a Fellowship?

§ 1100.20 How is a fellow selected?

(a) The Director selects applications for fellowships on the basis of the selection criteria in § 1100.21 and any priorities that have been published in the FEDERAL REGISTER and are applicable to the selection of applications.

(b)(1) The Director may use experts from the literacy field to rank applications according to the selection criteria in § 1100.21, and then provide the top-ranked applications to the Institute's Advisory Board.

(2) The Institute's Advisory Board evaluates these applications based on the selection criteria in § 1100.21 and makes funding recommendations to the Director.

(3) The Director then determines the number of awards to be made in each fellowship category and the order in which applications will be selected for fellowships, based on the initial rank order, recommendations by the board, and any other information relevant to any of the selection criteria, applicable priorities, or the purposes of the Literacy Leader Fellowship Program, including whether the selection of an application would increase the diversity of fellowship projects under this program.

§ 1100.21 What selection criteria does the Director use to rate an applicant?

The Director uses the following criteria in evaluating each applicant for a fellowship:

(a) *Quality of plan.* (45 points) The Director uses the following criteria to evaluate the quality of the proposed project:

(1) The proposed project deals with an issue of major concern to the literacy field.

(2) The design of the project is strong and feasible.

(3) The applicant has demonstrated the ability to complete a quality project or has shown leadership in this area.

(4) The applicant provides letters of recommendation that show strong knowledge by others in the literacy field of the applicant's background and past work.

(c) *Relevance to the Institute.* (10 points) The Director uses the following criteria to evaluate the relevance of the applicant's proposal to the Institute:

(1) The project significantly relates to the purposes and work of the Institute.

(2) The applicant proposes a minimum of four visits to the Institute for quarterly meetings (this may be adjusted according to the number of months to be served in the fellowship) and, if necessary, depending on the nature and scope of the proposed project, to spend an additional portion of the project time at the Institute.

(d) *Dissemination plan.* (10 points) The Director uses the following criteria to evaluate the quality of the dissemination plan;

National Institute for Literacy

§ 1100.30

(1) The applicant clearly specifies what information will be made available to the field and how this information will further the efforts of the field.

(2) The applicant describes how this information will be shared with the field (e.g., print, on-line, presentations, video, etc.).

(1) The fellow's current annual salary, prorated for the length of the fellowship salary reimbursement; or

(2) If a fellow has no current salary, the fellow's education and experience; and

§ 1100.23 What payment methods may the Director use?

(a) Director will pay a fellowship award directly to the fellow or through the fellow's employer. The application should specify if the fellow wishes to be paid directly or through the fellow's employer.

(b) The Director considers the preferences of the fellow in determining whether to pay a fellowship award directly to the fellow or through the fellow's employer; however, the Director pays a fellowship award through the fellow's employer only if the employer enters into an agreement with the Di-

rector to comply the provisions of § 1100.25.

§ 1100.24 What are the procedures for payment of a fellowship award directly to the fellow?

(a) If the Director pays fellowship award directly to the fellow after the Director determines the amount of a fellowship award, the fellowship recipient shall submit a payment schedule to the Director for approval. The Director advises the recipient of the approved schedule.

(b) If a fellow does not complete the fellowship, or if the Institute terminates the fellowship, the fellow shall return to the Director a prorated portion of the stipend and any unused subsistence and materials allowance and travel funds at the time and in the manner required by the Director.

§ 1100.25 What are the procedures for payment of a fellowship award through the fellow's employer?

If the fellow does not complete the fellowship, the fellow shall return to the employer a prorated portion of the stipend and any unused subsistence and materials allowance and travel funds. The employer shall return the funds to the Director at the time and in the manner required by the Director. The employer shall also return to the Director any portion of the stipend, subsistence and materials allowance and travel funds not yet paid by the employer to the fellow.

(c) A fellowship may be terminated under the terms of 34 CFR 74.61.

§ 1100.33 What reports are required?

(a) A fellow shall submit fellowship results to the Institute in formats suitable for wide dissemination to policymakers and the public. These formats should include, as appropriate to the topic of the fellowship and the intended audience, articles for academic journals, newspapers, and magazines.

(b) Each fellowship agreement will contain specific provisions for how, when, and in what format the fellow will report on results, and how and to whom the results will be disseminated.

(c) A fellow shall submit a final performance report to the Director no later than 90 days after the completion of the fellowship. (i) Subject qualified individuals with handicaps to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified individuals with handicaps to discrimination on the basis of handicap.

(6) The agency may not administer a licensing or certification program in a manner that subjects qualified individuals with handicaps to discrimination on the basis of handicap, nor may the agency establish requirements for the programs or activities of licensees or certified entities that subject qualified

individuals with handicaps to discrimination on the basis of handicap. However, the programs or activities of entities that are licensed or certified by the agency are not, themselves, covered by this part.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to individuals with handicaps or the exclusion of a specific class of individuals with handicaps from a program limited by Federal statute or Executive order to a different class of individuals with handicaps is not prohibited by this part.

§§ 1200.131–1200.139 [Reserved]

§ 1200.140 Employment.

No qualified individual with handicaps shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1614, shall apply to employment in federally conducted programs or activities.

§§ 1200.141–1200.148 [Reserved]

§ 1200.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in § 1200.150, no qualified individual with handicaps shall, because the agency's facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 1200.150 Program accessibility: Existing facilities.

(a) *General.* The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by individuals with handicaps;

(2) In the case of historic preservation programs, require the agency to take any action that would result in a substantial impairment of significant historic features of an historic property; or

(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 1200.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that result in such an alteration or such burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) *Methods*—(1) *General.* The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings,

shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(2) *Historic preservation programs.* In meeting the requirements of § 1200.150(a) in historic preservation programs, the agency shall give priority to methods that provide physical access to individuals with handicaps. In cases where a physical alteration to an historic property is not required because of § 1200.150(a)(2) or (a)(3), alternative methods of achieving program accessibility include—

(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;

(ii) Assigning persons to guide individuals with handicaps into or through portions of historic properties that cannot otherwise be made accessible; or

(iii) Adopting other innovative methods.

(c) *Time period for compliance.* The agency shall comply with the obligations established under this section by January 24, 1994, except that where structural changes in facilities are undertaken, such changes shall be made by November 26, 1996, but in any event as expeditiously as possible.

(d) *Transition plan.* In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by May 26, 1994, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency's facilities that limit the accessibility of its programs or activities to individuals with handicaps;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

§ 1200.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by individuals with handicaps. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151–4157), as established in 41 CFR 101–19.600 to 101–19.607, apply to buildings covered by this section.

§§ 1200.152–1200.159 [Reserved]

§ 1200.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford an individual with handicaps an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the individual with handicaps.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices

for deaf persons (TDD's) or equally effective telecommunication systems shall be used to communicate with persons with impaired hearing.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §1200.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity.

§§ 1200.161–1200.169 [Reserved]

(c) The Executive Director shall be responsible for coordinating implementation of this section. Complaints may be sent to the National Council on Disability, 800 Independence Avenue, SW., suite 814, Washington, DC 20591.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), is not readily accessible to and usable by individuals with handicaps.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;

(2) A description of a remedy for each violation found; and

(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by §1200.170(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the head of the agency.

extended with the permission of the Assistant Attorney General.

(l) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.
